ARTICLE 1 - PURPOSE

- 1.01** The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Hospital and the nurses covered by this Agreement; to provide for on-going means of communication between the Association and the Hospital and the prompt disposition of grievances and the final settlement of disputes and to establish and maintain mutually satisfactory salaries, hours of work and other conditions of employment in accordance with the provisions of this Agreement.
- 1.02** It is recognized that nurses wish to work together with the Hospital to secure the best possible nursing care and health protection for patients. Appropriate committees have been created under this Agreement to work towards this objective.

ARTICLE 2 - DEFINITIONS & GRADUATE NURSES

- 2.01** A registered nurse is a nurse who holds certification with the College of Nurses of Ontario in accordance with the Health Disciplines Act.
- 2.02** A graduate nurse is defined as a nurse with certification incomplete who is a graduate of a program acceptable to the College of Nurses and is either in the process of being certified by the College of Nurses of Ontario or is completing certification requirements. This certification shall be completed within twenty-four (24) months following date of hire. Where a nurse fails to complete such certification requirements, she will be terminated from the employ of the Hospital. Such termination shall not be subject matter of grievance or arbitration procedure. The foregoing does not apply to nurses employed prior to October 23, 1981, except those currently in the process of completing certification requirements who shall be required to complete such certification in accordance with the provisions of the existing collective agreement.
- 2.03** A full-time nurse is a nurse who is regularly scheduled to **work** the normal full-time hours referred to in Article 13.
- 2.04** A regular part-time nurse is a nurse who regularly works less than the normal full-time hours referred to in Article 13 and who offers to make a commitment to be available for work on a regular predetermined basis. All other part-time nurses shall be considered casual nurses.

The predetermined basis upon which the commitment to be available is made shall be determined in local negotiations.

The definitions shall not have the effect of changing the composition of any existing bargaining units. The Hospital shall not refuse to accept an offer from a nurse to make a commitment to be available for work on a regular pre-determined basis solely for the purpose of utilizing casual nurses so as to restrict the number of regular part-time nurses.

- 2.05 This combined agreement contains provisions applicable to full time nurses and provisions applicable to part time nurses. The combination of the agreements shall not have the effect of changing the composition of any existing bargaining units nor shall it have the effect of conferring representation **rights** where such rights do not presently exist. The scope of the applicable bargaining unit is **set** out in the Appendix of Local Provisions.

ARTICLE 3 - RELATIONSHIP

- 3.01 The Hospital and the Association agree that there will be no discrimination, interference, intimidation, restriction or coercion exercised or practiced by any of their representatives with respect to any nurse because of her membership or non-membership in the Association or activity or lack of activity on behalf of the Association or by reason of exercising her rights under the Collective Agreement.

ARTICLE 7 - GRIEVANCE PROCEDURE

7.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.

7.02 At the time formal discipline is imposed or at any stage of the grievance procedure, including the complaint stage, a nurse is entitled to be represented by her nurse representative. In the case of suspension or discharge, the Hospital shall notify the nurse of this right in advance.

7.03 It is the mutual desire of the parties hereto that complaints of nurses shall be adjusted **as** quickly as possible, and it is understood that a nurse has no grievance until she has first given her immediate supervisor the opportunity of adjusting her complaint. Such complaint shall be discussed with her immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the nurse and failing settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days following advice of her immediate supervisor's decision in the following manner and sequence:

Step No. 1

The nurse may submit a written grievance, signed by the nurse, to her immediate supervisor. The grievance shall be on a form referred to in Article 7.09 and shall identify the nature of the grievance and the remedy sought and should identify the provisions of the

Agreement which are alleged to be violated. The immediate supervisor will deliver her decision in writing within nine (9) calendar days following the day on which the grievance was presented to her. Failing settlement, then:

Step No. 2

Within nine (9) calendar days following the decision under Step No. 1, the nurse may submit the written grievance to the Vice President, Nursing or her designate who will deliver her decision in writing within nine (9) calendar days from the date on which the written grievance was presented to her. The parties may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. Failing settlement, then:

Step No. 3

Within nine (9) calendar days following the decision in Step No. 2, the grievance may be submitted in writing to the Hospital Administrator or her designate. A meeting will then be held between the Hospital Administrator or her designate and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 3 unless extended by agreement of the parties. It is understood and agreed that a representative of the Ontario Nurses' Association and the grievor may be present at the meeting. It is further understood that the Hospital Administrator or her designate may have such counsel and assistance as **she may desire** at such meeting. The decision of the Hospital shall be delivered in writing within nine (9) calendar days following the date of such meeting. A copy of third step grievance replies will be provided to the Employment Relations Officer.

7.04 A complaint or grievance arising directly between the Hospital and the Association concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 3 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. A grievance by the Hospital shall be filed with the Local President or her designate.

7.05 Where a number of nurses have identical grievances and each nurse would be entitled to grieve separately they may present a group grievance in writing signed by each nurse who is grieving to the Vice President, Nursing or her designate within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the nurse(s). The grievance shall then be treated as being initiated at Step No. 2 and the

applicable provisions of this Article shall then apply with respect to the processing of such grievance.

7.06 The release of a probationary nurse for reasons based on performance and ability to do the job, including skills, suitability and availability shall not be subject to the grievance procedure unless the probationary nurse is released for:

- (a) reasons which are arbitrary, discriminatory or in bad faith;
- (b) exercising a right under this Agreement.

The Hospital agrees to provide written reasons for the release of a probationary nurse within seven (7) days of such release.

A claim by a probationary nurse that she or he has been unjustly released shall be treated as a grievance, provided the nurse is entitled to grieve, if a written statement of such grievance is lodged by the nurse with the Hospital at Step 3 within seven (7) days after the date the release is effected. Such grievance shall be treated as a special grievance as set out below.

The Hospital agrees to provide written reasons within seven (7) calendar days to the affected nurse in the case of discharge or suspension and further agrees that it will not suspend, discharge or otherwise discipline a nurse who has completed her or his probationary period, without **just** cause.

A claim by a nurse who has completed her or his probationary period that she or he has been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the nurse with the Hospital at Step **No. 3** within seven (7) calendar days after the date the discharge or suspension is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:

- (a) confirming the Hospital's action in dismissing the nurse; **or**
- (b) reinstating the nurse with or without loss of seniority and with or without full compensation for the time lost; **or**
- (c) by any other arrangement which may be deemed **just** and equitable.

7.07 Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to

whether a matter is arbitrable, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within thirty-six (36) calendar days after the decision under Step No. 3 is given, the grievance shall be deemed to have been abandoned. Where such a written request is postmarked within thirty-four (34) calendar days after the decision under Step No. 3, it will be deemed to have been received within the time limits.

- 7.08 All agreements reached under the grievance procedure between the representatives of the Hospital and the representatives of the Association will be final and binding upon the Hospital and the Association and the nurses.
- 7.09 Association grievances shall be on the form set out in Appendix 1.
- 7.10 The time prior to referral to arbitration may be utilized by the Association and/or the Hospital to suggest and possibly agree to a dispute resolution mechanism other than a three person Board of Arbitration and either party may request the appointment of a Grievance Settlement Officer other than in matters pertaining to the interpretation of central collective agreement language.

In matters pertaining to the interpretation of central collective agreement language, either party may refer the matter to the central parties for review. The central parties will make recommendations to their respective local parties with respect to the case. The central parties may be accompanied by representatives of the Hospital or the local Association at any meeting held to review such grievances.

When either party requests that any matter be submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party to this Agreement. Unless the parties have agreed to an alternative dispute resolution mechanism prior to the time for submitting the matter to arbitration, then the party requesting arbitration shall at the same time name a nominee and within seven (7) calendar days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees, or the parties if they have agreed not to utilize nominees, shall attempt to select by agreement a chair of the Arbitration Board. If they are unable to agree upon such a chair within a period of fourteen (14) calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chair.

- 7.11 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 7.12 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.
- 7.13 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 7.14 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority shall be the decision of the Board and where there is no majority the decision of the Chairman will be final and binding upon the parties hereto and the nurse or nurses concerned.
- 7.15 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairperson of the Arbitration Board.
- 7.16 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 44 (6) of The Labour Relations Act.
- 7.17 Wherever Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single Arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to the Arbitration Board shall appropriately apply.

ARTICLE 8 - PROFESSIONAL RESPONSIBILITY

- 8.01 In the event that the Hospital assigns a number of patients or a workload to an individual nurse or group of nurses such that she or they have cause to believe that she or they are being asked to perform more work than is consistent with proper patient care, she or they shall:
- (a) i) Complain in writing to the Association-Hospital Committee within fifteen (15) calendar days of the alleged improper assignment. The Chairman of the Association-Hospital Committee shall convene a meeting of the Association-Hospital Committee within ten (10) calendar days of the filing of the complaint, The Committee shall hear and

attempt to resolve the complaint to the satisfaction of both parties.

- ii) Failing resolution of the complaint within fifteen (15) calendar days of the meeting of the Association-Hospital Committee the complaint shall be forwarded to an independent Assessment Committee composed of three (3) registered nurses; one chosen by the Ontario Nurses' Association, one chosen by the Hospital and one chosen from a panel of independent registered nurses who are well respected within the profession. The member of the Committee chosen from the panel of independent registered nurses shall act as Chairperson.
- iii) The Assessment Committee shall set a date to conduct a hearing into the complaint within fourteen (14) calendar days of its appointment and shall be empowered to investigate as is necessary and make what findings as are appropriate in the circumstances. The Assessment Committee shall report its findings, in writing, to the parties within thirty (30) calendar days following completion of its hearing.
- iv) It is understood and agreed that representatives of the Ontario Nurses' Association, including the Employment Relations Officer and the Nursing Practice Officer, may attend meetings held between the Hospital and the Association under this provision.
- v) Any complaint lodged under this provision shall be on the form set out in Appendix 6.
- b) i) The list of Assessment Committee Chairpersons is attached as Appendix 2. During the term of this Agreement, the parties shall meet as necessary to review and amend by agreement the list of Chairpersons of the Professional Assessment Committees.

The parties agree that should a Chairperson be required, the Ontario Hospital Association and the Ontario Nurses' Association will be contacted. They will provide the name of the person to be utilized on the alphabetical listing of Chairpersons. The name to be provided will be the top name on the list of Chairpersons who has not been previously assigned.

Should the Chairperson who is scheduled to serve decline when requested, or it becomes obvious that she would not be suitable due to connections with the Hospital or community, the next person on the list will be approached to act as Chairperson.

- ii) Each party will bear the cost of its own nominee and will share equally the fee of the Chairperson and whatever other expenses are incurred by the Assessment Committee in the performance of its responsibilities as set out herein.

8.02 Orientation and In-service Program

The Hospital recognizes the need for a Hospital Orientation Program of such duration as it may deem appropriate taking into consideration the needs of the Hospital and the nurses involved.

- 8.03 (a) Before assigning a newly hired full-time nurse in charge of a nursing unit, the Hospital will first provide orientation both to the Hospital and to such nursing unit. It is understood that such nurse may be assigned to any tour as part of the nurse's orientation program, providing such assignment is in accordance with any scheduling regulations or objectives contained in the Appendix of Local Provisions which forms part of this Collective Agreement.
- (b) Before assigning a newly hired part time nurse in charge of a nursing unit, the Hospital will first provide orientation, in accordance with Article 8.02, both to the Hospital and to such nursing unit. It is understood that such nurse may be assigned to any tour as part of the nurse's orientation program, providing such assignment is in accordance with any scheduling regulations or objectives contained in the Appendix of Local Provisions which forms part of this Collective Agreement.

- 8.04 Nurses who displace other nurses in the event of a long-term layoff, nurses recalled from layoff, nurses whose probationary period has been extended under Article 10.01, and nurses who are transferred on a permanent basis may be provided any orientation determined necessary by the Hospital for the purposes of allowing the nurse to assume satisfactorily the duties of such position. A request by such a nurse for orientation shall not be unreasonably denied.

- 05 Both the Hospital and the Association recognize their joint responsibility and commitment to provide, and to participate in, in-service education. The Association supports the principle of its members' responsibility for their own professional development and the Hospital will endeavour to provide programs related to the requirements of the Hospital. Available programs will be publicized and the Hospital will endeavour to provide nurses with opportunities to attend such programs during their regularly scheduled working hours.

- 10.06 (a) (i) Where a permanent full-time vacancy occurs in a classification within the bargaining unit or a new full-time position within the bargaining unit is established by the Hospital, such vacancy shall be posted for a period of seven (7) consecutive calendar days. Nurses in this bargaining unit and nurses in another ONA bargaining unit at the Hospital, if any, may make written application for such vacancy within the seven (7) day period referred to herein. Subsequent vacancies created by the filling of a posted vacancy are to be posted for seven (7) consecutive calendar days.
- ii) Where a permanent regular part-time vacancy occurs in a classification within the bargaining unit or a new regular part-time position within the bargaining unit is established by the Hospital, such vacancy shall be posted for a period of seven (7) consecutive calendar days. Nurses in this bargaining unit and nurses in another ONA bargaining unit at the Hospital, if any, may make written application for such vacancy within the seven (7) day period referred to herein. Subsequent vacancies created by the filling of a posted vacancy are to be posted for seven (7) consecutive calendar days.
- (b) A nurse may make a written request for transfer by advising the Hospital and filing a Request for Transfer form indicating **her** name, qualifications, experience, present area of assignment, seniority and requested area of assignment. At the request of the nurse, the Hospital will discuss with unsuccessful applicants ways in which they can improve their qualifications for future postings.

- (c) Nurses shall be selected for positions under either 10.06 (a) or (b) on the basis of their skill, ability, experience and qualifications. Where these factors are relatively equal amongst the nurses considered, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work within an appropriate familiarization period. Where seniority governs, the most senior applicant, will be selected. Where the applicant has been selected in accordance with this Article and it is subsequently determined that she cannot satisfactorily perform the job to which she was promoted, the Hospital will attempt, during the first thirty (30) tours (225 hours for nurses whose regular hours of work are other than the standard work day) worked from the date on which the nurse was first assigned to the vacancy, to return her to her former job, and the filling of the subsequent vacancies will likewise be reversed.

If the temporary vacancy is not filled by a regular part-time nurse, consideration will be given to casual part-time nurses in the bargaining unit on the basis of seniority who are qualified to perform the work in question, prior to utilizing non-bargaining unit nurses supplied by an agency or registry. It is understood, however, that where such vacancies occur on short notice, failure to offer part-time nurses such work shall not result in any claim for pay for time not worked while proper arrangements are made to fill the vacancy. Where part-time nurses fill temporary full-time vacancies, such nurses shall be considered regular part-time, and shall be covered

by the terms of the part-time Collective Agreement'. Upon completion of the temporary vacancy, such nurse shall be reinstated to her former position unless the position has been discontinued, in which case the nurse shall be given a comparable job.

- (e) The Hospital shall have the right to fill any permanent vacancy on a temporary basis until the posting procedure or the Request for Transfer procedure provided herein has been complied with and arrangements have been made to permit the nurse selected to fill the vacancy to be assigned to the job.
- (f) A nurse selected as a result of a posted vacancy or a Request for Transfer need not be considered for a further permanent vacancy for a period of up to six (6) months from the date of her selection.

In giving such notice, the Hospital will indicate to the local Association the reasons causing the layoff and the anticipated duration of the layoff, and will identify the nurses likely to be affected. If requested, the Hospital will meet with the local Association to review the effect on nurses in the bargaining unit.

- (f) The Hospital shall provide the local Association with no less than 90 calendar days' notice of a long-term layoff and shall meet with the local Association to review the following:
 - i) the reasons causing the layoff;
 - ii) the service which the Hospital will undertake after the layoff;
 - iii) the method of implementation including the areas of cut-back and the nurses to be laid off; and
 - iv) any limits which the parties may agree on the number of nurses who may be newly assigned to a unit or area.

10.08

- (2) Nurses shall have the following entitlements in the event of a layoff;
 - (a) A nurse who has been notified of a short-term layoff may:

- (d) In all cases of layoff:
 - i) Any agreement between the Hospital and the Association concerning the method of implementation of a layoff shall take precedence over the terms of this article. The unavailability of a representative of the Association shall not delay any meeting regarding layoffs or staff reductions.
 - ii) Where a vacancy occurs in a position following a layoff hereunder as a result of which a nurse has been transferred to another position, the affected nurse will be offered the opportunity to return to her or his former position providing such vacancy occurs within six (6) months of the date of layoff. Where the nurse returns to her or his former position

there shall be no obligation to consider the vacancy under Article 10.06. Where the nurse refuses the opportunity to return to her or his former position the nurse shall advise the Hospital in writing.

- iii) No reduction in the hours of work shall take place to prevent or reduce the impact of a layoff without the consent of the Association.
- iv) All regular part-time and full-time nurses represented by the Association who are on layoff will be given a job opportunity in the full-time and regular part-time categories before any new nurse is hired into either category.
- v) Full-time and part-time layoff and recall rights shall be separate.
- vi) Casual part-time nurses shall not be utilized while full-time or regular part-time nurses remain on layoff, unless the provisions of Article 10.09 have been complied with.

- viii) In this Article (10.08), a **"vacant position"** shall mean a position for which the posting process has been completed and no successful applicant has been appointed.

- (a) Full-time and regular part-time nurses on layoff may notify the Hospital of their interest in accepting occasional vacancies and/or temporary vacancies which may arise and for which they are qualified. Such notification of interest shall state any restrictions on the type of assignment which a nurse is willing to accept, and shall remain valid for six weeks. However if a nurse declines an occasional or temporary vacancy the Hospital shall not be obliged to call upon the

nurse again during the balance of such six-week period.

- (b) For the purposes of this article, an **"occasional vacancy"** shall mean an assignment which is anticipated not to exceed five shifts (37.5 hours). Occasional vacancies shall be offered first to regular part-time nurses on layoff who have expressed interest, and if no such part-time nurse accepts then to full-time nurses on layoff who have expressed interest, and if no such full-time nurse accepts then to casual part-time nurses.
 - (c) For the purposes of this article, a **"temporary vacancy"** shall mean an assignment which is anticipated to exceed five shifts (37.5 hours). Temporary vacancies which arise in the full-time bargaining unit shall be offered by seniority first to full-time nurses on layoff who have expressed interest, and if no such full-time nurse accepts then by seniority to regular part-time nurses on layoff who have expressed interest, and if no such part-time nurse accepts then to casual part-time nurses. Temporary vacancies which arise in the part-time unit shall be offered by seniority **first** to regular part-time nurses on layoff who have expressed interest, and if no such part-time nurse accepts then by seniority to full-time nurses on layoff who have expressed interest, and if no such full-time **nurse** accepts then to casual part-time nurses.
 - (d) A nurse to whom an occasional or temporary vacancy is offered may accept or decline such vacancy **and** in either case shall maintain her or his position on the recall list. Acceptance of a temporary or occasional vacancy shall not constitute a recall from layoff unless the temporary vacancy is anticipated to exceed sixty (60) calendar days. A full-time nurse on layoff who accepts a temporary or occasional vacancy shall be paid her or his regular full-time rate of pay together with a percentage payment in lieu of benefits at the rate specified for part-time nurses at the Hospital; a full-time nurse who has worked for more than 600 hours in 140 calendar days as the result of accepting one or more temporary vacancies shall thereafter be eligible for benefit coverage as a full-time nurse and shall be paid accordingly, and shall continue to receive benefit coverage **so long as** she or he continues to fill a temporary vacancy.
- 10.10 (a) A nurse who is transferred to a position outside of the bargaining unit for a period of not more than one (1) **year** shall, subject to (d) below, retain, but not accumulate, her or his seniority held at

the time of the transfer. In the event the nurse is returned to a position in the bargaining unit, she or he shall be credited with seniority held at the time of transfer and resume accumulation from the date of her or his return to the bargaining unit.

- (b) In **the** event that a nurse is transferred to a position outside of the bargaining unit for a period in excess of one (1) year, she or he will lose all seniority held at the time of transfer. In the event the nurse is returned to a position in the bargaining unit, the nurse's seniority will accrue from the date of her or his return to the bargaining unit.
- (c) In the case of nurses who are employed by the Hospital in a position outside of the bargaining unit as at May 1, 1994, such nurses shall be credited with seniority held at the time of transfer and resume accumulation from the date of their return to the bargaining unit if such return occurs prior to April 30, 1997.
- (d) In the event that a nurse is transferred out of the bargaining unit under (a) above for a period of six (6) months or an academic year and is returned to a position in the bargaining unit, she or he shall not suffer any loss of seniority, service or benefits. It is understood and agreed that a nurse may decline such offer to transfer and that the period of time referred to above may be extended by agreement of the parties.

10.11

- (a) Nurses who are in supervisory positions excluded from the bargaining unit shall not perform duties normally performed by nurses in the bargaining unit which shall directly cause or result in the layoff, loss of seniority or service or reduction in benefits to nurses in the bargaining unit.
- (b) The Hospital shall not contract out the work of a bargaining unit nurse if, as a result of such contracting out, any bargaining unit nurse other than a casual part-time nurse is laid off, displaced or loses hours of work or pay. Prior to contracting out any available work, the Hospital will first offer the work on the basis of seniority to regular part-time nurses in the bargaining unit. Contracting out to an employer who is organized and who will employ the employees of the bargaining unit who would otherwise be laid off, with similar terms and conditions of employment, is not a breach of this provision. This clause will not apply to the ad hoc use of agency or registry nurses for single shift coverage of vacancies due to illness or leaves of absence.

10.12

In the event of a rationalization or consolidation of any part of the services of the Hospital with those of another hospital or hospitals, the Hospital and the Association agree to implement the Guidelines for Employee Transfer Arrangements in Hospital Service Rationalization established by the Ontario Hospital Industry Labour Management Committee, to the extent possible within the terms of this collective agreement. In implementing the Guidelines the parties will be guided by the following:

- (a) the Hospital shall notify affected nurses and the Association as soon as a formal decision to rationalize is taken (ref: Guidelines, paragraph 2);
- (b) the Hospital and the Association shall begin discussions concerning the specifics of the rationalization forthwith after a decision to rationalize is taken (ref: Guidelines, paragraph 3);
- (c) as soon as possible in the course of developing a plan for the implementation of the rationalization the Hospital shall notify affected nurses and the Association of the projected staffing needs, and their location, which are anticipated to result (ref: Guidelines, paragraph 6); notice to affected nurses and the Association shall include the estimated number and types of positions anticipated to be available, and their location, **as** the result of the rationalization (ref: Guidelines, paragraph 7);
- (d) if services in the Hospital are to be reduced or eliminated as the result of a rationalization, or if the employment of nurses is otherwise to be affected, the Hospital shall prepare a list of the affected nurses in order of seniority by jobs for which it considers such nurses are eligible. This list will be updated to reflect any changes due to employees leaving or entering the unit (ref: Guidelines, paragraph 7);
- (e) if **a** rationalization is anticipated to result in a loss of employment for nurses at another hospital by reason of the establishment of a new unit or the enlargement or extension of services at the Hospital:
 - i) in the period before a rationalization takes place, where a permanent vacancy occurs and has not been filled after Article 10.06 has been complied with, the vacancy shall be filled by the senior qualified employee of the other hospital who wishes to make an early transfer. A nurse taking such a position shall be treated as a transferring employee and not **as** a new hire (ref: Guidelines, paragraph 5);

- ii) when the rationalization takes place, and when nurses formerly employed by the other hospital or hospitals involved are transferred to the Hospital, such nurses shall maintain their seniority dates and shall be placed on seniority lists at the Hospital accordingly. Thereafter they shall exercise seniority rights in accordance with this agreement (ref: Guidelines, paragraph 13). Following implementation of the rationalization, no nurse who has been transferred to the Hospital shall suffer a reduction in wages. If the wage grid in effect at the Hospital does not correspond to the grid in effect at the hospital at which such nurses were formerly employed, nurses whose wages were not identical to a wage step on the Hospital's grid shall be moved to the next higher step. Where the transferring nurse's salary exceeds the range maximum, the nurse's salary will be maintained (ref: Guidelines, paragraph 14);
- iii) nurses who have been transferred to the Hospital shall be subject to the benefit plans of the Hospital in the manner provided under the collective agreement. The retention, modification or abandonment of superior conditions and the provisions of sick leave plans, to which nurses who have been transferred to the Hospital were formerly subject, shall be negotiated between the Association and the Hospital. Nurses who have been transferred to the Hospital shall retain their former level of vacation entitlement **or** shall be entitled to the level provided by this agreement, whichever is the greater (ref: Guidelines, paragraph 15);
- (iv) Hours of work shall be those of the Hospital (ref: Guidelines, paragraph 16);
- (v) A nurse who has been transferred to the Hospital and who has not completed her or his probationary period at the hospital where she or he was formerly employed shall receive credit for her service during **such** probationary period, and shall complete the balance of the probationary period required by this agreement. No new probationary period shall be served by a nurse who has been transferred to the Hospital (ref: Guidelines, paragraph 17).

NOTE 1: In the bargaining units where full-time and part-time nurses are both employed, seniority lists and layoff **and** recall rights of part-time nurses shall be separate from full-time nurses.

NOTE 2: The seniority list referred to in Article 10.02 shall include any other information that is currently provide to the Association.

The Hospital will bill the local Association within a reasonable period of time.

Reasonable notice - sufficient to adequately allow the Hospital to minimize disruption of its services shall be given to the Hospital for such Leave of absence. Notwithstanding Article 10.04, there shall be no loss of seniority ~~or~~ service during such leave of absence. Leave of absence under this provision shall be in addition to the Association leave provided in Article 11.02 above. During such leave of absence, the nurse's salary and applicable benefits shall be maintained by the Hospital and the Association agrees to reimburse the Hospital in the amount of the full cost of such salary and applicable benefits.

11.04 Leave, President, O.N.A.

Upon application in writing by the Association on behalf of the nurse to the Hospital, a leave of absence shall be granted to such nurse elected to the office of President of the Ontario Nurses' Association for a period of up to

If a full-time and/or regular part-time nurse is required to serve as a juror in any court of law, or is required to attend as a witness in a court proceeding in which the Crown is a party, or is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from the nurse's duties at the Hospital, the nurse shall not lose regular pay because of such attendance and shall not be required to work on the day of such duty, provided that the nurse:

- (a) Notifies the Hospital immediately on the nurse's notification that she will be required to attend court;
- (b) Presents proof of service requiring the nurse's attendance;
- (c) Deposits with the Hospital the full amount of compensation received excluding mileage, travelling and meal allowances and an official receipt where available,

The nurse shall be credited with tours worked (hours worked for nurses whose regular hours of work are other than the standard work day) towards the probationary period provided **in** Article 10.01 (a) to a maximum of 30 tours (225 **hours** for nurses whose regular hours of work are other than the standard work day).

The Hospital will outline to nurses hired to fill such temporary vacancies the circumstances giving rise to the vacancy and the special conditions relating to such employment.

- (e) The Hospital **may** request a nurse to commence pregnancy leave at such time as the duties of her position cannot reasonably be performed by a pregnant woman or the performance or **non-**performance of her work **is** materially affected by the pregnancy.
- (f) On confirmation by the Unemployment Insurance Commission of the appropriateness of the Hospital's Supplemental Unemployment Benefit (SUB) Plan, a nurse who is on maternity leave as provided under this Agreement who has applied and is in receipt of unemployment Insurance pregnancy benefits pursuant to Section 18 of the Unemployment Insurance Act, shall be paid a supplemental unemployment benefit.

That benefit will be equivalent to the difference between seventy five per cent (**75%**) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two week Unemployment Insurance waiting period, and receipt by the Hospital of the nurse's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance pregnancy benefits, and shall continue while the nurse is in receipt of such benefits for a maximum period of fifteen (15) weeks. The nurse's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

In cases of adoption, the nurse shall advise the Hospital as far in advance as possible with respect to a prospective adoption and shall request the leave of absence, in writing, upon receipt of confirmation of the pending adoption. If, because of late receipt of confirmation of the pending adoption, the nurse finds it impossible to request the leave of absence in writing, the request may be made verbally and subsequently verified in writing.
- (c) The nurse shall be reinstated to her former position, unless her former position has been discontinued, in which case she shall be given a comparable job.

- (d) Nurses newly hired to replace nurses who are on approved parental leave may be released and ~~sur~~ release shall not be the subject of a grievance or arbitration. The Hospital will outline to nurses hired to fill such temporary vacancies, the circumstances giving rise to the vacancy and the special conditions relating to such employment.

- (e) Effective July 24, 1991, on confirmation by the Unemployment Insurance Commission Of the appropriateness of the Hospital's Supplemental Unemployment Benefit (SUB) Plan, a nurse who ~~is~~ on parental leave as provided under this Agreement who is in receipt of Unemployment Insurance parental benefits pursuant to Section 20 of the Unemployment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between seventy five per cent (75%) of her regular weekly earnings and the sum of her weekly Unemployment Insurance benefits and any other earnings. Such payment shall commence following completion of the two week Unemployment Insurance waiting period, and receipt by the Hospital of the nurse's Unemployment Insurance cheque stub as proof that she is in receipt of Unemployment Insurance parental benefits, and shall continue while the nurse is in receipt of such benefits for a maximum period of ten (10) weeks. The nurse's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

11.09 Education Leave

Any employee who is on an authorized leave of absence as of the date of the Award shall be entitled to continue the leave in accordance with the terms thereof.

11.11 Pre-paid Leave Plan

Effective April 1, 1989, the Hospital agrees to introduce a pre-paid leave program, **funded** solely by **the nurse**, subject to the following terms and conditions:

- (a) The plan is available to nurses wishing to spread four (4) year's salary over a five (5) year period, in accordance with Part LXVIII of the Income Tax Regulations, Section 6801, to enable them to take a one (1) year leave of absence following the four (4) years of salary deferral.
- (b) The nurse must make written application to the Vice-president, Nursing at least six (6) months prior to the intended commencement date of the program (i.e.; the salary deferral portion), stating the intended purpose of the leave.

The year for purposes of the program shall be September 1 of one year to August 31 the following year or such other twelve (12) month period as may be agreed upon by the nurse, the local Association and the Hospital.

- (d) Written applications will be reviewed by the Vice-President, Nursing or her designate. Leave requested for the purpose of pursuing further formal nursing education will be given priority. Applications for leaves required for other purposes will be given the next level of priority on the basis of seniority.
- (e) During the four (4) years of salary deferral, 20% of the nurse's gross annual earnings will be deducted and held for the nurse and will not be accessible to her until the year of the leave or upon withdrawal from the plan.
- (f) The manner in which the deferred salary is held shall be at the discretion of the Hospital.

- (h) All benefits shall be kept whole during the four (4) years of salary deferral. During the year of the leave, seniority will accumulate. Service for the purpose of vacation and salary progression and other benefits will be retained but will not accumulate during the period of leave. A full-time nurse shall become responsible for the full payment of premiums for any health and welfare benefits in which she is participating. Contributions to the Hospitals Pension Plan will be in accordance with the Plan. The nurses will not be eligible to participate in the disability income plan during the year of the leave.
- (i) A nurse may withdraw from the plan at any time during the deferral portion provided three (3) months notice is given the Vice-president of Nursing. Deferred salary, plus accrued interest, if any, will be returned to the nurse, within a reasonable period of time.
- (j) If the nurse terminates employment, the deferred salary held by the Hospital plus accrued interest, if any, will be returned to the nurse within a reasonable period of time. In case of the nurse's death, the funds will be paid to the nurse's estate.
- (k) The Hospital will endeavour to find a temporary replacement for the nurse as far in advance as practicable. If the Hospital is unable to find a suitable replacement, it may postpone the leave. The Hospital will give the nurse as much notice as is reasonably possible. The nurse will have the option of remaining in the Plan and rearranging the

leave at a mutually agreeable time or of withdrawing from the Plan and having the deferred salary, plus accrued interest, if any, paid out to her within a reasonable period of time.

- (1) The nurse will be reinstated to her former position unless the position has been discontinued, in which case she shall be given a comparable job.
- (m) Final approval for entry into the pre-paid leave program will be subject to the nurse entering into a formal agreement with the Hospital in order to authorize the Hospital to make the appropriate deductions from the nurse's pay. Such agreement will include:
 - (a) A statement that the nurse is entering the pre-paid leave program in accordance with Article 11.11 of the Collective Agreement.
 - (b) The period of salary deferral and the period for which the leave is requested.
 - (c) The manner in which the deferred salary is to be held.

The letter of application from the nurse to the Hospital to enter the pre-paid leave program will be appended to and form part of the written agreement.

ARTICLE 12 - SICK LEAVE AND LONG-TERM DISABILITY (Full-time only)

12.01 Pay for sick leave is for the sole and only purpose of protecting a nurse against loss of regular income when she is legitimately ill and unable to work and will be granted on the following basis:

Amount of Sick Leave

- (a) Each nurse shall be eligible for 11.25 hours of sick credits each month, provided the nurse worked and/or received paid leave from the Hospital for at least seventy-five (75) hours in that month. Such credits shall be cumulative and shall be paid as set out above as long as sick pay credits are available.
- (b) It is understood and agreed that no sick leave will be allowed during the nurse's probationary period. Should the nurse remain in the employ of the Employer after completion of her probationary period, she will be credited with 33.75 hours of sick leave credits.

- (c) The nurse may be required to produce proof of sickness in the form of a medical certificate for an absence of any duration, and must do so, as well as report to the Department of Occupational Health, when returning to duty after an absence of three (3) days or more.
- (d) Nurses shall not be entitled to sick leave for sickness or accident compensable by the Workers' Compensation Board.

12.02 A nurse with accumulated sick leave credits who is prevented from working for the Hospital on account of an occupational illness or accident that is recognized by the Workers' Compensation Board as compensable within the meaning of the Workers' Compensation Act, may, on application to the Hospital, supplement the award made by the Workers' Compensation Board for her loss of wages by such amount that the award of the Workers' Compensation Board for loss of wages together with the supplementation will equal one hundred percent (100%) of the nurse's net earnings to the limit of her accumulated sick leave credits. This supplementation, where available, will be drawn from the nurse's accumulated sick leave credits. Nurses may also utilize such sick leave credits while awaiting approval of a claim of Workers' Compensation.

12.03 When a nurse has completed any portion of her regularly scheduled tour prior to going on sick leave benefits or Workers' Compensation benefits, she shall be paid the balance of the tour at her regular straight time hourly rate. This provision will not disentitle the nurse to a lieu day under Article 15.05 if she otherwise qualifies.

12.04 Long Term Disability

The Hospital will pay seventy-five percent. (75%) of the billed premium towards coverage of eligible employees under the Long Term Disability Plan. The employee will pay the balance of the billed premium through payroll deduction.

All newly hired nurses who have completed their probationary period must obtain coverage under this plan in accordance with its terms and conditions. Nurses who are already covered by the plan shall maintain their membership in the plan in accordance with its terms and conditions.

12.05 Nurses returning to work from an illness or injury compensable under Workers' Compensation, will be assigned light work as necessary, if available.

12.06 A nurse who transfers from full-time to regular part-time may elect to retain her accumulated sick leave credits to be utilized during regular part-time or subsequent full-time employment as provided under the Sick Leave Plan in which she participates as of February 2, 1990.

- 12.07 Any dispute which may arise concerning a nurse's entitlement to Short-term or long-term benefits, under this Article, may be subject to grievance and arbitration under the provisions of this Agreement.
- 12.08 The Hospital will notify each nurse of the amount of unused sick leave in her bank annually.
- 12.09 Absences due to pregnancy related illness shall be considered as sick leave under the sick leave plan.
- 12.10 A nurse who is absent from work as a result of an illness or injury sustained at work and who has been awaiting approval of a claim for Workers' Compensation for a period longer than one (1) complete pay period, may apply to the Hospital for payment equivalent to the lesser of the benefit she would receive from Workers' Compensation if her claim was approved or the benefit to which she would be entitled under the short-term disability income plan. Payment will be provided only if the nurse provides evidence of disability satisfactory to the Hospital and a written undertaking satisfactory to the Hospital that any payments will be refunded to the Hospital following final determination of the claim by the Workers' Compensation Board. If the claim for Workers' Compensation is not approved, the monies paid as an advance will be applied towards the benefits to which the nurse would be entitled under the short-term portion of the disability income plan. Any payment under this provision will continue for a maximum of fifteen (15) weeks.
- 12.11 Part-time
- Part-time nurses returning to work from an illness or injury compensable under Workers' Compensation will be assigned light work as necessary, if available.
- 12.12 The Hospital and the Association recognize their joint duty to accommodate handicapped employees in accordance with the provisions of the Ontario Human Rights Code.

ARTICLE 13 - HOURS OF WORK

- 13.01 The following provision designating regular hours on a daily tour and regular daily tours over the nursing schedule determined by the Hospital shall not be construed to be a guarantee of the hours of work to be performed on each tour or during each tour schedule.

Subject to Article 13.02 below:

- (a) The normal daily tour shall be seven and one-half ($7\frac{1}{2}$) consecutive hours in any twenty-four (24) hour period exclusive of an unpaid one-half ($\frac{1}{2}$) hour meal period, it being understood that at the change of tour there will normally be additional time

required for reporting which shall be considered to be part of the normal daily tour, for a period of up to fifteen (15) minutes, duration. Should the reporting time extend beyond fifteen (15) minutes, however, the entire period shall be considered overtime for the purposes of payment under Article 14.

- (b) Nurses shall be entitled, subject to the exigencies of patient care, to relief periods during the tour on the basis of fifteen (15) minutes for each half tour. The scheduling of meal periods and relief periods shall be determined by local negotiations.
- (c) The regular daily tours of duty of a full-time nurse shall average five (5) days per week over the nursing schedule determined by the Hospital. Nursing schedules shall be determined by local negotiation.
- (d) Where a nurse notifies her supervisor that she has been or will be unable to take the normal lunch break due to the requirement of providing patient care, such nurse shall be paid time and one half ($1\frac{1}{2}$) her regular straight time hourly rate for all time worked in excess of her normal daily hours.

13.02 Where nurses are now working a longer daily tour, the provisions set out in this Article governing the regular hours of work on a daily tour shall be adjusted accordingly.

The normal daily extended tour shall be 11.25 consecutive hours in any 24-hour period, exclusive of a total of forty-five (45) minutes of unpaid meal time.

Nurses shall be entitled, subject to the exigencies of patient care, to relief periods during the tour of a total of forty-five (45) minutes.

The scheduling of meal and relief periods shall be determined by local negotiations.

The introduction or discontinuance of longer daily tours shall be determined by local negotiations.

ARTICLE 14 - PREMIUM PAYMENT

14.01 If a full-time nurse is authorized to work in excess of the hours referred to in Article 13.01 (a) or (c), she shall receive overtime premium of one and one-half ($1\frac{1}{2}$) times her regular straight time hourly rate.

If a part-time nurse is authorized to work in excess of the hours referred to in Article 13.01 (a), she shall receive overtime premium of one and one-half ($1\frac{1}{2}$) times her regular straight time hourly rate.

A part-time nurse (including casual nurses but not including part-time nurses who are filling temporary full-time vacancies) who works in excess of seventy-five (75) hours in a two (2) week period shall receive time and one-half (1-1/2) her regular straight time hourly rate for all hours worked in excess of seventy-five (75).

A part-time nurse who is filling a temporary full-time vacancy shall receive time and one-half (1-1/2) her regular straight time hourly rate for all hours worked in excess of an average of 37-1/2 hours per week over the full-time nursing schedule determined by the Hospital. Such averaging will commence at the conclusion of the two week period following the nurse's transfer to the temporary full-time position and will end at the conclusion of the two week period prior to her return to her former position.

Notwithstanding the foregoing, no overtime premium shall be paid for a period of less than fifteen (15) minutes of overtime work where the nurse is engaged in reporting functions at the end of her normal daily tour. If authorized overtime amounts to fifteen (15) minutes or more, overtime premium shall be paid for the total period in excess of the normal daily tour. Overtime will not be duplicated for the same hours worked under Article 13.01 (a) and (c) for full-time nurses, or Article 13.01 (a) for part-time nurses, nor shall there be any pyramiding with respect to the other premiums payable under the provisions of this Collective Agreement.

Nothing herein will disentitle the nurse to payment of the normal tour differential provided herein. For purpose of clarity, a nurse who is required to work on her scheduled day off shall receive overtime premium of one and one-half (1½) times her regular straight time hourly rate.

- 14.02 Notwithstanding the foregoing, overtime will not be paid for additional hours worked during a twenty-four (24) hour period either as a result of change in tour on the request of a nurse or a change-over to daylight saving from standard time or vice-versa or an exchange of tours by two nurses.
- 14.03 Work scheduled by the Hospital to which a premium is attached under scheduling regulations contained in the Collective Agreement and set out in Appendix 5 shall be paid at one and one-half (1½) times the **nurse's** regular straight time hourly rate or as otherwise provided.
- 14.04 Where a nurse is required to work on a paid holiday or on an overtime tour or on a tour that is paid at the rate of time and one-half (1½) her regular straight time hourly rate as a result of 14.03 above and she is required to work additional hours following her full tour on that day (but not including hours on a subsequent regularly

scheduled tour for such nurse) she shall receive two (2) times her regular straight time hourly rate for such additional hours worked.

- 14.05 A nurse who reports for work **as** scheduled, unless otherwise notified by the Hospital, shall receive a minimum of four (4) hours' pay at her regular straight **time** hourly rate. She shall be required to perform any nursing duties assigned by the Hospital which she is capable of doing, if her regular duties are not available.

Nurses will be entitled to an unpaid one-half (1/2) hour meal break after a maximum of five (5) consecutive hours from their start time. This meal break forms part of and is not in addition to any requirements under Article 13.

- 14.06 Where a full-time and/or regular part-time nurse has completed her regularly scheduled tour and left the hospital and is called in to work outside her regularly scheduled working hours, or where a nurse is called back from standby, she shall receive time and one-half (1½) her regular straight time hourly rate for all hours worked with a minimum guarantee of four (4) hours, pay at time and one-half (1½) her regular straight time hourly rate except to the extent that such four (4) hour period overlaps or extends into her regularly scheduled shift. In such a case, she will receive time and one-half (1½) her regular straight time hourly rate for actual hours worked up to the commencement of her regular shift.

- 14.07 A nurse who is required to remain available for duty on standby outside her regularly scheduled working hours shall receive standby pay in the amount of two dollars and fifty cents (\$2.50) per hour for the period of standby scheduled by the Hospital. Where such standby duty falls on a paid holiday as set out in the Appendix of Local Provisions, the nurse shall receive standby pay in the amount of three dollars (\$3.00) per hour. Standby pay shall, however, cease where the nurse is called in to work under Article 14.06 above and works during the period of standby.

- 14.08 (a) In computing a full-time nurse's regular straight time hourly rate under this Collective Agreement such rate shall be established by dividing the product of the nurse's regular monthly salary exclusive of any allowance or premium pay times twelve (12) by the regular average weekly hours times fifty-two (52).
- (b) The regular straight time hourly rate for part-time nurses will be the hourly rate in the wage schedule set forth in Article 19.01.

- 14.09 Where a full-time nurse has worked and accumulated approved overtime hours (other than overtime hours relating to paid holidays) such nurse shall have the

option of electing payment at the applicable overtime rate or time off equivalent to the applicable overtime rate (i.e., where the applicable rate is time and one-half ($1\frac{1}{2}$) then time off shall be at time and one-half ($1\frac{1}{2}$)). Where a nurse chooses equivalent time off such time off must be taken within the period set out in the Appendix 5 or payment in accordance with the former option shall be made.

14.10 A nurse shall be paid one dollar (\$1.00) per hour for each hour worked which falls within the hours defined as an evening shift and one dollar and twenty-five cents (\$1.25) for each hour worked which falls within the hours defined as a night shift provided that such hours exceed two (2) hours if worked in conjunction with the day shift. For purposes of this provision, the night shift and the evening shift each consist of 7.5 hours. Tour differential will not form part of the nurse's straight time hourly rate. The defined hours of a night and evening shift shall be a matter for local negotiation.

14.11 Ambulance Escort

Where a nurse is assigned to provide patient care for a patient in transit, the following provisions shall apply:

- (a) Where the nurse performs such duties during her regular shift, she shall be paid her regular rate of pay.

Where the nurse performs such duties outside her regular shift or on a day off, she shall be paid **the appropriate overtime rate.**

- (b) Where such duties extend beyond her regular shift, the Hospital will not require a nurse to return to regular duties at the Hospital without at least eight (8) hours of time off. Where such time off extends into her next regularly scheduled shift she will maintain her regular earnings for that full shift.
- (c) Hours spent between the time the nurse is relieved of patient care responsibilities and the time the nurse returns to the Hospital or to such other location agreed upon between the Hospital and the nurse will be paid at straight time or at appropriate overtime rates, if applicable under Article 14.01. It is understood that the nurse shall return to the Hospital or to such other location agreed upon between the Hospital and the nurse at the earliest opportunity. Prior to the nurse's departure on escort duty, or at such other time as may be mutually agreed upon between the Hospital and the nurse, the Hospital will establish with the nurse arrangements for return travel.

- (d) The nurse shall be reimbursed for reasonable out of pocket expenses including room, board and return transportation and consideration will be given to any special circumstances not dealt with under the foregoing provisions.

14.12

- (a) The posting of work schedules for full-time nurses shall be as set out in the Appendix 5. It shall be the responsibility of the nurse to consult posted work schedules. The Hospital will endeavour to provide as much advance notice **as** is practicable of a change in the posted schedule. Changes to the posted work schedule shall be brought to the attention of the nurse. Where less than forty-eight **(48)** hours' notice is given personally to the nurse, time and one-half ($1\frac{1}{2}$) of the nurse's regular straight time hourly rate will be paid for all hours worked on the first shift of her new schedule.
- (b) The posting of work schedules for regular part-time nurses shall be determined by local negotiation. It shall be the responsibility of the regular part-time nurse to consult posted work schedules. The Hospital will endeavour to provide as much advance notice as is practicable of a change in the posted schedule. Changes to the posted work schedules shall be brought to the attention of the regular part-time nurse. Where less than twenty-four **(24)** hours' notice is given personally to the regular part-time nurse, time and one-half the nurse's regular straight time hourly rate will be paid for **all** hours worked on the first shift of her new schedule. Such changes shall not be considered a layoff.
- (c) Where a part-time nurse is called in to work a regular shift less than two (2) hours prior to the commencement of the shift, and arrives within one hour of the commencement, she will be paid for a full tour, provided that she works until the normal completion of the tour.
- (d) Casual part-time nurses whose work schedule has been pre-scheduled and whose schedule is changed with less than twenty-four (24) hours' notice, then paragraph (b) shall apply to casual part-time nurses.

14.13

When a nurse is required to travel to the hospital or to return to her home as a result of reporting to or off work between the hours of 2400 - 0600 hours, or at any time while on standby, the Hospital will pay transportation costs either by taxi or by her own vehicle at the rate of thirty-five cents (35¢) per mile (to a maximum of fourteen dollars (\$14.00)) or such greater amount as the Hospital may in its discretion determine

for each trip between the aforementioned hours. The nurse will provide to the Hospital satisfactory proof of payment of such taxi fare.

- 14.14** A nurse who works a second consecutive full tour shall be entitled to the normal rest periods and meal period for the second tour, and shall be provided at the time of the meal period with a hot meal or four dollars (\$4.00) if the Hospital is unable to provide the hot meal. Other nurses required to work more than two (2) hours overtime on the same day they have worked a full tour shall, after the two (2) hours, receive a ½ hour paid meal period and shall be provided with a hot meal or four dollars (\$4.00) if the Hospital is unable to provide the hot meal.
- 14.15** A nurse shall be paid a weekend premium of one dollar and thirty-five cents (\$1.35) per hour for each hour worked between 2400 hours Friday and 2400 hours Sunday, or such other 48 hour period as the local parties may agree upon. If a nurse is receiving premium pay under Article 14.03, pursuant to a local scheduling regulation with respect to consecutive weekends worked, she will not receive weekend premium under this provision.
- 14.16** Nurses with a BSCN or B. of N. Degree will receive an Educational Premium of 35¢ per hour worked, when they present proof of their degree to the Hospital.

ARTICLE 15 - PAID HOLIDAYS (Full-time)

- 15.01** A nurse who otherwise qualifies under Article 15.02 hereunder, shall receive twelve (12) paid holidays as designated in Appendix 5.

In the event that the Provincial Government declares an additional holiday (such as Heritage Day) during the term of the Agreement, such holiday will be substituted for one of the above mentioned holidays. The designation of the additional holiday for an existing holiday shall be subject to local determination, and such designation shall not add to the present number of holidays.

- 15.02** In order to qualify for pay for a holiday, a nurse shall complete her full scheduled shift on each of the working days immediately preceding and following the holiday concerned unless excused by the Hospital or the nurse was absent due to:
- (a) legitimate illness or accident which commenced within a month of the date of the holiday;
 - (b) vacation granted by the Hospital;
 - (c) the nurse's regular scheduled day off;
 - (d) a paid leave of absence provided the nurse is not otherwise compensated for the holiday.

A nurse entitled to holiday pay hereunder shall not receive sick leave pay to which she may otherwise have been entitled unless she was scheduled to work that day. A nurse receiving Workers' Compensation Benefits for the day of the holiday shall, subject to the above provisions, be entitled to the difference between the amount of the Workers' Compensation Benefits and the holiday pay.

15.03 Holiday pay will be computed on the basis of the nurse's regular straight time hourly rate of pay times the number of hours for a normal daily tour as set out in Article 13.01 (a).

15.04 Subject to Article 15.02:

(a) Where a holiday **falls** during a nurse's scheduled vacation period, her vacation shall be extended by one day, unless the nurse and the Hospital agree to schedule a different day off with pay;

(b) Where a holiday falls on a nurse's scheduled day off, an additional day off with pay will be scheduled.

15.05 A nurse required to work on any of the foregoing holidays shall be paid at the rate of time and one-half (1½) her regular straight time hourly rate of pay for all hours worked on such holiday subject to Article 14.04. In addition, she will receive a lieu day off with pay in the amount of her regular straight time hourly rate of pay times the number of hours in a normal daily tour as set out in Article 13.01 (a).

NOTE: Nurses on extended tours shall receive twelve (12) lieu days off to consist of seven and one-half (7½) hours each.

15.06 Where a nurse is entitled to a lieu day under Article 15.04 or 15.05 above, such day off must be taken within a period as set out in Appendix 5 or payment shall be made in accordance with Article 15.03.

15.07 Paid Holidays (Part-time)

NOTE: Where a Participating Hospital listed in Appendix "A" to the Memorandum of Conditions for Joint Bargaining, dated November 5, 1993, was not a party to the June 4, 1993 Central Pay Equity Settlement, Appendix 3 will set out the applicable rates of pay, including any pay equity adjusted rates, that apply to the nurses covered by those agreements and the rates set out in Appendix 3 will prevail over the rates set out in Article 19.01 (a) above.

(Articles 19.01(b) and 19.01 (c) apply to part-time nurses only)

(b) The hourly salary rates, inclusive of the percentage in lieu of fringe benefits in effect during the term of this Agreement for **all** regular and casual part-time nurses shall be those calculated in accordance with the following formula:

Applicable straight time hourly rate + 13%.

- (c) The hourly salary rates payable to a regular or casual part-time nurse include compensation in lieu of all fringe benefits which are paid to full-time nurses except those specifically provided to part-time nurses in this Agreement. It is understood and agreed that holiday pay is included within the percentage in lieu of fringe benefits. It is further understood and agreed that pension is included within the percentage in lieu of fringe benefits. Notwithstanding the foregoing, all part-time nurses may, on a voluntary basis, enroll in the Hospital's Pension Plan when eligible in accordance with its terms and conditions. For part-time nurses who are members of the Pension Plan, the percentage in lieu of fringe benefits is nine percent (9%).

It is understood and agreed that the part-time nurse's hourly rate (or straight time hourly rate) in this Agreement does not include the additional **9% or 13%**, as applicable, which is paid in lieu of fringe benefits and accordingly the 9% or 13%, as applicable, add on payment in lieu of fringe benefits will not be included for the purpose of computing any premium or overtime payments.

- (d) The parties agree to maintain the percentage differentials in the wage rates which presently exist between the classification of Registered Nurse and the other classifications which are covered by the Collective Agreement.

- (e) Retroactivity

Increases to the salary schedule shall be retroactive and apply to all employees in the bargaining unit as of April 1, 1994, on the basis of each hour paid to them from April 1, 1994 to the date the salary rates are increased. Such retroactivity shall be paid out within three (3) pay periods (approximately **six** weeks) of the date of November 30, 1994. Any new employee hired since April 1, 1992, shall be entitled to a pro-rata adjustment to their remuneration to the date of their employment. The Hospital shall be responsible to contact those nurses who have terminated their employment since April 1, 1994, in writing, at their last known addresses, to advise them of their entitlement to any retroactive adjustment by December 28, 1994. Such employees shall have a period of thirty (30) days after the mailing of the notice in which to claim such an adjustment and not thereafter.

19.02

A Graduate Nurse in the employ of the Hospital upon presenting proof of current certification by the College of Nurses of Ontario shall be given the salary of the Registered Staff Nurse **as** provided **in** this Article

effective the date the nurse presents proof of successfully passing the certification examination to the Director of Nursing or her designate, or to the date of last hire whichever is later.

19.03 A nurse is required to present to the Director of Nursing or designate on or before February 15th of each year evidence that her or his Certificate of Registration is in good standing and currently in effect. Such time will be extended for reasons where the College of Nurses of Ontario permits the nurse's Certificate of Registration to remain in effect. If the nurse's Certificate of Registration is suspended by the College of Nurses of Ontario for non-payment of the annual fee, the nurse will be placed on non-disciplinary suspension without pay. If the nurse presents evidence that her or his Certificate of Registration has been reinstated, she or he shall be reinstated to her or his position effective upon presenting such evidence. Failure to provide evidence within 90 calendar days of the nurse being placed on non-disciplinary suspension by the hospital will result in the nurse being deemed to be no longer qualified and the nurse shall be terminated from the employ of the Hospital. Such termination shall not be the subject of a grievance or arbitration.

19.04 (a) A full-time nurse and/or a regular part-time nurse who is promoted to a higher rated classification within the bargaining unit will be placed on the level of the salary schedule of the higher rated classification so that she shall receive no less an increase in salary than the equivalent of one step in the **salary** range of the previous classification (provided that it does not exceed the salary range of the classification to which she has been promoted) and she shall retain her service review date for purposes of wage progression. For the purpose of this Article, promotion shall be defined as a move from one classification to another classification with a higher salary grid and shall not include a change of status from Graduate to Registered Nurse. A nurse who is moved to a lower rated classification will be placed at the level on the grid, if any, which most closely recognizes her experience level on the other grid.

(b) Where the Hospital temporarily assigns a Registered Staff Nurse to carry out the assigned responsibilities of a higher classification (whether or not such classification is included in the bargaining unit) for a period of one (1) full tour or more, at times when the incumbent in any such classification would otherwise be working, she shall be paid a premium of one dollar and twenty cents (\$1.20) per hour for such duty in addition to her regular salary. The Hospital agrees that it will not make work assignments which will violate the purpose and intent of this provision.

- (c) Graduate Nurses who become Registered Nurses shall be placed on the level in the Registered Nurse' salary grid which represents an increase in salary.
- (d) Group, Unit or Team Leader

Whenever a nurse is assigned additional responsibility to direct, supervise or oversee work of nurses, and/or be assigned overall responsibility for patient care on the unit, ward, or area for a tour of duty, she shall be paid a premium allowance of sixty cents (\$.60) per hour in addition to her regular salary and applicable premium.

19.05

Recognition of Previous Experience:

- (a) Claim for recent related clinical experience, if any, shall be made in writing by the nurse at the time of hiring on the application for employment form or otherwise. The nurse shall co-operate with the Hospital by providing verification of previous experience so that her recent related clinical experience may be determined and evaluated during her probationary period. Having established the recent related clinical experience, the Hospital will credit a new nurse with one (1) annual service increment for each year of experience up to a maximum of Level 6 (i.e. 5th year increment).

If a period of more than two (2) years has elapsed since the nurse has occupied a full-time or part-time nursing position, then the number of increments to be paid, if any, shall be at the discretion of the Hospital. The Hospital may **also** give effect to part-time nursing experience in special circumstances.

- (b) Where a casual nurse hired between October 1, 1987 and March 31, 1988 transfers to full-time and/or regular part-time, she may make a claim under (a) above at the time of the transfer, provided the transfer occurs within six (6) months of the nurse's date of hire.

19.06

- (a) Each full-time nurse will be advanced from her present level to the next bevel set out in the Salary Schedule, twelve (12) months after she was last advanced on her service review date. If a nurse's absence without pay from the Hospital exceeds thirty (30) continuous calendar days during such twelve (12) month period, her service review date will be extended by the length of such absence in excess of thirty (30) continuous calendar days.
- (b) Each regular part-time nurse will be advanced from her present level on the salary schedule to the next level on the Salary Schedule, after obtaining

one (1) year's service credit calculated in accordance with the provisions of Article 10.03.

- (c) A casual part-time nurse whose status is altered to regular part-time, or vice versa, will assume her same level on the grid. In addition, a nurse who is so transferred will be given credit for service accumulated since the date of last advancement.
- (d) Effective January 1, 1989, casual nurses will be placed on the salary grid in accordance with their service, such service to be calculated in accordance with the seniority calculation set out in Article 10.02. Casual part-time nurses will advance on the salary grid in the same manner **as** regular part-time nurses.

19.07 A part-time nurse whose status is altered to full-time will assume her same level on the full-time grid. A full-time nurse whose status is altered to part-time will assume her same level on the part-time grid. In addition, a nurse who is so transferred will be given credit for service accumulated since the date of her last advancement.

19.08 (a) When a new classification in the bargaining unit is established by the Hospital or the Hospital makes a substantial change in the job content of an existing classification which in reality causes such classification to become a new classification, the Hospital shall advise the Association of such new or changed classification and the rate of pay established. If requested, the Hospital agrees to meet with the Association to permit it to make representations with respect to the appropriate rate of pay providing any such meeting shall not delay the implementation of the new classification. Where the Association challenges the rate established by the Hospital and the matter is not resolved following any meeting with the Association, a grievance may be filed at Step No. 3 of the Grievance Procedure within seven (7) calendar days following any meeting. If the matter is not resolved in the Grievance Procedure, it may be referred to Arbitration in accordance with Article 7, it being understood that any Arbitration Board shall be limited to establishing an appropriate rate based on the relationship existing amongst other nursing classifications within the Hospital and duties and responsibilities involved.

Any change in the rate established by the Hospital either through meetings with the Association or by a Board of Arbitration shall be made retroactive to the time at which the new or changed classification was first filled.

- (b) If a nurse becomes disabled with the result that she is unable to carry out the regular functions of her position, the Hospital may establish a special classification and salary with the hope of providing an opportunity for continued employment.

ARTICLE 20 - JOB SHARING

- 20.01 Job sharing is defined as an arrangement whereby two or more nurses share the hours of work of what would otherwise be one full-time position.

If the Hospital agrees to a job sharing arrangement, the introduction or discontinuance of such job sharing arrangements will be determined locally.

Once the Hospital has determined that a vacancy exists and has agreed to a job sharing arrangement, the vacancy or vacancies to be posted will be determined locally and will be filled in accordance with Article 10.06 of the Collective Agreement.

The nurses involved in a job sharing arrangement will be classified as regular part-time and will be covered by the provisions of the Collective Agreement.

ARTICLE 21 - SUPERIOR CONDITIONS

- 21.01 Unless existing benefits, rights, privileges, practices, terms or conditions of employment which may be considered to be superior to those contained herein are specifically retained by this Agreement, they shall be deemed not to continue in effect.

It is, however, hereby confirmed that where such references are made to existing Superior Conditions that they refer to conditions existing prior to date of certification.

- 21.02 The Association and the Participating Hospitals agree to establish a committee consisting of two (2) representatives of the Association and two (2) representatives of the Participating Hospitals to review the superior conditions appendices in each of the participating hospitals. This committee will report to their respective negotiating committees prior to the next round of central negotiations.

ARTICLE 22 - DURATION

- 22.01 This Agreement shall continue in effect until March 31, 1996 and shall remain in effect from year to year thereafter unless either party gives the other party written notice of termination or desire to amend the Agreement.

- 22.02** Notice that amendments are required or that either party desires to terminate this Agreement may only be given within a period of ninety (90) days prior to the expiration date of this Agreement or to any anniversary of such expiration date.
- 22.03** If notice of amendment or termination is given by either party, the other party agrees to meet for the purpose of negotiation within thirty (30) days after the giving of notice, if requested to do so.
- 22.04** Notwithstanding the foregoing provisions, in the event the parties to this Agreement agree to negotiate for its renewal through the process of central bargaining, the parties will meet to determine the procedures to be followed.

ARTICLE D - SCHEDULING (7.5 Hour Tours)

D.a The Hospital will endeavour to maintain and achieve the following objectives in the formation of working schedules for nurses working 7-1/2 hour tours.

- (a) For full-time and regular part-time nurses, the Hospital will continue with the concept of master schedules/rotation with schedules covering a period of six (6) weeks, being posted at least two (2) weeks in advance.
- (b) Request for change in posted time schedules must be submitted in writing and co-signed by the nurse willing to exchange days off or tour of duty. Any such changes approved by the Hospital shall not result in any overtime payment or premium payment to any of the nurses affected by such change. Such approval shall not be unreasonably withheld. The foregoing shall apply notwithstanding any other provision in the Collective Agreement.
- (c) For full-time and regular part-time nurses, requests for specific days off shall be submitted in writing at least four (4) weeks in advance of the posting of the schedule.
- (d) Nurses will not be scheduled to work more than seven (7) consecutive days, to be followed by at least a minimum of two (2) consecutive days off. In the event a nurse is scheduled to work more than seven consecutive days, she shall be paid the overtime premium as set out in Article 14, for each additional shift until she receives two (2) consecutive days off.
- (e) The Hospital will not schedule split shifts. At least sixteen (16) hours off shall be scheduled between shifts, and at least forty-eight (48) consecutive hours off shall be scheduled following the night shift.

A shorter period of time between changes of shift may be agreed upon by mutual consent.

This provision (D.1 (e)) is applicable to full-time and regular part-time nurses.

- (f) A full-time nurse as well as a regular part-time nurse may not be required to change tours of duty more than once during a work week.

- (g) The Hospital will attempt to schedule full-time nurses and regular part-time nurses to rotate the two (2) tours of their preference. However, for the continuance of efficient operation, the Hospital reserves the right to assign a full-time nurse as well as a regular part-time nurse to a tour other than her preference, on a long term basis, following notification in writing to the nurse concerned.
- (h) The Hospital will provide at least every third weekend off.

If the nurse is required to work on a third and subsequent weekend, she will receive premium payment as defined in the Central Agreement, for all hours worked on that weekend and subsequent weekends until a weekend is scheduled off, save and except where:

- i) such weekend has been worked by the nurse to satisfy specific days off requested by such nurse; or
 - ii) such nurse has requested weekend work; or
 - iii) such weekend is worked as the result of an exchange of shifts with another nurse.
- (i) Nurses presently employed on the evening or night tours on a permanent basis will not be rotated except by mutual consent.

Notwithstanding the above, each nurse on a permanent shift may be required to do a tour of duty on days, for in-service requirements and evaluation, every six (6) months not to exceed three (3) weeks in each six (6) month period.

The three (3) week period in each six (6) months shall be scheduled upon mutual agreement between the nurse and her immediate supervisor.

Nurses presently working the day shift on a permanent basis shall not be permanently assigned to other shifts unless there has been a full discussion of the reasons for the change with the nurses affected and the Association and a subsequent reaffirmation of the decision to change, accompanied by the giving of six weeks' notice to the affected nurses.

- (j) A weekend is defined as being fifty-six (56) consecutive hours off work during the period commencing 1530 hours Friday and ending at 0730 hours the following Monday.

- (k) The Hospital will schedule a full-time nurse as well as a regular part-time nurse off work for not less than five (5) consecutive days at either Christmas or New Year's season, unless the nurse requests otherwise, except in areas which are not normally required to work on weekends and statutory holidays. The scheduling objectives set out in this Article D will be waived to accommodate this special arrangement between December 15th and January 15th. For the purpose of this schedule, Christmas shall be defined as including December 24, 25 and 26, and New Year's shall be defined as including December 31 and January 1.

The Hospital will post schedules indicating time off for Christmas and New Year's, no later than November 15.

- (m) The Hospital will equitably distribute shift work amongst full-time nurses in a unit working the same shift rotation.
- (n) Unless otherwise mutually agreed, there will be an equitable distribution of standby duty with the option to exchange, subject to approval by the Supervisor in the area concerned. Such approval shall not be unreasonably withheld. Standby duty will be posted at least two (2) weeks in advance and will cover six (6) weeks. This provision (D.1 (n)) is applicable to full-time and regular part-time nurses.
- (o) Nurses presently working the day shift on a permanent basis in Ambulatory Care and the Operating Room with every weekend off shall not be assigned to regularly scheduled weekend work unless there has been a full discussion of the reasons for the change with the nurses affected and the Association and a subsequent reaffirmation of the decision to change accompanied by the giving of **six weeks'** notice to the affected nurses.

- (r) All regular part-time nurses will be scheduled up to their committed hours on their unit, before casual nurses are utilized on that unit.

Where all regular part-time nurses have been given an opportunity to work up to their committed hours and extra hours become available, reasonable efforts will be made to fill these requirements by offering this work to regular part-time nurses on that unit who have made themselves available to the Hospital for additional work; provided that no nurse exceed full-time hours as a result of being offered such extra hours. These offers of such tours would be made on the basis of seniority.

Where regular part-time nurses have been given the opportunity to work available hours beyond their committed hours, remaining available hours will be offered to casual nurses on an equitable basis.

- (h) All regular part-time nurses will be scheduled up to their committed hours on their unit, before casual nurses are utilized on that unit.

Where all regular part-time nurses have been given an opportunity to work up to their committed hours and extra hours become available, reasonable efforts will be made to fill these requirements by offering this work to regular part-time nurses on that unit who have made themselves available to the Hospital for additional work; provided that no nurse exceed full-time hours as a result of being offered such extra hours. These offers of such tours would be made on the basis of seniority.

Where regular part-time nurses have been given the opportunity to work available hours beyond their committed hours, remaining available hours will be offered to casual nurses on an equitable basis.

E.2 The Hospital will provide at least every second weekend off.

If the nurse is required to work on a second consecutive and subsequent weekend, she will receive premium payment **as** defined in Article 14.03 of this agreement, for all hours worked on that weekend and subsequent weekends, until the weekend is scheduled off, save and except where:

Any such changes approved by the Hospital will not result in any overtime payment or premium payment to any of the nurses affected by such change. Such approval shall not be unreasonably withheld. The foregoing shall apply notwithstanding any other provision in the Collective Agreement.

Requests, by full-time nurses **as** well as regular part-time nurses for specific days off shall be submitted in writing at least four weeks in advance of the posting of the schedule.

E.4 The Hospital will schedule a full-time nurse as well as a regular part-time nurse off work for not less than five **(5)** consecutive days at either Christmas or New Year's season, unless the nurse requests otherwise, except in areas which are not normally required to work on weekends and statutory holidays. APPENDIX A - Job Sharing

If the Hospital agrees to a job sharing arrangement pursuant to Article 20.01 of the Central Agreement, the following conditions shall apply unless otherwise agreed to by the parties:

1. Job Sharing requests with regard to full-time positions shall be considered on an individual basis.
2. Total hours worked by the job sharer shall equal one (1) full-time position. The division of these hours on the schedule shall be determined by mutual agreement between the two (2) nurses and the Head Nurse of the Unit.
3. The above schedule shall conform with the scheduling provisions of the Collective Agreement.
4. Each job sharer may exchange shifts with her partner, as well as with other nurses as provided by the Collective Agreement.
5. The job sharers involved will have the right to determine which partner works on a scheduled paid holiday and job sharers shall only be required to work the number of paid holidays that a full-time nurse would be required to work.

6. Coverage

- (a) It is expected that both job sharers will cover each other's incidental illnesses. If, because of unavoidable circumstances, one cannot cover the other, the unit supervisor must be notified to book coverage. Job sharers are not required to cover for their partner in the case of prolonged or extended absences.

- (b) Vacation, Maternity Leave, and other leaves pursuant to Article 11 of the Collective Agreement:

In the event that one member of the job sharing arrangement goes on any of the above leaves of absence, the coverage will be negotiated with the unit supervisor, but it is hoped that the remaining member of the position would be prepared to cover the leave of absence as much as possible.

7. Implementation

Where the job sharing arrangement arises out of the filling of a vacant full-time position, both job sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.

8. An incumbent full-time nurse wishing to share her position, may do so without having her half of the position posted. The other half of the job sharing position will be posted and

selection will be made on the basis of the criteria set out in the Collective Agreement.

9. If one of the job sharers leaves the arrangement, her position will be posted. If there is no successful applicant to the position, the shared position must revert to a full-time position. The remaining nurse will have the option of continuing the full-time position or reverting to a part-time position for which she is qualified. If she does not continue full-time, the position must be posted in accordance with the Agreement.

12. Discontinuation

Either party may discontinue the job 'sharing arrangement with ninety (90) days' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days or a mutually agreeable time in order to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.
