Such representation may be mutually altered by the Parties under special circumstances.

This clause does not apply to the arbitration process.

9.00 CATEGORY DEFINITIONS

9.01 Category definitions will be as per Q.E.C.O. Program 5. Should Q.E.C.O. develop a new program during the term of this Collective Agreement, the new program shall be used in determining category placement. No teacher who is evaluated for placement purposes under a new program shall have his/her placement reduced because of the new program.

9.02 When a course or courses which result in a category change have been completed before June 30th of the current school year, and the Q.E.C.O. Evaluation Statement has been received by the Board by August 31st of the current school year, the salary adjustment shall be retroactive to September 1 of the current school year. In no case shall this adjustment be protected beyond August 31st of the current school year.

9.03 All new Teachers who do not have an appropriate Q.E.C.O. evaluation statement will be placed in Category A1 if they have a recognized university degree or Category A if they do not have such a degree, until such time as they submit their Q.E.C.O. evaluation statement.

9.04 There will be no advancement on the Salary Schedule without a Q.E.C.O. evaluation statement.

10.00 ALLOWANCE FOR TEACHER EXPERIENCE

Teachers employed by the Keewatin-Patricia District School Board on January 1, 1998, will be deemed to be placed appropriately on the salary grid.

10.01 Calculation of Teaching Experience

- a) i) Effective January 1, 1998, only teaching time as a regular day school, elementary or secondary, public, reserve, or separate school Teacher in Canada (excluding occasional, continuing education and instructional Teachers) will be recognized as qualified teaching experience for salary schedule purposes. The onus is on the Teacher to provide the Board with satisfactory documentation prior to being placed at the appropriate step on the grid.
- ii) In addition, credit for long term occasional and continuing education experience with the Keewatin-Patricia District School Board will be recognized as credited experience. Teachers requesting such experience credit are responsible for verifying such experience through Teachers' Pension Plan or pay statements. Teachers already placed on the grid as at September 1, 1998, will be deemed as appropriately placed.
- Credit for Long Term Occasional and Continuing Education experience will be recognized for any predecessor Board where it is recognized previously.
- iii) Notwithstanding the above, the Board may grant a teacher teaching experience for salary schedule purposes based on long term occasional teaching experience with publicly funded boards in Ontario. Each case will be reviewed on an individual basis by the Director or designate. The onus is on the Teacher to request the review and to provide the Board with satisfactory documentation prior to being placed at the appropriate step on the grid. The decision of the Director or designate is final and shall not be subject to grievance.
- iv) Further, the Board may also grant teaching experience outside of Canada. Each case will be reviewed on an individual basis by the Director or designate. The onus is on the Teacher to request the review and to provide the Board with satisfactory documentation prior to being placed at the appropriate step on the grid. The decision of the Director or designate is final and shall not be subject to grievance.
- b) A complete school year of teaching full-time shall be considered 10 months of teaching experience. Part-time or part-year teaching time will be converted to the full-time equivalent number of months of experience rounded to the nearest full month.
- c) Placement on the Salary Schedule shall be determined using the following formula:

$$\frac{\text{Total recognized teaching experience in months}}{10} = \text{number of qualified years}$$

The number of years of qualified experience will be rounded to the nearest full year.

- c) If at this point, however, the principals are unable to staff to cover the programs established, the principals will attempt to meet the program requirements (21.02) within the attendance area and schools by a process of elimination. The intent is that the most senior qualified are placed and the least senior qualified/unqualified are displaced and the program needs are met.
- d) Teachers who are displaced from their attendance area and who requested transfers (21.05) will be assigned to another attendance area provided the Teacher has greater seniority and the required qualifications (21.02) and provided the Teacher has so indicated on the form.

Teachers placed on the system recall list each year through this provision shall be placed above those on the recall list from the previous year, each within their own order of seniority. Those on the recall list as a result of the immediate release of surplus staff process will have recall rights prior to those from the previous year.
