ARTICLE 1: GENERAL PURPOSE

- 1.01 The purpose of this Agreement is to establish mutually satisfactory relations between the Employer and the employees concerned, to provide a process for the prompt and equitable disposition of grievances, and to establish and maintain satisfactory working conditions, hours of work and wages for all employees who are subject to the provisions of this Agreement.

ARTICLE 2: RECOGNITION

- 2.01 The Employer recognizes the Union as the sole collective bargaining agent for all its office, clerical, technicians and educational assistants, including all classifications outlined in Schedule A, save and except supervisors, persons above the rank of supervisor, students employed during the school vacation period, co-op students, employees covered by a subsisting collective agreement with CUPE, Local 1310, executive secretaries, all persons employed in a confidential capacity in the Human Resource Services Department, academic consultants, special education co-ordinator, and all persons covered by the School Boards and Teachers Collective Negotiations Act.

ARTICLE 3: RELATIONSHIP

- 3.01 The parties hereto agree that any employee of the Employer covered by this Agreement may become a member of the Union if he/she wishes to do so, and may refrain from becoming a member of the Union if he/she so desires.
- 3.02 The Employer agrees that no employee shall in any manner be discriminated against or coerced, restrained or influenced on account of membership or non-membership in the Union.
- 3.03 The Union agrees it will not discriminate against, coerce or restrain any employee because of his/her membership or non-membership, his/her activity or lack of activity in the Union, and recognizes that membership in the Union is a voluntary act on the part of the employee concerned.
- 3.04 The Board and the Union agree that there will be no discrimination or harassment against any employee by the Employer or the Union on any prohibited ground as defined under the Ontario Human Rights Code.
- 3.05 The Union and its members recognize the right of the Board and its administration to manage the school system in the interests of the students and the community. The Board agrees to exercise its management rights with respect to members of this bargaining unit in accordance with the applicable employment-related statutes of Ontario.

- 3.06 The Board and the Union acknowledge their obligations under the Occupational Health and Safety Act, as amended from time to time.
- 3.07 It is agreed that the Union and the employees will not engage in Union activities during working hours or hold meetings at any time on the Employer's premises without obtaining the prior permission of the Employer. Provided the normal procedure is followed, the Employer will grant a permit to the Union for the use of its premises and facilities for the purpose of membership and Executive Board meetings without payment therefor, unless extra custodial services are required.
- 3.08 During the lifetime of this Agreement, the Employer agrees that it is a condition of employment for all employees covered by this Agreement to pay union dues commencing with their first day of hire into the bargaining unit.
- 3.09 For each pay date on which an employee is paid, the Employer shall deduct from each employee whatever sum may from time to time be authorized by the Union. The amount shall be determined by the Union in accordance with their constitution and notification shall be forwarded in writing to the Board at least thirty (30) days prior to the expected date of change.
- 3.10 The dues deducted shall be remitted to the Administrator of Operational Services, OPSEU Head Office, no later than the 15th of the month following the month that the deductions were made. Such remittances shall be accompanied by a list identifying the employees, their social insurance numbers and the amounts deducted from each employee.
- 3.11 The Union agrees to indemnify and hold the Employer harmless from any claims, suits, attachments and any form of liability as a result of such deductions authorized by the Union.
- 3.12 The Employer agrees to include the annual total of dues deducted on the employees' T-4 slips.

ARTICLE 4: DEFINITIONS

- 4.01 (a) "Full-time employee" means an employee employed on a permanent basis who works the regular hours of work per week and includes those so employed on a school year basis.
- (b) "Part-time employee" means an employee employed on a permanent basis who works less than the regular hours of work per week and includes those so employed on a school year basis.

- 4.02 A "temporary employee" is an employee hired on a temporary basis for:
- (a) special projects or during periods of heavy workload; or
 - (b) in cases of emergency; or
 - (c) for replacement for employees absent due to illness or accident, or for other similar purposes; or
 - (d) for replacement for employees on leave of absence; or
 - (e) for replacement for an employee temporarily transferred or absent from his/her position under Article 14.01, 16.19, 19.07 and 19.08; or
 - (f) during a period of evaluation to determine if a student requires the assignment of an Educational Assistant; or
 - (g) positions that are temporarily funded by the Ministry or by an external organization; or
 - (h) filling a vacancy during the posting or bumping process; or
 - (i) Educational Assistant positions, which shall not exceed 15% of the total assigned positions that are in excess of the Board's initial approved budget.
- 4.03 It is understood and agreed that temporary employees may be employed on a full or part-time basis. A temporary employee, other than one employed by way of a posting to replace an absent employee, will not be employed for a period of more than six (6) months, with the exception of those funded by an external organization or temporarily funded by the Ministry. These exceptions must be discussed with the Local President.
- 4.04 Temporary employees shall not accrue seniority under this Agreement and are not entitled to any of the benefits set forth in Articles 17 and 20. Temporary employees are entitled to the overtime provisions set out in Article 19.
- 4.05 Temporary employees in posted positions shall progress on the salary scales in accordance with their months of service outlined in Schedule A.

- 4.06 In the event that a temporary employee becomes employed on a permanent basis, he/she will, upon completion of the probationary period, be credited with seniority dating back to the commencement of the most recent period of continuous employment within the previous 24 months. The aforementioned probationary period will commence as of the date of permanent transfer/assignment.
- 4.07 A Board initiated shutdown, or an employee-initiated absence, of ten (10) days or less, will not be considered as an interruption of the most recent period of continuous employment. All other periods of time without earnings will be considered to be a break in continuous employment.
- 4.08 The Board will provide the Local President with an electronic list each pay period of temporary employees within the bargaining unit noting their name, FTE, location, and end date, if known.
- 4.09 The Board will provide the Local President with an electronic list of all members' names, home addresses, and telephone numbers twice per year, upon request.

ARTICLE 5: NO STRIKES OR LOCKOUTS

- 5.01 In view of the orderly procedures established by this Agreement for the settling of disputes and the handling of grievances, the Union agrees that during the lifetime of this Agreement there shall be no strike, and the Employer agrees that there shall be no lockout. The terms 'strike' and 'lockout' shall be as defined in the Ontario Labour Relations Act.
- 5.02 The Employer shall have the right to discharge or otherwise discipline employees who take part in or instigate any illegal strike, picketing, stoppage or slowdown, but a claim of unjust discharge or discipline may be the subject of a grievance and dealt with as provided in Article 8.
- 5.03 When other Board employees are on strike or lockout, an employee shall carry out his/her regular duties.
- 5.04 The Union further agrees that it will not involve any employee of the Employer, nor the Employer itself, in any dispute, which may arise between any other employer and the employees of such other employer.

ARTICLE 6: RESERVATION OF MANAGEMENT FUNCTIONS

- 6.01 The Union acknowledges it is the exclusive function of the Employer to:
- (a) maintain order, discipline and efficiency;

- (b) hire, classify, transfer, promote, demote and lay off employees and also to suspend, discipline or discharge employees for just cause, provided that a claim by an employee who has acquired seniority that he/she has been discharged, suspended, or disciplined without just cause may be the subject of a grievance and dealt with as hereinafter provided.

- 6.02 The Union further recognizes the right of the Employer to operate and manage its schools and operations in all respects in accordance with its commitments and its obligations and responsibilities. The right to decide on the number of employees needed by the Employer at any time, the right to use modern methods, machinery and equipment, and jurisdiction over all operations, buildings and equipment are solely and exclusively the responsibility of the Employer. The Employer also has the right to make and alter, from time to time, rules and regulations to be observed by the employees, but before altering any such rules the Employer will discuss same with the Local President and give him/her an opportunity of making representations with regard to such proposed alterations. The Employer agrees that any such rules shall not conflict with the provisions of this Agreement.
- 6.03 None of the rights set forth in this Article will be exercised in a manner inconsistent with the provisions of this Agreement.

ARTICLE 7: UNION GRIEVANCE COMMITTEE AND STEWARDS

- 7.01 (a) The Employer agrees to recognize six (6) stewards to be selected by the Union and to recognize a Grievance Committee which shall consist of the Local President and any two (2) stewards. The Union agrees to advise the Employer of the names of the Local President and the stewards. All stewards shall be regular employees of the Board who have completed the probationary period.
- (b) It is the intention of the parties to have the steward for each administrative area process the grievances in that area. When the steward for the area is unable to act because of illness, vacation, or other conflict of interest, the Employer will recognize a replacement steward provided that the steward is selected with a view to minimizing travel time and work disruption.
- 7.02 The Employer undertakes to instruct all members of its supervisory staff to cooperate with the stewards and Union officers in the carrying out of the terms and requirements of this Agreement.
- 7.03 The Union undertakes to secure from its officers, stewards and members their cooperation with the Employer and with all persons representing the Employer in any supervisory capacity.

- 7.04 The ability of stewards and members of the Grievance Committee to leave their work without loss of basic pay to attend to Union business is granted on the following conditions:
- (a) The Union agrees that committee members and executive members have regular duties to perform in connection with their employment, and only such time as is reasonably necessary will be taken to service the grievance.
 - (b) The time shall be devoted to the prompt handling of necessary Union business.
 - (c) The stewards and members of the Grievance Committee concerned shall obtain the permission of the supervisor concerned before leaving their work. Such permission shall not be unreasonably withheld.
 - (d) The time away from productive work shall be reported to the supervisor so that a proper record of the time may be kept.
 - (e) The Board reserves the right to limit such time if it deems the time so taken to be excessive.

ARTICLE 8: GRIEVANCE PROCEDURE

- 8.01
- (a) The parties to this Agreement are agreed that it is of the utmost importance to adjust complaints and grievances as quickly as possible.
 - (b) No grievance shall be considered where it is filed more than ten (10) full working days after the grievor became aware or ought reasonably to have become aware of the circumstances giving rise to the grievance.
 - (c) In the computation of time in Articles 8, 9 and 10, Saturdays, Sundays and staff holidays shall not be counted.
 - (d) The time limits contained in the Grievance Procedure may be extended by mutual agreement between the parties.
 - (e) A grievance notice shall be in writing and shall contain an explanation of the grievance, listing all clauses that are alleged to have been violated by specific number and shall not be expanded upon after submission. The settlement requested must be detailed in the grievance.

8.02 Types of Grievances

- (a) Individual Grievance: a grievance relating to a particular employee launched by the bargaining unit on behalf of that employee. The relief sought in the grievance shall relate to that person only.
- (b) Group Grievance: a grievance relating to a listed group of employees launched by the bargaining unit on behalf of those employees. The relief sought shall relate only to those listed employees. Group grievances shall commence at Step 2 of the grievance procedure.
- (c) Union Policy Grievance: a grievance filed by the Union based on a dispute arising out of the application, administration, interpretation or alleged violation of the collective agreement. Policy grievances shall commence at Step 2 of the grievance procedure.
- (d) Management Grievance: a grievance filed by the Employer with respect to the conduct of the Union, its officers or stewards, or any complaint that a contractual obligation undertaken by the Union has been violated. Management grievances are filed with the Local President and corporate union representative. If such a grievance is not settled to the mutual satisfaction of the conferring parties, it may be referred to arbitration in the same way as the grievance of an employee.

8.03 Grievances shall be filed at all steps of the grievance procedure with the individual hearing the grievance and the Manager of Human Resource Services. Grievance responses shall be addressed to the grievor using his/her home mailing address and shall be copied to the Local President, the steward(s) in attendance, and the Manager of Human Resource Services.

8.04 It is understood that an employee has no grievance until the matter has been referred to his/her immediate supervisor and an opportunity given to adjust the complaint. If the complaint is not resolved to the satisfaction of the employee, the employee may file a formal grievance at Step 1 within ten (10) full working days of the time the employee became aware or ought reasonably to have become aware of the circumstances giving rise to the dispute.

8.05 A grievance of an employee properly arising under this Agreement shall be adjusted and settled as follows:

Step 1

The aggrieved employee shall present his/her grievance to his/her immediate supervisor outside the bargaining unit. In a job posting grievance, the immediate supervisor for the purpose of Step 1 will be the chairperson of the selection committee. The immediate supervisor shall then arrange a meeting to discuss the grievance within a period of ten (10) days. The employee may choose to have the assistance of his/her steward at this meeting. The immediate supervisor shall respond in writing with respect to the grievance within five (5) days following the meeting.

Step 2

If the aggrieved employee is not satisfied with the decision at Step 1, he/she may submit the grievance to the Superintendent of Human Resource Services or designate, within five (5) days of receipt of the response at Step 1 or within five (5) days of when the response should have been issued. The Superintendent of Human Resource Services shall then arrange a meeting to discuss the grievance within a period of ten (10) days. The grievor and grievance committee, the appropriate supervisor, the Superintendent of Human Resource Services or designate, and the Manager of Human Resource Services may attend this meeting. The Superintendent of Human Resource Services shall respond in writing with respect to the grievance within five (5) days following the meeting.

Step 3

If the aggrieved employee is not satisfied with the decision at Step 2, he/she may submit the grievance to the Director of Education or designate within five (5) days of receipt of the response at Step 2 or within five (5) days of when the response should have been issued. The Director of Education or designate shall meet within ten (10) working days to discuss and to endeavour to settle the grievance. The Manager of Human Resource Services, appropriate supervisor, the Grievance Committee and, at the request of either party to this Agreement, a Regional Representative of the Union, may also be present. The Director of Education shall respond in writing with respect to the grievance within five (5) days following the meeting.

If the answer at Step 3 is not satisfactory and if the grievance is one which concerns the interpretation, application, administration or alleged violation of the Agreement, the grievance may or may not be referred by the Union to a Board of Arbitration as provided in Article 9 at any time within twenty (20) days of receipt of the written decision, but not later.

8.06 Notwithstanding Articles 8.05 and 9.01, should the grievor and/or the Union fail to abide by the timelines specified in Articles 8 and/or 9, the parties will deem the matter to be abandoned.

ARTICLE 9: ARBITRATION

- 9.01 (a) Both parties to this Agreement agree that any dispute or grievance concerning the interpretation, application, administration or alleged violation of this Agreement, which has been properly carried through all the steps of the grievance procedure outlined in Article 8, and which has not been settled, will be referred to a single Arbitrator at the request in writing of the party which initiated the grievance.
- (b) Notwithstanding 9.01(a), the parties may mutually agree to refer the grievance to a Board of Arbitration.
- (c) Notwithstanding 9.01(a) and 9.01(b) above, a grievance involving discharge may be referred to a Board of Arbitration at the request of either party.
- 9.02 Should the parties fail to agree on a person to be the Single Arbitrator referred to in Article 9.01(a) within thirty (30) calendar days of the notification mentioned in 9.01(a), the Ministry of Labour will be asked to nominate a person to act as the Single Arbitrator.
- 9.03 Should the parties agree to refer the grievance to a Board of Arbitration, the following will apply:
- (a) The Board of Arbitration will be composed of one person appointed by the Employer, one person appointed by the Union and a third person to act as Chairperson, chosen by the two nominees;
- (b) Within ten (10) days of the request by either party for a Board, each party shall notify the other of the name of its nominee;
- (c) Should the nominee chosen by the Employer and the nominee chosen by the Union fail to agree on a third person within seven (7) days of the notification mentioned in Section 9.03(b), the Minister of Labour for the Province of Ontario will be asked to nominate a person to act as Chairperson.
- 9.04 The decision of the Single Arbitrator or the Board of Arbitration constituted in the above manner shall be final and binding on both parties. If the Board of Arbitration is unable to determine a unanimous award, the award of the Chairperson shall govern unless the nominees are agreed on a different result.

- 9.05 The Single Arbitrator or the Board of Arbitration shall not have any power to alter or change any of the provisions of this Agreement nor to substitute any new provisions for any existing provisions, nor to give any decision inconsistent with the terms and provisions of this Agreement.
- 9.06 Each of the parties to this Agreement will bear the expenses of the nominee they appointed and their own witnesses and attendees, and the parties will jointly bear the expenses, if any, of the Chairperson or of the Single Arbitrator.
- 9.07 No person shall be selected as an Arbitrator who has been directly involved in attempts to negotiate or to settle the grievance.

ARTICLE 10: DISCIPLINE

- 10.01 When an employee covered by this Agreement is called to the office to be interviewed concerning any matter which might reasonably be anticipated to result in the discipline or discharge of the employee, he/she may be accompanied by a member of the Union Executive if he/she so desires. The Union representative shall be available within a reasonable period of time.
- 10.02 (a) In the event an employee who has attained seniority is discharged from employment and the employee feels that an injustice has been done, the case may be taken up as a grievance.
- (b) Notwithstanding 10.02(a), an employee who has not attained seniority may be discharged and a lesser standard of just cause will apply.
- 10.03 A claim by an employee that he/she has been unjustly discharged shall be treated as a grievance, as defined by Article 10.02, if a written statement of such grievance is lodged with the Manager of Human Resource Services within ten (10) days after the employee ceases to work for the Employer, or is notified in writing of the termination, whichever is later. Grievances concerning discharge will be filed directly to arbitration.
- 10.04 Such grievances may be settled by confirming the Employer's action in dismissing the employee, or by reinstating the employee with full compensation for time lost, or by any other arrangement which is just and equitable in the opinion of the conferring parties or the Board of Arbitration, as the case may be.
- 10.05 All documentation with respect to discipline will be removed from an employee's file after five (5) years from the date the discipline was taken providing that:

- (a) there has been no further disciplinary action taken against the employee for any infraction; and
- (b) the discipline was not a suspension of three (3) or more days; and
- (c) the employee requests the removal of the documentation upon the expiry of the five (5) year period.

The Employer will advise the employee when the documentation has been removed.

ARTICLE 11: PROBATIONARY EMPLOYEES

- 11.01
- (a) New permanent employees whose permanent FTE is greater than .5 shall serve a probationary period of thirteen (13) consecutive working weeks in the same classification, notwithstanding the location. New permanent part-time employees whose permanent FTE is .5 or less will serve a probationary period of twenty-six (26) consecutive working weeks in the same classification, notwithstanding the location.
 - (b) The determination of full or part-time for the purpose of Article 11.01(a) will be determined at the time of hire as a permanent employee.
 - (c) An employee who is absent for more than three (3) consecutive working days will have his/her probationary period extended by the number of days absent.
- 11.02 The probationary period may be extended by the Manager of Human Resource Services and will be confirmed in writing specifying the length of the extension.

ARTICLE 12: SENIORITY

- 12.01 Seniority shall be the length of service with the Employer and predecessor Boards.
- 12.02
- (a) In January of each year, the Employer will post the Seniority List on the staff website. Two lists will be prepared, one sorted by county and one sorted by location. Such lists shall show each employee's name, current permanent classification, start date, seniority date and current location. Employees will be notified when the Seniority List has been posted on the staff website.

- (b) Such list shall be subject to challenge for a period of two (2) months, failing which it shall be considered to be correct for all purposes. The employee may only challenge seniority gained since the last publishing of the list.
- (c) Following each pay, the Employer shall provide electronically to the Local President all additions, deletions or amendments to the list including the names of employees recalled or laid off.

12.03 Seniority status, once acquired, will be lost for the following reasons:

- (a) Voluntary resignation;
- (b) Discharge for just cause and not subsequently reinstated through the grievance or arbitration procedures;
- (c) Lay-off in excess of one (1) year unless the lay-off is a reduction in hours and the employee remains at work;
- (d) Failure to signify intention to return to work within three (3) working days of the receipt of the notice of recall, which shall be in writing, registered mail, addressed to the last known address according to the records of the Employer, and failure, in fact, to return to work within a further five (5) days. An employee who so fails shall forfeit his/her claim to re-employment;
- (e) Absence due to approved voluntary leave, illness, accident or compensable claim (Workplace Safety and Insurance Board) that exceeds two (2) years from date of original absence. Nothing in this article shall contravene the Human Rights Code;
- (f) An employee who has lost seniority in accordance with Article 12.03(a), (b), (c) and (d) will be terminated.

- 12.04
- (a) (i) An employee who is absent due to an illness, accident, compensable claim (Workplace Safety and Insurance Board) or on leave under Article 16.01(a), shall continue to accumulate seniority for a period of up to two (2) years.
 - (ii) An employee as described in 12.04(a)(i) will retain his/her seniority until he/she loses same pursuant to Article 12.03(e).

- (iii) An employee who is absent due to illness, accident or compensable claim (Workplace Safety and Insurance Board) and who is fit to return to work shall have his/her seniority reinstated after thirty (30) days following his/her return to work (at pre-injury or accident level). Nothing in this article shall contravene the Human Rights Code.
- (b) An employee who has been absent due to approved voluntary leave, illness, accident or compensable claim (Workplace Safety and Insurance Board) shall for a period of two (2) years from the date of the original absence, be eligible to return to his/her original or a comparable position consistent with his/her seniority, qualifications, physical capabilities to perform the work and permanent hours.
 - (c) (i) Should the absence extend beyond two (2) years, the employee shall be eligible, upon recovery, to return to the first available vacancy consistent with his/her seniority, qualifications, physical capabilities to perform the work and permanent hours. The offer of such vacancy will be made prior to the posting of such vacancy and recall of any laid off employees.
 - (ii) An employee who is absent due to illness, accident or compensable claim (Workplace Safety and Insurance Board) must provide evidence as requested, satisfactory to the Employer, that substantiates the continuing absence or his/her employment will be terminated.

12.05 In the event that an employee in a position beyond the scope of this Agreement is returned to a position within the scope of this Agreement, he/she shall retain any seniority he/she had previously acquired in the bargaining unit but the employee shall not have added thereto any seniority for the period of time he/she served in the position beyond the scope of this Agreement. Upon being transferred to a position within the scope of this Agreement, the employee shall be placed in a job consistent with his/her seniority and qualifications provided such placement shall not result in the lay-off or displacement of an employee having equal or greater seniority.

12.06 For the purposes of Article 12.03 and 12.04, an employee who is absent due to illness, accident or compensable claim (Workplace Safety and Insurance Board) who returns to work and is subsequently absent for the same disability, as confirmed in writing by a physician, within a period of thirty (30) working days, will not be considered to have returned to work when calculating the two (2) year period.

ARTICLE 13: LAY-OFF AND RECALL

- 13.01
- (a) In all cases of lay-off or recall from lay-off, employees' seniority shall govern provided that the employee has the qualifications/skills to do the work in question.
 - (b) A permanent employee is declared surplus if his/her hours are permanently reduced by the Employer.

 - (d) Notwithstanding 13.01(c), the Employer will proceed with the implementation of Article 13.
 - (e) Vacant positions will be offered in accordance with this Article prior to processing transfer requests or posting.

13.02 Surplus Procedure

For the purpose of Article 13.01, the following procedure shall be followed in the event a permanent employee is declared surplus:

- (a) Seniority shall prevail
- (b) Where a position(s) is no longer available by reason of shortage of work or funds, the Employer will identify the position(s) and notify the affected employee(s) in writing. The least senior employee(s) in the school/department will be affected, provided the remaining employee(s) have the necessary qualifications/skills to fill the remaining positions. The Principal/Manager will inform all senior employees in that classification that they may elect to be the affected employee. If a more senior employee elects to be the affected employee, such declaration must be made immediately.
- (c) (i) The Employer will attempt to place employee(s) identified in 13.02(b) by offering, according to seniority, available permanent vacancies within the county for which the employee(s) is qualified.

- (ii) If there is not a permanent vacancy available at the same FTE, a lesser FTE vacancy will be offered, if available. The affected employee may accept two lesser vacancies, or may retain his/her reduced hours position, if it still exists, and accept another vacancy, provided the combined total of the two positions does not exceed his/her current FTE. This option is only available provided the schedules of the two positions coordinate. Schedules are determined by Management. Mileage and/or travel time will not be provided to the employee in these circumstances.
- (d) Should the surplus employee want to exercise his/her bumping option, provided one exists, he/she will be given the option of bumping the most junior employee in the same classification within the employee's school district and within the county, whose permanent FTE is the same or nearest to but not greater than the surplus employee's FTE, and provided the surplus employee has the necessary qualifications for the position. These two options may be the same position. Surplus employees are only entitled to bump one employee.
- (e) The application of Article 13.02 may result in a determination by the Employer of an employee's qualifications to bump an identified employee. Such determination will be discussed with the Union President, or designate, however, the final determination will be made by the Employer.
- (f) Communications to employees declared surplus concerning vacancy and bumping options will be given verbally by the Employer to the last known telephone number of the employee according to the records of the Employer. The Employer will make three (3) attempts to contact the affected employee within a twenty-four (24) hour period, after which the Employer will assign an available position to the employee.
- (g) An employee advised of his/her bumping or vacancy options as detailed in Article 13.02 must make a decision immediately, unless an extension of time is requested and such request shall not be unreasonably denied.
- (h) A surplus employee whose hours were partially reduced and who did not accept either of the options outlined in 13.02(c) or (d), may choose to accept the reduction in hours.
- (i) A surplus employee who accepts a vacancy, bumps another employee, or accepts a reduction in hours, will have no further rights under Article 13 unless he/she is subsequently bumped or declared surplus.

- (j) A surplus employee who has not exercised his/her options as outlined in 13.02(c), (d) or (h), shall be laid off.
- (k) The Employer will notify the Local President when written notices of lay-off are issued under Article 13.02(j) or when there is a decision to close a school.

13.03 A probationary employee who is declared surplus shall be offered, in accordance with his/her permanent date of hire, available permanent vacancies in the same classification within the county, for which he/she is qualified, at the same or lesser FTE. Such offers will only be made after surplus employees with seniority have been placed and transfer requests have been processed. Should the probationary employee decline any such vacancies, or decline to accept the reduction in hours, he/she will be laid off with no right of recall.

13.04 An employee who has been bumped in accordance with Article 13.02 shall have the same rights under this Article.

13.05 Employees with seniority who are laid off under Article 13 will be given two (2) weeks' written notice of such lay-off for each full year of seniority to a maximum of twelve (12) weeks of notice. Such notice may be verbal to be followed up in writing. The effective date of the lay-off may be extended by the Employer without requiring a new notice period.

- 13.06
- (a) During the notice period referred to in Article 13.05, the notified employee with three (3) or more years' seniority will be provided with an opportunity to upgrade his/her employment skills by attending an in-house training session listed in the current Training Sessions Schedule, for a maximum of five (5) days (based on the employee's FTE at the time of the lay-off notice), in order that the employee may qualify for available vacancies within the bargaining unit.
 - (b) A listing of the available in-house training sessions may be accessed through the Staff Development Registration System.
 - (c) An employee with three (3) or more years of seniority may, during the period of time he/she is on lay-off and retains seniority rights as defined in Article 12.03(c), attend a regularly scheduled in-house training session as listed in the current Training Sessions Schedule provided the Employer has an available vacant seat in the respective session, as determined by the Employer. Attendance at the session(s) will be without pay and without benefits and will not be considered as a recall under Article 13.07.

- (d) An employee who has received training under Article 13.06, will not be entitled to use such training to increase his/her qualifications in order to bump another employee during the current lay-off period.

13.07 Recall Procedure

- (a) Notwithstanding Article 14.01, an employee on lay-off or on notice of lay-off under Article 13 will, prior to the posting of a permanent vacancy, be offered a permanent vacancy within his/her classification from which he/she was laid off, at the same or lesser permanent FTE immediately prior to lay-off, provided he/she has the capabilities to perform the work in question. Such offers will only be made during the period of time that he/she is on lay-off and retains seniority rights. Should more than one employee be qualified, the vacant position(s) will be offered in order of seniority.
- (b) Notwithstanding 13.07(a), should there be a part-time employee in the same classification at that location who is senior to the laid off employee, then a portion of the vacancy will first be offered to that employee prior to implementing 13.07(a), in order to bring that employee to full-time status, provided the schedules of the two positions coordinate. Should there be another senior employee at that location, that employee will then be offered any remaining time.
- (c) Communications to employees on lay-off concerning recalls will be given verbally by the Employer to the last known telephone number of the employee according to the records of the Employer. The Employer will make three (3) attempts to contact the employee within a forty-eight (48) hour period.
- (d) Where an employee fails to respond to a recall notice or declines to accept the position to which he/she was recalled, the position will be offered in seniority order to other laid off employees with the qualifications/skills to perform the work in question, until all laid off employees have been contacted.

13.08 An employee shall have the right to five (5) offers of a position for which he/she is qualified during the one-year period after an employee has been provided with a written notice of lay-off. The rights under this procedure are lost once the fifth offer is refused, should the employee decline to accept the position at the school/department from which he/she was laid off, or at the completion of the one-year period.

13.09 Employees who fail to respond to recall notices in accordance with Article 12.03 (d) shall forfeit their claim to re-employment.

13.10 Where vacant positions have been offered and have been declined, as per Article 13.07 and 13.08, the vacancy will be posted as per Article 14.

13.11 Employees recalled to a position will be paid in accordance with the classification to which they were recalled at the same wage step that they were at prior to lay-off.

13.12 Temporary Recall

(a) Notwithstanding Article 14.01, an employee on lay-off or on notice of lay-off will, prior to the posting of a temporary vacancy, be offered a temporary vacancy which at the time of the vacancy is anticipated to exceed six (6) weeks, within his/her classification from which he/she was laid-off, and at the same or lesser FTE immediately prior to lay-off, provided he/she has the qualifications/skills to perform the work in question. Such offers will only be made during the period of time that he/she is on lay-off and retains seniority rights. Should more than one employee be qualified, the vacant position(s) will be offered in order of seniority.

(b) An employee recalled to a temporary vacancy retains all rights under Article 13.

(c) The one-year recall entitlement period shall continue where an employee is recalled under this Article to a temporary vacancy.

13.13 Temporary Lay-offs and Shutdowns

(a) A school year employee, who is not at work during the Christmas break, March break, summer break or similar break in a modified school calendar, will not activate the lay-off provisions outlined in Article 13.

(b) Article 13.02 does not apply to a temporary shutdown that results in a temporary lay-off of an employee to a maximum cumulative lay-off period of seven (7) weeks in any year, or to a lay-off of five (5) consecutive days or less. A year for the purposes of this Article shall be defined as September 1st of one year to August 31st of the following year.

(c) Employees will be required to utilize their vacation to cover any Board initiated temporary shutdowns. This requirement may be waived by the Employer.

(d) When an employee runs out of vacation entitlement during a temporary shutdown, he/she will be placed on a temporary lay-off.

- (e) Employees on temporary lay-off shall continue to accumulate seniority during such absence from work.

ARTICLE 14: JOB POSTINGS

- 14.01
- (a) When a permanent vacancy occurs, or a temporary vacancy occurs as defined in Article 14.01(b), or a new position is created inside the bargaining unit, the Employer shall post a notice of the position on the Board's website for a minimum of five (5) days, and copy the Local President by e-mail, in order that all employees, excluding probationary and temporary employees, will know about the position and be able to make written application.
 - (b) A temporary vacancy which is anticipated to exceed six (6) months, or reaches six (6) months, shall be posted. Where the original position is posted as above and filled from within the bargaining unit, the first resulting vacancy shall also be posted. Upon the completion of the temporary assignment, the employee shall be returned to his/her former position and wage level.
 - (c) A successful candidate to a temporary posting may not apply for another temporary posting until the temporary assignment has been completed.
 - (d) Notwithstanding 14.01(a) and 13.01 (e), in a school with a part-time Clerk/Stenographer or Office Assistant position where there is a part-time vacancy, such vacancy or part thereof, may be offered to that part-time person in the same classification. If there is more than one eligible employee, the vacancy will be offered to the most senior eligible employee and if declined, the vacancy will be offered to the remaining eligible employees in the school in descending order of seniority. Any such offer must not result in an FTE greater than 1.0.
- 14.02
- A job posting shall contain the following information:
- (i) classification and FTE;
 - (ii) salary range;
 - (iii) location;
 - (iv) qualifications and skills;
 - (v) required knowledge and education.

- 14.03 (a) When filling posted positions, the following factors shall be considered:
- (i) Ability to perform the work, including the relevant elements such as skill, experience, knowledge and training;
 - (ii) Physically able to do the job;
 - (iii) Work record with the Employer
- It is understood that where the qualifications referred to in factors (i), (ii) and (iii) above are relatively equal, then the employee with the greatest seniority shall be appointed.
- (b) Notwithstanding 14.03(a), when determining who should be interviewed for the position, the Employer shall use only the information provided in the employee's resume/application for the posted position.
- 14.04 (a) The Employer shall first determine whether any of the applicants under Article 14.01 are qualified. If none of the applicants are qualified, they may then seek applications from outside the bargaining unit and from temporary employees.
- (b) **An unsuccessful candidate may request that the Employer provide reasons as to why he/she was not selected.**
- 14.05 (a) The successful candidate on the job posting to a higher classification shall be paid at the lowest wage level of the new classification that would result in a rate increase. If the new classification is in the same Pay Group as per Schedule A, the new wage level must result in a rate increase of at least 3% over the former level of their permanent classification but not to exceed the maximum rate of the classification.
- (b) The successful candidate to a job posting for a lower, or equal classification will be paid his/her current rate or the maximum rate for the new position, whichever is lower.
- 14.06 (a) A successful applicant to a job posting shall be placed on trial in the new position for a period of three (3) consecutive calendar months. In the event the employee proves unsatisfactory in the position, or the employee feels unable to perform the duties of the new position during the aforementioned trial period, the employee will be returned to his/her former position at the employee's previous hourly rate. The implementation of this sequence of events may result in the lay-off of an employee in accordance with Article 13.

- (b) An employee who does not successfully complete the trial period and returns to his/her original position will not, during the same school year, be eligible to use his/her seniority under Article 14.03 when applying for another job posting in that classification.
- (c) The trial period referred to in Article 14.06(a) is not for the purpose of allowing an employee to attain the capabilities required for the posted vacancy.

14.07 After a position has been posted and if the person selected for that position leaves that position within three (3) calendar months, the position need not be reposted. An employee shall be selected in accordance with Article 14.03 from the qualified candidates who made application for the position at the time of the original posting. If no qualified candidate is available to fill the position, the Employer may seek applications from outside the Bargaining Unit.

14.08 The successful applicant for a job posting shall not be eligible to apply for another job posting during the same school year, with the exception of promotions and increases in the employee's FTE.

14.09 Transfer Requests

A permanent employee wanting to transfer to a vacancy within the same classification at another school, Learning Centre or Career Centre, as appropriate, may indicate such by completing an on-line request for transfer. The request must include the following information:

Name
 Classification
 Employee Identification Number
 Current Permanent FTE
 Indication as to whether they will accept a lesser FTE
 Name of up to three schools that he/she wants to transfer to

1. To be considered for a particular vacancy, the transfer request must be submitted on-line prior to the Employer declaring the position vacant.
2. When a position becomes vacant and before posting, the Requests for Transfer will be reviewed. Providing the employee is qualified, as determined by the Employer, and the vacant position is at the same or lesser permanent FTE and classification as the employee currently holds, he/she will be offered the transfer. The Employer shall make 3 attempts within 24 hours to contact the employee, after which the employee shall be ineligible to be offered the position. Should more than one qualified person request a transfer to the same location, the employee with the greatest seniority will be offered the position.

3. Should an employee accept a transfer or decline a transfer that is equal to his/her current FTE under this Article, all transfer requests for that employee shall be deleted and the employee will be unable to request another transfer during the same school year. The employee will be eligible to resubmit requests for the next school year.
4. This article applies only to permanent vacancies.
5. Only permanent employees who have completed their probationary period may apply for a transfer.
6. Requests for transfers will remain valid unless they are withdrawn online or are deleted under section 3.
7. Notwithstanding sections 1 through 6, transfers are subject to the approval of the respective school administrator. When a transfer request is not granted, the Employer shall provide the reasons to the employee.
8. Recalls and placement of surplus staff take priority over transfer requests and will be addressed prior to implementing the transfer process.
9. The transfer process is available to all Educational Assistants, and office staff in schools, Learning Centres and Career Centres, excluding Resource Specialists. Office staff may only transfer to a like location (e.g. school to school, Learning Centre to Learning Centre).
10. Requests for transfer for the summer EA staffing process must be submitted by April 30th.

16.21 Self-Funded Leave Plan

The Self-Funded Leave Plan allows full-time employees the opportunity of taking a one-year leave of absence after the employee defers one fifth of his/her pay each year for a period of four (4) years to a special account.

Employees who have completed a minimum of five (5) continuous years of service with the Board as a permanent employee may apply for such a leave.

Such requests are subject to the approval of the Superintendent of Human Resource Services, or designate.

The number of employees granted leaves in any one school year will be determined by the Board.

All self-funded leaves will commence at the beginning of the school year and will end on the day before school starts on the subsequent school year.

An employee requesting a self-funded leave shall apply in writing to the Manager of Human Resource Services by no later than December 31st, requesting such leave to begin at the commencement of the following school year. Written acceptance or denial of the employee's request shall be provided to the employee by May 1st of the school year that the request was made.

All employees participating in the Self-Funded Leave Plan shall be required to sign an agreement supplied by the Board which outlines the conditions of the leave, including any requirements of Canada Revenue Agency.

During the first four (4) years of the Plan, the Board will defer one fifth of the employee's annual salary into an account established by the employee at an institution of the Board's choosing. The deductions shall be deposited into the account and held in trust for the employee. During the year of leave, the Board will make three deposits of salary, less usual deductions, into the bank account that the Employer has on file for that employee.

The employee's benefits will be maintained by the Board during the initial four (4) years of the Plan, in accordance with Article 20. Should the employee wish to remain covered under the employee benefit plans during the period of leave, he/she must assume the full cost of the premiums of the benefit plans during the leave of absence. In this event, the employee shall authorize the Employer to deduct his/her monthly share of the premiums from the bank account that the Employer has on file for that employee. Sick leave and vacation credits will not accumulate during the year that the employee is on leave. Seniority will continue to accrue during the period of leave.

Should the employee leave the employ of the Board for any reason (including illness or death) while participating in the plan, or advise the Board in writing that he/she wishes to withdraw from the Plan, any monies owed and interest accumulated shall be paid to the employee or the employee's estate.

The employee must notify the Manager of Human Resource Services by March 1st of the year of the leave of his/her intention to return to work. The employee shall return to his/her former classification/location held prior to the commencement of the leave, provided the position still exists and notification of intention to return is received as outlined in this Article. - 17.06 (a) When an employee is absent due to sickness or accident and a claim has been filed with the Workplace Safety and Insurance Board (WSIB), and the employee has accumulated sick leave credits, he/she may draw upon those credits pending the settlement of the WSIB claim. Should the WSIB claim be approved, an employee may draw upon the accumulated sick leave credits for the difference between his/her regular pay and the amount payable by the Workplace Safety & Insurance Board. Upon the depletion of the sick leave credits, the employee shall receive only those benefits to which they are entitled by WSIB regulations.

- (b) The Board and the Union agree that offering modified duties may facilitate an employee's return to work following an injury or illness. The Parties agree to cooperate in developing a return to work program to accommodate an employee's documented medical restrictions.

17.07 An employee who has had five (5) continuous years' service with the Employer or a predecessor Board on retirement at age 65, or on retirement due to permanent total disability, or upon becoming eligible for and receiving an OMERS pension, shall be entitled, or in the event of his/her death, his/her personal representatives shall be entitled, to a gratuity calculated as follows:

For employees employed on a school year basis:

$$\frac{N}{200} \times \frac{S}{2}$$

For all other employees:

$$\frac{N}{260} \times \frac{S}{2}$$

where N is the number of accumulated sick leave credit days at the time of the employee's separation from the Employer, and S is the average of the best five (5) years of the employee's salary at the date of his/her separation from the Employer. In any event, the gratuity shall not exceed the amount of one-half year's earnings at the employee's wage rate received by him/her immediately prior to retirement or death. Notwithstanding the above, an employee who reduces his/her FTE during the school year of the employee's retirement or the school year immediately prior to the employee's retirement, shall not suffer a reduction of the gratuity as a result of the reduced FTE.

17.08 Employees who have had service with a predecessor Board and who, by reason of the sick leave policy of that predecessor Board, had accumulated sick leave credits in excess of 200 days as of December 31, 1968, shall continue to have the total so accumulated as their future maximum accumulation. They will be credited with sick leave in accordance with this Article but no accumulation will be permitted beyond their respective maxima.

Upon death, or permanent disability or upon becoming eligible for and receiving an OMERS pension or retirement at age 65, the gratuity formula for them will be:

$$\frac{N}{A} \times \frac{S}{2}$$

where A is the maximum allowed accumulation for such individual. In any event, the gratuity shall not exceed the amount of one-half year's earnings at the employee's wage rate received by him/her immediately prior to retirement or death. Notwithstanding the above, an employee who reduces his/her FTE during the school year of the employee's retirement or the school year immediately prior to the employee's retirement, shall not suffer a reduction of the gratuity as a result of the reduced FTE.

- 17.09 In the event of the death of an OPSEU employee, any benefits accrued under Articles 17.07 and 17.08 shall be paid to the beneficiary designated by the employee.
- 17.10 Notwithstanding Articles 17.07 and 17.08, members of the bargaining unit commencing employment as a permanent employee after October 6, 1998 will not be eligible to receive a retirement gratuity.

ARTICLE 18: VACATIONS WITH PAY

- 18.01 Vacations with pay will be granted in accordance with the following:
- (a) Periods of vacation for other than ten-month employees will be taken during the calendar year and will not be accumulated.
 - (b) The vacation pay percentage for ten-month employees referred to in Articles 18.02, 18.03, 18.04, 18.05, 18.06 and 18.07 will be applied to their salary earnings, for the period July 1st to June 30th, excluding any vacation pay.
 - (c) (i) A twelve-month employee shall have his/her days/weeks of vacation referred to in Articles 18.02, 18.03, 18.04, 18.05, 18.06 and 18.07 converted to hours/days of vacation with pay based on the employee's daily permanent days paid during the earning period July 1st to June 30th and the employee's rate of pay at the time of taking the vacation.

Employees will not be credited with vacation for a period of unpaid leave except as required by legislation.

- (ii) Notwithstanding 18.01(c)(i), temporary lay-offs resulting from Employer initiated shutdowns at Christmas, the March Break and the summer vacation period, will not reduce a twelve-month employee's vacation entitlement.
 - (d) Permanent part-time employees working additional temporary hours will receive four percent (**4%**) vacation pay on those additional earnings at the time of receiving such earnings.
 - (e) Temporary employees will receive four percent (4%) vacation pay on all regular earnings, excluding vacation pay, at the time of receiving such earnings.
- 18.02 Permanent employees with less than one (1) year of continuous service as a permanent employee by June 30th of any year shall receive one (1) day of vacation with pay for each full month of service up to a maximum of ten (10) days vacation with pay, or shall be paid four percent (4%) of their regular earnings if employed on a ten-month basis.
- 18.03 Permanent employees who have completed one (1) year of continuous service as a permanent employee by June 30th of any year shall receive two (2) weeks' vacation with pay at their current pay rate, or shall be paid four percent (**4%**) of their regular earnings if employed on a ten-month basis.
- 18.04 Permanent employees who have completed three (3) years of continuous service as a permanent employee by June 30th of any year shall receive three (3) weeks' vacation with pay at their current pay rate, or shall be paid six percent (6%) of their regular earnings if employed on a ten-month basis.
- 18.05 Permanent employees who have completed ten (10) years of continuous service as a permanent employee by June 30th of any year shall receive four (**4**) weeks' vacation with pay at their current pay rate, or shall be paid eight percent (8%) of their regular earnings if employed on a ten-month basis.
- 18.06 Permanent employees who have completed fifteen (15) years of continuous service as a permanent employee by June 30th of any year shall receive five (5) weeks' vacation with pay at their current pay rate, or shall be paid ten percent (10%) of their regular earnings if employed on a ten-month basis.
- 18.07 Permanent employees who have completed twenty-four (**24**) years of continuous service as a permanent employee by June 30th of any year shall receive six (6) weeks' vacation with pay at their current pay rate or shall be paid twelve percent (12%) of their regular earnings if employed on a ten-month basis.

- 18.08
- (a) Permanent ten-month employees who are not required to work during the Christmas or March Breaks, or on professional activity days, will continue to receive their normal earnings during that period of time.
 - (b)
 - (i) The payments referred to in 18.08(a) will be considered as vacation pay or public holidays as applicable, and the vacation pay will be deducted from the total vacation entitlement as specified for permanent ten-month employees in Articles 18.02, 18.03, 18.04, 18.05, 18.06 and 18.07. A statement of vacation pay earned and paid during the year and any remaining vacation pay will be provided with the last payment for the school year.

Vacation earnings will be paid in twenty-two (22) equal bi-weekly payments commencing on the first pay in September.
- 18.09
- (a) Where an employee employed on a twelve-month calendar year basis is off work for a serious illness or accident and is entitled to paid sick leave for the one (1) week immediately preceding the employee's scheduled vacation, and the circumstances causing the sick leave absence continue through the employee's entire scheduled vacation time, he/she may elect to continue to receive sick leave pay and shall be entitled to take his/her vacation at another time scheduled by the Employer provided the serious illness or accident causing sick leave is certified by a physician covering the full period of the illness, or may elect to be paid his/her vacation pay instead of sick leave pay for the period of the scheduled vacation.
 - (b) Notwithstanding 18.09(a), where an employee employed on a ten-month basis is off work for a serious illness or accident and is entitled to paid sick leave for the one (1) week immediately preceding the Christmas or March break, and the circumstances causing the sick leave absence continue through the entire scheduled break time, he/she may elect to continue to receive sick leave pay rather than vacation pay for that period provided the serious illness or accident causing the sick leave is certified by a physician covering the full period of the illness.
 - (c) The Board may, at its discretion, consider exceptional circumstances on a case-by-case basis.

- 18.10 Should any of the Public Holidays as defined in Article 21.01 fall or be observed during an employee's vacation period, then such day will not be considered to be a vacation day.
- 18.11 "Regular earnings" for the purpose of Article 18 will include all earnings except for vacation pay, which is excluded.

ARTICLE 19: HOURS OF WORK AND OVERTIME

- (a) For full time employees, the work week shall consist of thirty five (35) hours and the working day shall consist of seven (7) hours exclusive of meal periods which, except under emergency conditions, shall be continuous and uninterrupted for a period or periods of not less than one-half hour each.

 - (c) Notwithstanding Article 19.02(a), the hours of work for a full time Educational Assistant shall not be less than thirty-two and one-half (32%) hours per week and six and one-half (6%) hours per day consistent with the language of Article 19.02(a).

- (f) Articles 19.02(c), (d) and (e) do not restrict the Employer's right to require certain Educational Assistants to have normal hours of work that are greater than thirty-two and one-half (32½) hours per week but not more than thirty-five (35) hours per week. Such Educational Assistants will be paid overtime in accordance with Article 19.03 for all time worked in excess of those normal hours.

19.03 Authorized overtime will be paid at the rate of one and one-half (1½) times the employee's regular rate of pay for all time worked in excess of thirty-five (35) or forty (40) hours per week, as applicable. At the employee's option, compensating lieu time, at time and one-half, may be taken at a time agreed to by the employee and the Principal or Department Supervisor. In the event that such compensating time off is not granted prior to August 31st in any year, the employee will be paid out at the aforementioned rate of pay.

19.04 (a) An Educational Assistant who is asked to attend a school field trip, excluding overnight field trips, will be paid at the overtime rate of pay for any hours on the field trip that extend beyond his/her regular hours of work, excluding lunch and breaks. If the Educational Assistant is unable to take an uninterrupted lunch or break period for safety reasons, such time will be paid at the overtime rate of pay.

(b) When a Principal determines that the attendance of an Educational Assistant is essential to allow a student to participate in an overnight field trip, he/she shall be paid six (6) hours at straight time in addition to his/her regular hours of work, for each day that involves an overnight stay. If the Educational Assistant is unable to take an uninterrupted lunch or break period for safety reasons, such time will be paid at the overtime rate of pay.

19.05 All full-time employees will be allowed two (2) 15-minute rest periods each day and all part-time employees of .5 FTE or greater will be allowed one (1) 15-minute rest period each day, to be taken at a time or times as mutually agreed to between the employee and management. Failing such agreement, the time or times will be set by management. Lunch or breaks will not be scheduled at the beginning or end of the work day.

19.06 In view of Bill 82 and other Government legislation and enrolment and method changes and budget restrictions, the Employer will continue to re-evaluate the secretarial staffing complement in the schools during the Collective Agreement year and where it is proposing changes prior to the next negotiations, such changes will be reported back through the Employee/Management Committee.

19.07 Temporary Assignment Within the Bargaining Unit

- (a) A permanent employee who is temporarily assigned all of the duties of a higher rated secretarial classification will be paid at the lowest hourly rate of the higher classification that would result in a rate increase for all hours worked in that classification. The higher rate will be determined as described in Article 14.05(a).
- (b) A temporary employee who is temporarily assigned all of the duties of a higher rated secretarial classification for more than twenty-one (21) consecutive hours where thirty-five (35) hours is the normal scheduled hours, or after twenty-four (24) consecutive hours where forty (40) hours is the normal scheduled hours, will be paid at the higher rate for any hours worked in that classification. The higher rate will be determined as described in Article 14.05(a).

19.08 Temporary Assignment Outside the Bargaining Unit

- (a) An employee who accepts a temporary assignment outside of the bargaining unit in the Administrative and Educational Support Personnel group will retain all seniority but will not continue to accumulate seniority while in that position.

19.09 Educational Assistants – Professional Activity Days

- (a) The Employer will advise Principals that it is expected that Teachers with Educational Assistants assigned to assist them will have paid time allocated, in accordance with 19.09 (b), to discuss their assignments and the students involved. This is not to be considered as a guarantee of the continuance of this, or any professional activity day. One of the objectives of this meeting is to discuss the scheduled time that may be required to provide joint planning between the Teacher and the Educational Assistant.
- (b) The Board will designate the following number of paid PA Days for Educational Assistants:

2008-2009	4 days
2009-2010	4 days
2010-2011	4 days

The scheduling of such paid PA days shall be at the discretion of the Board. Educational Assistants will be required to be present at their school or other work location on these days, as assigned by the Principal.

- 19.10 (a) No member of the bargaining unit shall be laid off or suffer a reduction in his/her normally scheduled hours of work as a result of the use of volunteers.
- (b) The parties recognize that the Board is a learning environment and as such, they support the ability of the Board to provide learning opportunities for co-op students and others. However, it is understood that the use of such individuals is for the purpose of enhancement and not replacement. Employees shall not have their hours of work changed or reduced as a result of the use of co-op students or other volunteers in the workplace.

The Employer's share of the premiums as outlined in those articles will be pro-rated for part-time employees on the basis of the proportion of thirty-five (35) hours, thirty-two and one-half (32%) hours, or forty (40) hours, where applicable, per week which the employee normally works, excluding overtime.

- 20.09 The Employer will only contribute its share of the premiums for those employees who have completed their probationary period and who are at work, on vacation or on paid sick leave. The Employer will pay its share of the premiums for those employees employed on a school year basis who have completed their probationary period but who are not at work by reason of Christmas and Winter breaks, and the summer vacation period (July and August).
- 20.10 (a) The continuation of benefits during the first year of a leave will be approved by the Employer in accordance with the insurance carrier's policy/procedure and relevant articles of this collective agreement. Staffing Funding Enhancement for 2011 – 2012

Whereas the Government has indicated its intention, conditional upon the approval by the Lieutenant-Governor-in-Council, to increase in 2011/2012 the benchmark salary for Educational Assistants in the Elementary Pupil Foundation Grant, the Special Education Per Pupil Amount (SEPPA) and the new \$5 per pupil amount;

Whereas the government will require that this funding enhancement be used, in 2011/2012, in the manner described below;

Subject to the above, in 2011/2012, the Board will apply this enhanced funding, up to the value of the Board's share, as follows:

Fully offset the incremental cost of increasing the number of paid working days on the approved school year calendar for Educational Assistants from 188 to 194;

- Recall in 2011/2012 Educational Assistants that, as a result of declining enrollment in the Board, were on a recall list within the Board on or after September 1, 2008, subject to the remaining funds available under this enhancement.

Increase the number of hours worked by Educational Assistants up to seven (7) hours per day, subject to the remaining funds available to the Board under this enhancement.

- Use up to \$5 per ADE to offset staff reductions in OPSEU unionized school office staff that may have occurred since 2008/2009 or may have occurred otherwise in 2011/2012 and/or to hire additional OPSEU unionized Board-employed school office support staff, subject to the remaining funds available under this enhancement.

The use of incremental hours for Educational Assistants must include scheduled supervision of students and/or after-school homework support. Nothing in this Letter of Understanding shall prevent the Board from maintaining existing homework support programs operated by volunteers, unless stated otherwise in this collective agreement.

Principals shall have the flexibility to assign these hours in a predictable and scheduled manner in order to best meet the needs of students, the operational needs of the school and the transparency for Educational Assistants' working conditions.

Enhancements Arising from Other Education Support Workers' PDT Agreements

The Government has made a commitment that School Boards and Local Unions would not receive amounts proportionally less than the overall financial settlements reached in any other PDT Agreements that relate to education support workers, subject to the School Boards and Local Unions fully complying with the conditions associated with their governing PDT Agreement.

The School Board Associations and the Ontario Public Service Employees Union have also agreed that in the event that a classification of employees covered by their governing PDT Agreement receives a greater enhancement under a PDT agreement respecting support workers concluded with another support workers union, the greater enhancement shall be provided to the group of applicable employees covered by the governing PDT Agreement.

If the circumstances described above occur, the Board and the Local Union will reopen the collective agreement, but for the sole purpose of giving effect to the enhancements referred herein, subject to the conditions attached thereto, as the case may be.
