The employee is solely responsible for his or her proper address being on record with the Employer.

Employees on lay-off shall be given preference for temporary vacancies which are expected to exceed forty (40) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off.

No full-time employee within the bargaining unit shall be laid off by reason of his/her duties being assigned to one or more part-time employee.

In the event that the Employer does not give at least forty-eight (48) hours notice in accordance with the above, and the change in schedule results in the cancellation of one or more of an employee's shifts, then the Employer shall pay the employee an amount equal to the amount the employee would have earned if the shift(s) had not been cancelled.

- f) The availability lists for the months of June, July, August and September shall be posted between July 1st and labour Day. - Should this time off in lieu not be taken prior to thirty (30) days after its occurrence, the employee will be paid for the overtime in cash on his next paycheque.

17.16 In the event that employees of their own accord wish to change shifts with one another, such changes must be requested one (1) week in advance whenever possible. Such change requires the approval of the supervisor in writing. It is required that the employee exchange shift with an employee of equivalent status and qualifications. Full-time employees will be enrolled in the Ontario Health Insurance Plan unless they are not residents of the Province of Ontario, are employed for a temporary period of less than three (3) months, covered as dependents in another group, or eligible for premium assistance.

The Employer will pay sixty-two (62%) per cent of the premium and the employee will pay the balance through payroll deductions.

Employees who are residents of the Province of Quebec may make application for a payment towards the cost of Provincial Health Insurance. Application should be made at the end of the calendar year and verification of the amount paid to the Quebec Health Insurance Plan must be submitted with the application. Payment to the employee will be the amount which would have been paid if he/she resided in Ontario or the actual amount paid by the employee to the Quebec Health Insurance Plan, whichever is the lesser.

Canada Pension Plan

Contributions will be made by the Employer and by employees through payroll deductions at rates established by the Canada Pension Plan.

Group Life Insurance

A Group Life Insurance Plan is compulsory for all full-time employees after three (3) months' employment. A booklet describing the plan will be provided to each employee when he/she becomes eligible to participate in the plan. The Employer will pay one hundred (100%) per cent of the premium. Employees are insured for an amount equal to twice one year's salary.

Extended Health Care Insurance

Extended Health Care Insurance shall be available to any full-time employee if the employee or the employee's spouse is not covered in another plan. It is then compulsory after three (3) months and is deducted from salary. The Insurance provides reimbursement of medical and drug costs in addition to OHIP allowance. Details are provided to all eligible employees in a special brochure.

Effective on Union ratification, employees will be entitled to Vision Care coverage in the amount of \$200 every twenty-four (24) months to cover the costs of eyewear and eye examinations.

Group Dental Insurance

The Employer will provide a group dental plan for all full-time employees. The plan will be equivalent to Blue Cross #9 plus riders 2 and 4. Coverage shall be at the current ODA rates as amended from time to time.

An employee who is covered by another group plan may elect to opt out of coverage provided he/she shows proof of such coverage.

Effective December 1, 2000 employees shall pay seventy (70%) percent of the billed premium through payroll deduction and the employer shall pay thirty (30%) percent of the billed premium.

Effective March 31, 2003 employees shall pay fifty percent (50%) of billed premium through payroll deduction and the employer shall pay fifty percent (50%) of the billed premium.

23.02 Benefit Coverage While on Pregnancy Leave or Parental Leave

- a) An employee going on pregnancy or parental leave may terminate her benefit coverage if she notifies the Employer in writing no later than thirty (30) days from her scheduled first date of leave. If no termination of benefits is requested, the employee must provide the Employer with monthly post-dated cheques for her portion of the insurance premium.

Benefit coverage while on pregnancy leave, parental leave, will automatically be terminated if the employee defaults on two payments of his/her portion of the insurance premium. Premiums are due by the 1st of the month for which coverage is being paid.

b) Pregnancy Leave Supplement:

An employee who is on pregnancy leave as provided under this Agreement who has applied for and is in receipt of Employment Insurance pregnancy leave benefits pursuant to Sections 22 & 23 of the Employment Insurance Act, shall be paid a supplemental unemployment benefit for a period not exceeding fifteen (15) weeks in the case of pregnancy leave. The supplement shall be equivalent to the difference between seventy-five percent (75%) of her normal weekly earnings and the sum of her weekly unemployment insurance benefits and any other earnings. Receipt by the Employer of the employee's unemployment insurance cheque stubs shall constitute proof that she is in receipt of Employment Insurance pregnancy leave benefits.

The employee's normal weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours plus any wage increase or salary increment that she would be entitled to receive if she were not on pregnancy leave.

23.03 Percentage in Lieu of Benefits

In addition to their applicable straight time rate for each hour worked, regular part-time employees, casual employees, and temporary employees shall receive in lieu of all fringe benefits (being those benefits to an employee paid in whole or in part by the Employer as part of direct compensation or otherwise, save and except, salary, vacation pay, shift premium, stand-by pay, call-back guarantee, responsibility allowance, court attendance, bereavement leave, educational allowance, and reporting pay) an amount, added to their straight time hourly rate for all straight time hours paid, of twelve percent (12%).

23.04

It is understood that the Employer may at any time substitute another carrier for any plan, provided the benefits remain equivalent. Before such a substitution, the Employer shall notify the Union to explain the proposed change and to ascertain the views of the employees. Upon request of the Union, the Employer shall provide to the Union full specification of the Benefit Programs contracted for and in effect for employees covered therein.

ARTICLE 24 – NURSING HOMES RELATED INDUSTRIES PENSION PLAN

In this Article, the terms used shall have the meanings as described:

24.01 "Plan" means the Nursing Homes and Related Industries Pension Plan, being a multi-employer plan.

"Applicable Wages" means the basic straight time wages for all hours worked and in addition:

- i) the straight time component of hours worked on a holiday
- ii) holiday pay, for the hours not worked
- iii) vacation pay
- iv) paid sick leave
- v) bereavement leave
- vi) jury duty
- vii) negotiations and grievance meetings

All other payments, premiums, allowances and similar payments are excluded.

"Eligible employee" means all employees in the bargaining unit who have completed nine hundred and seventy-five (975) hours of service.

24.02 Effective March 3, 2012, each eligible employee covered by this Collective Agreement shall contribute for each pay period an amount equal to two and one-half percent (2.5%) of applicable wages to the Plan. The Employer shall contribute on behalf of each eligible employee for each pay period, an amount equal to two and one-half percent (2.5%) of applicable wages to the Plan.

Notwithstanding the foregoing, where an error has been made in deduction, the Employer shall, upon request, make full payment on any outstanding Employer contribution irrespective of whether the employee pays the matching amount.

The parties agree that this Article in no way prejudices the position of either party as it relates to the retroactivity application if an error is discovered.

24.03 The employee and the Employer contributions shall be remitted by the Employer to the Plan within thirty (30) days after the end of the calendar month in which the pay period ends for which the contributions are attributable.

24.04 The Union acknowledges and agrees that other than making its contributions to the Plan as set out in this Article, the Employer shall not be obligated to contribute toward the costs of benefits provided by the Plan or be responsible for providing any such benefits.

The Union and the Employer acknowledge and agree that under current pension legislation and/or regulations, the Employer has no requirement to fund any deficit in the Plan, but is required to contribute only that amount as required by the collective agreement in force between the parties.

It is understood and agreed by the Employer and the Union that should the current pension legislation or regulations be changed so that the Employer's obligation to contribute to the Plan exceeds the amount specified in the collective agreement then in force, the parties will meet directly to finalize methods to relieve the Employer of this increased obligation to the extent that any such obligations exceed that which the Employer would have if the Plan were a defined contribution plan.

24.05 The Employer agrees to provide the Plan Administrator on a timely basis with all information required pursuant to the Pension Benefits Act, R.S.O. 1990, Ch. P-8, as amended, which the Administrator may reasonably require in order to properly record and process pension contributions and pension benefits.

For further specificity, the items required for each eligible employee by Article .05 of the agreement are:

- i) to be provided once only at Plan commencement:
 - Date of hire
 - Date of birth
 - Date of first contribution

- iv) to be provided once if they are readily available:
 - Gender
 - Marital Status

Any additional information requests, beyond that noted above, may be provided, if possible, by the Employer at the expense of the Plan, unless the Employer is obligated by law to provide the information.

24.06 The Employer agrees to be bound by the terms of the Agreement and Declaration of Trust dated February 13, 1990 and the rules and regulations of the Plan adopted by the Trustees, both as may be amended from time to time.

ARTICLE 25 – HEALTH AND SAFETY

25.01 The Employer and the Union agree that they mutually desire to maintain standards of safety and health in the work environment in order to prevent accidents, injury and illness.

25.02 The Employer further agrees that it shall comply with applicable Federal, Provincial, and Municipal health and safety legislation and regulations, including the *Occupational Health and Safety Act*.

25.03 The Employer and the Union agree that it is in the best interests of both parties that they continue to work, whenever possible, when they are on sick leave or WSIB benefits, due to an illness, injury or modified and restricted duties.

Representatives from the Employer and the Union from the workplace Occupational Health and Safety Committee will review the list of modified work appropriate to the injured worker on WSIB. The Committee recognizes its responsibilities under the appropriate legislation(s) in accommodating an employee back to the workplace.

Sick Leave - Paid/ Unpaid

It is understood that the Employer will make every effort to accommodate those employees on sick time (paid or unpaid) who may be able to return to work with their Doctor's permission. The employee, if able, will participate in return to work programs offered by the Employer.

Special leave to provide care for sick child or family member:

A full-time employee shall be granted up to two (2) days per year out of his/her accrued sick leave to provide care for a sick child or family member.

ARTICLE 26 – CONTRACTING-OUT

26.01 The Employer shall not contract out work normally performed by members of the bargaining unit if as a direct result of such contracting-out a lay-off occurs.

ARTICLE 27 – UNIFORM AND CLOTHING

27.01 Employees of all Units and Departments are required to adhere to the dress code for their area of work.

Therefore the Employer shall reimburse full-time employees, who are required to wear uniforms, for the cost of uniforms to a maximum of one hundred (\$100.00) dollars per employee per annum.

Part-time employees are to be reimbursed to a maximum of sixty-five (\$65.00) dollars per employee per year.

The current uniform allowances shall be increased, effective January 2012, so that full-time employees shall be reimbursed to a maximum to one hundred and ten (\$110) dollars and part-time employees to a maximum of fifty five (\$55) dollars per year.

ARTICLE 28 – TRAINING

a) The Ministry of Health Standards for Long Term Care Facilities requires the Employer to provide an organized orientation program that responds to the learning needs of new staff and to provide an organized in-service education program that responds to the assessed learning needs of staff.

The Employer agrees to notify the Union should these requirements change.

b) All mandatory training shall be considered as time worked and shall be paid at the appropriate rate.

ARTICLE 29 – GENERAL CONDITIONS

29.01 Bulletin Boards

The Employer shall provide as many bulletin boards as it deems necessary for the purpose of posting union notices. All notices and postings shall be consistent with the terms of this Agreement

The Union bulletin board shall not be used for posting or distributing political matters or Union matters not directly related to the bargaining unit and the administration of this Agreement.

29.02 Act of God or Emergency

Any loss of work time caused by conditions beyond the Employer's control shall not be considered as compensable time under any provisions of this Collective Agreement including the required lay-off notice. The shift on the premises at the time will be paid for the time actually worked with a minimum pay of three (3) hours.

29.03 Whenever the feminine pronoun is used in this Agreement, it includes the masculine pronoun, and vice versa, where the context so requires.

ARTICLE 30 – PAYMENT PENDING WSIB CLAIM

30.01 An employee who is absent from work as a result of illness or injury sustained at work and who has been awaiting approval of claim for Workplace Safety and Insurance Board may apply to the Employer for payment equivalent to the lesser of the benefit she would receive from Workplace Safety and Insurance Board if her claim was approved, or the benefit to which she would be entitled under the short term sick leave plan. Payment will be provided only if the employee provides a written undertaking that any payments will be refunded to the Employer following final determination of the claim by the Workplace Safety and Insurance Board. If the claim for Workplace Safety and Insurance Board is not approved, the monies paid as an advance will be applied toward the benefits to which the employee would be entitled under the short term sick leave plan.

This provision will be effective upon the receipt of written confirmation for the Workplace Safety and Insurance Board of an acceptable procedure.

ARTICLE 31 – MEAL PROVISION

31.01 Where an employee remains at the workplace in excess of seven and a half (7½) hours due to operational needs, the Employer shall provide a hot meal to the employee.

ARTICLE 32 – JOB CLASSIFICATION

32.01 When a position is created which is not listed in Appendix "A", the Employer shall notify the Union and provide a job description for such position setting out the duties of such position and the normal requirements to be met for filling such position.

Such notice shall include a proposed wage rate.

Within ten (10) working days the parties shall meet and make every reasonable effort to agree on a wage rate for such position.

If the parties fail to agree upon a wage rate, or if any dispute arises from this provision, the matter may be treated as a grievance and referred to Step 2 of the grievance procedure.

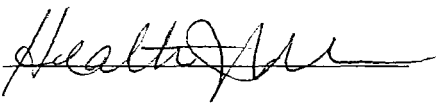

In the event, the matter proceeds to arbitration, the arbitrator shall have the power to set a wage rate and to otherwise settle the dispute.

ARTICLE 33 – DURATION OF AGREEMENT

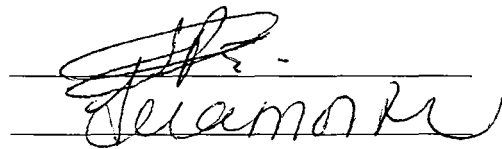

33.01 This Agreement shall be in effect from January 1, 2013 to December 31, 2014, and shall continue automatically thereafter for one (1) year period unless one (1) party notifies the other in writing within a period of ninety (90) days immediately prior to the expiration date that it desires to amend the Agreement.

RE: TEMPORARY INCREASES IN HOURS OF WORK

Should the Employer require a temporary increase in the hours of work beyond the master schedule as per Article 16.01 (c) and the duration of such increase will extend beyond four (4) weeks, the Employer will so notify the Union of the increase in advance of implementation and provide the Union with the reasons a temporary increase in hours is necessary.

The Employer agrees that they will not temporarily increase hours in order to circumvent either the job posting provisions or the layoff provisions of the Collective Agreement.

Should the Union have questions or concerns regarding the temporary increase in hours, the parties agree to meet to discuss the issue. If the matter remains unsolved, the Union may take the issue forward for resolution through grievance and arbitration procedure.
