ARTICLE 1 - PURPOSE

- 1.01 The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Hospital and the nurses covered by this Agreement; to provide for on-going means of communication between the Association and the Hospital and the prompt disposition of grievances and the final settlement of disputes and to establish and maintain mutually satisfactory salaries, hours of work and other conditions of employment in accordance with the provisions of this Agreement.
- 1.02 It is recognized that nurses wish to work together with the Hospital to secure the best possible nursing care and health protection for patients'. Appropriate committees have been created under this Agreement to **work** towards this objective.

The definitions shall not have the effect of changing the composition of any existing bargaining units. - 7.02 At the time formal discipline is imposed or at any stage of the grievance procedure, including the complaint stage, a nurse is entitled to be represented by her nurse representative. In the case of suspension or discharge, the Hospital shall notify the nurse of this right in advance.
- 7.03 It is the mutual desire of the parties hereto that complaints of nurses shall be adjusted as quickly as possible, and it is understood that a nurse has no grievance until she has first given her immediate supervisor the opportunity of adjusting her complaint. Such complaint shall be discussed with her immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the nurse and failing settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days following advice of her immediate supervisor's decision in the following manner and sequence:

Step No. 1

The nurse may submit a written grievance, signed by the nurse, to her immediate supervisor. The grievance shall be on a form referred to in Article 7.09 and shall identify the nature of the grievance and the remedy sought and should identify the provisions of the Agreement which are alleged to be violated. The immediate supervisor will deliver her decision in writing

within nine (9) calendar days following the day on which the grievance was presented to her. Failing settlement, then:

Step No. 2

Within nine (9) calendar days following the decision under Step No. 1, the nurse may submit the written grievance to the Vice President, Nursing or her designate who will deliver her decision in writing within nine (9) calendar days from the date on which the written grievance was presented to her. The parties may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. Failing settlement, then:

Step No. 3

Within nine (9) calendar days following the decision in Step No. 2, the grievance may be submitted in writing to the Hospital Administrator or her designate. A meeting will then be held between the Hospital Administrator or her designate and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 3 unless extended by agreement of the parties. It is understood and agreed that a representative of the Ontario Nurses' Association and the grievor may be present at the meeting. It is further understood that the Hospital Administrator or **her** designate may have such counsel and assistance as she may desire at such meeting. 7.04 A complaint or grievance arising directly between the Hospital and the Association concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 3 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. A grievance by the Hospital shall be filed with the Local President or her designate.

7.05 Where a number of nurses have identical grievances and each nurse would be entitled to grieve separately they may present a group grievance in writing signed by each nurse who is grieving to the Vice President, Nursing or her designate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the nurse(s). The grievance shall then be treated **as** being initiated at Step No. 2 and the

applicable provisions of this Article shall then apply with respect to the processing of such grievance.

7.06 The release of a probationary nurse shall not be subject to the grievance procedure unless the probationary nurse is released for exercising a right under this Agreement. A claim by a nurse who has completed her probationary period that she has been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the nurse with the Hospital at Step No. 3 within seven (7) calendar days after the date the discharge or suspension is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:

- (a) confirming the Hospital's action in dismissing the nurse; or
- (b) reinstating the nurse with or without loss of seniority and with or without full compensation for the time lost; or
- (c) by any other arrangement which may be deemed just and equitable.

The Hospital agrees to provide written reasons within seven (7) calendar days to the affected nurse in the case of discharge or suspension and further agrees that it will not suspend, discharge or otherwise discipline a nurse who has completed her probationary period, without just cause.

7.07 Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within eighteen (18) calendar days after the decision under Step No. 3 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within sixteen (16) calendar days after the decision under Step No. 3, it will be deemed to have been received within the time limits.

7.08 All agreements reached under the grievance procedure between the representatives of the Hospital and the representatives of the Association will be final and binding upon the Hospital and the Association and the nurses.

7.09 Association grievances shall be on the form set out in Appendix 1.

- 7.10 When either party requests that any matter be submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time name a nominee. Within seven (7) calendar days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to select by agreement a chairman of the Arbitration Board. If they are unable to agree upon such a chairman within a period of fourteen (14) calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.
- 7.11 No person may be appointed **as** an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 7.12 **No** matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.
- 7.13 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 7.14 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority shall be the decision of the Board and where there is no majority the decision of the Chairman will be final and binding upon the parties hereto and the nurse or nurses concerned.
- 7.15 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairperson of the Arbitration Board.
- 7.16 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 44 (6) of The Labour Relations Act.
- 7.17 Wherever Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single Arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to the Arbitration Board shall appropriately apply.

- (e) is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Hospital of such absence and providing a satisfactory reason to the Hospital;
- (f) fails to return to work (subject to the provisions of Article 10.05 (e)) upon termination of an authorized leave of absence without satisfactory reason, or utilizes a leave of absence for purposes other than that for which the leave was granted;
- (g) fails upon being notified of a recall to signify **her** intention to return within five (5) calendar **days** after she has received the notice of recall mailed by registered mail to the last known address according to the records of the Hospital and fails to report to work within seven (7) calendar days after she has received the notice of recall or such further period of time as may be agreed upon by the parties.
- (h) is absent from **work** due to **illness** or disability for a **period** of thirty (30) months from the time such absence commenced.

10.06

- (a) Where a permanent full-time vacancy occurs or a regular part-time vacancy occurs in a classification within the bargaining unit or a new position, full-time or regular part-time, within the bargaining unit is established **by** the Hospital, such vacancy shall be posted for a period of seven (7) consecutive calendar days. **Nurses** in the bargaining unit may make written application for such vacancy within the seven (7) **day** period referred to herein. Subsequent vacancies created by **the** filling of a posted vacancy are to be posted for three (3) consecutive calendar days.
- (b) A nurse may make a written request for transfer by advising the Hospital and filing a Request for Transfer form indicating her name, qualifications, experience, present area of assignment, seniority and requested area of assignment. A Request for Transfer shall become active **as** of the date it is received by the Hospital and shall remain **so** until December 31 following. Such requests will be considered **as** applications for posted vacancies and subsequent vacancies created by the filling of a posted vacancy.

A list of vacancies filled in the preceding month under Articles 10.06 (a) and (b), and the names of

the successful applicants, will be posted, with a copy provided to the Association. Unsuccessful applicants will be notified.

At the request of the nurse, the Hospital will discuss with unsuccessful applicants ways in which they can improve their qualifications for future postings.

- (c) Nurses shall be selected for positions under either 10.06 (a) or (b) on the basis of their skill, ability, experience and qualifications. Where these factors are relatively equal amongst the nurses considered, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work within an appropriate familiarization period. Where seniority governs, the most senior applicant, will be selected. Where the applicant has been selected in accordance with this Article and it is subsequently determined that she cannot satisfactorily perform the job to which she was promoted, the Hospital will attempt, during the first thirty (30) tours (**225** hours for nurses whose regular hours of work are other than the standard work day) worked from the date on which the nurse was first assigned to the vacancy, to return her to her former job, and the filling of the subsequent vacancies will likewise be reversed.
- (d) Vacancies which are not expected to exceed sixty (60) calendar days and vacancies caused due to illness, accident, leaves of absence (including maternity) may be filled at the discretion of the Hospital. In filling such vacancies consideration shall be given to regular part-time nurses in the bargaining unit on the basis of seniority who are qualified to perform the work in question prior to utilizing non-bargaining unit nurses supplied by an agency or registry. It is understood, however, that where such vacancies occur on short notice, failure to offer part-time nurses such work shall not result in any claim for pay for time not worked while proper arrangements are made to fill the vacancy. Where part-time nurses fill temporary full-time vacancies, such nurses shall be considered regular part-time. Upon completion of the temporary vacancy, such nurse shall be reinstated to her former position **unless** the position has been discontinued, in which case she shall be given a comparable job.
- (e) The Hospital shall have the right to fill any permanent vacancy on a temporary basis until the posting procedure or the Request for Transfer procedure provided herein has been complied with and

arrangements have been made to permit the nurse selected to fill the vacancy to be assigned to the job.

- (f) A nurse selected as a result of a posted vacancy or a Request for Transfer need not be considered for a further permanent vacancy for a period of up to six (6) months from the date of her selection.

10.07

- (a) A layoff of full-time nurses shall be made on the basis of seniority provided that the nurses who are entitled to remain on the basis of seniority are qualified to perform the available work. Subject to the foregoing, probationary nurses shall be first laid off.

Full-time nurses shall be recalled in the order of seniority, unless otherwise agreed between the Hospital and local Association, provided that the nurse is qualified to perform the available work.

- (b) A layoff of regular part-time nurses shall be made on the basis of seniority provided that the nurses who are entitled to remain on the basis of seniority are qualified to perform the available work. Subject to the foregoing, probationary nurses shall be first laid off.

Regular part-time nurses shall be recalled in the order of seniority, unless otherwise agreed between the Hospital and local Association, provided that the nurse is qualified to perform the available work.

- (c) Where a vacancy occurs in a position following a layoff hereunder as a result of which a full-time and/or regular part-time nurse had been transferred to another position, the affected nurse will be offered the opportunity to return to her former position providing such vacancy occurs within six (6) months of the date of layoff. Where the nurse returns to her former position, there shall be no obligation to consider the vacancy under Article 10.06'. Where the nurse refuses the opportunity to return to her former position, she shall advise the Hospital in writing.
- (d) No reduction in the hours of work shall take place to prevent or reduce the impact of a layoff without the consent of the Association.
- (e) All regular part-time and full-time nurses represented by the Association who are on layoff will be given a job opportunity in the full-time and

regular part-time categories before any new nurse is hired into either category.

10.08 In the event of a proposed layoff at the Hospital of a permanent or long-term nature affecting full-time and/or regular part-time nurses, the Hospital will:

- (a) provide the local Association with no less than thirty (30) calendar days' notice of such layoff and
- (b) meet with the local Association to review the following:
  1. the reasons causing the layoff;
  2. the service which the Hospital will undertake after the layoff;
  3. the method of implementation including the areas of cut-back and the nurses to be laid off.

In the event of a proposed layoff at the hospital which is not of a permanent or long term nature or a bed cut-back or a cut-back in service which will result in displacement of staff, the Hospital will provide the Association with reasonable notice. If requested, the Hospital will meet with the Association to review the reasons and expected duration of the bed cut-back or cut-back in service, realignments of service or staff and its effect on nurses in the bargaining unit.

Any agreement between the Hospital and the Association resulting from the review above concerning the method of implementation will take precedence over the terms of this Article. Notice of layoff shall be in accordance with the provisions of the Employment Standards Act.

- 10.09
- (a) A full-time and/or a regular part-time nurse who is transferred to a position outside of the bargaining unit shall, subject to (b) below, retain, but not accumulate, her seniority held at the time of the transfer. In the event the full-time and/or regular part-time nurse is returned to a position in the bargaining unit she shall be credited with the seniority held at the time of transfer and resume accumulation from the date of her return to the bargaining unit.
  - (b) In the event that a full-time and/or regular part-time nurse is transferred out of the bargaining unit under (a) above for a specific term or task which does not exceed a period of six (6) months or

43

an academic year and is returned to a position in the bargaining unit, she shall not suffer any loss of seniority, service or benefits. It is understood and agreed that a nurse may decline such offer to transfer and that the period of time referred to above may be extended by agreement of the parties.

- 10.10 (a) Head nurses and supervisors excluded from the bargaining unit shall not perform duties normally performed by full-time and/or regular part-time nurses in the bargaining unit which shall directly cause or result in the layoff, loss of seniority or service or reduction in benefits to full-time and/or regular part-time nurses in the bargaining unit.
- (b) The Hospital shall not contract out any work usually performed by members of this bargaining unit, if, as a result of such contracting out, layoff of any employees other than casual part-time employees follows. Contracting out to an Employer who is organized and who will employ the employees of the bargaining unit who would otherwise be laid off is not a breach of this provision. The clause will not apply to the ad hoc use of agency or registry nurses for single shift coverage of vacancies due to illness or leaves of absence.

**Note 1:** In a bargaining unit where both full-time and part-time nurses are employed, seniority lists and layoff and recall rights of part-time nurses shall be separate from full-time nurses.

- (d) Nurses newly hired to replace nurses who are on **approved** pregnancy leave may be released and such release shall not be the subject of a grievance or arbitration. If retained by the Hospital, in a permanent position, the nurse shall be credited with

seniority from date of hire subject to successfully completing her probationary period. The nurse shall be credited with tours worked (hours worked for nurses whose regular hours of work are other than the standard work day) towards the probationary period provided in Article 10.01 (a) to a maximum of 30 tours (225 hours for nurses whose regular hours of work are other than the standard work day).

The Hospital will outline to nurses hired to fill such temporary vacancies the circumstances giving rise to the vacancy and the special conditions relating to such employment.

In cases of adoption, the nurse shall advise the Hospital as far in advance as possible with respect to a prospective adoption and shall request the leave of absence, in writing, upon receipt of confirmation of the pending adoption. If, because of late receipt of confirmation of the pending adoption, the nurse finds it impossible to request the leave of absence in writing the request may be made verbally and subsequently verified in writing.

#### 11.11 Pre-paid Leave Plan

Effective April 1, 1989, the Hospital agrees to introduce a pre-paid leave program, funded solely by the nurse, subject to the following terms and conditions:

- (a) The plan is available to nurses wishing to spread four (4) year's salary over a five (5) year period, in accordance with Part LXVIII of the Income Tax Regulations, Section 6801, to enable them to take a one (1) year leave of absence following the four (4) years of salary deferral.

**12.01** Pay for sick leave is for the sole and only purpose of protecting a nurse against loss of regular income when she is legitimately ill and unable to work and will be granted on the following basis:

Amount of Sick Leave

- (a) Each nurse shall be eligible for 11.25 hours of sick credits each month, provided the nurse worked and/or received paid leave from the Hospital for at least seventy-five (75) hours in that month. Such credits shall be cumulative and shall be paid **as** set out above as long as sick pay credits are available.

supplementation will equal one hundred percent (100%) of the nurse's net earnings to the limit of her accumulated sick leave credits. This supplementation, where available, will be drawn from the nurse's accumulated sick leave credits. Nurses may also utilize such sick leave credits while awaiting approval of a claim of Workers' Compensation.

12.03 When a nurse has completed any portion of her regularly scheduled tour prior to going on sick leave benefits or Workers' Compensation benefits, she shall be paid the balance of the tour at her regular straight time hourly rate. This provision will not disentitle the nurse to a lieu day under Article 15.05 if she otherwise qualifies.

12.04 Long Term Disability

The Hospital will pay seventy-five percent (75%) of the billed premium towards coverage of eligible employees under the Long Term Disability Plan. The employee will pay the balance of the billed premium through payroll deduction.

All newly hired nurses who have completed their probationary period must obtain coverage under this plan in accordance with its terms and conditions. Nurses who are already covered by the plan shall maintain their membership in the plan in accordance with its terms and conditions.

Payment will be provided only if the nurse provides evidence of disability satisfactory to the Hospital and a written undertaking satisfactory to the Hospital that any payments will be refunded to the Hospital following final determination of the claim by the Workers' Compensation Board. If the claim for Workers' Compensation is not approved, the monies paid as an advance will be applied **towards** the benefits to which the nurse **would** be entitled under the short-term portion of the disability income plan. Any payment under this provision will continue for a maximum of fifteen (15) weeks.

12.11 Part-time

Part-time nurses returning to work from an illness or injury compensable under Workers' Compensation will be assigned light work as necessary, if available.

ARTICLE 13 - HOURS OF WORK

13.01 The following provision designating regular hours on a daily tour and regular daily tours over the nursing schedule determined **by** the Hospital **shall** not be construed to be a guarantee of the hours of work to be performed on each tour or during each tour schedule.

Subject to Article 13.02 below:

- (a) The normal daily tour shall be **seven** and one-half ( $7\frac{1}{2}$ ) consecutive hours in any twenty-four (**24**) hour period exclusive of an unpaid one-half ( $\frac{1}{2}$ ) hour meal period, it being understood that at the change of tour there will normally be additional time required for reporting which shall be considered to be part of the normal daily tour, for a period of up to fifteen (15) minutes' duration. Should the reporting time extend beyond fifteen (15) minutes, however, the entire period shall be considered **overtime** for the purposes of payment under Article **14**.
- (b) Nurses shall **be** entitled, subject to the exigencies of patient care, to relief periods during the tour on the basis of fifteen (15) minutes for each half tour. *The* scheduling of meal periods and relief periods shall be determined **by** local negotiations.

- (c) The regular daily tours of duty of a full-time nurse shall average five (5) days per week over the nursing schedule determined by the Hospital. Nursing schedules shall be determined by local negotiation.
- (d) Where a nurse notifies her supervisor that she has been or will be unable to take the normal lunch break due to the requirement of providing patient care, such nurse shall be paid time and one half (1½) her regular straight time hourly **rate** for all time worked in excess of her normal daily hours.

13.02 Where nurses are now working a longer daily tour, the provisions set out in this Article governing the regular **hours** of work on a daily tour shall be adjusted accordingly.

The normal daily extended tour shall be 11.25 consecutive hours in any 24-hour period, exclusive of a total of forty-five (45) minutes of unpaid meal time.

Nurses shall be entitled, subject to the exigencies of patient care, to relief periods during the tour of a total of forty-five (45) minutes.

The scheduling of meal and relief periods shall be determined by local negotiations.

**The** introduction or discontinuance of longer daily tours shall be determined by local negotiations.

#### ARTICLE 14 - PREMIUM PAYMENT

14.01 If a full-time nurse is authorized to work in excess of the hours referred to in Article 13.01 (a) or (c), she shall receive overtime premium of one and one-half (1-1/2) times her regular straight time hourly rate.

If a part-time nurse is authorized to work in excess of the hours referred to in Article 13.01 (a), she shall receive overtime premium of one and one-half (1-1/2) times her regular straight time hourly rate.

Effective April 1, 1991, a part-time nurse (including casual nurses but not including part-time nurses who are filling temporary full-time vacancies) who works in excess of seventy-five (75) hours in a two (2) week period shall receive time and one-half (1-1/2) her regular straight time hourly rate for all hours worked in excess of seventy-five (75).

A part-time nurse who is filling a temporary full-time vacancy shall receive time and one-half (1-1/2) her regular straight time hourly rate for all hours worked in excess of an average of 37-1/2 hours per week over the full-time nursing schedule determined by the Hospital. Such averaging will commence at the conclusion of the two week period following the nurse's transfer to the temporary full-time position and will end at the conclusion of the two week period prior to her return to her former position.

Notwithstanding the foregoing, no overtime premium shall be paid for a period of less than fifteen (15) minutes of overtime work where the nurse is engaged in reporting functions at the end of her normal daily tour. If authorized overtime amounts to fifteen (15) minutes or more, overtime premium shall be paid for the total period in excess of the normal daily tour. Overtime will not be duplicated for the same hours worked under Article 13.01 (a) and (c) for full-time nurses, or Article 13.01 (a) for part-time nurses, nor shall there be any pyramiding with respect to the other premiums payable under the provisions of this Collective Agreement.

Nothing herein will disentitle the nurse to payment of the normal tour differential provided herein. For purpose of clarity, a nurse who is required to work on her scheduled day off shall receive overtime premium of one and one-half (1½) times her regular straight time hourly rate.

- 14.02 Notwithstanding the foregoing, overtime will not be **paid** for additional hours worked during a twenty-four (24) hour period either as a result of change in tour on the request of a nurse or a change-over to daylight saving from standard time or vice-versa or an exchange of tours by two nurses.
- 14.03 **Work** scheduled by the Hospital to which a premium is attached under scheduling regulations contained in the Collective Agreement and set out in Appendix 5 shall be **paid** at one and one-half (1½) times the nurse's regular straight time hourly rate or as otherwise provided.
- 14.04 Where a nurse is required to work on a paid holiday or on an overtime tour or on a tour that is paid at the rate of time and one-half (1½) her regular straight time hourly rate as a result of 14.03 above and she is required to work additional hours following her full tour on that day (but not including hours on a subsequent regularly scheduled tour for such nurse) she shall receive two (2) times her regular straight time hourly rate for such additional hours worked.

14.05 A nurse who reports for work as scheduled, unless otherwise notified by the Hospital, shall receive a minimum of four (4) hours' pay at her regular straight time hourly rate. She shall be required to perform any nursing duties assigned by the Hospital which she is capable of doing, if her regular duties are not available.

14.06 Where a full-time and/or regular part-time nurse has completed her regularly scheduled tour and left the hospital and is called in to work outside her regularly scheduled working hours, or where a nurse is called back from standby, she shall receive time and one-half ( $1\frac{1}{2}$ ) her regular straight time hourly rate for all hours worked with a minimum guarantee of four (4) hours' pay at time and one-half ( $1\frac{1}{2}$ ) her regular straight time hourly rate except to the extent that such four (4) hour period overlaps or extends into her regularly scheduled shift. In such a case, she will receive time and one-half ( $1\frac{1}{2}$ ) her regular straight time hourly rate for actual hours worked **up** to the commencement of her regular shift.

14.07 A nurse who is required to remain available for duty on standby outside her regularly scheduled working hours shall receive standby pay in the amount of two dollars and ten cents (\$2.10) per hour for the period of standby scheduled by the Hospital. Standby pay shall, however, cease where the nurse is called in to work under Article 14.06 above and works during the period of **standby**.

Effective April 1, 1991, a nurse who is required to remain available for duty on standby outside her regularly scheduled working hours shall **receive** standby pay in the amount of two dollars and fifty cents (\$2.50) per hour for the period of standby scheduled by the Hospital. Where such standby duty falls on a paid holiday as set out in the Appendix of Local Provisions, the nurse shall receive standby pay in the amount of three dollars (\$3.00) per hour. Standby pay shall, however, cease where the nurse is called in to work under Article 14.06 above and works during the period of standby.

- 14.08 (a) In computing a full-time nurse's regular straight time hourly rate under this Collective Agreement such rate shall be established by dividing the product of the nurse's regular monthly salary exclusive of any allowance or premium pay times twelve (12) by the regular average weekly hours times fifty-two (52).
- (b) The regular straight time hourly rate for part-time nurses will be the hourly rate in the wage schedule set forth in Article 19.01.

14.09 Where a full-time nurse has **worked** and accumulated **approved** overtime hours (other than overtime hours relating to paid holidays) such nurse shall have the option of electing payment at the applicable overtime rate or time off equivalent to the applicable overtime rate (i.e., where the applicable rate is time and one-half ( $1\frac{1}{2}$ ) then time off shall be at time and one-half ( $1\frac{1}{2}$ )). Where a nurse chooses equivalent time off such time off must be taken within the period set out in the Appendix 5 or payment in accordance with the former option shall **be** made.

14.10 A nurse shall be paid a shift premium of forty-five cents (45¢) per hour for each hour worked outside the normal hours of the day shift, provided that such hours exceed two (2) hours, if worked in conjunction with the day **shift**. Tour differential will not form part of the nurse's straight time hourly rate.

Effective April 1, 1991, a nurse shall be paid one dollar (\$1.00) per hour for each hour worked which falls within the hours defined as an evening shift and one dollar and twenty-five cents (\$1.25) for each hour worked which falls within the hours defined as a night shift provided that such hours exceed two (2) hours if worked in conjunction with the day shift. For purposes of this provision, the night shift and the evening shift each consist of 7.5 hours. Tour differential will not form part of the nurse's straight time hourly rate. The defined hours of a night and evening shift shall be a matter for local negotiation.

14.11 Ambulance Escort

Where a nurse is assigned to provide patient care **for a** patient **in** transit, the following provisions shall apply:

(a) Where the nurse performs such duties during her regular shift, she shall be paid her regular rate of pay.

Where **the** nurse performs such duties outside her regular shift or on a day off, she shall be paid the appropriate overtime rate.

(b) Where such duties extend beyond her regular shift, the Hospital will not require a nurse to return to regular duties at the Hospital without at least eight (8) hours of time off. Where such time off extends into her next regularly scheduled shift she will maintain her regular earnings for that full shift.

(c) Hours spent between the time the nurse is relieved of patient care responsibilities and the time the nurse returns to the Hospital or to such other location agreed upon between the Hospital and the nurse will be paid at straight time or at appropriate overtime rates, if applicable under Article 14.01. It is understood that the nurse shall return to the Hospital or to such other location agreed upon between the Hospital and the nurse at the earliest opportunity. Prior to the nurse's departure on escort duty, or at such other time **as** may be mutually agreed upon between the Hospital and the nurse, the Hospital will establish with the nurse arrangements for return travel.

(d) The nurse shall be reimbursed for reasonable out of pocket expenses including room, board and return transportation and consideration will be given to any special circumstances not dealt with under the foregoing provisions.

14.12

(a) The posting of work schedules for full-time nurses shall be as set out in the Appendix 5. It shall be the responsibility of the nurse to consult posted work schedules. The Hospital will endeavour to provide as much advance notice as is practicable of a change in the posted schedule. Changes to the posted work schedule shall be brought to the attention of the nurse. Where less than forty-eight (**48**) hours' notice is given personally to the nurse, time and one-half ( $1\frac{1}{2}$ ) of the nurse's regular straight time hourly rate will be paid for all hours worked on the first shift of her new schedule.

(b) The posting of work schedules for regular part-time nurses shall be determined by local negotiation. It shall be the responsibility of the regular part-time nurse to consult posted work schedules. The Hospital will endeavour to provide **as** much advance notice as is practicable of a change in the posted schedule. Changes to the posted work schedules shall be brought to the attention of the regular part-time nurse. Where less than twenty-four (**24**) hours' notice is given personally to the regular part-time nurse, time and one-half the nurse's regular straight time hourly rate will be paid for all hours worked on the first shift of her new schedule. Such changes shall not be considered a layoff.

(c) Where a part-time nurse is called in to work a regular shift less than two (2) hours prior to the commencement of the shift, and arrives within one hour of the commencement, she will be paid for a

full tour, provided that she works until the normal completion of the tour.

- (d) Casual part-time nurses whose work schedule has been pre-scheduled and whose schedule is changed with **less** than twenty-four (24) hours' notice, then paragraph (b) shall apply to casual part-time nurses.

14.13 When a nurse is required to travel to the hospital or to return to her home **as** a result of reporting to or off work between the hours of 2400 - 0600 hours, or at any time while on standby, the Hospital will pay transportation costs either by taxi or **by** her own vehicle at the rate of thirty-five cents (35¢) per mile (to a maximum of fourteen dollars (**\$14.00**)) or such greater amount as the Hospital may in its discretion determine for each trip between the aforementioned hours. The nurse will provide to the Hospital satisfactory proof of payment of such taxi fare.

14.14 A nurse who works a second consecutive full tour shall be entitled to the normal rest periods and meal period for the second tour, and shall be provided at the time of the meal period with a hot meal or four dollars (\$4.00) if the Hospital is unable to provide the hot meal. Other nurses required to work more than two (2) hours overtime on the same day they have worked a full tour shall, after the two (2) hours, receive a  $\frac{1}{2}$  hour paid meal period and shall be provided with a hot meal or four dollars (\$4.00) if the Hospital is unable to provide the hot meal.

14.15 Effective April 1, 1990, a nurse shall be paid a weekend premium of forty-five cents (45¢) per hour for each hour worked between 2400 hours Friday and 2400 hours Sunday. If a nurse is receiving premium **pay** under Article 14.03, pursuant to a local scheduling regulation with respect to consecutive weekends worked, she will not receive weekend premium under this provision.

Effective April 1, 1991, a nurse shall be **paid** a weekend premium of one dollar and thirty-five cents (\$1.35) per hour for each hour worked between 2400 hours Friday and 2400 hours Sunday, or such other 48 hour period **as** the local parties may agree upon. If a nurse is receiving premium pay under Article 14.03, pursuant to a local scheduling regulation with respect to consecutive weekends worked, she will not receive weekend premium under this provision.

14.16 **Nurses** with a BSCN or B. of N. Degree Will receive an Educational Premium of 35¢ per hour worked, commencing June 24th, 1991, when they present proof of their degree to the Hospital.

15.01 A nurse who otherwise qualifies under Article 15.02 hereunder, shall receive twelve (12) paid holidays as designated in Appendix 5.

In the event that the Provincial Government declares an additional holiday (such as Heritage Day) during the term of the Agreement, such holiday will be substituted for one of the above mentioned holidays. The designation of the additional holiday for an existing holiday shall be subject to local determination, and such designation shall not **add** to the present number of holidays.

15.02 In **order** to qualify for pay for a holiday, a nurse shall complete her full scheduled shift on each of the working days immediately preceding and following the holiday concerned unless excused by the Hospital or the nurse was absent due to:

- (a) legitimate illness or accident which commenced within a month of the date of the holiday;
- (b) vacation granted by the Hospital;
- (c) the nurse's regular scheduled day off;
- (d) a paid leave of absence provided the nurse is not otherwise compensated for the holiday.

A nurse entitled to holiday pay hereunder shall not receive sick leave pay to which she may otherwise have **been** entitled unless she was scheduled to work that **day**. A nurse receiving Workers' Compensation Benefits for the day of the holiday shall, subject to the above provisions, be entitled to the difference between the amount of the Workers' Compensation Benefits and the holiday pay.

15.03 Holiday pay will be computed on the basis of the nurse's regular straight time hourly rate of pay times the number of hours for a normal daily tour as set out in Article 13.01 (a).

15.04 Subject to Article 15.02:

- (a) Where a holiday falls during a nurse's scheduled vacation period, her vacation shall be extended by one day, unless the nurse and the Hospital agree to schedule **a** different **day** off with pay;

(b) Where a holiday falls on a nurse's scheduled day off, an additional day off with pay will be scheduled.

**15.05** A nurse required to work on any of the foregoing holidays shall be paid at the rate of time and one-half (1½) her regular straight time hourly rate of pay for all hours worked on such holiday subject to Article **14.04**. For the purpose of this Article, 1500 hours of part-time service shall equal one (1) year of full-time service and vice-versa.

year" level on the salary schedule, effective April 1, 1989.

NOTE: Nurses with the required level of service credit for purposes of advancement on the salary schedule shall be placed at the "9 years" level on the salary schedule, effective April 1, 1990.

The regular straight time hourly rates for all part-time Registered Nurses shall be the same as the above noted regular straight time hourly rates respectively for April 1, 1990, April 1, 1991 and October 1, 1991.

- (b) The parties agree to maintain the percentage differentials in the wage rates which presently exist between the classification of Registered Nurse and other classifications which are covered by the Collective Agreement.
- (c) The hourly salary rates inclusive of the percentage in lieu of fringe benefits in effect, for all regular and casual part-time nurses shall be those calculated in accordance with the following formula:

Applicable straight time hourly rate + 14%

The hourly salary rates payable to a regular or casual part-time nurse include compensation in lieu of all fringe benefits which are paid to full-time nurses, except those specifically provided to part-time nurses in this Agreement.

It is understood and agreed that holiday pay is included within the percentage in lieu of fringe benefits. It is further understood and agreed that pension is included within the percentage in lieu of fringe benefits. It is understood and agreed that the part-time nurse's hourly rate (or straight time hourly rate) in this Agreement does not include the additional 14% which is paid in lieu of fringe benefits and accordingly the 14% **add** on payment in lieu of fringe benefits will not be included for the purpose of computing any premium or overtime payments.

Effective the pay period commencing June 24, 1991, the hourly rates, inclusive of the percentage in lieu of fringe benefits in effect during the term of this Agreement for all regular and casual part-time nurses shall be those calculated in accordance with the following formula:

Applicable straight time hourly rate + 13%.

The hourly salary rates payable to a regular or casual part-time nurse include compensation in lieu of all fringe benefits which are paid to full-time nurses, except those specifically provided to part-time nurses in this Agreement. It is understood and agreed that Holiday Pay is included within the percentage in lieu of fringe benefits. It is further understood and agreed that pension is included within the percentage in lieu of fringe benefits. Notwithstanding the foregoing, all part-time nurses may, on a voluntary basis, enrol in the Hospital's Pension Plan when eligible in accordance with its terms and conditions. For part-time nurses who are members of the Pension Plan, the percentage in lieu of fringe benefits is nine percent (9%). It is understood and agreed that the part-time nurse's hourly rate (or straight time hourly **rate**) in this Agreement does not include the additional **9%** or **13%**, as applicable, which is paid in lieu of fringe benefits and accordingly the 9% or 13%, as applicable, add on payment in lieu of fringe benefits will not be included for the purpose of computing any premium or overtime payments.

(d) Retroactivity

Increases to the salary schedule shall be retroactive and apply to all employees in the bargaining unit as of June 17, 1989, on the basis of each hour paid to them from June 17, 1989 to the date the salary rates are increased. Such retroactivity shall be paid out within three (3) pay periods (approximately six weeks) of the date of June 11, 1991. Any new employee hired since June 17, 1989, shall be entitled to a pro-rata adjustment to their remuneration to the date of their employment. The Hospital shall be responsible to contact those nurses, in writing, at their last known addresses, to advise them of their entitlement to any retroactive adjustment within fifteen days following notification. Such employees shall have a period of thirty (30) days after the mailing of the notice in which to claim such an adjustment and not thereafter.

NOTE: The Hospital and the Union agree that the only retroactive monies owing are in relation to the period effective April 1, 1991.

**19.02**

A Graduate Nurse in the employ of the Hospital upon presenting proof of current certification by the College of Nurses of Ontario shall be given the salary of the Registered Staff Nurse as provided in this Article effective the date the nurse presents proof of

successfully passing the certification examination to the Director of Nursing or her designate, or to the date of last hire whichever is later.

19.03 A Registered Nurse is required to present to the Director of Nursing or her designate before February 15th of each year her current Certificate of Competence. Such time shall be extended for satisfactory reasons. Failure to provide proof of certification by the above date (or extended date) shall result in the nurse being reverted to the salary status of a Graduate Nurse. Reinstatement to the status of Registered Nurse shall be effective the first pay period following the date of presentation of proof of certification as above.

19.04 (a) A full-time nurse and/or a regular part-time nurse who is promoted to a higher rated classification within the bargaining unit will be placed on the level of the salary schedule of the higher rated classification so that she shall receive no less an increase in salary than the equivalent of one step in the salary range of the previous classification (provided that it does not exceed the salary range of the classification to which she has been promoted) and she shall retain her service review date for purposes of wage progression. For the purpose of this Article, promotion shall be defined as a move from one classification to another classification with a higher salary grid and shall not include a change of status from Graduate to Registered Nurse. A nurse who is moved to a lower rated classification will be placed at the level on the grid, if any, which most closely recognizes her experience level on the other grid.

(b) Where the Hospital temporarily assigns a Registered Staff Nurse to carry out the assigned responsibilities of a higher classification (whether or not such classification is included in the bargaining unit) for a period of one (1) full tour or more, at times when the incumbent in any such classification would otherwise be working, she shall be paid a premium of seventy-five cents (75¢) per hour for such duty in addition to her regular salary. The Hospital agrees that it will not make work assignments which will violate the purpose and intent of this provision.

Effective April 1, 1991, the premium will be increased to \$1.20 per hour.

(c) Graduate **Nurses** who become Registered Nurses shall be placed on the level in the Registered Nurse's salary grid which represents an increase in salary.

(d) Group, Unit or Team Leader

Whenever a nurse is assigned additional responsibility to direct, supervise or oversee work of nurses, and/or be assigned overall responsibility for patient care on the unit, ward, or area for a tour of duty, she shall be paid a premium allowance of forty cents (\$.40) per hour in addition to her regular salary and applicable premium.

Effective April 1, 1991, this premium shall be increased to sixty cents (\$.60) per hour.

19.05

Recognition of Previous Experience:

- (a) Claim for recent related clinical experience, if any, shall be made in writing by the nurse at the time of hiring on the application for employment form or otherwise. The nurse shall co-operate with the Hospital by providing verification of previous experience so that her recent related clinical experience may be determined and evaluated during her probationary period. Having established the recent related clinical experience, the Hospital will credit a new nurse with one (1) annual service increment for every two years of experience up to a maximum of Level 6 (i.e. 5th year increment).

If a period of more than two (2) years has elapsed since the nurse has occupied a full-time or part-time nursing position, then the number of increments to be paid, if any, shall be at the discretion of the Hospital. The Hospital may also give effect to part-time nursing experience in special circumstances.

Effective April 1, 1991, a claim for recent related clinical experience, if any, shall be made in writing by the nurse at the time of hiring on the application for employment form or otherwise. The nurse shall co-operate with the Hospital by providing verification of previous experience so that her recent related clinical experience may be determined and evaluated during her probationary period. Having established the recent related clinical experience, the Hospital will credit a new nurse with one (1) annual service increment for each year of experience up to a maximum of Level 6 (i.e. 5th year increment).

If a period of more than two (2) years has elapsed since the nurse has occupied a full-time or part-time nursing position, then the number of increments to be paid, if any, shall be at the discretion of the Hospital. The Hospital may also give effect to

part-time nursing experience in special circumstances.

Currently employed nurses who were eligible to claim credit under the formula of one increment for every two years of experience may make a claim under the present provision and will have their position on the salary grid adjusted effective April 1, 1991 to a maximum of Level 6 (5th Year Increment).

(b) Where a casual nurse hired between October 1, 1987 and March 31, 1988 transfers to full-time and/or regular part-time, she may make a claim under (a) **above** at the time of the transfer, provided the transfer occurs within six (6) months of the nurse's date of hire.

19.06

(a) Each full-time nurse will be advanced from her present level to the next level set out in the Salary Schedule, twelve (12) months after she was last advanced on her service review date. If a nurse's absence without pay from the Hospital exceeds thirty (30) continuous calendar days during such twelve (12) month period, her service review date will be extended by the length of such absence in excess of thirty (30) continuous calendar days.

(b) Each regular part-time nurse will be advanced from her **present** level to the next level set out in the Salary Schedule, after obtaining one (1) year's service credit calculated in accordance with provision in Article 10.01.

(c) A casual part-time nurse whose status is altered to regular part-time, or vice versa, will assume her same level on the grid. In addition, a nurse who is so transferred will be given credit for service accumulated since the date of last advancement.

(d) Effective January 1, 1989, casual nurses will be placed on the salary grid in accordance with their service, such service to be calculated in accordance with the seniority calculation set out in Article 10.02. Casual part-time nurses will advance on the salary grid in the same manner as regular part-time nurses.

19.07

A part-time nurse whose status is altered to full-time will assume her same level on the full-time grid. A full-time nurse whose status is altered to part-time will assume her same level on the part-time grid. In addition, a nurse who is so transferred will be given credit for service accumulated since the date of her last advancement.

19.08

- (a) When a new classification in the bargaining unit is established by the Hospital or the Hospital makes a substantial change in the job content of an existing classification which in reality causes such classification to become a new classification, the Hospital shall advise the Association of such new or changed classification and the rate of pay established. If requested, the Hospital agrees to meet with the Association to permit **it** to make representations with respect to the appropriate rate of pay providing any such meeting shall not delay the implementation of the new classification. Where the Association challenges the rate established by the Hospital and the matter is not resolved following any meeting with the Association, **a** grievance may be filed at Step No. 3 of the Grievance Procedure within seven (7) calendar days following any meeting. If the matter is not resolved in the Grievance Procedure, it may be referred to Arbitration in accordance with Article 7, it being understood that any Arbitration Board shall be limited to establishing an appropriate rate based on the relationship existing amongst other nursing classifications within the Hospital and duties and responsibilities involved.

Any change in the rate established by the Hospital either through meetings with the Association or by **a** Board of Arbitration shall be made retroactive to the time at which the new or changed classification was **first** filled.

- (b) If a nurse becomes disabled with the result that she is unable to carry out the regular functions of her position, the Hospital may establish a special classification and salary with the hope of providing an opportunity for continued employment.

#### ARTICLE 20 - JOB SHARING

- 20.01 **Job** sharing is defined as an arrangement whereby two or more nurses share the hours of work of what would otherwise be one full-time position.

If the Hospital agrees to a job sharing arrangement, the introduction or discontinuance of such job sharing arrangements will be determined locally.

Once the Hospital has determined that a vacancy exists and has agreed to a job sharing arrangement, the vacancy or vacancies to be posted will be determined locally and will be filled in accordance with Article 10.06 of the Collective Agreement.

The nurses involved in a job sharing arrangement will be classified as regular part-time and will be covered by the provisions of the Collective Agreement.

#### ARTICLE 21 - SUPERIOR CONDITIONS

21.01 Unless existing benefits, rights, privileges, practices, terms or conditions of employment which may be considered to be superior to those contained herein are specifically retained by this Agreement, they shall be deemed not to continue in effect.

22.03 If notice of amendment or termination is given by either party, the other party agrees to meet for the purpose of negotiation within thirty (30) days after the giving of notice, if requested to do so.

**ARTICLE D - SCHEDULING (7.5 Hour Tours)**

D.1 The Hospital will endeavour to maintain and achieve the following objectives in the formation of working schedules for nurses working 7-1/2 hour tours.

- (a) For full-time and regular part-time nurses, the Hospital will continue with the concept of master schedules/rotation with schedules covering a period of six (6) weeks, being posted at least two (2) weeks in advance.
- (b) Request for change in posted time schedules must be submitted in writing and co-signed by the nurse willing to exchange days off or tour of duty. Any such changes approved by the Hospital shall not result in any overtime payment or premium payment to any of the nurses affected by such change. Such approval shall not be unreasonably withheld. The foregoing shall apply notwithstanding any other provision in the Collective Agreement.
- (c) For full-time and regular part-time nurses, requests for specific days off shall be submitted in writing at least four (4) weeks in advance of the posting of the schedule.
- (d) Nurses will not be scheduled to work more than seven (7) consecutive days, to be followed by at least a minimum of two (2) consecutive days off. In the event a nurse is scheduled to work more than seven consecutive days, she shall be paid the overtime premium as set out in Article 14, for each additional shift until she receives two (2) consecutive days off.
- (e) The Hospital will not schedule split shifts. At least sixteen (16) hours off shall be scheduled between shifts, and at least forty-eight (48) consecutive hours off shall be scheduled following the night shift.

A shorter period of time between changes of shift may be agreed upon by mutual consent.

This provision (D.1 (e)) is applicable to full-time and regular part-time nurses.

- (f) A full-time nurse as well as a regular part-time nurse may not be required to change tours of duty more than once during a work week.
- (g) The Hospital will attempt to schedule full-time nurses and regular part-time nurses to rotate the two (2) tours of their preference. However, for the continuance of efficient operation, the Hospital reserves the right to assign a full-time nurse as well as a regular part-time nurse to a tour other than her preference, on a long term basis, following notification in writing to the nurse concerned.
- (h) The Hospital will provide at least every third weekend off.

If the nurse is required to work on a third and subsequent weekend, she will receive premium payment **as** defined in the Central Agreement, for all hours worked on that weekend and subsequent weekends until a weekend is scheduled off, save and except where:

- i) such weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or
  - ii) such nurse has requested weekend work; or
  - iii) such weekend is worked as the result of an exchange of shifts with another nurse.
- (i) Nurses presently employed on the evening or night tours on a permanent basis will not be rotated except by mutual consent.

Notwithstanding the above, each nurse on a permanent shift may be required to do a tour of duty on **days**, for in-service requirements and evaluation, every **six** (6) months not to exceed three (3) weeks in each six (6) month period.

The three (3) week period in each six (6) months shall be scheduled upon mutual agreement between the nurse and her immediate supervisor.

Nurses presently working the day shift on a permanent basis shall not **be** permanently assigned to other shifts unless there has been a full discussion of the reasons for the change with the nurses affected and the Association and a subsequent reaffirmation of the decision to change, accompanied by the giving of six weeks' notice to the affected nurses.

- (j) A weekend is defined as being fifty-six (56) consecutive hours off work during the period commencing 1530 hours Friday and ending at 0730 hours the following Monday.
- (k) The Hospital will schedule a full-time nurse as well as a regular part-time nurse off work for not less than five (5) consecutive days at either Christmas or New Year's season, unless the nurse requests otherwise, except in areas which are not normally required to work on weekends and statutory holidays. The scheduling objectives set out in this Article D will be waived to accommodate this special arrangement between December 15th and January 15th. For the purpose of this schedule, Christmas shall be defined as including December 24, 25 and 26, and New Year's shall be defined as including December 31 and January 1.

The Hospital will post schedules indicating time off for Christmas and New Year's, no later than November 15.

- (l) A full-time nurse as well as a regular part-time nurse who normally rotates shall not be required to work more than two (2) consecutive weeks on either the evening or night tour, without being scheduled for a period of day tours, unless otherwise agreed.

APPENDIX AJob Sharing

If the Hospital agrees to a job sharing arrangement pursuant to Article 20.01 of the Central Agreement, the following conditions shall apply unless otherwise agreed to by the parties:

1. Job Sharing requests with regard to full-time positions shall be considered on an individual basis.
2. Total hours worked by the job sharer shall equal one (1) full-time position. The division of these hours on the schedule shall be determined by mutual agreement between the two (2) nurses and the Head Nurse of the Unit.
3. The above schedule shall conform with the scheduling provisions of the Collective Agreement.
4. Each job sharer may exchange shifts with her partner, as well as with other nurses as provided by the Collective Agreement.
5. The job sharers involved will have the right to determine which partner works on a scheduled paid holiday and job sharers shall only be required to work the number of paid holidays that a full-time nurse would be required to work.

6. Coverage

(a) It is expected that both job sharers will cover each other's incidental illnesses. If, because of unavoidable circumstances, one cannot cover the other, the unit supervisor must be notified to book coverage. Job sharers are not required to cover for their partner in the case of prolonged or extended absences.

(b) Vacation, Maternity Leave, and other leaves pursuant to Article 11 of the Collective Agreement:

In the event that one member of the job sharing arrangement goes on any of the above leaves of absence, the coverage will be negotiated with the unit supervisor, but it is hoped that the remaining member of the position would be prepared to cover the leave of absence as much as possible.

7. Implementation

Where the job sharing arrangement arises out of the filling of a vacant full-time position, both job sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.

8. **An** incumbent full-time nurse wishing to share her position, may do **so** without having her half of the position posted. **The** other half of the job sharing position will be posted and selection will be made on the basis of the criteria set out in the Collective Agreement.
9. If one of the job sharers leaves the arrangement, her position will be **posted**. If there is no successful applicant to the position, the shared position must revert to a full-time position. The remaining nurse will have the option of continuing the full-time position or reverting to a part-time position for which she is qualified. If she does not continue full-time, the position must be posted in accordance with the Agreement.

12. Discontinuation

Either party may discontinue the job sharing arrangement with ninety (90) **days**' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) **days** or a mutually agreeable time in order to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.
