COLLECTIVE AGREEMENT

**BETWEEN COLONIAL COOKIES,
A Division of Parmalat Dairy & Bakery Inc.
(Hereinafter referred to as the "Employer")**

**AND UNITED FOOD AND COMMERCIAL WORKERS INTERNATIONAL
UNION, AFL-CIO-CLC, Local 175/633
(Hereinafter referred to as the "Union")**

ARTICLE 1- PURPOSE

1.01 The purpose of this Agreement is to establish harmonious and mutually satisfactory relations between the Employer and its employees; to provide an orderly procedure for the prompt and equitable disposition of complaints **and** grievances which may arise from time to time; **and** to ensure to the utmost possible extent the safety and welfare of the employees, the economy of operations, the quality of work **and** the protection of property.

ARTICLE 2 - RECOGNITION

2.01 The Employer recognizes the Union as the bargaining agent for all employees of Colonial Cookies employed at Kitchener, Ontario, save and except foreladies/foremen and other persons at or above the rank of forelady/foreman, plant nurse, transport driver, office and sales staff, persons regularly employed for not more than twenty-four (24) hours per week, and students employed during school vacation period.

ARTICLE 3 - NO DISCRIMINATION

3.01 It is agreed that there shall be no discrimination, coercion or intimidation by the Employer, the Union or its officers or members against any employee because of his activity or lack of activity in the Union, or due to any race, sex, colour, or religion. It is further agreed that there shall be no solicitation for members, collection of dues or other Union activity during working hours except as permitted by this Agreement. It is understood that no meeting of the Union or its members shall be held on the premises of the Employer, nor shall any of its activities be so held at any time without the prior written approval of the Employer.

ARTICLE 4 - RESERVATION OF MANAGEMENT RIGHTS

4.01 The Union recognizes and acknowledges that the management of the operations and the direction of the working forces are fixed exclusively in the Employer and without limiting the generality of the foregoing the Union acknowledges that it is the exclusive function of the Employer to:

- a) maintain order, discipline and efficiency and in connection therewith; to make, alter and enforce from time to time rules and regulations, policies and practices to be observed by its employees; discipline or discharge employees for cause, provided that a claim by an employee who has acquired seniority that he has been unjustly disciplined or discharged may be the subject matter of a grievance and dealt with as hereinafter provided. The Employer shall notify the Union in advance before implementing any new rules or regulations.
- b) select, hire, transfer, assign to shifts, promote, demote, classify, relieve employees from duty because of lack of work or other legitimate reasons, lay off, recall or retire employees and select employees for positions excluded from the bargaining unit.
- c) operate and manage the business in all respects in accordance with the Employer's commitments, obligations and responsibilities including the right to determine the number and location of the Employer's establishments and their expansion or curtailment, direction of the work force, schedules of operations, products and services to be rendered, process and means of production, methods, tools, work procedures, quality and quantity standards, kinds and locations of equipment and machinery to be used at any time, selection and use of materials required by the Employer; determine job content, establishment of work or job assignments, change, combine or abolish job classifications, qualifications of an employee to perform any particular job; study or introduce new or improved production methods or facilities; decide the number and type of employees needed by the Employer at any time, number of hours to be worked, number of shifts, starting and quitting times, when overtime shall be worked and require employees to work overtime; determine financial policies, including general accounting procedures and customer relations.
- d) Without limiting the general right of the Employer to discharge employees, it is expressly understood and agreed that any of the following causes shall be conclusively deemed to be sufficient cause for proper discharge of an employee; drunkenness, absence without leave, disclosure of confidential information pertaining to the Employer's business, consuming intoxicating liquors or illicit drugs while on duty or theft.
- e) Except to the extent expressly abridged or modified by a specific provision of this Agreement, the Employer reserves and retains all rights, powers and authority to manage its business in all respects.

4.02 **An** employee who has not completed his probationary period may be discharged without cause and at the sole discretion of the Employer.

4.03 The Employer agrees that it will not exercise its functions in Article 4- Reservation of Management Rights, in a manner inconsistent with the express provisions of this Agreement.

ARTICLE 5 – RELATIONSHIP

5.01 The Union recognizes the responsibilities imposed upon it as the bargaining agent of the unit and realizes that in order to provide maximum opportunities for continuing employment, good working conditions, and good wages, the Employer must be in a strong market position which means it must produce at the lowest possible cost consistent with fair labour standards. The Union, through the Committee herein provided for by reason of its bargaining position, assumes a joint responsibility in the attainment of these goals. The Union therefore agrees that it will cooperate with the Employer and support its efforts to assure a full day's work on the part of its members; that it will actively combat absenteeism and any other practices which restrict production. It further agrees that it will support the Employer in its efforts to eliminate waste production; conserve materials and supplies; improve the quality of workmanship; prevent accidents and strengthen good will between the Employer, and the employees, the customer and the public.

ARTICLE 6 - GENDER

6.01 In this Agreement, wherever the masculine gender is used it shall be construed to be the masculine or feminine as the context requires.

ARTICLE 7 - UNION SECURITY

7.01 The Employer shall during the life of this Agreement deduct from each pay (including vacation pay) due to each bargaining unit employee who has signed a payroll deduction form, the prevailing regular weekly Union dues and remit the same to the United Food and Commercial Workers International Union prior to the fifteenth (15th) day of the month following the month in which such deductions are made and shall at the same time submit a list of names of the employees from whose pay such deductions have been made.

7.02 The Union shall advise the Employer in writing of the amount of the regular Union dues authorized in accordance with the Constitution and By-Laws of the Union.

7.03 The Union shall indemnify and save the Employer harmless with respect to all dues and initiation fees so deducted and remitted under this Article.

7.04 The Employer agrees that upon receipt of written authorization in the form of a signed membership card it will deduct from the wages of seniority employees joining the Union after ratification of this Agreement the initiation fee due from him to the local Union on the first pay day of the following calendar month, and shall remit the same to the Financial Secretary of the Local Union on or before the fifteenth (15th) day of the calendar month.

- 7.05 The Employer agrees that it shall be a condition of employment that any employee who at the date of signing of this Agreement was a member in good standing shall maintain such membership.

Employees hired on or subsequent to the date of the signing of this Agreement shall, as a condition of employment, become members of the Union within sixty-five (65) worked days following the date of their employment, and shall thereafter maintain membership in the Union in good standing. The Employer shall procure from such new employees the necessary membership application, and membership in the Union shall be granted within the above mentioned sixty-five (65) day period. For the purpose of this Agreement, employees who are or who become members shall be deemed to maintain their membership in the Union in good standing provided they pay in accordance with the provisions of this Agreement the regularly prescribed initiation fee and regular weekly dues uniformly required of all members of the Local Union.

ARTICLE 8 - STRIKES AND LOCKOUTS

- 8.01 a) In view of the orderly procedures established by this Agreement for the settling of disputes and the handling of grievances the Union agrees that during the life of this Agreement there will be no strike, slowdown or stoppage of work.
- b) The Employer agrees that there will be no lockout of employees during the life of this Agreement.
- 8.02 The words "strike" and "lockout" shall be defined as in the Labour Relations Act, R.S.O. 1980, C 228 as amended.
- 8.03 The Union further agrees that it will not involve any employee of the Employer or the Employer itself in any dispute which may arise between any other employer and the employees of such other employer.

ARTICLE 9 - REPRESENTATION

- 9.01 The Employer acknowledges the right of the Union to elect up to nine(9) stewards (which includes the chief steward and assistant chief steward) each of whom shall have been on the Employer's payroll as a regular full time employee continuously for a period of six (6) months immediately prior to selection. There will be a maximum of four (4) stewards on day shift, three (3) stewards on afternoon shift, and two (2) stewards on night shift.
- 9.02 It shall be the steward's duty to assist eligible employees if requested, in presenting grievances under Article 10 - Grievance Procedure.

In the event an employee is to be suspended, discharged or is to receive a verbal or written reprimand which will be recorded in his personnel file, at the employee's request he may have a steward present to witness the discipline. Such witness requested by the employee must be selected from stewards at work at the time discipline is imposed. In the event no steward is at work at the relevant time, then the employee may select another employee who is at work at the

time, as his witness. The witness will sign documentation for the Employer attesting to his presence at the meeting. The employee and witness, if any, will be given a copy of the discipline report which is to be recorded in his file.

When an employee has been discharged without notice, he shall be given the opportunity to interview a steward, or in the absence of a steward another employee of his choice who is at work at the time, before leaving the plant premises. Such interview will be at a place designated by management for a reasonable period of time.

9.03 The Union shall notify the Employer in writing of the name of the stewards. The Employer shall not be required to recognize any steward until such notification from the Union has been received.

9.04 The Union acknowledges that a steward has regular duties to perform on behalf of the Employer, therefore whenever possible the steward shall conduct his activities outside regular working hours. In a situation which requires a steward's attention during working hours he shall not leave his regular duties without first obtaining the permission of the immediate supervisor. It is understood that the taking of such time away from regular duties shall be kept to a minimum and that permission will not therefore be unreasonably withheld. The steward shall return to his regular duties as expeditiously as possible. The Employer reserves the right to limit such time, if the time requested is unreasonable.

9.05 The Employer shall recognize up to four (4) Union members to meet with the Employer to negotiate the renewal of this Agreement. Employees on the negotiating committee shall suffer no loss in pay for time spent during their regular scheduled hours of work in attendance at negotiation meetings with management. Such payment shall be for a maximum of five (5) days or up to the conciliation stage, whichever is sooner.

9.06 A union steward may discuss with the foreperson or supervisor direct matters which may affect the welfare of the department as a whole even though at the time this matter may not constitute a grievance.

9.07 The Employer acknowledges that the Union may appoint or select a grievance committee consisting of up to three (3) regular full time employees each of whom shall have twelve (12) months continuous service prior to their selection. A list of grievance committee members shall be supplied to the Employer. The Employer shall be advised immediately in writing of any change in this list.

Grievance committee members shall suffer no loss in pay for time spent during their regular schedule working hours attending grievance meetings with management officials under Article 10 – Grievance Procedure, Clause 10.03, Step 2.

ARTICLE 10 - GRIEVANCE PROCEDURE

- 10.01 It is the mutual desire of the parties hereto that complaints of the employees shall be adjusted as quickly as possible without stoppage of work, and it is understood that an employee may present an oral complaint at any time, without recourse to the grievance procedure herein.
- 10.02 A grievance shall be defined as a Complaint regarding the meaning, interpretation, application or alleged violation of this Agreement, or in the case of an employee who has acquired seniority under this Agreement, a complaint that he has been discharged or disciplined without cause.
- 10.03 It is understood that an employee has no grievance until he has first given his immediate supervisor an opportunity to adjust his complaint.

STEP 1 If an employee has a complaint, he shall discuss it with his immediate supervisor. In order to be considered a grievance, such discussion must take place within two (2) working days after the circumstances giving rise to the complaint first occurred or originated or the employee reasonably ought to have known of the circumstances. The immediate supervisor shall communicate his reply to the complaint with two (2) working days.

If such complaint is not settled to the satisfaction of the employee concerned, the complainant may file a written grievance in the following manner and sequence.

STEP 2 The employee shall with the assistance of a steward submit a signed, dated written statement of such grievance (on a form supplied by the Union) to the Superintendent or his designate within two (2) working days after he has received the reply of the immediate supervisor. The nature of the grievance, the Article of the Agreement that has been violated, misapplied or misinterpreted, and the relief or remedy sought shall be clearly set out in the grievance. The wording of the grievance presented at this step may be changed or amended for the purpose of clarification at any time up to and including Step 2 but not thereafter. The Superintendent or his designate, as the case may be, will hold a meeting within three (3) working days, or such other time as may be agreed by the parties, with the grievor and the steward, to discuss the grievance and shall deliver his decision in writing within two (2) working days following the meeting. Failing settlement, then:

STEP 3 Within three (3) working days following the decision under Step No. 2 the written grievance will be forwarded to the ~~Human~~ Resources Manager or his designate who will hold a meeting within five (5) working days, or such other time as may be agreed by the parties, with the grievor and the grievance committee, to discuss the grievance. It is understood that a staff representative of the Union may also be present at the meeting, at the request of either party. The Human Resources Manager or his designate will give his decision in writing within three (3) working days from the date of the meeting.

- 10.04 It is expressly understood that an employee who has a complaint or a grievance shall follow the procedures as outlined in this Article and pending the investigation **and** determination of the validity of such claim shall continue to perform the duties assigned to him by management

(unless he has been suspended or discharged), providing such duties do not jeopardize the life, health or safety of the employee. Disciplinary suspensions will be administered within six (6) weeks.

- 10.05 a) The Union may file a "Policy Grievance" at Step 3 of the grievance procedure. "Policy Grievance" may not be used to bypass the regular grievance procedure. A policy grievance is defined as one which alleges a misinterpretation or violation of a provision, of this Agreement and which, because of the nature or scope of the subject matter, could not otherwise be instituted as an individual employee grievance commencing at Step 1. Such policy grievance shall be filed in writing within seven (7) working days of the initial incident giving rise to the complaint. The grievance must be signed by the Union Business Representative or the Plant Chair.
- b) The Employer shall have the right to lodge a grievance with the Union concerning the meaning, application or interpretation of any provision of this Agreement commencing at Step 3 of the grievance procedure. The grievance shall be filed in writing with the Union by senior management within seven (7) working days of the initial incident giving rise to the complaint. A meeting shall be held between representatives of the Employer and the Union within seven (7) working days of filing of the grievance. The grievance shall be answered in writing by the Union within ten (10) working days of such meeting.
- 10.06 An employee, with seniority, claiming that he has been discharged from employment or suspended without cause shall file a signed, dated, written statement of such grievance setting out the nature of the grievance and the specific remedy sought at Step 3 of the Grievance Procedure providing such grievance is lodged with the Human Resources Manager within three (3) working days of the discharge or suspension.
- 10.07 Saturday, Sunday and Paid Holidays shall not be considered in the calculation of time limits as outlined in this Article.
- 10.08 Any complaint or grievance which is not commenced or processed through the next stage of the Grievance procedure within the time specified shall be deemed to have been dropped and if commenced considered to have been settled on the basis of the Employer's reply to the grievance. However, time limits specified in the Grievance Procedure may be extended by mutual agreement in writing between the Employer and the Union. If no written answer has been given to the grievance within the time limits specified, the employee shall be entitled to submit the grievance to the next stage including arbitration.
- 10.09 Any step of the Grievance Procedure may be waived by mutual agreement in writing between the Employer and the Union.
- 10.10 Decisions arrived at between the Employer, the employee and the Union on the disposition of any specific employee, Union or Employer grievance shall be final and binding upon the Employer, the Union and the employee or employees concerned.

- 10.11 If final settlement of the grievance is not reached at Step 3 then the grievance may be referred in writing by either party to arbitration as provided in Article 11 - Arbitration, at any time within fifteen (15) working days after the final decision is given in Step 3. If no such written request for arbitration is received within the time limits then the grievance shall be deemed to have been abandoned.
- 10.12 Notices required to be in writing shall be deemed to be properly given if given orally or by telephone and confirmed by letter postmarked no later than the final day for giving notice.
- 10.13 The Employer will notify the Chief Steward or his designated representative within one (1) working day if a seniority employee is discharged or suspended.

The Employer will inform the Chief Steward or his designated representative weekly in writing of any discipline issued.

- 10.14 When a grievance which affects the rate of pay of an employee is settled, and as a result of such settlement the employee receives an increase in his rate, the increase shall be paid retroactively to the date on which the complaint was first submitted to the Company in writing or, if an error, the date on which the error occurred. This retroactivity, however, shall be limited to ninety (90) calendar days.

ARTICLE 11 - ARBITRATION

- 11.01 Both parties to this Agreement agree that a properly constituted grievance as defined in Article 10 - Grievance Procedure, paragraph 10.02, which has been properly carried through all the requisite steps of the Grievance Procedure outlined in Article 10 and which has not been settled or abandoned, may be referred to a Board of Arbitration, at the written request of either of the parties hereto.
- 11.02 The Board **of** Arbitration shall be composed of one (1) person appointed by the Employer, one (1) person appointed by the Union and the third (**3rd**) person to act a Chairman chosen by the other two members **of** the Board.
- 11.03 Either party may notify the other party in writing of its desire to submit the difference or allegation to arbitration, and the notice shall contain the name **of** the first party's appointee to a Board of Arbitration. The recipient of the notice shall within ten (10) days inform the other party of the name of its appointee to the Board of Arbitration. The two appointees shall, within ten (10) days of the appointment of the second appointee, appoint **a** third person who shall be Chairman.
- 11.04 Should the appointees fail to agree on a Chairman, the Ministry **of** Labour of the Province of Ontario shall be asked to nominate a person to act as Chairman in accordance with the provision of the Ontario Labour Relations Act.
- 11.05 By mutual agreement the parties may elect to have a single arbitrator hear the matter **in** dispute instead of a three man board. In such case, the party wishing to submit the issue to arbitration,

should indicate in its notice of intent to arbitrate, that it would like the matter heard by a single arbitrator. The recipient of the notice shall inform the other party within ten (10) days of receipt of the notice if it is agreeable or not to the matter being heard by a single arbitrator. If so, the parties shall endeavour to select the single arbitrator. Failing agreement clause 11.04 shall be followed. The single arbitrator shall be bound by all clauses of Article 11 in the same manner as a Board of Arbitration, with the necessary changes being made.

- 11.06 No person may be appointed as an arbitrator who has been involved in any attempt to negotiate or settle the grievance.
- 11.07 The decision of the Board of Arbitration including any decision as to whether the matter is arbitrable, shall be final and binding upon the parties and upon any employee affected by it. In the absence of a unanimous decision the majority shall be accepted as the decision of the Board and in the absence of a majority decision the decision of the Chairman shall be accepted as the decision of the Board.
- 11.08 The Board of Arbitration shall not have jurisdiction to amend, alter, modify, or add to, any of the provision of this Agreement, nor to substitute any new provision in lieu thereof, nor to give any decision inconsistent with the terms and provision of this Agreement.
- 11.09 Each of the parties hereto will bear the fee and expenses of the nominee appointed by it and the parties will equally share the fees and expenses of the Chairman of the Board of Arbitration.
- 11.10 Time limits fixed in this Article may be extended by mutual agreement in writing between the Employer and the **Union**.

ARTICLE 12 - LABOUR-MANAGEMENT MEETINGS

- 12.01 During the term of this Agreement, meetings between a union committee of three (3) employees plus the Business Representative and management may be held once per quarter. The Union and the Employer will submit an agenda of items to be discussed at least one (1) week in advance of the meeting. Meetings may be held at other times by mutual agreement.

ARTICLE 13 - SENIORITY

- 13.01 Seniority is based upon the length of continuous full time employment with the Employer since the last date of hire but adjusted to recognize any periods of absence in which seniority was maintained but did not accumulate.
- 13.02 The Employer agrees to furnish to the Union office and to the chief steward a copy of the current seniority list in January and July of each year. Employees acquiring seniority on the same date shall be added to the seniority list in alphabetical order. Three (3) weeks after the seniority list has been delivered to the Chief Steward, or her designate, except for obvious typographical errors, it shall be conclusively deemed to be correct for all service prior to the date of such list.

13.03 **An** employee shall be considered a probationary employee until he has worked a total of sixty-five (65) days within any continuous twelve (12) month period and during this period he shall have no seniority rights. It is expressly understood by both parties that during the probationary period an employee shall be considered as being employed on a trial basis and may be discharged at any time at the sole discretion of the Employer. The discharge of a probationary employee shall not be the subject of a grievance and/or arbitration pursuant to this Agreement.

On successful completion of the probationary period, an employee shall be placed on regular staff, his name shall be placed on the seniority list and his seniority shall date back sixty-five (65) Employer working days prior to the completion of his probationary period after his last date of hire. Employees acquiring seniority on the same date shall be added to the seniority list in alphabetical order.

13.04 **An** employee's seniority shall be forfeited and his employment shall be deemed to be terminated and there shall be no obligation to rehire under the following conditions:

- a) He voluntarily resigns or quits. An employee shall be deemed to have resigned when:
 - i) he gives written notice of his desire to leave the Employer's employment;
 - ii) he is absent for more than two (2) days without having applied for and obtained a leave of absence for a definite period from the Management, or in case of provable sickness unless the Management is properly notified of such condition by the employee or his agent within the third day of such absence;
 - iii) he fails to report for work at the expiration of a leave of absence without reasonable justification, satisfactory to the Employer, or in case of provable sickness unless the Management is properly notified of such condition by the employee or his agent within the third (3rd) day of such absence.
- b) He retires or is retired.
- c) He is discharged and not reinstated through the Grievance or Arbitration Procedure.
- d) He is laid off for a period in excess of fifteen (15) months.
- e) He fails to respond to recall from layoff within five (5) working days after the Employer has delivered or sent by registered mail a notice of recall to the last address on the Employer's records. The Chief Steward will be given a copy of such letter.
- f) He is absent from work for more than twenty-four (24) months due to accident or illness; or becomes totally and permanently disabled.

13.05 In selecting a candidate to fill a permanent vacancy which the Employer wishes to fill within the bargaining unit, the Employer shall consider:

- i) skill, ability, qualifications
- ii) seniority.

Where the factors in (i) are relatively equal then factor(ii) shall govern.

For the classifications of General Labour, Palletizing, Service, Sanitation and Janitor, in selecting a candidate to fill a permanent vacancy for these five (5) classifications, the Employer shall consider seniority only.

13.06 a) Full Time Job Postings

The Employer will post vacancies in the bargaining unit for three (3) days. The job posting will include the classification, shift, range of pay and major responsibilities. Employees may apply for such posted vacancies provided that an employee who successfully obtains a posted position shall not be eligible to apply for another posting for twelve (12) months from the date he starts his new job. In order to be considered for the posting the employee must be available to commence work in the new job within four (4) weeks of the job being posted. The Employer will fill the position in accordance with Clause 13.05 and will post the name of the successful applicant within five (5) working days.

The first vacancy created by filling the original opening under the job posting procedure shall also be posted within two (2) weeks. Any subsequent vacancies caused by the filling of the first two (2) positions shall not be subject to the job posting procedure and may be filled at the Employer's discretion.

Within ten (10) days of the successful applicant being placed in the new job, the employee will have the right to be returned to his former position. If an employee declines a job posting twice within a twelve (12) month period, the employee is not eligible to apply for another job posting for a twelve (12) month period following the date of the second (2nd) decline.

In the event a grievance involving job posting succeeds, all employees who were involved as a result of the original posting and back up moves will revert to their jobs held immediately prior to the job posting in question.

13.06 (b) Spare Job Postings

Spare job postings will be awarded in accordance with article 13.05.

Those who are awarded and accept a spare position cannot sign another spare posting for twelve (12) months.

The Employer will endeavour to train within three (3) months (note: some positions may require less) and while on training employees will not be used in the overtime rotation in that classification.

At the end of training, the Employer will assess the capability of the applicant in the position.

During the week spares shall be utilized on their shift before posting for overtime.

- 13.07 In determining which employees are to be laid off and recalled from lay-off the Employer shall use the following order:
- (a) all students and probationary employees shall be terminated;
 - (b) seniority employees, provided in all cases that the employees remaining on the jobs have the skill and the ability to perform the required work in an acceptable manner. The Chief Steward will be given a copy of lay-off notices prior to the lay-off coming into effect.
- 13.08 The Employer will give three (3) days' notice or three (3) days' pay in lieu thereof for a lay-off from one (1) day up to four (4) days. The Employer will give one (1) work week of notice or one (1) week's pay in lieu thereof for a lay-off of four (4) or more consecutive work days. **An** employee whose day of layoff is a Friday will be afforded the opportunity for overtime on the following day if available. No notice or pay in lieu of notice shall be required for lay-offs caused by circumstances beyond the control of the Employer.
- 13.09 Notwithstanding clause 13.07 where it is necessary to reduce staff requirements on a temporary basis for one (1) day or less in a week due to lack of work or for reasons beyond the control of the Employer such temporary lay-offs shall be made at the sole discretion of the Employer. During such temporary lay-off, employees will continue to accrue seniority.
- 13.10 The Employer will continue with the practice in place at the time of signing this Agreement with regard to packer line seniority **as** set out in the attached guidelines. This may be changed from time to time by agreement by the parties.

(A signed packer whose line is not scheduled for the shift, becomes a floater.)

13.11 If employees are promoted to positions outside the bargaining unit and are subsequently transferred back to the bargaining unit they shall be credited with seniority equal to their length of continuous full time employment with the Employer.

ARTICLE 14 - LEAVE OF ABSENCE

14.01 Personal Leave

- a) Leave of absence without pay for legitimate personal reasons may be granted to seniority employees at the discretion of management provided that the absence of the employee will not unreasonably affect the efficient operation of the Employer. The granting of leave of absence will depend on the individual case, the urgency of the reason for the request, and the conditions existing in the Company at the time. The request shall be made in writing and the Employer's answer will be in writing.
- b) An employee may request a leave of absence to be taken in conjunction with his regular scheduled vacation or for vacation purposes.

- c) The employee must maintain the cost of benefits if the leave exceeds four (4) weeks' duration.

14.02 **Jury Duty Leave**

During the transition period, trained Utility Relief Persons will have precedence over Spares in work assignment; regular shifts and overtime for Group IV.

If the need for overtime is **known** in advance, overtime will be scheduled following availability of signed spares and skill and ability on the shift requiring overtime for each classification according to the following steps.

- 1) Classification on the current (outgoing) shift.
- 2) Classification on the next (incoming) **shift**.
- 3) Utility Relief/Spare in classification on the current (outgoing) shift.
- 4) Utility Relief/Spare in classification on the next (incoming) **shift**.

In all cases where the overtime is known to be of a full shift duration eight (8) hours, the Employer will attempt to split the overtime, four **(4)** hours to the current shift and four (4) hours to the incoming shift.

If the need for overtime is to cover off previously unknown absences, the employee requested to work overtime may ask the duration of such overtime. The Supervisor will either give **an** indication, in hours or minutes or the supervisor will indicate the duration of the overtime is unknown. Should the supervisor indicate a time frame in hours or minutes, then the Employer will consider that time frame as the minimum amount of overtime to be worked and will remunerate accordingly, The employee will make his decision to work the overtime or not to work the overtime on either scenario.

Weekend overtime opportunities will be scheduled on the basis of a rotating plant seniority list according to the following steps.

- 1) Classification on shift.

Overtime will be mandatory in case of **an** emergency.

17.12 Hours paid for a “paid holiday” shall be considered as hours worked when calculating overtime in such week.

17.13 Employees are hired to work on a specific shift by the Employer as a condition of their employment. The Employer may temporarily assign employees to another **shift**, but it is understood the employee will return to his original **shift** when so directed **by** the Employer.

It is understood this clause does not prevent the Employer from hiring maintenance employees to work on a regular rotating shift schedule in order to meet the needs of the business. Employees promoted or transferred to the maintenance mechanic classification shall work the rotating shift schedule.

Effective March 3, 2002, all regular full time employees on the active payroll of the Employer will receive an increase of twenty-five (\$.25) cents per hour.

Following the increase set out above, employees who are receiving a rate in excess of the rate for their job classification as shown in Appendix "A" will retain such "off-rate" while they continue to work in that job classification.

Retroactivity: All regular full time employees on the payroll of the Employer will receive retroactivity calculated at the rate of thirty (30¢) cents per hour for all hours worked (no compounding) between February 29, 2000 and the Saturday immediately prior to the implementation of the new rates.

During this period (but not after), the Chief Steward may request the rate be negotiated by setting out the request in writing, together with the change required and the reasons for the change.

RE: LETTER OF UNDERSTANDING - GUIDELINES FOR LAY-OFFS

This letter will reconfirm the commitment made by the Company during the 2000 negotiations for the renewal of the Collective Agreement to the effect that during the term of the Agreement which expires February 28, 2003, the parties will use the following guidelines in administering clause 13.07 for lay-offs.

1. In the event of a temporary or seasonal lay-off exceeding one (1) day a seniority employee affected will be allowed to bump the junior employee in his classification.
- ii. Such junior employee displaced from his classification or the original employee, if he is the junior employee in the classification, will be reassigned to perform the work in his Group or a lower rated Group at the sole discretion of the Employer, provided he has the skill, ability, qualifications, prior training and seniority to perform such work in a manner acceptable to the Employer. In such case where the employee is assigned to a lower rated Group at the discretion of the Employer, he shall receive his basic rate from his previous job for up to five (5) months while working in the lower rated Group.  - b) when the lay-off or job displacement exceeds five (5) months. In such case the employee will be paid at the rate of the job he is performing;
 - c) when the Employer considers the lay-off or job displacement to be permanent;

- iii. Junior employee and/or displaced employee, if he does not have the skill, ability, qualifications, prior training and seniority to perform such work in a manner acceptable to the Employer will be laid off.
- iv. Article 24 shall not apply during the period up to five (5) months, however, if the Employer assigns an employee to a higher rated job, the employee will be paid in that group.

POLICY - VACATION SCHEDULING - SPLIT WEEKS

Revised June 25, 2000

In the past, many employees have requested split-week vacations and the Company has not been able to accommodate such requests.

Commencing September 1, 1992 the Company will consider some scheduling of "split-week" vacation.

Approval will depend on the individual case, and on the needs and the conditions existing in the Company at the time.

Approval for split-week vacation will only be considered during the period from September 16th to April 30th.

Consecutive weeks only will be considered for split-week scheduling. e.g. During the first week, Thursday and Friday are scheduled vacation days. During the immediate following week Monday/Tuesday/Wednesday become the scheduled vacation days.

Thus, requests to split vacation among weeks that are not consecutive Will not be considered. Also, requests to split vacation into individual days in different weeks will not be considered.

It should be understood that where many employees work in a classification (e.g. Packer) it may be easier to approve split week vacations than where only a few employees work in a classification (e.g. Mixer).

The scheduling of split-week vacations will only be considered after the vacation schedule has been finalized and posted May 15th each year.

Complaints arising from non-approval of split-week vacation will have no recourse ~~through~~ the grievance procedure.

Dear Sherree,

RE: LETTER OF UNDERSTANDING – MARCH 4, 1998, OVERTIME SCHEDULING

This Letter of Understanding identifies and clarifies a number of practical issues concerning the scheduling of overtime supplemental to article 17.10 of the Collective Agreement. The following has been agreed to by the Company and the Union during the course of discussions between the parties in an effort to improve the process for overtime scheduling. These items were raised as a *summary* of issues experienced during the course of scheduling overtime throughout 1997.

This list includes a number of practical guidelines including some that the Company follows presently and some additional practices that will be followed in future.

Effective June 25, 2000 the Parties agree as follows:

1. **POSTING OF OVERTIME LISTS:** Two lists are posted for each shift (1-Packers; 1-Classified). In addition Overtime lists are identified as either Weekday or Weekend Overtime. For easy identification these lists are colour coded by **shift:** D/S-Pink, E/S-Blue; N/S-Green. Employees are NOT allowed to sign other than their own shift's O/T Posting.
2. **EXPANDED CLASSIFIED LIST: a) FOR W/E O/T** – The Company will **try** to identify classified needs for the shift(s) to be scheduled (subject to change in requirements).
3. **EXPANDED LIST: b) FOR W/D O/T** – Where practicable the Company will post 2 lists: (1)-**COME IN EARLY;** (2)-**STAY OVER.** As a result the Company will take into account each of these indications (as applicable) in recording yes and no's for rotation of overtime. **THERE WILL BE TWO LISTS BUT ONLY ONE ROTATION.**
This provision is dependent on #5 below concerning switching.
4. **SCHEDULING & ROTATION:** When scheduling overtime the Company first reviews the signed overtime list for each regular **shift** in order to meet requirements for that shift. In the event that additional employees are required, (ie., absenteeism and/or last minute cancellations etc.), the Supervisor liaises with Supervisors on the other **shifts** to have them check their signed overtime lists in order to meet the additional need. The required off-shift employees, who signed and did not get an opportunity to work on their regular shift, are then scheduled by plant seniority. In this case the overtime opportunity worked by off-shift employees count in the rotation. However, where **off-shift** employees are scheduled to work in a classification other than their regular classification the O/T opportunity does not count in the rotation.

5. **NO SWITCHING BY EMPLOYEES:** Whether W/E or W/D overtime, employees MUST be able to work the O/T they sign for. Subsequent switching of times and shifts will NOT be allowed.
6. **SHORT NOTICE:** In the case of O/T that becomes known during a shift, the Company will communicate that an O/T posting has been put up – in two way: a) over the **P.A.**; and b) by written note placed on or beside the 2 doors leading from the plant floor or from the shipping area to the Cafeteria area.
7. **SPARES :**
 - a) A Spare cannot be used in their Spare classification if employees are scheduled for O/T work in the Spare's regular classification unless no full-time classified is available for O/T in that classification.
 - b) The use of Spares in a classification does not impact on that classification's W/D or W/E overtime rotation.
8. **MODIFIED WORKERS:** They will be considered for overtime work where the type of work required can be clearly identified in advance and is within the employee's restrictions. In addition the employee must provide medical evidence that substantiates the working of overtime and specifies as to the type and time frame of such work.
9. **COMMUNICATION:** All Supervisors on all **shifts** will have access to the rotation lists. **Union** stewards may have access to the lists for review as required by request to the Supervisor.
10. **OFF SHIFT PHONE CALLS:** The Company will endeavour to communicate with both out-going and in-coming shifts as relates to changes of overtime or the cancellation of overtime. In so doing the Company will make the appropriate notations on its records **as to** times and dates of the calls made.

As a result:

- a) Any employee who has signed for overtime, who was notified according to company records and who then shows up for cancelled O/T will be sent home without pay.
 - b) any employee who has not signed for O/T and who simply shows up for work will be sent home without pay.
11. **CLEANING & SANITATION:** O/T will be scheduled using the following eligibility order:
- a) Sanitation;
 - b) G.L.s;
 - c) Spare G.L.s;
 - d) **All** others by plant seniority.

12. **TRAINING & PROBATION:** Employees who are training, as part of the Train-the-Trainer Programs, will be used ONLY after all other options have been tried and are unsuccessful in securing the required O/T numbers. Where no Train-the-Trainer Programs are established as yet, the Supervisors will continue to make the assessment of capability. Probationary employees will NOT be used for O/T.
13. **THREE (3) MONTH LAPSE TIME:** In the event W/E and W/D O/T has not been run for a period of 3 months, the rotation will begin again at the top of the list.
14. **MAXIMUM HOURS:** It is our intention that employees not work more than 16 hours in a 24-hour period, including regular &/or overtime hours, unless in extreme circumstances.
15. **LENGTH OF O/T SHIFT:** It is suggested that where ever possible the Company will schedule additional overtime shifts in four hour increments. In so doing double shifts could be avoided and the sixteen hour maximum limit more easily achieved. The length of shift has no affect on rotation.
16. **MISSED OPPORTUNITIES:** Will be dealt with on a to-be-worked basis (to be scheduled within a four-week period. On a trial basis – exceptions can only be made by agreement of the Company and the Union.) All missed opportunities are to be cleaned up by the calendar year end. Once per quarter the Company and the Union will review the missed opportunities outstanding with a view to having these worked in the following quarter.
17. **SUNDAY NIGHT PRACTICE:** This relates to the longstanding practice of scheduling overtime for eight (8) hours only (instead of attempting to split the overtime in four (4) hour shifts) as there is no outgoing/current shift available on Sunday nights. The practice in this case is to rotate the eight (8) hour overtime from week to week between day shift and afternoon shift employees.

The parties have agreed to continue to administer this practice on the alternating eight (8) hour shift basis only on Sunday nights.

The current practice for Sunday night generally involves the following sequence on the shift whose turn it is:

- classified employees, signed spares, then if insufficient
- go to the opposite shift classified employees, signed spares, then
- employees with skill, ability and qualifications on the shift whose turn it is, then
- employees with skill, ability and qualifications on the opposite shift whose turn it is.

Kim Weir
