BETWEEN

TORONTO POLICE SERVICES BOARD
hereinafter called "**the Board**"

OF THE FIRST PART,

-and-

TORONTO POLICE ASSOCIATION
hereinafter called "**the Association**"

OF THE SECOND PART.

Whereas the parties have mutually agreed to enter into and execute this Collective Agreement defining, determining and providing for remuneration, benefits, pensions and working conditions of the members of the Toronto Police Service coming within Unit "D" as set out in Schedule "1" hereto.

Now, therefore, this Collective Agreement witnesseth that in consideration of the premises the Board and the Association hereby mutually agree and covenant as follows:

ARTICLE 1 - SCOPE, RECOGNITION AND DURATION

- 1:01 This Agreement shall apply only to members of Unit D employed by the Toronto Police Service as hereinafter defined.
- 1:02 Provided at least 50% of the members of the Service belong to the Association, the Board shall recognize the Association as the sole and exclusive bargaining agent for all members of the Service save and except the Chief, the Deputy Chiefs, and senior officers (as defined in s.114 of the Police Services Act) represented by the Toronto Senior Officers Organization.
- 1:03 The terms and conditions herein contained shall remain in full force and effect for the period extending from January 1, 2005, until December 31, 2007, and thereafter, until replaced by a new collective agreement, decision or award. Either party may give notice to the other party at any time after ninety days before December 31, 2007 that it desires to bargain for a new collective agreement or amendments to the existing collective agreement. Within fifteen days from the service of such notice, each party shall provide to the other party a list of the changes to the collective agreement it desires.

ARTICLE 2 - DEFINITIONS

- 2:01 Except where a contrary intention appears:
- (a) "Association" means the Toronto Police Association.
 - (b) "Board" means the Toronto Police Services Board.
 - (c) "Chief of Police" means the Chief of Police, from time to time, of the Toronto Police Service.
 - (d) "Exigencies of the Service" means maintenance of an adequate Police service as determined by the policies of the Board and/or the direction of the Chief of Police.
 - (e) "Member" means a part-time member who is scheduled to work less than the normal annual hours worked by a full-time member under the Units "A", "B", or "C" agreements and who occupies any of the positions set forth in Schedule 1, annexed hereto and forming part of this Agreement.
 - (f) "Service" means the Toronto Police Force.

ARTICLE 3 - MANAGEMENT RIGHTS

- 3:01 (a) The Association and the members recognize and acknowledge that it is the exclusive function of the Board to:
- (i) maintain order, discipline and efficiency;
 - (ii) Hire; discharge, direct, classify, transfer, promote, demote, and suspend or otherwise discipline any member, provided that a claim that any such member has been discharged or disciplined without reasonable cause, may be the subject of a grievance and dealt with as hereinafter provided;
 - (iii) Generally to manage the operation and undertakings of the Service and without restricting the generality of the foregoing, to select, install and require the operation of any equipment, plant and machinery which the Board in its uncontrolled discretion deems necessary for the efficient and economical carrying out of the operations and undertakings of the Service.
- (b) The Board agrees that it will not exercise the foregoing functions in a manner inconsistent with the provisions of this Agreement.
- 3:02 Notwithstanding Clause 3:01 anything to the contrary in this Agreement contained, the Board shall have the exclusive right to discharge:
- (a) a probationary part-time member other than a Communications Operator within the first 1044 regular hours of his/her service; and
 - (b) a probationary part-time Communications Operator within the first 2088 regular hours of his/her service.

The prior service of a member re-employed by the Board after a break in service will not be considered for the purpose of this Clause.

Job Evaluation

- 3:03 (a) The parties agree to create a bi-partite Job Review Committee. Upon request of either the Association or the Board, the Job Review Committee will review jobs that may have been materially amended. This Review will be conducted to ensure the job is placed within the appropriate job classification. In conducting the Review, the Job Review Committee will evaluate up to date job content information using the Deloitte and Touche job evaluation system. This Review shall take place after six months but no more than one year of the notification of the material amendment. Any wage increase required as a result of this review will be retroactive to the

date of notification of the material amendment by the Board or the Association to the Job Review Committee. In the event of a dispute the matter will be referred to the Referee appointed under Article 3:04(b) whose decision is final and binding on both the parties. The Board is not required to review a job more than once in a calendar year. It is also the intent and understanding of the Parties that all jobs may be reviewed periodically upon the request of either the Board or the Association to maintain the integrity of the job evaluation system.

- (b) The Board will notify the Association within 30 days regarding the creation of a new civilian position. The Job Review Committee will meet within one year of the date of notification to evaluate the new civilian position. In the event of a dispute the matter will be referred to the Referee appointed under Article 3:04(b) whose decision is final and binding on both parties. In the event that the new position is assigned to a higher pay class as a result of the evaluation, retroactive pay shall be paid to the incumbent effective from the date the member commenced work in the position. However, if the assignment to a higher pay class is the result of a material amendment which occurred after the member commenced work in the position, then the retroactive pay shall be made from the date of the material amendment. In the event that the new position is assigned to a lower pay class, the incumbent shall receive the pay rate of the lower pay class. In the event that the assignment to the lower pay class has been referred to the Referee appointed under Art. 3:04(b) then the incumbent shall receive the pay rate of the lower pay class after the Referee's decision has been rendered.
- (c) All evaluations, alterations, amendments agreed to by the Job Review Committee shall be confirmed in writing and shall be deemed to be resolved and shall not be the subject of a grievance or claim hereunder.
- (d) A member whose job is assigned to a lower pay class will continue to receive his/her current salary until the rate of the job and step to which he/she is assigned exceeds his/her current salary or until the member moves into a higher step or higher class which would entitle the member to a rate exceeding the member's current rate. For a period of one year following the effective date of assignment, the member, if qualified to perform a job for which he/she applies, shall be preferred over other applicants for jobs in any class up to, and including, but no higher than, the pay class to which his/her job had been formerly assigned. Where more than one such qualified incumbent applies for a job, the selection criteria in Clause 16:02 shall govern.
- (e) A member whose job is assigned to a higher pay class will move to the lowest step in the higher class which will give the member a pay increase.

- 3:04 (a) A claim that, as a result of the action referred to in clause 3:03 (b), the Board has assigned the job to the wrong pay class shall be made in writing within one year of the assignment and shall include particulars, including the areas of disagreement, the pay class desired and the reasons therefore. Failing agreement, the claim may be referred to the Referee under this **Article**.
- (b) The parties shall endeavour to agree to jointly appoint one person to act as Referee for a specific period of time under this article. If the parties fail to agree, O.B. Shime, Q.C., (or a person designated by him) shall make the appointment.
- (c) In evaluating a claim under clause 3:03 (a) or clause 3:04(a), the Referee will be governed by the current job evaluation plan and its application to existing jobs in Units "A", "B" and "C",
- (d) The Referee shall have the power to establish the job description based on his/her assessment of job content as determined by the Board and determine job evaluations. All final and binding decisions of the Referee shall be made in writing to each party as soon as possible with reasons and shall be consistent with the Job Evaluation Plan and the Collective Agreement. The objective is to have a decision within 10 calendar days of the date of the last hearing or fact finding mission of the Referee on the matter in dispute. Decisions of the Referee shall be deemed to be Arbitration decisions under this Collective Agreement and the Police Services Act and shall be enforceable as such.
- (e) It is the desire of the parties that the hearings be conducted in an informal, and expeditious but fair manner based on representations by the Board and the Association. In conformity with this objective the Referee shall determine his/her own procedures. The Referee shall have all the powers of an Arbitrator under this Collective Agreement and the Police Services Act and, in addition, shall have the right to visit and observe the job in progress, and to interview such persons as the Referee may deem necessary in order to assign in the job evaluation. Full disclosure of all documents and data in the possession of either party shall be made to the Referee.
- 3:05 Any claims under clause 3:04 shall be made within 30 days after the Board has notified the Association of the class for salary purposes to which the position in question has been assigned.

- 3:06 The parties agree that the part time Court Officer position was created only in response to Bill 187 and is constituted to supplement and not to displace full-time Court Officers. In no instance shall a full-time Court Officer be declared **surplus** as a result of the employment of one or more part-time Court Officers.
- 3:07 The parties agree that the part time Communications Operator position will not exceed 20 positions at any one time.
- 3:08 The parties also agree that the telephone console operator position will not exceed 3 positions at any one time.

ARTICLE 4 - ASSOCIATION MEMBERSHIP

- 4:01 It shall be a continuous condition of employment with the Service that every member shall become a member of the Association within thirty days from the date of commencement of his/her employment with the Service and thereafter shall remain a member in good standing.
- 4:02 The Board shall not be required to discharge any member who has been expelled or suspended from membership in the Association, other than for engaging in unlawful activity against the Association.
- 4:03 The Board, in respect of every member, shall:
- (a) deduct from each regular pay of such member such dues and contributions to the Association, payable by such member in accordance with the By-laws of the Association, provided such are to be levied for not less than six months, and
 - (b) continue to make such deductions until this Agreement is terminated, and
 - (c) within one week after making of each such deduction, pay the sum **so** deducted to the Association.
- 4:04 The Association shall provide to the Board a certified copy of the By-laws of the Association authorizing any such dues and contributions and a certified true copy of the minutes of any meeting at which any change in such dues and contributions is made.
- 4:05 The Association will save the Board harmless from any and all claims which may be made against the Board for amounts deducted from pay as herein provided.
- 4:06 The actual cost to the Board, from time to time, during the currency of this Agreement of carrying out the provisions of Clause 4:04 shall be paid by the Association upon receipt of account therefore from the Board.

- 4:07 There shall be no discrimination by the Board or the Association against any member in respect of his/her employment because of his/her activity or lack of activity in the Association.

ARTICLE 5 - WAGES AND SALARIES

- 5:01 The salaries and wages to be paid to each member shall be in accordance with the rate of pay for each position as set forth in Schedule "1" annexed hereto and forming part of this Agreement.
- 5:02 Members' compensation shall be paid by means of an electronic bank deposit to a financial institution of the member's choice provided the institution is a member of the Canadian Payment Association. Pay stubs for members on electronic bank deposit shall be made available to all members in all units not later than 7:00 a.m. on payday.
- 5:03 (a) Whenever a member is assigned to and performs all the regular duties of a higher position for a temporary period not **less** than one **full** shift, such a member shall be paid the minimum rate of the higher position or awarded an increase of five per cent, whichever is greater, for all such time ~~so~~ worked. A member who is authorized to work through the lunch hour and to leave an hour before the end of the tour is nevertheless entitled to the higher rate.
- (b) The Board and the Association recognize the desirability of fair distribution of opportunities to work for temporary periods in higher classifications. Therefore, in making such assignments from amongst members in the next lower classification in the same section, the Supervisor will consider and **take** into account the extent to which the member has had such opportunity in the past, the duration of such temporary assignment, the level of performance of the member in his/her regular classification as well as the capacity of the member to perform the work **of** the higher classification.
- (c) The foregoing alternate rates provision shall apply to periods during which the member is absent on paid leave, on sick pay, on paid holidays or on annual vacation, provided such member has been continuously paid at such alternate rate for at least two months immediately prior to such absence on paid leave. Such alternate rate will be paid only to the extent that it would have been paid had the member remained at work. Absences of not more than five **(5)** working days shall not break the period of continuous acting rank assignment for purposes of this clause.

A member who performs his/her duties in one period of six or more consecutive hours shall, where the requirements of the Service permit, be allowed one paid hour for lunch. A one-half hour paid lunch period shall also be afforded, where the requirements of the Service permit, to members who are scheduled to work more than four consecutive hours per day but less than six consecutive hours. Where the requirements of the Service do not permit a member to take any such lunch period, he/she shall be credited with one hour or one-half hour at straight time, as the case may be, and where he/she is only able to take half an hour or less or one quarter of an hour or less, as the case may be, for lunch, he/she shall be credited with half an hour or one-quarter at straight time.

- 6:03 (a) (i) Whenever a part-time member who is not on vacation is required to attend at court that attendance will be considered to be scheduled working time for the purpose of calculating hours of work and for the purpose of the guaranteed minimum hours of work agreed to in clause 6:12.
- (ii) An appearance under subpoena at a W.S.I.B. Hearing, Criminal Injury Compensation Board Hearing, Public Inquiries Act Hearing and Coroner's Inquest, or at an administrative tribunal hearing where the testimony he/she is required to give relates to the performance by the member of his/her duties as a member of the Service shall be deemed to be an appearance at Court, but such administrative tribunal shall not include any arbitration under this agreement or the Police Services Act or any Disciplinary Hearing or any Public Complaints Act Hearing.
- (b) Whenever a member has reported off duty and is called back it will be considered to be an overtime assignment, regardless of the length of the original assignment, and the member will be guaranteed a minimum of three hours at time and a half to be taken either in payment or in lieu time.
- (c) Whenever a part-time member is required by the Board to report for duty, whether on a day originally scheduled or not, the clause 6.12 guarantee should apply unless the callback provision in paragraph (b) above applies.

- (d) A court appearance by a member on Pregnancy or Parental Leave is to be treated as a court appearance on a regularly scheduled day off and the member can elect cash or lieu time in respect thereof except where the court appearance is made during a period in respect of which a supplemental unemployment benefit applies. In such cases, members shall be credited with lieu time for use following their return to work. If a member does not return to work, the lieu time credit shall be paid out in cash.
- 6:04 (a) (i) A member who is required to attend court during his/her vacation shall be granted two days off for each day or part thereof spent in court based on average daily average for previous eight pay periods. This Article shall apply only if the member's Unit Commander has approved, in advance, the member's attendance at court.
- (ii) If such appearance is outside of the City of Toronto this clause will only apply if the member has notified his/her Unit Commander as soon as possible after being made aware of such required court attendance.
- (iii) In addition, when the member must travel to court from a place other than his/her normal place of residence, on a day other than the day of court attendance, he/she shall be granted equivalent time off to a maximum of eight hours for each day spent travelling. The member shall be reimbursed for any reasonable travelling expenses, except where the trip is made to or from the normal place of residence.

- 6:05 A member may elect lieu time instead of payment for overtime, including call back, in accordance with the following procedure:

Lieu time may be taken as a part of a day or a whole day.
- 6:06 (a) All lieu time shall be recorded in the member's lieu time register. The Parties agree that lieu time should be used as **soon** as practicable after the time is accumulated. For the purpose of this clause, lieu time includes all time accumulated under clause 8:03 for lunch hours, clause 6:04 for overtime and callbacks, and clause 9:04 for Statutory Holidays worked.
- (b) Members may elect to reduce their lieu time balance to 20 hours or zero hours on the last day of November of each year.

0 - 14	- Nil
15 - 44	- 30 minutes
45 1 hour 14 minutes	- 1 hour, etc,

- 6:10 (a) A member who is required to remain available for duty on standby when called by telephone at a telephone number supplied by him/her outside his/her regularly scheduled working hours shall receive standby pay in the amount of \$2.00 per hour (\$3.00 per hour effective January 1, 2007) for the period of standby scheduled by the Board. Standby pay shall, however, not apply if a member is called back to work under Clause 6.03 above during such standby and, in the event of a callback, the provisions of Clause 6.03 shall apply.
- (b) If a member is required to remain on call or on standby duty following the completion of the callback, the provision of clause (a), above, shall again apply.
- 6:11 Where a member who is not absent from work for sickness or otherwise is ordered to attend Medical Advisory outside hisher scheduled duty hours, the member,

MEMORANDA OF UNDERSTANDING MADE THIS 7th DAY OF DECEMBER, 2005 BETWEEN THE TORONTO POLICE SERVICES BOARD AND THE TORONTO POLICE ASSOCIATION CONCERNING MEMBERS COVERED BY UNIT "D" COLLECTIVE AGREEMENT.

1. ASSOCIATION/BOARD COMMITTEE

To resolve any problem or differences, including any alleged change in established working conditions not covered by the Collective Agreement, other than matters in negotiations or before standing committees which may arise and to consider and make suggestions or recommendations for their solution to the respective Parties, the Parties shall establish a joint committee comprised of two appointees representing the Association, at least one of whom shall be a seconded member, and two representing the Board, at least one of whom shall be a member of the Board, to meet to discuss matters of mutual concern. Seven days prior to such meeting the representatives of the Board and the Association shall advise each other in writing of the matters which they wish to place on the agenda for discussion. Time spent by appointees in attendance at such meetings shall not result in loss of regular pay.

The Board will give the Association 30 days' notice of any changes the Board intends to make to working conditions, where the Board is aware of such conditions.

2. DISPUTE RESOLUTION

For the purposes of the Dispute Resolution Process and in particular paragraphs (c) and (h) of Clause 28:02, the Selector shall be Owen B. Shime, Q.C., who shall continue until the parties agree to his replacement, or he declines, or is unable to act.

3. ASSOCIATION REPRESENTATION

The Board has no objection to an Association Representative on full-time leave of absence under Clause 18:01 from entering Service premises in connection with his duties as an Association Representative provided the Association Representative obtains permission from the appropriate Unit Commander or Designate before entering Service premises and will similarly report when leaving. Such permission shall not be withheld unreasonably. It is understood the visits may either be pre-planned or spur of the moment. In the former case permission should be arranged in advance. Such Representative may meet with the member during lunch hours or break periods at a location designated by the Unit Commander or his Designee. The Association and the Board shall cooperate

with each other in ensuring that these visits do not adversely affect the Department's operations.

4. OMERS SUPPLEMENTAL OPTIONAL SERVICE

On the condition that "past service" can be treated as "credited service" under the OMERS and that there is no cost whatsoever to the Board or City of Toronto in the member purchasing such past service, the Board agrees to endeavour to obtain from OMERS as soon as possible for members applying pursuant to the procedures and time limits established by OMERS and/or the Board, OMERS supplemental Optional Service coverage for a member's past service. Past Service means "optional service" as defined in the OMERS Act including "war service" as also defined in the Act.

5. INSURED BENEFITS

The benefit levels for Semi-private, Comprehensive Medical and Dental shall be the same for part-time members as for full time Civilian members.

6. LEAVE OF ABSENCE P.A.O.

The Board shall provide for a leave of absence with pay for a total of 10 duly elected delegates from the Association to attend the Annual Conference of the Police Association of Ontario (10 delegates in total under all Collective Agreements).

7. BENEFITS -- SURVIVING SPOUSE/DEPENDENTS

The parties agree that participation in Service Benefits Plans (Semi-private, Dental and Major Medical) shall be available for surviving spouses and dependants as follows:

- a) If a member is killed in the performance of the member's duty, the member's surviving spouse, common law spouse, or surviving same sex partner ("the survivor") shall be entitled to Semi-Private, Dental and Major Medical coverage until the survivor reaches the age of 65. The member's dependants shall be entitled to benefits until they reach the age of 21, unless they qualify for coverage as "over-age dependants."
- b) If a member dies of natural causes/non-work-related accident, the survivor shall be eligible for the above noted benefits for one year from the date of such death, unless the member's dependants have not yet reached the age of 21 years, in which case the survivor shall be eligible for the above noted benefits for so long as the dependants remain eligible.

- c) To the extent that the survivor or the dependants become entitled to benefits from any other source (“the other benefit plan”), the survivor shall submit his/her claim to the other benefit plan first and then, if necessary, make a claim under the Service plan for any outstanding claims. The obligation of the Service shall be to provide benefits such that the entitlement of the survivor and the dependants is not less than it would have been under the Service Plan in respect of all benefits covered by the Service Plan. For clarity, the Service remains fully responsible where the survivor or dependants have no coverage under another benefit plan.

8. EDUCATION PROGRAM

The parties shall establish a Joint Committee composed of three representatives of each party to determine and manage Joint Labour Relations Training and Education Programs. The program(s) will commence as soon as possible. The Board agrees to pay the full cost of all time off work for all Association Stewards and those management representatives participating in the program. The parties shall equally share the other costs of preparing, administering and carrying out the program including, without limiting the generality of the foregoing, the cost of materials, speakers, accommodation, etc. The Committee shall consider whether any portion of the programs shall consist of separate training and education components for Association and management participants or whether all education and training should be joint. Any change made by the Committee must be unanimous,

9. CENTRAL SICK LEAVE BANK

Notwithstanding Art. 12:10(e)(1) or any other language in the collective agreement, the Board will make such additional annual contributions of funds to the CSLB in 2005, 2006 and 2007 so that all benefits owing to persons eligible for benefits under the collective agreements are paid.

A committee comprising three (3) representatives of the Board and three (3) representatives of the Association will meet to discuss alternatives to the Central Sick Bank Plan, including but not limited to the introduction of a new Long Term Sick/Long Term Disability Plan(s), or the continuation of the existing plans, or other options. The option determined under this process shall come into effect to be in place no later than January 1, 2008. If the parties cannot reach agreement on the matter by December 31, 2006, the parties agree that the matter will be heard and determined at an interest arbitration chaired by Mr. K. Burkett, or, if he is not available, by Mr. O. Shime or, if he is not available, Mr. G Adams shall appoint the chair if the parties cannot agree on a chair. The decision shall be final and binding on the parties as if the matter were determined as an interest arbitration

under the collective agreements. The parties shall appoint their nominees to the Board.

If required, the above hearing will commence no later than April 1, 2007 with an implementation date of January 1, 2008.

10. LEGAL INDEMNIFICATION

In the event that there are changes to the public complaints system during the currency of the collective agreements, the Association shall have the right to reopen negotiations to address any legal indemnification issues that may arise from such changes, including resort to mediation and interest arbitration, if necessary, pursuant to the terms of the collective agreements.

Executed at Toronto this 7th day of December, 2005.

The member, within ten days of being counselled, may respond in writing to such evaluation.

Where a member responds to such evaluation, the response is to be attached to the said evaluation.

Upon request, members shall be given a copy of their annual evaluations and a copy of any other performance appraisals that are completed. Copies are to be furnished following discussion of the evaluation/appraisal with the unit commander/supervisor.

2. RESIGNATIONS

A member, within 48 hours (excluding Saturday or Sunday) of submitting a written resignation may request the Chief of Police, either directly or through the Association, to withdraw said resignation. The Chief of Police, after investigation, will determine the matter.

3. PERSONNEL FILES

The member's Divisional file will be made available to the member for reviewing prior to being counselled and on special request, not to exceed once per year, through the Unit Commander.

The Chief of Police will direct that Unit Commanders have available on or around June 30th and December 31st a sick leave record of each member in the Unit so that members may reconcile their Sick Bank **Status** Statements.

6. CLOTHING AND EQUIPMENT

Uniform and all equipment will be the subject of continuing study by the Clothing and Equipment Committee.

Where the Board or the Service intends to purchase new items of uniform issue or protective equipment for Uniform or Civilian members, or provide existing items of uniform issue or protective equipment to members who have not previously received it, the proposed purchase or issuance shall be discussed at the Clothing and Equipment Committee prior to the proposed purchase.

Where the Board, acting upon the recommendation of the Chief of Police, intends to approve a clothing or equipment purchase which is different from the recommendation of the Clothing and Equipment Committee, then the Association shall be provided with an opportunity to send written submissions to the Board prior to the Board meeting where the Board approves the clothing and equipment purchase. The Association must provide any written submissions it intends to make to the Board within three days of being advised by the Board.

7. FACILITIES

The concerns of the Association regarding parking, rest areas, lockers, showers and physical fitness facilities will be referred to a committee of two representatives of Management and two representatives of the Association, in an effort to develop general criteria for future facilities for guidance of Toronto Parks and Property.

8. LEGAL INDEMNIFICATION RETAINER

1. The Board has adopted a policy which permits a member who may be eligible for indemnification under Article 27 of the Agreement to apply for funds to provide his counsel with a retainer if one is required which application may be made on the following basis:

 - (ii) the funds applied for do not exceed the greater of \$2,000.00 or 25% of the retainer based on the necessary and reasonable legal costs which in the event of dispute shall be determined by the City

of Toronto Solicitor (if the retainer increases over time the member may apply for additional funds within the terms of this policy);

- (iii) where the actions of the member do not appear to be covered by Clause 27:03 of the Agreement; and
- (iv) where the member undertakes to indemnify the Board for such funds if the member is not entitled to indemnification under Article 27 in a manner and form satisfactory to the City of Toronto Solicitor.

2. If the Chief or Chiefs delegate is to recommend to the Board that the retainer provided in 1 (ii) not be provided the Association shall be informed so that they may make written representation to the Board before a final decision is made.

9. VACATION DRAW

10. FITNESS FACILITIES

To offset the cost of equipment for fitness facilities, the Board will endeavour to obtain the maximum amount of government funding possible. The balance of the cost will be shared according to the Board's current policy: 1/3 payable by the Board, 1/3 payable by the T.P.A.A.A. (assuming the T.P.A.A.A. agrees), and 1/3 payable by the members.

11. COMMUNICABLE DISEASES

A Committee comprising of two representatives appointed by the Association and two representatives appointed by the Board shall study the issue of communicable diseases and shall make recommendations to the parties regarding procedures to be used by members when dealing with persons suffering from, or suspected of suffering from, communicable diseases.

The Board will pay to a former member of this Service who has retired on pension and who is required by summons to attend court in connection with his/her duties as a member of this Service (but not where such individual is the person charged)
