BETWEEN

THE CORPORATION OF THE COUNTY OF MIDDLESEX
(STRATHMERE LODGE)
(hereinafter called the "Employer")

OF THE FIRST PART

-and-

SERVICE EMPLOYEE INTERNATIONAL UNION
LOCAL 220
(hereinafter called the "Union")

OF THE SECOND PART

WHEREAS the Union by certificates dated June 19, 1968, August 7, 1973 and August 22, 1975 is the certified bargaining agent for the employees of The Corporation of the County of Middlesex at Strathmere Lodge in Strathroy, Ontario, (hereinafter called the "Home"), save and except supervisors, persons above the rank of supervisor, registered nurses, the recreation director and the food supervisor.

NOW THEREFORE THIS AGREEMENT WITNESSETH:

ARTICLE 1 - GENERAL PURPOSE

1:01 The general purpose of this Collective Agreement is to establish and maintain collective bargaining relations between the Employer and those of its employees (hereinafter referred to as the "Bargaining Unit") for which the union is the certified bargaining agent and to provide an orderly procedure for the prompt and equitable disposition of grievances and for the maintenance of mutually satisfactory hours of work, wages and working conditions in the Home.

ARTICLE 2 - DEFINITION

2:01 For the purpose of this Collective Agreement the terms "employee" and employees" shall mean an employee who is, or employees who are, employed at the Home in the Bargaining Unit and in a classification specifically set forth in Schedule "A".

2:02 Where the masculine pronoun is used in this Agreement it shall be deemed to include feminine, and vice versa, where the context so requires.

ARTICLE 3- RECOGNITION

3:01 The Union is recognized as the sole collective bargaining agency for all employees in the

Bargaining Unit and the Employer agrees that it will not enter into any agreement with the employees, either individually or collectively, which will conflict with any of the provisions of this Collective Agreement.

- 3:02 Each of the parties hereto agrees that there will be no discrimination, interference, restraint, or coercion exercised or practised upon any employee in respect of hiring, wage rates, training, promotion, transfer, lay-off, recall, discipline, including discharge, or other wise by reason of race, creed, colour, national origin, political or religious affiliation, sex or marital status or by reason of membership in the Union.
- 3:03 Supervisors and persons whose jobs are not in the bargaining unit shall not regularly work on any jobs which are included in the bargaining unit except in the case of emergency or for the purpose of instructing employees, or when members of the bargaining unit are not available or able to do the work.

ARTICLE 4 - UNION SECURITY

- 4:01 The Employer agrees that, during the term of this Collective Agreement, it will deduct Union dues from the first pay due in each calendar month and will remit same to the Financial Secretary of the Local Union not later than the 20th day of the same month.
- 4:02 The Employer shall make deductions and remissions of Union dues from the first pay of the month following completion of 3 weeks employment of new employees.
- 4:03 The Employer shall, when remitting such dues, list the names and classifications of the employees from whose pay such deductions have been made and shall state the amount of such deductions in respect of each such employee.
- 4:04 All employees within the Bargaining Unit shall have Union dues deducted monthly as a condition of employment.
- 4:05 All present employees in the Bargaining Unit who are members of the Union shall remain members in good standing for the duration of their employment.
- 4:06 The Employer shall send to the Union each month a list of names, addresses and classifications of all new employees.
- 4:07 Time will be made available to a Steward or to a member of the Union Committee for the purpose of meeting with each new employee during regular working hours on one occasion during such new employees' first month of employment to a maximum of 15 minutes and such time will be made available to the Steward or member of the Union Committee and each new employee without loss of pay.
- 4:08 Employees within the Bargaining Unit who voluntarily become members of the Union after 3 weeks of employment shall remain members in good standing for the duration of their employment.

4:09 T-4 slips will show deductions made for Union Dues.

ARTICLE 5 - NO STRIKES AND LOCKOUTS

5:01 The Employer agrees it will not cause or direct a lockout of employees, and the Union agrees it will not cause or direct a strike against the employer. Lockouts and strikes shall be as defined in the current edition of The Ontario Labour Relations Act.

ARTICLE 6 - MANAGEMENT FUNCTIONS

6:01 The Union acknowledges that it is the exclusive right and function of the Employer, except as modified by the terms of this Agreement, to:

- (a) determine and establish standards of procedure for care, welfare, safety and comfort of the residents in the Home, and to plan, direct and control the workforce and the work of the employees and the operation of the Home.
- (b) maintain order, discipline, efficiency, and in connection therewith, to establish and enforce reasonable rules and regulations which will not be exercised in a manner inconsistent with the terms of this Agreement. The Employer will notify the Union Committee of any alterations of the present rules and regulations, or of new rules or regulations prior to their implementation.
- (c) hire, transfer, layoff, recall, promote, demote, classify, assign duties, discharge, suspend, or otherwise discipline employees for just cause, provided that a claim of discriminatory transfer, promotion, demotion or classification, or a claim that an employee has been discharged or disciplined without just cause, may be the subject of a grievance and dealt with as hereinafter provided.

ARTICLE 7 - REPRESENTATION

7:01 The Union shall elect or otherwise select a Union Committee composed of not more than 5 members and the Employer will recognize such Union Committee for the purpose of dealing with any grievance or bargaining in connection with any matter properly arising from time to time during the term of this Collective Agreement, including negotiations for or renewal of any Collective Agreement.

7:02 The Union shall elect or otherwise select 7 Stewards. The Stewards shall be chosen as follows: Nursing - 3; Dietary - 1; Maintenance and Laundry - 1; Housekeeping - 1; and Part Time employees - 1.

7:03 It is agreed that a Union Representative of Local 220 shall have access to the home

premises and may, at the request of either the Union Committee or the Employer, be present at any meeting with the Employer's Representatives.

7:04 The Union acknowledges and agrees that members of the Union Committee and Stewards have regular duties to perform in connection with their employment and only such time as is reasonably necessary for the processing of Union business will be consumed by such persons during working hours. The Union Committee Members or Stewards will first obtain the Supervisor's permission before undertaking Union business. When such Union business has been completed, the employee will advise the Supervisor. Such permission shall not be unreasonably withheld.

7:05 In accordance with this understanding it is agreed that:

- (a) each member of the said Union Committee shall receive his regular pay for all regularly scheduled work hours lost due to attendance at negotiating meetings with Representatives of the Employer up to but not including arbitration;
- (b) a Steward, the grievors and where applicable under this agreement, members of the Union Committee shall receive their regular pay for all regularly scheduled working hours lost due to servicing grievances or attendance at grievance meetings (including meetings of Grievance Settlement Officers appointed under Section 45 of the Labour Relations Act) with Representatives of the Employer up to but not including arbitration.

7:06 The Union agrees to supply the Employer with the names of the Stewards and the Union Committee members and will keep such list up to date at all times.

7:07 The Union committee and the Employer shall, upon the written request of either, arrange a meeting and meet to discuss any matters arising out of this Collective Agreement.

ARTICLE 8 - GRIEVANCE PROCEDURE

Complaint

8:01 It is the mutual desire of the parties hereto that complaints of the employees be adjusted as quickly as possible. Not more than 15 days after the circumstances giving rise to a grievance first occurred or originated, the employee involved shall take up the matter or thing, by way of complaint, with his or her Supervisor or Department Head and shall have the assistance of a Steward or member of the Union Committee.

8:02 Within 5 days after receiving the complaint as aforesaid, the Supervisor or Department Head, as the case may be, shall give the complaining employee a decision.

Step Number One

8:03 In the event that the decision given by the Supervisor or Department Head, as the case

may be, is not satisfactory to such employee, within 5 days after the giving of such decision, such employee, with the assistance of a Steward or a member of the Union Committee, may initiate the FIRST STEP in the Grievance Procedure by submitting the grievance to the Administrator of the Home, which submission shall be in writing and shall be dated and shall be signed by the grieving employee and shall contain a statement of the nature of the grievance, and shall state the relief sought. At the request of either party the employee shall receive the assistance of any one of the Union Representatives of Local 220.

8:04 Within five days after receiving the grievance as aforesaid, the Administrator of the Home shall give his written decision in respect thereof to the grieving employee; and in considering and making his decision, the Administrator of the Home may have such assistance and counsel as he may wish.

Step Number Two

8:05 (a) In the event that the decision given by the Administrator of the Home is not satisfactory to the grieving employee, within 5 days of giving of such decision , the grieving employee and the Steward, or a member of the Union Committee may continue the grievance to the SECOND STEP of the Grievance Procedure by giving written notice to the Administrator of the Home, requiring the grievance be referred to the Chief Administrative Officer. The CAO will arrange a meeting withing fifteen (15) days of receiving notice. Attending the meeting will be the grievor, the Union Committee, the Union Representative, the CAO, the Administrator, and counsel for the County.

(b) In making representations and submissions, the grieving employee may have such assistance and counsel as he or she may wish; and similarly, such county Committee may have assistance and counsel as it may wish.

8:06 Within 5 days after the meeting referred to in 8:05 (a) above, the Employer shall give his written decision to the grieving employee and to the Union Committee in respect of the grievance.

Step Number Three - Arbitration

8:07 In the event that the decision of the employer is not satisfactory, the Union, within 10 days of giving of the decision by such Committee, may refer the grievance to arbitration.

General Provisions

8:08 For the purpose of this Collective Agreement a grievance shall mean any matter or thing not usurping the functions of the Employer as to the management of the Home and arising out of the interpretation, application, administration or alleged violation of this

Collective Agreement, including any question as to whether or not the matter or thing is a grievance and such grievance shall be settled or determined in accordance with the provisions of this Collective Agreement.

- 8:09 The time limits fixed in the complaint, grievance and arbitration procedures, may be extended by the written agreement of the Employer and the Union.
- 8:10 Where a limitation period in this Collective Agreement is prescribed by reference to a number of days, neither the day upon which the occurrence of the event commencing the limitation period nor the day upon which the giving of a notice or the taking of an action shall be included; provided, however, that Saturdays, Sundays, Paid Holidays and the complaining or grieving employee's regular days off, sick leave, and vacation shall not be included in the determination of a limitation period.
- 8:11 The employees agree to use the provisions of the Collective Agreement to resolve all grievances and will not direct any appeals to any elected representatives of the Employer.
- 8:12 Any agreement as to the settlement of a grievance made at any time between the Union and the Employer shall be final and binding upon the Employer, the Union and all affected employees.
- 8:13 Wherever in the complaint, grievance or arbitration procedure reference is made to the Administrator of the Home, such reference shall include a delegate of the Administrator of the Home.

ARTICLE 9 - POLICY GRIEVANCES

- 9:01 Where differences arise between the Employer and the Union concerning the interpretation or a violation of this Collective Agreement, which may be considered as policy matters, the differences between the parties shall be reduced to writing by the Union Committee and delivered to the Administrator of the Home at the First Step of the Grievance Procedure in accordance with Article 8:03.
- 9:02 Similarly an Employer's grievance may be reduced to writing by the Administrator of the Home and delivered to the Chairperson of the Union Committee who shall within 5 days of receipt of such written grievance give a written reply to the Administrator of the Home.
- 9:03 Where the facts relating to an alleged grievance apply to 2 or more employees, the alleged grievance may be processed as a policy grievance.
- 9:04 If the matter of the policy grievance is not satisfactorily settled, it is understood that it may be referred to arbitration by either of the parties.
- 9:05 It is agreed the Union Committee Members have the right to submit a Policy Grievance

on behalf of an employee or group of employees when the Union Committee Members can show a clear prejudice to the bargaining unit as a whole and may be affected by the resolution of the issue resulting from the complaint.

ARTICLE 10- DISCHARGE AND DISCIPLINE

10:01 A claim by an employee that he or she has been unjustly discharged shall be treated as a grievance if a written statement of such grievance is submitted by the employee within 3 days of the discharge to the Administrator of the Home at the First Step of the Grievance Procedure in accordance with Article 8:03.

10:02 Such discharge grievance to be considered must be presented to the Administrator of the Home or to his designated representative by a member of the Union Committee and it shall be dealt with thereafter in accordance with the Grievance Procedure to and including arbitration if no satisfactory settlement is reached.

10:03 The Employer shall notify any employee in writing of any expression of dissatisfaction concerning his or her work within 10 working days of the event of the complaint, with copies to Local 220 and Chairperson of the Union Committee. This notice shall include particulars of the work performance which led to the complaint. If this procedure is not followed, such complaint shall not become a part of the employee's record.

10:04 The record of an employee shall not be used against him or her at any time after 15 months following any disciplinary action; it being understood that a Union Committee Member or Steward must be present at the time any disciplinary action is taken, otherwise such disciplinary action will be considered null and void.

10:05 An employee shall, upon written request, be granted the opportunity to view his or her personal file. Information to be viewed will include:

- (a) Application form (except, where applicable, letters of reference not submitted personally by the applicant),
- (b) Written warnings and evaluations.

ARTICLE 11 - ARBITRATION

11:01 When either party requests that a grievance be submitted to arbitration, the request shall be in writing addressed to the other party to this Collective Agreement and shall contain the name of the party's nominee to the Board of Arbitration. The other party shall, within 10 days thereafter, nominate its member to the Board of Arbitration and the 2 so nominated shall, within 10 days after the last

appointment, endeavour to agree upon a third person to act as Chairperson of the Board of Arbitration. If the parties are unable to agree upon a third person within 10 days after the appointment of the last of the 2 nominees, then either nominee may require the appointment of a third person by the Minister of Labour for Ontario.

- 11:02 The 2 nominees first appointed shall be at liberty, prior to the expiration of 10 days from the date of the appointment of the latter of them but before the appointment of the third arbitrator, to discuss the grievance submitted to arbitration with a view to the mutual settlement of the grievance so submitted by the parties.
- 11:03 No grievance shall be defeated or denied by any formal or technical objection. An arbitrator or arbitration board shall have the power to allow amendments to the grievance and to waive formal procedural irregularities in the processing of a grievance or to allow omitted previous steps or steps out of time to be completed, in order to determine the real matter in dispute and to render a decision which the arbitrator or arbitration board deems just and equitable.
- 11:04 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance save as provided in Article 11:02.
- 11:05 Each of the parties shall pay the expense of their own nominee to, and one half of the fees of the Chairman of the Arbitration Board.
- 11:06 The Board of Arbitration shall have no power to alter or change any of the provisions of this Collective Agreement, to substitute any new provision for existing provisions, nor to deal with any matter not covered by this Collective Agreement.
- 11:07 The decision of any Board of Arbitration shall be consistent with the terms and provisions of this Collective Agreement.
- 11:08 Proceedings before the Board of Arbitration shall be expedited by the parties hereto.
- 11:09 The decision of the Board of Arbitration shall be final and binding on both parties to this Collective Agreement.
- 11:10 Any grievance involving the interpretation or application of this Collective Agreement which has been disposed of hereunder shall not be made the subject of another grievance.
- 11:11 Nothing in this Collective Agreement shall prevent the parties hereto from agreeing upon a single Arbitrator to hear and decide any matter which may be referred to arbitration. If the parties agree to the use of a single Arbitrator, then the cost of such Arbitrator shall be shared equally by the parties.

11:12 At any stage of the complaint or the Grievance Procedure, including arbitration, the parties may have the assistance of the employee or employees concerned as witnesses, and all reasonable arrangements will be made to permit the parties and the Board of Arbitration to have access to any part of the Home to view any working conditions which may be relevant to the settlement of the grievance at a reasonable time and so as not to interfere with the function of the Home.

ARTICLE 12 - SENIORITY

12:01 Seniority is defined as an employee's length of continuous service and will be acquired when a full time bargaining unit employee has completed 60 calendar days of service in the Home, Strathmere Lodge and when a part time bargaining unit employee has completed 180 hours of work in the Home, Strathmere Lodge. Such seniority will date from the first date an employee actually commenced work at the Home and will accumulate thereafter. Employees will be regarded as probationary employees until they have acquired seniority as above, provided, however, that a probationary employee shall be entitled to the assistance of the Union in settling any grievance, including dismissal.

12:02 (a) In case of promotion, demotion, transfer, lay-off and recall, seniority shall apply provided the employee concerned is qualified and has the ability to perform the work required.

(b) **Layoff and Recall**

(i) Union

There shall be at least three (3) months' notice to the Union in the event of a proposed layoff of a permanent or long term nature or in the event of a substantial bed cutback or cutback in service which affects or could affect the bargaining unit.

In the event the anticipated layoff resulting from the above-noted provision is expected to result in the layoff of full-time employees with at least five (5) years seniority, the advance notice to be given to the Union will be six (6) months.

(ii) Employees

In the event of a layoff of a permanent or long term nature the Home will provide the employees with two (2) weeks notice for each year of service to a maximum of twelve (12) weeks, provided the affected employee has more than twelve months service. Employees with less than twelve (12) months service will be entitled to notice in accordance with the provisions of the Employment Standards Act. A copy of any notice of layoff to an employee will be provided to the Union at the same time.

(c) **Severance and Retirement Options**

(i) **Severance Pay**

Within the lesser of thirty (30) days from the date of notice of layoff or the notice provided above an employee with more than twelve (12) months service with the Home who has received notice of layoff of a permanent or long term nature may resign, forfeiting the right to notice. Such employee will receive the balance of the notice as severance pay.

(ii) **Retirement Allowance**

Within thirty (30) days from the date of notice of layoff an employee who has received notice of layoff of a permanent or long term nature may retire provided that the employee is eligible to retire under the terms of OMERS. An employee who chooses this option forfeits her right to notice and will receive severance pay on the basis of one (1) week's pay for each year of service with the Home to a maximum of twenty-six weeks; on the basis of the employee's normal weekly earnings. In addition, full time employees will receive a lump-sum payment equal to \$1,000.00 for every year less than age 65, to a maximum of \$5,000.00.

Note: the Home may offer any employee a retirement option as provided above, in order to avoid potential layoffs in the unit.

(d) A full time employee who has completed one year pf service and:

(i) whose layoff is permanent, or

(ii) who is laid off for twenty-six (26) weeks in any fifty-two (52) week period, and who has not elected to receive a severance payment under either (c)(i) or (ii) of this article.

shall be entitled to severance pay equal to the greater of two weeks' pay, or one week's pay per year of service to a maximum of twenty-six (26) weeks' pay. This entitlement shall not be in addition to any entitlement to severance pay under the Employment Standards Act, but at the same time, shall not preclude an employee from claiming any greater entitlement which that Act may at some point come to provide.

An employee may elect to defer receipt of this severance payment while his or her recall rights are still in effect. Once an employee does opt to receive the severance payment, he or she shall be deemed to have resigned, and his or her recall rights shall be extinguished.

(e) **Layoff and Recall**

(a) In the event of layoff, the Home shall lay off employees in the reverse order of their seniority within their classification,

providing that there remain on the job employees who then have the ability to perform the work.

- (b) An employee who is subject to layoff shall have the right to:
- (i) displace an employee who has less bargaining unit seniority and who is the least senior employee in a lower or identical paying classification in the bargaining unit if the employee originally subject to layoff can perform the duties of the lower or identical classification without training other than orientation. Such employee so displaced shall be laid off.

Note: An identical paying classification shall include any classification where the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is within 1% of the laid off employee's straight time hourly wage rate.

In the event there are no employees with lesser seniority in lower or identical paying classifications as defined in this Article, a laid off employee will have the right to displace an employee with lesser seniority, who is the least senior employee in a classification where the straight time hourly rate is within 5% of the laid off employee's straight time hourly rate provided he can perform the duties without training other than orientation. Such employee so displaced shall be laid off.

- (ii) A full time employee shall have the opportunity of recall from layoff to an available full time opening, in order of seniority, provided he has the ability to perform the work, before such opening is filled on a regular basis under a job posting procedure.

A part time employee shall have the opportunity of recall from lay off to an available part time opening, in order of seniority, provided he has the ability to perform the work, before such opening is filled on a regular basis under a job posting procedure.

The posting procedure in the Collective Agreement shall not apply until the recall process has been completed.

- (iii) In determining the ability of an employee to perform the

work for the purposes of the paragraphs above, the Home shall not act in an arbitrary and unfair manner.

- (iv) An employee recalled to work in a different classification from which he was laid off shall have the privilege of returning to the position he held prior to the layoff should it become vacant within six (6) months of being recalled.
- (v) Employees on layoff or notice of layoff shall be given preference for temporary vacancies within their classification which are expected to exceed ten (10) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on layoff.
- (vi) No full time employee within the bargaining unit shall be laid off by reason of his/her duties being assigned to one or more part time employees.

(f) **Benefits on Layoff**

In the event of a layoff of a full time employee the Home shall pay its share of insured benefits premium up to three (3) months from the end of the month in which the layoff occurs or until the laid-off employee is employed elsewhere, whichever occurs first.

12:03 Full time and part time bargaining unit seniority lists will be posted on the official Union Bulletin Board in the Home, and a copy of the seniority lists will be supplied to the Union and the Chairperson of the Union Committee. The seniority lists will be posted and revised every 6 months.

12:04 An employee shall lose all seniority and his or her employment shall be deemed conclusively to have terminated after he or she:

- (a) Is discharged for cause and the discharge is not reversed by operation of the Grievance Procedure,
- (b) Voluntarily quits the employ of the Employer,
- (c) Fails without reasonable excuse to report for work within 7 calendar days after being notified by the Employer to return to work following a layoff,
- (d) Fails without reasonable excuse to advise the Employer within 5 days of his or

her intention to report for work pursuant to notification, or

- (e) Is absent when scheduled for work by the Employer for three consecutive days unless a reasonable reason is given for such absence,
- (f) Is absent from work due to disability which absence continues for more than 30 months.

This clause shall be interpreted in a manner consistent with the provisions of the Ontario Human Rights Code.

12:05 In the event that the Employer hires an employee as a full time employee who, prior to such hiring, has rights of seniority as a part time employee, the seniority of such employee shall be recognized and applied for all the rights and privileges of seniority. In the event a full time employee becomes a part time employee, all seniority rights shall be similarly recognized and applied.

ARTICLE 13 - HOURS OF WORK

13:01 The normal hours of work shall be 8 continuous hours (hereinafter referred to as a "shift") daily with 30 minutes allowed without loss of pay in each shift for a meal.

13:02 (a) There shall be two (2) ten (10) minute rest periods permitted in each shift, or one (1) twenty (20) minute period to be taken at least one-half (½) hour before the end of the shift for employees who are scheduled to work an eight (8) hour shift.

(b) Employees who are scheduled to work a shift of more than four (4) hours, but less than eight (8) shall be allowed two (2) ten (10) minute rest periods, or one (1) twenty (20) minute rest period to be taken at least one-half (½) hour before the end of the shift.

(c) Employees who are scheduled to work a shift of four (4) hours or less, shall be allowed one (1) ten (10) minute rest period to be taken at least one-half (½) hour before the end of the shift.

13:03 Overtime shall be paid at the rate of time and one-half for all hours worked in excess of the normal scheduled shift, on an employee's scheduled day off or in excess of 80 hours during any 2 week pay period.

13:04 Registered Practical Nurses, Health Care Aides, Nursing Assistants and Orderlies working the shift which commences at 5:00 a.m. shall be paid time and one-half their regular rate for such shift.

13:05 Employees will not be required to take time off in lieu of overtime.

- 13:06 Employees will not be required to work more than 6 days consecutively.
- 13:07 Employees will be given an equitable number of weekends off, it being understood that the word “weekends” means Saturdays and Sundays.
- 13:08 There shall be a minimum of 15 hours between call-in or booked shifts. Where there is not 15 hours off, overtime shall be paid at time and one half for all hours worked within the 15 hours. The exception shall be where an employee agrees to work by arrangement with another employee, which arrangement has the prior approval of management.
- 13:09 Full time or temporary full time employees, after completing two full rotations of night shifts, shall receive a day off with pay at regular time in addition to the employee’s scheduled days off.

Employees normally scheduled vacation, or the approved trade of up to three (3) shifts per rotation, shall not preclude eligibility for sleep day entitlement. For all other absences, employees must have worked a minimum of two (2) shifts in each night rotation.

- 13:10 Work schedules shall be posted for 4 week periods and shall remain posted for the duration of the schedule, except as may be mutually arranged between the Union Committee and the Administrator of the Home.
- 13:11 Once a work schedule is posted, there will be no changes therein except as mutually arranged between the employees involved in the change and the employees’ immediate Supervisor.
- 13:12 Employees required by their Supervisor to work for less than 4 hours in any classification with a higher rate of pay will be paid for 4 hours at the appropriate higher rate of pay whether straight-time or overtime.
- 13:13 Employees required by their Supervisor to work 4 or more hours or more in any classification with a higher rate of pay will be paid for a full 8 hours and also for any hours worked in excess of such 8 hours at the appropriate higher rate of pay whether straight-time or overtime.
- 13:14 The intentional punching in or out of another employee’s time card is prohibited and an employee doing so shall be subject to immediate disciplinary action. If an employee accidentally punches the time card of another employee, the Supervisor shall be notified immediately upon discovery, otherwise it shall be presumed that such time card was not punched accidentally.
- 13:15 There shall be no split shifts and days off shall be consecutive except when arrangements for split shifts or non-consecutive days off have been made, by mutual consent, by the affected employee and such employee’s Supervisor.

- 13:16 Present scheduling requirements will be maintained and either party may request a meeting for the purpose of discussing amendments to the scheduling procedure in effect and no changes in scheduling shall be made unless mutually agreed upon.
- 13:17 There shall be an equitable number of day shifts as compared to off shifts except where it is mutually arranged to change as set out in Article 13:11. It is understood and agreed that employees may work permanent shifts, if requested, by the employee, by mutual agreement.
- 13:18 Those employees working the 11:00 p.m. to 7:00 a.m. shift when the change from daylight to standard time or vice-versa occurs, shall be paid straight time for the exact number of hours worked. The employee working the extra hour will receive the applicable overtime rate.
- 13:19 In the event that an employee is called in to work after having completed his or her regularly scheduled shift on that day shall receive time and one-half (1 ½) for all hours worked with a minimum of three hours for each such call in. It is understood that the provisions of Article 13:08 will not apply when an employee is called in as is provided under this Article.
