Where the highway driver is on a mileage rate under this clause, forty-five (45) miles shall constitute one (1) hour for measurement of time worked. This provision shall not apply where a highway driver leaves on a trip on the evening of the driver's scheduled day off or during the evening of any such designated holiday.

**ARTICLE IV**  
**BID RUNS**

4.01 At least twice annually in April and October, all regular full-time armoured car employees shall, in order of their seniority, bid for and be assigned to blocks of runs, coverman positions under the terms and conditions hereinafter set forth:

(a) Employees must be qualified and capable to perform all duties required in the classification in which they bid.

(b) Employees must be assigned to the new blocks which they had bid not later than one (1) month after the completion **of the** bid.

(c) The Employer will consider written requests to change assignments to replace other full-time employees who are absent for known periods covering full weekly schedules.

Requests must be made by Wednesday noon of the preceding week. The replacement must be for the total length of the temporary absence. Any resulting temporary vacancy shall be filled at the Employer's discretion.

(d) Employees bidding for coverman positions shall be available within thirty (30) minutes after call in. A coverman will accept such assignments as directed by the Employer and may be removed from such positions due to absenteeism. Only employees who are qualified and capable of performing all the functions of a messenger, driver and guard may be classified as a coverman employee. Coverman jobs shall be listed by starting time. Covermen shall be assigned in order of their starting time (i.e., first in, first out). The Employer shall determine the number of coverman positions.

(e) Once an employee has bid for a block and been assigned thereto, such employee shall remain thereon until the next bid except as herein specifically provided.

(f) On the Thursday of the week preceding, pool employees shall be assigned by seniority to weekly work schedules in accord with the following steps:

(i) In accord with preferential days off, where available, then.

(ii) To the highest classification available, provided they are capable and qualified to perform all duties and functions of the weekly schedule.

(iii) In the event there is an insufficient number of employees qualified in the pool to perform the work assignment, the Employer reserves the right to remove a qualified employee from a bid run to fill necessary vacancies.

(iv) Vacancies that occur after the schedule is posted shall be filled at the Employer's discretion.

Other conditions:

#### 4.02 Revisions of Runs

In order to meet the needs of customers and improve the efficiency of the operation, runs may be changed from time to time by adding stops, removing stops, changing starting times, revising, merging, eliminating runs or adding new runs. If runs shall be unusually late coming in due to breakdowns or other causes to the point that it cannot meet the Employer's commitment to the customer, a crew or another run may be assigned to extend its run and make such pickup or perform other duties on the late run in order to meet the obligation of the Employer with respect to the customer involved on the late run.

##### Special Assignments

Special assignments may be assigned to available employees or regular runs may be rescheduled at the discretion of the Employer.

##### Special Runs

On special runs, that is, runs not regularly or normally recurring, the Employer may assign such runs to available full-time or part-time employees. If any insufficient number of employees are available in the above category, employees may be called to work on their scheduled day off.

##### Runs Added

In the event a new weekly run is started during a bid period, it will be considered as pool work until the next bid.

##### Runs Eliminated

In the event a run for which employees have bid shall be eliminated or taken off the street, then the employees who have bid for that run shall revert to the pool.

##### Mergers

In the event of the merger of two or more runs, the senior employees in classifications on the runs thereby affected may elect to stay on the remaining or merged run or revert to the pool.

##### Refusal or Removal From a Run

The Employer may, for just cause, refuse an assignment to a run which an employee has bid and, once having assigned an employee to a run, may remove such employee for just cause. The action of refusal or removal shall be a proper subject of the grievance procedure. Persons so removed or refused may be assigned to the pool pending the determination of the grievance, if any.

4.03 At least twice annually in April and October, all regular full-time vault employees shall, in order of their seniority, bid for and be assigned to weekly vault schedules.

Terms and conditions as follows:

(a) Employees must be qualified and capable to perform all duties required in the weekly schedule in which they bid.

(b) Employees shall be assigned to the new weekly schedules which they had bid not later than one (1) month after the completion of the bid.

(c) The Employer will consider written requests to change assignments to replace other full-time employees who are absent for known periods covering full weekly schedules.

Requests must be made by Wednesday noon of the preceding week. The replacement must be for the total length of the temporary absence. Any resulting temporary vacancy shall be filled at the Employer's discretion.

(d) Once an employee has bid for weekly schedule and been assigned thereto, such employee shall remain thereon until the next bid except as herein specifically provided.

4.03 At least twice annually in April and October, all regular full-time ATM employees shall, in order of their seniority, bid for and be assigned to weekly schedules of work under the terms and conditions as follows:

(a) Employees must be qualified and capable to perform all duties required on the weekly schedule in which they bid. Upper combination holders will select upper combination assignments and lower combination holders will select lower combination assignments. Within thirty (30) days after the date Agreement is reached, all full-time ATM employees shall, in order of their seniority, select either upper combination or lower combination status. Once they have made such selection, they shall remain an upper or lower combination holder, as the case may be, for the duration of the Agreement. If combinations are eliminated, the parties agree to renegotiate the bid procedure.

(b) All employees must be qualified and capable to perform all of the duties required on the weekly schedule that they bid.

(c) Effective one (1) month after the date employees are assigned to the new runs they have bid, the Employer and the ATM stewards will form a committee to explore bid run procedures for improvement and/or resolution of problems as they develop.

## **ARTICLE V MISCELLANEOUS**

5.01 In the event legislation is enacted that requires the EMPLOYER to provide a guard as part of the normal crew complement, a graduating wage scale would be administered which would allow the EMPLOYER time to absorb the cost of the new full-time positions.

5.02 The implementation of the "on call" provisions of the ATM Addendum in the Toronto ATM operation will not diminish the Employer's obligation as described in Article 1.01(f) as it pertains to available first line maintenance positions depending on ATM business conditions.

5.03 A tool allowance shall be paid to those full-time employees who are licensed motor vehicle mechanics or are registered apprentices, and whose duties involve maintaining the EMPLOYER's vehicles. Such allowance shall be paid as this expense is incurred to an annual maximum of one hundred and seventy-five dollars (\$175.00) upon presentation of proof of purchase. To be eligible for such tool allowance, an employee must be employed for a minimum of one (1) year and the tools purchased must be tools necessary for work on the EMPLOYER's vehicles.

5.04 Employees of the Toronto Branch will observe the statutory holidays in the following manner:

(a) Any shift commencing on or after 5:00 P.M. shall observe the statutory holiday on the day preceding the statutory holiday and this day shall be deemed the statutory holiday.

(b) All other shifts shall observe the statutory holiday on the actual holiday or in accordance with Article 10.03.

## HAMILTON ADDENDUM

Employees working in the classifications covered hereunder shall be entitled to all the terms and conditions of the Agreement, except as herein-below amended, supplemented or modified. In the event there is a conflict between the terms of this Addendum and the Agreement, the terms of this Addendum shall prevail.

### BID RUNS

1.01 Once annually the Employer shall post a list of blocks of runs describing in general terms the areas to be served, the nature of work to be performed, the starting times, approximate duration and estimated crew compliments for each of the blocks. After such runs are posted, for a minimum of 1 (one) week the senior fifty percent (50%) of the full-time employees shall, in order of their overall seniority, be offered an opportunity to bid for assignment to the blocks of runs set up by the Employer. In the event an employee fails to bid at the time the opportunity is offered, such employee will be considered a pool employee. In the event some employees elect not to bid, or fail to bid, the right to bid shall be extended to other full-time truck employees in order of seniority until a maximum of fifty percent (50%) of the truck employees have bid for assignment. It shall be the employee's responsibility to advise the Employer in writing of their run selections should they be absent during the selection period.

1.02 On the first week of the months following the completion of the bids employees shall be assigned to the new blocks which they have bid.

1.03 Employees who bid for such blocks must be qualified to perform all duties required in the classification in which they bid.

1.04 Employees who are not eligible to bid, and those full-time employees who are eligible to bid but do not elect to do so, or fail to do so, shall compose a pool of unbid employees. On Thursday of the week preceding the Employer shall post a weekly schedule for the full-time employees assigned to the pool. Employees assigned to the pool shall be classified as guards and shall be paid at the wage rate applicable to the classification which they are assigned.

### REVISION OF RUNS

1.05 In order to meet the needs of customers and to improve the efficiency of the operation, runs may be changed from time to time by adding stops, removing stops, changing starting times, revising, merging, eliminating runs or adding new runs. If runs shall be unusually late coming in due to breakdown or other causes to the point that it cannot meet the Employer's commitment to the customer another crew or another run may be assigned to extend its run and to make such pick-up or perform such other duties on the late run in order to meet the obligations of the Employer with respect to the customers involved on the late run.

## **SPECIAL RUNS AND ASSIGNMENTS**

1.06 On special runs or assignments, that is, runs or assignments not regularly or normally recurring, the Employer may assign such runs or assignments to pool employees, working crews or by rescheduling runs or by using part-time employees; or if an insufficient number of employees are available in the above categories then employees may be called to work on their scheduled day off. This provision shall not apply to Special work, Sunday or Holiday assignments.

1.07 Once an employee has bid for a block and been assigned thereto, he shall remain thereon until **the next general bid**.

## **PERMANENT VACANCIES**

1.08 In case a block has been bid and then permanently vacated, for example by death, retirement, termination, etc., the senior qualified employee from the pool who did not originally have the right to bid shall fill that vacancy for the remainder of the bid period if he so desires, provided, in the event no full-time employee in the pool accepts such assignment, the Employer reserves the right to assign the junior full-time employee to the vacancy.

## **RUNS ELIMINATED**

1.09 In the event a run for which employees have bid shall be eliminated or taken off the street, then the employees who have bid that run shall revert to the pool of employees.

1.10 In the event of the merger of two (2) or more runs the senior employees (regardless of classification) on the runs thereby affected may elect to stay on the remaining or merged run, provided they are qualified to perform the work available or revert to the pool.

## **REFUSAL OR REMOVAL FROM A RUN**

1.11 The Employer may refuse assignment to a run which an employee has bid for just cause, and once having assigned an employee to a run, may remove him for just cause.

The action of refusal or removal shall be a proper subject of the Grievance Procedure. Persons so removed or refused shall be assigned to pool pending the determination of the grievance, if any.

**ARTICLE XXVIII  
TERM OF AGREEMENT**

Duration of Agreement:

This Agreement is in effect on ratification October 1, 1998 and will be dated August 27, 1998 to August 27, 2002.

The wage scales shall be effective September 18, 1998 until August 27, 2002.

If pursuant to the negotiations which commenced upon such notification, an Agreement is not reached on the renewal or amendment of this Agreement, or the making of a new Agreement prior to the current expiry date, this Agreement shall continue in full force and effect until a new Agreement is signed between the parties or until conciliation proceedings prescribed under the appropriate statutory regulations have been completed, whichever date should first occur.

In the course of negotiations for a successor Agreement and Addenda, the determination of acceptance or rejection of a proposed Agreement and Addenda shall be based on the total votes cast by eligible employees covered by the Agreement.

In witness whereof each of the parties has caused this Agreement to be signed by their duly authorized officials or representatives as of this day of \_\_\_\_\_ in the year 1998.
