

THIS AGREEMENT entered into on September 6, 2001.

Between

NEW DOMINION STORES, a division of
The Great Atlantic & Pacific Company of Canada, Limited

hereinafter called "The Company"

and

NORTHERN ONTARIO JOINT COUNCIL OF THE RETAIL,
WHOLESALE AND DEPARTMENT STORE UNION,
DISTRICT COUNCIL OF THE UNITED FOOD AND
COMMERCIAL WORKERS INTERNATIONAL UNION.

hereinafter called "The Union" for and on behalf of all employees of New Dominion Stores, a division of The Great Atlantic & Pacific Company of Canada, Limited in its retail stores, as set out below, save and except Store Managers, Assistant Store Managers, and persons above the rank of Assistant Store Manager in the municipalities of Parry Sound, Bracebridge, Huntsville, Gravenhurst, Timmins, North Bay, Sudbury, Sault Ste. Marie, New Liskeard, Kapuskasing, Espanola, Blind River, Wawa, Chapleau, and Sturgeon Falls, Ontario.

For clarity purposes, the bargaining unit shall include those A & P stores formerly operated as New Dominion Stores at the following street addresses: Valley Plaza, Hwy. #69, Hanmer; 400 Notre Dame Ave., Sudbury; 150 Churchill Blvd., Sault Ste. Marie; 248 Northern Ave., Sault Ste. Marie; 293 Bay St., Sault Ste. Marie; 390 Lakeshore Dr., North Bay; 1901 Cassells St., North Bay; 1500 Riverside Dr., Timmins; 19 Main St., Huntsville; Hwy. #118 West, Bracebridge; 15 William St., Parry Sound; Hwy. #11B and #65, New Liskeard.

Should the Company open stores within the townships set out in Appendix "D" the Company will recognize the Union as the bargaining agent and such stores will be covered by this Agreement. In the event that another union is the bargaining agent for one of the Company's stores in a township adjacent to those set out in the above mentioned Appendix, the matter of recognition will be decided by the Ontario Labour Relations Board.

Where a Regional Municipality is created and the Union has a certification in one of the areas incorporated, the Company will recognize the Union in the entire Regional Municipality provided no other Union has a certification in one of the areas incorporated. In the latter case, the Regional Municipality would be divided between the two Unions involved, or decided by the Ontario Labour Relations Board.

The purpose and the intent of this Agreement is to promote co-operation and harmony, to recognize mutual interests, to provide a channel through which information and problems may be transmitted from one to the other, to formulate rules to govern the relationship between the Union and the Company, to promote efficiency and service, as well as to cover wages, hours, and working conditions. It is further agreed that the development of the proper relationship can only be achieved and maintained by a reasonable and sensible approach to the problem, at the same time recognizing that the best possible working conditions are the objective of both parties, but also realizing that the thinking in the matter must, in an overall way, be properly related to competitors and to local conditions.

0 99 4 7(03)

The conditions of work and benefits of part-time employees shall be only as outlined in Appendix "C".

Witnesseth: That the parties hereto agree as follows:

1. DURATION OF AGREEMENT

- 1.01 This Agreement shall become effective on the 6th day of September, 2001 and shall remain in effect until the 9th day of July, 2005 and thereafter until terminated or amended as hereinafter provided.
- 1.02 If either party desires to terminate or amend this Agreement on the 9th day of July, 2005, it shall give to the other party not more than one hundred and twenty (120) and not less than sixty (60) days' notice in writing of such intention prior to that date. Any proposed amendments will be exchanged at least sixty (60) days prior to termination date and negotiations will commence not later than thirty (30) days following exchange of proposed amendments or at such time as is mutually agreed upon by the parties following the exchange of proposals.
- 1.03 If such notice is not given, this Agreement shall continue in force from year to year, thereafter, until terminated or amended as set out above by either party.

2. SENIORITY

- 2.01 (a) Seniority is the principle of granting preference to full-time employees in matters of promotion, demotions due to staff reduction, layoff, and recall after layoff in accordance with length of continuous employment provided the senior employee has the necessary ability to perform the normal requirements of the job in a competent manner.
- (b) Seniority shall be exercised within the seniority areas, unless a specific clause states otherwise, as set out in Appendix D and in accordance with Article 2.08.
- (c) In the event that two (2) or more employees are credited with the same seniority date under Article 2.15, the senior employee shall be deemed to be the one with the greatest continuous service.

2.02 BARGAINING UNIT SENIORITY

With regard to promotions, layoffs, recall after layoff, and choice of vacation dates, seniority shall be based upon length of continuous employment in the bargaining unit, provided:

- (a) Persons who were previously employed within the bargaining unit, or the area presently covered by the bargaining unit, may return to positions within the bargaining unit with seniority for the purposes of this clause based on their length of service in the bargaining unit provided they do not return to a position higher than the one previously held and further provided that no bargaining unit member is demoted or laid off.
- (b) Employees from outside the bargaining unit may be transferred into the bargaining unit to fill a specific position with seniority for the purposes of this clause based on their starting date with the Company where the Company is unable to fill the position with an employee in the bargaining unit. In such case the employee will not exercise his seniority for a period of one (1) year.

- (c) It is agreed that employees transferred into the bargaining unit prior to September 25th, 1972 will have bargaining unit seniority equal to their Company seniority.
- (d) Articles 2.02 (a) and (b) above are restricted to employees in Management positions with the Company.

2.03 COMPANY SENIORITY

Other than as set out in Article 2.02 above, seniority shall be based on length of continuous employment with the Company.

- 2.04 Seniority shall be effective only after an employee has completed a probationary period of thirty (30) days worked. Seniority shall be computed from date of most recent full-time employment, except for part-time employees hired full-time who may be eligible for seniority credit as set out in Article 2.15.
- 2.05 Seniority shall be considered broken and services terminated if an employee:
 - (a) is duly discharged by the Company;
 - (b) voluntarily quits or resigns;
 - (c) has been laid off continuously for a maximum period of eighteen (18) months, but in no case to exceed his bargaining unit seniority at the time of his layoff or if he is called back to work by registered mail during the recall period and does not return to employment within two (2) weeks of the receipt of such notice;
 - (d) is absent from work for a period in excess of three (3) scheduled working days without a written leave of absence unless a reason satisfactory to management is given by the employee. Provable sickness or provable inability to communicate with the Company shall be considered a satisfactory reason. It is understood and agreed that this Article does not permit or sanction absences of three (3) days or less without reasons satisfactory to management or beyond the control of the employee;
 - (e) fails to return to work on the completion of an authorized leave of absence unless a reason satisfactory to management is given by the employee. Provable sickness or provable inability to communicate with the Company shall be considered a satisfactory reason.
- 2.06 Seniority lists shall be prepared by seniority area and posted on the bulletin board of each store semi-annually, with a copy to the District Union Office. The Company shall supply the Area Union Offices on a quarterly basis with a list which shows the employees' names, addresses and telephone numbers currently on file, as well as store number and full-time/part-time status.
- 2.07 In filling vacancies and new positions, the Company will recognize the principle of seniority where the senior employee has the ability and qualifications to perform the job in a competent manner.
- 2.08 In matters of staff reductions, reduction of a full-time employee to a part-time employee as provided for in Clause (g) and (h) below, and recall from layoff, the principle of seniority shall be recognized by the Company, provided the senior employee has the ability and qualifications to do the job in a competent

manner. Where staff reductions result in demotions and/or layoffs and in matters of recall, the procedure set out below will be followed:

- (a) Probationary employees in the surplus classifications will be terminated first, and in reverse order of date of hire. If previously employed on a part-time basis, the employee will have the option of returning to his former part-time position; his part-time starting date will be restored and his name will be reinstated on the list of part-time employees desiring full-time employment at his original application date.
- (b) Employees not classified by volume (Clerk "A", Clerk "B", Clerk "A" Best for Less and Thrift, Clerk "B" Best for Less and Thrift, Meat Cutter, Journeyman Baker, Store Porter, Decorator, Chief Clerk) provided they are able and available to perform the job in a competent manner and do not bump an employee with greater seniority will, as set out below:
 - (i) Bump the most junior employee in their classification.
 - (ii) If the employee chooses not to bump the most junior employee in his classification, or is in fact the most junior employee in his classification, then he will have the right, as set out below, to bump the most junior employee in any other position not classified by volume which he is able and available to perform in a competent manner. All employees so bumped will have a similar option. All such options will be exercised first within the municipality, then within the sub seniority area and finally within the overall seniority area as defined in Appendix "D". If the employee chooses not to bump, or is in fact the most junior employee, then he will be laid off as per this Article with recall rights as per Article 2.05 (c) and such employee could exercise his option under Article 2.08 (g) below to work on a part-time basis.
- (c) An employee classified by volume will have the option of bumping the most junior employee in his classification, as set out below, provided he is able and available to perform the job in a competent manner, or another position classified by volume, as set out below, provided he is able and available to perform the job in a competent manner, in the municipality, sub-seniority area, or the overall seniority area, provided he has greater seniority.

If an employee, bumped as set out above from the higher of the two classifications set out below, chooses not to accept the position classified by volume available to him, or is in fact the most junior employee in his classification, then he will have the right to bump the most junior employee in the lower of the two (2) classifications set out below provided he has the qualifications to perform the job in a competent manner.

For the purpose of bumping, two (2) volume classifications will be recognized, based on weekly total store volume, as follows:

Class 1: 0 - 225,525

Class 2: over 225,525

Seniority for the purpose of bumping employees classified by volume will be based upon length of continuous service in the position to be bumped.

Employees in classified positions who have been demoted to a lower volume for just cause will be ineligible to exercise any bump resulting in a position with a volume higher than the one from which he is displaced.

If any employee bumped as set out above, chooses not to accept the position classified by volume available to him, or is in fact the most junior employee in his classification, then depending upon his qualifications to perform the job in a competent manner, he would bump the most junior employee as set out in (b) (ii) above in one of the following classifications: Chief Clerk, Meat Cutter, Journeyman

Baker, Clerk "A", Clerk "B", Clerk "A" Thrift and Best for Less, Clerk "B" Thrift and Best for Less, Decorator, Store Porter.

For the purposes of this clause, employees classified by volume shall include Grocery Manager, Meat Manager, Produce Manager, Bakery Manager, Head Cashier, Bookkeeper, and Deli Manager

- (d) The Company will provide employees affected by layoff with their options under the collective agreement in the presence of union representation, as in Article 7.13. Employees will be given up to seventy two (72) hours to make such election.
- (e) An active list of laid-off employees listing their seniority, date of layoff, store and classification will be posted once a month in each store with a copy forwarded to the District Union Office.
- (f) Except in cases of temporary layoff due to fires, floods, strikes, lockouts and similar occurrences beyond the control of the Company, when an employee who has completed his probationary period is laid off through no fault of his own he shall receive notice in advance of lay-off or pay in lieu thereof in accordance with the provisions of the Employment Standards Act.

In either case, the employee will be informed of his layoff in writing on a form provided by the Company, a copy of which will be forwarded to the Union Office. When such notice is given, the Union will be represented as set out in Article 7.13 of this Agreement and the Union Representative shall sign the Layoff Notice as witness of his presence.

- (g) If a regular full-time employee in any store is laid off due to lack of work, and if part-time work is available in his store or a neighbouring store, then for a period of one (1) year from his date of layoff, if the employee so requests he shall be given preference to work such part-time work, up to thirty-seven (37) hours per week, if he is qualified to perform the work, at a rate not less than his regular rate of pay if the work is in his classification. If the work is in another classification he shall receive the full-time rate of pay for that classification commensurate with his seniority. This clause shall only apply to an employee who either was full-time, or was on lay-off from full-time with recall rights, on August 21, 1994.
- (h) A full-time employee reduced to part-time because of layoff or demotion, who has been on layoff for twelve (12) months, shall be credited with his full original seniority on the Part-Time Seniority List, except that such laid-off full-time employee hired after August 21, 1994 shall be credited with such seniority credit immediately upon lay-off. When the employee's recall rights expire in accordance with Article 2.05 (c), he shall be reinstated to his former position on the Part-Time to Full-Time Application List, with his original date of application, or full-time start date, if there is no application on file.
- (i) The Company agrees that full-time employees with a seniority date on or before June 21, 1984 will not be laid off except for the following reasons:
 - (a) department or store closing
 - (b) reduction in business.

In the event that any of the above exceptions result in a surplus of full-time employees with a seniority date prior to June 21, 1984 the Company agrees to meet with the Union to discuss the possibilities of alternate employment for such employees prior to layoff notices being issued.

2.09 RECALL PROCEDURE

- (a) When a vacancy occurs that would create a recall, the Company will recall by seniority employees in the seniority area where the vacancy exists, provided the employee is capable of performing the job in a competent manner. If the senior employee refuses the job it will be offered to the next most senior employee and so on until the vacancy has been filled or all employees on layoff in the seniority area have refused. The refusal of an employee on layoff to accept a recall to a sub-seniority area other than his original sub-seniority area shall not be grounds for termination as set out in Article 2.05 (c).

- (b) If a vacancy occurs in a volume classified position and store within thirteen (13) weeks after a reduction, the former incumbent **so** displaced, regardless of present status, will be entitled to return to his former position at his option.
- (c) Any employee not classified by volume, who is demoted, bumped, or laid-off, shall be given first opportunity to be returned to his former classification and/or store in order of seniority when a vacancy occurs and the ensuing vacancy will be filled in accordance with (a) above.
- (d) Recall rights under this Clause shall supersede all other relevant clauses of this Agreement dealing with the filling of vacancies.

2.10 PREFERENCE FOR RELIEF ASSIGNMENTS

During periods in which employees are displaced (bumped) as a result of layoffs or any employees are actually on layoff with recall rights, the following procedures will apply for relief assignments:

- (a) Relief assignments are defined as temporary vacancies caused by vacation, sickness, leaves of absence or accident/injury in the regular full-time staff, which the Company decides to replace with an employee other than another regular full-time employee. To qualify as a relief assignment, the temporary vacancy must be a minimum of a normally scheduled full work week for a full-time employee.
- (b) In filling relief assignments as defined above, the most senior displaced employee in the department in the store in which the vacancy occurs, and who is qualified to do the work in a competent manner, will be offered the assignment. In the event there are no displaced employees available in the department, then the most senior displaced employee in the store qualified to do the work in a competent manner, will be offered the assignment. In the event there is no displaced employee in the store available for the relief assignment, then the most senior employee on layoff with recall rights in the District Manager's territory qualified to do the work in a competent manner will be offered the assignment.
- (c) Employees who fill assignments, as defined above, will be temporarily recalled to full-time status with the benefits outlined below. At the end of the relief period, the employee will be returned to part-time status and continue to work out the recall period, which will not be altered as a result of the relief assignments. In the event an assignment exceeds the time limits outlined in Appendix "C", Article 10.09 (b), the position will be filled in accordance with Article 2.09.
 - (i) O.H.I.P. For each week of relief as defined above, he will be paid the cash equivalent to the cost of coverage for that employee for that week, provided he was required to pay O.H.I.P. premiums.
 - (ii) Vacation Pay For each week of relief as defined above, he will be paid according to the following formula:

2% times the number of eligible weeks for that employee times his gross pay for that week.
 - (iii) Christmas Bonus A laid off employee with recall rights will be paid a Christmas bonus which is the greater of:
 - (a) A bonus prorated on the total number of weeks he works in relief in the year.
 - (b) The applicable part-time bonus as outlined in Appendix "C".

2.11 When a full-time employee is reduced to part-time status, the Company will recognize his original continuous starting date in regard to his part-time employment.

2.12 Members of the Negotiating Committee and Union Officers who are employees of the Company will be retained in their municipality during their respective terms of office, notwithstanding their position on the Seniority List, so long as the Company has work available which they are qualified to perform and their conduct conforms with the ordinary requirements of the Company.

The Union will inform the Company in writing of the appointment or election of any employee to, or the removal of any employee from, these offices or committee and this benefit will apply only to those employees of whom the ~~Company~~ has been so informed.

2.13 There shall be no coercion, intimidation, restraint, penalty, or discrimination against any employee by reason of his membership or activities, or lack of activities, on behalf of the Union or because of race, sex, age, colour, marital status, citizenship, political, or religious affiliation. It is agreed that the retirement of an employee at normal retirement age, or earlier if he exercises such option, shall not be a violation of this clause or the Ontario Human Rights Code.

2.14 In time of war, seniority shall not be broken by reason of active service in the Canadian or Allied Armed Forces agreed upon by the Union and the Company.

2.15 Following successful completion of the full-time probationary period, a part-time employee who is hired full-time will be credited with fifty (50) percent of his part-time service up to a maximum of one ~~(1)~~ year. This credit will apply to matters of layoff, promotion, vacation, and rates of pay; however, the normal waiting period will apply to Group Insurance, Absence from Work Pay, O.H.I.P., and other fringe benefits.

2.16 Applications for training will be available to the employees upon request, and may be submitted to the District Manager at any time. Should the Company decide to train a full-time employee within a store to perform the duties of a different job classification, or in a different area of experience within a job classification (namely, cash, meat wrapping, deli, bakery, snack bar, produce, grocery, seafood), it shall assign such training to the senior employee of the store concerned who has an application on file specific to the classification or area of experience being trained, providing the applicant has the qualifications and ability to warrant the training. Such application will be valid for a one ~~(1)~~ year period. Nothing in this Article shall be construed to circumvent the provisions of Article 3 - Promotions.

3. PROMOTIONS

3.01 APPLICATION FOR PROMOTION

Applications for promotion to the positions classified or appointed by volume covered by this Agreement will be made available to all employees (including present Department Managers, Head Cashiers and Bookkeepers who desire promotion to higher volume stores). Applications will be made in triplicate to the

Manager, Industrial Relations on a form supplied by the Company. The second copy will be returned to the employee signed by the Manager, Industrial Relations as acknowledgement of the application. The third copy will be sent to the District Union Office.

Within thirty (30) days of receipt of the application, Management will discuss with the employee his application for promotion, and will bring to the employee's attention any shortcomings which may affect his opportunities for advancement. The Company may post a bulletin soliciting applications at any time. The Company will forward to the District Union Office, on a quarterly basis, a listing of all valid applications on file by classification and in order of date of application.

In making promotions, the Company will select employees from among those who have valid applications on file at least **two (2)** weeks before the promotion becomes effective, in accordance with Article 2.07.

3.02 PROMOTION OF EMPLOYEES

The Company will post an Announcement of Promotions of members of the bargaining unit who have been promoted to positions appointed or classified by volume within the seniority area on the stores' bulletin boards, a copy of which will be forwarded to the District Union Office.

Such notices will be made each week covering promotions made during the previous week and will include the length of service of the promoted employee.

Any grievance filed with reference to a promotion must be filed at Step Two (2) of the Grievance Procedure within seven (7) working days of the posting of the announcement of such promotion. The same procedure shall be followed in the matter of New Jobs (Article 9). Grievances regarding promotion to the positions set out in Article 3.01 above may only be filed by employees who have valid applications on file for such positions.

- 3.03 In the event a successful grievance is filed regarding a promotion as set out above, the employee originally promoted to the disputed position, and those who were promoted due to his promotion will be moved back to their former positions and classifications.

4. LEAVE OF ABSENCE FOR REGULAR FULL-TIME EMPLOYEES

- 4.01 All requests for personal leave of absence of three (3) working days or less shall be made verbally to the Store Manager. If granted, permission will be given in writing to the employee concerned by the Store Manager.
- 4.02 All requests for personal leave of absence of more than three (3) working days shall be made to the Personnel Manager in writing by the employee concerned and the letter shall indicate in full the reason for

requesting the leave of absence. Each request will be considered on its individual merit and the granting or refusal of all such requests for leave of absence shall be made by the Personnel Manager in writing to the employee concerned with a copy to the Union Office within fourteen (14) days. Where the request is refused, the letter will state the reason for the refusal.

4.03 If an employee is elected to an office in the Union and the performance of such office requires leave of absence, such leave of absence (up to a maximum of twelve (12) months) without pay or other benefits shall be arranged between the Union, the employee, and the Company. Except in cases of emergency, beyond the control of the Union, the Union agrees to notify in writing the Manager, Industrial Relations at least thirty (30) days in advance that such leave of absence is requested. Leave of absence, if arranged, shall state the length of time the employee may be absent (up to a maximum of twelve (12) months).

4.04 If an employee is elected a delegate of the Union to a Union Convention, Seminar, or Educational Conference, and such attendance requires leave of absence, such leave of absence, without pay, shall be arranged by mutual agreement between the Union, the employee, and the Company. Except in cases of emergency, beyond the control of the Union, the Union agrees to notify in writing the Manager, Industrial Relations at least fifteen (15) days in advance that such leave of absence is requested.

Leave of absence, if arranged, shall state the length of time the employee may be absent and such absence shall not exceed three (3) weeks. If the leave of absence is for less than one (1) full week, the employee's day off that week will be scheduled for a day other than those days included in the leave of absence.

For all leaves of absence granted under this Article for Seminars or Educational Conferences, the Union will pay the Company the cost of maintaining all employee benefits during the leave of absence. For the term of this Agreement payment will be calculated at \$3.16 per hour.

4.05 An employee granted leave of absence as outlined above in subsections 4.01, 4.02, 4.03, 4.04 shall be restored without loss of seniority to his former position or to a similar position at the then prevailing wage rate at the expiration of his leave of absence. This provision becomes void, however, if the absence exceeds the period granted.

4.06 PREGNANCY/PARENTAL LEAVE OF ABSENCE

(a) A female employee will be granted a pregnancy leave of absence provided:

- (1) She makes application in writing to the Personnel Manager at least two (2) weeks prior to the intended commencement of the leave of absence.
- (2) She files a certificate from a qualified medical Doctor specifying the expected date of delivery.

- (3) She has at least thirteen (13) weeks of continuous service with the Company at the commencement of the leave of absence. The leave of absence will be for a total of up to seventeen (17) weeks, and should the employee fail to return to work by the expiry date she will be deemed to have voluntarily terminated her employment with the Company. The employee will give two (2) weeks' notice in writing to the Personnel Manager of her intention to return to work, however, in no case will an employee return during the six (6) weeks immediately following the delivery of the child.
- (b) In the event of a miscarriage, the leave of absence will terminate six (6) weeks from the date of the miscarriage and failure to return to work by the expiry date will be deemed as voluntary termination of her employment. Within the six (6) week period referred to above the employee will be allowed to return to work one (1) week following the presentation of a satisfactory certificate from her doctor.
- (c) In cases of complications, certified in writing by the employee's doctor, the leave of absence will be extended while the complications continue but in no case for more than an additional three (3) months.
- (d) Pregnancy leave of absence will be without pay. However, the Employment Standards Act provides that certain benefit plans provided to employees under this Collective Agreement shall be continued during the period of the Pregnancy/Parental leave of absence, providing the employee was eligible prior to the commencement of the leave of absence, and unless the employee gives notice that she does not intend to make employee contributions if such exist.
- (e) In addition to Article 4.06 (a), (b), (c) and (d), an employee shall be entitled to up to thirty-five (35) weeks (37 weeks if pregnancy leave is not taken) of unpaid parental leave of absence, providing he or she has been employed for a minimum of thirteen (13) weeks with the Company immediately preceding the birth of the child or a parent's commencement of having custody, care or control of a child for the first time of such event. Such leave must commence within fifty-two (52) weeks of birth or custody, and if the employee has taken a pregnancy leave, the parental leave must start when the pregnancy leave ends. Section (a) (1) above shall apply
- (f) Employees granted pregnancy leave of absence on or after August 25th, 1980, or parental leave, will accumulate seniority during any such leave of absence. Except in cases where it is not possible or practical, on being reinstated, employees will return to the position and store in which they were employed prior to the commencement of the leave of absence. They will receive the same salary they received at the commencement of the leave of absence, plus any general increase which may have been granted in the interim.

4.07 An employee with five (5) or more years' full-time continuous service who adopts a child will be granted a leave of absence without pay or other benefits not to exceed eight (8) weeks, provided she makes application in writing to the Personnel Manager at least two (2) weeks before the commencement of the desired leave of absence and presents satisfactory proof of adoption which requires a leave of absence. In cases where the adoption agency requires additional time off, the Parties will meet to discuss an extension of the leave of absence.

5. NO STRIKES OR LOCKOUTS

5.01 Should grievances arise between the Company and the Union or employee or employees as to the meaning and application of any provisions of this Agreement, or as to the compliance of either party with any of the provisions of this Agreement, it is agreed that during the life of this Agreement there shall be no

strikes, walkouts, pickets, boycotts, stoppages of work or lockouts. The settlement of any such grievance is to follow the procedure set out in Article 7, Adjustment of Grievances.

5.02 The Union reserves the right to refuse to handle goods from any firm engaged in a legal strike with the R.W.D.S.U. This right, however, does not apply to merchandise in the stores or warehouses of the Company at the commencement of a legal strike. The Union will give the Company reasonable notice if it decides to invoke this Clause.

6. NEGOTIATING COMMITTEE

6.01 It is agreed that the Negotiating Committee for this Agreement shall be composed of up to five (5) employees all of whom must have at least twelve (12) months' continuous service with the Company at the time of their appointment.

6.02 Members of the Negotiating Committee who are employees of the Company shall suffer no **loss** in pay for time spent during their normal working hours attending negotiating meetings with Company officials.

6.03 It is also agreed that during negotiations a Policy Committee of not more than eleven (11) employees, all of whom must have at least twelve (12) months' continuous service with the Company at the time of their appointment from the stores covered by this Agreement, will be allowed time off with pay to hold an occasional meeting on such negotiations.

7. ADJUSTMENT OF GRIEVANCES

7.01 COMMITTEES

The Company acknowledges the right of the Union to appoint or otherwise select a Grievance Committee of employees with at least twelve (12) months' continuous service to deal with grievances in each area covered by this Agreement as follows:

- (i) Sault Ste. Marie, Ont, - ~~two~~ (2) members.
- (ii) North Bay, Ont, - two (2) members.
- (iii) Bracebridge, Ont, - one ~~(1)~~ member.
- (iv) Parry Sound, Ont, - one (1) member.

Employees who are members of the Union Grievance Committee and any employee who files a grievance as set out below shall suffer no **loss** in pay for time spent during their normal working hours in grievance meetings arranged with Company officials (payment to a maximum of two (2) grievance committee members who attend an arbitration hearing, as identified by the Union).

Members of the Grievance Committee scheduled to work the night shift will not be required to commence work until ten (10) hours following the conclusion of a grievance meeting. His scheduled hours will not be altered and he will be paid for the scheduled hours that fall within the ten (10) hour period provided he reports for work following the ten (10) hour break. Members of the Grievance Committee will not be scheduled to work the night shift the week in which their unit has an arbitration hearing which they are scheduled to attend.

- 7.02 The Union agrees to notify the District Manager in each area of the employees selected to form the Grievance Committee and to keep him informed of any changes.
- 7.03 The Company will recognize and deal with such committee in each designated area with respect to any matter which properly arises from time to time in such area, during the term of this Agreement and the said committees will co-operate with the Company in the administration of this Agreement.

7.04 GRIEVANCE PROCEDURE: STEP ONE

It is the mutual desire of the parties hereto that legitimate complaints of employees shall be adjusted as quickly as possible.

If an employee has any complaint or question which he wishes to discuss with the Company, other than discharge as outlined in Article 10.02, which is not subject to grievance or arbitration, the employee, along with the Store Steward, shall discuss the matter with his Store Manager. If the complaint or question is not settled to the employee's satisfaction by the end of the following working day, the employee either along with or through his Union Steward, may file a grievance in writing concerning the matter with the Store Manager. Such grievance shall state the nature of the grievance, the clause or clauses alleged to have been violated and shall be signed by the employee. Such grievance must be delivered personally to the Store Manager by the Grievor or his Store Steward within seven (7) working days of the alleged occurrence said to have caused the grievance or the right to grieve shall be forfeited. Within three (3) working days of its presentation to the Store Manager, he shall give his reply in writing to the Grievor on the grievance form.

If the grievance is not settled to the satisfaction of the employee concerned within three (3) working days of its presentation to the Store Manager in writing, the grievance shall be turned over to the Grievance Committee and the Union Representative who shall determine if the grievance has merit before taking the matter to Step Two. In such case, it is agreed that no member of Management will discuss the grievance with the employee, nor will the employee discuss the grievance with any member of Management, without a union steward or representative being present.

7.05 GRIEVANCE PROCEDURE: STEP TWO

If the grievance has not been settled satisfactorily in Step One above, then within seven (7) working days from receiving the reply of the Manager in Step One the Grievance Committee shall give the District Manager or his appointee notice in writing of its desire to meet with him in order to settle the grievance and shall enclose a copy of the grievance in writing signed by the employee concerned.

The grievance to be discussed shall be itemized and shall state the clause or clauses of the Agreement, if any, alleged to have been violated. The District Manager or his appointee, who shall have full authority in the matter, shall acknowledge receipt of the notice of the meeting in writing and shall meet within seven (7) working days of such receipt of grievance. The District Manager shall give his reply in writing within seven (7) working days of the hearing of the grievance in Step Two.

7.06 ARBITRATION

If a complaint or grievance is not settled to the satisfaction of either party at Step Two, then within fifteen (15) working days following receipt of the written reply from Step Two either party (subject to Article 7.11) may request that the grievance or complaint be submitted to a board of three (3) arbitrators, one (1) to be selected by the Company, one (1) by the Union, and a third agreed upon by the other two (2) arbitrators. Such a request for arbitration shall be made by one party to the other in writing by registered mail within the period allowed in this Article and shall be accompanied by the nomination of an Arbitrator. Within one week after the receipt of such request the other party shall nominate an Arbitrator.

If the two arbitrators fail to agree on the third member of the Board within one week after their appointment, the Minister of Labour of the Provincial Government shall be asked to select a third member who shall be the Chairman. The Arbitration Board shall hear and determine the difference or allegation and shall issue a decision and the decision shall be final and binding upon the parties and upon any employee affected by it.

The decision of the majority is the decision of the arbitration board, but if there is no majority the decision of the Chairman shall govern. The cost of the Arbitrator appointed by the Company and the Union shall be borne by each party respectively, and the cost of the third member of the Arbitration Committee will be borne equally by the Company and the Union. This Arbitration Board shall not make decisions inconsistent with the provisions of this Agreement, nor alter, modify, or amend any part of this Agreement.

7.07 No matter may be submitted to arbitration which has not been properly processed according to the prescribed grievance procedure.

- 7.08 No person may be appointed to an Arbitration Board who has been involved in an attempt to negotiate a settlement of the grievance.
- 7.09 Notices required to be in writing shall be deemed to be properly given if given orally or by telephone and confirmed by letter postmarked no later than the final day for giving notice.
- 7.10 Any difference arising directly between the Company and the Union as to the interpretation, application, or administration of this Agreement may be submitted by either party to the other as set out below:
- (a) if the matter concerns a particular store, the Union through the Store Steward or the Business Agent, will process the matter through Step One of the grievance procedure (Article 7.04) in exactly the same manner as an individual employee grievance.
 - (b) if the matter concerns a number of stores or the general administration, application, or interpretation of the Agreement and, therefore, could not be resolved by an individual Store Manager, the Union may file a grievance at Step Two (Article 7.05).
 - (c) any grievance filed by the Company would be filed at Step Two (Article 7.05) with the International Representative responsible for the area with a copy to the Local Director.
- 7.11 Any grievance or complaint may be considered at a meeting between the Grievance Committee and the District Manager or his appointee; however, only grievances or complaints which arise through the interpretation or alleged violation of the provisions of this Agreement shall form the subject of arbitration.
- 7.12 Upon notification in writing from the Union, the Company agrees to recognize the appointed or elected representatives of the Union in each store who will be known as the Store Steward and the Substitute Store Steward. It is agreed that the Substitute Store Steward will function only when the regular Store Steward is absent. The Store Steward will not be transferred from one store to another except by mutual agreement between the employee and the Company, or where it is agreed between the Company and the Union that such a transfer should be made. The above restraint on transfer does not apply to Substitute Store Stewards, or in the case of staff reductions,
- 7.13 The Union Steward, or in his absence the Substitute Steward, or in his absence another union member in the store chosen by the employee concerned, shall be present when any member of the bargaining unit:
- (a) is accused of and questioned regarding a serious breach of conduct or suspected dishonesty,
 - (b) is given an official reprimand,
 - (c) is demoted, suspended, discharged, or laid off.

The Union Steward, or his substitute as set out above, will sign documentation for the company attesting to his presence at such meeting. In the event that the Union Steward or his substitute as set out above is

not present, the action taken by the Company will be null and void until such time as the employee is reformed of the matter in the presence of the Union Steward or his substitute.

An exception to the above is where it is necessary for the Company to inform an employee by mail of his discharge, suspension, demotion, or layoff. In such case, the notice will emanate from the Company, and in lieu of having the Union Steward present as set out above, a copy of the notice will be sent to the Union office by Registered Mail.

If the Company or its agents use a tape recorder at a meeting as set out in (a) (b) or (c) above, a second recorder will be used and a duplicate tape will be given to the union at the end of the meeting.

- 7.14 No Store Steward or member of a union committee shall leave his post of duty during his normal working hours to discuss union business with employees and/or union representatives without first notifying his Store Manager, or his appointee.
- 7.15 A suspended or discharged employee may present a grievance which shall be in writing in duplicate to the District Manager within five (5) working days after discharge, and in the event of such grievance, the procedure shall follow from Step Two of the Grievance Procedure to final settlement. If the final finding is that the employee has been unjustly suspended or discharged he shall be reinstated to his former position or wage classification without loss of seniority, and shall be compensated for all time lost, or he shall be granted such lesser compensation as may be deemed fair in the circumstances by the Parties or, in the advent of arbitration, by the Arbitration Board.
- 7.16 Decisions arrived at between the Company, the employee and the Union on the adjustment of any employee's grievance shall be final and binding upon the Company, the Union and the employee or employees concerned.
- 7.17 The time limits referred to in this Article may be shortened or lengthened by mutual agreement in writing. The Company will agree to extend time limits in regard to arbitration where there is an appeal under the Ontario Labour Relations Act.
- 7.18 The time limits referred to in Article 7.04 will not apply where a grievance concerns an alleged error in an automatic increase within a wage progression, but will apply where wage rates form part of a grievance relating to matters of promotion and reclassification.

8. HOURS OF WORK, WAGES, ETC.

- 8.01 Attached hereto, and forming part of this Agreement, are Appendices "A", "B", "C", "D", "E", and "F" relating to hours of work, overtime, night bonus, evening opening bonus, holidays, rest periods, wage rates, job classifications, etc., covering employees in the bargaining unit.

9. NEW JOBS AND UNION SECURITY

- 9.01 The Union agrees that the Company retains the right to study or introduce any new or improved production methods or facilities deemed necessary for the efficient operation of the business. However, without limiting its rights in any way, the Company agrees that prior to the commencement of any major experiments or innovations that could affect the wages, hours, or working conditions of the employees covered by this Agreement it will advise the Union. Should such changes result in the displacement of employees the Company agrees to meet with the Union to discuss alternate employment for the actual employees displaced.
- 9.02 The Company retains the right to establish any new job it may desire. However, the Company agrees that prior to a new job being established it will notify and discuss it with the Union. After the new job has been in effect for a period of three (3) months, the wages, hours, working conditions, and retroactivity shall be such as are then agreed to between the Company and the Union. It is understood that this Clause shall in no way limit management's right to experiment and innovate. (See Article 3, Announcement of Promotions re: announcement of new jobs).
- 9.03 The Company agrees that bilingualism will not be a condition of continued employment, or a general condition for advancement. However, it is understood by the Union that the ability to communicate in a second language may be a condition for advancement in areas covered by this Agreement.

10. MEMBERSHIP IN THE UNION AND COLLECTION OF UNION DUES

- 10.01 The parties agree that all employees covered hereunder shall, as a condition of their employment, become and remain members of the Local Union in good standing in accordance with the by-laws and constitutions of the Union.
- 10.02 Any new employee hired after the signing of this Agreement shall, prior to the completion of their probationary period, make application for membership in the Union and shall become and remain, a member of the Union in good standing **as** a condition of their continued employment with the Company.
- 10.03 The Company shall deduct the Local Union Initiation Fees, special assessments, and the weekly regular Union Dues in the amount specified by the Union By-Laws and constitutions from each pay cheque due to each employee covered by this Agreement and remit such monies **so** deducted to the Union, presently located at 230 Regent Street, Sudbury, Ontario, P3C 4C5, on or before the 15th day of the month following the month in which such deductions have been made. It is agreed that the Union shall save the Company harmless for any and all claims arising from this Section which may be made against it by an employee.

- 10.04 In the event that any employee who is required to obtain and maintain membership in good standing in the Union is denied membership or is suspended or expelled from the Union **so** that under the terms of this Agreement, such employee may not continue **to** be employed, the Union shall send to the Employer a statement of the reasons for the action being taken in refusing membership or suspending or expelling that person from the Union.
- 10.05 The Union agrees that, in taking such action against any employee, it shall neither act in a discriminatory manner nor refuse membership or impose expulsion or suspension for any reasons contrary to **its** own Constitution or Local Union By-Laws.
- 10.06 It shall be the Company's responsibility to show on each employee's Annual T-4 Slip, the full amount of Union dues paid by such employee during the previous calendar year.
- 10.07 The Company shall provide to the Union quarterly a list of all current bargaining unit employees with their names, addresses, telephone numbers on file, classifications and the employees' social insurance numbers (S.I.N.). Each list will include the names of those employees who have quit in the previous month.
- 10.08 The Company agrees to display Union Shop Cards in the stores covered by this Agreement. Such cards will remain the property of the Union and the Company agrees to surrender them immediately upon demand.

11. PART-TIME EMPLOYEES

Given that the Company acknowledges the continuing need for full-time employees with regard to the proper operation of the business, the following shall apply regarding the utilization of part time employees:

- 11.01 (a) Part-time help will not be employed to the extent of replacing a full-time employee in the operation of a store, except that this provision shall only apply to those stores in the seniority area in which a laid-off or displaced full-time employee has recall rights, and has the necessary ability to perform the normal requirements of the job in a competent manner.
- (b) Should such laid-off or displaced employee refuse a recall in a sub-seniority area other than his original sub-seniority area, the foregoing provision shall not apply in such sub-seniority area.
- (c) In addition, should the laid-off or displaced employee refuse a temporary relief assignment in accordance with Article 2.10, this restriction shall be waived during such period of temporary relief work.
- (d) Should the employment of a full-time employee be terminated as a result of death, retirement, resignation, discharge for cause which **is** not in dispute, or voluntary reduction to part-time, but not as a result of lay-off or store closing or any termination in the Meat Cutter classification which shall be governed by Appendix "B", Article 4, or in the event the minimum number of full-time employees is less than the provisions outlined in 11.12 of this Agreement, the resulting vacancy shall be filled

within one month from among full-time employees on lay-off with recall rights who were hired prior to July 1, 1994 and provided they have the skill and ability to do the job in a competent manner.

11.02 The ratio of part-time to full-time between 8:30 A.M. and 3:00 P.M. on days that the store is open for business shall be limited as set out below:

	<u>Mon.</u>	<u>Tues.</u>	<u>Wed.</u>	<u>Thurs.</u>	<u>Eri.</u>
Meat Dept.	4-1	4-1	4-1	4-1	4-1
Produce Dept.	4-1	4-1	4-1	4-1	4-1
Grocery Dept.	4-1	4-1	4-1	4-1	4-1

(6 - 1 during holiday weeks)

11.03 When the store is not open for business the ratio shall be four (4) part-time employees to one (1) full-time employee provided sufficient full-time employees are available to work. A list of the full-time employees asked to work by the Store Manager or his appointee will be made available to the Union Steward upon request.

11.04 When no full-time employee is scheduled to work when or where the ratios in Article 11.02 or 11.03 apply, it is agreed that only three (3) part-time employees may be scheduled to work in such area at such time.

11.05 Where circumstances prevent the practical application of the above ratios, the Union agrees to work out a reasonable adjustment of the ratios with the Company.

11.06 A part-time cashier will not be used to replace a full-time cashier who is performing other work in the store, for the purpose of increasing the number of part-time help allowed in another department.

11.07 The ratios of part-time to full-time employees outlined above may be exceeded in abnormal circumstances such as store openings, renovations, fires, floods and similar occurrences, not to exceed thirty (30) days.

11.08 The use of part-time employees resulting from the absence from work of a regular full-time employee will not constitute a violation of Article 11.

11.09 No temporary store employee, part-time employee or person excluded from the bargaining unit shall be employed as a relief Head Cashier, relief Bookkeeper, or a relief Store Department Manager, if a regular full-time employee capable of doing the relief work is available for the job.

11.10 The Company agrees that for any violation of the part-time employees clause it will pay a penalty of fifty (\$50) dollars for each individual infraction per store up to a maximum of one hundred (\$100) dollars in

any week in any one store. The Company will give the penalty to the Sudbury Regional Cancer Research Centre in the name of the Union.

- 11.11 Full-time employees who are fully qualified on their present jobs will not be denied the opportunity to qualify for the next senior position due to the regular use of part-time help doing the work.
- 11.12 Subject to Article 11.01 (d) of this Agreement, there shall be a minimum of one full-time employee for each nineteen thousand, six hundred and seventy four (\$19,674) dollars of weekly sales per week, based on the average total store sales in the aggregate for each seniority area over the previous four (4) calendar quarters. The volume figure will be adjusted once per annum to reflect the Consumer Price Index.
- (i) Initially, until there are four post-ratification calendar quarters, staffing will be based on a review of accumulating calendar quarters, starting with the first complete quarter following the ratification of this agreement.
 - (ii) Any adjustments in accordance with this minimum provision shall be completed within within two (2) weeks following the end of each calendar quarter.
 - (iii) Aggregate store sales shall be reduced to reflect any store closures that may arise.
 - (iv) The provisions of Article 11.12 shall apply to full-time employees hired after July 1, 1994, who shall not be covered by the provisions of Article 11.01 to 11.11 above. For further clarity, Article 11.12 shall not apply to full-time employees hired prior to July 1, 1994, whose full-time standing or lay-off from full-time shall be governed by other provisions of the Collective Agreement.

12. EMPLOYEES OTHER THAN UNION MEMBERS

- 12.01 Employees who are excluded from the bargaining unit shall not perform routine store work. However, this condition does not apply to Store Managers in stores of less than \$135,460 volume, and Assistant Store Managers in stores of less than \$154,827 volume.
- 12.02 This Article will not be interpreted in such a way as to restrict the performance of routine store work by such employees of the Company in connection with new store openings and major remodels or relines. This exemption will apply prior to the opening of the store and during the week of the opening. Store Managers and one (1) Assistant Store Manager per store may engage in the making and placement of signs, the placement of shelf tickets, and the ordering of product.
- 12.03 The appointment of Assistant Store Managers will be limited as follows:
- One (1) Assistant Store Manager in stores of \$232,288 and over, open no more than four (4) evenings per week.
- One (1) Assistant Store Manager in stores open three (3) or four (4) evenings per week.

One (1) Assistant Store Manager in stores open five (5) or six (6) evenings per week and under \$154,827 volume,

Two (2) Assistant Store Managers in stores open five (5) or six (6) evenings per week and \$154,827 or over in sales volume.

Up to three (3) Assistant Store Managers in stores that are open for customer shopping twenty-four (24) hours per day.

12.04 The Company agrees that for each violation of this Clause it will pay a penalty of one hundred (\$100) dollars to the Sudbury Regional Cancer Research Centre in the name of the Union.

12.05 No Store Managers or Assistant Store Managers will perform routine store work under this Clause while bargaining unit employees are laid-off in the seniority area concerned.

This Article will not be interpreted in such a way as to restrict the performance of routine store work by such employees of the Company in connection with new store openings. This exemption will apply prior to the opening of the store and during the week of the opening.

13. SUPPLIERS' REPRESENTATIVES

13.01 Except as set out below, no Suppliers' Representative shall perform any routine manual store work. The Company agrees that for each individual violation of this clause it will pay a penalty of fifty (\$50) dollars to the Sudbury Regional Cancer Research Centre in the name of the Union.

13.02 Exceptions:

- (b) In the case of authorized sampling of merchandise, the Suppliers' Representatives involved are authorized to handle the items on display, to distribute samples, but are not to fill or refill displays.
- (c) Suppliers' Representatives may erect display material for periodic special promotions, but will not fill or refill the actual product involved.
- (d) Suppliers' Representatives may stock chips, greeting cards, books and general merchandise.
- (e) In conjunction with a new store opening, there will be no restriction on the use of Suppliers' Representatives prior to and during the week of the opening. When new stores are to be opened, if there are any full-time employees on layoff with recall rights in the area set out in Appendix D, in which the new store is to be opened, then, such employees will be given preference for available part-time hours at such store provided they are available to work the hours available and have the necessary ability to perform the work.
- (f) Further exceptions may be made in special circumstances by mutual agreement between the District Manager and the International Representative in the area.
- (g) Suppliers' Representatives will not be used in the reline of stores (either major or minor) unless the Company applies for an exception as set out in this section.

- 13.03 With respect to Article 13.02(e) above, no Suppliers' Representatives will perform routine store work under this Clause while bargaining unit employees are laid-off in the seniority area concerned.

14. SICKNESS AND ACCIDENT

- 14.01 In the event that an employee is unable to work due to sickness or accident (excepting accidents occurring during performance of regular duties for which Workers' Compensation coverage is provided) he shall be reinstated at such time as he is able to resume his normal duties.
- 14.02 The Company shall, however, at any time be entitled to have an employee absent because of illness or accident examined at its own expense. The Company doctor shall endeavour to consult with the employee's personal doctor as to whether or not the employee is able to resume his normal duties.
- 14.03 Except in cases where an appointment was scheduled and the employee failed to report, no employee who has completed his probationary period shall be requested to take a physical examination required by the Company on his day off or after regular working hours. This, however, will not apply when an employee is on sick leave and a medical examination is required, as in Article 14.02 above, before he returns to work.

15. PAY FOR TIME ABSENT FROM WORK DUE TO SICKNESS AND NON-OCCUPATIONAL ACCIDENTS

- 15.01 An employee will be paid seventy-five (75%) percent of his regular wages at store level for time during which he is absent from work due to his illness which renders him unable to work. Such payment is limited to a maximum of three (3) days for one continuous absence. Payment shall be subject to the following conditions and qualifications, all of which must be complied with:
- 15.02 The employee must have at least six (6) months' continuous service with the Company at the time of his sickness.
- 15.03 The employee must notify his Store Manager (or his appointee) at the store of his absence prior to his regular starting time on the first day of absence or as soon as possible, at which time he shall supply the following information:
- (a) Why he is unable to report to work (illness, bereavement, etc.)
 - (b) Estimated duration of absence (one, two, three, or more days).
 - (c) How the Manager can call him relative to his absence.

- 15.04 If an employee is able to return to work at an earlier date than he had anticipated, he shall give his Manager (or his appointee) notification by five (5) p.m. of the preceding day of such intention to return so that the necessary adjustment can be made in the store or department staff.
- 15.05 An employee confined to hospital or at home as the result of a serious illness or accident should report his condition periodically, and as soon as practical notify the Manager of his intention to return to work.
- 5.06 The employee must produce proper evidence that he is entitled to ~~absence~~ from work pay if requested to do so by the Company. Such evidence will be requested prior to the employee returning to work.
- 5.07 Any employee abusing this privilege by attempting to collect absence from work pay under false pretences shall be subject to dismissal.

16. COMPENSATION FOR ACCIDENTS AT WORK

- 16.01 In the case of an accident, as a result of which the employee is disabled for the balance of the day's shift from earning full wages at the work at which he is employed, the Company agrees to give the employee **loss** of earnings compensation covering the day the disability occurred up to one (1) day's pay on the basis of the amount he would have earned at his regular rate had he not been absent from work. The Company agrees to provide work for an employee, following his proper release from the Workers' Compensation Board provided suitable work is available which the employee is capable of performing.

An employee temporarily unable to perform his previous duties due to an injury received in the employ of the Company, who can return to work under temporary medical restriction, will be assigned by the Company to a temporary modified work program within his own classification, or given such other work as is available and which he is capable of performing, following agreement regarding such program among the W.C.B. Rehabilitation Counsellor, the Health & Safety Department, the District Manager or his appointee, and the employee concerned. The Company will supply to the Union a written copy of the modified work plan for each employee on a temporary modified work program.

- 16.02 Workers' Compensation Reports will be completed in duplicate and the second copy will be given to the injured worker. Both copies will be signed by authorized personnel. If the Company is going to question or contest the claim, it will inform the employee in writing of the reason for its action.

17. GROUP INSURANCE

- 17.01 The Group Insurance Plan will be kept available to employees during the term of this Agreement.

- 17.02 The Company will provide a booklet outlining the benefits provided by the plan and such booklet will be considered an Appendix to this Agreement.
- 17.03 The benefits outlined in the booklets will remain unchanged during the term of this Agreement, except where:
- (a) changes are necessary to comply with government legislation
 - (b) changes are approved by the Negotiating Committee of the Union.
- 17.04 The Company agrees to pay the full premium for the employee's personal and dependent coverage under the Company Group Insurance Plan including the Prescription Drug Plan, and the Optical Plan.
- 17.05 If government legislation is enacted during the term of this Agreement which establishes a plan of benefits which duplicates any of the benefits provided by the Company's plan resulting in a reduction in the cost of such benefits to the Company, the Union agrees that any such cost reduction will be absorbed by the Company.
- 17.06 In cases where there is a dispute between the Group Insurance doctor or the Long Term Salary Continuance doctor and an employee's doctor as to the extent of an employee's disability, the Company and the Union will select a doctor (a specialist who has not previously examined the employee) who will examine the employee and render a decision as to whether or not the employee is totally disabled at the time of the examination as defined in the Insurance Policy. The Doctor's decision will be binding upon the Company, the Union, and the employee.
- Should the Company and the Union be unable to agree upon a doctor, the Ontario College of Physicians and Surgeons will be asked to select a specialist to conduct the examination.
- To qualify for such examination, an employee must request such examination in writing to the Company within thirty (30) days of the event causing the dispute, or his rights under this Clause are forfeited.
- The cost of the examination will be shared equally by the Company and the Union.
- 17.07 Any dispute regarding the administration or application of the Group Insurance Plan or Long Term Salary Continuance Plan, other than a medical matter as provided for in Article 17.06 above, may be referred to the grievance and arbitration procedure of this Agreement.

Two (2) of the five (5) weeks shall be granted in one continuous period during the regular vacation period. The remaining three (3) weeks may be granted at any other time during the calendar year.

20.07 All employees who have completed twenty-three (23) years' continuous service on or before May 1st in any calendar year shall receive six (6) weeks' vacation with pay in that calendar year. Two (2) of the six (6) weeks shall be granted in one continuous period during the regular vacation period. The remaining four (4) weeks may be granted at any other time during the calendar year.

20.08 The regular vacation period shall be from March 1st to October 31st.

20.09 Vacations may be taken outside the regular vacation period but within the calendar year by request in writing to the Store Manager by the employee concerned. Vacations for two (2) successive years may not be combined during one continuous period. Employees will not be allowed to work for the Company in any capacity during their vacation.

20.10 Subject to Article 20.01 it is agreed that in the event an employee has earned vacations with pay and is absent for any reason during the calendar year, he shall be paid and receive his full vacation entitlement upon return to work. If an employee becomes confined to his home or in a hospital due to serious illness or injury while on vacation, he may file a claim for weekly indemnity benefits and the balance of his vacation will be rescheduled following his recovery.

If an employee is absent from work and therefore unable to take his earned vacation as scheduled by the end of that calendar year, he shall be entitled to take his earned vacation entitlement upon his return to work in the next calendar year.

Should an employee be on Workers' Compensation and not return to work by the end of the calendar year following the calendar year in which his vacation was scheduled, he will be "cashed out" at the end of that calendar year for all vacation monies to which he is entitled for the previous year's scheduled vacation.

Should an employee be receiving Long Term Disability benefits and not return to work at the end of the initial two (2) years of benefit coverage, he will be "cashed out" at the end of that period for all vacation monies for the previous vacation which was scheduled but not taken.

20.11 If a holiday, as listed in Appendix "A" is observed during any employee's paid vacation period, the employee shall receive an additional day off with pay in conjunction with one of his regular days off during the four (4) weeks following his return from vacation.

Where it is possible to schedule this additional day in conjunction with the employee's vacation, that is the Saturday before or the Monday following vacation, then this Article will not be interpreted in such a manner as to prevent such a schedule. For holidays that are observed in July or August, the period for taking the extra day is extended up to September 30th of that year.

20.12 The Company agrees that to the extent it is practicable it will grant vacations in one continuous period. Employees entitled to three (3), four (4), five (5), or six (6) weeks' vacation and who wish to take them in one continuous period should be prepared to finish them prior to June 15th or commence them subsequent to September 15th. During the year in which an employee completes his twenty-fifth (25) year of continuous full-time service with the Company, he will be allowed to take three (3) of his weeks of vacation in one (1) continuous period.

20.13 An employee whose employment is terminated will be granted vacation pay as follows:

Less than	5 years	-	4% of earnings for work performed
5 years to	9 years	-	6% of earnings for work performed
9 years to	16 years	-	8% of earnings for work performed
16 years to	23 years	-	10% of earnings for work performed
23 years and over		-	12% of earnings for work performed

20.14 In cases of dismissal, where dishonesty, drinking alcoholic beverages on the job, wilful damage of Company property, or where Article 15.07 is involved, the above method of payment will not apply. In such cases only the legal provincial allowance will be paid.

20.15 Employees shall receive their vacation pay on their regular pay day the week prior to their vacation.

20.16 The Company will post a notice on the bulletin board in each store by February 1st each year, requesting full-time employees to indicate on an attached schedule their preferred vacation dates. The notice will remain posted until February 15th, and except in the case of absence due to sickness or accident employees who have not entered their preferred vacation dates by then will forfeit their right to do so, following which management will prepare the vacation schedule based upon seniority, individual preference, and the proper operation of the business. The finalized vacation schedule will be posted on the store bulletin board by March 15th.

- 20.17 When two (2) department managers in one store request that their vacations be scheduled for the same or overlapping periods, and such request is refused by their immediate superiors, the department managers concerned may make a direct request to the District Manager to render a decision in the matter.

21. VISITS BY UNION REPRESENTATIVES

- 21.01 Union duties and activities will not be carried on during hours of employment except that the business agent or other known executive of the Union may, after making his presence known to the Manager, or his appointee, enter the store during business hours **to** observe the performance of this Agreement, and to interview employees for the purpose of hearing grievances. It is understood that such visits will be timed to cause as little disruption as possible to the normal conduct of business. It is further understood that representatives of the Union will comply with Company regulations and restrictions.

22. NOTICES OF IMPORTANCE TO EMPLOYEES

- 22.01 The Company will transmit Union notices of importance to stores by its daily bulletin service. The Union may use the stores' bulletin boards, where provided, for the posting of Union notices of importance. Except for notices of Union Meetings, notices of elections, election results, social and recreational activities and the posting of Steward's names on the bulletin boards, all such notices must be approved and signed by a Company official before being included in the bulletin service, or posted on the bulletin boards.
- 22.02 In-store Bakery Departments will be equipped with bulletin boards. The Company will forward to such stores duplicate copies of all notices or announcements that are to be posted on the bulletin boards **so** that one may be posted in Bakery Departments. In regard to Union notices of importance to such stores, the Union will supply and the Company forward duplicate copies to such stores **so** that one may be posted in the Bakery Departments.
- 22.03 In regard to rules and regulations that are posted on the bulletin boards and that could affect the wages or working conditions of employees covered by this Agreement, the Company agrees to forward copies of such rules and regulations to the Union prior to posting them on the bulletin boards.

23. TEMPORARY WORK

- 23.01 Employees shall perform any temporary work which the management may direct with the understanding that when an employee is assigned to a job with a lesser rate of pay he will be entitled to his regular rate of pay.
- 23.02 When an employee is assigned to a job in a higher classification for more than one (1) working day he will be entitled to the minimum rate of pay for that classification as will provide an increase of fifteen (\$15) dollars on his weekly rate of pay during the time he works at the job in the higher classification. However, in no case will the employee receive more than the top rate for the classification. In the application of this Article, only one (1) employee will receive this relief money for any week at a time.

24. EMPLOYEE CONDUCT

- 24.01 The Union will uphold reasonable rules and regulations of the Company in regard to punctual and steady attendance, proper and sufficient notification in case of absence, as well as businesslike conduct on Company premises.
- 24.02 A need exists for improved methods and production in the interests of the employees and the Company. The Union agrees to cooperate with the Company in the installation of any such methods, in suggesting improved methods, and in the education of its members for the necessity of such changes and improvements. The Company agrees that it will give the Union notice as far as possible in advance of any of the above mentioned changes.
- 24.03 It is the responsibility of each employee to notify the Company (Personnel Department) on forms supplied by the Company of any change in his home address and mailing address if different than his home address, telephone number, marital status, number of dependents or other vital statistics. Failure to keep the Company informed of the above matters will relieve the Company of any responsibility for failure to comply with any part of this Agreement where such information is necessary in order to comply. The Company agrees that one copy of the completed form will be forwarded to the Union.
- 24.04 No member of the bargaining unit will be required to take a stress test or a lie detector test except on a voluntary basis.

25. MANAGEMENT

- 25.01 The management of the business shall control the direction of the staff including the right to plan, direct and control the operations, hire, retire at normal retirement age, suspend or discharge for proper cause, relieve employees from duty because of lack of work or other legitimate reasons. The right to study or

introduce new or improved production methods or facilities, the right to establish and maintain reasonable rules and regulations covering the operation of the stores, a violation of which may result in disciplinary action up to and including dismissal, are vested in the Company, provided, however, that the above rights shall be exercised subject to the provisions of the grievance procedure of this Agreement. This right to grieve shall only apply, however, where the wages or working conditions of an employee are directly affected.

26. LABOUR-MANAGEMENT MEETING

26.01 Upon request, a joint labour-management meeting will be held for the purpose of discussing matters of concern to either party, at a mutually agreed upon time.

27. TRANSPORTATION/TRANSFERS

27.01 The Company **agrees to take** into consideration the place of residence of an employee when planning interstore transfers.

27.02 The Company agrees that, in the case of an interstore transfer made during an employee's regular daily shift, the employee **so** transferred will be given notice as soon as possible and shall be paid for his required travelling time from one store to the other, plus the cost of public transportation for such trip.

27.03 In the case of a temporary out **of** town transfer, the arrangements shall be agreed upon by the Store Manager and the employee prior to the transfer taking place. Such arrangements shall be confirmed in writing between the Store Manager and the employee. An employee will complete and submit an expense report for each week that he is entitled to reimbursement as set out herein. Where necessary, an employee may obtain a cash advance on his expenses from his home store.

If the arrangements made between the employee and his Manager require the employee to stay overnight in the town to which he is transferred, the Company will pay reasonable hotel or motel accommodations plus meals at the rate of fourteen **(\$14.00)** dollars per day. Mileage will be paid at the rate of thirty-five (.35¢) cents per mile for the additional mileage the employee is required to drive as a result of the transfer.

27.04 In the event that an employee is transferred during the week, he shall receive his full pay including any overtime or holiday pay at his new store on the regular pay day.

27.05 It is agreed that transfers of employees between stores is essential to the proper operation of the business and that the employees will co-operate with the Company in this matter. The Company agrees

that if an employee has a good and sufficient reason for not accepting a transfer he will not be forced to accept the transfer and he will not be discriminated against with regard to future transfers.

- 27.06 An employee who desires a transfer to another store covered by this Collective Agreement may write a letter to the Manager, Industrial Relations setting out in full detail his reasons for wanting the transfer and the store or area to which he wishes to be transferred. In the normal course of operations, the Company will endeavour to accommodate such requests. At the request of the local business agent, the Company will meet with the business agent to review the outstanding requests for transfer.
- 27.07 When an employee is regularly scheduled to work his weekly schedule in ~~two~~ (2) or more stores, it is agreed that the employee, in the District Manager's territory within the municipality involved, with the least seniority, but who possesses the necessary ability and qualifications to perform the job, will be the one so scheduled, unless a senior person wishes the job. This clause does not apply to temporary transfers in emergency situations.
- 27.08 In the event that the spouse of a full-time employee with one (1) year's continuous service or more is transferred by his employer, or accepts employment with an employer in an area inside or outside the seniority area of this Agreement in which the employee is employed, and such employment by the spouse will reasonably require a relocation of their place of residence, such employee may make a request in writing giving full details to the Manager, Industrial Relations for a transfer to a store in the municipality in which his spouse will be employed. Where such requirements are met, the Company agrees to offer the employee the first full-time vacancy in such area for which the employee is able and qualified to perform as a "Clerk " A or "Clerk "B". A transfer under this Article supersedes the rights of a part-time employee for full-time employment under Appendix C, Article 10.06. In order to qualify for such transfer, the employee must remain at his full-time position and maintain regular attendance.
- 27.09 Other than set out in Article 27 above, the transfer of employees shall be made at the discretion of the Company.

28. SAFETY

- 28.01 The Company agrees to continue to maintain reasonable provisions for the safety of its employees in all its stores during the hours of employment and to provide an accident prevention programme with reference to accident hazards where the safety of an employee might be endangered. There shall be a safety committee operating in all stores; the store steward shall be a member of this committee.
- 28.02 It is the responsibility of the employees to observe such safety provisions, to wear the proper safety equipment as provided by the Company, and to immediately advise the Store Manager of any unsafe working conditions.

28.03 Any outstanding matters relevant to safety conditions may be brought up and dealt with at the meeting between the Union and Management as outlined in Article 26.

29. INTERPRETATIONS

29.01 In this Agreement unless otherwise indicated by the content, the plural shall include the singular and the masculine the feminine and vice versa.

30. JURY DUTY OR SUBPOENAED CROWN WITNESS

30.01 When an employee with three (3) months' continuous full-time service is called upon to serve on a jury or as a subpoenaed Crown Witness, the Company shall pay the difference between the fee received from the Crown and the employee's regular weekly wage rate, provided:

- (a) the employee furnishes proof of service by a statement of earnings supplied by the Court.
- (b) the employee provides the Company with at least **forty-eight (48)** hours' notice of when he is to report, or immediately on notification.
- (c) the employee returns to work if he is called and not kept. However, he shall not be required to report for work if less than two (2) hours of his normal shift remains to be worked.
- (d) such duty falls on a regularly scheduled work day the employee would have worked.

30.02 Employees required to appear in court as a witness in any case directly affecting the Company will be paid in the same manner as set out above.

30.03 When a night shift employee is required to serve on a jury, and provides management with notice as set out in Article 30.01 (b), he will be rescheduled to work a day shift for the duration of his jury duty. In such rescheduling, it is agreed that all other time limits in this Agreement regarding scheduling are waived.

30.04 An employee who is required to report for jury duty will not have his day off changed to coincide with the day he is to report for such jury duty.

31. PAY DAY

31.01 Except in weeks in which a statutory holiday is observed:

APPENDIX "A"
HOURS OF WORK, OVERTIME, HOLIDAYS, ETC. FOR ALL
REGULAR FULL-TIME EMPLOYEES

1. WORK WEEK

- 1.01 The normal workweek for all regular full-time store employees covered by this Agreement shall consist of thirty-seven (37) hours a week to be worked in two (2) days of eight (8) hours each and three (3) days of seven (7) hours each, Monday to Saturday.
- 1.02 All regular full-time employees covered by this Agreement will be scheduled for two (2) consecutive days off (a Saturday-Sunday or a Sunday-Monday) once every three (3) weeks. Weeks in which statutory holidays are observed will not be counted in calculating this entitlement. Whenever possible, in the administration of this Article, the Store Manager will:
- (1) Rotate the schedule so that each employee will receive an equal number of Saturday-Sundays and Sunday-Mondays off during the year.
 - (2) Employees will be scheduled to have the Saturday immediately prior to their vacation as their day off for that week, but will be limited to a maximum for those who qualify, of three (3) such Saturdays in a calendar year.
 - (3) Prior to going on vacation, an employee will be advised of his first scheduled shift upon completion of his vacation.

2. WORK SCHEDULE

- 2.01 The arrangement of the work schedule is to be directed by the Company in all instances either for the majority of the employees or individuals in accordance with the proper operation of the business.

Employees Other Than Bakery Production Employees Only

- 2.02 The regular work schedule for all regular full-time employees will be prepared in ink and will include the employee's last name and initial. The schedule will be posted in each store at the time clock by 5:00 p.m. on Thursday of each week. If a revised schedule is not posted by 5:00 p.m. Thursday, the schedule for the previous week will apply.

After 5:00 p.m. Thursday, no changes in schedule for the following week will be made, except where changes are necessary due to accident, illness, promotion, demotion, fire, flood, or other similar circumstances beyond the control of the Company. Where such changes are necessary, the employee

will be given notice as far in advance as possible. The Union Steward will receive a copy of this schedule. Schedules will not be continuously changed **so** as to harass the employee and shall always be posted at the time clock.

- 2.03** A new schedule will be posted seven **(7)** days before any general revision of employees' hours takes place.
- 2.04** Subject to Article 1.01 above, regular day shift employees will be scheduled to work four **(4)** shifts of up to eight **(8)** hours each between the hours of six (6) a.m. and six fifteen (6:15) p.m. when the store is open for business or six thirty (6:30) p.m. when the store closes at six **(6)** p.m. and one **(1)** shift of up to eight **(8)** hours between the hours of six (6) a.m. and one half **(1/2)** hour after store closing or, in the case of a twenty-four **(24)** hour store, **to** twelve (12) midnight. There shall be no split shifts. All regular eight **(8)** hour shifts shall be scheduled within nine **(9)** hours and all regular seven **(7)** hour shifts will be scheduled within eight (8) hours. There will be a minimum of ten **(10)** hours between the end of a scheduled shift and the commencement of the following scheduled shift.

To the extent that it is practical and possible, cashiers will not be assigned permanently to the express desk, but will be rotated on this job as the situation in the individual stores will allow.

- 2.05** Regular day shift employees will not be scheduled to work more than one **(1)** night opening per week except on a voluntary basis on the part of the employee. **No** employee will be coerced to work such second night and the choice as **to** whether he decides to do **so** will be left entirely to the employee. Voluntary agreement as referred **to** above will not be withheld by employees to the extent of preventing the efficient operation of any store.
- 2.06** The night shift will be scheduled **to** work between **10:00** p.m. and **8:30** a.m. on consecutive nights. No employee will be scheduled or required to work alone in the store (this does not apply to Article **3.07** below). Night shift employees will be given a telephone number to call in the event that circumstances result in them being alone on a night shift. In such case the employee may be directed to report for work as soon as possible **to** another store in the area, or to wait for the arrival of another employee to work with him. If it **is** not possible or practical to transfer him to another store and another employee cannot be provided to work on the shift with him, he will have the option of: (a) working alone on the shift (b) not working and being paid four **(4)** hours' pay at his regular hourly rate.
- 2.07** No employee will be scheduled on a night shift for more than four **(4)** weeks in any eight (8) week period except by mutual agreement. Where possible, on a six **(6)** night operation, night shift employees will be rotated each week from a Sunday through Friday shift, to a Monday through Saturday shift. The four **(4)** weeks described above shall be consecutive except by mutual agreement.

- 2.08 Employees may be scheduled to work a combination of day shift and night shift provided there is at least ten (10) hours between the end of a scheduled shift and the commencement of their next scheduled shift. Employees scheduled as per this subsection, will be rotated as set out in Article 2.07 above where sufficient staff is available within the store. Employees will be changed from nights to days or from days to nights only once per week, except by mutual agreement.
- 2.09 If an employee reports for work on his regular shift and there is no work available, he shall be paid a minimum of seven (7) hours' pay at his regular rate. This clause shall not apply to the checking of heat and refrigeration on non-working days. When a store is closed due to a storm or a situation beyond the control of the Company and more than three (3) hours remain on an employee's or employees' scheduled hours, the Company and the Union will discuss and decide whether or not the employee(s) will be paid for the lost hours.

Bakery Production Employees Only

- 2.10 The regular work schedule for regular full time employees will be prepared in ink and will include the employee's last name and initial, and be posted at the time clock. The Union Steward will receive a copy of this schedule.
- 2.11 Regular shifts will be scheduled to commence as follows:
- Day Shift - between 4:00 A.M. and 10:00 A.M.
Afternoon Shift - between 11:00 A.M. and 2:00 P.M.
Night Shift - between 10:00 P.M. and Midnight

The Bakery Manager's hours of work will not be subject to the times set out in this subsection but will be based upon the requirement of the Bakery operation.

No employee will be scheduled or required to work alone in the store (this does not apply to Article 3.07 below). Night shift employees will be given a telephone number to call in the event that circumstances result in them being alone on a night shift. In such case the employee may be directed to report for work as soon as possible to another store in the area, or to wait for the arrival of another employee to work with him. If it is not possible or practical to transfer him to another store and another employee cannot be provided to work on the shift with him, he will have the option of: (a) working alone on the shift (b) not working and being paid four (4) hours' pay at his regular hourly rate.

- 2.12 Where the work schedules of individuals are changed they will be given four (4) days' notice. However, the four (4) days' notice will not be required in the case of sickness or accidents, promotions or demotions, and changes in schedules due to fires, floods, and similar conditions beyond the control of

the Company. Conditions beyond the control of the Company will include a breakdown of equipment. In cases where the four **(4)** days' notice need not be given, notice will be given as far in advance as possible. Schedules will not be continuously changed so as to harass the employee, and will always be posted at the time clock.

- 2.13 Where a night shift employee requests rotation to another shift, the Company agrees to schedule the rotation, provided the night shift employee is qualified to perform the duties assigned to day shift employees, and there are sufficient qualified day shift employees available in the department to be rotated to night shift.

3. OVERTIME

- 3.01 All hours worked in excess of the regular daily work schedule will be paid for at the rate of one and one-half (**1 1/2**) times the employee's regular hourly rate. Overtime will not be paid unless the time worked exceeds five (5) minutes. If the time worked exceeds five (5) minutes, then pay will be computed from the termination of the regular work schedule. For exceptions in this case, where overtime is worked while the store is open after 6:00 P.M., see Article **4.04** below.
- 3.02 All hours worked on days which are not on an employee's regular daily schedule shall be paid for at the rate of two (2) times the regular hourly rate, with a minimum of three (3) hours' work, or three (3) hours' pay for that day. Notwithstanding the foregoing, all hours worked on Sunday shall be paid for in accordance with the following, with a minimum of three (3) hours' work or three (3) hours' pay for that day. A premium of \$1.60 shall be paid for all hours worked on Sunday, which are related to the store opening for business. For further clarify, "all hours worked on Sunday which are related to the store opening for business" includes hours on Sunday morning worked by the night crew, and hours worked up to two (2) hours before store opening and one (1) hour after store closing. All other hours worked on Sunday, when a store opens for business, shall be paid at one and one-half (**1-1/2**) times an employee's regular straight time hourly rate, and all hours worked on a Sunday when a store does not open for business shall be paid at two (2) times an employee's straight time hourly rate.
- 3.03 All hours worked on all holidays as listed in Article **8** below shall be paid for at the rate of two (2) times the regular hourly rate plus the holiday pay, with a minimum of three (3) hours' work or three (3) hours' pay for that day. This Clause shall not apply to the checking of heating and refrigeration on nonworking days.
- 3.04 The Company reserves the right to schedule overtime but agrees that overtime work will be kept to a minimum. When overtime is necessary, the employees involved will be given at least **two** (2) hours' notice, except in the case of emergencies when notice will be given as far in advance as possible.

- 3.05 The Union agrees that the proper operation of the business will require overtime work periodically and that the employees will cooperate fully in the matter. In the case of emergency overtime work on short notice every effort will be made to work it out so as to cause as little inconvenience to individual employees as possible. Notwithstanding the Ontario Employment Standards Act of 1974 Section 20, subsection 3, the Union acting as the employee's agent agrees that the Company has the right to require employees to work one-half (1/2) hour past store closing.
- 3.06 No employee will take time off for overtime worked.
- 3.07 A member of the bargaining unit required to check stores for heating and refrigeration on a nonworking day shall receive fifteen (\$15.00) dollars for such check.
- 3.08 If an employee is called back to work after he has left the store following the completion of his regular daily shift, he shall be paid a minimum of four (4) hours' pay at his regular rate, or the appropriate premium rate for the number of hours worked, whichever is greater.

4. EVENING OPENING BONUS FOR EMPLOYEES OTHER THAN BAKERY PRODUCTION EMPLOYEES ONLY

Rest periods will be given as near as possible to the midway point in each half shift and under no circumstances will they be combined with meal periods.
- 6.02 If an employee is required to work twelve (12) or more consecutive hours (except for two (2) meal periods) in any one day he shall be entitled to a further fifteen (15) minute rest period during the last four (4) hours worked, to be taken as close as possible to the tenth hour.

7. MEAL PERIODS

- 7.01 The lunch and supper periods shall not be more than one (1) hour each and shall be scheduled for each store individually.
- 7.02 By mutual agreement, between a Store Manager and an employee, an employee may be scheduled for one-half (1/2) hour lunch or supper period. Employees scheduled to work the night shift will be scheduled for one-half (1/2) hour meal period.

The personal holiday must be taken by December 15th of the year in which it is earned, and failure on the part of an employee to do so will result in non-payment for such day. An employee hired between September 16th and September 30th, shall, provided he otherwise qualifies, be entitled to take the personal holiday earned during the first three (3) months of employment at a time mutually agreed upon between January 1st and February 15th of the following year.

- 8.04 An employee will not be paid for the above holidays unless he works his scheduled full working day before and his scheduled full working day after the holiday unless the absence is due to a justifiable reason.
- 8.05 In weeks in which a holiday as listed in Article 8.01 or 8.02 above is observed, the workweek will be reduced to twenty-nine **(29)** hours (1 day of 8 hours and 3 days of 7 hours each). If the Company establishes a prescription drug counter in any store covered by this Collective Agreement, it is agreed that the Pharmacists will be excluded from the Agreement and that there will be no limitations placed upon their functions. However, all other persons employed in this section, whether full-time or part-time, will be union members covered by the terms of the agreement, with rates of pay as follows:

2. GENERAL

- 2.01 Increases in pay within classifications for employees who have qualified will be effective on the first Monday following the anniversary date of their employment or promotion as the case may be.
- 2.02 Any employee may request an increase or an explanation as to why he has not received an increase at any time.
- 2.03 The Union committee shall have the right to take up specific wage rates for any individual employee at any time during the life of this Agreement.
- 2.04 Nothing in this Agreement shall prevent the hiring of any employee at any rate of pay above the minimum rate.
- 2.05 All sales volumes contained in this Agreement are fifty-two (52) week averages calculated at the end of each of the Company's four (4) fiscal quarters. Each June, the sales volumes in this Agreement will be increased by the percentage increase in the Food Section of the C.P.I. during the preceding year (May to May). Employees classified and paid on volume at the time of adjustments will not have their salaries decreased due to the volume adjustments; however, in order to qualify for an increase due to volume they would be governed by the revised volumes.
- 2.06 In regard to the opening of a new store, the Company will estimate the average sales volume for the first six (6) months of operations and employees will be classified and paid according to these estimated sales volumes. At the end of the six (6) month period, the actual sales volumes will be calculated and the rates of those employees classified and paid according to volume will be adjusted as follows:
- (a) if the actual sales volumes place the store or department into a classification higher than the one resulting from the estimated sales volume, then the employees affected will be paid according to the higher classification retroactive to the date of their appointment to the classified position in the new store.
 - (b) if the actual sales volumes place the store or department into a classification lower than the one resulting from the estimated sales volume, then the employees affected will be paid according to the lower classification effective the first week following the six (6) month anniversary of the store opening.

Such downward adjustment, made solely because of sales volume, will not result in an employee receiving a lower rate of pay than he would receive if he had not been transferred to the new store.

- 2.07 Effective on the dates shown, all regular full-time employees actively employed prior to September 6, 2001 and covered by this Appendix shall receive the following increases:
- twenty-five (25¢) cents per hour effective July 8, 2001.
 - thirty (30¢) cents per hour effective July 7, 2002.
 - twenty-five (25¢) cents per hour effective July 6, 2003.
 - thirty (30¢) cents per hour effective July 4, 2004.
- 2.08 In the event that any of the above increases result in an employee being on an "off rate" within his classification, then on the date of his next scheduled increase, as set out in Article 2.01 above, he will advance to the next higher rate within his classification.
- 2.09 The Company agrees that the classifications of Department Manager, Head Cashier, Bookkeeper, Chief Clerk and Store Porter will be filled in each store or department in a store based upon the volumes contained in this Agreement.
- 2.10 Store Porters hired on or after September 17th, 1978, are to be employed on janitorial duties only; should they perform other work they will be paid the "B" clerk rate.
- 2.11 A Deli Manager will be appointed where the store has a Snack Bar which is physically combined with the Deli Counter, the Cheese Hut, and/or the Cheese Counter, and where such combination produces a minimum of \$7,684 a week in sales.
- 2.12 Effective September 22, 1986, the position of "General Merchandise Manager" is deleted from the Agreement. Employees classified in this position as of September 22, 1986 will maintain their rate and, for the purposes of bumping in the event of layoff, their position.
- 2.13 Employees classified as Bakery Managers prior to October 4th, 1976, whose rates of pay, based upon their tenure as a Department Manager and the sales volume of their current department as of October 2, 1976 is in excess of the schedule set out in Article 1 above, will not have their rates of pay decreased due solely to Articles 1 and 2.05 but will be considered to be on "off rates".
- 2.14 Employees classified as Bakery Shift Lead Hand prior to October 4th, 1976 will be reclassified and paid as Chief Clerk as per the schedules in Article 1 above. While it is understood and agreed that only one (1) Chief Clerk will be required in a bakery of over \$11,490 per week average sales, no employee classified as Shift Lead Hand as of October 2nd, 1976 will have his rate of pay reduced solely for this reason. Any "overstaff" of Chief Clerks that results from this Agreement will reduce over a period of time through normal attrition.

3. CHRISTMAS BONUS

A Christmas Bonus shall be paid to all regular full-time employees in the bargaining unit to be computed as follows:

- 3.01 Employees with three (3) months' service as of December 1st of such year shall receive one-quarter (1/4) of one week's pay at their regular weekly rate as of such December 1st.
- 3.02 Employees with six (6) months' service as of December 1st of such year shall receive one-half (1/2) of one week's pay at their regular weekly rate as of such December 1st.
- 3.03 Employees with nine (9) months' service as of December 1st of such year shall receive three-quarters (3/4) of one week's pay at their regular weekly rate as of such December 1st.
- 3.04 Employees with twelve (12) months' service as of December 1st of such year shall receive one week's pay at their regular weekly rate as of such December 1st.
- 3.05 Christmas Bonus will be paid on or before December 15th each year
- 3.06 An employee absent from work, for reasons other than layoff, in excess of six (6) months in any qualifying year shall have his Christmas Bonus prorated based upon his actual time at work.
- 3.07 Christmas Bonus will be prorated for any employee on layoff who has been on layoff for thirty (30) days or more as of December 1st and pay will be based upon the number of months worked in the qualifying year.

4. MEAT CUTTERS

- 4.01 A meat cutter is an employee who can break down carcasses and process them into retail cuts to the Company's standards, and who spends over 50% of his time cutting meat.
- 4.02 The following Meat Cutters will be appointed:
 - (a) One (1) meat cutter in stores over \$100,706
 - (b) Two (2) meat cutters in stores over \$162,612. When the store volume requires a Meat Chief Clerk to be appointed, he will be considered one (1) of the two (2) cutters required by this subsection.
 - (c) Three (3) meat cutters in stores over \$281,983, one of which will be the Meat Chief Clerk.
 - (d) Four (4) meat cutters in meat departments with a weekly volume in excess of \$129,289, one of which will be the Meat Chief Clerk.
 - (e) Article 4.02 shall only apply to employees of meat cutter classifications hired prior to July 1, 1994.

5.04 A Grocery Chief Clerk will be appointed in all stores having an average total sales volume in excess of \$38,714 per week and where the Grocery Department sales are not sufficient to warrant appointment of a Grocery Department Manager.

9. MEMBERSHIP IN THE UNION AND COLLECTION OF I

- 9.01 The parties agree that all employees covered hereunder shall, as a condition of their employment, become and remain members of the Local Union in good standing in accordance with the by-laws and constitutions of the Union.
- 9.02 Any new employee hired after the signing of this Agreement shall, prior to the completion of their probationary period, make application for membership in the Union and shall become and remain, a member of the Union in good standing as a condition of their continued employment with the Company.
- 9.03 The Company shall deduct the Local Union Initiation Fees, special assessments, and the weekly regular Union Dues in the amount specified by the Union **By-Laws** and constitutions from each pay cheque due to each employee covered by this Agreement and remit such monies so deducted to the Union, presently located at 230 Regent Street, Sudbury, Ontario, P3C 4C5, on or before the 15th day of the month following the month in which such deductions have been made. It is agreed that the Union shall save the Company harmless for any and all claims arising from this Section which may be made against it by an employee.
- 9.04 In the event that any employee who is required to obtain and maintain membership in good standing in the Union is denied membership or is suspended or expelled from the Union so that under the terms of this Agreement, such employee may not continue to be employed, the Union shall send to the Employer a statement of the reasons for the action being taken in refusing membership or suspending or expelling that person from the Union.

10. WORK SCHEDULE

- 10.01 When a part-time employee is ordered to report for work, and reports as ordered, he shall be guaranteed at least four **(4)** hours' work or four **(4)** hours' pay for that day.
- 10.02 An exception to 10.01 above is when a part-time student is ordered to report for work on a school day and there are not four **(4)** hours between the time he reports and regular store closing. In such case he will be guaranteed **two (2)** hours' work or two **(2)** hours' pay.
- 10.03 No split shifts will be permitted unless each part of the split shift amounts to four **(4)** hours or more.
- 10.04 In scheduling or calling in part-time employees for work, the Company agrees to recognize length of continuous service of the employee on an individual store basis, provided the senior employee has the ability and qualifications to perform the job in a competent manner. A part-time employee with a year or more continuous service may request a permanent transfer to a nearby store where his length of continuous service and qualifications might enable him to receive more hours. Within thirty (30) days of such request, the Company agrees to arrange the transfer. An employee so transferred will not be eligible for a similar transfer for a period of one (1) year from the date of the transfer. Transfers to or from new stores will not come under this Section for a period of one **(1)** year from the date of the opening for those employees with less than two **(2)** years' service.
- 10.05 Part-time employees with one **(1)**, five **(5)**, seven **(7)**, or eight **(8)** or more years of continuous service will be scheduled for a minimum of fifteen **(15)**, twenty **(20)**, twenty-two **(22)**, or twenty-four **(24)** hours per week respectively provided:
- (a) such schedule of hours are available in the employee's store
 - (b) the employee is available to work the available hours
 - (c) the employee has the ability to perform the normal requirements of the work available

Where the schedule of hours is such that all part-time employees with one **(1)**, five **(5)**, seven **(7)**, or eight **(8)** or more years continuous service, who desire to work a minimum of fifteen **(15)**, twenty **(20)**, twenty-two **(22)** or twenty-four **(24)** hours per week respectively, are not able to do so, the minimum schedules will be allocated in order of seniority. The employees who, as a result do not obtain the minimum schedule, will be scheduled in order of seniority for the maximum number of hours available. Such employees will also have the opportunity of transferring to another store as set out above.

A part-time employee with one **(1)**, five **(5)**, seven **(7)**, or eight **(8)** or more years of continuous service who elects not to accept the minimum schedule of fifteen **(15)**, twenty **(20)**, twenty-two **(22)**, or twenty-four **(24)** hours per week respectively will be locked into such decision for a period of six (6) months.

Part-time employees with less than one **(1)** year's continuous service will be scheduled for the remaining available hours taking into consideration the employee's length of continuous service, and the employee's ability to perform the normal requirements of the work. Should any employee, or employees, have a problem or question regarding their scheduling which they cannot satisfactorily resolve personally with the Store Manager, they may call upon the District Manager and the Union Business Agent who will meet with the Store Manager to seek an answer or resolution to the problem. Such employees will also have the opportunity of transferring to another store as set out above.

- 10.06
- (a) Part-time employees desiring full-time employment will make application in writing to the Manager, Industrial Relations on a form provided by the Company. The Manager, Industrial Relations will maintain a list by sub-seniority areas (as per Appendix "D") of all such part-time employees showing their name, store, date of application, and areas of experience, an up-to-date copy of which will be forwarded to the Area Union Office the first of each month. The list will be divided into nine **(9)** areas of experience: Meat, Grocery, Produce, Cash, Snack Bar, Bakery Counter, Bakery Production, Deli and Cheese, and Pier **19**.
 - (b) In hiring new full-time employees within a sub-seniority area, the Company agrees to hire part-time employees by experience from the above mentioned list for that sub-seniority area in order of seniority provided they are qualified to perform the work available. A part-time employee, who declines an offer of full-time employment on a job for which he has experience, will be moved to the bottom of the list as of the date of his refusal. **To** remain on the list, an employee must reconfirm his application once during the life of the Collective Agreement.
 - (c) If a part-time employee desires additional training in another area of the store in order **to** obtain full-time employment, he shall make his request known to the District Manager on a form supplied by the Company. The Company shall attempt to accommodate such request by seniority, as part-time positions become available within the municipality where the part-time employee works unless otherwise requested.
 - (d) If hired for the full-time staff and terminated during the probationary period as outlined in Article **10** of the body of the Agreement for reasons other than misconduct, the employee shall revert to his former part-time employment and retain his original part-time starting date. In cases where a probationary full-time employee is reverted to his former part-time position, the Store Manager will meet with the employee and the Store Steward and inform the employee of the reason for his return to part-time. It is understood and agreed that neither the action or the reason for it is subject to grievance or arbitration.
 - (e) The Company will post an announcement of the names of all newly hired full-time employees in the bargaining unit on the bulletin board of the stores in the same sub-seniority area as they are hired, with **a** copy to the Local Union Office. Any grievances filed with reference to such announcement must be filed at Step 1 within seven **(7)** working days of the date of the posting.

10.07 A schedule showing the part-time employee's hours of work for the following week will be posted at the time clock by 5:00 p.m. Thursday for the following week, a copy of which will be given to the Union Steward. The Union agrees that this provision will not be used to harass the Company. The posting does not constitute a guarantee of work for that week. If part-time employees are scheduled to report for work and work is not available, they will be notified at least **two (2)** hours before the scheduled starting time not to report to work except where changes are necessary as a result of circumstances beyond the control of the Company, but in such case the Company will give notice as far in advance as possible. The Company has the right **to** call in other part-time employees not previously scheduled to work if required by the

business. No part-time employee will be forced to work more than five (5) days in any week. All changes shall be marked on the posted schedule the same day.

10.08 In any week in which a part-time employee works in excess of twenty-eight (28) hours, he will be paid at least the hourly equivalent of the full-time starting rate or his part-time rate whichever is the greater. In calculating a part-time employee's entitlement to this rate, hours worked at premium rates on statutory holidays will be included, but other overtime hours will not be included. This clause will not be used to evade the proper scheduling of part-time employees.

- 10.09
- (a) A part-time employee relieving a full-time employee who is on vacation will not be considered full-time for the purposes of this Agreement. However, immediately following the completion of such relief work, any additional full-time staff will be hired as per Article 10.06 above.
 - (b) A part-time employee relieving a full-time employee absent due to illness, injury, or leave of absence will not be considered full-time for the purpose of this Agreement. However, should the full-time employee be absent in excess of three (3) months and the need for a replacement continues, the part-time employee will be returned to part-time hours and the position filled through the application of Article 10.06 above. Notwithstanding Article 2.08 (i) of the body of this Agreement, full-time employees returning to work following extended illness, injury, or leave of absence will displace the least senior full-time employee in his classification in the municipality in which he was employed.
 - (c) A part-time employee temporarily working a full-time schedule of hours (as set out in Appendix "A", Articles 1 and 2) for any reason will be eligible to receive the Evening Opening Bonus as set out in Appendix A, Article 4.

- (a) Employees with less than three (3) months' continuous service will be terminated.
- (b) Employees with more than three (3) months' continuous service will have the option of displacing the most junior part-time employees in the municipality, sub-seniority area, or the overall seniority area, provided they are able to perform the job in a competent manner and do not displace an employee with greater length of service. Where such transfer takes place, the employee's name will be placed on the seniority list of the store to which he is transferred based upon his length of continuous part-time employment with the Company. Those who decide not to exercise such option will be terminated.

11. OVERTIME

11.01 Part-time employees will be paid time and one-half (1 1/2) their regular hourly rate for all hours in excess of eight (8) per day, or thirty-seven (37) per week; however, in no case will hours that qualify for the daily premium also qualify for the weekly premium.

11.02 Part-time employees will be paid time and one-half (1 1/2) their regular hourly rate for all hours worked on a holiday as listed in Article 18.01 below.

11.03 A premium of \$1.60 shall be paid for all hours worked on Sunday, which are related to the store opening for business. For further clarity, "all hours worked on Sunday which are related to the store opening for business" includes hours on Sunday morning worked by the night crew, and hours worked up to two (2) hours before store opening and one (1) hour after store closing. All other hours worked on Sunday, when a store opens for business, shall be paid at one and one-half (1-1/2) times an employee's regular straight time hourly rate, and all hours worked on a Sunday when a store does not open for business shall be paid at two (2) times an employee's straight time hourly rate. Hours worked on Sunday shall be over and above the regular work-week.

1 104 Notwithstanding the Ontario Employment Standards Act of 1974, Section 20, Subsection 3, the Union, acting as the employee's agent, agrees that the Company has the right to require employees to work one half (1/2) hour past store closing.

12. MEAL AND REST PERIODS

12.01 A part-time employee who works four (4) consecutive hours, but less than five (5) consecutive hours, shall be entitled to one (1) fifteen (15) minute rest period without loss of pay.

12.02 A part-time employee who works five (5) or more consecutive hours, but less than seven (7) consecutive hours, shall be entitled to one-half (1/2) hour rest period, fifteen (15) minutes of which shall be without loss of pay.

12.03 A part-time employee who works seven (7) consecutive hours or more shall be entitled to two (2) fifteen (15) minute rest periods without loss of pay, and one-half (1/2) hour unpaid meal period. The one half (1/2) hour unpaid meal period is to be taken no later than the end of the fifth hour of work. By mutual agreement between an employee and the Store Manager an employee may be scheduled for a one (1) hour unpaid meal period.

APPENDIX "F"

Regarding Class "B" Stores

- Preamble With the exception of the matters set out below, all the terms and conditions of the Agreement and its Appendices apply to the full-time and part-time employees employed in the "B" (troubled) Stores located within the geographical scope of the Agreement.
- Any store converted will be treated in the same manner as a store closing under the main body of the agreement, to the extent that:
- a) All full-time employees will be given the option of bumping **out** of the store to be converted on the original conversion. All employees displaced in "A" stores will be first given their options in "A" stores and then given their option in "B" stores.
 - b) All former "A" store employees so displaced to "B" stores will be given the first opportunity in accordance with the full-time job application procedures, to fill new vacancies in the "A" stores. Such employees will be **red-circled**, and will maintain their pay rates, benefits and bargaining unit seniority while working in a "B" store.
- Definition If during the term of this Agreement stores become classified as troubled stores, the parties shall meet and such stores may by mutual agreement be converted to Class "B" stores.
- New stores or replacement stores will only be added by mutual agreement between the Company and the Union.
- 2.01 (a) Amended by adding the following:
- "Employees hired after the date of ratification shall have seniority rights only in the store in which they were hired".
- 2.08 (g) Does not apply.
- 2.08 (i) Does not apply.
- 2.10 (a) Deleted and replaced with the following:
- "Relief assignments are defined as temporary vacancies in excess of two (2) full consecutive weeks caused by sickness, leaves of absence, or **accident/injury** in the regular full-time staff, which place the store staffing below the minimum number of full-time employees required, as outlined in Article 11.01. To qualify as a relief assignment, the temporary vacancy must be a minimum of a normally scheduled full work week for a full-time employee".
- 11.01-11.12 Deleted and replaced with the following:
- "11.01 On the basis that recognition is given to the requirement of the business to engage the services of part-time employees, it is agreed that the minimum number of full-time employees in a store shall be determined as follows:
- (a) There shall be a minimum of one full-time employee in the store for each \$22,484 of sales per week, based on the average total store sales over the Company's previous four (4) fiscal quarters.
 - (b) Any adjustments in accordance with this minimum provision shall be completed within **two (2)** weeks following the end of each fiscal quarter.
- 11.02 No temporary store employee, part-time employee or person excluded from the bargaining unit shall be employed as a relief bookkeeper, or a relief store department manager, if a regular full-time employee capable of doing the relief work is available for the job.

In the case of a temporary out of town transfer, not to exceed twelve (12) weeks, an employee will be paid thirty-five (.35¢) cents per mile for all additional miles travelled, in reporting for work, where such additional travelling exceeds that which the employee normally travels. In the case of an out of town overnight transfer, an employee will be reimbursed reasonable travelling and/or living expenses in accordance with an arrangement made, prior to the transfer taking place, between the employee and his Store Manager".

"A" 2.04 Deleted and replaced with the following:

No employee will be coerced to work such third night and the choice as to whether he decides to do **so** will be left entirely to the employee. Voluntary agreement as referred to above will not be withheld by employees **to** the extent of preventing the efficient operation of any store.

"A" Article 4 Deleted and replaced with the following:

12) It is the Company's practice to assign part-time Sunday hours of work on a rotation basis among the volunteers within each department, given their ability to perform the normal requirements of the work available.

Dear Sir:

This will confirm the understanding relating to the currency of the Collective Agreement dated September 6, 2001, with respect to the Application of Article 15.

The following letter of instructions regarding "Absence from Work Pay" will be reissued from time to time.

**LETTER OF INSTRUCTIONS
REGARDING "ABSENCE FROM WORK PAY"**

In order to qualify for absence from work pay, an employee must comply with all the terms and conditions set out in Article 15 of the Collective Agreement; failure to do so can render an employee ineligible for such benefits.

To assist you in understanding and complying with the terms and conditions of Article 15, the Company and the Union wish to bring the following instructions to your attention:

- 15.03 Employees must PERSONALLY NOTIFY their Store Manager of their absence; the
(b) only exception to this is where the employee is physically incapable of doing so -- then he may have a responsible person (not a child) call on his behalf.

The employee must ask for the Store Manager when reporting his absence and not leave a message with the person who answers the telephone. If the Manager is not available, the employee is to ask for the "Manager's Appointee" and inform him of his absence.

The employee must give the Store Manager a specific reason for his absence.

Not only must the employee inform the Manager of how he may be contacted during his absence, but he must respond to such contacts. To be unavailable at the phone number or address given -- or to fail to return a call left in his absence may make an employee ineligible for benefits.

These instructions have been issued and approved by both the Company and the Union.
