**RE: MERGER OF SENIORITY FROM CUPE LOCAL 1076 TO LOCAL 905**

WHEREAS the parties merged the former Local 1076 bargaining unit with Local 4900 on or about June 23, 1999.

AND WHEREAS the combined bargaining unit of Local 4900 is transferred into Local 905 (York Region) as of September 2000.

AND WHEREAS, the parties agree to recognize the seniority accumulated by the employees while in Local 1076 bargaining unit.

NOW THEREFORE, the parties hereby agree to the conversion of the seniority for the former members of Local 1076 on the following basis:

1. The seniority of each former Local 1076 employee shall be recognized as seniority within Local 905 (York Region Unit);
2. The last posted seniority list for Local 1076 (attached as Appendix A) is dated June 30, 1999. The June 30, 1999 seniority list shall be amended to include hours for the pay period ending July 2, 1999. With this amendment, the seniority list for Local 1076 is deemed accurate with respect to each employee's actual seniority accrual prior to and including July 3, 1999;
3. For the Permanent Full-time employees, the total number of hours identified on the June 30, 1999 seniority list shall be divided by 1820 hours to ensure an equitable seniority conversion date in years. 4. An adjustment to seniority accrual referenced in paragraph 2 shall be made for those employees who transferred between locals prior to July 3, 1999. Those employees will be credited with the total seniority accrual from both bargaining units (Local 1076 & Local 4900);

6. All former Local 1076 employees shall commence, as of July 3, 1999, seniority accrual on the basis of Article 12 and when applicable, Article 22 of Local 905's (York Region Unit) collective agreement; and,
7. Seniority shall be identified as a date for all permanent full time employees and in hours for the other employees (ie. Casual, TPT, etc).
8. This combined seniority list shall be posted as soon as possible and will serve as the final opportunity for corrections to be made retroactively to July 4, 1999. Employees and management will be provided with a sixty (60) day appeal period following this posting to make any necessary corrections.

LETTER OF INTENT  
BETWEEN  
THE REGIONAL MUNICIPALITY OF YORK  
AND  
CUPE LOCAL 905

**RE: JOB EVALUATION MAINTENANCE**

The parties agree to establish a job evaluation maintenance process that will review new classifications **and/or** classifications with significant changes in duties.

Preamble: The parties **recognize** that implementing the new Job Evaluation system will include procedures for maintenance of the system including the evaluation of newly created union positions. The duties, responsibilities and accountabilities of such positions may, in some cases, change significantly once the position has been staffed for a period of time. This letter of clarification shall outline maintenance procedures for the evaluation of new positions and clarify the scope of the Job Evaluation Committee.

The parties agree to the following:

**New Positions**

- 1) In order to commence recruitment of new positions, the Employer shall initially set the wage rates and advise the Union of the Pay Grade and Schedule.
- 2) The committee **will** review the evaluations of these new positions once the position has been occupied for a period of at least six **(6)** months and the probationary period is complete.
- 3) Should a **re-evaluation determine** that the job rating is at a higher grade level, the wages for the incumbent will be adjusted upward to the nearest salary rate closest to, but not lower than, the employee's current wage rate retroactive to hire date.
- 4) Should the **re-evaluation determine** that the job rating is lower than originally evaluated, the employee will receive "red-circle" salary protection, on the following basis:
  - a) Where the employee's wage rate is higher than the new grade level **maximum**, the employee shall retain his/her current salary. Economic adjustments shall not apply until the wage range of the new level **meets or exceeds his/her** wage level.
  - b) Where the employee's salary level falls within the range of the new level, he/she will be entitled to the normal salary progression within the new range until he/she meets the **maximum** of the new range.
- 5) For clarity, this evaluation process as described above is applicable only to newly created union positions.

#### Changed Positions

- 6) The Human Resource Services Commissioner and the Local 905 Unit Chairperson will determine if a review of a position by the Job Evaluation Committee is warranted.
- 7) Requests for evaluation review may be initiated by the appropriate Management and/or the incumbent provided that they include documented support of fifty percent plus one of the population for that position.
- 8) The classifications with significant changes to duties must be accompanied by a current signed position description reflecting the changes in the position.
- 9) The effective dates of any salary adjustments as a result of a classification review shall be the date of the request for evaluation review.
- 10) For purposes of clarity, the scope of the Job Evaluation Committee & include the following:
  - a) To determine the appropriate and defensible job evaluation rating for each classification in the bargaining unit based on available information such as, but not limited, to job descriptions, job evaluation questionnaires, job postings and organization charts.
  - b) To ensure detailed records of job evaluation committee deliberations are maintained.
  - c) To discuss ways to improve/clarify the job evaluation process and/or methodology and to make recommendations.
- 11) For purposes of clarity, the scope of the Job Evaluation Committee shall not include the following:
  - a) To determine weighting factors for the questions in the questionnaire; or
  - b) Compensation rates (wage/salary schedules) which are attached to classifications; or
  - c) Organizational design and structure issues; or
  - d) Job requirements and/or qualifications.

NB The parties will meet to review specific positions which may, in the opinion of the Union, be properly within the scope of the bargaining unit. Such meetings shall commence in October 2000 and during this time the Union agrees they will defer any challenges of management's placement of positions in the Non-Union Group. If there is no agreement at the conclusion of the round of discussions the Union may then act accordingly to challenge any of those decisions by the Employer to exclude positions.

LETTER OF UNDERSTANDING  
BETWEEN  
THE REGIONAL MUNICIPALITY OF YORK  
AND  
CANADIAN UNION OF PUBLIC EMPLOYEES  
LOCAL 905 (YORK REGION UNIT)

**RE: "INITIAL AREA OF EMPLOYMENT" AND "LOCATION"**

WHEREAS the parties **recognize** that the Employers' operations primarily occur at a number of work areas within the geographical area of the Region of York.

AND WHEREAS all employees, excluding casual and temporary employees, must have one of these work areas identified as their location of employment.

AND WHEREAS there may be employees who are required to work in other work areas within the geographical area of the Region of York.

AND WHEREAS the parties agree to **minimize** the disruption and inconvenience that may result from employees being required to work from a number of work areas.

AND WHEREAS the parties agree that Health Services Department, including Emergency Medical Services, is excluded from this agreement.

NOW THEREFORE the parties agree that the intention of Identifying the "initial area of employment" in Article 13.4 and the method to be used to change the "area of employment" shall be as follows:

1. The address of a facility used by the Employer shall be identified as the work location for a vacant or new position that will be posted in accordance with ARTICLE 13 – HIRING, PROMOTIONS, TRANSFERS & STAFF CHANGES and this address will be the "initial area of employment" that is used in accordance with Article 13.4. This shall be the location where the employee will normally report for work at the regular **start** time and cease work at the regular quitting time.
2. At any time that an employee or employees are reassigned to temporarily work in a different location, six **(6)** months or less the following shall apply:
  - (a) If the work is normally performed as **part** of a **team** and the different location can be reached as part of a team being reassigned, transportation shall be provided by the Employer, and the same shall apply so that the employee is returned to the normal location by quitting time. This is only applicable for Transportation Operations Branch.
  - (b) If the **different** location is closer to the employees' residence than the normal location, the employee shall be at the different location at the **start** time and shall leave at the quitting time, and no travel expenses shall be paid. An example of such reassignment is in Community Services and Housing.

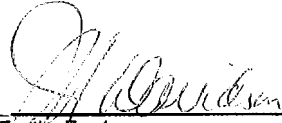

- (c) If the different location is further from the employees' residence than the normal location, the employee shall be at the different location at the start time and shall leave at the quitting time. The employee shall receive mileage expenses from the point where the employee has traveled the same number of kilometers that the employee would have traveled from home to reach the normal location and likewise on return to home. The mileage expenses must be based on the shortest distance between the employee's home and the work location.
  - (d) The employee shall normally be expected to report to the different location at the start time and leave at the quitting time, however it is agreed that flexible arrangements may be made to accommodate employees who will experience personal difficulties as a result of the temporary relocation. It is expected that employees will make all reasonable efforts to resolve any personal difficulties resulting from the reassignment. In the event that this is not reasonably possible, requests for such accommodations shall not be unreasonably withheld. It may be necessary to request another employee to accept the reassignment to ensure no service disruption.
  - (e) The reassignment may exceed six months with the mutual consent of the parties. The consent shall not be unreasonably denied.
3. Under normal circumstances, employees shall not have their normal work location changed, except for temporary situations. Notwithstanding this, if the Employer ceases operating from a facility, in whole or in part, and relocates the work to one or more other facilities, the employees who work at that location will be transferred, with their job, to the location of the other facility.
4. If the Employer requires the transfer of employee(s) within a classification (position), from one facility to another, for a period longer than six (6) months, the following shall apply:
- (a) If there is more than one employee affected, and more than the required number wish to be transferred, the most senior employee(s) shall be transferred.
  - (b) If there is more than one employee affected, and none wish to be transferred, the least senior employee(s) shall be transferred.
  - (c) The transfer shall not be used as a way to fill vacant or new positions, which must be filled in accordance with Article 13. The transfer shall only occur where the Employer legitimately has a need to relocate work from one location to another.
  - (d) If the Employer transfers an employee from one location to another and the Employer decides to fill the employee's position at the original location within six (6) months of the transfer, the employee(s) shall be transferred back.
  - (e) The six (6) month restriction contained in Article 13.8(a) shall not apply to transferred employees.
  - (f) Once relocated, the new location shall be deemed to be the employees' normal work area and that employee shall not be subject to another relocation for one (1) year, subject to lay-off, emergency or workload situations, or the employee gives consent.
  - (g) Paragraph 2 does not apply.

This Letter of Understanding shall be deemed to be a part of, and subject to the terms of, the Collective Agreement.
