If the complaint is not settled to the satisfaction of the employee (or employees) within one (1) working day, or within any longer period that may be mutually agreed upon at the time, then the following grievance procedure shall apply:

6.02 Stage One:

The employee (or employees) together with the Steward shall present such grievance to the Supervisor in writing, if a satisfactory answer to the complaint has not been received within the time limit agreed to in 6.01 above. The Plant Manager or designate shall notify the Grievance Committee and Steward of the time and place at which the meeting will take place. Such meeting shall be held not later than three (3) working days after such request has been received by the Plant Manager or designate.

The Plant Manager or designate will give a decision in writing within five (5) working days after the meeting has been held. The Plant Manager or designate will not be called upon to meet with more than four Grievance Committee members and Steward together with the employee involved, at any one time. A full-time representative of the Union shall be present at Stage Three. The Union shall have the right to initiate a group grievance or a grievance of a general nature at Stage Three of the Grievance Procedure.

- 6.05** When there are any differences directly between the Union and the Company respecting the interpretation or alleged violation of this Agreement, they may be presented in writing by either the Company or the Union, to the other, with a written request for a meeting between representatives of the Union and representatives selected by the Company for that purpose.

The decision of the Union or the Company, as the case may be, shall be given within ten (10) working days after the meeting has been held.

- 6.06** Should there be any dispute concerning the interpretation or alleged violation of this Agreement which has not been satisfactorily settled under the foregoing provision, the matter may then be submitted to Arbitration within twenty (20) working days following receipt of the answer at Stage Three, or the decision of the Company or the Union in the preceding paragraph was given or should have been given if none was given.

- 6.07** The time limits of proceeding to Stage Two, Stage Three and Arbitration shall be observed by the party initiating the Grievance or the Grievance shall be deemed to have been abandoned.

- 6.08** All times expended by a Steward and/or a Grievance Committee member during working hours, including thirty (30) minutes paid preparation time, in the execution of his duties under the various stages of the Grievance Procedure shall be paid for by the Company at such employee's

regular hourly rate of pay, including meetings where the Union has requested the services of a Grievance Mediation Officer. The Company will attempt to schedule all grievance meetings during the grievor's day shift schedule. If a third step meeting is scheduled on a grievor's day off then the Company will pay the grievor at straight-time rate for time attending the meeting, including thirty (30) minutes for preparation.

Grievance hearing shall be held during Monday – Friday from 8am to 4pm.

6.09 Saturdays, Sundays and Paid Holidays shall not be counted in determining the time within which any action is to be taken under this Article.

6.10 Any and all time limits fixed by this Article for the taking of action by either party may at any time be extended by agreement in writing signed by a representative of the Company and a representative of the Union.

6.11 Arbitration

Step 1

In the event Arbitration is to be invoked, the request must be made in writing to the other party within twenty (20) working days or such further period as is mutually agreed upon by the company and the Union. At this time both parties will attempt to come to agreement on selecting a sole Arbitrator.

Step 2

In the event the parties are unable to agree on a sole Arbitrator within five (5) working days, the Minister of Labour for Ontario shall be asked to appoint an Arbitrator.

Step 3

The Arbitrator shall meet as soon as possible with both parties to hear evidence and receive representations.

- 6.12** No person may be appointed as an arbitrator who has been party to an attempt to negotiate or settle the grievance unless both parties agree.
- 6.13** The award of the Arbitrator shall be confined to determining the issues set out in the grievance.
- 6.14** The findings of the Arbitrator as to the facts and **as** to the interpretations of violation or non-violation of the provisions of this Agreement shall be conclusive and binding upon all parties concerned, but in no case shall the Arbitrator be authorized to alter, modify or amend any part of this Agreement. The decision of the Arbitrator shall be binding upon the parties.
- 6.15** The Company and the Union shall respectively pay the expenses of the Arbitrator and shall be borne equally by the Company and the Union.
- 6.16** In cases of suspension, discharge or discipline grievances, they may be settled by confirming the

Company's decision in discharging or suspending the employee or by reinstating him without loss of seniority and reimbursing him in full or by any other arrangement which is just and equitable in the opinion of the sole Arbitrator.

- 6.17** Notwithstanding the above provisions of Article 6, it is recognized that either party to this Agreement may request the Minister of Labour for Ontario to refer to a single arbitrator, to be appointed by the Minister, as provided in Section 49 of the Labour Relations Act of Ontario or as amended. In the case of a single arbitrator, the contents of this Article shall read accordingly.

ARTICLE 7 - NO CESSATION OF WORK

- 7.01** In view of the orderly procedure set out in this Agreement for settling differences respecting the interpretation or alleged violation of this Agreement, the Union agrees that there shall be no strike, stoppage or slow-down by the employees during the life of this Agreement.
- 7.02** On the other hand and for the same reason the Company agrees that there shall be no lockout during the life of this Agreement.

ARTICLE 8 - SUSPENSION, DISCHARGE AND DISCIPLINE CASES

- 8.01** Employees are to be suspended or discharged only for just cause. If a suspended or discharged

employee believes that the suspension or discharge is in violation of the provisions of this Agreement, the matter may be presented in writing as a grievance under the Grievance Procedure at Stage Two within five (5) working days after such suspension or discharge and not otherwise. The time limit may be extended by two working days upon written agreement by both parties. Such extension may not be done retroactively. Notwithstanding anything to the contrary herein contained every grievance concerning a suspension or discharge shall be covered by this Article 8.

- 8.02** The Company on reaching a decision will, at the time of suspension or discharge, advise the Unit Chair or designate of the reasons in writing when an employee has been suspended or discharged.
- 8.03** If, as a result of disciplinary measures other than suspension or discharge, an employee suffers some loss in pay and if the employee believes such discipline was administered in violation of the provisions of this Agreement, the matter may be presented in writing as a grievance under the Grievance Procedure at Stage Two within five (5) working days after such discipline and not otherwise. The time limit may be extended by two working days upon written agreement by both parties. Such extension may not be done retroactively.
- 8.04** If it be finally decided that such discipline was imposed in violation of the Provisions of this Agreement the disciplinary measure will be

revoked and the loss of pay so suffered made good to such employee.

- 8.05** A verbal or written notice which has been in an employee's personal file for fifteen (15) months will not be used against him in the administration of discipline provided no other verbal or written notice has been issued for the same or similar offence within that fifteen (15) month period. Letters of discipline to be removed from the employee's personnel file after the fifteen (15) month period has expired, upon request from the Union.

ARTICLE 9 - SENIORITY

- 9.01** "Seniority" where used in this Agreement, shall mean the relative status of persons in the bargaining unit employed by the Company in accordance with the length of continuous (i.e. unbroken) service since the date of last hiring as shown by the Company's records, subject to the correction of errors and omissions; and for the purposes of this Agreement, service shall not be deemed broken off by a lay-off, sickness or accident, unless and until seniority is lost as hereinafter provided.
- 9.02** An employee shall attain seniority status under this Agreement on completion of forty-five (45) days worked with the Company and shall thereupon have his seniority dated from the beginning of the probationary period. Upon mutual

agreement of the union and the company, the probationary period of an employee may be extended by an additional twenty-five (25) days worked. Prior to the expiration of this probationary period, an employee shall be considered probationary. There shall be no responsibility on the part of the Company to re-employ probationary employees who are laid off or discharged. Probationary employees can be discharged for failure to meet acceptable standards as determined by the Company.

- 9.03** An employee must complete his probationary period within a period of twelve (12) consecutive months. In such cases where service is not continuous from date of first hiring, the seniority date thus acquired shall be established on the forty-fifth (45th) working day immediately preceding the date on which his probationary period is completed.
- 9.04** Seniority shall be lost and employment terminated if a person employed by the Company:
- (i) quits; or
 - (ii) is discharged and is not reinstated under the terms of this Agreement; or
 - (iii) overstays a leave of absence without securing an extension of such leave from the Company;
 - (iv) is absent from work for a continuous period

of more than twenty **(20)** months or a period equal to his length of service as established at the time such absence began, whichever is the lesser, for any reason other than leave of absence granted by the Company in advance, an injury for which he received Workplace Safety and Insurance Board benefits, or absent under the Employment Standards Act of Ontario for pregnancy, parental or adoption leave. For WSIB only: **24** months from date of original injury.

- (v) is laid off by the Company for lack of work for a period of more than six (6) months in the case of an employee having less than two (2) years seniority; or for a period of more than twelve (12) months in the case of an employee having two **(2)** years seniority or more, but less than five (5) years' seniority; or for a period of more than twenty-four **(24)** months in the case of an employee having four **(4)** or more years' seniority;
- (vi) is absent from work more than three **(3)** consecutive working days without furnishing to the Company either by telephone or letter a satisfactory explanation for such absence, unless it can be established that he was prevented from notifying the Company for reasons beyond his control.

9.05 Lay-off and Recalls

- (a) In the event of lay-off for a period of one

(1) week or more, due to lack of work, the Company agrees to give seven (7) calendar days notice unless otherwise required by the Employment Standards Act. If the Company fails to provide work for any part of the seven (7) days notice referred to above, an employee who is available to work during that notice period will receive pay in lieu thereof.

(b) In all cases of lay-off out of the plant and/or recall seniority shall govern. Lay-offs will be according to inverse plant-wide seniority. This includes displacing employees with less seniority in higher paid classifications.

(c) Layoff out of the Plant, Job Elimination/Amalgamation:

The Company and the Union recognize that in cases of lay-off, job elimination/amalgamation, junior employees will be laid off to accommodate senior employees and the following procedure shall apply:

Job Elimination Example:

Remove junior employee from machine.
Junior employee's options are:

(1) Bumps a junior employee who is the junior employee on any machine within his classification on either SWW or MWW (5 working day orientation).

OR

(2) Bumps a junior employee who is the junior employee on any machine outside his classification on either SWW or MWW. Employee must have previous classification experience including experience gained through temporary transfers and as documented in the training records and be capable of performing the job within a 5 working day orientation.

AND/OR

(3) Post for any vacancy(s) as per the Collective Agreement. If none of the above options are exercised then the most junior employee in the plant shall be laid off and the affected employee shall be placed in this opening and trained to perform the duties.

Upon receiving written notification from the Company, Employees must exercise and prioritize the first or second options within five (5) working days. This decision is irrevocable.

9.06 No employee possessing seniority shall be laid off until all probationary and temporary employees in the plant have been laid off, provided that the said employee possessing seniority is willing to be transferred under the conditions pertaining

to the job and is capable of performing satisfactorily the work being done by the probationary or temporary employee.

- 9.07** When recalling a laid-off employee who retains his seniority, the Company will notify such laid-off employee by registered mail stating the job available and the time of starting, which shall not be less than seven (7) calendar days from the date of such mailing. The above notice will be sent to the last address of such laid-off employee on record with the Company. Failure to notify the Company in writing within five (5) calendar days following the mailing of such notice by the Company that such laid off employee will report for work at the time specified or having so notified the Company failure to report at the time stated in the notice, shall constitute a break in service and his seniority shall consequently be lost.
- 9.08** When an employee has been laid off, the Company shall notify the Union in writing to that effect, stating the reason for the lay-off. The Company shall notify the Union in writing when an employee is to be recalled.
- 9.09** When an employee has been recalled from lay-off and is working on a job other than that from which he was laid off and his original job becomes available within six (6) months of his being recalled, then he shall be given the opportunity of returning to his original job without that vacancy having to be posted. The vacancy

then created by his return to his original job if he accepts return as provided above, or the original job itself, if he declines return shall be

(i) made available to another employee who was recalled under the same circumstances

or

(ii) made available to the most senior employee on the recall list, if such exists at the time

or

(iii) posted in the required manner under the Job Posting provisions of the Collective Agreement.

9.10 When a vacancy occurs in a job from which an employee was laid off more than six (6) months after he has been recalled to another job, then it will be posted in keeping with the Job Posting provisions of the Collective Agreement and his application will be given due consideration.

9.11 Promotion, Demotion and Transfer

In all cases of promotion, demotion and transfer of employees (except to or in categories outside the bargaining unit) the Company shall consider the following two (2) factors:

1. seniority
2. the requirements and efficiency of operations and the skill and ability of the employee to do the job.

For the positions of Leadhand, skilled trades and/or apprentice the following applies. When, after consideration by the Company factor two (2) is relatively equal, seniority shall govern. Any test procedure shall be provided to the Union prior to posting and included on the posting notice.

For other bargaining unit positions in the case of promotion only, seniority shall be the determining factor provided that the successful applicant is satisfactorily able to perform the duties of the job after a forty-five day (45) day training period.

9.12 Transfer

Absence from employment in the Fergus Plant because of transfer to some other plant of the Company, or other employment with the Company in the Fergus Plant outside the bargaining unit, from which other plant or other employment the employee returns to employment in Fergus Plant bargaining unit, will not break seniority, provided the employee's absence for this purpose does not exceed six (6) months.

9.13 Job Posting

- (a) When a job vacancy occurs in or a new job vacancy is created within the bargaining unit, the Company agrees to post such job vacancy detailing the duties and setting forth the primary operation of the job vacancy. Each job

vacancy shall be posted on all plant Bulletin Boards for a period of five (5) consecutive working days. Each job posting notice will be numbered and a copy showing the successful applicant sent to the Recording Secretary. The Company agrees at the time of posting a job vacancy not to transfer, move, rotate existing employees in the job classification. The successful applicant will initially be moved to the primary operation listed in the job posting. However, the Union recognizes that it is the exclusive right of the Company to assign employees to any machine(s) within their classification at any time.

- (b) When a job becomes available the company will post for the required classification on the assignment originally vacated. For example, if a person working on 2760 were to leave the plant, then the job posting would be for an extrusion operator with a starting assignment of machine 2760.

This is in no way to be interpreted as machine seniority. A worker owns a classification and not the right to work only on a particular machine.

The Union recognizes the management right to transfer and assign people to jobs, etc., as per Article 3.01.

- 9.14** Only the original job vacancy and any job vacancy created by the filling of the original job vacan-

cy will be posted, however, an additional job posting will be made if the remaining job vacancy is a straight day job as listed in Article 12.03, or if the remaining vacancy is at Pay Group 3 or above, or if the Company's source of own choosing is a current bargaining unit member. The Company will attempt to move successful applicant as soon as possible.

- 9.15** Any employee in the bargaining unit, after discussing all operations of the job with the Supervisor, may make written application to fill the job vacancy as posted, within the five (5) working day period referred to herein. It is understood that any application filed under section 9.13 of this Article may not be withdrawn.
- 9.16** The Company will not be required to post job vacancies that employees are laid off from and have recall rights. All other job vacancies including straight day jobs as listed in Article 12.03, to be posted as per Article 9.13.
- 9.17** If at the conclusion of the five (5) working day period no applications have been received from employees in the bargaining unit, the Company will fill the vacancy from a source of its own choosing.
- 9.18** It is agreed by both parties that job postings which remain open and unfilled for a period in excess of the three (3) months from the date of posting will be re-posted if a decision is reached by the Company to re-activate the position.

9.19 (a) Applications for a job posting which involve a lateral or downward transfer will be accepted only from employees who have a minimum of fifteen (15) months seniority.

An employee discharged for cause will be paid only the vacation pay to which he is entitled under the Ontario Employment Standards Act.
- 11.13** Vacations will be scheduled to conform to the requirements of the business and shall be taken at such time as the Company may determine. However, every effort will be made to schedule vacations at the time requested by employees. For employees on the Monday to Friday schedule, a vacation week consists of five (5) consecutive working days that can begin on any day of the week. If the Company anticipates a two (2) week vacation shutdown, the employees will be notified of the Company's intention in writing by February 15 of the calendar year.
- 11.14** Vacations must be taken during the year in which they are earned.
- 11.15** If one (1) of the paid holidays listed in Section 12.12 of this Agreement occurs during the period of a vacation granted hereunder, an employee **who** would otherwise have been eligible shall receive, in lieu **of** payment for the paid

- 11.16** Employees with vacation entitlement in excess of the planned vacation shutdown period must advise the Company at least seven (7) calendar days in advance, of the date on which they plan to take the additional vacation time. Conflicts with respect to vacation requests submitted during the posting of the vacation schedule, March 1st to April 1st, will be determined on the basis of seniority. Conflicts with respect to vacation requests made after the posting of the vacation schedule, to be confirmed April 15th, will be determined on the basis of first come first served. Modified work week employees to also provide seven (7) calendar days for scheduling vacation.

(4) These days, or combination thereof will be paid at the Employee's regular hourly rate of pay (exclusive of overtime, shift premiums and premium pay) when taken or as requested by the Employee.

(5) Employees who elect to participate in this option agree to abide by these terms and are locked into this entitlement.

11.19 Employees will be allowed to schedule their floating holidays on an individual basis provided they give the Company a minimum of seven (7) calendar days notice. Floating holidays will be distributed according to the requirements of business and on the basis of seniority, according to the following table:
