COLLECTIVE AGREEMENT

between:

**SPRUCE LODGE HOME FOR THE AGED
(hereinafter called the "Employer")
OF THE FIRST PART**

- and -

**CANADIAN UNION OF PUBLIC EMPLOYEES,
AND IT'S LOCAL 2166
(hereinafter called the "Union")
OF THE SECOND PART**

ARTICLE 1 - PURPOSE

- 1.01 The purpose of this agreement is to provide orderly collective bargaining relations between the Employer and the Union, to secure a prompt and fair disposition of grievances, to promote harmonious relationships between the parties and ensure the efficient operation of the Home for the Aged.
- 1.02 It is recognized that employees wish to work together with the Employer to secure the best possible care for residents of the Home for the Aged.

ARTICLE 2 - RECOGNITION

- 2.01 The Employer recognizes the Union as the sole bargaining agent for all employees of the Employer at Stratford, save and except supervisors, persons above rank of supervisor, registered and graduate nurses, office and clerical staff, students employed during the school vacation period, and persons employed pursuant to arrangements with Ontario Works.
- 2.02 It is understood and agreed that the Employer will employ no more than a maximum of five (5) persons under arrangements with Ontario Works, and that such persons will not perform work normally performed by members of the bargaining unit.
- 2.03 Persons who do not come within the bargaining unit shall not normally perform the work of employees in the bargaining unit except in cases of emergency or for the purposes of instructing employees or in the case of residents performing odd jobs around the Home as therapy, so long as the performance of these odd jobs does not result in the lay-off of any employee or prevent the recall of any employee in the bargaining unit.

- 2.04 The employer will arrange for a union representative to meet with all newly hired employees at some point during their orientation period. The meeting may be up to fifteen (15) minutes in length. The Employer agrees to discuss with the union representative the timing and location of the meeting. Where there is more than one (1) employee attending, the union representative will be informed in advance.

ARTICLE 3 - MANAGEMENT RIGHTS

- 3.01 Except as specifically and clearly abridged, delegated, granted or modified by this agreement, all the rights, powers and authority of management are retained by management and remain exclusively within the rights of management. Without limiting the generality of the foregoing, it is the exclusive function of the Employer to:
- a) maintain order, discipline and efficiency;
 - b) hire, assign, discharge, direct, promote, demote, classify, transfer, lay off, recall and suspend or otherwise discipline employees subject to the right of the employee to grieve to the extent and manner provided herein if the provisions of this agreement are violated in the exercise of these rights;
 - c) direct the working forces; plan, direct and control the operation of the Home for the Aged; introduce new and improved methods, facilities and equipment; determine the amount of supervision necessary; prepare work schedules; establish standards and quality of care; determine the extent to which the Home for the Aged will be operated;
 - d) make and enforce and alter from time to time rules and regulations to be observed by the employees and which shall not be inconsistent with the provisions of this agreement.

The Employer agrees that these functions will not be exercised in a manner inconsistent with the provisions of this agreement.

ARTICLE 4 - STRIKE OR LOCKOUT

- 4.01 The Employer agrees that there will be no lockout of employees, and the Union agrees that there will be no strike, picketing or other interference with the operation of the Home for the Aged.

ARTICLE 5 - RELATIONSHIP

- 5.01 The Employer and the Union agree that there will be no intimidation, interference, discrimination, restriction or coercion exercised or practised upon or against any employee because of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, age, record of offence, marital status, same-sex partnership status, family status or disability, union membership or non membership in

the union or union activity. RSO 1990, c.H.19, s 5(1); 1999, c. 6, s. 28(5); 2001, c.32, s.27(1).

- 5.02 The Employer shall deduct from all employees from each pay and from the date of hire a sum equal to the regular Union dues. All employees shall, as a condition of employment, be required to authorize the Employer on a form provided for this purpose to deduct and remit to the Union.

The Union shall notify the Employer in writing of the amount of such dues from time to time. The Employer will send to the Union National Office once each month, by the 20th day of each month, its cheque for the dues deducted under this clause, together with a list of the names of the employees from whom such deductions have been made. The Union shall indemnify and save the Employer harmless with respect to all dues so deducted and remitted.

- 5.03 All present employees of the Employer who are members of the Union must maintain their membership as a condition of employment. All new employees must join the Union upon completion of the probationary period and maintain membership as a condition of employment.
- 5.04 All correspondence between the parties arising out of this agreement or incidental thereto, shall pass to and from the Administrator, and the President and Recording Secretary of the Union.
- 5.05 No employee shall be required or permitted to enter into a verbal or written agreement with the Employer which conflicts with the terms of this collective agreement unless agreed to by the parties.

ARTICLE 6 – UNION REPRESENTATION

- 6.01 a) The Employer will recognize a Chief Steward and stewards from each of the following areas of the Home for the Aged:
- **three stewards** from Resident Care Department, **one of whom must be from the RPN classification;**
 - one steward from Nutrition Services Department;
 - one steward from the Life Enrichment Services Department;
 - one steward from the Support Services Department;
 - one steward from Environmental Services Department.
- b) In addition to the stewards, the Employer will also recognize an employee as the Union's WSIB representative.
- c) Stewards and the representatives identified above shall be elected and/or appointed by the Union from among employees who have completed their probationary period.

The Union shall keep the Employer informed in writing of the names of the stewards as well as the names of the other Union representatives and the effective date of their terms of office. The Employer will advise the Union, in writing, of the names of the supervisory personnel.

- 6.02 The Union acknowledges that stewards have their regular duties to perform on behalf of the Employer and that such persons shall not leave their regular duties without having first secured permission from their supervisor, which permission shall not unreasonably be withheld.
- 6.03 The Employer will recognize a grievance committee composed of the President of the Local Union, the Chief Steward, and the particular steward having carriage of the particular grievance concerned. The function of the grievance committee shall be to process grievances after Step 1 of the grievance procedure.
- 6.04 The Employer will recognize a Union negotiation committee of not more than three (3) employees for the purpose of bargaining for the renewal of this agreement in accordance with Article 25.01. Employee members of such committee shall suffer no loss of pay at any meetings with the Employer. It is understood and agreed that not more than two (2) members of such committee shall be from the same department. The Union shall inform the Employer in writing of the names of the members of such committee and changes therein from time to time prior to any meeting with the Employer.

The Employer agrees to pay members of the Negotiating Committee for straight time wages lost from scheduled working hours spent in direct negotiations with the Employer for a renewal agreement up to and including conciliation, but not thereafter.

6.05 Labour-Management Committee

Labour-management meetings will be held quarterly, or more regularly as the parties agree is necessary. Each party will switch on a rotating basis the responsibility for providing an agenda (at least one (1) week in advance of the meeting) and minutes (no later than one (1) week after the meeting). **The committee shall consist of an equal number of representatives from the Employer and the Union, with three (3) bargaining unit members elected or otherwise selected by the Union and three (3) Employer representatives appointed by the Employer.** Should **either party** require **an additional representative to attend a meeting, which may include the National Representative of the Union**, it will be decided and agreed in advance, with as much notice as possible. **In the event that either party brings an additional representative to a meeting, the other party may also bring an additional representative for that meeting or agenda item.**

- 6.06 The Union Grievance Committee and Labour Management Committee shall have the right to request the assistance and attendance of the National Representative at any time in meeting with the Employer to address matters arising from the collective agreement or any applicable legislation. The National Representative must obtain permission in advance from the Employer to have access to the Employer's premises and such permission shall not be unreasonably withheld.

ARTICLE 7 - GRIEVANCE PROCEDURE

7.01 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he or she has given his or her Manager or designate an opportunity to adjust the complaint. If an employee has a complaint, he or she shall discuss it with his or her Manager or designate within five (5) working days after the circumstances giving rise to the complaint have originated or occurred and, failing settlement, it may then be taken up as a grievance within ten (10) working days following advice of the Manager or designate's decision in the following manner and sequence. The grievance shall state the nature of the grievance and the remedy sought:

Step No. 1:

The employee, with the assistance of his or her steward, may submit a written grievance, signed by the employee and by a steward, to the Business Manager or designate. The grievance shall state the nature of the grievance and the remedy sought. The Business Manager or designate will deliver his or her decision in writing within seven (7) working days following the date on which the grievance was presented. Failing settlement, the grievance will proceed to Step No. 2.

Step No. 2:

Within seven (7) working days following the decision under Step No. 1, the Union may submit the written grievance to the Administrator or designate, at which time the matter will be reviewed and a decision in writing will be given within seven (7) working days from the date on which the written grievance was lodged with him or her. The Union or the Employer may request a meeting with the other to discuss a grievance at Step No. 2 at a time and place mutually agreeable. A representative of the Union and the grievance committee may be present at such meeting.

7.02 A complaint or grievance arising directly between the Employer and the Union concerning the interpretation, application or alleged violation of the agreement (which would not normally be grieved by an individual employee), or a grievance involving a group of employees shall be originated under Step No. 2. Failing settlement under Step No. 2 within fifteen (15) working days, it may be submitted to arbitration in accordance with Article 8. Any grievance by the Employer or Union as provided in this paragraph 7.02 shall be commenced within ten (10) working days of the circumstances giving rise to the complaint.

7.03 Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application or alleged violation of this agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as set forth in Article 8. If no written request for arbitration is received within fifteen (15) working days after the decision under Step No. 2 is given, it shall be deemed to have been settled and not eligible for arbitration.

- 7.04 All agreements reached under the Grievance Procedure between the representatives of the Employer and representatives of the Union will be final and binding upon the Employer and the Union and the employees.
- 7.05 Where no answer is given within the time limits specified in the Grievance Procedure, the employee concerned and the Union and the Employer shall be entitled to submit the grievance to the next step of the Grievance Procedure. Any grievance not processed within the time limits specified in the Grievance Procedure or in accordance with this Article 7 shall be deemed to have been settled and ineligible for arbitration.
- 7.06 Grievances about layoff start with a written grievance lodged at Step No. 2.
- 7.07 The parties may agree that there are circumstances where the services of a grievance mediator may allow for an objective, independent review of the issues in dispute and assist the parties in resolving grievances.

The parties agree to share the costs of the mediation. By mutual agreement, the parties may agree to use the services of a mediator and extend the time limits for the appointment of the arbitration board if such is required.

- 7.08 "Working days" for the purposes of this collective agreement shall be defined as excluding Saturdays, Sundays, and any of the designated non-float holidays listed under Article 15.

ARTICLE 8 - ARBITRATION

- 8.01 If the employer or the Union requests that a grievance as above provided be submitted to arbitration, it shall make such request in writing addressed to the other party to this agreement and, at the same time, nominate a nominee. Within five (5) working days thereafter, the second party shall nominate a nominee and notify the first party. The two (2) nominees so nominated shall, within five (5) working days of the nomination of the latter of them, attempt to select by agreement a third person to be a member and chairman of the arbitration board. If they are unable to agree on such a chairman, they may then request the Minister of Labour for the Province of Ontario to appoint a chairman. In the event of default by either party in nominating its representative to the arbitration board, the other party may apply to the Minister who shall have power to effect such appointment.
- 8.02 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance except as mutually agreed between the parties.
- 8.03 The arbitration board shall not have jurisdiction to amend, modify, ignore or add to any of the provisions of this agreement, or to substitute any new provisions in lieu thereof, nor to give any decision inconsistent with the terms and provisions of this agreement.
- 8.04 No matter may be submitted to arbitration which has not been properly carried through the Grievance Procedure, except that the parties may agree in writing to extend the time limits fixed in both the Grievance and Arbitration Procedures.

- 8.05 The decision of the majority of the arbitration board will be final and binding upon the parties hereto and the employees and, if there is no majority, the decision of the chairman will govern.
- 8.06 Each of the parties hereto will bear the expenses of the nominee appointed by it, and the parties will jointly bear the fees and expenses of the chairman of the arbitration board.
- 8.07 Notwithstanding the above, the parties may, by mutual agreement, substitute a single arbitrator for a three (3) person board of arbitration.

ARTICLE 9 - DISCHARGE, DISCIPLINE, AND SUSPENSION GRIEVANCES

- 9.01 A claim by an employee who has completed his or her probationary period that he or she has been unjustly suspended, and/or discharged shall be treated as a grievance if a written statement of such grievance is lodged at Step No. 2 of the Grievance Procedure within seven (7) working days after the employee ceases to work for the Employer. Whenever the employer requests a meeting between itself and an employee(s) regarding discipline and work performance, the employee(s) has the right to request representation by the Union at this meeting.

Where the meeting is disciplinary in nature, the employee will be informed of this right in advance, and the Union will be advised such meeting is going to occur.

- 9.02 Such special grievance may be settled under the Grievance and Arbitration Procedures by:
- (a) confirming the Employer's action in dismissing the employee; or,
 - (b) reinstating the employee with full compensation and seniority for the time lost; or,
 - (c) by any other arrangement which is just in the opinion of the parties or the arbitration board, if appointed.
- 9.03 Each employee shall have reasonable access to their personnel file for the purpose of reviewing any evaluations or formal disciplinary notations contained therein, in the presence of the employee's Supervisor or the Business Manager. An employee has the right to request copies of any evaluations or formal disciplinary notations in his/her file. The request must be in writing.
- 9.04 Any letter of reprimand, suspension, or other sanction, other than that which is rendered for resident abuse, will be removed from the record of any employee eighteen (18) months following the receipt of such letter, suspension, or other sanction, provided that the employee's record has been discipline free for such eighteen (18) month period. Leaves of absence in excess of thirty (30) continuous calendar days will not count toward the eighteen (18) month period.

In instances where disciplinary sanctions are imposed for resident abuse the following will occur:

- (a) The employee shall have an opportunity to submit a "statement of events" which will be attached to the disciplinary record.
- (b) At eighteen (18) month intervals, and providing that the employee's record has been discipline free for such eighteen (18) month intervals, the Employer, the Union and the employee will meet to review the disciplinary record. The Employer will consider the removal of the disciplinary sanction. Such consideration will not be conducted in an arbitrary manner.

ARTICLE 10 - SENIORITY

- 10.01 a) Full-time employees and those regular part-time employees and students who were hired on or before October 28, 2010 will accumulate seniority and service on the basis of their continuous service with the Employer since last date of hire, except as otherwise provided herein.
- b) Regular part-time employees and students who are hired after October 28, 2010 will accumulate seniority and service on the basis of hours worked for the Employer since last date of hire, except as otherwise provided herein. For the said employees, 1740 hours worked since last date of hire shall be equivalent to one year of seniority and service, except as otherwise provided herein
- c) Casual employees accumulate service, but not seniority, while employed in their casual status. Casual employees hired on or before October 28, 2010 accumulate service on the basis of their continuous service with the Employer since last date of hire, except as otherwise provided herein. Casual employees hired after October 28, 2010 accumulate service on the basis of hours worked for the Employer since last date of hire, except as otherwise provided herein, with 1740 hours worked since last date of hire equivalent to one year of service

Upon transfer to full-time or regular part time, casual employees are credited with seniority. Casual employees hired on or before October 28, 2010 are credited with seniority on the basis of continuous service since last date of hire, except as otherwise provided herein. Casual employees hired after October 28, 2010 will be credited with seniority on the basis of hours worked since last date of hire, except as otherwise provided herein, with 1740 hours worked since last date of hire equivalent to one year of service

- 10.02 Effective October 28, 2010, an employee whose status is changed from full-time to regular part-time shall receive credit for his seniority and service on the basis of 1740 hours worked of part-time seniority and service for each one (1) year of full-time seniority and service. A regular part-time employee hired after October 28, 2010 whose status is changed to full-time shall receive credit for his seniority and service on the basis of one (1) year of full-time seniority and service for each 1740 hours worked as a regular part-time employee. It is further understood that a student or casual who is hired after October

28, 2010 will be credited with seniority and service upon transfer to full-time on the basis of one (1) year of full-time seniority and service for each 1740 hours worked as a student or casual and if transferring to regular part-time status will be credited with their hours worked for seniority and service purposes.

- 10.03 a) An employee will be considered on probation and will not be subject to the seniority provisions of this agreement, nor shall his or her name be placed on the seniority list until after he or she has completed 45 days worked with the Employer. Upon completion of such probationary period, the employee's name shall be placed on the appropriate seniority list with seniority calculated in accordance with Article 10.01. The dismissal of a probationary employee shall not be the subject of a grievance.
- b) Probationary periods will not be extended unless by mutual agreement and with notification to the Union, in writing, and outlining the reasons for the extension, prior to the end of the employee's probationary period.
- 10.04 The Employer will post a seniority list twice each year showing the seniority standing of each employee as at March 15th and September 15th in each year. The Employer will forward a copy of such list to the Secretary of the Union at the time of posting.

A separate seniority list shall be kept for the regular part-time employees from that kept for the regular full-time employees.

- 10.05 A person shall lose all seniority and shall be conclusively deemed to have terminated employment with the Employer if he or she:
- (a) voluntarily quits the employ of the Employer; or,
 - (b) is discharged and such discharge is not reversed through the Grievance Procedure; or,
 - (c) fails to report for work within three (3) working days after being notified by the Employer to report for work following a lay-off, unless a reason satisfactory to the Employer is given; or,
 - (d) is absent for three (3) consecutive working days unless a reason satisfactory to the Employer is given; or,
 - (e) is absent due to lay-off of more than twenty-four months; or,
 - (f) fails to return to work upon the termination of an authorized leave of absence unless a reason satisfactory to the Employer is given or utilizes a leave of absence for the purposes other than those for which the leave of absence was granted, unless a reason satisfactory to the Employer is given; or,
 - (g) is absent from work due to sickness or accident for more than twelve months in the case of employees with less than two years seniority and twenty-four months in the case of those with two or more years of seniority, and thirty months in the

case of a person on a Workplace Safety and Insurance Board claim. In applying this provision, the Employer will abide by the Ontario Human Rights Code.

10.06 Notice of Layoff:

.01 In the event of a proposed layoff of a permanent or long-term nature of more than thirteen (13) calendar weeks, the Employer will provide affected employees with notice in accordance with the Employment Standards Act. However, the Employment Standards will be deemed to be amended to provide notice to the affected employee as follows:

- if his/her service is greater than 9 years - 9 weeks notice
- if his/her service is greater than 10 years - 10 weeks notice
- if his/her service is greater than 11 years - 11 weeks notice
- if his/her service is greater than 12 years - 12 weeks notice

Consistent with the opportunity to chain bump, all employees who are potentially impacted will be given notice of layoff at the outset of the process.

Layoff Process

.02 Layoff Procedure:

- a) In the event of layoff, the Employer will layoff employees within the affected classification(s) in the reverse order of their seniority as hereinafter provided, provided that there remain on the job employees who have the ability and qualifications to perform the work.
- b) A full-time employee who is subject to layoff shall have the right to either:
 - i) accept the layoff; or
 - ii) displace a full-time employee who has lesser bargaining unit seniority in the same classification or in a lower or an identical paying classification in the bargaining unit if the employee originally subject to layoff is qualified for and can perform the duties of the same, lower or identical paying classification without training other than orientation. [Such employee so displaced shall be laid off and shall be given the rights as set out in .02 b)]; or
 - iii) displace a regular part-time employee who has lesser bargaining unit seniority and who is in the same classification or in a lower or an identical paying classification in the bargaining unit if the employee originally subject to layoff is qualified for and can perform the duties of the same, lower or identical paying classification without training other than orientation [Such employee so displaced shall be laid off and shall be given the rights as set out in .02 c) below]; or

- iv) In the event that there are no employees with lesser seniority in the same or a lower or identical paying classification, as defined in this article, a laid off full-time employee shall have the right to displace another employee with lesser seniority who is the least senior employee in a classification where the straight time hourly rate at the level of service corresponding to that of the employee is within 3% of the laid off employee's straight time hourly rate of pay provided that she/he is qualified for and can perform the work without training other than orientation.

[NOTE: In this Article, an identical paying classification shall include any classification where the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is within one percent (1%) of the laid off employee's straight time hourly wage rate.]

- v) The decision of the full-time employee to choose .02 b) i) or ii) or iii) or, if applicable, to choose .02 b) i) or iv), shall be given in writing to the Administrator within **five (5)** calendar days following the notification of layoff, and where the employee elects to displace another employee, the employee will also advise the Employer in writing as to the position claimed within the same **five (5)** calendar day period. Employees failing to so notify the Administrator of their election will be deemed to have accepted the layoff.
- c) A regular part-time employee who is subject to layoff shall have the right to either:
 - i) accept the layoff; or
 - ii) displace a regular part-time employee who has lesser bargaining unit seniority and who is in the same classification or in a lower or an identical paying classification in the bargaining unit if the employee originally subject to layoff is qualified for and can perform the duties of the same, lower or identical paying classification without training other than orientation [Such employee so displaced shall be laid off and shall be given the rights as set out in .02 c); or
 - iii) In the event that there are no part-time employees with lesser seniority in the same or a lower or identical paying classification, as defined in this article, a laid off regular part-time employee shall have the right to displace another regular part-time employee with lesser seniority who is the least senior regular part-time employee in a classification where the straight time hourly rate at the level of service corresponding to that of the employee is within 3% of the laid off employee's straight time hourly rate of pay provided that she/he is qualified for and can perform the work without training other than orientation.

[NOTE: In this Article, an identical paying classification shall include any classification where the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is within one percent (1%) of the laid off employee's straight time hourly wage rate.]

- iv) The decision of the regular part-time employee to choose .02 c) i) or ii) above or, if applicable, to choose .02 c) i) or iii), shall be given in writing to the Administrator within **five (5)** calendar days following the notification of layoff, and where the employee elects to displace another employee, the employee will also advise the Employer in writing as to the position claimed within the same **five (5)** calendar day period. Employees failing to so notify the Administrator of their election will be deemed to have accepted the layoff.

.03 Recall Rights

- a) An employee shall have opportunity of recall from a layoff to an available opening provided she has the ability and qualifications to perform the work.

In determining the ability and qualifications of an employee to perform the work for the purposes of the paragraph above, the Employer shall not act in an arbitrary manner.

The Job Posting Process shall apply prior to the exercise of recall rights. Employees who are on layoff shall have the right to apply to job postings. If a laid off employee bids for and is successful in obtaining a job posting, he or she will have no further rights with regard to recall.

- b) An employee recalled to work in a different classification from which she was laid off shall have the privilege of returning to her former classification if a vacancy should arise within the said classification within six (6) months of being recalled.
- c) No new employees shall be hired until all those laid off who have the qualifications and ability to perform the work have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision.
- d) It is the sole responsibility of the employee who has been laid off to report to work within three (3) days after being notified to do so by the Employer by registered mail (which notification shall be deemed to have been received on the second date of mailing). The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his proper address being on record with the Employer.

- e) Employees on layoff shall be given preference for temporary vacancies which are expected to exceed thirty (30) days of work, provided that they are qualified and are able to perform the work.

.04 Benefits on Layoff

In the event of a layoff, provided that the employee deposits with the Employer her share of the premiums, if any, for the succeeding months (except for Weekly Indemnity which is not available to an employee during layoff), the Employer will pay its share of the insured benefits premiums for full-time employees for the insured health plans in which the employee was enrolled for a period up to three (3) months from the date of layoff or until the laid off employee is employed elsewhere, whichever occurs first.

10.07 Effect of Absence

Whenever they are used in the Collective Agreement, the terms seniority and service shall be defined as in 10.01 subject to the following conditions:

- a) It is understood that during an approved absence not paid by the Employer not exceeding thirty (30) continuous calendar days or during any approved absence paid by the Employer, seniority and service will accrue.
- b) During an approved absence not paid by the Employer exceeding thirty (30) continuous calendar days, credit for service for purposes of salary increment, vacation progression, or any other benefits under any provisions of the Collective Agreement or elsewhere, shall be suspended; the benefits concerned appropriately reduced on a pro-rata basis. In addition, the employee will become responsible for full payment of subsidized employee benefits in which he/she is participating for the period of the absence. Notwithstanding this provision, credit for service for pregnancy and parental leave shall be as in accordance with the Employment Standards Act.
- c) It is further understood that during such approved leave not paid by the Employer as provided for in b) above, credit for seniority for purposes of promotion, demotion, transfer or lay-off shall be suspended and not accrue during the period of absence.

Notwithstanding this provision seniority shall accrue for a period of thirty (30) months if an employee's absence is due to a disability resulting in W.S.I.B. benefits. Credit for seniority for pregnancy and parental leave shall be in accordance with the Employment Standards Act.

d) Benefits/Workers' Compensation Board, Paid Leave

The Employer shall continue to pay its share of premiums for benefit plans for full-time employees who are on an approved leave of absence paid by the Employer or on Workers' Compensation leave if the employee continues her contribution towards said benefits.

It is understood that the obligation of the Employer, to pay the aforesaid benefits while an employee is on Workers' Compensation leave, shall continue for a maximum duration of up to thirty (30) months following the date of the injury.

[NOTE: It is agreed that this Article shall be interpreted consistent with the Ontario Human Rights Code]

ARTICLE 11 - JOB POSTING

11.01 The Employer shall post all job vacancies within one (1) month of the vacancy for a period of five (5) days (exclusive of Saturdays, Sundays and holidays) before any such job is permanently filled, unless the employer advises the Union in writing that it does not intend to fill the vacancy. The Employer agrees not to hire a person from outside the bargaining unit to fill a posted vacancy until applications from employees have been considered.

Employees will be limited to a maximum of two (2) changes through the job posting process each calendar year unless the limit would prevent an employee from changing his/her status (full-time to part-time or vice versa).

In matters of filling Job Postings, the senior applicant with the necessary skill, ability, efficiency and physical capacity to perform the work will be the successful candidate.

11.02 No employee shall be transferred to a position outside of bargaining unit without his or her consent. If the employee is later transferred back into a position in the bargaining unit within one (1) year after being transferred out of the bargaining unit, such employee shall be credited with the seniority which he or she had accumulated as at the date the employee previously ceased to be a member of the bargaining unit.

11.03 a) An employee who applies for a posted job which results in a transfer or promotion to a different employment status (ie. full-time, regular part-time or casual) or to a different classification shall be subject to a trial period of thirty (30) days worked.

An employee who applies for a posted job that results in a transfer which does not involve either a change in employment status or a change in classification shall be subject to a trial period of ten (10) days worked, if a full-time employee, or five (5) days worked if a regular part-time employee.

b) Notwithstanding a) above, within the Resident Assistant classification where an employee within the Kitchen Resident Assistant position applies for a job posting in the Resident Assistant position, and vice versa, the thirty (30) day trial period in a) above applies. Furthermore, within the Maintenance classification, where an employee within the Night Watchman position applies for a job posting in the Maintenance position, and vice versa, the thirty (30) day trial period in a) above applies.

- c) Upon successful completion of the applicable trial period, the employee shall be confirmed in the appointed position. Should the employee be unsuccessful in completing the trial period satisfactorily or should he/she be unable or unwilling to continue in the position, he/she shall be returned to his/her previous position at the wage level he/she had immediately prior to appointment without loss of seniority.

Employees who have been transferred by reason of such appointment shall be returned to their former position and any employee who has been hired from outside may be laid off.

An employee who wishes to apply for a posted job must fill out a letter of intent form and submit it to the Nursing Administrative Assistant, where it will be date stamped and a receipt returned.

The employer shall have the right to fill any permanent vacancy on a temporary basis until the posting procedure provided herein has been complied with and arrangements have been made to permit the successful applicant selected to fill the vacancy to be assigned to the job. The employer will use their best efforts to ensure that the successful applicant is placed as quickly as possible.

- 11.04 Temporary vacancies which are expected to exceed three (3) calendar months will be posted and filled in accordance with the provisions of this article 11, except as provided below:

In matters of filling posted temporary vacancies which are expected to be of six (6) months or lesser duration, the Employer will first consider those employee applicants who work within the Department in which the temporary vacancy arises, applying the selection criteria set out in Article 11.01 to those applicants. If the Employer is unable to fill such temporary vacancy from those applicants who work within the Department, then the Employer will next consider the employee applicants from outside of the Department, applying the selection criteria set out in Article 11.01. Where such vacancy extends beyond six (6) months, the parties may by mutual agreement extend the successful incumbent's filling of the vacancy.

The last paragraph of Article 11.01 will continue to govern the filling of temporary vacancies expected to exceed six (6) months duration.

ARTICLE 12 - LEAVE OF ABSENCE

- 12.01 Leaves of absence for legitimate personal reasons may be granted by the Employer upon written request provided that the Employer is able to satisfy its staffing requirements. Such leave will not be unreasonably denied.

12.02 Jury and Witness Duty

If an employee is required to serve as a juror in any court of law, or is required to attend as a witness in a court proceeding in which the Crown is a party, or is required by

subpoena to attend a court of law, or coroner's inquest in connection with a case arising from the employee's duties at Spruce Lodge, the employee shall not lose regular pay because of such attendance, provided that the employee:

- a) notifies the Employer immediately of the employee's notification that he/she will be required to attend court;
- b) presents proof of service requiring the employee's attendance; and
- c) deposits with the Employer the full amount of compensation received, excluding mileage, travelling and meal allowance, and an official receipt thereof.

12.03 .01 Pregnancy and parental leaves will be granted in accordance with the Employment Standards Act of Ontario unless otherwise amended.

.02 Pregnancy Leave

- a) An employee who is pregnant shall be entitled, upon application, to pregnancy leave and parental leave immediately thereafter. Pregnancy leave shall be granted for 17 weeks as provided in the Employment Standards Act, and may begin no earlier than 17 weeks before the expected birth date.

The employee shall give the Employer two (2) weeks notice, in writing, of the day upon which she intends to commence her leave of absence, unless impossible, and furnish the Employer, if requested, with a certificate of a legally qualified medical practitioner stating that she is pregnant and giving the estimated day upon which delivery will occur.

- b) The employee must have started employment with her Employer at least thirteen (13) weeks prior to the expected date of birth.
- c) The employee shall give at least two (2) weeks' notice of her intention to return to work. The employee may, with the consent of the Employer, shorten the duration of the leave of absence requested under this Article upon giving the Employer two (2) weeks' notice of her intention to do so, and furnishing the Employer with a certificate of a legally qualified medical practitioner stating that she is able to resume her work.

Additional leave of absence may be taken under Article 12.03.10, Parental Leave.

.03 An employee who does not apply for leave of absence under Article 12.03.02 (a) and who is otherwise entitled to pregnancy leave, shall be entitled to and shall be granted leave of absence in accordance with Article 12.03.02 (a) upon providing the Employer, before the expiry of two (2) weeks after she ceased to work, with a certificate of a legally qualified medical practitioner stating that she was not able to perform the duties of her employment because of a medical condition arising

from her pregnancy, and giving the estimated day upon which, in his opinion, delivery will occur or the actual date of her delivery.

- .04 During the period of leave, the Employer shall continue to pay the Employer's portion of hospital, medical, dental, group life, pension and other benefits included and prescribed by the Employment Standards Act unless the employee gives the Employer written notice that the employee does not intend to pay the employee contributions.
- .05 An employee who intends to resume her employment on the expiration of the leave of absence granted to her under this Article shall so advise the Employer when she requests the leave of absence.

If a full-time employee returns to work at the expiry of the normal maternity or adoption leave, and the employee's former position still exists, the employee will be returned to her former position and, if it still exists to her former line rotation.

- .06 When the Employer has suspended or discontinued operations during the leave of absence and has not resumed operations upon the expiry thereof, the Employer shall upon resumption of operations, reinstate the employee to her employment or to alternate work in accordance with the established seniority system of the Employer in existence at the time the leave of absence began and in the absence of such system shall reinstate the employee in accordance with the provisions of Article 12.03.05.
- .07 Such absence is not an illness under the interpretation of this Agreement, and sick leave credits cannot be used.
- .08 Credits for service for the purpose of salary increments, vacations, or any other benefit included and prescribed under the Employment Standards Act shall continue and seniority shall accumulate during the leave.
- .09 Upon expiry of seventeen (17) weeks pregnancy leave, an employee may immediately commence parental leave, as provided under Article 12.03.11 of this agreement. The employee shall give the Employer at leave two (2) weeks' notice, in writing, that she intends to take parental leave.
- .10 An employee on pregnancy leave who is in receipt of Employment Insurance pregnancy leave benefits shall be paid a supplemental Employment Insurance Benefit.

That benefit will be the equivalent to the difference between seventy-five percent (75%) of her regular weekly earnings and the sum of her weekly rates of Employment Insurance Benefits. In any week, the total amount of SUB payments and the weekly rate of E.I. benefits will not exceed seventy-five percent (75%) of the employee's regular weekly earnings.

Vested Interest - Employees do not have a right to SUB payments except for supplementation of E.I. benefits during the unemployment period as specified in the plan.

Other Income - Payments in respect to guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under this plan.

Such payment shall commence after the two (2) week employment insurance waiting period and shall continue while the employee is in receipt of such benefits for a maximum period of fifteen (15) weeks.

The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours.

The regular hourly rate shall be calculated to include all of the employee's insurable earnings as defined by the Employment Insurance System.

The SUB top-up by the Home would not take into account E.I. insurable earnings from sources other than this facility.

.11 Parental Leave

- a) An employee who becomes a parent, and who has been employed for at least thirteen (13) weeks immediately preceding the date of the birth of the child or the date the child first came into care or custody of the employee, shall be entitled to parental leave.
- b) A "parent" includes: the natural mother or father of the child; a person with whom a child is placed for adoption and a person who is in a relationship with the parent of the child and who intends to treat the child as his or her own.
- c) Parental leave must begin no later than fifty-two (52) weeks after the day the child is born or comes into the custody, care and control of the parent for the first time. For employees on pregnancy leave, parental leave will begin immediately after pregnancy leave expires. Parental leave shall be granted for up to thirty-five (35) weeks in duration if the employee also took pregnancy leave and thirty-seven (37) weeks in duration if she did not.
- d) The employee shall give the Employer two (2) weeks written notice of the date the leave is to begin.

Parental leave ends as provided for in c) above or on an earlier day if the employee gives the employer at least four (4) weeks written notice of that day.

- e) For the purposes of parental leave under 12.03.11, Parental Leave, the provisions under 12.03.01, .04, .05, .06, .07, .08, and .09 shall also apply.
- f) **Effective December 15, 2015, an employee on parental leave who is in receipt of Employment Insurance parental leave benefits shall be paid a supplemental Employment Insurance Benefit.**

That benefit will be the equivalent to the difference between seventy-five percent (75%) of her regular weekly earnings and the sum of her weekly rates of Employment Insurance Benefits. In any week, the total amount of SUB payments and the weekly rate of E.I. benefits will not exceed seventy-five percent (75%) of the employee's regular weekly earnings.

Vested Interest - Employees do not have a right to SUB payments except for supplementation of E.I. benefits during the unemployment period as specified in the plan.

Other Income - Payments in respect to guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under this plan.

Such payment shall commence after the two (2) week employment insurance waiting period and shall continue while the employee is in receipt of such benefits for a maximum period of ten (10) weeks in duration.

The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours.

The regular hourly rate shall be calculated to include all of the employee's insurable earnings as defined by the Employment Insurance System.

The SUB top-up by the Home would not take into account E.I. insurable earnings from sources other than this facility.

12.04 Union Leave

- (a) Upon request by the Union to the Employer, employees selected and/or appointed by the Union shall be allowed an aggregate total of seventy-five (75) unpaid days per calendar year to attend Union conventions or seminars, training sessions or to attend to other Union business in connection with the administration of the collective agreement, subject to the following conditions:
 - i) no more than two (2) employees within a classification can be absent on such leave at the same time unless mutually agreed otherwise;

- ii) The Union must provide at least fourteen (14) calendar days advance written notice to the Employer of the request for leave;
 - iii) The leave does not interfere with the efficient operation of the Home.
- (b) The parties agree that unpaid union days will be deemed for the affected employee to be days without loss of regular straight time wages and that the Union will be invoiced at the employee's regular straight time wages plus the cost of all employment related benefits/taxes. The Employer will invoice the Union and the Union will reimburse the Employer. The invoice will include a breakdown of the benefits, vacation, pension and payroll tax items.
 - (c) It is understood that the days spent by the Union negotiation committee in negotiation meetings with the Employer shall not be deducted from the total number of union leave days outlined in Article 12.04 (a) above.

ARTICLE 13 - BEREAVEMENT

- 13.01 (a) In the event of the death of an employee's spouse, common-law spouse **as determined by law**, child or step-child, an employee will be granted leave up to a maximum of five (5) days without loss of pay for regularly scheduled days missed up to and including the fifth consecutive calendar day following the day of the death.
- (b) In the event of the death of an employee's mother, father, step-parents, mother-in-law, father-in-law, brother, sister, brother-in-law, or sister-in-law, legal guardian, grandparent, grandchildren, step-brother, step-sister, son-in-law or daughter-in-law, the employee will be granted leave up to a maximum of four (4) days without loss of pay for regularly scheduled days missed up to and including the fourth consecutive calendar day following the day of the death.
- (c) It is agreed that pay for such days absence is limited to the days actually missed from work as per the employee's scheduled working days.
- (d) An employee shall be granted one (1) day bereavement leave without loss of pay to attend the funeral of his or her aunt, uncle, niece or nephew.
- (e) An employee will not be eligible to receive payment under the terms of bereavement leave for any period in which she is receiving payments for holiday pay.
- (f) Where an employee is on vacation and suffers bereavement, he/she shall be entitled to replace the vacation days missed arising from the bereavement with bereavement days to which he/she would otherwise have been entitled according to (a), (b), or (d) above, and the vacation days so replaced shall be rescheduled at a later date.

- (g) Where it is necessary because of distance, the employee may be provided up to four (4) additional days unpaid leave.
- (h) An employee may elect to use a paid bereavement day to which he/she would otherwise be entitled in accordance with this clause for use at a later date to attend an internment or equivalent service, it being understood that the employee will provide at least one (1) week's notice of the date of the internment or memorial service.

ARTICLE 14 - SHIFT SCHEDULES AND OVERTIME

- 14.01 (a) The regular daily hours of work shall be eight (8) hours per day with thirty (30) minute paid meal period.
- (b) One paid meal per full eight (8) hour shift will be offered to each member of the bargaining unit.
- 14.02 The Work Schedule (hereinafter called "the Posted Work Schedule") shall be posted in advance in a manner such that it will include the current week plus the following **three (3) weeks**. The Employer shall endeavour to keep any changes in such schedule to minimum, and shall in any case, in the case of a regular full-time employee, give at least 48 hours notice of any changes.
- 14.03 Authorized work performed by employees in excess of eight (8) hours per day or eighty (80) hours bi-weekly as averaged over the bi-weekly pay period shall be paid for at the rate of time and one-half of the employee's regular rate of pay.

It is understood that where employees have agreed to exchange shifts and such shift exchange has been approved by the Employer, the Employer is not liable for any overtime rate claims and the shift exchange shall not result in overtime compensation or increased cost to the Employer.

Employees who work authorized overtime will not be required to take time off in regular hours to make up for the overtime worked.

Time off in lieu may be taken on a mutually agreed upon basis between the employee and the Home; such time off will be the equivalent of the premium rate the employee has earned for working overtime. The Home shall revert to payment of premium rate if time off is not taken within sixty (60) calendar days.

The Employer agrees that it will only make overtime mandatory in emergencies where compulsory overtime is necessary for resident care.

- 14.04 No regular full-time employee shall be required to work a split shift.
- 14.05 Employees shall be entitled to a paid rest period of fifteen (15) minutes for each four (4) hours of work at a time to be specified by the Employer and at a time convenient to the supervisor.

14.06 Except with the consent of the employee concerned, the Employer shall schedule the work for regular full-time employees so that they shall receive every second weekend free. The Employer shall schedule the work for regular part-time employees on the Master Schedule such that they shall receive every second weekend free. It is understood that where an extra shift(s) becomes available on a weekend and a regular part-time employee is either scheduled to work the weekend pursuant to Article 14.11 or is offered the shift through the call-in process and accepts the shift (whether such weekend shift(s) is scheduled on the Posted Work Schedule or becomes available after the posting of the Posted Work Schedule) such that the employee works consecutive weekends, there shall not be a violation of the Employer's obligation. It is further understood that the working of the extra shift(s) by the regular part-time employee is subject to the provisions of 21.01.

14.07 Failure to provide at least twelve (12) hours rest between shifts which are being changed shall result in payment of overtime at the rate of time and one-half for any hours worked during such rest period.

14.08 a) Provided that the majority of hours are worked between the hours of 3:00 p.m. and 7:00 a.m., the employee shall receive a shift premium of .52 cents per hour.

b) Effective February 23, 2015, introduce a weekend premium of \$0.15/hour for all hours worked from 2400 hours Friday to 2400 hours Sunday.

Effective the first full pay period following December 15, 2015, the date of ratification, the weekend premium shall be \$0.20/hour for all hours worked from 2300 hours Friday to 2300 hours Sunday.

14.09 Where a regular full-time or part-time employee is called back to work after leaving the premises and having completed his regular shift, and prior to the commencement of his next regular shift, he shall receive a minimum of three (3) hours of work or three (3) hours pay at the rate of time and one-half his regular hourly earning. Where call-in is immediately prior to the commencement of his regular shift, the call-in pay will only apply to the point of commencement of a regular shift at the rate of time and one-half after which the rate of pay shall revert back to that of the regular shift.

It is expressly understood that this call-back premium does not apply to call-in shifts or to extra shifts offered to part-time employees in accordance with Article 14.10 or otherwise.

14.10 a) Where an extra shift becomes available after the posting of the Posted Work Schedule, the Employer shall offer the shift to the regular part-time employees within the classification for which the shift has become available in order of seniority on a rotating basis, such that the shift is offered commencing with the regular part-time employee within the classification who has the next greatest seniority to that of the regular part-time employee who had been offered and accepted the immediately preceding available shift, provided that:

- i) The shift does not constitute an overtime shift for the regular part-time employee to whom it is offered;
- ii) The shift does not attract any other form of premium pay for the regular part-time employee to whom it is offered, other than shift premium **and weekend premium, if applicable**;
- ii) Working of the shift by the regular part-time employee to whom it is offered will not result in the violation of any scheduling provision of the collective agreement;
Where any one of the conditions in i) to iii) above would arise if the shift is offered to a regular part-time employee, the shift will not be offered to such employee.

It is understood that where a regular part-time employee works an extra shift that has become available and has been offered in accordance with this provision, the terms of Article 21.01 shall apply.

- b) For the purposes of Article 14.10, the classifications are:

Resident Assistant	Cook 1
RPN	Cook 2
Support Worker	Students
Maintenance	
Nutrition Aide	
Housekeeping Aide	
Lifeguard	

- c) Where an available shift has been offered in accordance with 14.10 a), and the Employer has been unable to fill the shift, then the Employer may offer the shift to casual employees.
- d) Where the employer assigns, in writing, an employee to temporarily substitute in an occupational classification having a higher rate of pay for at least one (1) full shift, he shall receive the higher rate of pay for all time worked.

14.11 For the purpose of this Article "additional available replacement shifts" are shifts that are over and above a regular part-time employee's regularly scheduled shifts and include shifts that become available due to other employee's absences, vacation, sick leave, lieu days, special requested days off, or shifts that are available pending the filling of temporary or permanent vacancies. The Employer shall follow the following process in the filling of additional available replacement shifts:

- a) The Employer shall schedule on the Posted Schedule, those regular part-time employees who are on the "Additional Replacement Shift Availability List" and within the classification for which the shift becomes available to work the additional replacement shifts.

- b) The Employer shall endeavour to schedule the said regular part-time employees to work the additional available replacement shifts on an as equitable basis as is possible given such factors as: the number of additional replacement shifts that are available, the regular part-time employee's availability during the Posted Work Schedule, conflicts between the regular part-time employee's regularly scheduled shifts and the additional replacement shifts that are available; avoidance of overtime or premium payment. However, it is understood and agreed that the Employer will not schedule a regular part-time employee to work an additional available replacement shift where:
- i) The shift would constitute an overtime shift for the regular part-time employee;
 - ii) The shift would attract premium pay, other than shift premium, if worked by the regular part-time employee;
 - iii) The shift would result in the violation of any scheduling provision of this agreement if worked by the regular part-time employee.
- c) **Except as expressly provided otherwise in the Letter of Understanding Re: Pre-Posted Scheduling**, the Employer will provide, every six months on or about September 15th and March 15th of each year, all regular part-time employees with an election form upon which the employee will indicate whether the employee wishes to be scheduled for additional available replacement shifts. Those employees who indicate a desire to be so scheduled will be placed on the "Additional Replacement Shift Availability List" for the applicable six-month period. New hires will be given the form both at the time of hire and subsequently on the same dates as the other regular part-time employees.
- The six month election forms that are provided to regular part-time employees under Article 14.11 c), as amended under the Letter of Understanding Re: Pre-Posted Scheduling” will be amended to include an option for regular part-time employees to indicate that they do not wish to be prescheduled on the Posted Work Schedule to work more than five (5) consecutive shifts. The Employer will make every reasonable effort to not schedule any regular part-time employee who has elected this option for more than five (5) consecutive shifts of work on the Posted Work Schedule, provided that the Employer is able to fill the shift at straight time rates of pay. It is expressly understood that a regular part-time employee who has so elected not to be prescheduled to work more than five (5) consecutive shifts may not therefore receive as many pre-scheduled shifts as she might otherwise have received or otherwise indicated she wished to receive.**
- d) It is understood that where a regular part-time employee is scheduled and works an additional available replacement shift in accordance with Article 14.11, the terms of Article 21.01 shall apply.

- e) Where the Employer is unable to fill the additional replacement shift as provided for in this Article 14.11, the Employer will schedule a casual employee to fill the shift.

14.12 Where an employee is working additional shifts at another facility because he/she is unable to work at Spruce Lodge during an outbreak, such employee will be given a period of up to forty-eight (48) hours after receipt of notice that the outbreak is over to be available for work at Spruce Lodge.

14.13 In the event that an employee is double booked and reports to work for the shift (whether the shift was a scheduled shift or a shift that the employee had been offered and accepted as a call-in shift), the employee, if requested by the Employer, shall perform a minimum of four (4) hours of such work within the bargaining unit as the Employer may assign. If the Employer has no available work to assign to the employee, the Employer will pay the employee the lesser of the hours of the shift or four (4) hours pay. This provision shall not apply where the employee has received at least two (2) hours notice of cancellation of the shift. Notwithstanding the above, if the affected employee wishes to return home, they will be allowed to do so, it being understood that she will not receive pay.

ARTICLE 15 - PAID HOLIDAYS

15.01 For the purpose of this agreement, the following shall be recognized as holidays:

New Year's Day	Good Friday	Easter Monday**
Victoria Day	Canada Day	Civic Holiday
Labour Day	Thanksgiving Day	Family Day
Christmas Day	Boxing Day	Floating Holiday *

**Effective February 23, 2015, Easter Monday is eliminated as a holiday under this agreement and is replaced with an additional floating holiday for a total of two floating holidays. To be credited with the Floating Holidays, the Employee must have been hired prior to October 1st of that year.

*To be taken at a time convenient to both parties within the contract year, and subject to the right of the Employer to schedule another holiday(s) for the employee if all employees wishing the same holiday cannot be accommodated.

The intent is that there shall be no more than twelve (12) paid holidays during the term of this Agreement. If another Federal, Provincial, or municipal holiday should be proclaimed during the term of the collective agreement, such additional holiday would replace one (1) of the designated holidays in the collective agreement.

15.02 Subject to the provisions of this Article, an employee shall receive holiday pay for each of the holidays listed in Article 15.01, as if he or she had worked a regular shift at his or her regular straight-time, hourly rate.

- 15.03 In order to qualify for holiday pay, an employee must have a minimum of one month's service and have worked his or her last full regularly required shift immediately preceding and his or her first regularly scheduled required shift immediately succeeding the holiday. In the event that an employee cannot work his or her regularly required shift immediately preceding and/or succeeding such holiday by reason of illness (as authenticated by medical certificate if required by the Employer) or absence on bereavement leave, the employee shall qualify for holiday pay.
- 15.04 If any of the foregoing holidays occur on an employee's regular day off, the employee will receive an additional day off with pay, or payment for the holiday in lieu thereof by mutual agreement between the Employer and the employee.
- 15.05 An employee required to work on any of the foregoing holidays shall be paid time and one-half his or her straight-time hourly rate for time worked on such holiday in addition to any holiday pay to which he or she may be entitled or, by mutual agreement between the Employer and the Employee, the Employee may be paid at the rate of time and one-half for the time worked up to a maximum of eight (8) hours, and double time thereafter and receive a day off with pay in lieu thereof to be taken on a date that is mutually agreeable to the employee and employer. Failure to report to work assigned on such holiday shall disqualify an employee for holiday pay.
- 15.06 Except with the consent of the employee, an employee shall be entitled to either Christmas Day or New Year's Day as a day off, and shall not be required to work on such day.
- 15.07 It is agreed that holiday pay forms part of "total earnings" for purposes of vacation pay. The vacation pay that is payable on the holiday pay will be accrued and paid out at the same time as the employee's remaining vacation pay.

ARTICLE 16 - VACATIONS

- 16.01 Employees who have less than one (1) year's continuous service at June 30th in any year shall receive vacation pay equivalent to four per cent (4%) of their earnings during the period of the employ.
- 16.02 Employees who have completed one (1) year's continuous service, but less than three (3) years' continuous service by June 30th of any year shall receive a vacation of two weeks and shall be paid four per cent (4%) of total earnings for that year.
- 16.03 Employees who have completed three (3) years' continuous service, but less than eight (8) years' continuous service by June 30th of any year shall receive a vacation of three (3) weeks and shall be paid six per cent (6%) of total earnings for that year.

- 16.07 Employees who have completed twenty-eight (28) years' continuous service by June 30th of any year shall receive a vacation of seven (7) weeks and shall be paid fourteen per cent (14%) of total earnings for that year.
- 16.08 Regular part-time employees hired after October 28, 2010 as well as students and casual employees hired after that date shall accumulate service for the purpose of progression on the vacation scale on the basis of hours worked since last date of hire with 1740 hours so worked being equivalent to one year of service.
- 16.09 a) Vacation requests for June 15th of the current year through to January 15th of the following year are to be submitted by February 28th of the current year. Seniority will be the governing factor for vacation requests for this time period that are submitted by February 28th. Vacation requests submitted after February 28th will be considered on a first come first serve basis, with it understood that an employee who files a request post February 28th cannot use their seniority to override another employee's vacation request which was submitted by February 28th.
- b) The Employer will notify employees who submitted a vacation request by February 28th for the prime summer time of June 15th to **the last Sunday prior to the Labour Day weekend** whether their request has been granted or denied by March 31st. - d) Vacation requests for the period of January 16th to June 14th will be determined on a first come first serve basis. Where two or more employees submit a vacation on the same date, seniority will be the governing factor. An employee cannot utilize her seniority to override any approved vacation request.

An employee who is requesting vacation for the period of January 16th to June 14th must submit their request at least one (1) month prior to the first day of the requested vacation period. The Employer will notify an employee who submits a request for vacation for the period of January 16th to June 14th whether her

vacation request has been granted or denied no later than two weeks after receiving the request.

- e) Vacations must be taken in the year they are earned unless the employee obtains the consent of the Employer in writing.
- f) Notwithstanding 16.09 a), an employee will not be granted more than four (4) weeks of vacation during the period of June 15th — September 15th.
- g) During the period from June 15th to **the last Sunday prior to the Labour Day weekend** it is understood that vacation requests in minimum one (1) calendar week blocks take priority over vacation requests for single days or split vacation weeks. This provision applies notwithstanding Article 16.09a).

Full-time employees who are paid 40 hours shall be credited with 12 hours sick leave per month (which shall not include a period of suspension or leave of absence without pay). Payout will be for hours scheduled on sick day.
- b) Part-time – reference letter of understanding.

17.02 In order to qualify for sick leave pay, an employee must notify his or her supervisor as soon as possible and **at least one and one-half (1 ½) hours prior to the beginning of the employee's day shift and at least two and one-half (2½) hours prior to the beginning of the employee's evening or night shift.** The Employer reserves the right to require proof of illness by medical certificate for any sick absence before sick leave is granted. If the Employer requires the employee to produce a medical certificate for any sick leave absence, excluding W.S.I.B. claims and absences, and the physician charges the employee for such medical certificate outside of OHIP the Employer will reimburse the employee for the cost up to a maximum reimbursement of \$20.00 per certificate, upon satisfactory proof of the cost of the medical certificate. It is understood that this payment provision does not apply to medical certificates required for W.S.I.B. claims or cases.

All employees, full-time, part-time and casual, must notify the Employer at least (1 ½) one and one-half hours prior to the commencement of the day shift and at least two and one-half (2 ½) hours prior to the beginning of the employee's evening or night shift if they are unable to attend work due to illness.

Full-time employees employed as full-time on a permanent basis after February 23, 2015 are not entitled to this sick leave cashout benefit (i.e. this 'salary grant in lieu benefit').
- 17.05 If an employee is prevented from performing his regular work with the Employer on account of an occupational accident that is recognized by the Workplace Safety and Insurance Board as compensable within the meaning of The Workplace Safety and Insurance Act, the Employer will supplement the award made by the Workplace Safety and Insurance Board for loss of wages to the employee, provided that he has sick leave credits available, by such an amount that the award of the Workplace Safety and Insurance Board together with the supplementation of the Employer will equal 100% of the employee's regular wage, and the amount received from the Employer shall be deducted from the employee's accumulated sick leave benefits. Payments to the employee under this provision shall be made on his return to work or, if he so elects, every three (3) months from the date of injury. The employee shall have the option not to have accumulated sick leave applied so as to receive the difference between Workplace Safety and Insurance benefits. During the period referred to above and while such person continues as an employee of the Employer, the Employer agrees to continue any benefits for which it would be liable if the employee was working.
- 17.06 The Employer shall advise each employee in writing of the amount of sick leave accrued to his/her credit by March 15th of the year following the immediately preceding calendar year.
- 17.07 The Employee's share of the Employer's Employment Insurance premium reduction will be retained by the Employer towards offsetting the cost of the benefits contained in this agreement.

18.03 When a new classification in the bargaining unit is established by the Employer or the Employer makes a substantial change in the job content of an existing classification which in reality causes such classification to become a new classification, the Employer shall advise the Union of such new or changed classification and the rate of pay established. If requested, the Employer agrees to meet with the Union to permit it to make representations with respect to the appropriate rate of pay providing any such meeting shall not delay the implementation of the new classification. Where the Union challenges the rate established by the Employer and the matter is not resolved following any meeting with Union, a grievance may be filed at Step No. 2 of the Grievance Procedure within seven (7) calendar days following any meeting. If the matter is not resolved in the Grievance Procedure, it may be referred to Arbitration, it being understood that an Arbitration Board shall be limited to establishing an appropriate rate based on the relationship existing amongst other service classifications at the Employer and duties and responsibilities involved.

Any change in the rate established by the Employer either through meetings with the Union or by a Board of Arbitration shall be made retroactive to the time at which the new or changed classification was first filled.

18.04 Pay Cheque Errors

Where the Employer makes an administrative error that results in the employee being underpaid by less than one (1) day's pay, the correction will be made in the regular pay period following the date on which the underpayment comes to the Employer's attention. If the Employer's error results in the employee being underpaid by one (1) day's pay or more, the Employer will provide payment for the shortfall no later than three (3) business days from the date the Employer is notified. It is understood that this provision does not apply where the error has resulted from the employee's error, for example and without limiting the generality of the foregoing, where the employee has failed to swipe in or swipe out. Correction of employee errors will be made in the regular pay period following the date upon which the employee notifies the Employer of the error.

If the Employer makes an overpayment of a day's pay or less for an employee, the overpayment will be deducted on the pay period following the date that the error is discovered. If the error is in excess of a normal day's pay, the Employer will be reimbursed by the employee based on a mutually satisfactory arrangement between the employee and the Employer, or where mutual agreement is not achieved, the Employer will deduct the overpayment based on a reasonable schedule of repayment.

18.05 Full-time employees, regular part-time employees hired on or prior to October 28, 2010 as well as students and casuals hired on or prior to that date, shall accumulate service for the purpose of progression on the wage grid on the basis of calendar months of service within the classification since last date of promotion, hire or transfer into the classification, except as otherwise provided for in this collective agreement.

Regular part-time employees hired after October 28, 2010 as well as students and casuals hired after that date shall accumulate service for the purpose of progression on the wage grid on the basis of hours worked within the classification since last date of

Re: Part-time Employee Sick Leave Banks

The parties agree that part-time employees who participated in the Employer's sick leave program at Spruce Lodge are entitled to accumulate sick leave credits up to and including December 31, 2006.

As of January 1, 2007 part-time employees will receive a payment in lieu of benefits including sick leave credits. Those part-time employees who have a sick leave bank as of December 31, 2006 will have that sick leave bank frozen at the dollar value of credits in the bank at that time. For greater clarity the credits will be multiplied by the employee's hourly rate increased by 4.75%.

The frozen sick leave banks will be retained at the frozen dollar value. In the event of the termination or death of a part-time employee, there will be a "salary grant" equal to one-half the sick leave bank to a maximum of one hundred and thirty (130) days.

The parties have agreed that within three full pay periods following December 15, 2015, the date of ratification, the Employer will pay to those regular part-time employees with retained frozen sick leave banks under this Letter of Understanding, the 'salary grant' amount of one-half of the December 31, 2006 frozen dollar value of their sick leave banks up to a maximum of one hundred and thirty (130) days. This payment constitutes full compensation for these sick banks as provided for under this Letter of Understanding and upon such payment these retained sick leave banks are eliminated in their entirety.

IN WITNESS WHEREOF, the parties hereto have executed this Letter of Understanding on the ____ day of _____, 2016.

Distribution of Overtime

Next Shift

- a) Where work is assigned by the Employer in circumstances where no employee is available at straight time hourly rates and the Employer decides to offer the work as overtime, the work shall normally be first offered to the qualified employees currently on shift in that unit, in seniority order, first to the full-time and regular part-time employees on shift in the unit, prior to offering to the casuals on shift on the unit. If no employee accepts the offer, the employer can then offer the work to any other known qualified employee currently on shift, first in the department and then bargaining unit, and in each case offering first to the full-time and regular part-time employees prior to offering to casual.

If no qualified employee accepts, the Employer shall assign the work to the junior qualified employee on shift, who must perform the work required.

Notwithstanding the above, if the junior employee to be assigned the mandatory overtime has extenuating circumstances preventing the employee from working that overtime shift, the Employer will assign the overtime to the next most junior qualified employee on shift and so forth. It is understood that the extenuating circumstances is subject to a standard of good faith and is not intended to divert the mandatory overtime from being assigned in reverse order of seniority.

Future Date

- b) In circumstances where the Employer knows that no employee is available at straight time hourly rates for work that will be required on a date in the future and the Employer decides to fill the shift on an overtime basis, the Employer will offer such work to the Full time or Regular part time employees on the sign up list, addressed below, on a rotating seniority basis

Interested full time and regular part time employees willing to work overtime in the circumstances set out in the paragraph above, will sign a list for such purposes. This sign up list will be updated every 3 months-Feb 1, May 1, Aug. 1, Nov.1 of each year. Employees wishing to have such overtime shall notify the Employer by the 15th of the month prior to the dates listed above. Employees who do not accept at least 50% of the offers of extra work in these circumstances will be removed from the following 3 month

list. Failure to sign up by the 15th of the month prior to the specified dates results in the employee not being on the sign up list for the succeeding three month period.

Where no full-time or regular part-time employee on the sign up list accepts the overtime, the Employer may offer the overtime to the casuals.

IN WITNESS WHEREOF, the parties hereto have executed this agreement as of the _____ day of _____, 2016.

Re: Pre-Posted Scheduling

The parties met to address ongoing difficulties in ensuring coverage for scheduled shifts on the Posted Work Schedule and the impact such difficulties have in providing requested time off for employees.

Accordingly, the parties have agreed to the following changes in practice which changes are effective for the Nursing and Outreach/Support Services Departments as of May 17, 2011 and for all other Departments as of February 13, 2013:

Casual Employees:

All casual employees must commit to be available to be pre-scheduled on the Posted Work Schedule, if required by the Employer, for four (4) shifts biweekly which might include every other weekend if so required by the Employer. The employee must be available to be prescheduled for all three (3) shifts (days, evenings, nights) if so required by the Employer. In addition, all casual employees must make a commitment to be available to be scheduled to work either Christmas or New Year's. It is understood that nothing in this provision constitutes a guarantee of four, or any number of, scheduled shifts of work for a casual employee.

Regular Part-Time Employees:

All employees who are hired into regular part-time positions in the Nursing and Outreach/Support Services Department after May 17, 2011 or in the other Departments after February 13, 2013 and all casual employees who successfully apply for a regular part-time position in the Nursing and Outreach/Support Services Department after May 17, 2011 or in the other Departments after February 13, 2013 must be available to be prescheduled on the Posted Work Schedule for a total of eight (8) shifts biweekly (which shifts include their master line shifts), if so required by the Employer. The employee must be available to be prescheduled on the Posted Work Schedule for all three (3) shifts (days, evenings, nights) if so required by the Employer. In addition, the employee must be available to be prescheduled for either Christmas or New Year's. It is understood that nothing in this provision constitutes a guarantee of eight (8), or any number of, scheduled shifts of work for a regular part-time

employee. It is understood that these employees will not be provided with an election form under Article 14.11 c) of the collective agreement.

For the sake of greater clarity, this provision does not apply to regular part-time employees or full-time employees who were hired prior to May 17, 2011 in the Nursing and Outreach/Support Services Department or who were hired into the other Departments prior to February 13, 2013.

Preposted Scheduling

1. For all Departments the following applies to the scheduling of additional available replacement shifts: (as such term is defined in Article 14.11):
 - a) The Employer will first schedule regular part-time employees to an aggregate maximum of eight (8) shifts biweekly (which aggregate maximum includes the regular part-time employee's master line shift) on an as equitable basis as possible. For regular part-time employees who were hired into or who had transferred into regular part-time employee positions on or before May 17, 2011 into the Nursing and Support Services Departments or into regular part-time employee positions on or before February 13, 2013 in the other Departments and for full-time employees who were employed prior to May 17, 2011 in the Nursing and Support Services Departments or prior to February 13, 2013 in the other Departments but who transferred to a regular part-time position in Nursing and Support Services Departments after May 17, 2011, or after February 13, 2013 in the other departments this is subject to c) below.

The Employer will next schedule casual employees to an aggregate maximum of four (4) shifts bi-weekly on an as equitable basis as possible.

However, it is understood and agreed that the Employer will not schedule a regular part-time employee or casual employee to work an additional available replacement shift where:

- i) The shift would constitute an overtime shift for the employee;
 - ii) The shift would attract premium pay, other than shift premium, if worked by the employee;
 - ii) The shift would result in the violation of any scheduling provision of this agreement if worked by the employee.
- b) The Employer shall endeavour to schedule the regular part-time employees and casual employees in accordance with a) above on an as equitable basis as is possible given such factors as: the number of additional replacement shifts that are available, conflicts between the regular part-time employee's regularly scheduled shifts and the additional replacement shifts that are available, and avoidance of overtime or premium payment, and for regular part-time employees who held regular part-time positions as of May 17, 2011 (Nursing and Support

- Services Departments) or February 13, 2013 (other Departments) or for full-time employees hired prior to May 17, 2011 (Nursing and Support Services Departments) or February 13, 2013 (other Departments) who subsequently transferred into regular part-time employees their availability as based on their election forms as per c) below, etc.
- c) The Employer will provide regular part-time employees who held regular part-time positions as of May 17, 2011 (Nursing and Support Services Departments) or February 13, 2013 (other Departments), every six months on or about September 15th and March 15th of each year, with an election form upon which the employee will indicate whether the employee wishes to be scheduled for additional available replacement shifts. Those employees who indicate a desire to be so scheduled will be placed on the "Additional Replacement Shift Availability List" for the applicable six-month period. The right to make such an election does not apply to employees who are hired after May 17, 2011 (Nursing and Support Services Departments) or February 13, 2013 (other Departments) and does not apply to casual employees.
- d) It is understood that where a regular part-time employee is scheduled and works additional available replacement shift(s) in accordance with this Letter of Understanding, the terms of Article 21.01 shall apply and the regular part-time employee will retain her regular part-time status. Where a casual employee is scheduled shifts in accordance with the above, she retains her casual status.
2. The parties agree that issues arising from the implementation of this Letter of Understanding may be addressed during the duration of this collective agreement at the Labour Management Committee.
3. The parties agree that at the end of this collective agreement and in negotiations for the renewal collective agreement they will review the outcome of the trial of these scheduling practices and any proposed amendments to the procedure set out in this Letter of Understanding.

[Note: The parties agree that those regular part-time employees hired in the Nursing and Outreach/Support Services Department between May 17, 2011 and December 9, 2015 will continue to be provided with an election form under Article 14.11 c), with it understood that they will not be permitted to elect which shift(s) (days, evenings, nights) for which they will be available. They must continue to be available to be prescheduled for all three (3) shifts.]

It is understood that this Letter of Agreement prevails over and applies notwithstanding any provisions to the contrary in the collective agreement.

IN WITNESS WHEREOF, the parties hereto have executed this agreement as of the ____ day of _____, 2016.

Re Missed Call-In Opportunities

Where an employee is inadvertently overlooked for a call-in shift of work, then the following redress will be offered:

- i) The employee will be offered a shift of equivalent duration to be scheduled on a date and shift mutually satisfactory to the employee and her Department Head (“the first alternate shift”). The employee will be scheduled for this shift as ‘an extra’.
- ii) In the event that the employee in working this first alternate shift misses the opportunity for a call-in shift, she will be offered an alternate shift (“the second alternate shift”) of equivalent duration to be scheduled on a date and shift mutually satisfactory to the employee and her Department Head.

In the event that the employee in working this second alternate shift again misses the opportunity for a call-in shift, she will again be offered a further alternate shift (“the third alternate shift”) on the same basis as set out above.

In the event that the employee in working this third alternate shift again misses the opportunity for a call-in shift, she will be paid at her straight time hourly rate of pay for the call-in shift for which she was inadvertently overlooked.

- iii) In the event that an employee declines the opportunity to be scheduled for an alternate shift under i) or ii) or fails to work any of the alternate shifts except for a reason satisfactory to the Employer, she will have no further claim for redress for the missed call-in shift.

An employee who claims that she missed an opportunity for a call-in shift must bring it to the attention of her Department Head as soon as possible and no later than five (5) working days after the missed shift.

Re: Working in Two Classifications Or Departments

The parties agree that this agreement applies to all employees who fall within the scope of CUPE's bargaining unit:

Where the Employer posts a casual position which the Employer identifies as being available to be filled by regular part-time or casual employees from different classifications or different departments who will continue to hold their existing position and there are staff who are willing and able to work in more than one classification or department, both parties agree as follows:

- a) Those working more than one classification or department will be required to have a primary part time or casual position.
- b) Staff will be expected to give priority to their primary position, such that these shift commitments come first and shifts offered for the non-primary position will not result in short shifting or overtime to either department.
- c) The non-primary position will be deemed casual, without the minimum number of pre-booked shift requirements of primary line casual positions, and the applicant must be available to work all three shifts and weekends.
- d) The employer must post such casual positions, indicating that they are casual positions for call-in and pre-booking purposes. Note that such positions are not considered transfers as per Article 11.01
- e) There will be an election form so as to ensure staff are not required to work consecutive weekends should they elect not to.
- f) Postings will be awarded to qualified applicants by seniority.
- g) The employer will provide orientation and familiarization if and as required.
- h) Subject to conformance with (e) employees who have failed to accept three consecutive shift offers over three consecutive months, will lose their non-primary casual position.

This letter of understanding will have the same effect as if it were part of the collective agreement between the parties.

Re Regular Part-Time PSW Weekend Worker Positions in the Resident Care Department

The parties have agreed to the following Letter of Understanding which will be implemented as soon as practical after the November 25, 2015 signing of this Letter of Understanding.

The parties have agreed to the introduction of regular part-time weekend worker positions in the PSW classification in the Resident Care Department to address the exceptional circumstances that have been experienced over the past year in attaining coverage for weekend shifts. The introduction of these regular part-time weekend worker positions may be a temporary measure intended to temporarily alleviate the weekend staffing challenges while other ongoing measures are reviewed and pursued.

The terms and conditions governing the introduction of these weekend worker positions are set out below. Due to the unique aspects of the weekend worker commitment, these terms apply notwithstanding any contrary provisions in the collective agreement:

- 1 The Employer will post four regular part-time PSW weekend worker positions in the Resident Care Department as soon as practical. The posting and filling of these positions shall be conducted in accordance with Article 11 of the collective agreement.
- 2 A weekend worker position is defined as a regular part-time position with a regular repeating work schedule of two weekends out of three.

An employee who fills a regular part-time PSW weekend worker position shall be prescheduled on the Posted Work Schedule to work two out of three weekends and will be scheduled to work on any of the three shifts (days, evenings, nights) as is required by the Employer. It is understood that there will not be any regularity in the schedule of shifts (days, evenings, nights) that the employee is scheduled to work weekend to weekend or on any given weekend, provided that

there must be twelve hours rest between the weekend shifts in accordance with Article 14.07.

This scheduling provision applies notwithstanding Article 14.06 of the collective agreement or any other contrary provision of the collective agreement.

- 3 An employee filling a permanent regular part-time PSW weekend worker position shall not be prescheduled on the Posted Work Schedule to work additional shifts. This applies notwithstanding Article 14.11, the Letter Re: Pre-Posted Scheduling and any other contrary provision of the collective agreement.

An employee filling a regular part-time PSW weekend worker position may be offered call-in shifts and will for this purpose be included in the casual call-in process under 14.10 c).

- 4 In the event that the Employer has scheduled a regular part-time PSW weekend worker to work a weekend shift on the Posted Work Schedule and the Employer no longer requires the PSW to work the weekend shift, the Employer may cancel any of the three Saturday weekend shifts by 3 pm on the Friday and may cancel any of the three Sunday weekend shifts by 3 pm on the Saturday. The Employer will not be liable for the payment of any compensation to the affected PSW for the cancelled shift.

In the event that the Employer cancels a weekend shift of a PSW weekend worker and the Employer subsequently needs to call in an employee for the same shift as the cancelled shift, the PSW weekend worker whose shift was cancelled will be offered the call-in first prior to commencing the regular call-in process under Article 14.10 a).

In the event that the employee reports to work for a weekend shift for which she was scheduled to work on the Posted Work Schedule without having received the required notice set out above not to so report and the Employer does not need the employee to work the shift, the Employer will assign the employee to perform a minimum of four (4) hours work or, at the Employer's option, pay the employee for four (4) hours at her straight time rate of pay.

These terms apply in the circumstances of the cancellation of a weekend shift for the regular part-time PSW weekend worker. In all other circumstances of cancellation of a shift, the provisions of the collective agreement apply.

- 5 The parties agree that if the Employer wishes to increase the number of PSW weekend worker positions, the Employer may do so after providing the Union with advance notice.

- 6 The parties agree that the scheduling of weekend workers will not serve in any manner whatsoever to increase the number of other PSWs in the Resident Care Department, full-time or part-time, for whom the Employer may grant requests for leave or time off from their scheduled weekends. In other words, the introduction and scheduling of weekend workers will not be taken into account by the

Employer in determining the number of other employees that can be granted a leave or time off on a weekend shift.

- 7 It is agreed that if the Employer acting within the scope of its management rights discontinues, or eliminates, the PSW weekend worker position, or some thereof, the Employer will offer the affected PSW weekend worker(s) with the opportunity to transfer to casual status. Article 10.06 does not apply to the discontinuance or elimination of these PSW weekend worker position(s).**
- 8 It is agreed that the regular part-time PSW weekend worker is governed by, and entitled to, all of the provisions of the collective agreement applicable to regular part-time employees except where expressly provided otherwise under paragraphs 2, 3, 4, and 7 in this Letter.**
- 9 Any issues arising from the implementation of this Letter of Understanding may be addressed by the Scheduling Committee or Labour Management Committee.**
- 10. The Employer may terminate the application of this Letter of Understanding by providing the Union with four (4) weeks written notice of termination. The Letter will then be null and void at the expiry of the four (4) week notice period. Any affected PSW weekend worker(s) will be provided with an offer of continued employment as a casual employee in accordance with paragraph 7 above.**
