In the case of a grievance by the Bargaining Unit on behalf of a Teacher, the following steps may be taken in sequence where informal attempts to resolve the matter with the principal or supervisor have failed.

released without loss of salary or benefits.

- 7.12
- a) Each party will notify the other party of the receipt of a written reply and its intention of further correspondence within the timelines required herein.
 - b) If at any stage of the grievance-arbitration procedure, a grievance is not processed in compliance with a time limit fixed herein (or such extension of time limit as may have been confirmed by the written consent of the parties), the grievance shall be deemed to proceed to the next following step in the grievance-arbitration procedure, or, if the Teachers= Bargaining Unit Executive or the Board, as the case may be, exceeds the time allowed to act, the grievance shall be deemed to have been abandoned.

- v) If no appropriate candidates with specialist qualifications in the subject area apply for a position of department head then a person not holding a specialist qualification in the subject area may be appointed on an interim basis for not more than one school year.

10.4 A review of the Article with respect to Positions of Added Responsibility shall be conducted by the Permanent Board/Federation Committee upon request by either the Board or the Federation in accordance with Article 6.0.

ARTICLE 11.0 ENTITLEMENT

- 11.1.1 A Teacher*s entitlement with the Board is that fraction of full-time employment that is due to a permanent or probationary Teacher as verified by the Principal*s Recommendation Form(s). If the entitlement is less than full-time, an increase in this entitlement can be gained as provided for in Article 11.2.1 and 11.2.2.
- 11.1.2 A Teacher who requests a reduced teaching load under this Article shall retain his/her entitlement.
- 11.1.3 A Teacher who requests a part-time position, normally not later than 15 March, or 15 November for Semester II, or who has a written agreement with the Board establishing his/her entitlement, shall retain his/her entitlement, this entitlement being restored to him/her upon application.
- 11.1.4 A Teacher who does not receive his/her full entitlement during any one staffing round, will be given the opportunity to apply for part-time leave under Article 11.1.5, while retaining the option of returning to his/her previous entitlement whenever the opportunity presents itself.

- 11.1.5 All requests for a leave to reduce teaching load shall be made by 15 March, or 15 November for Semester II, and should be supported by a letter stating relevant details and considerations such as the nature of the change, the length of time the change is to be in effect, and the terms of the Teacher*s return to his/her previous status.
- 11.1.6 At the end of the part-time assignment, the Teacher will have the right to return to his/her previous teaching status with the Board. Normally the Teacher cannot expect to return to his/her previous teaching status until the expiration of the part-time teaching assignment.
- 11.1.7 Should the Teacher wish to return to his/her previous teaching status earlier than arranged, he/she must provide written notification to the Superintendent of Human Resources by 15 March of any year for return the following September. When a Teacher exercises this option, the Board will notify the Federation.
- 11.1.8 Teachers who have their full teaching assignment in the first semester in any one year, and who are on probation, will be considered as part of the staffing complement of their school(s) when staffing for the following year is carried out.
- 11.2.1 A Teacher with at least a three (3) credit course entitlement, shall be permitted to increase his/her entitlement to full time, according to certification and seniority, before any new Teachers from outside the system are hired. Consideration will also be given to other qualified part-time Teachers who wish to increase their entitlement before any new Teachers are hired.
- 11.2.2 Notwithstanding Article 11.2.1, all vacancies shall be advertised in accordance with Article 14.0, and be open to all secondary Teachers within the system. Teachers wishing to exercise their rights under Article 11.2.1 must apply for the advertised position, and indicate in their application their current entitlement with the Board. Applicants will compete for the position(s).
- 11.3.1 Extended Occasional positions which become retroactive teaching positions (Article 14.9) as of the end of Semester I will be recognized for staffing purposes in March of that year. Extended Occasional positions which become retroactive teaching positions as of 30 June will be recognized for staffing purposes as of that date and any increased entitlement will be added to the previous entitlement at this time only. No change will be made to staffing placements made prior to 30 June.
- 11.3.2 A retroactive teaching position will be issued in accordance with Article 14.9 and an Extended Occasional Teacher holding this position will complete the semester

assignment as required by the Education Act.

- 11.4.1 For a part-time Teacher, salary (including appropriate allowances), sick leave and any other entitlements that are not specified in other provisions of this agreement shall be prorated in the ratio that the Teacher=s assignment bears to a full-time assignment of 6.5 classes and 0.17 TAP and/or remedial. Such prorating shall be in accordance with the chart set out in Article 31.4. The minimum entitlement of a part-time Teacher shall be 0.15 (1 class).
- 11.4.2 Part-time partial entitlements shall be rounded up or down to the nearest whole number, at the Teacher=s option, on 1 April for the next school year, until full-time is achieved.
- 11.4.3 Following the assignment of TAP and/or remedial to full-time Teachers, the remaining TAP and/or remedial assignments at each secondary school will be offered to part-time Teachers beginning with those with the greatest seniority at that school. Entitlement will be used as a tie breaker.

ARTICLE 12.0 - PROBATIONARY PERIOD

- 12.1 A Teacher newly hired by the Board shall serve a probationary period of one school year or equivalent of active teaching service. Confirmation of the completion of probationary period shall be sent in writing to the Teacher with a copy to the Federation.
- 12.2 In the case where a probationary Teacher is absent for one month or longer, the probationary period may be extended by the length of the absence. In such case, the probationary Teacher shall be so informed in writing with a copy to the Federation.

ARTICLE 13.0 - SENIORITY

- 13.1 A Secondary Seniority List for staffing, prepared by the Federation by 15 March, and approved by the Board, shall be used to identify which Teachers are surplus to their schools and/or redundant to the system, should such identification be necessary.

The Federation shall indemnify and save the Board harmless from any claims related to the preparation and maintenance of the Secondary Seniority List.

- 13.2 The Seniority List will be established for Teachers employed by the Board. This list will record the school, Teacher, the Teacher=s seniority and the Teacher*s

qualifications. Qualifications shall be in accordance with the Education Act, as amended and regulations made thereunder, and the Ontario College of Teachers= Act, as amended and regulations made thereunder.

13.3 Seniority shall be determined by the placement on the appropriate OSSTF District Seniority List as of 31 December, 1997 which will be deemed the length of continuous service. Seniority will be determined by the length of continuous service with the Limestone District School Board and the Frontenac County Board of Education, or the Limestone District School Board and the Lennox and Addington County Board of Education, calculated from the month the Teacher starts his/her duties and shall be expressed to the nearest tenth whether the Teacher is teaching a ten-month or eleven-month school year. Although a Teacher may teach a ten-month or eleven-month school year the maximum seniority that can be accrued per year is one (1) year.

13.4 Should a tie in rank ordering occur based on 13.3, the following criteria shall be used in sequence to break the tie:

Total years of secondary teaching experience with the Board of Employment on 31 December, 1997 (i.e. either the Frontenac County Board of Education or the Lennox and Addington County Board of Education) and secondary teaching experience with the Limestone District School Board;

THEN

Total years of teaching experience with the Board of Employment on 31 December, 1997 (i.e. either the Frontenac County Board of Education or the Lennox and Addington County Board of Education) and teaching experience with the Limestone District School Board;

THEN

Total years of secondary teaching experience in Ontario;

THEN

Total years of teaching experience in Ontario;

THEN

Total years of teaching experience in Canada;

THEN

By lot.

- 13.5.1 It is understood that with respect to qualifications in a subject area, for the purposes of this Article, a Teacher is considered certificated in a subject area when that subject area is listed on the Teacher*s Ontario College of Teachers* Certificate of Qualifications.
- 13.5.2 In order for a Teacher to teach outside of his/her area of certification, a mutual consent agreement must be signed by the Teacher, the Principal and approved by the Superintendent of Human Resources.
- 13.5.3 Where ambiguity may exist in some areas of certification, these situations will be dealt with at the staffing meetings on an individual basis, and subject to the subsequent approval of the Joint Staffing Committee, the Federation and the Board.
- 13.5.4 Subject to the qualifications= regulation, any Teacher who holds qualifications in any of Physics, Biology, Chemistry, Geology or Science, or who holds a specialist*s certificate or equivalent in Science, shall be considered to be qualified in Physics, Biology, Chemistry, Geology, Science and General (Intermediate) Science.
- 13.6 The following qualifications will be used in determining the placement of Teachers under Article 14.0:
- a) those subjects recognized by the Ministry of Education and Training as generating a credit in that subject;
 - b) Guidance;
 - c) Librarianship;
 - d) Special Education (for programmes such as Learning Program Support or Special Education Resource)
- 13.7 When a Teacher is hired on a temporary basis (occasional) to fill a teaching vacancy, subject to that vacancy being approved by the Superintendent of Human Resources and the Board, and he/she is then hired as a probationary or a permanent Teacher in the same teaching position, he/she shall have his/her effective date of hire back-dated to when the actual teaching assignment first began; and his/her seniority shall accrue from that date.
- 13.8 Any Teacher who is assigned on a temporary basis of up to one (1) year to an acting administrative position shall continue to accumulate seniority on the Secondary Seniority List.
- 13.9 A Teacher on part-time employment with the Board will accrue seniority at the full-time rate during the period of his/her part-time employment.

ARTICLE 14.0 - SURPLUS AND SURPLUS RELATED TRANSFER OF TEACHING PERSONNEL

- 14.1 Wherever possible, it is the intention of the Board to avoid declaring surplus to the needs of the system any Teacher who has a permanent position with the Board. While normal attrition may allow the retention of all the present teaching staff members who wish to remain with the Board, decreasing enrolments and Provincial regulatory changes may make it necessary to reduce the number of teaching staff employed by the Board, or changing student option-selection patterns may make it necessary to change the complement of a teaching staff. The procedures set out in this Article are designed to accomplish the difficult task of identifying Teachers who are surplus to the needs of their present school, and perhaps redundant to the needs of the system, in a manner that provides the Teacher with the greatest possible degree of consideration and fair treatment and in a manner that assures the highest available standard of instruction in the classroom.
- 14.2.1 The procedure for establishing the initial staffing resources available to each secondary school for the next school year shall be implemented by the Joint Secondary Staffing Committee as described in Article 6.0 and 9.0 and shall be as follows:
- 14.2.2 Determination of the official projected enrolment for the system and the individual schools as soon as possible after 30 January;
- 14.2.3 Determination of the number of staff available to the system and to individual schools, in accordance with Article 6.0 and 9.0 of the Collective Agreement.
- 14.3.1 Adjustments to the initial staff allocation may be readjusted by the District Secondary Staffing Committee, subject to review by the Joint Secondary Staffing Committee. The District Secondary Staffing Committee consists of the Superintendent of Human Resources and/or designate, Human Resources staff, the Secondary School Principals, with the District Officer (or member designated by the TBU Executive) present as an observer at all stages. The procedure for staffing will be as follows:
- 14.3.2.1 The determination by the Principal and the School Based Work Team of the number of positions surplus or partially surplus to the school, and the identification of the Teachers who are surplus or partially surplus to the school as a result, such a determination being done in the following manner:
- a) review the seniority of all members of the school's staff including those members of staff who are returning from leave, loan, exchange, LTD or who are assigned to the staff by the Superintendent of Human Resources;

- b) review the teaching assignments required to staff the school. All such assignments shall be in accordance with each Teacher's subject certification as defined in Article 13.0;
- c) an assignment which is an exception to this practice shall be permitted only where it does not result in a Teacher, who is certificated in the subject area in question, being declared surplus to his/her school or redundant to the system;
- d) assignment of a Teacher with less seniority in a certificated area to an approved Focus Programme must be approved by both the Board and the Federation;
- e) the principal shall notify the District Secondary Staffing Committee of:
 - i) Teachers identified as surplus to the needs of the school, with every effort being made to ensure that those Teachers identified as surplus to the school, are those with the least seniority in each of the subject areas for which they are qualified,
 - ii) those positions still vacant and which cannot be filled by members of the current staff, and,
 - iii) those assignments tentatively made as exceptions as allowed in Article 14.3.2.1c).

Voluntary Transfer/Exchange

- 14.3.2.2 a) Notification by the Superintendent of Human Resources to all Teachers in the system of positions vacant in individual schools, with an invitation to apply for transfer/exchange. Teachers requesting a transfer/exchange may be asked to follow procedures similar to those used in regular hiring procedures. It is understood that:
- i) due consideration will be given to a Teacher=s position on the Seniority List in all decisions related to transfer in order to avoid, if at all possible, involving a Teacher in a transfer between schools if the Teacher is ultimately redundant to the system;
 - ii) Teachers may place their names on a Voluntary Transfer/Exchange List by contacting the Federation prior to April 10th and indicating their current school location, certification, seniority, and preferred new location(s) in ranked order. The Federation will provide this

information to the District Secondary Staffing Committee immediately prior to the first placement meeting;

- iii) following the implementation of 14.3.2.1 a), b), c), d) and e) the District Secondary Staffing Committee will place Teachers from the Voluntary Transfer/Exchange List into any remaining vacancies on the basis of certification, seniority, and indicated preference, before any placements are made from the surplus list;
- iv) there will not necessarily be more than two (2) rounds of internal advertising permitting transfer/exchange. This process must be completed by 30 April;
- v) when requested, transfer/exchanges may be for a stated period of time (e.g. one semester, one year, but not more than two years). At the end of the stated period or on the completion of two full years the transfer/exchange will revert or, with the approval of the District Secondary Staffing Committee and the Teacher(s), will be made permanent;
- vi) the Voluntary Transfer/Exchange List as compiled in ii) will remain in effect and be used as other vacancies occur throughout the staffing year on the condition that the vacancy is filled before the start of a semester. Teachers wishing to remain on the list for the subsequent staffing year must repeat the procedure outlined in ii).

- b) Following the disposition of all transfer/exchange requests the principal and the School Based Work Team of each secondary school shall repeat 14.3.2.1 a), b), c). The Superintendent of Human Resources, in consultation with the principals, shall compile a final list of Teachers who are surplus to their schools, and of positions still vacant.

- 14.3.3
- a) Examination by the District Secondary Staffing Committee of the list of Teachers declared surplus to the needs of individual schools, and the placement by the Superintendent of Human Resources of suitably certificated surplus Teachers in those positions still vacant in the system. If no teaching position is vacant for which the surplus Teacher is certificated, the Superintendent of Human Resources shall place the Teacher in a position within the system for which the Teacher is certificated, and which is held by a Teacher with less (normally least) seniority.
 - b) Every effort, however, shall be made to minimize the extent of the geographical dislocation of a Teacher's place of work as a result of this placement. It is understood that in extreme cases, it may be considered

appropriate for the Superintendent of Human Resources to reassign a Teacher with less seniority to another school to reduce the impact of the relocation on the Teacher with more seniority.

- c) Those Teachers identified as redundant to the system shall be the Teachers with the least seniority in each of the subject areas in which they hold qualifications.

14.3.4 Notification by the Superintendent of Human Resources to those Teachers who are now redundant to the needs of the system and for whom no positions are available. If possible, this notification will be given on or before 1 May each year. This written notification will include a formal statement from the Board which indicates that the position was terminated because of a surplus of staff for the following year and normally will incorporate a statement from the Board which indicates that a Teacher was considered to be an effective Teacher.

14.3.5 Retention of any Teacher identified in Article 14.3.4 on the redundancy list for the system, provided the Teacher indicates annually by 15 March in writing to the Superintendent of Human Resources that he/she intends to be available for a position in any school, provided the Teacher has not been hired by another Board, and provided the Teacher does not accept a severance allowance as specified in Article 14.5.3.

14.4.1 A department head shall be exempted from consideration as a Teacher surplus to his/her school for the duration of that appointment subject to the following considerations:

- a) No Teacher will be declared redundant to the system as a consequence of a Teacher with less seniority being retained in the system as a department head.
- b) If a Teacher with more seniority becomes surplus to a school as a result of a Teacher with less seniority being retained within a school as a department head, the Teacher who is declared surplus will be so identified and given the following considerations:
 - i) The Teacher will be positioned in another school in the system using the regular staffing process.
 - ii) The Teacher=s assignment will not be split between schools as consequence of the transfer.
 - iii) Each year, following the transfer of such Teacher(s) and upon formal request (in writing) of the Teacher to the Superintendent of Human Resources Services, notice to be received by 15 March, the

Superintendent of Human Resources Services will position the Teacher in his/her former school as per Article 14.3.2.1 (a) for the purpose of determining the number of positions surplus or partially surplus to the school concerned.

- 14.4.2 Because of the unique consideration provided for in Article 14.4.1, the Board agrees that when appointing a Teacher to the position of department head, sufficient care will be taken in assessing the current and projected situation with respect to staffing and student enrolment in the district to ensure that such an appointment will not result in a Teacher currently with the Board being declared redundant to the system.
 - 14.4.3 At no time will a permanent teacher employed by the Board be identified as surplus to the needs of a school where a probationary Teacher is teaching a programme in that school for which the permanent Teacher is certificated.
 - 14.4.4 No new Teachers are to be hired into the system until all Teachers named on the redundancy list have been dealt with under the terms of Article 14.3.3. For these purposes, a new Teacher is defined either as a Teacher who is not currently employed by the Board, or as a Teacher who is currently employed by the Board and who, as a consequence of the appointment, would increase his/her entitlement with the Board. Every effort will be made to resolve the issue of Teachers with assignments split between schools before new Teachers are hired.
 - 14.4.5 If any Teacher is declared surplus to the needs of his/her school and as a consequence is transferred to another school, the Teacher shall be given first option at filling a vacancy for which he/she has the appropriate subject certification and which occurs in his/her original school prior to 15 August of the year in which the Teacher was transferred.
 - 14.5 The Superintendent of Human Resources will offer to a Teacher who is declared redundant to the system, (either totally or for one semester), the Teacher's choice of one of the following alternatives to regular full-time employment:
 - 14.5.1 Take a leave of absence (Article 21.0) during which he/she will be placed on the list of preferred occasional Teachers. Preferred occasional Teachers shall be called to duty in their certificated areas before casual occasional Teachers are engaged. Teachers choosing this option shall be retained on the redundancy list and shall be offered any regular teaching positions for which they are eligible under Article 14.3.3 before new Teachers are hired.
- OR
- 14.5.2 Take leave of absence under Article 21.0 for one year, after which the Teacher shall

have the choice of:

- a) being placed on the list of preferred occasional Teachers, or
- b) in the case of a permanent Teacher, being paid a severance allowance as specified in Article 14.5.3.

OR

14.5.3 In the case of a permanent Teacher, resign and receive a severance allowance of ten (10) days' salary according to the Teacher=s entitlement and grid position for each year of recognized teaching experience with this Board, to a maximum of 100 days. It should be noted that:

- a) a Teacher who is declared redundant according to Articles 14.3.3 and 14.3.4 and who refuses to accept a subsequent offer of a teaching position at his/her entitlement for which the Teacher is certificated, will have his/her employment terminated;
- b) notwithstanding any eligibility for a gratuity under Article 28.0 when a Teacher receives a severance allowance under this section, no gratuity under Article 28.0 will be paid.

14.5.4 The onus shall be on the Teacher on the redundancy list to inform the Board and the Federation in writing of any change of address. In the event that such a Teacher cannot be located through a normal Post Office address or telephone number, the Teacher=s name will be removed from the list.

14.5.5 A Teacher who remains fully redundant for a period of two (2) years for which there is still no position available with the Board, shall be removed from the redundancy list.

14.6 A Teacher who is declared surplus to his/her school and/or redundant to the needs of the system may apply to the Superintendent of Human Resources, through the Federation, for a review of the circumstances leading to that declaration. The Teacher may request representation on his/her behalf by a member of the Teachers= Bargaining Unit Executive of the Federation.

14.7 It is understood that all Teachers on leave, loan, or exchange, or returning from such leave, loan, or exchange, are subject to consideration under the provisions of this Article on the same basis as all other secondary school Teachers in the employ of the Board. Except that where a Teacher has been on leave, loan, or exchange for a continuous period of more than two (2) years, the Teacher upon return shall be declared a system responsibility no longer attached to his/her former school for

staffing purposes, and be placed in accordance with the Articles of this Collective Agreement having to do with the placement of Teachers.

14.8 All vacancies including positions of responsibility, will be posted internally in all of the Board's Secondary Schools at least seven (7) school days prior to the stated closing date for applications with the proviso of Article 14.3.2.2 a) iv). The seven (7) school day period may be shortened or waived by mutual agreement between the District Officer and the Superintendent of Human Resources.

14.9 Any vacancy which occurs for a complete semester in a course or programme shall be recognized as a regular position for the individual who is appointed to it. If the vacancy has arisen from a Teacher who will be returning to the school's complement for the next staffing round, then both Teachers will be considered as part of that school's complement, and will be dealt with by the established staffing procedure.

14.10.1.1 Any vacancies created by members going on leave in excess of twenty (20) consecutive teaching days, shall be advertised as extended occasional positions, and offered to members on the surplus list according to certification and seniority prior to external advertising.

14.10.1.2 Any PAR vacancy created by members going on leave known to be in excess of twenty consecutive days and less than one semester, shall be advertised and filled internally within the school.

A vacancy created by the temporary absence of the incumbent for a full semester or longer, shall be advertised District-wide as an Interim PAR position.

A Teacher appointed as an interim Department Head due to the temporary absence of the incumbent, shall return to the previous school's complement for staffing purposes at the end of the interim appointment.

14.10.2 Upon the return of a Teacher from an absence due to Long Term Disability of up to five (5) full semesters excluding the semester in which the absence begins, the Board shall place that Teacher in his/her former position in his/her former school. Only if the Teacher has been declared surplus in his/her school will the Teacher become a system responsibility for staffing purposes, and be placed in accordance with the Articles of this Collective Agreement having to do with the placement of Teachers who are surplus or redundant to the needs of the system.

Notwithstanding the above, the Teacher may agree to accept an alternate placement, mutually agreed upon.

14.10.3 Upon the return of a Teacher from a leave for Long Term Disability of over five (5)

full semesters excluding the semester in which the absence begins, the Teacher will become a system responsibility for staffing purposes, and be placed in accordance with the Articles of this Collective Agreement having to do with the placement of Teachers who are surplus or redundant to the needs of the system.

- 14.11 If a full-time Teacher who is teaching in a single location leaves the employ of the Board in the middle of the school year, the vacancy created shall be advertised internally as a full time position. The vacancy created by the successful applicant to this position shall be advertised internally to the maximum entitlement of that Teacher in his/her former school. If the position is not filled internally, then the vacancy created for the second semester shall be advertised externally as a part-time position.

ARTICLE 15.0 - TERMINATION OF EMPLOYMENT

- 15.1.1 A Teacher may resign or retire at the end of a semester, after having given notice in writing thirty (30) days prior to the end of the semester.
- 15.1.2 The Board or a Teacher may terminate a Teacher=s employment at any time by mutual consent in writing.
- 15.1.3 A Teacher who wishes to bridge the period from the end of a semester to the Teacher=s retirement date may request a leave of absence without pay for that period.
- 15.2 The Board may terminate the employment of a Teacher at the end of a school year by following the redundancy procedures under Article 14.0 and having given notice in writing thirty (30) days prior to the end of the school year.
- 15.3 The Board may terminate a Teacher=s employment for just cause at any time after notification in writing as per Article 5.0.
- 15.4 The Board, or a Teacher, who is employed as a night school or summer school Teacher, shall give written notice to the other party of not less than two weeks to terminate the Teacher=s employment.

ARTICLE 16.0 - SCHOOL CLOSURE, CONSOLIDATION, TRANSFER, OR EXCHANGE

- 16.1 In the event that the Board closes, consolidates, transfers or exchanges a school, the following procedures will be used to redistribute the staff of the school:

- 16.2 Teachers will be considered surplus to the school which has been closed, consolidated, transferred or exchanged, and placed within another school in the system according to his/her subject qualifications, by the process outlined in Article 14.0.
- 16.3 Teachers holding positions of added responsibility shall, should they no longer hold such positions, have the right of first refusal to comparable new or vacant positions of responsibility for which they are qualified for a period of three years following the closure, consolidation, transfer or exchange.

ARTICLE 17.0 - FINANCIAL SUPPORT FOR SPECIALIZED TRAINING

- 17.1 When the Board specifically requests a Teacher to obtain further education or training in an area in which the Board requires greater Teacher expertise, the Board shall assume the cost of tuition, textbooks, transportation, and basic room and board for the designated Teacher. Transportation, room, and board costs will only be reimbursed when the course of instruction is not available in the Board=s jurisdiction.
- 17.2.1 The Board will provide a fund to cover allowances paid to those Teachers who are qualified to substitute for an Administrator as outlined in Article 27.1.1.
- 17.2.2 A Teacher qualified to substitute for an Administrator who has less than a full-time administrative assignment shall have the amount received prorated.

ARTICLE 18.0 - PERSONAL, COMPASSIONATE AND/OR FAMILY LEAVE

- 18.1.1 Personal leave with pay, to a total of five (5) days per school year, may be granted for reasons which are unavoidable or extraordinary. Such leave shall be granted at the discretion of the principal, in consultation with the designated supervisory officer. Such leave will be deducted from accumulated sick leave. Personal leave cannot be accumulated.
- 18.1.2 Late return from and early leave taken before specified holiday periods will be taken as absence without pay and approved at the discretion of the designated supervisory officer.
- 18.2 Notwithstanding the above, compassionate leave will be granted at the discretion of the principal, in consultation with the designated supervisory officer, and such compassionate leave will not be deducted from accumulated sick leave credits.

- 18.3 Family leave, with pay, to a total of five (5) days per school year, may be granted in the case of a family emergency, or the serious illness of a family member. Such leave may be granted at the discretion of the principal. Such leave will be deducted from accumulated sick leave. Family leave cannot be accumulated.
- 18.4 In the event of extremely severe weather, (eg. cancellation of bus transportation) or if a public road is not plowed for the day, the Teacher, after consultation with the site administrator, shall be directed to report to an alternate site, or report to the nearest secondary school, or report late to his/her school when road conditions permit. There shall be no loss of pay for the Teacher. Such leave is not deducted from accumulated sick leave.
- 18.5 Subject to certification by a duly qualified medical practitioner, in any case where, because of exposure to a communicable disease in the course of his/her duties a Teacher is quarantined or otherwise prevented by the medical officer of health from attending to his/her duties, leave will be granted without loss of pay. Such leave is not deducted from accumulated sick leave.
- 18.6 Leave of absence without loss of seniority shall be granted to a Teacher who, by reason of summons to serve as a juror, or a summons to serve as a witness in a court proceeding to which he or she is not a party or one of the persons charged, is absent from duty. The Board shall pay such a Teacher the Teacher=s regular salary provided the Teacher presents proof of service to the Board. The Teacher shall pay to the Board any fee, exclusive of traveling allowances and living expenses that the Teacher receives as a juror or as a witness. Such leave is not deducted from accumulated sick leave.

ARTICLE 19.0 - PREGNANCY, PARENTAL AND PARENTING LEAVE

- 19.1.1 "Pregnancy Leave" means leave taken for purposes related to giving birth and/or recovering therefrom.
- 19.1.2 "Short-term Parental Leave" means leave taken for the purpose of caring for a newborn or for a newly adopted child. The definitions are subject to the definitions and sections of the Employment Standards Act, as amended.
- 19.1.3 "Extended Pregnancy/Parental Leave" means a parenting leave taken for a period in excess of the 35 weeks referred to in the Employment Standards Act, as amended.
- 19.1.4 A Teacher going on Pregnancy Leave may request sick leave, without providing further medical documentation, for up to the first twenty (20) days from the date of delivery if such Teacher has at least twenty (20) days of accumulated sick

leave to her credit. Should the Teacher require additional sick leave beyond the twenty (20) days, the Teacher shall be required to provide medical evidence from her physician. It is understood that time on sick leave in these circumstances counts as time for the purposes of Pregnancy Leave.

- 19.2.1 Pregnancy and Short -Term Parental Leave shall be granted in accordance with the provisions of The Employment Standards Act, as amended, Pregnancy and Parental Leave, and subsequent amendments to the Act.
- 19.2.2 Further to the provisions in The Employment Standards Act, as amended, the Teacher may take extended pregnancy/parental leave which shall not be longer than three (3) full academic years excluding the academic year in which the birth or adoption occurs, and accumulate seniority for the period of the extended leave.
- 19.2.3 After the completion of this extended pregnancy/parental leave, the Board shall place that Teacher in the Teacher=s former position, in the Teacher=s former school, subject to the staffing procedures in Article 14.0 of this agreement. Notwithstanding the foregoing, where a Teacher has been on the leave for a continuous period of more than two (2) years, the Teacher upon return shall be declared a system responsibility no longer attached to his/her former school for staffing purposes, and shall be placed in accordance with Article 14.0 Surplus and Surplus Related Transfer of Teacher Personnel.

The Teacher will provide, prior to 15 March, confirmation of his/her intention to return in September of the next school year, or prior to 15 November for the second semester in the same school year.

- 19.3.1 A Teacher on Pregnancy/Short Term Parental Leave as defined in the Employment Standards Act, as amended, shall continue to be entitled to all rights, benefits, and privileges which he/she would have received had he/she been in active employment including but not limited to:
 - a) Pregnancy leave with supplementary employment benefits and allowances up to seventeen (17) weeks and/or short-term parental leave up to eighteen (18) weeks if he/she fulfills the following requirements:

A ledger reference of each individual Teacher's contribution shall be maintained by the Board. A statement of each Teacher's account will be issued at the end of each school year.

25.3.8 In the event the leave is taken before the y^{th} year of the plan, the Board agrees to advance during a Teacher's leave year an amount equal to the difference between the accrued amount withheld, as described in Article 25.3.7 and $((x/y) \times 100)\%$ of the Teacher's salary as determined by the Collective Agreement in effect at the time of leave-taking.

- 25.3.21 Upon the return of a Teacher from a self-funded leave, the Board shall place that Teacher in his/her former teaching position in his/her former school.
