ARTICLE 1 - RECOGNITION

1.1 The Government recognizes the Association of Management, Administrative and Professional Crown Employees of Ontario as the exclusive bargaining agent for a bargaining unit composed of all Crown employees as defined in Section 1 of CECBA, 1993 who are Public Servants in the classifications set out in the list of classifications attached as Schedule 1 to this collective agreement, all Go Temp employees, students and interns working in those classifications, and all employees in any newly established classification that is subsequently agreed, or determined by the OLRB, to be materially similar to a classification in the unit, (save and except persons who exercise managerial functions or who are employed in a confidential capacity relating to labour relations, or lawyers and engineers who are employed in their professional capacity, or those employed in HR Ontario including Regional Service Delivery Centres and Strategic HR Units, or persons employed in the Correctional Bargaining Unit or persons employed at the Ontario Police College, the Ontario Provincial Police Academy, or under the supervision of the Commissioner of the OPP or the Chief Firearms Officer for Ontario.)

The parties agree that paragraphs 3, 4, 5 and 6 and Appendix B of the September 10, 2008 Agreement form part of the collective agreement, and that the September 10, 2008 Agreement overrides and replaces all prior agreements and settlements between these parties concerning the recognition, treatment and scope of AMAPCEO as a tag-end bargaining unit, as well as replacing, in respect of the seventh unit, OIC 243/94. For clarity, paragraph 5 of the recognition clause settlement dated September 8, 2004, providing for parallel classifications in the AMAPCEO unit where a deleted MCP classification is reinstated, continues to apply, and nothing herein affects the revised recognition clause set out in this article.

Effective October 1, 2013 the following recognition clause will apply:

The Government recognizes the Association of Management, Administrative and Professional Crown Employees of Ontario as the exclusive bargaining agent for a bargaining unit composed of all Crown employees as defined in Section 1 of CECBA, 1993 who are Public Servants in the positions and classifications set out in Schedule 2 to this collective agreement. For clarity, Schedule 2 includes all classifications and positions previously encompassed by Schedule 1 that have been assigned to a classification level as of the signing of this collective agreement, as well as any positions or classifications included in Schedule 1 that have not, as of the signing of this collective agreement, been assigned to a level in the new job evaluation/classification system, as well as all Go Temp employees, students and interns working in those classifications and positions, and all employees in any newly established classification or position that is subsequently agreed, or determined by the OLRB, to be materially similar to a classification or position in the unit, (save and except persons who exercise managerial functions or who are employed in a confidential capacity relating to labour relations, or lawyers and engineers who are

employed in their professional capacity, or those employed in HR Ontario including Regional Service Delivery Centres and Strategic HR Units, or persons employed in the Correctional Bargaining Unit or persons employed at the Ontario Police College, the Ontario Provincial Police Academy, or under the supervision of the Commissioner of the OPP or the Chief Firearms Officer for Ontario.)

The parties agree that paragraphs 3, 4, 5 and 6 and Appendix B of the September 10, 2008 Agreement form part of the collective agreement, and that the September 10, 2008 Agreement overrides and replaces all prior agreements and settlements between these parties concerning the recognition, treatment and scope of AMAPCEO as a tag-end bargaining unit, as well as replacing, in respect of the seventh unit, OIC 243/94. For clarity, paragraph 5 of the recognition clause settlement dated September 8, 2004, providing for parallel classifications in the AMAPCEO unit where a deleted MCP classification is reinstated, continues to apply, and nothing herein affects the revised recognition clause set out in this article.

For further clarity, the parties agree that the Government continues to recognize AMAPCEO as the exclusive bargaining agent for all classifications and positions, previously covered by the recognition clause contained in Article 1.1 of the collective agreement, and that the change to the new job evaluation/ classification system structure and the amendments to the recognition clause neither alter, expand nor erode the scope of the bargaining unit.

ARTICLE 2 - NON-DISCRIMINATION/HARASSMENT/SEXUAL HARASSMENT

- 2.1 It is understood that the parties are committed to principles which will foster and encourage diversity in the workplace.
- 2.2.1 There shall be no discrimination or harassment practised by reason of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, marital status, family status, same sex partnership status, or disability, as defined in section 10(1) of the Ontario Human Rights Code (OHRC).
- 2.2.2 The Employer has a general duty to take every precaution reasonable in the circumstances to protect an employee from personal harassment. Personal harassment is engaging in a course of vexatious comment or conduct against an employee in the workplace that is known or ought reasonably to be known to be unwelcome.

- 2.3.1 All employees covered by this Agreement have a right to freedom from harassment in the workplace because of sex by his or her Employer or agent of the Employer or by another employee. Harassment means engaging in a course of vexatious comment or

- 2.3.2 Every employee covered by this Collective Agreement has a right to be free from,

 - (b) a reprisal or a threat of reprisal for the rejection of a sexual solicitation or advance where the reprisal is made or threatened by a person in a position to confer, grant or deny a benefit or advancement to the employee.
- 2.3.3 The time limits set out in Section 15.2.1 do not apply to complaints under Article 2.3, provided that the complaint is made within a reasonable time of the conduct complained of, having regard to all the circumstances.
- 2.3.4 Where, at any time either before the making of a complaint or the filing of a dispute under Article 2.3, the Employer establishes an investigation of the complaint, or the employee agrees to the establishment of such an investigation, pursuant to any staff relations policy or other procedure of the Employer, the time limits for the processing of the complaint or dispute under Article 15 shall be suspended until the employee is given notice in writing of the results of the investigation.
- 2.3.5 Where a complaint under Article 2.3 is made against an employee's supervisor, or any person with supervisory responsibilities at a higher level over the employee, any oral complaint or written dispute which is expressed in Article 2.3 to be presented to the supervisor may be presented directly to the Deputy Minister, or the Deputy Minister's designee, or any person appointed by the Deputy Minister specifically to deal with complaints or disputes under this provision. It is agreed that the designee assigned will not be a person who is the subject of the complaint giving rise to the dispute.
- 2.3.6 Where it appears to a board of arbitration that an employee who is a complainant under Article 2.3 has made a complaint under the Ontario Human Rights Code relating to the conduct which is the subject of the dispute, the board of arbitration may, as it sees fit, adjourn the dispute, stay the dispute, or dismiss the dispute.
- 2.3.7 An employee who makes a complaint under Article 2.3 may be accompanied and represented by an employee representative at the time of the discussion of the complaint, at each stage of the dispute procedure, and in the course of any investigation established by the Employer under any staff relations policy.

ARTICLE 3 - MANAGEMENT RIGHTS

- 3.1 Subject only to the provisions of this Agreement, the right and authority to manage the business and direct the workforce, including the right to hire and lay-off, appoint, assign and direct employees; evaluate and classify positions; discipline, dismiss or suspend employees for just cause; determine organization, staffing levels, work methods, the location of the workplace, the kinds and locations of equipment, the merit system, training and development, appraisal; and make reasonable rules and regulations; shall be vested exclusively in the Employer.

- 5.2 Employees newly hired or newly assigned into the bargaining unit will be notified in writing, on or prior to their starting date, that their position is in the AMAPCEO bargaining unit, and of the name, address and telephone number of the Association. The President of the Association shall be copied electronically on or about the same time as the information is sent to the employee.

ARTICLE 6 - NO DISCRIMINATION FOR ASSOCIATION ACTIVITIES

- 6.1 There shall be no discrimination or harassment practised by reason of an employee's membership or activity in the Association.

ARTICLE 7 - EMPLOYEE RIGHT TO REPRESENTATION

- 7.1 Where a supervisor or other Employer representative intends to meet with an employee:
- (a) for disciplinary purposes; or
 - (b) to investigate matters which may result in disciplinary action; or
 - (c) for a formal counselling session with regard to unsatisfactory performance or behaviour; or
 - (d) for termination of employment; or

- 7.2 If the employee requests representation by an Association representative, the Employer shall set the time and place for the meeting, which is mutually agreeable to the Employer and the employee. Failing agreement the Employer shall allow up to 3 days from the notice in Article 7.1 for the employee to secure an Association representative for the meeting. However, where urgency is required, the Employer shall give the employee notice so that the employee can be represented by an Association representative in person or by teleconference.

- 8.1.1 The Employer agrees to provide leave of absence from full time employment, or partial leaves of absence for up to half of full time employment, with pay and no loss of credits for up to the equivalent of six (6) full time positions, for members of the Association to conduct business of the Association. The leaves of absence will be renewed annually.
- 8.1.2 Upon the expiry of any leave of absence, the employee on leave shall be returned to his or her former position and location if such position and location still exist. The Employer and the employee may agree on another position to which he or she may be returned, subject to the requirements of the collective agreement. If the employee's position is declared surplus during the leave, then the employee retains all rights under Article 27. However, notwithstanding Article 27.3.11, the Employer shall attempt to find on an ongoing basis, a direct assignment for the employee throughout

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

In the event that no direct assignment is found before the leave expires, then upon the expiry of the leave, notwithstanding Article 27, the employee shall be assigned with no loss of pay or benefits, to an equivalent or similar position within the geographic parameters specified in the employee's portfolio; however it is agreed that such an assignment will not result in a promotional salary increase.

8.1.3 For clarity, Article 8.1.2 applies to employees who are on a full time leave of absence of at least 6 consecutive months, and who are:

- (a) on a leave from full time employment pursuant to Article 8.1.1, or
- (b) on a partial leave of absence pursuant to Article 8.1.1 which together with Association leave under Articles 8.2, 8.3, 8.4, 8.5, and 8.6 amounts to a full time leave of absence.

AMAPCEO agrees to inform the Employer of the members who are covered by this provision.

8.2.1 With notice, AMAPCEO representatives are entitled to take time off with pay and no loss of credits if reasonably engaged in meetings with management on issues relating to labour relations, including collective bargaining or to the enforcement of this Agreement or processing claims involving the statutory rights of employees *vis à vis* the Employer, unless the time off would impair operational requirements.

8.2.2 The Employer agrees that AMAPCEO representatives may take time off with pay and no loss of credits for reasonable preparation time for meetings with the Employer on behalf of the Association, so long as proper notice is given, and this does not impair operational requirements. This article does not apply to time spent preparing for any meetings under Article 15 (Dispute Resolution) or collective bargaining.

8.2.3 Members of the Association granted leaves of absence under Article 8.2.1 for the specific purpose of collective bargaining shall also be granted reasonable time off with pay and no loss of credits for the purpose of preparation time and/or to attend Association bargaining team caucus sessions held immediately prior to the commencement of such negotiations, mediation or arbitration, or other periods during negotiations, mediation or arbitration where either party is not available.

- (e) this leave does not include travel time.

8.4 The Employer shall grant time off to a maximum of five (5) days per calendar year for each Association representative with pay and no loss of credits for the purpose of labour relations education, unless such time off would impair operational requirements.

ARTICLE 15 - DISPUTE RESOLUTION PROCEDURE

15.1 Statement of Intent

The Employer and the Association acknowledge the importance of resolving disputes arising from the interpretation, application, administration or alleged violation of this agreement, (hereafter referred to as “disputes”), at an early stage, and, wherever possible, at the local level, in order to foster a harmonious and productive working environment. In this respect, the parties recognize the importance of informal means of resolving employee complaints at the lowest level possible before they become formal disputes under this Article and that nothing in this Article is intended to discourage the ordinary local workplace resolution of employee complaints outside of this dispute resolution process. The parties further acknowledge the importance of full disclosure of issues and open discussion throughout the process to facilitate mutually acceptable resolutions.

15.2 **Formal Resolution: Stage One**

15.2.1 If any complaint is not satisfactorily resolved at the local level, the employee may file a dispute in writing within thirty (30) days after the circumstances giving rise to the complaint have occurred, or have come or ought reasonably to have come to the attention of the employee with his or her manager on a form prescribed by the Association. The manager shall meet with the employee and shall give the Association or representative of the Association present at the meeting and the employee his or her decision in writing within seven (7) days of the submission of the dispute.

15.3 **Formal Resolution: Stage Two**

15.3.1 If the dispute is not resolved at Stage One, the Association, on behalf of the employee, may submit the dispute in writing to the manager, for transmittal to the designated management representative at Stage Two, within twenty (20) days of the date that the Association or representative of the Association present at the meeting received the decision at Stage One. In the event that no decision in writing is received in accordance with the specified time limits at Stage One, the Association may submit the dispute to the manager, within twenty (20) days of the date that the manager was required to give the decision in writing in accordance with Stage One.

15.3.2 It is agreed that the Stage Two designated management representative will have the authority to work towards resolving the dispute and that, other than in exceptional circumstances, no manager who has dealt with a dispute at Stage One will be designated at Stage Two. A designated management representative shall hold a meeting with the Association and the employee within fifteen (15) days of the submission of the dispute at Stage Two and shall give the representative of the Association present at the meeting and the employee a decision in writing, within seven (7) days of the meeting.

15.3.3 If the dispute is not resolved at Stage Two, the Association, on behalf of the employee, may submit the dispute in writing to arbitration under Article 15.10 within fifteen (15) days of the date that the representative of the Association present at the meeting received the decision at Stage Two. In the event that no decision in writing is received in accordance with the specified time limits at Stage Two, the Association may submit the dispute to arbitration, within fifteen (15) days of the date that the designated management representative was required to give the decision in writing in accordance with Stage Two.

15.4 **General**

15.4.1 The employee shall have the right to be accompanied and represented by an Association representative at each formal stage of this procedure.

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

- 15.4.2 An employee who has initiated a complaint or dispute under this Article shall be given time off with no loss of pay and no loss of credits to attend meetings with management under this Article.
- 15.4.3 Article 15.4.2 shall also apply to the Association representative who is authorized to represent the employee.
- 15.4.4 Where a complaint or dispute has not been processed by the employee or the Association within the time period prescribed it shall be deemed to have been withdrawn.
- 15.4.5 The time limits contained in this Article may be extended by agreement of the parties in writing.
- 15.4.6 In this Article, days shall include all days exclusive of Saturdays, Sundays and designated holidays.
- 15.4.7 The parties agree to fully disclose all information on which they rely in support of or in response to a complaint or dispute, including disclosure of any facts relied upon by Management in a decision that is subject to a complaint or dispute.
- 15.4.8 At the Association's option, participation by the Association representative or the employee in meetings required under the formal dispute resolution process may be conducted by teleconference, subject to the right of the Employer to select additional representatives who will participate by teleconference.
- 15.4.9 The Employer shall not take any reprisals against an employee for initiating or pursuing a dispute pursuant to this Article.

15.5 **Group Dispute**

- 15.5.1 In the event that more than one (1) employee has the same dispute, and such employees would be entitled to file a dispute, the Association shall be entitled to present a group dispute in writing, signed by such employees, to the Employer at Stage Two, within thirty days after the circumstances giving rise to the complaint have occurred or have come or ought reasonably to have come to the attention of these employees. In such cases, no more than three (3) complainants may be in attendance at each stage unless otherwise mutually agreed. The dispute shall be filed with the management Co-Chair of the Ministry AMERC, unless the dispute involves more than one Ministry, in which case the dispute shall be filed with the management Co-chairs of the affected ministries and concurrently with the Director, Employee Relations, Ontario Public Service.

15.6 **Association Dispute**

15.6.1 Where a dispute arises between the Employer and the Association, the Association shall be entitled to file an Association dispute at Stage Two of the dispute resolution procedure to the management co-chair of the Ministry AMERC provided it does so within thirty (30) days after the circumstances giving rise to the dispute have occurred or have come or ought reasonably to have come to the attention of the Association.

15.6.2 Where the dispute between the Employer and the Association involves more than one (1) ministry, the Association shall be entitled to file a dispute at Stage Two with the Director, Employee Relations, Ontario Public Service provided it does so within sixty (60) days after the circumstances giving rise to the dispute have occurred or have come or ought reasonably to have come to the attention of the Association.

15.6.3 An Association dispute shall be signed by an authorized Association representative.

15.6.4 An allegation that the Employer has not provided an insured benefit that has been contracted for in accordance with this agreement shall be pursued as an Association complaint filed under Article 15.6.

15.7 **Discharge, Suspension and Demotion Disputes**

15.7.1 Where an employee has been discharged, demoted or suspended for a period greater than five (5) days, the Association may present a dispute on his or her behalf directly at Stage Two.

15.8 **Joint Review Process (JRP)**

15.8.1 The Joint Review Process (JRP) is an integral part of the dispute resolution mechanism. The parties agree to meet at least every two (2) months:

- to review all cases referred to arbitration in order to determine whether they can be resolved, expedited or consolidated
- to review Arbitration Awards as deemed necessary to determine application, and
- for any other mutually acceptable reason for dispute resolution purposes under this collective agreement.

15.9 **Classification Dispute**

15.9.1 Effective until September 30, 2013, an employee who alleges that his/her position is improperly classified may discuss his/her claim with his/her immediate supervisor at

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

any time. An employee, however, shall have the right to file a dispute at any time at Stage 1, and to have that dispute processed through Stage 1 and Stage 2 of the formal dispute resolution process contained in Article 15.2, 15.3.1 and 15.3.2. The employee shall specify in his/her complaint what classification he or she claims.

- 15.9.2 Effective until September 30, 2013, a classification claim as provided in Article 15.9.1 which has not been resolved by the end of Stage 2 may be referred to ACERC under Article 12 for final resolution. The parties agree to establish a sub-committee of the ACERC, which shall consist of three (3) persons appointed by each party, to review all complaints or differences involving an allegation of improper classification. Association representatives shall be provided with reasonable travel time and leave with pay to attend sub-committee meetings. All decisions of the sub-committee shall be by vote of the sub-committee members and shall be binding on the parties and any affected employee. Each party must be represented by an equal number of members. Where ACERC does not agree, the matter shall remain unresolved, unless and until concurrence is reached.
- 15.9.3 The Employer, upon written request by the employee or Association, shall make available all information and provide copies of all documents which are relevant to the dispute.
- 15.9.4 Articles 15.4 to 15.6 apply to a dispute under Article 15.9.
- 15.9.5 Effective on October 1, 2013, this process will address disputes related to new positions created after October 1, 2013 and positions where there have been substantive changes to the assigned duties and responsibilities. Neither the job description system nor the job evaluation system shall be subject to the dispute resolution process.

For clarity, the Dispute Resolution Process as set out below shall not be subject to the jurisdiction of the Grievance Settlement Board.

The process will be as follows:

Step 1:

An employee who alleges that his/her position is improperly classified may discuss his/her claim with his or her immediate supervisor at any time. The employee shall specify in his or her complaint what classification level he or she claims.

Step 2:

If the dispute is not resolved within thirty (30) days at Step 1, the Association may make a written submission regarding the employee's classification to the Enterprise Classification Unit (ECU) for review and consideration, and include a proposed new

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

classification and rationale for this proposal. The ECU shall review the Association's written submission and complete a report, including reasons that either confirms the existing classification level or determines a reclassification of the position. The ECU shall issue such report within 20 days of receipt of this written submission.

If the ECU determines that a reclassification is required, the position shall be reclassified effective the date of the filing of the dispute at Step 1.

Step 3:

- (i) If the ECU determines that no reclassification is required and the Association is not satisfied with the ECU report, the matter may be referred to the Classification Review Sub-Committee (CRSC) of ACERC by way of written submissions within (15) days of the receipt of the ECU report. A panel consisting of equal representation of three (3) Association representatives and three (3) Employer representatives shall be convened to review classification matters that remain in dispute after being reviewed by the ECU.

The CRSC shall review any written submissions from the Association and the written report of the ECU and deliberate with respect to its determination. For clarity, there shall be no witnesses/oral evidence. Association representatives shall be provided with reasonable travel time and leave with pay to attend sub-committee meetings. All decisions of the sub-committee shall be by vote of the sub-committee members. Each party must be represented by an equal number of members.

- (ii) All panel members must have completed joint training on the classification system prior to participating in a review of any classification matters brought forward to the CRSC.
- (iii) If the CRSC determines that a reclassification is required, the position shall be reclassified effective the date of the filing of the dispute at Step 1.
- (iv) If the matter is not resolved at Step 3 after 30 days, the Association may refer the matter to Step 4 below.

Step 4:

- (i) If the Association has referred a matter to Step 4, then the Association may request that an analysis of the employee's classification be completed and submitted to the CSRC by a jointly agreed upon third-party neutral. The parties will share the cost of the third-party neutral. The third-party will be provided with the following information:

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

- (a) The employee's job description;
 - (b) The Job Evaluation Plan;
 - (c) The Evaluation Rationale for the disputed position;
 - (d) The Association's written submission at Step 2
 - (e) The ECU Report
 - (f) A summary, limited to two pages, from each of the parties setting out their respective positions;
 - (g) Each party will provide no more than three (3) comparators from one level below, one level above and from within the level.
- (ii) The third-party may make such other inquiries as he/she may deem necessary and shall provide a written report to the parties within 30 days of the referral of the issue to him/her. The report will be considered by the CRSC in an attempt to reach consensus.
 - (iii) If the CRSC determines that a reclassification is required after reviewing the third party's report, then the position shall be reclassified effective the date of the filing of the Step 1 dispute.
 - (iv) If the matter remains unresolved after 20 days following the CRSC review of the consultant's report, then the Association may refer the matter to the Job Evaluation Appeals Committee (JEAC) under Step 5 below.

Step 5:

- (i) The JEAC shall consist of the Deputy Minister of MGS or his/her designee and the President of AMAPCEO or his/her designee.
- (ii) The JEAC shall meet and attempt to resolve the matter. If the parties reach agreement at the JEAC, it shall issue a written decision without reasons, and such decision shall be final and binding. If the JEAC is unable to resolve the matter within 30 days following their first meeting, then the Deputy Minister or his or her designee shall issue a written decision without reasons, and such decisions shall be final and binding. If the JEAC determines that a reclassification is required, the position shall be reclassified effective the date of the filing of the dispute at Step 1.

15.10 **Arbitration Provisions**

- 15.10.1 Where a complaint or dispute is referred to arbitration, the arbitrator shall make a final and conclusive settlement of the differences between the parties, including any question as to whether a matter is arbitrable.
- 15.10.2 An employee who has initiated a complaint and for whom the Association makes an application for a hearing before the Grievance Settlement Board, or an arbitrator, or

the Ontario Labour Relations Board, shall be allowed leave of absence with no loss of pay and no loss of credits if required to be in attendance by the Board or the arbitrator or the Tribunal. This Article shall also apply to the pre-hearings, mediation/arbitration or mediation under the auspices of the Grievance Settlement Board ("GSB"), an arbitrator/mediator, or arbitrator or the Ontario Labour Relations Board.

- 15.10.3 The Association and the Employer agree that all complaints arising under Article 15 that are referred to arbitration shall be determined by the Chair or a Vice-Chair of the GSB sitting alone.
- 15.10.4 The Association and the Employer agree that all hearings should commence in a timely manner and the parties will endeavour to ensure that each case is scheduled to begin not later than thirty (30) calendar days following the referral to the GSB.
- 15.10.5 The parties may agree to refer any complaint to a mediator/arbitrator who shall have all the powers of an arbitrator under the *Labour Relations Act*, including the powers of a mediator/arbitrator under the *Labour Relations Act*, and the decision of the mediator/arbitrator shall be final and binding upon the parties.
- 15.10.6 The costs of the arbitrator or arbitrator/mediator shall be shared equally by the parties.
- 15.10.7 In this Article, if the GSB is abolished, references to the GSB, or to a Chair or Vice-Chair of the GSB, are deemed to include references to an Arbitrator appointed under the *Labour Relations Act* or otherwise by the parties.

ARTICLE 16 - SENIORITY/CONTINUOUS SERVICE

- 16.1 An employee's seniority/continuous service will accumulate and shall be calculated as follows:
- (a) from the date of appointment to the regular service for those employees with no prior service in the Ontario Public Service.
 - (b) for a fixed term employee appointed to a full time position in the regular service, from the date established by adding the actual number of full time weeks worked during his or her full time employment back to the first break in employment that is greater than thirteen (13) weeks. When calculating seniority in this situation, a period of part time fixed term employment shall neither constitute a break in service nor be counted towards seniority except that any full time weeks worked during such part time employment shall be calculated into the employee's seniority; or

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

- (c) for a fixed term employee appointed to a regular part time position in the regular service, the greater seniority of:
 - i) the later of January 1, 1984 or the date he or she commenced a period of unbroken, part-time employment in the fixed term service, immediately prior to appointment to a regular part time position; or
 - ii) the actual number of full time weeks worked as a full time fixed term employee calculated pursuant to Article 16.1(b) above.

Notwithstanding the above, subject to Article 27, seniority is not credited until completion of the probationary period.

16.1.1 For purposes of application of this article, any break in service of less than thirteen (13) weeks shall neither constitute a break in service nor be counted towards seniority.

16.1.2 For purposes of this Article:

- (a) “Unbroken service” is that which is not interrupted by separation from the public service as per Article 16.4;
- (b) “Full time” is continuous employment as set out in the hours of work article for the position;
- (c) “Part time” is continuous employment with hours worked being less than full time hours per Article 16.1.2(b);
- (d) employment in the fixed term service includes service as a seasonal or GoTemp employee;
- (e) “Regular part time” means part time employment in the regular service.

16.1.3 No employee as of May 28, 1998 shall have his or her seniority/continuous service reduced as a result of the application of this article.

16.2.1 An employee’s seniority/continuous service shall accumulate from the date determined in Article 16.1 and shall include the period of service during which an employee:

- (a) is in receipt of LTIP or WCB benefits; or
- (b) is absent on pregnancy or parental leave; or
- (c) is absent on any authorized leave without pay of thirty (30) calendar days or

less; or

(d) is absent on Family Medical Leave.

16.2.2 Except for the situations described in Article 16.2.1, where an employee is absent on a leave without pay that exceeds thirty (30) calendar days, the period of leave shall not be included in the determination of his or her seniority/continuous service. However, periods of service immediately before and after such absence shall be considered continuous and shall be included in determining seniority/continuous service.

Notwithstanding the above, the period of leave shall be included for purposes of determining the rate of vacation credit accrual.

It is understood that an unpaid leave of absence greater than thirteen (13) weeks is not a break in service.

16.2.3 Notwithstanding Article 16.1(c), where a regular part time employee becomes a full time regular employee, any service as a part time employee which forms part of his or her unbroken service shall be calculated according to the following formula:

$$\frac{\text{Weekly hours of work as a Part time Employee}}{\text{Full time weekly hours of work for class}} \times \text{Years of Continuous Service as a Part time Employee}$$

Changes in the employee's weekly hours of work shall be taken into account.

Example:

- Weekly hours of work as a part time fixed term employee = 6 years at 20 hours per week;
 - Weekly hours of work as a regular part time employee = 2.5 years at 16 hours per week;
 - Full time hours of work for class (weekly) = 36 ¼ hours
 - Seniority/Continuous Service Date on becoming a full time employee =
$$\frac{(20 \times 6 \text{ years})}{36 \frac{1}{4}} + \frac{(16 \times 2.5 \text{ years})}{36 \frac{1}{4}}$$
- = 3.3 years + 1.1 year = 4.4 years (as of date of becoming a full time regular employee)

16.3 Where an employee has been laid off in accordance with Article 27 (Job Security) and obtains a position as provided for under Article 27 within 24 months of such layoff, the employee's seniority/continuous service shall include continuous service both before the effective date of the layoff and after the date of the assignment. The period of absence shall not be included in the calculation of his or her seniority/continuous service.

- 16.4 Seniority/continuous service shall be deemed to have terminated if:
- (a) an employee resigns or retires; or
 - (b) an employee is dismissed unless such dismissal is reversed through Article 15 (Dispute Resolution); or
 - (c) an employee is absent without leave in excess of ten (10) consecutive working days (subject to article 22); or
 - (d) an employee is released in accordance with Article 27 (Job Security) and remains released for more than twenty-four (24) months.

ARTICLE 17 - APPOINTMENT TO REGULAR SERVICE (PROBATIONARY PERIOD)

- 17.1 There shall be a probationary period of not more than twelve (12) months from the date of appointment to the regular service for employees with no prior service in the Ontario Public Service. If an employee is absent for a period greater than three (3) consecutive calendar weeks during the probationary period, the Employer may extend the employee's probationary period by the length of that absence.
- 17.2 Within the first month of an employee's probationary period, the performance standards required for the position will be reviewed with the employee, and the employee will be advised if he or she is not meeting the standards.
- 17.3.1 Where an employee is appointed to the regular service and has worked more than twenty-four (24) hours per week on a continuous basis immediately prior to appointment to the regular service, the time he or she actually worked within the previous year may be considered to be part of his or her probationary period to a maximum of six (6) months.
- 17.3.2 Notwithstanding Article 17.3.1, where an employee is appointed to the regular part time regular service and has worked at least the required number of hours per week for the regular position on a continuous basis immediately prior to his or her appointment to the regular part time position in the regular service, the time he or she actually worked within the previous year may be considered to be part of his or her probationary period to a maximum of six (6) months.

ARTICLE 18 - RECRUITMENT-POSTING AND FILLING OF POSITIONS

Posting and Filling of Positions in the Regular Service

18.1 When a vacancy occurs in the Regular Service for a bargaining unit position or a new regular position is created in the bargaining unit, it shall be advertised for at least ten (10) working days prior to the established closing date. Where practicable, notices of vacancies shall be posted, within the identified area of search, either electronically, or on bulletin boards.

18.2 The notice of vacancy shall include the job title and classification of the position; ministry; salary range; general description of job duties; qualifications required; full or part time status; whether temporary or developmental (including duration); bargaining unit status; hours-of-work schedule; work location, any search restrictions if applicable, as well as any approved and publicly announced relocation by the Employer; travel requirements for the position; and closing date for the competition.

The only search restrictions permitted are:

- (i) geography: restricted to individuals living or working within a specified geographic area;
- (ii) employee status: restricted to current OPS employees and former OPS employees with entitlements to apply; and
- (iii) both (i) and (ii).

For clarity, no search restrictions along organization lines e.g. units, branches, divisions, ministries or any combination thereof will be made, absent agreement of the parties.

18.3.1 In filling a vacancy, applicants' qualifications for the position shall be assessed relative to the selection criteria -- the knowledge, skills, abilities and experience required to perform the duties of the position. The most qualified applicant for the position shall be selected to fill the vacancy.

18.3.2 Where the qualifications and ability are relatively equal between an AMAPCEO unit applicant and a non-AMAPCEO unit applicant preference will be given to the AMAPCEO unit applicant.

18.4 An applicant who is invited to attend an interview within the public service shall be granted time off with no loss of pay and with no loss of credits to attend the interview. Employees shall be reimbursed for travel expenses associated with attending the interview in accordance with the Employer's policy or practice.

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

18.5.1 Relocation expenses for posting and filling of positions under this Article shall be paid in accordance with the provisions of the Employer's relocation expenses directive in effect as of January, 2002. For purposes of Article 18, Article 28 does not apply.

18.5.2 Notwithstanding that a position is advertised with a restricted area of search, any employee who resides outside the identified area of search may apply for the position. If they apply, they will be deemed to have waived entitlement to any relocation or travel expenses (pursuant to Articles 18.4 and 18.5.1) as a condition of gaining access to the competition process. For greater certainty, no claim can be made for any expenses incurred during the competition process or arising from the decision to hire the employee into the position. It is understood that the Employer does not have discretion to grant any entitlement that has been waived pursuant to this provision.

18.5.3 Postings shall be posted in the central (OPS-wide) electronic site on the Employer's intranet at the same time and for the same period as otherwise posted. The Employer will continue to ensure that AMAPCEO has electronic access to the site or is provided with a weekly electronic report of all job postings from the OPS-wide electronic site.

If the central site is not limited to AMAPCEO represented job postings it will allow AMAPCEO represented employees to conduct a "search" for all postings in the AMAPCEO unit.

The Employer will ensure that all postings are accessible to employees on approved leaves of absence and in accordance with 27.11.9 to former employees on recall. In addition, article 27.11.9 will be deemed to apply to those employees who have accepted pay in lieu of notice under article 27.7.5. Article 27.11.9 will also be deemed to apply to former fixed term employees who remain eligible to apply to OPS positions under article 27.1.1(b).

Pursuant to this Article, the Employer will provide accessible electronic information on job postings. For greater clarity, this does not include the provision of computers or other electronic equipment to employees, or similar electronic access points in the workplace. Employees without equipment, as otherwise provided by the Employer, bear the responsibility for accessing the electronic information on their own.

18.6 Unfair competition complaints shall be processed in the same way as other complaints under Article 15, except for the following. Where a complaint is submitted to arbitration:

- (a) The arbitrator shall be empowered to determine any question of fact or law including whether any requirement of Article 18 has been followed. This includes, but is not limited to, whether the Employer (including a selection

panel) has made an error in the process of assessing the applicant's qualifications based on the evidence which was (or should have been) before it. However, the arbitrator shall not be empowered to decide who should have been selected in accordance with Article 18.

- (b) As a remedy, the arbitrator may declare the competition and its results null and void, and order the competition or any part of it to be run again with directions as to how it is to be conducted.

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

- (a) within twelve (12) months of the conclusion of a previous competition for the identical positions, where the Employer offers the vacancy to the most qualified applicant as determined in the previous competition who has not yet been offered the position, and continuing, if necessary, in descending order of qualification. An identical position includes a temporary vacancy arising after a competition for a permanent position.

Where a vacancy is filled pursuant to this clause, the Employer shall provide the Association with the names of the AMAPCEO members who were interviewed in the previous competition. Article 18.5 shall apply;

- (b)(i) where the Employer and the Association agree to transfer an employee based on compassionate grounds, the Employer will attempt to find a permanent vacant position identical to the employee's position elsewhere in the OPS, or, if unavailable, the employee may be assigned to a vacant position, as agreed upon between the Employer and the Association, provided he or she is qualified to perform the normal requirements. It is understood that if the Employer does not agree to the permanent assignment or if no permanent assignment is found at the time of submission, the request may be withdrawn by the Association. Where the request is not withdrawn by the Association, the Employer will continue its search until a permanent position is found. Where the Association does not agree to the permanent assignment, the request will be withdrawn;
 - (ii) where an employee requests a temporary transfer on compassionate grounds and the Employer and the Association agree, the Employer will attempt to find a temporary assignment (6 month assignment or more) provided the employee is qualified to perform the normal requirements of the temporary assignment and is acceptable to the Employer. It is agreed that if the employee is transferred pursuant to this article, he or she must complete the full duration of the assignment and is not eligible for relocation expenses. It is further understood that if the Employer does not agree to the temporary assignment or if no temporary assignment is found at the time of submission, the request may be withdrawn by the Association. Where the request is not withdrawn by the Association, the Employer will continue its search until a temporary position is found. Where the Association does not agree to the temporary assignment, the request will be withdrawn;
 - (iii) Where the parties initially agreed to a permanent or temporary transfer on compassionate grounds and no position has been found, the Employer or the Association may withdraw its original agreement, if the circumstances affecting those compassionate grounds have changed materially;
- (c) where an employee was transferred based on health reasons to a vacant position identical to the employee's position in the same ministry or, if

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

unavailable, the employee may be assigned to a vacant position at the same or lower classifications within the same ministry provided he or she is qualified to perform the normal requirements;

- (d) the Employer and the Association may agree to reassignments for compassionate and health reasons to positions other than those set out in Article 18.8.1 (b) and (c) but where agreement cannot be reached under Article 18.8.1. (d) this shall not be grievable;
- (e) where an employee was temporarily assigned to a position for at least twenty-four (24) months and:
 - (i) the position has been filled through a competitive process, and
 - (ii) at that point in time, there is a continuing need for the work to be performed on a full time basis for greater than an additional eighteen (18) months, and
 - (iii) the position does not have a home incumbent,

the Employer shall, with the employee's agreement, assign the employee to the position on a permanent basis. If the employee does not agree, the Employer shall post the vacancy and the employee shall return to his/her home position.

If at the end of twenty-four (24) months an employee was not offered an assignment to the position on a permanent basis because the conditions of 18.8.1(e)(ii) were not met, but the position continues for eighteen (18) months, then the Employer shall, with the employee's agreement, assign the employee to the position on a permanent basis at the conclusion of this eighteen (18) month period. If the employee does not agree, the Employer will post the vacancy and the employee shall return to his/her home position.

- (f) where the employee's position is being changed either from full time to regular part time or vice versa, with the employee's consent. In such cases, the clearance requirements under Article 27 shall not apply. Where the employee does not consent, the employee will be given surplus rights under Article 27;
- (g) a newly reclassified position shall not be considered a vacancy for the purposes of Article 18.1 and the current incumbent shall retain the position. For clarity, surplus clearance is not required or permitted in any such reclassification;
- (h) In addition, any employee who is directly assigned under Article 27 and who

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

The parties agree that the process and rules for exercising Article 18.8.1(h) entitlements are as follows and that the collective agreement shall be interpreted and applied accordingly:

PRECONDITIONS:

1. The "precondition events" that trigger Article 18.8.1(h) entitlements are if:
 - (a) an employee is directly assigned under Article 27 to a lower classification; or
 - (b) an employee's duties are changed because of a reorganization or reassignment of duties so that the position is reclassified to a lower classification.

The position the employee ends up in after the precondition event is herein after referred to as the "reclassified/redeployed position".

PROCESS:

- 2.1 A permanent, regular AMAPCEO position is posted and an employee applies for the position and indicates that they wish to trigger their Article 18.8.1(h) entitlements and also identifies:
 - (a) what their position/class was immediately prior to the "precondition event" (to be referred to as "original position");
 - (b) what Branch/Ministry the "original position" was in;

 - (a) Precondition 1(a) or 1(b) above occurred; and
 - (b) The position being applied for is in the Ministry where the applicant's current home position resides, including the applicant's Ministry as modified by Article 27.12, where applicable; and
 - (c) The position applied for is at a salary maximum higher than the home position the employee currently holds, but not higher than the salary maximum of the "original position".
- 2.3 If 2.2(a), (b) and (c) are not satisfied then the competition process continues and the applicant is given no special consideration, but is still considered an applicant for the position.
- 2.4 If 2.2(a), (b) and (c) are satisfied then the applicant may be interviewed and will be appointed to the position provided the "qualified to perform" criterion is met.
- 2.5 The Employer may decide that an interview is not necessary, in which case the Employer may waive the interview and approve the assignment.
- 2.6 If an applicant is not "qualified to perform", the competition process continues, and the applicant is given no special consideration but is still considered an applicant for the position.
- 2.7 If more than one AMAPCEO bargaining unit employee triggering this Article is "qualified to perform" in respect of the same position, the employee with greater seniority will be appointed to the position.
- 2.8 There is no limit on the number of times an employee can apply for such a placement.
- 2.9 An employee who applies for a placement under Article 18.8.1(h) and is accepted and then refuses the placement, has no rights under Article 18.8.1(h) unless one of the preconditions in 1(a) or (b) occurs again.

- (a) the employee demonstrates an inability to perform the essential duties of their position (includes loss of required licenses); or
- (b) the employee is unable to perform essential duties due to health reasons; or
- (c) the duties of the position are changed by management, resulting in a reclassification; or
- (d) the employee's position is re-evaluated and reclassified.

and the provisions of Articles 18.1 to 18.5 shall not apply.

18.8.3 Where the duties of a position are modified to accommodate an incumbent employee with a disability, the position shall not be considered a vacancy for the purposes of Article 18 and the incumbent shall retain the position.

18.8.4 A demotion under Article 18.8.2 shall not result in the relocation of an employee's workplace beyond 40 kilometres, unless agreed otherwise.

18.8.5 **Regular Employees Acting in Temporary Positions**

18.8.5.1 Where an employee was temporarily assigned to a temporary position for at least twenty-four (24) months and there is a continuing need for the work to be performed on a full time basis for greater than an additional twenty-four (24) months, the ministry shall establish a position within the Regular Service to perform that work.

24.1 In this Article,

"last day at work", in respect of an employee on a leave of absence referred to in Article 24 means the last day the employee was at work before the leave of absence.

"parent" includes an employee with whom a child is placed for adoption and an employee who is in a relationship of some permanence with a parent of a child and who intends to treat the child as his or her own.

"parental leave" means a leave of absence under Article 24.7.

"pregnancy leave" means a leave of absence under Article 24.2.

"weekly pay", in respect of an employee on a leave of absence referred to in Article 24 means weekly pay at the rate actually received by the employee on the last day of work and also includes any salary increase that is granted after the last day of work to take effect retroactively on or before the last day of work.

24.2 **Pregnancy Leave:**

The Employer shall grant a leave of absence without pay in accordance with Part XIV of the *Employment Standards Act, 2000*, to an employee who is pregnant and who started her service with the Crown at least thirteen (13) weeks before the expected birth date.

An employee may begin pregnancy leave no earlier than seventeen (17) weeks before the expected birth date.

24.4 The pregnancy leave of an employee who is entitled to take parental leave ends seventeen (17) weeks after the pregnancy leave began.

24.5 The pregnancy leave of an employee who is not entitled to take parental leave ends on the later of the day that is seventeen (17) weeks after the pregnancy leave began or the day that is six (6) weeks after the birth, still-birth or miscarriage of the child.

24.6 An employee who has given notice to end pregnancy leave may change the notice:

- (a) to an earlier date if the employee gives the Employer at least four (4) weeks written notice before the earlier date: or
- (b) to a later date if the employee gives the Employer at least four (4) weeks written notice before the date the leave was to end.

24.7 **Parental Leave:**

The Employer shall grant a leave of absence without pay in accordance with Part XIV of the *Employment Standards Act, 2000*, to an employee who has at least thirteen (13) weeks service with the Crown and who is the parent of a child.

24.8 Parental leave may begin,

- (a) no earlier than the day the child is born or comes into the custody, care and control of the parent for the first time; and,
- (b) no later than fifty-two (52) weeks after the day the child is born or comes into the custody, care and control of the parent for the first time.

24.9 The parental leave of an employee who takes pregnancy leave must begin when the pregnancy leave ends unless the child has not yet come into the custody, care and control of a parent for the first time.

24.10 Parental leave ends thirty-five (35) weeks after it began for an employee who takes pregnancy leave and thirty-seven (37) weeks after it began for an employee who did not take pregnancy leave. An Employee who has given notice to end parental leave may change the notice;

- (a) to an earlier date if the employee gives the Employer at least four (4) weeks written notice before the earlier date: or
- (b) to a later date if the employee gives the Employer at least four (4) weeks written notice before the date the leave was to end.

24.11 **Employment Insurance Top-up:**

An employee who is entitled to pregnancy and/or parental leave and who provides the Employer with proof that he or she is in receipt of employment insurance benefits pursuant to the *Employment Insurance Act (Canada)* shall be paid an allowance in accordance with the Supplementary Benefit Plan.

24.12 In respect of the period of pregnancy leave, payments made according to the Supplementary Employment Benefit Plan will consist of the following:

- (a) for the first two (2) weeks, payments equivalent to ninety-three percent (93%) of the actual weekly rate of pay for her classification and shall also include any increases in salary that she would have attained had she been at work during the leave of absence as they are, or would have been implemented; and
- (b) for each week, up to a maximum of fifteen (15) additional weeks, payments

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

equivalent to the difference between the sum of the weekly Employment Insurance benefits the employee receives for the week and any other salary earned by the employee during the week, and ninety-three percent (93%) of the actual weekly rate of pay for her classification and shall also include any increases in salary that she would have attained had she been at work during the leave of absence as they are, or would have been implemented; and,

- (c) for each week up to a maximum of fifteen (15) additional weeks, where the employee elects to take Parental Leave in accordance with Article 24.7 payments equivalent to the difference between the sum of the weekly Employment Insurance benefits the employee receives for the week and any other salary earned by the employee during the week and ninety-three percent (93%) of the actual weekly rate of pay for her classification, and shall also include any increases in salary that she would have attained had she been at work during the leave of absence as they are, or would have been, implemented.

24.13 In respect of the period of parental leave, payments made according to the Supplementary Employment Benefit Plan will consist of the following:

- (a) Where the employee serves the employment insurance waiting period, for the first two (2) weeks, payments equivalent to ninety-three percent (93%) of the actual weekly rate of pay for his or her classification, and shall also include any increases in salary that he or she would have attained had he or she been at work during the leave of absence as they are, or would have been, implemented; and,
- (b) for each week, up to a maximum of fifteen (15) additional weeks, payments equivalent to the difference between the sum of the weekly Employment Insurance benefits the employee receives for the week and any other salary earned by the employee during the week, and ninety-three percent (93%) of the actual weekly rate of pay for his or her classification, and shall also include any increases in salary that he or she would have attained had he or she been at work during the leave of absence as they are, or would have been, implemented.

24.14 Payments under the Supplementary Employment Benefit Plan will not apply to leave that continues after fifty-two (52) weeks following the day the child is born or comes into the custody, care and control of the parent for the first time, where Employment Insurance benefits do not apply. Notwithstanding any other article in this agreement, vacation credits and seniority continue to accrue during pregnancy leave (Article 24.2) parental leave (Article 24.7) and extended leaves (Article 24.17 and 24.19). Continuous service for severance accrues during pregnancy and parental leave except during the last six (6) weeks of unpaid leave following parental leave for a biological father or adoptive parent.

24.15 **Benefit Plans:**

During pregnancy leave, parental leave and extended leave, an employee who participates in the Benefit Plans referred to in Articles 31 to 36 shall continue that participation unless he or she elects in writing not to do so.

- (a) Where an employee elects to continue to make his or her pension contributions under existing practice, pensionable service shall also accrue and the Employer shall continue to make its contributions.
- (b) Extended leave is only covered by this Article if the purpose of the extension is directly related to parental leave taken by a biological father or adoptive parent.

24.16 Unless an employee gives the Employer written notice referred to in Article 24.15, the Employer shall continue to pay the premiums for the Benefit Plans in Articles 31 to 36 that the Employer was paying immediately before the employee's pregnancy leave, parental leave and extended leave and the employee shall continue to pay the premiums for the group insurance coverages that the employee was paying immediately before the pregnancy leave or parental leave.

24.17 **Pregnancy plus Parental Leave:**

An employee on pregnancy leave is entitled to a parental leave of absence of up to thirty-five (35) weeks.

24.18 Parental Leave for an employee who also took pregnancy leave shall commence immediately following the expiry of the pregnancy leave.

24.19 **Extension of Parental Leave:**

Except for an employee to whom Article 24.17 applies, an employee on parental leave is entitled, upon application in writing at least two (2) weeks prior to the expiry of the leave, to a consecutive leave of absence without pay and with accumulation of credits for not more than six (6) weeks.

24.20 An employee returning to work after pregnancy leave, parental leave or extended leave referred to in Articles 24.19 or 24.22 shall be reinstated to the position the employee most recently held with the Employer on a regular and not a temporary basis, if the position still exists, or to a comparable position, if it does not.

24.21 The Employer shall pay a reinstated person salary that is at least equal to the greater of:

- (a) the salary the employee was most recently paid by the Employer; or

- (b) the salary that the employee would be earning had the person worked throughout the leaves of absence referred to in Articles 24.2, 24.7, 24.19 or 24.22.

24.22 An employee who has worked less than thirteen (13) weeks with the Crown and becomes the parent of a child shall be granted upon request a leave of absence without pay and without accumulation of credits and service, under discretionary leave provisions of Article 23.2 (Leaves of Absence), for up to the following periods:

- (a) fifty-two (52) weeks for an employee who would otherwise be eligible for pregnancy leave and parental leave under Articles 24.2 and 24.7; and,
- (b) forty-three (43) weeks for an employee who would otherwise be eligible for parental leave and extended leave only, under Articles 24.7 and 24.19.

If otherwise eligible, the employee is entitled to continue benefit coverage during the leave by paying both the employee's and the Employer's share of the premiums.

ARTICLE 25 - HEALTH AND SAFETY

25.1 The Employer shall make reasonable provisions for the health and safety of employees during the hours of their employment. The Employer and the Association shall co-operate to the fullest extent possible in the prevention of accidents and in the reasonable promotion of health and safety of all employees.

25.2 Computer work stations shall be equipped with tables or stands for the computer to permit it to be at a height appropriate to the circumstances of its use and the seating available for the operator. The chair provided shall have a seat which is adjustable in height, a back rest which is adjustable in height, and a foot rest where necessary to accommodate a particular operator. Where appropriate to the nature of the work, paper stands or work stands shall be provided.

25.3 After each hour of continuous operation of a computer, an employee shall be entitled to relief from those duties for a period of ten (10) minutes.

25.4 The Employer agrees to provide safety equipment and protective clothing where it requires that such be worn by its employees.

25.5 The purchase of safety shoes or boots for on-the-job protection of the purchaser shall be subsidized as per the applicable practice in each ministry.

25.6 The current practices relating to the supply and maintenance of apparel for employees shall continue during the term of this collective agreement, subject to any changes which may be entered into between the parties.

ARTICLE 26 - TECHNOLOGICAL CHANGE

- 26.1 Where the Employer introduces technological change in either equipment or methods of operation which may result in the release of employee(s), the Employer shall notify the Association. Such notice will be provided in writing, no less than ninety (90) calendar days prior to the implementation of the technological change. This ninety (90) calendar day period shall not extend any other notice to be given under this Agreement and may run concurrently with any such other notice.
- 26.2 In order to minimize adverse effects of technological change on employees under Article 26.1, issues of reassignment and/or training of affected employees will be referred for resolution to the AMERC for ministry specific changes or to the ACERC for cross ministry or OPS wide changes.

ARTICLE 27 - JOB SECURITY

An employee who has received notice of lay-off prior to January 1, 2013 shall be entitled to the provisions of former Article 27 of the 2009-2012 Collective Agreement. An employee who is identified as surplus before October 1, 2013 shall be subject to the provisions of Article 27A. Article 27B applies to any employee who is in receipt of a surplus notice pursuant to Article 27B.5 effective on or after October 1, 2013; however, where such an employee receives a surplus notice on or after October 1, 2013, the direct assignment or bumping rules and procedures that are followed are those that are in place at the time of the Employer's search.

- 27A.1 **Application**
- 27A.1.1 This Article applies to all employees in the AMAPCEO bargaining unit.
- (a) Probationary employees shall have all rights under this Article, except bumping rights. Nothing in this Article shall be deemed to be a recognition of seniority or continuous service for probationary employees for other purposes.
- (b) Fixed term employees under the Agreement will have notice entitlements under the *Employment Standards Act* and be entitled to apply to restricted competitions under Article 27A.11.9 for twenty-four (24) months after the date of layoff.
- 27A.2 Omit as no longer applicable.
- 27A.3 **Administrative Measures**

27A.3.1 **Surplus Clearance**

All permanent and temporary vacancies in excess of nine (9) months must “clear surplus” corporately before they can be filled. Until a job offer has been made, the vacancy shall remain available for direct assignment purposes. Permanent and temporary vacancies may be posted while clearance is being concurrently obtained, but the posting will not occur prior to the position being sent for clearance and the posting will not be filled through the recruitment process until the position “clears surplus”.

- (a) For clarity, the types of temporary positions and assignments that must clear surplus before being filled include:
 - (i) backfill assignments for leaves of absence for regular AMAPCEO unit employees, including extended educational leave, Long Term Illness Protection (LTIP) and Workers’ Compensation Benefit (WCB) absences;
 - (ii) project assignments for non-recurring ministry programs or projects;
 - (iii) secondments, developmental opportunities and other training opportunities;
 - (iv) positions in the fixed term service, GO Temp assignments and temporary agency contracts.
- (b) For clarity, the release from redeployment purposes of a permanent or temporary vacancy that has been submitted for clearance shall not occur until a job offer is accepted or the posting has been cancelled.

27A.3.2 Where there is a temporary assignment of 9 months or less, and the employer extends it by 3 months or less, the temporary assignment will not have to clear surplus, regardless of whether its total length exceeds 9 months. However, where the employer extends a temporary assignment by greater than 3 months and such extension results in its total length exceeding 9 months, the assignment must clear surplus.

27A.3.3 Where the term of a temporary assignment which has cleared surplus must be extended for operational reasons, the temporary assignment may be extended without reclearing surplus one time only, to a maximum extension of three (3) months.

27A.3.4 **ACERC / AMERC Reports**

Information shall be made available to AMAPCEO as part of the regular reporting to AMERC and ACERC on (1) all vacancies that have “cleared surplus” and (2) all AMAPCEO unit employees on either the current surplus list or the recall rights list.

27A.3.4.1 Regular monthly reports of the information in (a) and (b) below will be made to the AMAPCEO Corporate office on a monthly basis in an electronic format agreed to by the parties such that the information can be sorted by Ministry. The Employer further agrees that AMAPCEO may provide to each of its AMERC Committees the information provided by the Employer but it will do so in respect of each Ministry alone and will not provide the information to other AMERCs.

- (a) permanent vacancies and temporary vacancies in excess of nine (9) months which are sent for corporate surplus for clearance. Report to include the position title, classification, branch and location for the position; the date sent; the date cleared, filled by a surplus or recall employee or cancelled. If cleared, its clearance number and if cancelled, the rationale shall be reported.
- (b) temporary assignments that must clear surplus pursuant to Articles 27.3.1 and 27.3.2. Report to include the position title, classification, branch, location, start and ending dates, extensions, corporate clearance number(s) if applicable; name of person filling the vacancy, their home position and home bargaining unit status.
- (c) The reports in (a) and (b) above shall include all permanent and temporary vacancies that have received surplus clearance but have not been filled after three (3) months of the initial clearance and all permanent and temporary postings that have been cancelled in the reporting month.

27A.3.5 **Seniority Lists**

An OPS-wide seniority list and the relevant ministry/regional seniority list, including the employees’ names, date of continuous service, ministry, classification, job title, location and region shall be maintained and posted (hard copy or electronic posting) in all work sites on a quarterly basis, with copies provided to AMAPCEO on a quarterly basis.

27A.3.6 **Employee Home Address**

The employee must advise the Employer in writing of any changes to the home mailing address. If the employee fails to keep their mailing address updated, the employee’s current address shall be deemed to be the most current home address

in the employee's personnel file.

27A.3.7 Employee Portfolio/Skills Inventory

All new employees must complete a skills inventory/employee portfolio within their probationary period. The employee portfolio will be placed on the employee's personnel file.

Notwithstanding the above, the Employer shall require any employee that it has reasonable grounds to believe may be declared surplus to complete an employee portfolio within two (2) weeks.

The current AMAPCEO employee portfolio and the addendum thereto, will not be altered while the terms and conditions of this collective agreement remain in effect.

27A.3.8 It is the responsibility of the employee to ensure that the employee portion of the information on the portfolio is complete, current, and accurate. Similarly, it is the manager's responsibility to ensure that the Employer portion is complete, current and accurate and that all other actions of the Employer required to complete the process are taken.

An Employee Portfolio will be deemed to include the qualifications and knowledge as identified in the employee's current position description for the purposes of Article 27A.8 (Direct Assignments into Permanent Vacancies), unless otherwise modified by the employee.

27A.3.9 As part of the employee portfolio the employee shall indicate what, if any, modifications to the salary and/or geographic parameters, as set out in Article 27A.8. 2, the employee will accept under Article 27A.8. 2. Such modifications will be treated as being within parameters for the purposes of direct assignment to vacancies. The employee will indicate:

- (a) how much lower than 15% below the maximum salary of the classification of the existing position that the employee will accept;
- (b) where beyond the 40 km from the current work location the employee will accept;
- (c) whether there are different parameters for temporary assignments than for permanent assignments;
- (d) whether the geographic parameters selected or the salary parameters selected are more important and this choice will be used by the Employer where it may be possible to match the employee to more than one vacancy;

and

- (e) for purposes of clarity, salary parameters or geographic parameters referred to in this Agreement include any additional parameters identified by the employee under this Article. Relocation expenses do not apply and “red circling” expires at the end of the notice period.

The employee may advise the Employer in writing, at any time of his or her desire to update the employee portion of an Employee Portfolio to reflect the acquisition of new or improved skills, knowledge and abilities, and/or change the parameters or the relative importance of the salary and geographic parameters. Such changes shall be implemented within five (5) days of receiving the updated employee portion of the Employee Portfolio.

- 27A.3.10 If an employee fails to complete the employee portion of an employee portfolio as required, the employee shall be deemed to have waived any right to bumping and to direct assignment to vacancies in the event that the employee is declared surplus or is bumped by a more senior employee. In such cases, the employee may choose one of the same options available to a volunteer under Article 27A.5.3 as specified in Article 27A.5.4. If the employee has not completed the employee portion of the portfolio by the end of the notice period, the employee shall be deemed to have waived recall rights to direct assignment.

27A.3.11 **Treatment of Surplus Notice During Leaves of Absence or Temporary Assignments**

- 27A.3.11.1.1 Where the employee’s position is declared surplus while the employee is away on a sick leave (STSP, LTIP or WCB), the ministry shall notify the employee that his or her position has been declared surplus and that, when the employee returns to work, the surplus notice shall be issued.

- 27A.3.11.1.2 Where the employee’s position is declared surplus while the employee is away on a leave of absence, the ministry shall notify the employee that his or her position has been declared surplus and inform the employee of the option to:

- (a) return early from the leave of absence and receive the surplus notice at that time; or
- (b) return at the end of the leave and receive the surplus notice at that time.

- 27A.3.11.1.3 Where the employee’s position is declared surplus while the employee is on a temporary assignment or secondment within the OPS, the home ministry has the option of:

- (a) returning the employee to his or her home position and issuing the surplus

notice at that time; or

- (b) giving the employee the surplus notice and allowing the employee to remain on temporary assignment until directly assigned into a permanent vacancy, the temporary assignment ends, or the notice period expires, whichever occurs first.

27A.3.11.2 Treatment of Surplus Notices Issued Before an Employee Goes on a Leave of Absence or a Temporary Assignment

27A.3.11.2.1 Where the employee's position is declared surplus before a LTIP or WCB sick leave of absence begins, the employee's notice shall be put on hiatus for the duration of the leave. When the employee is able to return to work, the balance of the notice period shall continue.

27A.3.11.2.2 Where the employee's position is declared surplus before a STSP leave of absence, the employee's notice shall be put on hiatus if from the beginning of the STSP leave the medical evidence (e.g. stroke) indicates that the leave will be greater than one (1) month.

Where the employee is on a sick leave and is expected to return to work within one (1) month (e.g. cold or flu), the surplus notice is not placed on hiatus. However, if, after one (1) month on STSP, the employee's prognosis for returning to work remains uncertain, the surplus notice is put on hiatus until the employee is able to return to work.

- (a) If the employee bumps or is directly assigned to a new position before going on STSP/LTIP/WCB, the accepting ministry must honour the leave of absence.

27A.3.11.2.3 Where the employee's position is declared surplus before a leave of absence begins, the employee may choose to:

- (a) accept a hiatus in the surplus notice period during the leave or absence; or
- (b) return early from the leave of absence.

When the employee returns from the leave of absence the balance of the notice period shall continue.

If the employee bumps or is directly assigned to a new position before going on the leave of absence, the accepting ministry must honour the leave of absence.

27A.3.11.2.4 Where the employee's position is declared surplus before the beginning of a temporary assignment or secondment within the OPS (and before the employee is

eligible for direct assignment into a temporary assignment under the Agreement), the employee's surplus notice is put on hiatus during the temporary assignment and all redeployment activities cease. This provision only applies where the temporary assignment or secondment is for more than six (6) months and is filled competitively.

At the end of the temporary assignment or secondment, the balance of the notice period shall resume. The employee shall return to his or her home position if it still exists or to a comparable position within the ministry/OPS. The employee shall remain eligible for direct assignment to temporary assignments in accordance with Article 27A.10 of the Agreement.

27A.3.12 Job Trading Program

The expanded Ontario Public Service Job Trading Program for Regular Employees, as described in the *Guide to the Ontario Public Service Job Trading Program* dated July 2008 shall continue.

27A.3.13 Eligibility for Employment Insurance

The parties agree that all employees who accept a pay-in-lieu option under Article 27A.7, including those employees who registered pursuant to Article 27A.4, are doing so pursuant to a program of downsizing undertaken by the Employer and in so doing are preventing another employee from being laid off. Accordingly the Employer agrees to take all necessary steps to attempt to ensure that the Employment Insurance Commission recognizes that the entitlement to Employment Insurance of employees who are laid off and who take a pay-in-lieu of notice option qualifies as registered 'workforce reduction processes' under the *Employment Insurance Act*.

27A.4 Program to Reduce Adverse Impacts of Surplusing and Bumping

27A.4.1 Every employee in the bargaining unit may register at any time in writing with their Human Resources Branch, to be eligible to elect one of the same options available to a volunteer under Article 27A.5.3 as specified in Article 27A.5.4.

27A.4.2 Within ten (10) days following registration, the registrant's job shall be made available for direct assignment.

27A.4.3 The registration can be withdrawn by the registrant on written notice being received by the Human Resources Branch.

27A.4.4 The registrant shall be required to elect one of the same options available to a volunteer under Article 27A.5.3 as specified in Article 27A.5.4 where:

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

- (a) the surplus employee is matched to the registrant's job, and;
- (b) the surplus employee accepts the direct assignment, and;
- (c) the registrant's job was not withdrawn as per Article 27A.4.3.

27A.4.5 A registrant's job is available for direct assignment to employees at the time they are declared surplus and throughout their notice period, and the search shall be conducted under the rules and parameters set out in Article 27A.8.

27A.4.6 When the conditions of (a), (b) and (c) of Article 27A.4.4 have been met, the last day of work for a registrant shall be five (5) days after confirmation of the direct assignment of a surplus employee into the registrant's position, unless another date is mutually agreed upon.

27A.4.7 Where the employee does not choose a specific option under Article 27A.5.4, the employee shall be deemed to have chosen the pay-in-lieu option in Article 27A.7.1(a).

27A.5 **Layoff**

27A.5.1 Where a layoff may occur, the identification of individual(s) to be declared surplus within an administrative district or unit, institution or other such work unit shall be in accordance with seniority (years of continuous service in the OPS, as currently defined) in the job functions that the Employer has determined are to be reduced or eliminated. The subsequent matching process and direct assignment into vacancies, bumping, layoff, and recall shall also be in accordance with seniority, subject to the conditions set out in this Agreement.

27A.5.2 **Surplus Notice Alert**

Where one or more positions in a work unit will be declared surplus, all employees in the work unit will be provided with a written Surplus Notice Alert not less than six (6) days prior to the issuance of any notice of layoff. The Surplus Notice Alert will describe the work unit, the job functions to be reduced and the number of positions to be reduced.

27A.5.3 The Surplus Notice Alert will also:

- (a) Offer the employees, whose positions are specifically identified for surplussing, to exit the OPS with one of the options outlined in Article 27A.5.4, if they plan to exit OPS and not seek a direct assignment under Article 27A.8 or a bump under Article 27A.9.
- (b) Invite all employees working in the affected job functions to volunteer to

exit the OPS with one of the options outlined in Article 27A.5.4.

Volunteers to exit the OPS will be approved on the basis of seniority up to the numbers required. Volunteers not approved may register under Article 27A.4.

27A.5.4 Volunteers under Article 27A.5.3 must respond to the Employer in writing within five (5) days of the issuance of the Surplus Notice Alert. The response must indicate which one of the following options the employee selects:

- (a) Pay-in lieu option under Article 27A.7.1(a); or
- (b) Pay-in-lieu option under Article 27A.7.1(b); or
- (c) Immediate retirement if eligible for a permanent pension factor (90, 60/20, Age 65) under the Public Service Pension Plan; or
- (d) Pension Bridging under 27A.21, if eligible, to the employee's first permanent unreduced pension factor (90, 60/20, Age 65), under the Public Service Pension Plan.

For clarity, severance and enhanced severance under Articles 27A.15 and 27A.20 apply to options (a) through (d).

The Employer will respond in writing within five (5) days of receipt of an employee's request. An employee's last day at work will be five (5) days from receipt of the Employer's acceptance; however, this date may be extended upon agreement of the employee and the Employer.

27A.5.5 For clarity, if an employee does not exit under Article 27A.5.3, it will not affect or preclude his/her entitlement to any option if the employee subsequently receives a notice of layoff.

27A.6 **Notice of Layoff**

27A.6.1 An employee who is declared surplus shall be given not less than six (6) months notice in writing of the date of layoff. The notice shall advise the employee in writing of all options in accordance with Article 27A.6.2. AMAPCEO shall be copied on all notices issued. A notice shall not be issued to an aboriginal employee or to an employee with a disability, as defined under the Ontario *Human Rights Code*, without the consent in writing of the employee's Deputy Minister. It is the employee's responsibility to self-identify to their Human Resources Branch.

27A.6.2 The notice of surplus will:

- (a) Indicate that the employee has the following options:

- (i) remain available for direct assignment under Article 27A.8 into subsequent vacancies for the remainder of the notice period, within the parameters described in Article 27A.8.2 as modified by the employee; or,
 - (ii) accept a pay-in-lieu option as set out in Article 27A.7.1
- (b) indicate that if the employee fails to inform the Human Resources branch, in writing, within five (5) working days of the receipt of the notice of his or her intention to accept one of the specific options listed, the employee shall be deemed to remain available for direct assignment pursuant to Article 27A.6.2(a)(i);
- (c) inform the employee whether he or she is eligible for the pension bridging option under Article 27A.21.
- (d) indicate that the Employer will identify the vacancy into which the employee will be directly assigned, if any, no later than 30 days following the receipt of the required information from the employee and failing identification of a vacancy, the Employer will continue to search for a direct assignment for the duration of the notice period.
- (e) indicate that if the employee opts to remain available for direct assignment and if he or she has not been assigned to a vacancy through a direct assignment by the end of fifth (5th) month from the receipt of notice of surplus, the Employer will identify the bumping option, if any, as described under Article 27A.9

27A.6.3 Where a surplus employee remains available for direct assignment, pursuant to Article 27A.6.2(a)(i) the Employer shall provide the employee with:

- (a) notification of all AMAPCEO unit vacancies, through postings, e-mail, the Internet or other methods;
- (b) reasonable time during working hours, without loss of pay or credits for transitional support activities (e.g. interviews, job search activities and retraining or counselling activities) and such time off will not be unreasonably withheld;
- (c) reasonable ongoing access to office space and office equipment in the event that the employee's home position is eliminated before the end of the notice period.

- 27A.6.4 Any notice required to be given under this Article shall be deemed to have been received by the employee on the day on which it is delivered in person. Otherwise, the notice shall be sent by certified mail or another means whereby receipt of such notice is confirmed by the deliverer to the last address of the employee filed with the Employer. Wherever possible, the notice shall be personally delivered by the Employer to the employee.
- 27A.7 **Pay-In-Lieu Option**
- 27A.7.1 Pay-in-lieu options under this Agreement means either:
- (a) a lump sum of six months' pay, plus severance as provided for in Article 27A.15, and enhanced severance under Article 27A.20, payable as soon as possible, but not later than three pay periods following acceptance of the pay-in-lieu option, in which case all salary and benefit entitlements which would have accrued to the employee from the last day worked to the layoff date are forfeited; or
 - (b) continuance of salary plus benefits (except STSP and LTIP) commencing on the date set out in Article 27A.7.3 for the duration of the notice period, plus severance as provided for in Article 27A.15, and enhanced severance under Article 27A.20 paid out at the layoff date.
- 27A.7.2 Where the employee advises the Employer of preferences for payment under Article 27A.7.1 to ensure tax-effective treatment, the Employer will comply subject to requirements at law.
- 27A.7.3 Where an employee accepts a pay-in-lieu option pursuant to this Article, the employee's last day at work shall be five (5) working days after the employee advises or is deemed to advise the Employer of the acceptance of a pay-in-lieu option, or such other period as the employee and the Employer shall agree.
- 27A.7.4 An employee who is declared surplus who does not accept or is not deemed to have accepted a pay-in-lieu option may during the notice period indicate that he or she wishes to take a pay-in-lieu option in which case the particular pay-in-lieu option chosen shall be calculated from the last day of work until the end of the notice period.
- 27A.7.5 Where an employee accepts a pay-in-lieu option pursuant to this Article, any further entitlements under this Agreement are forfeited with the exception that the employee will be eligible to apply for restricted competitions from the last day of work until twenty-four (24) months from the date on which layoff would otherwise have occurred.
- 27A.7.6 Where an employee who accepts a pay-in-lieu option pursuant to this Article is

reappointed to a position in the Ontario Public Service prior to the originally projected layoff date, the employee will repay to the Treasurer of Ontario a sum of money equal to the amount paid for the period between the date of reappointment and the original projected layoff date. The employee's continuous service date, for all purposes except severance, shall be deemed to include both service up to last day of work and the accumulation of service after the date of reappointment. The new continuous service date for severance purposes shall be the date on which the employee recommences work.

27A.7.7 An employee who accepts a pay-in-lieu option pursuant to this Article shall forfeit any entitlements under the Surplus Factor 80 program, if any, pursuant to Article 27A.19 (Surplus Factor 80).

27A.8 **Direct Assignment into Permanent Vacancies**

27A.8.1 The Employer shall undertake the matching and assignment of employees under Article 27A.8 on a timely basis following the issuance of surplus notice and shall notify the employee no later than 30 days following the receipt of the required information from the employee of the vacancy to which the employee will be directly assigned, if any. The Employer shall continue to search for a direct assignment on a timely basis for employees who remain eligible or available for direct assignment into subsequent vacancies for the remainder of their surplus notice.

The following rules apply:

- (a) The search for a vacancy that is undertaken by the Employer shall be within the parameters set out in Articles 27A.8.2 and such broader parameters as the employee has identified and shall include those positions registered pursuant to Article 27A.4.
- (b) Where multiple matches may be possible, the vacancies shall be assessed in accordance with the employee's preferences as set out in the employee portfolio or as amended thereafter.
- (c) Where matches may be possible with more than one employee, the vacancy shall be assessed in respect of the employees in order of seniority.

27A.8.2 Employees shall be directly assigned to a permanent AMAPCEO unit position that is vacant in the relevant time period, provided that:

- (a) the vacant position is in a classification for which the maximum salary is no more than 5% above or 15% below the maximum salary of the classification of the position, as determined in accordance with Article 27A.13, from which the employee is declared surplus; and

- (b) the vacant position is within a forty (40) kilometres radius from the surplus employee's existing permanent work location; and
- (c) the employee meets the entry level qualifications for the position; and
- (d) there is no other AMAPCEO unit employee who has a greater length of continuous service and who is eligible for assignment to the vacancy pursuant to this Article.

27A.8.3 Where an employee is matched to a vacancy, the employee shall be required to inform the Human Resources Branch in writing within five (5) full working days of receiving notification of the vacancy to which he or she has been matched whether the direct assignment will be accepted.

27A.8.4 An employee who is directly assigned to a vacancy in accordance with this Article shall retain the current level of pay for the remainder of the notice period. Thereafter, if the position into which the employee is directly assigned is in a lower classification, the employee shall retain his or her existing salary, if the maximum salary for the classification is the same or higher than the employee's existing salary. However, if the maximum salary for the lower classification is below the employee's existing salary, then the employee's salary shall be reduced to the maximum of the lower classification.

27A.8.5 The actual physical transfer of any employee who accepts a direct assignment shall be carried out within a reasonable period of time following the date on which the willingness to accept the assignment was indicated, subject to mutually agreed upon arrangements to delay the transfer.

27A.8.6 When an employee who remains available for direct assignment pursuant to Article 27A.6. 2(a)(i) refuses a direct assignment to an AMAPCEO unit permanent position, the employee shall forfeit all further rights under Articles 27A.8, 27A.10, 27A.11 (with the exception of the right to apply to restricted competitions for a twenty-four month period) and Article 27A.14.3 and 27A.14.4 and shall either be laid off at the end of the notice period or take a pay-in-lieu option for the remainder of the notice period, under Article 27A.7.4.

27A.9.2 Notwithstanding Article 27A.9.1 no aboriginal employee or employee with a disability, as defined in the Ontario *Human Rights Code*, shall be bumped by a more senior employee.

27A.9.3 The Employer shall identify the first available permanent AMAPCEO unit position, occupied by the least senior employee, according to the following ordering rules:

- 27A.10.9 When a temporary assignment takes place, the employee shall not be unreasonably denied the opportunity to complete any portion of training already

underway.

- 27A.10.10 Surplus employees who refuse a temporary assignment shall continue to be considered for direct assignment into permanent vacancies for the duration of their surplus notice period, but not for further temporary assignments.
- 27A.10.11 Ministries are encouraged to use temporary assignments of less than nine (9) months in duration for surplus employees either for retraining purposes or to extend employment when direct assignment to a permanent vacancy or to a temporary assignment of greater than nine (9) months in duration is not possible.

Written notice shall be sent by certified mail or another means whereby receipt of such notice is confirmed by the deliverer.
- 27A.11.6 Laid-off employees assigned under this Article must accept the notice of recall and report for duty within the time limits stipulated below:
- (a) the employee must accept the recall, in writing to the Employer representative specified in the notice within seven (7) days of receipt of the written notice;

27A.11.11 Where an employee on recall is assigned to a permanent position, the employee's continuous service date, for all purposes except severance, shall be deemed to include both service before the effective date on which the employee went on recall and the accumulation of service after the date of assignment. The new continuous service date for severance purposes shall be the date on which the employee recommences work.

27A.12 **Determination of an Employee's Ministry for Purposes of this Article**

27A.12.1 The following provisions shall be used to modify the identification of an employee's ministry for all purposes under this Article:

- (a) Where the human resource services for a ministry/agency are provided by another ministry, surplus AMAPCEO unit employees in this first ministry/agency will be treated as if they were employees of both ministries for the application of all bumping and direct assignment rights.

- (b) Where there is an integration of functions, responsibilities or positions across ministries that results in employees' positions being declared surplus, all employees affected by any such change shall be treated as if they were all in the same work unit for purposes of Article 27A.5.1.

27A.13 **Determination of an Employee's Salary for Purposes of Direct Assignment**

Where an employee has been acting away from his or her home position for two (2) years or more, salary parameters for direct assignment purposes only (not for bumping or pay-in-lieu options) shall be based on the salary range of the current acting position.

27A.14 **Labour Adjustment & Training**

27A.14.1 Group sessions and written material will be offered to AMAPCEO unit employees about their job security entitlements, including how to complete an employee portfolio, information on severance, pension entitlement and employment insurance. 27A.14.6 The training plan shall be established and training shall begin as soon as possible

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

in the employee's notice period. If delays occur, the training plan shall not be reduced, but shall not result in a change to the layoff date.

27A.14.7 When a direct assignment takes place, employees shall not be unreasonably denied the opportunity to complete any portion of training already underway.

27A.15 **Severance Entitlements**

27A.15.1 The severance entitlement of employees pursuant to this Agreement shall consist of the entitlement to severance as provided for in the existing *Public Service of Ontario Act, 2006*, Management Board of Cabinet Compensation Directive, August 20, 2007, sections 60 to 68, which are hereby incorporated by reference into this Article.

27A.15.2 Unless otherwise provided for in this Agreement, severance is payable to the employee one pay period following the date of layoff or such later date as is mutually agreed upon.

27A.15.4 An employee shall not receive payments both under Article 27A.15.1 and under Article 38, arising from the same event.

27A.16 **Dispute Resolution**

27A.16.1 Disputes arising out of the application, interpretation and administration of Article 27A will be resolved pursuant to the procedure set out below.

27A.16.2 Any complaint concerning Article 27A may be referred by either party to the Article 27A Committee composed of a minimum of three (3) representatives of each party, and a maximum of five (5). The complaint shall be referred within sixty (60) days after the circumstances giving rise to the complaint have occurred, or have come or ought reasonably to have come to the attention of the employee(s), in the case of individual or group disputes, or the Association, in the case of an Association dispute, or the Employer in the case of an Employer dispute. The Committee shall have Employer and Association co-chairs. Each party shall have one (1) vote on the Committee. Any complaint shall be in writing and shall be delivered to the Employer Co-Chair in the case of an AMAPCEO complaint, and the AMAPCEO Co-chair in the case of an Employer complaint. The committee shall meet as often as necessary to attempt to resolve complaints equitably and expeditiously. The Article 27 Committee will be a subcommittee of ACERC.

27A.16.3 The bargaining unit members of the Committee shall be entitled to time off with pay and no loss of credits for meeting time and reasonable preparation and travel time for the work of the Committee and mediation/arbitration. Such time off will not be unreasonably denied as long as proper notice is given.

27A.16.4 If the Committee is unable to resolve any matter within five (5) working days of the delivery to the Co-chair, or earlier by mutual agreement, either party may refer the matter to arbitration in accordance with Article 15.3.3 and Article 15.10. More than one (1) matter at a time may be referred to arbitration.

27A.17 **Application of Job Security Provisions to Regular Part time Employees**

27A.17.1 The job security provisions in this Agreement shall apply to regular part-time employees with the following modifications:

- (a) In Article 27A.8, when identifying the vacancies into which the surplus regular part time employee could be assigned, the Employer shall use the same criteria for identifying possible vacancies as are used for full-time employees, as follows:
 - (i) Regular part-time employees shall be asked, prior to the matching process, whether they wish to be matched to full-time positions. Where the surplus regular part-time employee indicates a willingness to consider full-time positions and there are both regular part-time and full-time vacancies, to which the surplus regular part-time employee may match, the Employer shall assess the possible regular part-time vacancies first.
 - (ii) Where the regular part-time employee indicates no interest in being considered for matching to full-time positions, the Employer shall look for regular part-time vacancies in accordance with the provisions in Article 27A.8.
- (b) In Article 27A.9, when identifying the bumping option for the surplus regular part-time employee, the Employer shall look for regular part-time positions within the ordering rules.
- (c) A regular part-time employee who refuses a direct assignment to an AMAPCEO unit regular part-time permanent position shall forfeit all further rights under Article 27A.8, 27A.10, 27A.11 (with the exception of the right to apply to restricted competitions for a twenty-four month period) and Article 27A.14.3 and 27A.14.4 and shall either be laid off at the end of the notice period or take a pay-in-lieu option for the remainder of the notice period under Article 27A.7. However, a regular part-time employee who refuses a direct assignment to an AMAPCEO unit full-time

permanent position shall not forfeit any rights under the job security provisions of this Agreement.

27A.18 Rights on Disposition or Transfer of Bargaining Unit Functions or Jobs

27A.18.1 Sale of a Business

27A.18.1.1 The parties agree that if there is a “sale of a business” as defined in the Labour Relations Act, 1995, section 69, this determination will trigger the application of this article.

Where there is a sale of a business, it is agreed that:

- (a) Article 27A.18.2 (Reasonable Efforts) will not apply;
- (b) The obligations of the Employer to employees within the AMAPCEO bargaining unit who are affected by the sale shall be modified as set out in Article 27A.18.1.2; and
- (c) The Employer shall indicate this in the request for proposal or the transfer agreement, whichever is applicable, and provide a copy of such document to the Association in a timely manner.

27A.18.1.2 Obligations of the Employer to Employees Affected by the Sale

Where a transaction is a sale of a business, the parties agree that the Employer shall have the following obligations to employees within the AMAPCEO bargaining unit affected by the sale:

- (a) The employment of employees who are transferred to the successor employer is not terminated or severed and the service and seniority of such employees shall be carried over to the successor employer. The Employer shall not be liable to any employees who are transferred to the successor employer for any payment of termination or severance pay, or any other entitlements or obligations under the Collective Agreement between the Employer and the Association.
- (b) Affected employees who do not receive a job offer or who refuse a job offer from the successor employer will be surplus as a result of the sale subject to the terms of the Collective Agreement between the Employer and the Association and shall have all the rights of surplus employees.
- (c) Affected employees who refuse a job offer and accept employment with a successor employer within twelve (12) months of the date of transfer of employees will repay to the Crown any and all payments received under

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

27A.18.1.2(b).

- (d) Where job offers are obtained any affected employee shall have a period of ten (10) working days to accept or reject an offer of employment. An employee who does not respond within the ten (10) working days will have been deemed to reject the job offer. All job offers will prominently display the requirement to respond within ten (10) working days.
- (e) The Employer will provide advance notice as per the provisions of the Collective Agreement of the date of the sale to affected employees and the Association.

27A.18.1.3 Dispute Resolution

Nothing in this agreement limits any rights that the Association may have to make an application to the Ontario Labour Relations Board with respect to a sale of a business under s.69 of the Labour Relations Act, 1995, and to the GSB for matters that fall under the Collective Agreement.

27A.18.1.4 Treatment of the Public Service Act and the Public Service of Ontario Act
References in the Collective Agreement

The parties agree that, although the Public Service of Ontario Act will no longer apply to employees following a transfer to a successor employer, all entitlements under the Public Service of Ontario Act or the applicable provisions of the Management Board of Cabinet Compensation Directive specifically referenced in the Collective Agreement will continue to apply. This understanding shall be communicated in writing to any successor employer.

27A.18.2 Reasonable Efforts

Where the Employer takes the position that the disposition or transfer of bargaining unit functions or jobs is not a sale of a business, the following provisions shall apply:

- 27A.18.2.1 The employer will make reasonable efforts to ensure that, where there is a disposition or any other transfer of bargaining unit functions or jobs to the private or broader public sector, employees in the bargaining unit are offered positions with the new employer on terms and conditions that are as close as possible to the then existing terms and conditions of employment of the employees in the bargaining unit, and, where less than the full complement of employees is offered positions, to ensure that offers are made on the basis of seniority.
- 27A.18.2.2 Employees who accept an offer with a new employer to whom there has been a disposition or any other transfer of bargaining unit functions or jobs shall have no

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

rights under the Agreement. However, if the employee's service and seniority are not carried over to the new employer, the employee shall have the right to severance under Article 27A.15 of the Agreement.

- 27A.18.2.3 Employees who are made an offer pursuant to this Article but do not accept the offer, or who are not made an offer, shall have all their rights under the Agreement.
- 27A.18.2.4 Where an operation or part thereof is being disposed of, and the Employer has determined that an opportunity for tendering or bidding is warranted, employees shall be given the opportunity to submit a tender or bid on the same basis as others.
- 27A.18.2.5 The obligations of the employer concerning reasonable efforts and employee bidding set out in Articles 27A.18.2.1 to 27A.18.2.4 inclusive shall be deemed to have been satisfied provided that:
1. In respect of the transfers of bargaining unit jobs or functions as a result of transfers due to tendering or a Request for Proposal (RFP) the Employer shall include in all RFPs or tenders relating to those transfers a mandatory requirement that proponents must commit in their proposals to make job offers to all of the regular AMAPCEO employees the employer determines will be declared surplus as a direct result of the disposition or transfer of their jobs under the RFP or tender. Such job offers shall be at a salary of at least 85% of the respective employee's salary at the time of the RFP or tender and recognize the service in the Ontario Public Service of each employee for the purposes of qualification for vacation, benefits entitlements and other terms and conditions of employment except for pension to the extent that they are provided in the proponent's workplace. Job offers shall not include any probationary period. Proposals that do not satisfy the above mandatory requirement will be disqualified.
 2. The employer will offer the prospective new employer a financial incentive equal to the amount that would have been payable as enhanced severance pay to a regular employee, in order to secure or improve a job offer for the employee.
 3. The employer shall include in the RFP or tender the statement that employees may bid on the same basis as others.
- 27A.18.2.6 The parties agree that an offer made at the point of transfer will not require an employee to accept a loss of his/her common law employment rights with respect to subsequent unilateral changes to terms and conditions of employment made by the new employer.

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

- 27A.18.2.7 The employer will continue to direct ministries to review criteria included in tenders for the purpose of minimizing unnecessary barriers to employee bidding.
- 27A.18.2.8 Where job offers are obtained any affected employee shall have a period of ten (10) working days to accept or reject an offer of employment. An employee who does not respond within the ten (10) working days will have been deemed to reject the job offer. All job offers will prominently display the requirement to respond within ten (10) working days.
- 27A.18.2.9 The employer commits to having "reasonable efforts" discussions with AMAPCEO from the time a decision to approve a disposition or transfer is made as a standing item on the agenda of the AMAPCEO Central Employee Relations Committee (ACERC), and to meet on a bi-weekly basis. The agenda items may include but are not limited to: seniority in relation to job offers; effective use of enhanced severance to obtain or improve job offers; discussion of additional incentives; issues concerning the timing of and information around job offers and surplus notices including the impact on employees who have a role in implementing transition; suggestions from AMAPCEO regarding training; and tendering practices as they relate to employee bidding. Any disclosure to AMAPCEO under this Article shall be subject to the same confidentiality requirements as apply to disclosure under Article 12.

27A.19 **Surplus Factor 80**

- 27A.19.1 An employee who receives a Notice of Lay Off without a vacancy identified for direct assignment under Article 27A.6.3 may apply to retire on unreduced pension provided all of the following conditions are met:
- (a) The employee's age plus pension credit totals 80 years on or before employment ceases; and,
 - (b) The employee ceases employment upon the date of lay off specified in his or her Notice of Lay Off. All or part of the employee's Termination Payments under Article 38 may be converted to and received as paid leave, in order to extend service beyond the employee's lay off date. In such case the employee must cease employment at the end of the paid leave period; and,
 - (c) The employee must make his or her written election to retire under this paragraph within ten (10) days of receiving his or her Notice of Lay Off and the Employer must receive that election within the same ten (10) days; and,
 - (d) Once the employee has met all other eligibility requirements and is able to access Surplus Factor 80, then the employee must forfeit all other surplus

entitlements including but not limited to pay-in-lieu of notice, recall and enhanced severance pay.

- (e) the employee must have been laid off:

because he or she had not been assigned to a permanent position within his or her six month notice period subject to and in accordance with Article 27A.8 (Direct Assignment into Permanent Vacancies) or because he or she had accepted and was assigned into a temporary vacancy in accordance with Article 27A.10 (Direct Assignments into Temporary Vacancies), but had not obtained an assignment to a permanent vacancy within his or her notice period;

and

because no direct assignment to a permanent position has been found.

The Plan sponsor agrees to take steps to amend the Public Service Pension Plan in an expeditious manner to provide for the extension of the Surplus Factor 80 window for those employees as described herein. This arrangement meets the requirements of the Public Service Pension Plan, including compliance with legislation governing the Public Service Pension Plan.

The Employer confirms that any costs arising out of the extension of the Surplus Factor 80 program to the employees covered by this collective agreement shall be exclusively borne by the Employer. No costs shall accrue to the members as a result of the extension of the Surplus Factor 80 program.

27A.20 Enhanced Severance

27A.20.1 In addition to the severance entitlements set out in Article 27A.15 of the Agreement, an additional one week of salary for every completed year of continuous service, with no maximum, shall be paid as enhanced severance to all employees declared surplus.

27A.20.2 If an employee who is paid enhanced severance pursuant to this section subsequently, as a recall employee, accepts a direct assignment in accordance with Article 27A.11, the employee shall be required to repay an amount equal to: the total number of weeks of enhanced severance paid less the number of weeks spent on recall prior to return to work (e.g. an employee who receives twenty (20) weeks enhanced severance and is recalled fifteen (15) weeks after their date of layoff shall repay the equivalent of five (5) weeks of enhanced severance).

27A.21 **Pension Bridging Option**

27A.21.1 A surplus employee is entitled to take a pension bridging option as a leave of absence without pay but with the continued accrual of pension credits, if the sum of:

- (a) the six month notice period;
- (b) the number of weeks of paid leave of absence that the employee's legislated severance can be converted into under the current provisions of the *Public Service of Ontario Act, 2006*, Management Board of Cabinet Compensation Directive, August 20, 2007, section 68; plus
- (c) a maximum of two (2) years leave of absence without pay, but with continued accrual of pension credits

would bring the employee to the next earliest date on which he or she could exercise an actuarially unreduced pension option under the Public Service Pension Plan. Article 27A.21.4 provides details on the pension bridging option.

27A.21.2 Surplus employees who choose this option shall waive all rights to bumping, direct assignment, pay-in-lieu and recall.

27A.21.3 The Employer agrees to make any necessary changes to the pension plan and/or the *Public Service of Ontario Act, 2006*, Management Board of Cabinet Compensation Directive, August 20, 2007, in as expeditious a manner as is possible.

27A.21.4 **Details on Pension Bridging Option**

27A.21.4.1 For any specific individual, the maximum amount of leave that can be taken for the pension bridging option shall be calculated as follows:

- (a) determine the total amount of time from the date on which the employee receives the surplus notice that is needed for the individual to reach the next earliest of his or her actuarially unreduced pension options and, from that amount, subtract:
 - i) the employee's six-month notice period; and
 - ii) the number of weeks of paid leave of absence that the employee's legislated severance can be converted into under the existing provisions of the *Public Service of Ontario Act, 2006*, Management Board of Cabinet Compensation Directive, August 20, 2007, section 68.

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

- (b) the remainder, to the extent that it is no more than two (2) years, shall be available as a leave of absence without pay but with continued accrual of pension credits. During the leave without pay, employees may choose to purchase all benefit coverage with the exception of STSP and LTIP.

27A.21.4.2 The leaves of absence shall commence before the conclusion of the employee's six month notice period and shall be taken as follows:

- (a) the unpaid leave of absence, the maximum length of which is determined in accordance with Article 27A.21.4.1(b) above, shall be taken first. During this leave of absence, in lieu of the employee's pension contributions being made directly by the employee, the employee's right to enhanced severance under Article 27A.20 shall be reduced by an equivalent amount, which the Employer shall pay into the pension plan and the Employer contributions shall also be paid into the pension plan;
- (b) the leave of absence with pay equal to the employee's number of weeks of legislated severance shall be taken after the leave without pay in Article 27A.21.4.2 (a). During this leave of absence the employee's pension contributions shall be deducted from the employee's biweekly payments;
- (c) at the conclusion of the leave of absence with pay the employee shall return to complete whatever portion of the six-month notice period remains. At the end of this period the employee:
 - (i) shall retire;
 - (ii) shall receive the enhanced severance, reduced by an amount equivalent to his or her pension contributions for the unpaid leave of absence; and
 - (iii) shall be entitled to exercise his or her right to an actuarially unreduced pension.

ARTICLE 27B - JOB SECURITY

27B.1 Application

27B.1.1 This Article applies to all employees in the AMAPCEO bargaining unit.

- (a) Probationary employees shall have all rights under this Article, except bumping rights. Nothing in this Article shall be deemed to be a recognition of seniority or continuous service for probationary employees for other purposes.
- (b) Fixed term employees under the Agreement will have notice entitlements under the *Employment Standards Act* and be entitled to apply to restricted competitions under Article 27B.11.9 for twenty-four (24) months after the date of layoff.

27B.2 In this Article 27B references to modules and functional groups (for purposes of direct assignment and bumping) mean the modules and functional groups attached as Schedule 3.

27B.3 Administrative Measures

27B.3.1 Surplus Clearance

All permanent and temporary vacancies in excess of nine (9) months must “clear surplus” corporately before they can be filled. Until a job offer has been made, the vacancy shall remain available for direct assignment purposes. Permanent and temporary vacancies may be posted while clearance is being concurrently obtained, but the posting will not occur prior to the position being sent for clearance and the posting will not be filled through the recruitment process until the position “clears surplus.”

- (a) For clarity, the types of temporary positions and assignments that must clear surplus before being filled include:
 - (i) backfill assignments for leaves of absence for regular AMAPCEO unit employees, including extended educational leave, Long Term Illness Protection (LTIP) and Workers’ Compensation Benefit (WCB) absences;
 - (ii) project assignments for non-recurring ministry programs or projects;
 - (iii) secondments, developmental opportunities and other training opportunities;

(iv) positions in the fixed term service, GO Temp assignments and temporary agency contracts.

(b) For clarity, the release from redeployment purposes of a permanent or temporary vacancy that has been submitted for clearance shall not occur until a job offer is accepted or the posting has been cancelled.

27B.3.2 Where there is a temporary assignment of 9 months or less, and the employer extends it by 3 months or less, the temporary assignment will not have to clear surplus, regardless of whether its total length exceeds 9 months. However, where the employer extends a temporary assignment by greater than 3 months and such extension results in its total length exceeding 9 months, the assignment must clear surplus.

27B.3.3 Where the term of a temporary assignment which has cleared surplus must be extended for operational reasons, the temporary assignment may be extended without reclearing surplus one time only, to a maximum extension of three (3) months.

27B.3.4 ACERC / AMERC Reports

Information shall be made available to AMAPCEO as part of the regular reporting to AMERC and ACERC on (1) all vacancies that have “cleared surplus” and (2) all AMAPCEO unit employees on either the current surplus list or the recall rights list.

27B.3.4.1 Regular monthly reports of the information in (a) and (b) below will be made to the AMAPCEO Corporate office on a monthly basis in an electronic format agreed to by the parties such that the information can be sorted by Ministry. The Employer further agrees that AMAPCEO may provide to each of its AMERC Committees the information provided by the Employer but it will do so in respect of each Ministry alone and will not provide the information to other AMERCs.

(a) permanent vacancies and temporary vacancies in excess of nine (9) months which are sent for corporate surplus for clearance. Report to include the position title, level, module, branch and location for the position; the date sent; the date cleared, filled by a surplus or recall employee or cancelled. If cleared, its clearance number and if cancelled, the rationale shall be reported.

(b) temporary assignments that must clear surplus pursuant to Articles 27B.3.1 and 27B.3.2. Report to include the position title, level, module, branch, location, start and ending dates, extensions, corporate clearance number(s) if applicable; name of person filling the vacancy, their home

position and home bargaining unit status

- (c) The reports in (a) and (b) above shall include all permanent and temporary vacancies that have received surplus clearance but have not been filled after three (3) months of the initial clearance and all permanent and temporary postings that have been cancelled in the reporting month.

27B.3.5 Seniority Lists

An OPS-wide seniority list and the relevant ministry/regional seniority list, including the employees' names, date of continuous service, ministry, level, module, job title location and region shall be maintained and posted (hard copy or electronic posting) in all work sites on a quarterly basis, with copies provided to AMAPCEO on a quarterly basis.

27B.3.6 Employee Home Address

The employee must advise the Employer in writing of any changes to the home mailing address. If the employee fails to keep their mailing address updated, the employee's current address shall be deemed to be the most current home address in the employee's personnel file.

27B.3.7 Employee Form

All new employees must complete an employee form within their probationary period. The employee form will be placed on the employee's personnel file.

Notwithstanding the above, the Employer shall require any employee that it has reasonable grounds to believe may be declared surplus to complete an Employee form within two (2) weeks.

The current AMAPCEO employee form and the addendum thereto, will not be altered while the terms and conditions of this collective agreement remain in effect.

27B.3.8 It is the responsibility of the employee to ensure that the employee portion of the information on the form is complete, current, and accurate. Similarly, it is the manager's responsibility to ensure that the Employer portion is complete, current and accurate and that all other actions of the Employer required to complete the process are taken.

An Employee form will be deemed to include the qualifications and knowledge as identified in the employee's current position description for the purposes of Article 27B.8 (Direct Assignments into Permanent Vacancies), unless otherwise modified by the employee.

- 27B.3.9 As part of the employee form the employee shall indicate what, if any, modifications to the level and/or geographic parameters, as set out in Article 27B.8.2, the employee will accept under Article 27B.8.2. Such modifications will be treated as being within parameters for the purposes of direct assignment to vacancies. The employee will indicate:
- (a) how much lower than their current level the employee will accept;
 - (b) where beyond the 40 km from the current work location the employee will accept;
 - (c) whether there are different parameters for temporary assignments than for permanent assignments;
 - (d) whether the geographic parameters selected or the level parameters selected are more important and this choice will be used by the Employer where it may be possible to match the employee to more than one vacancy; and
 - (e) for purposes of clarity, level parameters or geographic parameters referred to in this Agreement include any additional parameters identified by the employee under this Article. Relocation expenses do not apply and “red circling” expires at the end of the notice period.

Also, as part of the Employee form the employee shall indicate what, if any, modifications to geographic parameters, as set out in Article 27B.9.3, the employee will accept under Article 27B.9.3. Such modifications will be treated as being within parameters for the purposes of bumping.

The employee may advise the Employer in writing, at any time of his or her desire to update the employee portion of an Employee Form to reflect the acquisition of new or improved skills, knowledge and abilities, and/or change the parameters or the relative importance of the salary and geographic parameters. Such changes shall be implemented within five (5) days of receiving the updated employee portion of the Employee Form.

- 27B.3.10 If an employee fails to complete the employee portion of an Employee Form as required, the employee shall be deemed to have waived any right to bumping and to direct assignment to vacancies in the event that the employee is declared surplus or is bumped by a more senior employee. In such cases, the employee may choose one of the same options available to a volunteer under Article 27B.5.3 as specified in Article 27B.5.4. If the employee has not completed the employee portion of the form by the end of the notice period, the employee shall

be deemed to have waived recall rights to direct assignment.

27B.3.11 Treatment of Surplus Notice During Leaves of Absence or Temporary Assignments

27B.3.11.1.1 Where the employee's position is declared surplus while the employee is away on a sick leave (STSP, LTIP or WCB), the ministry shall notify the employee that his or her position has been declared surplus and that, when the employee returns to work, the surplus notice shall be issued.

27B.3.11.1.2 Where the employee's position is declared surplus while the employee is away on a leave of absence, the ministry shall notify the employee that his or her position has been declared surplus and inform the employee of the option to:

- (a) return early from the leave of absence and receive the surplus notice at that time; or
- (b) return at the end of the leave and receive the surplus notice at that time.

27B.3.11.1.3 Where the employee's position is declared surplus while the employee is on a temporary assignment or secondment within the OPS, the home ministry has the option of:

- (a) returning the employee to his or her home position and issuing the surplus notice at that time; or
- (b) giving the employee the surplus notice and allowing the employee to remain on temporary assignment until directly assigned into a permanent vacancy, the temporary assignment ends, or the notice period expires, whichever occurs first.

27B.3.11.2 Treatment of Surplus Notices Issued Before an Employee Goes on a Leave of Absence or a Temporary Assignment

27B.3.11.2.1 Where the employee's position is declared surplus before a LTIP or WCB sick leave of absence begins, the employee's notice shall be put on hiatus for the duration of the leave. When the employee is able to return to work, the balance of the notice period shall continue.

27B.3.11.2.2 Where the employee's position is declared surplus before a STSP leave of absence, the employee's notice shall be put on hiatus if from the beginning of the STSP leave the medical evidence (e.g. stroke) indicates that the leave will be greater than one (1) month.

Where the employee is on a sick leave and is expected to return to work within

one (1) month (e.g. cold or flu), the surplus notice is not placed on hiatus. However, if, after one (1) month on STSP, the employee's prognosis for returning to work remains uncertain, the surplus notice is put on hiatus until the employee is able to return to work.

- (a) If the employee bumps or is directly assigned to a new position before going on STSP/LTIP/WCB, the accepting ministry must honour the leave of absence.

27B.3.11.2.3 Where the employee's position is declared surplus before a leave of absence begins, the employee may choose to:

- (a) accept a hiatus in the surplus notice period during the leave or absence; or
- (b) return early from the leave of absence.

When the employee returns from the leave of absence the balance of the notice period shall continue.

If the employee bumps or is directly assigned to a new position before going on the leave of absence, the accepting ministry must honour the leave of absence.

27B.3.11.2.4 Where the employee's position is declared surplus before the beginning of a temporary assignment or secondment within the OPS (and before the employee is eligible for direct assignment into a temporary assignment under the Agreement), the employee's surplus notice is put on hiatus during the temporary assignment and all redeployment activities cease. This provision only applies where the temporary assignment or secondment is for more than six (6) months and is filled competitively.

At the end of the temporary assignment or secondment, the balance of the notice period shall resume. The employee shall return to his or her home position if it still exists or to a comparable position within the ministry/OPS. The employee shall remain eligible for direct assignment to temporary assignments in accordance with Article 27B.10 of the Agreement.

27B.3.12 **Job Trading Program**

The expanded Ontario Public Service Job Trading Program for Regular Employees, as described in the *Guide to the Ontario Public Service Job Trading Program* dated July 2008 shall continue.

27B.3.13 **Eligibility for Employment Insurance**

The parties agree that all employees who accept a pay-in-lieu option under Article 27B.7, including those employees who registered pursuant to Article 27B.4, are doing so pursuant to a program of downsizing undertaken by the Employer and in so doing are preventing another employee from being laid off. Accordingly the Employer agrees to take all necessary steps to attempt to ensure that the Employment Insurance Commission recognizes that the entitlement to Employment Insurance of employees who are laid off and who take a pay-in-lieu of notice option qualifies as registered 'workforce reduction processes' under the *Employment Insurance Act*.

27B.4 **Program to Reduce Adverse Impacts of Surplusing and Bumping**

27B.4.1 Every employee in the bargaining unit may register at any time in writing with their Human Resources Branch, to be eligible to elect one of the same options available to a volunteer under Article 27B.5.3 as specified in Article 27B.5.4.

27B.4.2 Within ten (10) days following registration, the registrant's job shall be made available for direct assignment.

27B.4.3 The registration can be withdrawn by the registrant on written notice being received by the Human Resources Branch.

27B.4.4 The registrant shall be required to elect one of the same options available to a volunteer under Article 27B.5.3 as specified in Article 27B.5.4 where:

- (a) the surplus employee is matched to the registrant's job, and;
- (b) the surplus employee accepts the direct assignment, and;
- (c) the registrant's job was not withdrawn as per Article 27B.4.3.

27B.4.5 A registrant's job is available for direct assignment to employees at the time they are declared surplus and throughout their notice period, and the search shall be conducted under the rules and parameters set out in Article 27B.8.

27B.4.6 When the conditions of (a), (b) and (c) of Article 27B.4.4 have been met, the last day of work for a registrant shall be five (5) days after confirmation of the direct assignment of a surplus employee into the registrant's position, unless another date is mutually agreed upon.

27B.4.7 Where the employee does not choose a specific option under Article 27B.5.4, the employee shall be deemed to have chosen the pay-in-lieu option in Article 27B.7.1(a).

27B.5 **Layoff**

27B.5.1 Where a layoff may occur, the identification of individual(s) to be declared surplus within an administrative district or unit, institution or other such work unit shall be in accordance with seniority (years of continuous service in the OPS, as currently defined) in the job functions that the Employer has determined are to be reduced or eliminated. The subsequent matching process and direct assignment into vacancies, bumping, layoff, and recall shall also be in accordance with seniority, subject to the conditions set out in this Agreement.

27B.5.2 **Surplus Notice Alert**

Where one or more positions in a work unit will be declared surplus, all employees in the work unit will be provided with a written Surplus Notice Alert not less than six (6) days prior to the issuance of any notice of layoff. The Surplus Notice Alert will describe the work unit, the job functions to be reduced and the number of positions to be reduced.

27B.5.3 The Surplus Notice Alert will also:

- (a) Offer the employees, whose positions are specifically identified for surplussing, to exit the OPS with one of the options outlined in Article 27B.5.4, if they plan to exit OPS and not seek a direct assignment under Article 27B.8 or a bump under Article 27B.9.
- (b) Invite all employees working in the affected job functions to volunteer to exit the OPS with one of the options outlined in Article 27B.5.4. Volunteers to exit the OPS will be approved on the basis of seniority up to the numbers required. Volunteers not approved may register under Article 27B.4.

27B.5.4 Volunteers under Article 27B.5.3 must respond to the Employer in writing within five (5) days of the issuance of the Surplus Notice Alert. The response must indicate which one of the following options the employee selects:

- (a) Pay-in lieu option under Article 27B.7.1(a); or
- (b) Pay-in-lieu option under Article 27B.7.1(b); or
- (c) Immediate retirement if eligible for a permanent pension factor (90, 60/20, Age 65) under the Public Service Pension Plan; or
- (d) Pension Bridging under 27B.21, if eligible, to the employee's first permanent unreduced pension factor (90, 60/20, Age 65), under the Public Service Pension Plan.

For clarity, severance and enhanced severance under Articles 27B.15 and 27B.20 apply to options (a) through (d).

The Employer will respond in writing within five (5) days of receipt of an employee's request. An employee's last day at work will be five (5) days from receipt of the Employer's acceptance; however, this date may be extended upon agreement of the employee and the Employer.

27B.5.5 For clarity, if an employee does not exit under Article 27B.5.3, it will not affect or preclude his/her entitlement to any option if the employee subsequently receives a notice of layoff.

27B.6 **Notice of Layoff**

27B.6.1 An employee who is declared surplus shall be given not less than six (6) months notice in writing of the date of layoff. The notice shall advise the employee in writing of all options in accordance with Article 27B.6.2. AMAPCEO shall be copied on all notices issued. A notice shall not be issued to an aboriginal employee or to an employee with a disability, as defined under the Ontario *Human Rights Code*, without the consent in writing of the employee's Deputy Minister. It is the employee's responsibility to self-identify to their Human Resources Branch.

27B.6.2 The notice of surplus will:

- (a) Indicate that the employee has the following options:
 - (i) remain available for direct assignment under Article 27B.8 into subsequent vacancies for the remainder of the notice period, within the parameters described in Article 27B.8.2 as modified by the employee; or,
 - (ii) accept a pay-in-lieu option as set out in Article 27B.7.1
- (b) indicate that if the employee fails to inform the Human Resources branch, in writing, within five (5) working days of the receipt of the notice of his or her intention to accept one of the specific options listed, the employee shall be deemed to remain available for direct assignment pursuant to Article 27B.6.2(a)(i);
- (c) inform the employee whether he or she is eligible for the pension bridging option under Article 27B.21.
- (d) indicate that the Employer will identify the vacancy into which the employee will be directly assigned, if any, no later than 30 days following the receipt of the required information from the employee and failing

identification of a vacancy, the Employer will continue to search for a direct assignment for the duration of the notice period.

- (e) indicate that if the employee opts to remain available for direct assignment and if he or she has not been assigned to a vacancy through a direct assignment by the end of fifth (5th) month from the receipt of notice of surplus, the Employer will identify the bumping option, if any, as described under Article 27B.9

27B.6.3 Where a surplus employee remains available for direct assignment, pursuant to Article 27B.6.2(a)(i), the Employer shall provide the employee with:

- (a) notification of all AMAPCEO unit vacancies through postings, e-mail, the Internet or other methods;
- (b) reasonable time during working hours, without loss of pay or credits for transitional support activities (e.g. interviews, job search activities and retraining or counselling activities) and such time off will not be unreasonably withheld;
- (c) reasonable ongoing access to office space and office equipment in the event that the employee's home position is eliminated before the end of the notice period.

27B.6.4 Any notice required to be given under this Article shall be deemed to have been received by the employee on the day on which it is delivered in person. Otherwise, the notice shall be sent by certified mail or another means whereby receipt of such notice is confirmed by the deliverer to the last address of the employee filed with the Employer. Wherever possible, the notice shall be personally delivered by the Employer to the employee.

27B.7 **Pay-In-Lieu Option**

27B.7.1 Pay-in-lieu options under this Agreement means either:

- (a) a lump sum of six months' pay, plus severance as provided for in Article 27B.15, and enhanced severance under Article 27B.20, payable as soon as possible, but not later than three pay periods following acceptance of the pay-in-lieu option, in which case all salary and benefit entitlements which would have accrued to the employee from the last day worked to the layoff date are forfeited; or
- (b) continuance of salary plus benefits (except STSP and LTIP) commencing on the date set out in Article 27B.7.3 for the duration of the notice period, plus severance as provided for in Article 27B.15, and enhanced severance

under Article 27B.20 paid out at the layoff date.

- 27B.7.2 Where the employee advises the Employer of preferences for payment under Article 27B.7.1 to ensure tax-effective treatment, the Employer will comply subject to requirements at law.
- 27B.7.3 Where an employee accepts a pay-in-lieu option pursuant to this Article, the employee's last day at work shall be five (5) working days after the employee advises or is deemed to advise the Employer of the acceptance of a pay-in-lieu option, or such other period as the employee and the Employer shall agree.
- 27B.7.4 An employee who is declared surplus who does not accept or is not deemed to have accepted a pay-in-lieu option may during the notice period indicate that he or she wishes to take a pay-in-lieu option in which case the particular pay-in-lieu option chosen shall be calculated from the last day of work until the end of the notice period.
- 27B.7.5 Where an employee accepts a pay-in-lieu option pursuant to this Article, any further entitlements under this Agreement are forfeited with the exception that the employee will be eligible to apply for restricted competitions from the last day of work until twenty-four (24) months from the date on which layoff would otherwise have occurred.
- 27B.7.6 Where an employee who accepts a pay-in-lieu option pursuant to this Article is reappointed to a position in the Ontario Public Service prior to the originally projected layoff date, the employee will repay to the Treasurer of Ontario a sum of money equal to the amount paid for the period between the date of reappointment and the original projected layoff date. The employee's continuous service date, for all purposes except severance, shall be deemed to include both service up to last day of work and the accumulation of service after the date of reappointment. The new continuous service date for severance purposes shall be the date on which the employee recommences work.
- 27B.7.7 An employee who accepts a pay-in-lieu option pursuant to this Article shall forfeit any entitlements under the Surplus Factor 80 program, if any, pursuant to Article 27B.19 (Surplus Factor 80).
- 27B.8 **Direct Assignment into Permanent Vacancies**
- 27B.8.1 The Employer shall undertake the matching and assignment of employees under Article 27B.8 on a timely basis following the issuance of surplus notice and shall notify the employee no later than 30 days following the receipt of the required information from the employee of the vacancy to which the employee will be directly assigned, if any. The Employer shall continue to search for a direct assignment on a timely basis for employees who remain eligible or available for

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

direct assignment into subsequent vacancies for the remainder of their surplus notice.

The following rules apply:

- (a) The search for a vacancy that is undertaken by the Employer shall include those positions registered pursuant to Article 27B.4 and shall be within the parameters set out in Article 27B.8.2 including such broader parameters as the employee has identified, and shall be conducted according to the following ordering rules:
 - (i) in the employee's current functional group and level;
 - (ii) in the remaining functional groups in the employee's current module, and level;
 - (iii) in the remaining modules at the employee's current level;
 - (iv) in all modules, at such lower levels as elected by the employee, in descending order.

The ordering rules set out above will be carried out sequentially at the time of each direct assignment search until a match is found.

- (b) Where multiple matches may be possible, the vacancies shall be assessed in accordance with the employee's preferences as set out in the employee form or as amended thereafter.
- (c) Where matches may be possible with more than one employee, the vacancy shall be assessed in respect of the employees in order of seniority.

27B.8.2 Employees shall be directly assigned to a permanent AMAPCEO unit position that is vacant in the relevant time period, provided that:

- (a) the vacant position is at the same level as the employee's position, or as determined in accordance with Article 27B.13, or such broader parameters as the employee has determined under Article 27B.3.9; and
- (b) the vacant position is within a forty (40) kilometres radius from the surplus employee's existing permanent work location; and
- (c) the employee meets the entry level qualifications for the position; and
- (d) there is no other AMAPCEO unit employee who has a greater length of continuous service and who is eligible for assignment to the vacancy

pursuant to this Article.

- 27B.8.3 Where an employee is matched to a vacancy, the employee shall be required to inform the Human Resources Branch in writing within five (5) full working days of receiving notification of the vacancy to which he or she has been matched whether the direct assignment will be accepted.
- 27B.8.4 An employee who is directly assigned to a vacancy in accordance with this Article shall retain the current level of pay for the remainder of the notice period. Thereafter, if the position into which the employee is directly assigned is in a lower level, the employee shall retain his or her existing salary, if the maximum salary for the level is the same or higher than the employee's existing salary. However, if the maximum salary for the lower level is below the employee's existing salary, then the employee's salary shall be reduced to the maximum of the lower level.
- 27B.8.5 The actual physical transfer of any employee who accepts a direct assignment shall be carried out within a reasonable period of time following the date on which the willingness to accept the assignment was indicated, subject to mutually agreed upon arrangements to delay the transfer.
- 27B.8.6 When an employee who remains available for direct assignment pursuant to Article 27B.6.2(a)(i) refuses a direct assignment to an AMAPCEO unit permanent position, the employee shall forfeit all further rights under Articles 27B.8, 27B.10, 27B.11 (with the exception of the right to apply to restricted competitions for a twenty-four month period) and Article 27B.14.3 and 27B.14.4 and shall either be laid off at the end of the notice period or take a pay-in-lieu option for the remainder of the notice period, under Article 27B.7.4.
- 27B.8.7 An employee who does not exercise bumping rights or take a pay-in-lieu option and who has not been directly assigned to a vacancy in accordance with this Article shall be laid off at the end of the notice period.

27B.9 **Bumping**

- 27B.9.1 If an employee has not been directly assigned in accordance with Article 27B.8 by the end of the fifth (5th) month from the receipt of the notice of surplus, the Employer shall identify the bumping option, if any, for employees who are declared surplus and employees who are bumped by employees with greater seniority and have bumping rights. In identifying the bumping option, the Employer shall, in accordance with the ordering rules in Article 27B.9.3, look for the permanent AMAPCEO unit position occupied by the least senior employee for which the surplus employee is qualified, based on the following criteria:

the employee

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

- (a) is currently performing the work of the position; or
- (b) has performed the work of the position within the previous three (3) years; or
- (c) would be able to perform the work within five (5) weeks.

Where the employee is unable to perform the work after five (5) weeks, the Employer will identify an alternate bump, if available, or the employee may choose a pay-in-lieu option under Article 27B.7.1 or direct assignment. The period of up to five (5) weeks shall be considered a hiatus in the notice period.

27B.9.2 Notwithstanding Article 27B.9.1 no aboriginal employee or employee with a disability, as defined in the Ontario *Human Rights Code*, shall be bumped by a more senior employee.

27B.9.3.1 The Employer shall identify the first available permanent AMAPCEO unit position, occupied by the least senior employee, according to the following ordering rules and the criteria under Article 27B.9.1:

- (i) in the employee's current functional group and level, within 40 km of the current work location;
- (ii) in the remaining functional groups of the employee's current module and level, within 40 km of the current work location;

- (v) in the remaining functional groups of the employee's current module one (1) level below the employee's current level, within 40 km of the current work location;
- (vi) in the modules of any prior positions held by the employee, one (1) level below the employee's current level, within 40 km of the current work location;

27B.9.3.2 Where an employee has modified his or her geographic parameters in Article 27B.3.9 beyond 40 km, the search shall be carried out in accordance with the employee's modification under ordering rules in (i) to (vi) above, in the same descending order.

The ordering rules set out above will be carried out sequentially until a bump is found or the search is exhausted.

- 27B.9.3.3 The Employer shall declare surplus an employee who is bumped and shall determine the options under Articles 27B.6.2 for that employee and provide the bumped employee with a notice under Article 27B.6 as soon as practicable.
- 27B.9.3.4 The first employee who is bumped by an employee exercising his or her right to bump under Article 27B.9 will have bumping rights under 27B.9 and 27B.6.2 (e). The employee bumped by the first bumped employee will also have all their rights under Article 27B, including bumping rights but the employee he or she subsequently bumps will have all rights under Article 27B but not bumping rights.
- 27B.9.3.5 The Employee shall have five (5) days to notify the Employer whether he or she accepts a bump. Rejecting a bump does not affect any other rights under Article 27B.
- 27B.9.4 An employee who bumps into a position in a lower level shall retain his or her existing salary if the maximum for the level into which the employee is bumping is the same or higher than the employee's existing salary. However, if the maximum salary for the lower level is below the employee's existing salary, then the employee's salary shall be reduced to the maximum of the lower level.
- 27B.9.5 The actual physical transfer of any employee who is exercising bumping rights shall be carried out forthwith but not later than the end of the notice period.
- 27B.9.6 Where an employee bumps into a position beyond 40 km of the employee's current work location, the employee will not be eligible for relocation expenses.
- 27B.10 **Direct Assignments into Temporary Vacancies**
- 27B.10.1 Surplus employees shall be eligible for direct assignment into temporary assignments identified under Article 27B.3.1 in the last two (2) months of their notice. Where more than one (1) surplus employee match the temporary assignment, the employee with greater seniority shall be offered the temporary assignment.
- 27B.10.2 A surplus employee shall retain his or her status in the regular service and current salary entitlements while placed in a temporary assignment so long as the maximum for the classification of the temporary assignment is the same or higher than the employee's existing salary. If the maximum salary for the temporary assignment is lower than the employee's existing salary, then the employee's salary shall be reduced to the maximum of the lower classification once the notice period has expired.

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

- 27B.10.3 Subject to Article 27B.10.1, for placement into temporary assignments, the Employer shall use the same criteria and rules as for direct assignment into vacancies in Article 27B.8.
- 27B.10.4 An offer of a temporary assignment to a surplus employee must be in writing and must specify the duration of the temporary assignment.
- 27B.10.5 The surplus employee shall have five (5) working days in which to accept or reject the offer of a temporary assignment.
- 27B.10.6 Surplus employees who are occupying a temporary assignment remain eligible for direct assignment to permanent vacancies in accordance with the provisions of Article 27B.8 throughout their temporary assignment, but shall not continue to be matched to other temporary assignments during the term of the temporary assignment; however, the original temporary assignment may be extended by a maximum of three (3) months.
- 27B.10.7 Where an employee in a temporary assignment is directly assigned to a permanent vacancy, the reporting date to the permanent position shall be no later than one (1) month from the date of offer, unless otherwise mutually agreed upon with the employee, the ministry with the permanent vacancy and the ministry with the temporary assignment.
- 27B.10.8 Where no opportunity for direct assignment to a permanent vacancy occurs for a surplus employee during the temporary assignment, the employee shall be laid off at the end of the temporary assignment.
- 27B.10.9 When a temporary assignment takes place, the employee shall not be unreasonably denied the opportunity to complete any portion of training already underway.
- 27B.10.10 Surplus employees who refuse a temporary assignment shall continue to be considered for direct assignment into permanent vacancies for the duration of their surplus notice period, but not for further temporary assignments.
- 27B.10.11 Ministries are encouraged to use temporary assignments of less than nine (9) months in duration for surplus employees either for retraining purposes or to extend employment when direct assignment to a permanent vacancy or to a temporary assignment of greater than nine (9) months in duration is not possible.
- 27B.11 **Laid Off AMAPCEO Unit Employees**
- 27B.11.1 A laid off employee (excluding those who have forfeited their rights by refusing a direct assignment pursuant to Article 27B.8.6) shall have recall rights in accordance with seniority for a period of twenty-four (24) months from the date of

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

- 27B.11.2 A laid off employee is entitled to be assigned to a position that becomes vacant after his or her lay-off provided that:

 - (b) Meets the criteria under Article 27B.8.2.
- 27B.11.3 Where a person who has been laid off is directly assigned to a vacancy under this Article, the employee will be reappointed at his or her former salary.
- 27B.11.4 Employees who are laid off and subject to recall shall keep the Employer informed of any change of address and/or telephone number. Such changes must be sent to the designated Human Resources contact.
- 27B.11.5 Where an employee who has been laid off is assigned to a position under this Article, the Employer shall serve written notice of such assignment to the last address filed with the Employer. Written notice shall be sent by certified mail or another means whereby receipt of such notice is confirmed by the deliverer.
- 27B.11.6 Laid-off employees assigned under this Article must accept the notice of recall and report for duty within the time limits stipulated below:
- (a) the employee must accept the recall, in writing to the Employer representative specified in the notice within seven (7) days of receipt of the written notice;
 - (b) an employee accepting recall shall report for duty within two (2) weeks of receipt of the recall or on such later date specified in the notice, unless another date is mutually agreed upon.
- 27B.11.7 An employee shall lose rights to recall pursuant to this Article upon the earlier of:
- (a) the date upon which the employee fails to report for duty having accepted an assignment in accordance with this Article; or,
 - (b) the date upon which the employee does not accept an assignment in accordance with Article 27B.8.2; or,
 - (c) the date upon which the employee is successful in being appointed to an advertised permanent position within the OPS; or,

(d) twenty-four (24) months from the date of lay off.

27B.11.8 Employees accepting assignment under this Article are not entitled to relocation expenses.

27B.11.9 Laid-off employees are entitled to apply to restricted competitions within the OPS for twenty-four (24) months from the date of layoff.

27B.11.10 The Employer shall provide recall employees with notification, through mailings, the Internet, telephone hotlines or other similar methods which are accessible outside the workplace to recall employees, of all AMAPCEO unit vacancies, which have cleared surplus, within the OPS.

27B.11.11 Where an employee on recall is assigned to a permanent position, the employee's continuous service date, for all purposes except severance, shall be deemed to include both service before the effective date on which the employee went on recall and the accumulation of service after the date of assignment. The new continuous service date for severance purposes shall be the date on which the employee recommences work.

27B.12 **Determination of an Employee's Ministry for Purposes of this Article**

27B.12.1 The following provisions shall be used to modify the identification of an employee's ministry for all purposes under this Article:

(a) Where the human resource services for a ministry/agency are provided by another ministry, surplus AMAPCEO unit employees in this first ministry/agency will be treated as if they were employees of both ministries for the application of all bumping and direct assignment rights.

(b) Where there is an integration of functions, responsibilities or positions across ministries that results in employees' positions being declared surplus, all employees affected by any such change shall be treated as if they were all in the same work unit for purposes of Article 27B.5.1.

27B.13 **Determination of an Employee's Level for Purposes of Direct Assignment**

Where an employee has been acting away from his or her home position for two (2) years or more, parameters for direct assignment purposes only (not for bumping or pay-in-lieu options) shall be based on the level of the current acting position.

27B.14 **Labour Adjustment & Training**

27B.14.1 Group sessions and written material will be offered to AMAPCEO unit employees

about their job security entitlements, including how to complete an Employee Form, information on severance, pension entitlement and employment insurance. More detailed information shall be given, as early as possible, to employees to be declared surplus.

- 27B.14.2 In accordance with the Employer's current practice, employees will be provided with psychological, financial, and retirement counselling, on an as-needed basis.
- 27B.14.3 In accordance with the Employer's current practice, employees available for direct assignment will be provided with skills assessment, development of a transition plan, and job search support.
- 27B.14.4 Surplus employees available for direct assignment are also eligible for training/retraining. The need for training and retraining will vary among surplus employees and will be determined jointly by the employee and the Employer and shall address:
- (a) career planning, résumé writing, interview skills, job search techniques; and
 - (b) skills deficiencies identified in the Employee Form, and/or improvements needed to increase the likelihood of a direct assignment; or
 - (c) skills development to enhance employability.
- 27B.14.5 Where a surplus employee available for direct assignment is an aboriginal person or a person with disabilities and requires a longer training period, their notice period shall be extended until the completion of their training plan.
- 27B.14.6 The training plan shall be established and training shall begin as soon as possible in the employee's notice period. If delays occur, the training plan shall not be reduced, but shall not result in a change to the layoff date.
- 27B.14.7 When a direct assignment takes place, employees shall not be unreasonably denied the opportunity to complete any portion of training already underway.
- 27B.15 **Severance Entitlements**
- 27B.15.1 The severance entitlement of employees pursuant to this Agreement shall consist of the entitlement to severance as provided for in the existing *Public Service of Ontario Act, 2006*, Management Board of Cabinet Compensation Directive, August 20, 2007, sections 60 to 68, which are hereby incorporated by reference into this Article.
- 27B.15.2 Unless otherwise provided for in this Agreement, severance is payable to the

employee one pay period following the date of layoff or such later date as is mutually agreed upon.

27B.15.3 Where the employee advises the Employer of preferences for payments under this Article to ensure tax-effective treatment, the Employer will comply subject to requirements at law.

27B.15.4 An employee shall not receive payments both under Article 27B.15.1 and under Article 38, arising from the same event.

27B.16 **Dispute Resolution**

27B.16.1 Disputes arising out of the application, interpretation and administration of Article 27 will be resolved pursuant to the procedure set out below.

27B.16.2 Any complaint concerning Article 27B may be referred by either party to the Article 27 Committee composed of a minimum of three (3) representatives of each party, and a maximum of five (5). The complaint shall be referred within sixty (60) days after the circumstances giving rise to the complaint have occurred, or have come or ought reasonably to have come to the attention of the employee(s), in the case of individual or group disputes, or the Association, in the case of an Association dispute, or the Employer in the case of an Employer dispute. The Committee shall have Employer and Association co-chairs. Each party shall have one (1) vote on the Committee. Any complaint shall be in writing and shall be delivered to the Employer Co-Chair in the case of an AMAPCEO complaint, and the AMAPCEO Co-chair in the case of an Employer complaint. The committee shall meet as often as necessary to attempt to resolve complaints equitably and expeditiously. The Article 27 Committee will be a subcommittee of ACERC.

27B.16.3 The bargaining unit members of the Committee shall be entitled to time off with pay and no loss of credits for meeting time and reasonable preparation and travel time for the work of the Committee and mediation/arbitration. Such time off will not be unreasonably denied as long as proper notice is given.

27B.16.4 If the Committee is unable to resolve any matter within five (5) working days of the delivery to the Co-chair, or earlier by mutual agreement, either party may refer the matter to arbitration in accordance with Article 15.3.3 and Article 15.10. More than one (1) matter at a time may be referred to arbitration.

27B.17 **Application of Job Security Provisions to Regular Part time Employees**

27B.17.1 The job security provisions in this Agreement shall apply to regular part-time employees with the following modifications:

- (a) In Article 27B.8, when identifying the vacancies into which the surplus regular part time employee could be assigned, the Employer shall use the same criteria for identifying possible vacancies as are used for full-time employees, as follows:
 - (i) Regular part-time employees shall be asked, prior to the matching process, whether they wish to be matched to full-time positions. Where the surplus regular part-time employee indicates a willingness to consider full-time positions and there are both regular part-time and full-time vacancies, to which the surplus regular part-time employee may match, the Employer shall assess the possible regular part-time vacancies first.
 - (ii) Where the regular part-time employee indicates no interest in being considered for matching to full-time positions, the Employer shall look for regular part-time vacancies in accordance with the provisions in Article 27B.8.
- (b) In Article 27B.9, when identifying the bumping option for the surplus regular part-time employee, the Employer shall look for regular part-time positions within the ordering rules.
- (c) A regular part-time employee who refuses a direct assignment to an AMAPCEO unit regular part-time permanent position shall forfeit all further rights under Article 27B.8, 27B.10, 27B.11 (with the exception of the right to apply to restricted competitions for a twenty-four month period) and Article 27B.14.3 and 27B.14.4 and shall either be laid off at the end of the notice period or take a pay-in-lieu option for the remainder of the notice period under Article 27B.7. However, a regular part-time employee who refuses a direct assignment to an AMAPCEO unit full-time permanent position shall not forfeit any rights under the job security provisions of this Agreement.

27B.18 **Rights on Disposition or Transfer of Bargaining Unit Functions or Jobs**

27B.18.1 Sale of a Business

27B.18.1.1 The parties agree that if there is a “sale of a business” as defined in the Labour Relations Act, 1995, section 69, this determination will trigger the application of this article.

Where there is a sale of a business, it is agreed that:

- (a) Article 27B.18.2 (Reasonable Efforts) will not apply;

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

- (b) The obligations of the Employer to employees within the AMAPCEO bargaining unit who are affected by the sale shall be modified as set out in Article 27B.18.1.2; and
- (c) The Employer shall indicate this in the request for proposal or the transfer agreement, whichever is applicable, and provide a copy of such document to the Association in a timely manner.

27B.18.1.2 Obligations of the Employer to Employees Affected by the Sale

Where a transaction is a sale of a business, the parties agree that the Employer shall have the following obligations to employees within the AMAPCEO bargaining unit affected by the sale:

- (a) The employment of employees who are transferred to the successor employer is not terminated or severed and the service and seniority of such employees shall be carried over to the successor employer. The Employer shall not be liable to any employees who are transferred to the successor employer for any payment of termination or severance pay, or any other entitlements or obligations under the Collective Agreement between the Employer and the Association.
- (b) Affected employees who do not receive a job offer or who refuse a job offer from the successor employer will be surplus as a result of the sale subject to the terms of the Collective Agreement between the Employer and the Association and shall have all the rights of surplus employees.
- (c) Affected employees who refuse a job offer and accept employment with a successor employer within twelve (12) months of the date of transfer of employees will repay to the Crown any and all payments received under 27B.18.1.2(b).
- (d) Where job offers are obtained any affected employee shall have a period of ten (10) working days to accept or reject an offer of employment. An employee who does not respond within the ten (10) working days will have been deemed to reject the job offer. All job offers will prominently display the requirement to respond within ten (10) working days.
- (e) The Employer will provide advance notice as per the provisions of the Collective Agreement of the date of the sale to affected employees and the Association.

27B.18.1.3 Dispute Resolution

Nothing in this agreement limits any rights that the Association may have to make

an application to the Ontario Labour Relations Board with respect to a sale of a business under s. 69 of the Labour Relations Act, 1995, and to the GSB for matters that fall under the Collective Agreement.

27B.18.1.4 Treatment of the Public Service Act and the Public Service of Ontario Act
References in the Collective Agreement

The parties agree that, although the Public Service of Ontario Act will no longer apply to employees following a transfer to a successor employer, all entitlements under the Public Service of Ontario Act or the applicable provisions of the Management Board of Cabinet Compensation Directive specifically referenced in the Collective Agreement will continue to apply. This understanding shall be communicated in writing to any successor employer.

27B.18.2 Reasonable Efforts

Where the Employer takes the position that the disposition or transfer of bargaining unit functions or jobs is not a sale of a business, the following provisions shall apply:

27B.18.2.1 The employer will make reasonable efforts to ensure that, where there is a disposition or any other transfer of bargaining unit functions or jobs to the private or broader public sector, employees in the bargaining unit are offered positions with the new employer on terms and conditions that are as close as possible to the then existing terms and conditions of employment of the employees in the bargaining unit, and, where less than the full complement of employees is offered positions, to ensure that offers are made on the basis of seniority.

27B.18.2.2 Employees who accept an offer with a new employer to whom there has been a disposition or any other transfer of bargaining unit functions or jobs shall have no rights under the Agreement. However, if the employee's service and seniority are not carried over to the new employer, the employee shall have the right to severance under Article 27B.15 of the Agreement.

27B.18.2.3 Employees who are made an offer pursuant to this Article but do not accept the offer, or who are not made an offer, shall have all their rights under the Agreement.

27B.18.2.4 Where an operation or part thereof is being disposed of, and the Employer has determined that an opportunity for tendering or bidding is warranted, employees shall be given the opportunity to submit a tender or bid on the same basis as others.

27B.18.2.5 The obligations of the employer concerning reasonable efforts and employee bidding set out in Articles 27B.18.2.1 to 27B.18.2.4 inclusive shall be deemed to

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

have been satisfied provided that:

1. In respect of the transfers of bargaining unit jobs or functions as a result of transfers due to tendering or a Request for Proposal (RFP) the Employer shall include in all RFPs or tenders relating to those transfers a mandatory requirement that proponents must commit in their proposals to make job offers to all of the regular AMAPCEO employees the employer determines will be declared surplus as a direct result of the disposition or transfer of their jobs under the RFP or tender. Such job offers shall be at a salary of at least 85% of the respective employee's salary at the time of the RFP or tender and recognize the service in the Ontario Public Service of each employee for the purposes of qualification for vacation, benefits entitlements and other terms and conditions of employment except for pension to the extent that they are provided in the proponent's workplace. Job offers shall not include any probationary period. Proposals that do not satisfy the above mandatory requirement will be disqualified.
2. The employer will offer the prospective new employer a financial incentive equal to the amount that would have been payable as enhanced severance pay to a regular employee, in order to secure or improve a job offer for the employee.
3. The employer shall include in the RFP or tender the statement that employees may bid on the same basis as others.

27B.18.2.6 The parties agree that an offer made at the point of transfer will not require an employee to accept a loss of his/her common law employment rights with respect to subsequent unilateral changes to terms and conditions of employment made by the new employer.

27B.18.2.7 The employer will continue to direct ministries to review criteria included in tenders for the purpose of minimizing unnecessary barriers to employee bidding.

27B.18.2.8 Where job offers are obtained any affected employee shall have a period of ten (10) working days to accept or reject an offer of employment. An employee who does not respond within the ten (10) working days will have been deemed to reject the job offer. All job offers will prominently display the requirement to respond within ten (10) working days.

27B.18.2.9 The employer commits to having "reasonable efforts" discussions with AMAPCEO from the time a decision to approve a disposition or transfer is made as a standing item on the agenda of the AMAPCEO Central Employee Relations Committee (ACERC), and to meet on a bi-weekly basis. The agenda items may include but are not limited to: seniority in relation to job offers; effective use of enhanced severance to obtain or improve job offers; discussion of additional

incentives; issues concerning the timing of and information around job offers and surplus notices including the impact on employees who have a role in implementing transition; suggestions from AMAPCEO regarding training; and tendering practices as they relate to employee bidding. Any disclosure to AMAPCEO under this Article shall be subject to the same confidentiality requirements as apply to disclosure under Article 12.

27B.19 **Surplus Factor 80**

27B.19.1 An employee who receives a Notice of Lay Off without a vacancy identified for direct assignment under Article 27B.6.3 may apply to retire on unreduced pension provided all of the following conditions are met:

- (a) The employee's age plus pension credit totals 80 years on or before employment ceases; and,
- (b) The employee ceases employment upon the date of lay off specified in his or her Notice of Lay Off. All or part of the employee's Termination Payments under Article 38 may be converted to and received as paid leave, in order to extend service beyond the employee's lay off date. In such case the employee must cease employment at the end of the paid leave period; and,
- (c) The employee must make his or her written election to retire under this paragraph within ten (10) days of receiving his or her Notice of Lay Off and the Employer must receive that election within the same ten (10) days; and,
- (d) Once the employee has met all other eligibility requirements and is able to access Surplus Factor 80, then the employee must forfeit all other surplus entitlements including but not limited to pay-in-lieu of notice, recall and enhanced severance pay.
- (e) the employee must have received notice of layoff by March 31, 2014, and;
- (f) the employee must have been laid off:

because he or she had not been assigned to a permanent position within his or her six month notice period subject to and in accordance with Article 27B.8 (Direct Assignment into Permanent Vacancies) or because he or she had accepted and was assigned into a temporary vacancy in accordance with Article 27B.10 (Direct Assignments into Temporary Vacancies), but had not obtained an assignment to a permanent vacancy within his or her notice period;

and

because no direct assignment to a permanent position has been found.

The Plan sponsor agrees to take steps to amend the Public Service Pension Plan in an expeditious manner to provide for the extension of the Surplus Factor 80 window for those employees as described herein. This arrangement meets the requirements of the Public Service Pension Plan, including compliance with legislation governing the Public Service Pension Plan.

The Employer confirms that any costs arising out of the extension of the Surplus Factor 80 program to the employees covered by this collective agreement shall be exclusively borne by the Employer. No costs shall accrue to the members as a result of the extension of the Surplus Factor 80 program.

For clarity, any part of a notice period provided under Article 27B.6, or any part of a pension bridging option period under Article 27B.22 may occur beyond March 31, 2014, without affecting the employees' eligibility.

27B.20 Enhanced Severance

27B.20.1 In addition to the severance entitlements set out in Article 27B.15 of the Agreement, an additional one week of salary for every completed year of continuous service, with no maximum, shall be paid as enhanced severance to all employees declared surplus.

27B.20.2 If an employee who is paid enhanced severance pursuant to this section subsequently, as a recall employee, accepts a direct assignment in accordance with Article 27B.11, the employee shall be required to repay an amount equal to: the total number of weeks of enhanced severance paid less the number of weeks spent on recall prior to return to work (e.g. an employee who receives twenty (20) weeks enhanced severance and is recalled fifteen (15) weeks after their date of layoff shall repay the equivalent of five (5) weeks of enhanced severance).

27B.21 Pension Bridging Option

27B.21.1 A surplus employee is entitled to take a pension bridging option as a leave of absence without pay but with the continued accrual of pension credits, if the sum of:

- (a) the six month notice period;
- (b) the number of weeks of paid leave of absence that the employee's legislated severance can be converted into under the current provisions of the *Public Service of Ontario Act, 2006*, Management Board of Cabinet Compensation Directive, August 20, 2007, section 68; plus

date the employee becomes totally disabled, unless the employee elects to continue to use accumulated attendance credits on a day-to-day basis after the six (6) month period. Effective June 1, 2009, benefits shall be calculated based on the employee's salary at the first date of eligibility to receive LTIP benefits.

36.5.2 The LTIP coverage will terminate on the earliest of the following:

- (a) at the end of the calendar month in which the employment ceases;
- (b) the end of the calendar month an employee attains the age of sixty-four (64) years and six (6) months;
- (c) the date an employees enters the armed forces of any country on a full-time basis;
- (d) the first of the month following the commencement of an employee's approved leave of absence without pay where the employee does not elect to pay the required premium.

36.5.3 The LTIP benefits payments continue until the earliest of:

- (a) the employee ceases to be totally disabled as defined in the plan;
- (b) death;
- (c) the date on which the employee attains the age of sixty-five (65) years.

36.6 Rehabilitative employment for employees receiving LTIP benefits, whether with the OPS or another Employer, shall be available in keeping with the existing practice. In arranging such employment, the Employer will take into account the employee's training, education and experience.

36.7 The Employer shall not permanently fill the position of an employee during the qualifying period and the first twenty-four (24) months of the benefit period.

36.8 Where, during the benefit period, the employee is able to perform the essential duties of his or her position and the position has not been declared surplus, he or she shall resume work, as directed by the Employer, within two weeks of the date that LTIP benefits cease. Where, for accommodation reasons, an employee cannot be returned to his or her position within the two week period, the Employer shall grant a leave of absence with pay pending the completion of the accommodation requirements, but in no event shall the leave of absence with pay exceed three months. The employee shall return to work, when accommodations are completed, on the date specified by the Employer. In order to be eligible for leave of absence with pay, the employee shall co-operate with the Employer regarding the return-to-work arrangements.

- 36.9.1 When an employee who has been receiving or was eligible to receive LTIP benefits is deemed able to perform the essential duties of his or her position but the position is no longer available due to the application of Article 36.7, the employee shall have all rights and entitlements under Article 27. Where no direct assignment, bump or unreduced pension/pension bridge is identified for and/or chosen by the employee on his or her return, he or she shall be eligible immediately for a temporary assignment, if available (despite Article 27.10.1 limiting eligibility for temporary assignments). The employee will be eligible for one temporary assignment only. If the employee refuses the offer of a temporary assignment, no further temporary opportunities will be sought for him or her.
- 36.9.2 The temporary assignment can be extended at the Employer's discretion except as limited by Article 18.7.2. Time spent on the temporary assignment does not constitute a hiatus in the employee's notice period. Therefore, should no direct assignment be found for the employee, his or her employment ends at the termination of either the notice period or the temporary assignment, whichever is later. The employee will receive salary protection, if applicable, only during the six (6) month notice period.
- 36.10 A record of employment, if required in order to claim Employment Insurance sickness and disability benefits, will be provided to an employee and this document shall not be considered as termination of employment.

ARTICLE 37 - SHORT TERM SICKNESS PLAN

- 37.1.1 A full time employee who is unable to attend to his or her duties due to sickness or injury is entitled, in each calendar year, to leave of absence,
- (a) with regular salary for the first six (6) working days; and
 - (b) with seventy-five percent (75%) of regular salary for an additional one hundred and twenty-four (124) working days.
- 37.1.2 Effective April 1, 2013, a full time employee who is unable to attend to his or her duties due to sickness or injury is entitled, in each calendar year, to leave of absence,
- (a) with regular salary for the first six (6) working days; and
 - (b) with sixty-six and two thirds (66.67%) of regular salary for an additional one hundred and twenty-four (124) working days; or
 - (c) notwithstanding 37.1.2 (b), with seventy-five (75%) of regular salary for an additional one hundred and twenty-four (124) working days, if a certificate of a legally qualified medical practitioner is forwarded to the employee's

manager or designee certifying that the employee is unable to attend to official duties due to a catastrophic or serious chronic illness or injury.

37.2 An employee is not entitled to a leave of absence with pay under this Article until after completion of, in the case of a full time employee, twenty (20) consecutive working days of employment.

For the purposes of this Article, where an employee, due to an accommodation measure or a return to work plan, works on a temporarily modified schedule, twenty (20) consecutive working days shall mean twenty (20) consecutive scheduled days of work for that employee.

37.3 An employee who is on leave of absence with pay under this Article that commences on a regularly scheduled working day in one (1) calendar year and continues to include a regularly scheduled working day in the next following year is not entitled to leave of absence with pay under this Article for a greater number of working days than are permitted under Article 37.1 in the two (2) years until the employee has again completed the service requirement described in Article 37.2.

37.4 An employee who was on leave of absence with pay under this Article for the number of days in a year permitted under Article 37.1 is not entitled to leave of absence with pay under this Article in the following year until the employee has again completed the service requirement described in Article 37.2.

37.5 The pay of an employee under this Article is subject to,

- (a) all deductions for Benefit Plans coverages referred to in Articles 31 to 36 of the Agreement and under the Public Service Pension Act that would otherwise be made from the pay; and,
- (b) all contributions that would otherwise be made by the Employer in respect of the pay,

and such deductions and contributions shall be made as though the employee were receiving the employee's regular salary.

37.6 Information regarding the use of Short Term Sickness Plan days shall be available pursuant to Article 30.16.

Use of Accumulated Credits

37.7 Accumulated credits includes vacation credits, compensation option credits, compensating time off and attendance credits.

37.7.1 An employee who is on leave of absence and receiving pay under Article 37.1(b) is

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

entitled, at the employee's option, to have sufficient credits deducted from the employee's accumulated credits for each day to which Article 37.1(b) applies and to receive regular salary for each such day.

- 37.7.2 An employee who is absent from employment due to sickness or injury beyond the total number of days leave of absence with pay provided for in Article 37.1 shall have his or her accumulated attendance credits reduced by a number of days equal to the number of days of such absence and is entitled to leave of absence with pay on each such day.
- 37.7.3 Article 37.7.2 does not apply to an employee who qualifies for and elects to receive benefits under the Long Term Income Protection Plan instead of using his or her accumulated attendance credits.
- 37.8 After seven (7) consecutive calendar days absence caused by sickness or injury, no leave with pay shall be allowed unless a certificate of a legally qualified medical practitioner is forwarded to the employee's manager or designee, certifying that the employee is unable to attend to official duties.
- 37.9 Despite Article 37.8, where the Employer has reason to suspect that there may be an abuse of sick leave, the Manager may require an employee to submit a medical certificate, at the Employer's expense, for any period of absence.
- 37.10 Where, for reasons of health, an employee is frequently absent or unable to perform his or her duties, the Employer may require him or her to submit to a medical examination at the expense of the Employer. The employee and Employer shall attempt to come to agreement on a qualified medical practitioner to perform the examination. When agreement is not reached, the employee may choose a qualified medical practitioner from the referral service of the College of Physicians and Surgeons. If the employee fails to make such a choice within one (1) week of receiving referrals, the Employer may choose a qualified medical practitioner from the same referrals.
- 37.11 For the purposes of this Article, the service requirement in Article 37.2 shall not include vacation leave of absence or any leaves without pay, but days worked before and after such leaves shall be considered consecutive. However, days worked before and after any leave of absence with or without pay due to an employee's illness or injury are not considered to be consecutive. Leaves with pay (other than for vacation, education, illness or injury) and statutory holidays are included in the determination of such service.

ARTICLE 38 - TERMINATION PAYMENTS

- 38.1 Except where an employee voluntarily resigns, he or she is entitled to termination payments as provided for in the *Public Service of Ontario Act, 2006*, Management Board of Cabinet Compensation Directive, August 20, 2007, sections 60 through 68, which are hereby incorporated by reference into this agreement.
- 38.2 Notwithstanding Article 38.1, an employee employed as of April 5, 2005 who voluntarily resigns is entitled to termination pay for service accrued up to April 5, 2005.
- 38.3 For clarity a decision of an employee to retire under a provision of the Public Service Pension Plan is not a voluntary resignation for the purpose of this article.
- 38.4 Notwithstanding Article 38.1, an employee appointed on or after January 1, 2010 is not entitled to termination payments as provided for in this article.

For clarity, this does not apply to a fixed term employee who on or after January 1, 2010 is appointed to the regular service, where that regular employee's continuous service will include any fixed term service accumulated on or before January 1, 2010.

ARTICLE 39 – WORKERS' COMPENSATION

- 39.1 Where an employee is absent by reason of an injury or occupational disease for which a claim is made under the *Workplace Safety and Insurance Act, 1997*, his or her salary shall continue to be paid for a period not exceeding thirty (30) regularly scheduled working days. If an award is not made, any salary paid in excess of that to which he or she is entitled under Article 37 (Short Term Sickness Plan) shall be an amount owing by the employee to the Employer.
- 39.2 Where an employee is absent by reason of an injury or occupational disease for which an award is made under the *Workplace Safety and Insurance Act, 1997*, the employee's salary shall continue to be paid for a period not exceeding three (3) consecutive months, or a total of sixty-five (65) regularly scheduled working days where such absences are intermittent, following the date of the first absence because of the injury or occupational disease, and any absence in respect of the injury or occupational disease shall not be charged against their credits.
- 39.3 Where an award is made under the *Workplace Safety and Insurance Act, 1997*, to an employee that is less than the regular salary of the employee, and the award applies for longer than the period set out in Article 39.2, and the employee has accumulated credits, their regular salary shall be paid if the employee so chooses, and the difference between the regular salary paid after the period set out in Article 39.2 and the compensation awarded shall be converted to its equivalent time and deducted

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

from their accumulated credits (vacation, time-in-lieu, attendance credits and compensation option credits).

- 39.4 Where an employee receives an award under the *Workplace Safety and Insurance Act, 1997*, and the award applies for longer than the period set out in Article 39.2 (i.e. three (3) months), the Employer will continue subsidies for Basic Life, LTIP, Supplementary Health and Hospital and the Dental Plan. The Employer will also continue to make Pension payments, for the period during which the employee is receiving the award, if the employee continues to pay his or her share.

ARTICLE 40 - ENTITLEMENT ON DEATH

- 40.1 Where a regular employee who has served for more than six (6) months dies, there shall be paid to the employee's personal representative or if there is no personal representative to such person as the Public Service Commission determines, the sum of one-twelfth of the employee's annual salary.
- 40.2 Any severance pay to which a regular employee is entitled under Article 38 (Termination Payments) shall be reduced by an amount equal to any entitlement under Article 40.1.

ARTICLE 41 - MEAL ALLOWANCE

- 41.1 In accordance with the Employer's *Travel, Meal and Hospitality Expenses Directive* as of November 2004 (& revised August 2006), which shall not be altered for this bargaining unit without the consent of the Association, reimbursement rates for meals incurred on or after September 1, 2006, shall be:

Breakfast	\$8.75

Dinner	\$20.00

- 41.2 To the extent that the provisions of this article are improved by OPS-wide changes,

then those amounts will apply.

ARTICLE 42 - KILOMETRIC RATES AND USE OF PRIVATE VEHICLE

42.1 If an employee uses his or her own vehicle on the Employer's business, he or she shall be reimbursed at rates for expenses incurred on or after August 14, 2006, that shall not be less than:

<u>Kilometres Driven</u>	<u>Southern Ontario</u>	<u>Northern Ontario</u>

10,701 - 24,000 km	29 cents /km	30 cents /km
over 24,000 km	24 cents /km	25 cents /km

To the extent that the provisions of this article are improved by OPS-wide changes, then those rates will apply.

42.2 Kilometres are accumulated on the basis of a fiscal year (April 1 to March 31 inclusive).

42.3 The Employer agrees that the use of privately owned vehicles on the Employer's business is not a condition of employment.

ARTICLE 43 - ISOLATION PAY

43.1 An employee who is stationed at a work location which receives a total of eight (8) or more points under the factors outlined in sub-sections 43.3.1 and 43.3.2 of this Article shall be paid an isolation allowance in accordance with the following scale:

44.2 Effective October 1, 2013, the salary rates set out in Salary Schedule A shall be replaced by Classification Levels and Salary Ranges Schedule B.

ARTICLE 45 – MERIT PAY AND PAY FOR PERFORMANCE BONUS

45.1 **Merit Pay**

For employees in AMAPCEO classifications who are not at the maximum of their salary range:

45.1.1 Effective until March 31, 2013, a merit increase for a twelve (12) month work cycle coinciding with the employee's anniversary date shall be processed in an amount of 0-5% of his or her salary at the discretion of the Employer. An employee's merit increase for satisfactory performance shall be three and a half percent (3.5%) of his or her salary.

45.1.2 Effective April 1, 2013, a merit increase for a twelve (12) month work cycle coinciding with the employee's anniversary date shall be processed in an amount of 0-5% of his or her salary at the discretion of the Employer. An employee's merit increase for satisfactory performance shall be three percent (3%) of his or her salary.

45.1.3 Where an employee's performance rating results in a merit increase that will cause his or her salary to exceed the maximum salary for his or her classification,

the amount of the merit increase in excess of the maximum salary will be paid out as a lump sum bonus. Such lump sum bonus will not increase the employee's base salary for any purpose.

45.2 Pay for Performance Bonus

For employees in AMAPCEO classifications who are at the maximum of their salary range:

45.2.1 Effective up to March 31st, 2013, for employees who were at the salary maximum on March 31, pay for performance bonuses will be processed on March 31st, 2013 based on performance for the previous fiscal year.

45.2.2 The pay for performance bonus shall be a lump sum payment and will not increase the employee's base salary beyond the maximum of the salary range for any purpose.

45.2.3 The number of employees who receive pay for performance bonuses above a satisfactory performance rating shall not exceed twenty percent (20%) of eligible employees.

45.2.4 The amounts of bonuses available under article 45.2 shall be fixed at three and a half percent (3.5%) for satisfactory performance and six percent (6%) for above satisfactory performance.

45.2.6 An employee must have earned the maximum salary for his or her classification for at least twelve (12) months in order to be eligible for a full pay for performance bonus. The performance bonus for an employee who has been earning the maximum salary for less than twelve (12) months will be pro-rated.

45.3 Administration of Pay for Performance

45.3.1 Effective March 31, 2005, and until March 31, 2013, a fixed envelope for pay for performance will be established. The envelope will vary from year to year and will be calculated by:

- (a) taking twenty percent (20%) of the salaries of the percentage of employees in AMAPCEO classifications (regular and fixed term), calculated as of March 31st of that year, who were earning salaries at the maximum of their salary ranges on March 31st of that year, and multiplying by six

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

percent (6%) [example: if 32% of employees are earning maximum salaries, take 20% of their salaries and multiply by 6%];

(b) taking sixty-five percent (65%) of the salaries of the percentage of employees in AMAPCEO classifications (regular and fixed term) who are earning salaries at the maximum of their salary ranges effective March 31st of that year and multiplying by three and a half percent (3.5%) [example: if 32% of employees are earning maximum salaries, take 65% of their salaries and multiply by 3.5%];

(c) adding together paragraphs 1(a) and 1(b).

45.3.2 The administration of the pay for performance bonus plan under 45.2 is totally within the discretion of the Employer. Individual employees' disputes over their ratings and pay for performance bonuses will not be arbitrable. An arbitrator's jurisdiction is limited to deciding whether or not the pay for performance envelope, as described in article 45.3.1, has been spent.

45.3.3 Effective April 1, 2013, there shall be no entitlement to a pay for performance bonus for any employee.

ARTICLE 46 - HOURS OF WORK

46.1 It is recognized by the parties that the hours of work for employees in the AMAPCEO unit are that which is set out in Section 3(1)(d) of the Management Board of Cabinet Compensation Directive, August 20, 2007, made under the *Public Service of Ontario Act, 2006*.

46.2.1 Where the Employer authorizes an employee to work in excess of 7.25 hours on a regularly scheduled work day, the employee shall receive:

(a) compensating leave of one (1) hour for each hour worked between 36.25 hours and 44 hours (inclusive) per work week, in respect of the total hours worked during the week on regularly scheduled work days; and

(b) compensating leave of one and one-half (1.5) hours for each hour worked in excess of 44 hours per work week, in respect of the total hours worked during the week on regularly scheduled work days.

46.2.2 Where the Employer authorizes an employee to work on his or her day off, the employee shall receive compensating leave of one and one-half (1.5) hours for each hour worked.

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

- 46.2.3 For the purposes of calculating an employee's entitlement, a period worked in excess of fifteen (15) minutes will be rounded to the next half hour.
- 46.3.1 Where an employee works excess hours in accordance with Article 46.2.1, the employee shall accumulate compensating leave for such excess hours unless the employee requests, at the time the excess hours are worked, to be provided with pay-in-lieu of compensating leave. Where an employee requests pay-in-lieu of compensating leave, the Employer will not unreasonably withhold agreement for such payment. Compensating leave shall be taken at a time mutually agreed upon. When leave is requested, the Employer will not unreasonably withhold such agreement for such leave.
- When pay in lieu of compensating leave is requested, payment, calculated at the rates in place when the compensating leave was earned, shall be made within two (2) months of the pay period within which the excess hours were worked.
- 46.3.2 Where at the end of the calendar year an employee has remaining accumulated compensating leave, the employee and manager shall endeavour to agree on the scheduling of such compensating leave in an effort to utilize the compensating leave by June 30, and neither the employer nor employee will unreasonably withhold agreement. Failing agreement, the Employer shall reasonably determine the time of the compensating leave.
- 46.3.3 Compensating leave accumulated in a calendar year which is not used before June 30 of the following year, shall be paid, on a lump sum basis, at the rate it was earned (annual salary divided by 1891). On termination of employment, or on an employee assuming a permanent position outside the bargaining unit, an employee who has not used all of his or her compensating leave earned under this article shall be paid, on a lump sum basis, for all remaining compensating leave hours. The lump sum payment will not increase the base salary for any purpose.
- 46.3.4 There shall be no duplication or pyramiding of any premium payments or compensating leave provided by the Collective Agreement.
- 46.4 An employee shall not be considered to be working overtime merely because they are carrying a pager, computer, cell phone or blackberry.
- 46.5 When regular part time employees, or fixed term employees who are scheduled to work less than 36.25 hours per week, work in excess of their scheduled number of hours, they shall be paid equal time up to 36.25 hours in a week. Thereafter, Article 46.2.1 applies. For clarity, Article 46.2.2 does not apply to hours worked on a day off which falls on a weekday, but does apply to hours worked on Saturdays and Sundays where they are not scheduled work days.

- 46.6 **Recording:** Compensating leave earned under this article will be added to the employee's accumulated compensating leave bank within 6 (six) weeks of the pay period within which the employee had properly submitted the required documentation to his or her manager.

ARTICLE 47 - ALTERNATIVE WORK ARRANGEMENTS

- 47.1 Alternative Work Arrangements (AWAs) include: compressed work week, flexible hours, job sharing and telecommuting. AWAs may be entered into by mutual agreement between an employee and his or her manager. In considering any AWA, the manager will consider, in good faith, both the employee's request and the operational viability of the AWA for the work site.
- 47.2 Arrangements related to compressed work week, flexible hours and job sharing entered into by an employee and his or her immediate supervisor shall be adjusted and amended to reflect the provisions of Article 46.2 with necessary modifications. The parties' intent is that compensating leave would apply, in accordance with Article 46 as modified to address particular hours of work arrangements.
- 47.3 Where a manager seeks to cancel or amend an AWA, the manager shall provide notice to the affected employee(s) in writing at least one (1) month prior to the proposed cancellation or amendment.
- 47.4 Each AMERC shall enter into a reporting process on the current status of AWAs in the ministry, including identifying the number of AWAs that:
- (a) are currently in existence in worksites,
 - (b) have begun in worksites within a mutually agreed upon period of time,
 - (c) were cancelled in worksites within a mutually agreed upon period of time, and
 - (d) were denied in worksites within a mutually agreed upon period of time.

The results of such reports may also be discussed at ACERC.

ARTICLE 48 - RECLASSIFICATION TO ANOTHER BARGAINING UNIT

No position or person in the bargaining unit, will be reclassified, nor will any other action be taken with respect to such position or person that is tantamount to reclassification, which reclassification or action tantamount to reclassification would have the effect of moving the position or the person from the AMAPCEO bargaining

unit to another bargaining unit.

ARTICLE 49 - COMPENSATION OPTION CREDIT

49.1 An employee is entitled to accumulate compensation option credits in each year for the portion of the year during which he or she is an employee at the rate of,

Effective April 1, 2004, for employees on payroll April 5, 2005

- (a) six-twelfths (6/12) of one (1) credit per month in the year, if the employee is a full-time employee, and
- (b) that portion of six-twelfths (6 /12) of one (1) credit per month in the year that is equal to the portion that the employee's regularly scheduled hours of work bear to full employment, if the employee is a part-time employee.

49.2 The compensation option credits that an employee is entitled to accumulate in a year under Article 49.1 shall be credited to the employee on the 1st day of January in the year or on the day in the year when the employee first becomes an employee, whichever is later.

49.3 From the compensation option credits credited to an employee in a year in accordance with article 49.1 and 49.2 there shall be deducted, to a maximum of the credits credited to the employee in the year, credits at the rate set out in article 49.1 (a) or (b), as the case requires for,

- (a) each whole month in the year throughout which the employee is on leave of absence without pay;
- (b) each whole month in the year throughout which the employee receives benefits under the Long Term Income Protection Plan;
- (c) each whole month in the year throughout which the employee receives benefits under an award made under the *Workplace Safety and Insurance Act, 1997*, if that month is after the first six months for which the employee received benefits under that award, and if the employee is into receiving payment for accumulated attendance credits or accumulated vacation credits in that month;
- (d) each whole month in the year after the month in which the employee ceases to be an employee;
- (e) each whole month in the year throughout which the employee is on a leave of absence with pay under Subsection 68(3) or (6) of the Management Board of

Cabinet Compensation Directive, August 20, 2007, made under the *Public Service of Ontario Act, 2006* or the month in the year, if less than the whole month in which the leave of absence with pay ends, and

- (f) any month wholly comprised of consecutive periods of less than a month for which credit would be deducted under sections 49.3 (a) to (e) if the periods were whole months.

- 49.4 With the approval of the employee's manager, an employee may take leave of absence with pay in respect of some or all of the employees accumulated compensation option credits at the rate of one day of leave of absence with pay for each compensation option credit to which the employee is entitled, and the employee's accumulated compensation option credits shall be reduced by the leave of absence with pay taken.
- 49.5 Each or part thereof by which a leave of absence with pay taken by a person under Article 49.4 exceeds the person's accumulated compensation option credits after making any deduction required by article 49.3 or 49.5 shall be deducted from the person's vacation credits, and the person shall repay to the Crown the salary paid to him or her for any day or part thereof of the leave of absence with pay that cannot be so deducted.

- PT.12.5.1 The LTIP benefits commence after a qualification period of six (6) months from the date the employee becomes totally disabled, unless the employee elects to continue to use accumulated attendance credits on a day-to-day basis after the six (6) month period. Effective June 1, 2009, benefits shall be calculated based on the employee's salary at the first date of eligibility to receive LTIP benefits.
- PT.12.5.2 The LTIP coverage will terminate on the earliest of the following:

 - (b) death;
 - (c) the date on which the employee attains the age of sixty-five (65) years.
- PT.12.6 Rehabilitative employment for employees receiving LTIP benefits, whether with the OPS or another Employer, shall be available in keeping with the existing practice. In arranging such employment, the Employer will take into account the employee's training, education and experience.
- PT.12.7 The Employer shall not permanently fill the position of an employee during the qualifying period and the first twenty-four (24) months of the benefit period.
- PT.12.8 Where, during the benefit period, the employee is able to perform the essential duties

of his or her position, and the position has not been declared surplus, he or she shall resume work, as directed by the Employer, within two (2) weeks of the date that LTIP benefits cease. Where, for accommodation reasons, an employee cannot be returned to his or her position within the two (2) week period, the Employer shall grant a leave of absence with pay pending the completion of the accommodation requirements, but in no event shall the leave of absence with pay exceed three (3) months. The employee shall return to work, when accommodations are completed, on the date specified by the Employer. In order to be eligible for leave of absence with pay, the employee shall co-operate with the Employer regarding the return-to-work arrangements.

PT.12.9.1 When an employee who has been receiving or was eligible to receive LTIP benefits is deemed able to perform the essential duties of his or her position but the position is no longer available due to the application of Article PT12.7, the employee shall have all rights and entitlements under Article 27. Time spent on the temporary assignment does not constitute a hiatus in the employee's notice period. Therefore, should no direct assignment be found for the employee, his or her employment ends at the termination of either the notice period or the temporary assignment, whichever is later. The employee will receive salary protection, if applicable, only during the six (6) month notice period.

PT.12.10 A record of employment, if required in order to claim Employment Insurance sickness and disability benefits, will be provided to an employee and this document shall not be considered as termination of employment.

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

PT.13.4 Despite the definition of "regular part-time employee", an employee who immediately before the coming into force of the *Public Service Act Regulation 977 1(3)(a)* was working fewer than 36 $\frac{1}{4}$ hours per week and who was receiving benefits as if he or she was a full-time employee shall be deemed to continue as a full-time employee for purposes of the receipt of benefits so long as he or she occupies the same position.

FXT.1 FIXED TERM EMPLOYEES

FXT.1.1 The only terms of this Agreement that apply to employees who are not regular employees are those that are set out in this Article.

FXT.1.3 “Part time fixed term employee” means an employee in the Fixed Term Service regularly scheduled to work fewer than 36 ¼ hours per week.

FXT.1.4 “Irregular fixed term employee” means an employee whose employment contract does not have regularly scheduled hours of work.

FXT.1.5 The following sections in this Article shall apply only to fixed term employees:

FXT.2 Salary

FXT.2.1 The salary rate of the equivalent regular service classification shall apply. If there is no equivalent classification, the rate shall be set by the Employer and the Association shall have the right to negotiate the rate during the appropriate salary negotiations.

FXT.2.2 A fixed term employee covered by this Section shall be entitled to the same provisions regarding retroactivity of salary revisions and progression through the salary range as those agreed upon for the Regular Service Salary Category to which they correspond.

FXT.2.3 The "basic hourly rate" of a part time or irregular fixed term employee is the weekly rate, (i.e., annual salary of the class divided by 52.17857), divided by thirty-six and a quarter (36¼).

FXT.2.4 Pursuant to Article 46.6, when part time or irregular fixed term employee works in excess of their scheduled number of hours, they shall be paid equal time up to 36.25 hours in a week. Thereafter, Article 46.2.1 applies. For clarity, Article 46.2.2 does not apply to hours worked on a day off which falls on a weekday, but does apply to hours worked on Saturdays and Sundays where they are not scheduled work days.

FXT.3 Holidays

FXT.3.1 Full-time fixed term employees will be entitled to the paid holidays listed in Article 29.1 (Holidays).

FXT.3.2 When a full-time fixed term employee is required to work on any holidays listed in Article 29.1 (Holidays), he or she is entitled to a compensating day as a holiday in lieu thereof.

FXT.3.3 Part time and irregular fixed term employees will be entitled to an amount equal to four and six-tenths per cent (4.6%) of gross pay (not including vacation pay under Article FXT.4.6) to compensate for the holidays listed in Article 29.1 (Holidays).

FXT.4.2 A full-time fixed term employee who leaves the public service prior to the completion of six months service is entitled to vacation pay at the rate of four percent (4%) of the earnings of the employee during the period of his or her employment.

FXT.4.3 A full-time fixed term employee who has completed six (6) or more months of continuous service in the public service shall be paid for any unused vacation standing to his or her credit at the date he or she ceases to be an employee.

FXT.4.4 Where a full-time fixed term employee is appointed to the regular service, vacation credits accumulated under this Article shall continue to stand to the credit of the employee.

FXT.4.5 Upon the completion of six (6) months continuous service in the public service, a full-time fixed term employee with the approval of his or her manager or designee, may take vacation to the extent of his or her earned vacation credits and his or her earned vacation credits shall be reduced by the vacation taken. Such approval will be subject to operational requirements, but, it is also agreed that such approval will not be unreasonably withheld.

FXT.4.6 A part time or irregular fixed-term employee is entitled to an amount equal to four per cent (4%) of their gross pay (not including holiday pay under Article FXT.3.6) as vacation compensation.

FXT.5 Attendance Credits and Sick Leave

An employee is entitled to use attendance credits only in the event that he or she is unable to attend his or her official duties by reason of illness or injury.

For clarity, where a full-time or part time fixed term employee uses an attendance credit the hours covered by that credit will be counted as 'attendance' for the purposes of this Article.

A part time fixed term employee shall earn a pro-rated portion of the attendance credits based on the ratio that his or her weekly hours of work bear to full time employment.

FXT.5.2 A fixed term employee who is unable to attend to his or her duties in the public service due to sickness or injury is entitled to leave of absence with pay at the rate of one working day for each day of accumulated attendance credits and his or her accumulated attendance credits shall be reduced by the leave taken.

FXT.5.3 Where a fixed term employee is appointed to the regular service, attendance credits accumulated under this Article cease to stand to the credit of the employee.

FXT.5.4 After seven (7) consecutive calendar days absence caused by sickness or injury, no leave with pay shall be allowed unless a certificate of a legally qualified medical practitioner is forwarded to the employee's manager or designee, certifying that the employee is unable to attend to official duties.

FXT.5.5 Despite Article FXT.5.4, where the Employer has reason to suspect that there may be an abuse of sick leave, the manager may require an employee to submit the medical certificate required by Article FXT.5.4 for any period of absence.

2.3 The employee agrees to exercise flexibility when operational needs arise. With reasonable notice, the hours of work will be adjusted when required to attend meetings and to otherwise meet operational needs.

2.4 If a “CWW day-off” is rescheduled, the rescheduled “CWW day-off” will be mutually agreed-upon within that or the following CWW cycle. Failing agreement the manager shall assign the day off.

Between
**ASSOCIATION OF MANAGEMENT, ADMINISTRATIVE AND PROFESSIONAL
CROWN EMPLOYEES OF ONTARIO**
(“the Association”)
and
**THE CROWN IN RIGHT OF ONTARIO as represented by the
MINISTRY OF GOVERNMENT SERVICES**
(“the Employer”)

The parties have agreed to work collaboratively to support the transformation of the Ontario Public Service while minimizing the impact to employees. Accordingly, the parties have agreed to establish a Transition Exit Initiative (TEI) as follows:

1. All regular and regular part-time employees will be eligible to apply to a Transition Exit Initiative (TEI).
2. An employee may request in writing voluntary exit from employment with the OPS under the TEI, which request may be approved by the Employer in its discretion. The Employee’s request will be submitted to the Corporate Employer. The Employer’s approval shall be based on the following considerations:
 - i. At the time that an employee TEI request is being considered, the Employer has plans to reduce positions in the AMAPCEO bargaining unit; and
 - ii. The Employer has determined in its discretion that the employee’s exit from employment supports the transformation of the Ontario Public Service.

The Employer shall provide written confirmation of receipt of the employee’s request within 30 days with a copy to the Association. If the employee’s request is approved, the Employer shall provide written notification to the employee with a copy to the Association. An employee may withdraw his/her request by written notice to the Corporate Employer.

3. If there is more than one employee eligible to exit under the TEI, the determination of who will exit under the TEI shall be based on seniority.
4. An employee who has received notice of Employer approval to exit under the TEI shall be deemed to have accepted one of the options as outlined in Paragraph 5.
5. An employee who exits from employment under the TEI will only be entitled to the following:
 - i. A lump sum of six (6) months’ pay, plus one (1) week pay per year of continuous service; or

Collective Agreement 2012 to 2014 between AMAPCEO and MBC

- ii. Continuance of salary plus benefits (except STSP and LTIP) for six (6) months commencing on the date set out in Paragraph 6, plus one (1) week pay per year of continuous service or its equivalent period of further salary continuance plus benefits (except STSP and LTIP). For clarity, during the salary continuance period, employee and Employer pension contributions and vacation and pension credits will continue to accrue. Notwithstanding the above, the further salary continuance period shall not be greater than the length of time between the commencement of the salary continuance and the end of the month in which the employee will attain sixty-five (65) years of age. Any remaining balance will be paid forewith to the employee as a lump-sum.
 - iii. Where the employee does not choose a specific pay-in-lieu option, the employee shall be deemed to have chosen the lump sum option under 5(i).
6. Where an employee is exiting under the TEI, his or her last day at work shall be five (5) working days after the notice of Employer approval to exit is received, or such other period as the employee and the Employer shall agree.
7. The payment under Paragraph 5 and any payout of unused vacation or compensating leave credits are payable as soon as possible, but not later than three (3) pay periods following the employee's exit under the TEI.
8. Employees exiting under the TEI shall have the entitlements in Paragraph 5 in lieu of the entitlements in Article 27A.15/27B.15 (Severance Entitlements), 27A.20/27B.20 (Enhanced Severance), and Article 38 (Termination Payments) of the Collective Agreement.
9. The parties agree that all employees exiting under the TEI are doing so pursuant to a program of downsizing undertaken by the Employer and in so doing are preventing another employee from being laid off. Accordingly the Employer agrees to take all necessary steps to attempt to ensure that the Employment Insurance Commission recognizes that the entitlement to Employment Insurance of employees who are laid off and who take a pay-in-lieu of notice option qualifies as registered 'workforce reduction processes' under the Employment Insurance Act.
10. The parties agree that at no time will the number of employees exiting under the TEI exceed the number of positions identified by the Employer to be reduced in the bargaining unit.
11. This MOA forms part of the collective agreement.
