active employees and benefits coverage under other Employer plans will continue.

6. **Reoccurring Disability**

Successive periods of disability deemed by the employee's physician to be due to the same or related cause and separated by a return to full-time work of thirty (30) days or less are considered to be the same disability. Successive periods of disability deemed by the employee's physician to be entirely unrelated in cause and separated by a return to full-time work of at least one (1) full day are considered to be new disabilities.

7. **Claims Procedure**

Payments will be based on information supplied; therefore, it is important that each employee notify his/her department promptly of reason for absence. Medical proof of illness or injury may be required by the Employer to substantiate absence.

8. **Sick Leave Credits**

This fund will be established by multiplying one half the existing number of Sick Leave Credit Days for each employee by that employee's regular daily rate on Implementation Day to a maximum of the equivalent of one half of each employee's annual rate of salary as of that date. The balance of days will be credited to each employee to be known as his/her Sick Leave Credit Bank.

Commencing in 1987, each employee shall be paid an amount not to exceed two (2) weeks salary from the total Sick Leave Credit Fund Payout credited to him/her on Implementation Day. Payments will continue on this basis for each successive year until such time as the employee's Sick Leave Credit Fund Payout is reduced to a nil balance.
- (ii) On termination of employment, any balance remaining in the employee's Sick Leave Credit Fund Payout will be paid to the employee in a lump sum.

10 **Sick Leave Credit Bank**

This is the residue expressed in days of the value of Sick Leave Credits remaining, if any, after the establishment of each employee's Sick Leave Credit Fund Payout.

This Bank may be used in several ways:

- 1 To cover, with full pay, part or all of any three (3) day waiting period, of the Short Term Income Protection Plan or for Compassionate Leave not covered by the Casual Disability Bank.
2. To increase, to full pay, any Short Term Income Protection Plan payments.

3. To provide up to the equivalent of one (1) month's pay for early retirement to be included in O.M.E.R.S. Pension calculation.
4. To extend Short Term Disability Plan prior to implementation of Long Term Disability Benefits.

2. Under no circumstances will unused Casual Disability Bank days be converted to cash payment.

12. **Long Term Plan**

The following information is intended only as a guide to the overall design of the Long Term Plan. Benefits under the Plan will be subject to the terms and conditions of the contract negotiated with the insurer selected to provide this coverage. The selection of an insurer and any changes in insurer from time to time will be made at the discretion of the management of the Lodge. Discussions will take place with the Union regarding any changes. The Short Term and Long Term Plan will be integrated so that, on the one hundred and twentieth (120th) calendar day of continuous disability (i.e., the end of

seventeen (17) weeks), the Long Term Benefits will commence. An employee still having days in his/her Sick Leave Credit Bank will have the option of utilizing these days to extend the length of time that Short Term Plan Benefits are payable.

13. **Benefits**

The Plan will pay sixty-six and two-thirds (66 2/3%) of the employee's basic monthly earnings to a maximum benefit of three thousand dollars (\$3,000) per month. Some evidence of insurability may be required by the insurer. These benefits will be reduced by benefits received from other sources including government plans, other group insurance or retirement plans, employment income. The benefit payable under the Plan is confirmed that the all-source income limitation will be eighty-five percent (85%) of net (after tax) pre-disability earnings.

For bi-weekly paid employees, monthly earnings will be calculated as follows:

$$\frac{\text{two weeks' regular pay} \times 26}{12}$$

14. **Continuation of Health Benefits**

The Lodge will continue to provide health benefits, such as OHIP, Dental, etc. similar to those provided to each employee's work group, e.g., if any employee covered by this Agreement is off work and receiving payments under the Long Term Plan, such an employee will continue to be covered for the same health benefits. However, when an employee continues to receive payments under the Long Term Disability Plan at the beginning of the calendar year following commencement of Long Term Disability Plan payments, benefit entitlements such as Vacation and Recognized Holidays, will cease effective on December 31st

immediately prior to the beginning of that calendar year. An employee who is disabled and collecting L.T.D. benefits can elect a waiver of premiums with O.M.E.R.S. and continue to accrue credited service for O.M.E.R.S. purposes.

15. **Duration**

Benefits are paid, so long as an employee is totally disabled, until normal retirement at age sixty-five (65) or death or cessation of total disability, whichever occurs first.

16. **Definition of Total Disability**

During the first two (2) years that benefits are paid, following one hundred and nineteen (119) days' coverage under the Short Term Plan, an employee must be wholly and continuously disabled as a result of sickness or injury and prevented from performing his/her normal duty pertaining to his/her occupation. After payments of benefits for twenty-four (24) consecutive months, payments will continue to normal retirement age if the employee remains wholly and continuously disabled as a result of sickness or injury and is prevented from engaging in any and every occupation or employment for wage or profit for which he/she is reasonably qualified by education, training or experience. The employee must be under the regular care of a physician but house confinement is never required. Medical evidence to support a claim may be required at a reasonable schedule by the insurer.

17. **Reoccurrence of Disability**

After Long Term payments have commenced, successive periods of disability separated by less than six (6) months continuous full-time employment

will be considered one period of disability and no additional waiting period will apply before benefits recommence.

If the subsequent disability is due to a sickness or injury entirely unrelated to the cause of the previous disability and commence after return to full-time employment, another waiting period will apply.

18. **Pre-existing Conditions**

19. **Actively Employed Requirement**

Effective March 1, 1987, the Long Term Disability Plan will provide coverage to all full-time employees who are actively employed on that date, subject to the completion of the three (3) consecutive months' service requirement for recently hired employees noted under Eligibility above. For any individuals who were disabled prior to the effective date of the Long Term Disability Insurance Policy, he/she will not be eligible for this coverage until he/she returns to active employment with the Lodge. The Lodge and the insurer may request appropriate medical certification to ensure the employee is fit to return to work before coverage is provided.

gainful rehabilitative employment during recovery.

22. **Termination of Coverage**

Eligibility for coverage under the Short Term and Long Term Disability Plans will terminate on the date of termination of employment.

23.03 **Compassionate Leave**
