## **New Letter of Understanding #1—Trial Program on Time Off for Compression**

- 1.1 *This Letter of Understanding is made pursuant to Article 8 of the Collective Agreement (Conditions of Practice). The Parties agree that where teacher instructional time is compressed and where current Collective Agreements are silent, teachers will receive time off in relation to the additional time worked as provided for in the chart below. Days will be rounded to the nearest 0.25 for this calculation. It is recognized by both Parties that flexibility is required to maintain the calendar for the Employer but also provide assurance for teachers that increases in the length of instructional days may result in associated time off for teachers.*

1. *For the purposes of this Letter of Understanding only, the following definitions apply:*

  - 1.4 *“general salary increase” means a salary increase percentage applied to all steps of all grids of a comparator agreement.*
  - 1.5 *For greater certainty, “general salary increase” does not include market supplements or adjustments, grid adjustments, signing bonuses, reclassifications, changes to benefit premium cost sharing, new benefits or any other form of compensation whatsoever other than a common percentage increase applied to all steps of all grids applicable to each bargaining unit. It includes only such general salary increases negotiated, prior to a strike or lockout, and does not include any increases resulting from a voluntary interest arbitration award, a disputes inquiry board recommendation, or a settlement during or following a strike or lockout.*
  - 1.6 *“Lump sum payment” means a one-time payment, consistent with other one-time payments sometimes referred to as signing bonuses. “Lump sum payment” explicitly does not include the continuation or renewal of lump sum payments currently provided in existing comparator agreements between employers and unions listed in Clause 1.1 of this Letter of Understanding.*
2. *If a general salary increase(s) for a comparator agreement in either the first year (September 1, 2016 to August 31, 2017) or second year (September 1, 2017 to August 31, 2018) exceeds 0%, the general salary increase(s) negotiated under that comparator agreement will be applied to the salary grid, administrative allowances and daily substitute teacher rate of pay of the Collective Agreements*

*with the Association in the first year or the second year respectively, and effective the same date(s) as provided in the affected comparator agreement. If more than one general salary increase is negotiated for comparator agreements, the increases shall not be compounded across multiple comparator agreements, however, the total highest such general salary increase(s) in each year will be applied to the salary grid, administrative allowances and daily substitute teacher rate of pay.*

3. *If a new lump sum payment(s) for a comparator agreement in either the first year (September 1, 2016 to August 31, 2017) or second year (September 1, 2017 to August 31, 2018) is negotiated, the newly negotiated lump sum payment(s) negotiated under that comparator agreement will be applied to the Collective Agreements with the Association in the first year or the second year respectively, and effective the same date(s) as provided in the affected comparator agreement. If more than one newly negotiated lump sum payment is negotiated for comparator agreements, the lump sum payments shall not be compounded across multiple comparator agreements, however, the total highest of such lump sum payment(s) in each year will be applied to the salary grid, administrative allowances and daily substitute teacher rate of pay.*
4. *This Letter of Understanding expires on August 31, 2018 and will not be extended beyond that date notwithstanding that the Collective Agreement is bridged by operation of law. This Letter of Understanding will not apply to a general salary increase or lump sum payment for a comparator agreement negotiated to be effective after August 31, 2018.*
