Where the Employer conducts a group orientation for new employees, the meeting with the Steward may take place during the orientation. Such meetings shall not exceed thirty (30) minutes. Stewards will be given at least twenty-four (24) hours’ notice of the meeting.

Stewards shall be compensated for such meetings in accordance with Article 7.5(b).

8.2 Step 1

In the first step of the grievance procedure, every reasonable effort shall be made to settle the dispute with the Employer designate. The aggrieved employee shall have the right to have a Steward present at such a discussion. If the grievance is not settled at this step, it may be presented in writing at Step 2.

8.3 Time Limits to Present Initial Grievance

An employee may initiate the written grievance at Step 2 of the grievance procedure, in the manner prescribed in Article 8.4, not later than twenty-one (21) days after the date:

(c) transmitting the grievance to the Employer designate through the Union Steward.

8.5 Time Limit to Reply at Step 2

(a) Within fourteen (14) days of receiving the grievance at Step 2, the Union Steward and the Employer designate shall meet to examine the facts, the nature of the grievance and attempt to resolve the dispute. This meeting may be waived by mutual agreement.

(b) The Employer designate shall reply in writing to an employee's grievance within seven (7) days of the above noted meeting with the Union Steward or, if the meeting is waived, within seven (7) days of the date the Parties agree to waive the meeting.

8.11 Amending Time Limits
The time limits in this grievance procedure may be altered only by written mutual consent of the Parties.

8.12 Technical Objections to Grievances
It is the intent of the Parties to this Agreement that no grievance shall be defeated merely because of a technical error other than time limitations in processing the grievance through the grievance procedure. To this end, an arbitration board shall have the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real substance of the matter in dispute.

8.13 Investigator
Where a difference arises between the Parties relating to the dismissal, discipline or suspension of an employee, or to the interpretation, application, operation or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, during the term of the Collective Agreement,

Such issues may include, but not be limited to, those arising out of Articles 2.6, 2.10, 18, 19, 20, 21 and 28.

9.2 Assignment of Arbitrator

(a) When a Party has requested that a grievance be submitted to arbitration and either Party has requested that a hearing date be set, the Parties shall assign an arbitrator from the mutually agreed upon list of arbitrators and set a date for the hearing.

(d) Depending upon availability, arbitrators shall be assigned cases on a rotating basis, or by mutual agreement.

(e) The Parties shall endeavour to develop and maintain a list of acceptable arbitrators which is gender balanced.

9.3 Board Procedure

(a) In this Article the term "Board" means a single arbitrator or a three (3)-person Arbitration Board.

(b) The Board may determine its own procedure in accordance with the relevant legislation and shall give full opportunity to all Parties to present evidence and make representations. It shall hear and determine the difference or allegation and shall render a decision within sixty (60) days of the conclusion of the hearing.

9.4 Decision of Board

The decision of the majority shall be the decision of the Board. Where there is no majority decision, the decision of the Chair shall be the decision of the Board. The decision of the Arbitration Board shall be final, binding, and enforceable on the Parties. The Board shall have the power to dispose of a discharge or discipline grievance by any arrangement which it deems just and equitable. However, the Board shall not have the power to change this Agreement or to alter, modify, or amend any of its provisions.

9.5 Disagreement on Decision

Should the Parties disagree as to the meaning of the Board's decision, either Party may apply to the Chairperson of the Arbitration Board to reconvene the Board to clarify the decision, which it shall make every effort to do within seven (7) days.
9.6 Expenses of Arbitration Board
Each Party shall pay:

(a) the fees and expenses of the nominee it appoints; and
(b) one-half (½) of the fees and expenses of the Chairperson.

9.7 Amending Time Limits

   9. matters arising from the maintenance agreement and classification manual (to be resolved in accordance with their terms); and
   10. grievances arising from duty to accommodate.

   By mutual agreement, a grievance falling into any of these categories may be resolved by expedited arbitration.

(b) Those grievances agreed to be suitable for expedited arbitration shall be scheduled to be heard on the next available date. The hearing dates shall be mutually agreed and will be at a location central to the geographic area in which the dispute arose.

(c) As the process is intended to be informal and non-legal, outside lawyers will not be used to represent either Party.

(d) The Parties shall make every effort to make use of an agreed statement of facts.

(e) All presentations are to be short and concise and are to include a comprehensive opening statement.

(f) The Parties agree to make limited use of authorities during their presentations.

(g) The arbitrator shall hear the grievances and shall render a decision within two (2) working days of such hearings. No written reasons for the decision shall be provided beyond that which the arbitrator deems appropriate to convey a decision.
(h) Prior to rendering a decision, the arbitrator may assist the Parties in mediating a resolution to the grievance. If this occurs, the cost will be borne in accordance with Section 103 of the Labour Relations Code or a Labour Relations Code provision of similar effect.

(i) All decisions of the Arbitrator are to be limited in application to the particular dispute and are without prejudice. Arbitration awards shall be of no precedential value and shall not thereafter be referred to by the Parties in respect of any other matter.

(j) All settlements of expedited arbitration cases prior to hearing shall be without prejudice.

(k) The Parties shall equally share the cost of the fees and expenses of the arbitrator.

10.3 Right to Grieve Other Disciplinary Action

(a) Disciplinary action grievable by the employee shall include:

(1) written censures;

(c) Any such document, other than formal employee evaluations, shall be removed from the employee's file after the expiration of eighteen (18) months from the date it was issued provided there has not been a further infraction. In cases where disciplinary documents relate to resident or patient abuse, the eighteen (18) month period may be extended by the length of time an employee is absent from work for an accumulated period of more than thirty (30) days, except for periods of approved vacation and maternity leave.

(d) The Employer agrees not to introduce as evidence in any hearing any document from the file of an employee, the existence of which the employee was not aware at the time of filing.

10.4 Performance Evaluations

(a) Where a formal evaluation of an employee's performance is carried out, the employee shall be given sufficient opportunity to meet with the Employer, read, review and ask questions about the evaluation. (e) All performance evaluations shall be carried out in a confidential manner.

(c) The personnel file shall not be made public or shown to any other individual without the employee's written consent, except in the proper operation of the Employer's business and for the purposes of the proper application of this Agreement.
10.6 Right to Have Steward Present

(a) Where an Employer designate intends to interview an employee for disciplinary purposes, the Employer designate must notify the employee in advance of the purpose of the interview and of the employee's right to have a Steward present, in order that the employee can exercise his/her right to contact his/her Steward, providing that this does not result in an undue delay of the appropriate action being taken.

(b) Where the Employer designate intends to interview a Steward for disciplinary purposes, the Steward shall have the right to consult with a Union Staff Representative and to have another steward or alternate present, providing that this does not result in an undue delay of the appropriate action being taken.

(c) This provision shall not apply to those discussions that are of an operational nature and do not involve disciplinary action.

10.7 Abandonment of Position

An employee who fails to report for duty for three (3) consecutive workdays without informing the Employer of the reason for his/her absence will be presumed to have abandoned his/her position. An employee shall be afforded the opportunity to rebut such presumption and demonstrate that there were reasonable grounds for not having informed the Employer.

(a) A regular employee who voluntarily resigns his/her employment and within ninety (90) days is re-hired as a regular employee by the same Employer shall retain, effective the date of re-employment, their former seniority, accumulated sick leave and years of service for vacation purposes.

(b) A regular employee who terminates employment with an Employer listed in Appendix 1, and is employed within ninety (90) calendar days with another Employer listed in Appendix 1, shall upon successful completion of the probationary period, be entitled to portability of benefits as specified below:

11.5 **Seniority Dates**

Upon request, the Employer agrees to make available to the Union the seniority dates of any employees covered by this Agreement. Such seniority dates shall be subject to correction for error on proper representation by the Union.

**ARTICLE 12 - JOB POSTINGS**

12.1 **Job Postings and Applications**

If a vacancy or a new job is created for which Union personnel reasonably might be expected to be recruited the following shall apply:

(a) If the vacancy or new job has a duration of thirty (30) days or more, the vacancy or new job including the salary range, a summary of the job description, the required qualifications, the hours of work, including start and stop times and days off, the work area, and the commencement date shall, before being filled, be posted for a minimum of seven (7) calendar days, in a manner which gives all employees access to such information.

(b) Notwithstanding (a) above if the vacancy is a temporary one of less than sixty (60) days, the position shall not be posted and instead shall be filled as follows:

(1) where practicable, by qualified regular full-time employees who have indicated in writing their desire to work in such positions, consistent with the requirements of Article 12.8. (2) By casual employees, including regular part-time employees registered for casual work in accordance with Article 29.4.

(c) Regular full-time employees shall not be entitled to relieve other regular employees under (b)(1) on more than four (4) occasions in one (1) calendar year unless the Union and the Employer otherwise agree.
Postings for temporary vacancies shall indicate the expected duration of the vacancy, if known.

(e) **Community Health Workers**

Where the Employer posts a regular position pursuant to Article 15.4(e), the following shall apply:

1. Unassigned ongoing hours shall be deemed sufficient to constitute a regular position where fifteen (15) or more hours exist for three (3) consecutive months and can be scheduled within the following parameters:
   (i) up to five (5) consecutive days of work; and
   (ii) a definable ten (10) hour period; and
   (iii) geographic location.

The position including the salary range, a summary of the job description, the required qualifications, days of work, weekly range of hours, period of availability, and the commencement date shall, before being filled, be posted for a minimum of seven (7) calendar days, in a manner which gives all employees access to such information. Where the Employer has a current practice to distribute postings it shall be maintained, unless otherwise agreed at the local level.

2. The difference between the maximum and minimum weekly hours in any range shall be five (5) hours. The posted range of weekly hours may be subject to adjustment in accordance with Article 15.4(d).

### 12.2 Change to Start and Stop Times, Days Off and Work Area

(a) In the posting of a vacancy or a new job, the hours of work, including stop and start times, days off and work area may be subject to change provided that:

1. the change is consistent with operational requirements and the provisions of the Collective Agreement, and is not capricious, arbitrary, discriminatory or in bad faith; and

2. the Employer has inquired into, and given prior due consideration to, the importance placed by the affected employee(s) on the existing hours of work, days off and work area, and the impact the change will have on the personal circumstances of such employee(s).

(b) **Community Health Workers** - In the posting of a vacancy or new job, the days of work and period of availability of a position may be subject to change provided that:

1. the change is consistent with operational requirements and the provisions of the Collective Agreement, and is not capricious, arbitrary, discriminatory or in bad faith; and

2. the Employer has inquired into, and given prior due consideration to, the importance placed by the affected employee(s) on the existing days of work and period of availability and the impact the change will have on the personal circumstances of such employee(s).
12.3 Employment Security and Labour Force Adjustment Requirements

(a) Regular on-going vacancies will be filled as set out below:

(1) Regular employees in the bargaining unit of that Employer and casual employees with more than two thousand, four hundred (2,400) hours’ seniority in the bargaining unit of the Employer who have indicated in writing a desire for regular work. The vacancy will be filled in accordance with the criteria in Article 12;

(2) Displaced qualified regular employees within Community Health Council, Regional Health Board or Community Health Services Society where the vacancy exists, who have been identified by the Labour Adjustment Agency on the basis of seniority;

(3) Qualified regular employees from within the region who have been identified in accordance with the reduction procedures set out in Article 13, on the basis of seniority;

(5) Bargaining unit members at that Employer who are casual employees, according to the criteria in the Definition Section of the Collective Agreement;

(6) Employees in the Community Health Councils, Regional Health Boards or Community Health Service Societies in accordance with Article 12. Such applicants shall port their service and seniority;

(7) External candidates, including displaced non-contract personnel.

(b) Placements under Steps 2, 3, and 4 as set out above would not normally result in a promotion. However, the Parties may mutually agree to a promotion under the placement process. In such case, the promotion provisions of Article 12 shall apply.

(c) Positions funded for specific projects, i.e., grant funded, capital projects, etc., will be posted pursuant to the Collective Agreement and ESLA. When the funding ends, an internal candidate retains their previous status. For an external candidate, they maintain their current rights under the Collective Agreement.

12.4 Application From Absent Employees

The Employer shall also consider applications from those employees, with the required seniority, who are absent from their normal places of employment because of sick leave, annual vacation, unpaid leave, Union leave, compassionate leave, education leave, or special leave, and who have filled in an application form before each absence, stating the jobs they would be interested in applying for should a vacancy or new job occur during their absence.

12.5 Temporary Appointments

Where operational requirements make it necessary, the Employer may make temporary appointments pending the posting and consideration of Union personnel pursuant to 12.1 above.

12.6 Notice to Union

Two (2) copies of all postings shall be sent to the designated Union representative within the aforementioned seven (7) calendar days.
12.7 Notice of Successful Applicant

(a) The Employer shall, within three (3) calendar days, inform all applicants of the name of the successful applicant either in writing to each applicant or posting the name of the successful applicant in the same manner in which the vacancy, or new job was posted.

(b) Upon request, an unsuccessful applicant will be given the reasons why they were unsuccessful.

12.8 Grievance Investigation

The Employer agrees to supply to the Union the names of all applicants for a vacancy, or new position in the course of a grievance investigation.

12.9 Selection Criteria

(a) In the promotion, transfer, demotion or release of employees, performance in current or previous positions, required qualifications (including initiative), and seniority shall be the determining factors. Each of the three (3) determining factors will be accorded equal weight.

(b) For Community Health Worker positions, qualifications also includes ability to meet specific client needs.

12.10 Probationary Period

For the first four hundred and eighty-eight (488) hours of work with the Employer, an employee shall be a probationary employee. By written mutual agreement between the Employer and the Union, the probationary period may be extended by one (1) calendar month provided written reasons are given for requesting such extension.

During the probationary period, an employee may be terminated. If it is shown on behalf of the employee that the termination was not for just and reasonable cause, the employee shall be reinstated. Upon completion of the probationary period, the initial date of employment shall be the anniversary date of the employee for the purpose of determining perquisites and seniority.

Note: Employees who are probationary at the time of ratification of this Agreement shall complete their probation in accordance with the provisions of the Collective Agreement in place at the time of commencement of their probation.

12.11 Qualifying Period

(a) If a regular employee is promoted, voluntarily demoted, or transferred to a job, the classification for which the Union is the certified bargaining authority, then the promoted, voluntarily demoted, or transferred employee shall be considered a qualifying employee in his/her new job for a period of three (3) months. In no instance during the qualifying period shall such an employee lose seniority or perquisites.

(b) If a regular employee has been promoted, voluntarily demoted or transferred and during the aforementioned three (3) month period is found unsatisfactory in the new position, then the promoted, voluntarily demoted or transferred employee shall be returned to his/her former job and increment step before the promotion, voluntary demotion or transfer took place, without loss of seniority.
Any other employee hired, promoted, voluntarily demoted or transferred because of the rearrangement of jobs, shall be returned to his/her former job and pay rate without loss of seniority and accrued perquisites.

An employee who requests to be relieved of a promotion, voluntary demotion, or transfer during the qualifying period in the new job shall return to the employee's former job without loss of seniority or perquisites on the same basis as outlined in paragraph (b) of this Section.

ARTICLE 13 - LABOUR ADJUSTMENT AND TECHNOLOGICAL CHANGE

13.1 Technological Change

(a) Preamble

This Article shall not interfere with the right of the Employer to make such changes in methods of operation as are consistent with technological advances in the health care field.

The Parties recognize the value of maintaining ongoing communication and consultation concerning changes to workplace technology. The Parties agree to meet to exchange information with respect to such issues at the request of either Party.

The purpose of the following provisions is to preserve job security and stabilize employment and to protect as many regular employees as possible from loss of employment.

(b) Employment Security

All Union members covered by this agreement will be protected by employment security as set out in Article 13.8.

The Parties agree that voluntary solutions to problems and adjustments which arise from regionalization and restructuring are the best ones and shall make every effort to achieve them.

(c) Enhanced Consultation

The Employer shall notify the Union of any proposed labour adjustment initiative in accordance with the general principles of enhanced consultation.

The Parties shall meet with respect to the proposed initiative and explore a means whereby the matters arising therefrom may be accommodated. Specifically, the Parties shall use their best efforts to achieve the permanent or interim solution which best meets the needs of the proposed initiative.

13.2 Job Training

At the request of either the Employer or the Union, the Parties shall meet in accordance with Article 7.5 Union/Management Committee for the following purposes:

(a) planning training programs for those employees affected by technological change;
(b) planning training programs to enable employees to qualify for new positions being planned through future expansion or renovation;
(c) planning training programs for those employees affected by new methods of operation;
Whenever necessary, the Parties shall seek the assistance of external training resources such as the Human Resources Development Canada and Provincial Ministry of Labour or other recognized training institutions.

13.3 Process - Reduction and Restructuring

(a) In the event of reduction resulting from any labour adjustment or downsizing initiative, the Employer, together with the Unions, will canvass the bargaining units by means of a notification process to see the degree to which necessary reductions and labour adjustment generally can be accomplished on a voluntary basis by early retirement, transfer to another Employer, and other voluntary options. In the case of voluntary options, where more employees are interested in an available option than are needed for the necessary reductions, the options will be offered to qualified employees on the basis of seniority.

(b) Failing voluntary resolution, positions to be reduced will be identified by the Employer in accordance with the Collective Agreement; then

(1) the Employer shall issue displacement/layoff notices; then

(2) the employee shall exercise bumping rights to a comparable job with the Employer; then

(3) if there is no comparable job with the Employer, the employee may exercise bumping rights into a less than comparable job.

(c) The Parties agree that FTE reductions will not result in a workload level that is excessive or unsafe. The Parties acknowledge that a primary means of ensuring that FTE’s can be reduced without resulting in an excessive workload or diminishing public access to needed health services is through utilization management.

13.4 Definition of Displacement

(a) Any employee classified as a regular employee shall be considered displaced by technological change when his/her services shall no longer be required as a result of a change in plant or equipment, or a change in a process or method of operation diminishing the total number of employees required to operate the department in which he/she is employed.

(b) Where notice of displacement or layoff actually results in a layoff, and prior to a layoff becoming effective, two (2) copies of such notice shall be sent to the designated Union representative.

13.5 Bumping

It is agreed that in instances where a job is eliminated, either by automation or change in method of operation, employees affected shall have the right to transfer to a job in line with seniority provided such transfer does not effect a promotion and provided, further, the employee possesses the ability to perform the duties of the new job. Employees affected by such rearrangement of jobs shall similarly transfer to jobs in line with seniority and ability.

A transfer under this section shall not be deemed to effect a promotion unless it results in an increase in the pay rate of the transferring employee in excess of three percent (3%) of his/her existing pay rate.
The Unions will recommend to their membership that they facilitate and expedite the job selection, placement and bumping process in the context of downsizing and labour adjustment generally.

13.6 Layoff Notice

(a) The Employer shall give regular full-time and regular part-time employees the following written notice of layoff or normal pay for that period in lieu of notice:

(1) an employee who has not completed the probation period - two (2) weeks’ notice;

(2) an employee who has completed the probationary period - four (4) weeks’ notice;

(3) three (3) or more years’ seniority - one (1) additional week per year to a maximum of eight (8) weeks.

Notice of layoff shall not apply where the Employer can establish that the layoff results from an act of God, fire, or flood.

(b) An employee classified as a regular Community Health Worker shall be entitled to notice equivalent to that set out in (a) above in the event the employee falls below the minimum of his/her range of hours for a period of four (4) consecutive weeks and where there are no hours available for assignment pursuant to Article 15.4(a)(4) sufficient to place the employee within his/her range.

13.7 Retention of Seniority

(a) Laid off regular employees shall retain their seniority and perquisites accumulated up to the time of layoff for a period of one (1) year and shall be rehired, if the employee possesses the capability of performing the duties of the vacant job, on the basis of last off - first on. Laid off employees failing to report for work of an ongoing nature within seven (7) days of the date of receipt of notification by registered mail shall be considered to have abandoned their right to re-employment. Employees required to give two (2) weeks’ notice to another Employer shall be deemed to be in compliance with the seven (7) day provision. In the exercise of rights under this section, employees shall be permitted to exercise their rights in accordance with Article 13.5 of this Agreement.

(b) Laid off employees shall be rehired to Community Health Worker positions as set out in (a) above, subject to the provisions of Article 15.

13.8 Employment Security

Displaced employees shall, following the expiration of their notice period under the Collective Agreement, retain employment security for a period of up to twelve (12) months during which time every effort will be made to place such employees into gainful employment (hereinafter called "Employment Security"). Displaced employees who refuse placement by the HLAA shall lose their HLAA registration and the employment security period will be terminated. This does not affect an employee's recall rights under the Collective Agreements.

The Employer from which a displaced employee is displaced shall pay the wages and benefits of the displaced employee for the duration of the employment security period. The HLAA shall reimburse the Employer for any portion of the employment security period in excess of six (6) months.
13.9 **Interim Solutions**

The Parties at the local level will cooperate in the spirit of this Agreement to facilitate interim job security solutions by means of relief assignments pending more permanent solutions.

Employees who accept temporary positions continue to be covered by job security protection at the conclusion of the temporary position.

13.10 **Transfers and Closures**

(a) In the event that services or programs are transferred from one Employer to another, the following will apply:

   Employees will be transferred with the service or program and will port seniority. An employee can refuse a transfer if:

   (1) the transfer is out of the region; or

   (2) the employee has other employment options under the Collective Agreement at the Employer from which the service or program is being transferred, except where the transfer is a result of the closure of the Employer’s operations.

(b) The Employer receiving the program will determine the number and category of employees. Where the receiving Employer does not need all the employees in a category, opportunities to transfer will be based on seniority, and remaining employees will be entitled to exercise their rights under the Collective Agreement.

(c) Transferring employees will port seniority. Note that seniority cannot be used to bump employees of another Employer, but only becomes ported after the employee moves into an existing vacancy.

(d) In the case of the closure of an Employer, casual employees with more than three thousand, nine hundred and fifteen (3,915) hours of seniority acquired within the five (5) years prior to the closure announcement will be covered by the provisions of this Article.

13.11 **Joint Health Care Reform/Labour Adjustment Committee**

The Parties shall promote participation by Union members and by Union members designated by Unions in health reform and utilization management to ensure that: health reform objectives are advanced; waste, inefficiencies, and inappropriate utilization are reduced or eliminated; and employee workloads are not excessive or unsafe. The Parties shall use their best efforts to achieve the permanent or interim solutions that best meet the needs of the proposed initiative.

Joint Union/Management mechanisms shall consist of a local Labour Adjustment Committee composed of equal representation from the Union and the Employer, or any other structure mutually agreed to at the local level.

There shall be no repercussions for employees participating in such activities and the employees shall do so without loss of pay or receive straight-time regular wages for attending meetings of the joint Labour Adjustment Committee.
13.12 Definitions

(a) A generally comparable job is defined as follows:

A job with the same Employer, another Employer in the public service, public sector or non-profit community sector which is within ten percent (10%) of the rate of pay the displaced employee was receiving at the time of displacement. The rate of pay means a comparison at the top step of the increment scale.

In calculating the ten percent (10%) differential the Parties must include wages and the following benefits: medical, dental, extended health, group life and long term disability.

Where placement cannot be made by the expiration of the layoff notice period, the problem shall be referred to the HLAA, which shall have the authority (after ensuring that all other reasonable options have been exhausted and that no placement opportunities are reasonably foreseeable in the immediate future) to modify the definition of “generally comparable” with respect to that employee in order to increase potential placement opportunities.

With respect to Community Health Worker positions, the determination of whether a particular position is “generally comparable” to another shall be based on the upper limit of the range of hours for the position(s).

(b) A “region” shall be as defined in Appendix 3.

13.13 Interpretation

The clarifications, practices and arbitral jurisprudence arising from the Health Accord and IIC Report & Recommendations shall be used as a guide when interpreting Article 13.

13.14 Disputes

Disputes about the interpretation, application, or alleged violation of this Article shall be resolved in accordance with the Dispute Resolutions Process in Appendix 4.

13.15 Section 54 of the Labour Relations Code

The Parties agree that the present Agreement fulfils the requirements of Section 54 of the Labour Relations Code. In the event that any changes related to FTE reductions contemplated by the present Agreement constitute technological change, the Association agrees that the present Agreement gives notice of technological change and complies with the notice periods in the Collective Agreement. The Parties further agree that the present Agreement satisfies any other requirements of technological change or the Employment Standards Act (Group Terminations). There are no other tests regarding change.

13.16 Contracting Out

The Employer agrees not to contract out any work presently performed by employees covered by this Agreement which would result in the laying off of such employees. There will be no expansion of contracting in or out within the bargaining unit of the Union as a result of the reduction of FTEs.
ARTICLE 14 - HOURS OF WORK AND SCHEDULING

Note: Article 14 shall have no application to Community Health Workers and employees scheduled in a manner similar to Community Health Workers.

14.1 Continuous Operation

The workweek shall provide for continuous operation based on a seven (7) day week, twenty-four (24) hours per day.

14.2 Hours of Work

(a) Except as otherwise provided in this Article, the average hours of work for each regular full-time employee covered by this Agreement, exclusive of meal times, shall be thirty-seven and one-half (37½) hours per week or an equivalent mutually agreed to by the Employer and the Union.

(b) Employees with average hours of work greater than thirty-seven and one-half (37½) hours per week shall move to the hours in (a) above on April 1, 1999 without loss of regular pay.

(c) Where the full-time hours of work for any classification at the time of ratification of this Agreement average less than thirty-seven and one-half (37½), the full-time hours of work shall be maintained, except where the Employer and the Union otherwise agree.

It is understood and agreed that in the event the length of the normal regular full-time work week of a future Community Subsector Collective Agreement is, or averages, thirty-six (36) hours per week, the full-time hours of work for any classification averaging less than thirty-six (36) hours per week shall be increased to an average of thirty-six (36) hours per week at that time.

The operation of this part (c) shall not result in an increase or decrease to the hourly rate of pay for any classification.

(d) Except as otherwise provided in this Article, the base day will be seven and one-half (7½) hours for the purpose of calculating the accrued benefit credit banks. Where the full-time hours of work for any classification average less than thirty-seven and one-half hours (37½) per week, the base day will be the average weekly full-time hours of work divided by five (5) work days.

(e) Employees shall be scheduled off from work, exclusive of annual vacations, a minimum of one hundred and fifteen (115) days per year [that is, an average of two (2) days per week plus a minimum of eleven (11) paid holidays]. If, at the end of fifty-two (52) weeks dating from an employee's first scheduled shift in January, an employee has not had a minimum of one hundred and fifteen (115) days off, he/she shall be paid extra at the applicable overtime rate for each day by which his/her total number of days off falls short of one hundred and fifteen (115) days except for days for which he/she was paid overtime in accordance with Articles 16 or 17.3.

(f) Employees shall not be required at anytime to work more than six (6) consecutive shifts, and employees shall not receive at anytime less than two (2) consecutive days off-duty excluding paid holidays, otherwise overtime shall be paid in accordance with Article 16.
Subject to the approval of the Employment Standards Board, the foregoing provision may be varied by mutual agreement between the Employer and the Union.

(g) Where the Employer and the Union have agreement in a Collective Agreement, Memorandum, or Letter of Agreement on specific scheduling provisions with respect to hours of operation, excursions, flex-time, extended work days or modified work weeks for any specific employee or group of employees, the agreements shall be maintained for incumbents as of the date of ratification unless mutually agreed otherwise by the Union and the Employer. If mutual agreement on proposed amendments is not reached either Party may refer the matter to the Investigator pursuant to Article 8.13 who will investigate the difference and give consideration to past practice, employee circumstances and the Employer's operational requirements. The Parties shall be bound by the decision of the Investigator.

14.3 Scheduling Provisions

(a) (1) The Employer shall arrange the times of all on-duty and off-duty shifts, including days in lieu of paid holidays pursuant to Article 17.8 and post these at least fourteen (14) calendar days in advance of their effective date.

(2) If the Employer alters the scheduled work days of an employee without giving at least fourteen (14) calendar days' advance notice, such employee shall be paid overtime rates for the first shift worked pursuant to Article 16, except where the Union and the Employer agree otherwise in good faith. The Union and the Employer may agree at the local level to allow such an agreement to be between the employee and the Employer. Notice of the alteration shall be confirmed in writing as soon as possible.

(b) There shall be a minimum of twelve (12) consecutive hours off-duty between the completion of one (1) work shift and the commencement of the next.

(c) When it is not possible to schedule twelve (12) consecutive hours off-duty between work shifts, all hours by which such changeover falls short of twelve consecutive hours shall be paid at overtime rates in accordance with Article 16.

(d) If a written request for a change in starting time is made by an employee which would not allow twelve (12) consecutive hours off-duty between the completion of one (1) work shift and the commencement of another, and such request is granted, then the application of paragraphs (b) and (c) of this section shall be waived for all employees affected by the granting of such a request provided they are in agreement.

(e) Employees may exchange shifts with the approval of the Employer provided that, whenever possible, sufficient advance notice in writing is given and provided that there is no increase in cost to the Employer.

(f) If the Employer changes a shift schedule without giving a minimum of fourteen (14) calendar days advance notice and such change requires an employee to work on a scheduled day off, then such hours worked shall be paid at overtime rates pursuant to Article 16. Notice of the change shall be confirmed in writing as soon as possible.

(g) Regular full-time employees shall not be required to work three (3) different shifts in any six (6) consecutive day period posted in their work schedules.
14.4 Unusual Job Requirements of Short Duration
The nature of health care is such that at times it may be necessary for an employee to perform work not normally required in his/her job for the safety, health or comfort of a client or resident. It is understood that an employee shall not be expected to perform a task for which he/she is not adequately trained.

14.5 Rest Periods
There shall be a fifteen (15) minute rest period in each half of any full shift. Employees working less than a full shift shall receive one (1) fifteen (15) minute paid rest period.

14.6 Meal Periods
(a) An unpaid meal period shall be scheduled as close as possible to the middle of each shift of five (5) hours or more and shall be taken away from the work area. The length of the meal period shall not be less than thirty (30) minutes, or up to sixty (60) minutes by mutual agreement.

(b) Employees required by the Employer to work during their scheduled meal period will have their meal period rescheduled to an alternative time during that shift. Every effort shall be made to ensure that the rescheduled meal period does not commence within two (2) hours of the end of the shift. Employees whose meal period is not rescheduled will be paid for the meal period at the applicable overtime rates.

(c) An employee who has been designated by the Employer to be available for work during his/her meal period will receive pay for the meal period at straight-time rates.

14.7 Definition of Shifts and Shift Premiums
(a) Identification of Shifts:
   (1) "Afternoon shift" is any shift in which fifty percent (50%) or more occurs between 4 p.m. and 12 midnight.
   (2) "Night shift" is any shift in which fifty percent (50%) or more occurs between 12 midnight and 8:00 am.

14.8 Scheduling Limitations
Unless otherwise specified in this Article, the following shall always apply:
(a) If an employee is required by the Employer to report first to a different location before reporting to her scheduled worksite, travel time from that location to the actual worksite shall be included in the scheduled workday. If at the end of work at her scheduled worksite the employee is required to report back to a different location first before booking off work, travel time from the worksite to that different location shall be included in the scheduled work day.

(b) Except where existing classifications already provide for split shifts, employees shall not be required to work split shifts without the agreement of the Union.

14.9 Excursions
Employees who accompany clients/residents on excursions will be entitled to a full shift's pay and four (4) hours of lieu time for every twenty-four (24) hour period. Lieu time shall be scheduled pursuant to Article 16.6.

Employees currently receiving a superior entitlement shall continue to receive the entitlement.
14.10 Flex-time
For the purpose of this Agreement, flex-time means hours worked by employees who are given authority by the Employer to choose their starting and finishing times, the length of their workday, and days off, for the purpose of providing flexible and accessible service to clients, and providing that:

(a) the work day shall not exceed ten (10) hours, except where the employee specifically requests and the Employer agrees; and

(b) full-time employees shall perform work on at least four (4) days in any calendar week; and

(c) employees shall average seventy-five (75) hours of work per fortnight; and

(d) employees shall continue to be subject to periodic specific instructions from the Employer to attend at particular places and at particular times as required; and

(e) regular full-time employees who have a day of absence from work, whether with or without pay, shall be deemed to be absent for seven and one-half (7½) hours, provided at least seven and one-half (7½) hours are required to complete the averaging period. If less than seven and one-half (7½) hours are required to complete the averaging period, such number of hours will be deemed to be hours of absence;

(f) where the full-time hours of work for a regular employee covered by this Article are different than thirty-seven and one-half (37½) hours per week, the hours of work per fortnight under (c) above shall be adjusted to reflect those full-time weekly hours and, similarly, the deemed daily hours under (e) above shall be adjusted to reflect the regular full-time weekly hours of work divided by five (5) days.

14.11 Modified Hours of Work Arrangements
Where modified hours of work arrangements are presently in place for employees covered by new certifications where there is no Collective Agreement presently in effect, the Union and the Employer shall review and develop local Memoranda of Agreement to address existing scheduling provisions with respect to extended work days, modified work weeks or other modified hours of work arrangements. The Parties agree that existing practices shall not be unreasonably disrupted so long as such practices are consistent with the terms of the Community Subsector Collective Agreement.

14.12 On-Call

(a) Employees required to be on-call shall be paid one dollar ($1.00) per hour, or portion thereof.

(b) The minimum on-call requirement shall be four (4) consecutive hours.

(c) Should the Employer require an employee to have a pager or a cellular phone available during their on-call period, then all related expenses for such device shall be the responsibility of the Employer.

14.13 After Hours – Home Support Operations
"After hours services" shifts are defined as those shifts during which intermittent administration, supervision, and coordination of home support services, after regular hours of operation, are being provided to ensure that the needs of clients and field staff emergencies are met.
Employees assigned to after hours service shifts shall be compensated on the basis of one (1) hour of straight-time pay for each four (4) hours of after hours services assignment.

Employees currently receiving a superior entitlement shall continue to receive the entitlement.

ARTICLE 15 - HOURS OF WORK AND SCHEDULING - COMMUNITY HEALTH WORKERS

15.1 Continuous Operation
The workweek shall provide for continuous operation based on a seven (7) day week, twenty-four (24) hours per day.

15.2 Hours
Except for live-ins and overnights, the hours of work shall be an average of eight (8) hours per day, exclusive of an unpaid meal period or an average of forty (40) hours per week.

Employees shall not be required to work more than six (6) consecutive days without receiving two (2) consecutive days off work.

15.3 Shift Schedules

(a) Scheduled hours shall be confined to a ten (10) consecutive hour period except those doing live-in or overnight shifts. The ten (10) hour period shall not vary from day to day except where the Employer and the employee otherwise agree. The ten (10) hour period may also be changed in accordance with Article 12.2.

(b) Notwithstanding 15.3(a), the Parties recognize an individual client may require service in excess of eight (8) hours. Employees shall have the option of accepting such assignments to a maximum of twelve (12) hours in a day at straight-time pay. An employee who elects to accept such shifts shall confirm their agreement to do so in writing. Copies of such requests shall be sent to the Union Representative. Employees shall have the right to revoke acceptance of such shifts by providing the Employer with two (2) weeks’ written notice.

(c) A regular employee’s work schedule shall be made available to the employee a reasonable period in advance of the starting day of the new schedule. The employee’s schedule shall cover a two-week period. It is understood that the schedules may be subject to revision and/or cancellation in accordance with the provisions of the Collective Agreement. In the event of a dispute the Steward shall have access to the schedules of each employee and, if requested, shall be provided with copies.

15.4 Scheduling of Hours

(a) Regular Employees

(i) Regular employees shall be scheduled hours within their classification based on seniority, subject to the employee’s ability to meet specific client needs and geographic location.

(ii) When assigning hours, regular employees shall be given priority over casual employees in accordance with the process described in Article 15.4(a).
(2) The Employer shall post regular positions specifying the days of work, ten (10) hour period of availability and weekly range of hours. The difference between the maximum and minimum posted weekly hours shall be five (5) hours.

(3) If a regular employee is below the maximum hours in the range of their position the Employer shall, as soon as possible, assign hours that can be accommodated considering the employee's existing assignments, in the following sequence:
   (i) from new hours;
   (ii) from hours assigned to casuals in reverse order of seniority.

(4) If a regular employee is below the minimum hours in the range of their position the Employer shall continue to assign hours in the following sequence:
   (i) from new hours;
   (ii) from hours assigned to casuals in reverse order of seniority.

However, within no longer than seven (7) days, the Employer shall assign hours that can be accommodated considering the employee's existing assignments from junior regular employees, in reverse order of seniority.

(5) Even where an employee has been assigned hours at or above the minimum hours in the range of her position, the Employer shall continue to assign available hours to her consistent with the provisions of (3) above.

(6) Assignment of Unassigned Hours to Regular Employees

Regular employees who wish to be assigned hours above the maximum of their range may register under Article 29.3 (e) for unassigned hours. Where unassigned hours are available, the Employer shall offer such unassigned hours to these registered employees in accordance with Articles 29.3 (e) and (g). Where such hours are assigned they may be reassigned to other regular employees eligible for such hours pursuant to Article 15.4 (a) (3) or (4).

The provisions of Articles 29.1(a), (b), (c) and (d) shall not apply. All time worked shall be credited to the employee for the purpose of seniority and benefit accumulation.

(b) Ability to Meet Specific Client Needs

For purposes of this Article, an employee’s ability to meet specific client needs shall be determined using the following criteria:

(1) language requirements and gender, where lack of consideration would lead to an adverse effect on the well being of the client;
(2) continuity of care, where the lack of consideration would lead to an adverse effect on the health of the client;
(3) employee/client compatibility, where the lack of consideration would likely lead to an adverse effect on the health of the client. When a complaint arises, the Employer will investigate the complaint and endeavour to rectify the situation prior to reassigning the employee;
(4) a care need requiring a specific skill. Where a regular employee requires training for a delegated task/task II in order to access a particular assignment for which
she is otherwise eligible pursuant to Article 15.4(a)(3) or (4), such training shall be provided to the employee as soon as reasonably practicable.

(c) Where an employee classified as an CHWII is eligible to be assigned hours under Article 15.4(a)(3) or (4) above and where no such hours are available, the employee may opt to receive CHWI hours or to work reduced hours. Where the employee chooses to accept CHWI hours, the Employer shall maintain the CHWII rate of pay for a period not to exceed two (2) weeks. Whichever option the employee elects, the employee shall remain entitled to CHWII hours in accordance with Article 15.4(a)(3) and (4) above as soon as they become available.

(d) Ongoing hours are defined as non-relief hours which are anticipated to have a duration of three (3) consecutive months or more. Ongoing hours that have not been assigned to a regular employee pursuant to 15.4(a)(3) or (4) above shall be considered unassigned. Where there are ongoing hours that are unassigned, and are sufficient to constitute a regular position, and which can be assigned in five (5) hour increments, the Employer shall first:

(1) offer, by seniority, to increase the weekly range of hours of existing regular positions, subject to Article 15.4(a)(1). The Employer shall canvass employees whose days of work and ten (10) hour period of availability would allow for inclusion of the unassigned hours. Employees shall have the option to accept or decline an increase in their posted range of weekly hours; then,

(2) where no regular employee opts to accept an increase in their posted range of weekly hours, the Employer may increase the posted range of the most junior regular employee(s) whose posted days of work and ten (10) hour period would allow for inclusion of the available hours, subject to Article 15.4(a)(1), or post a new regular position in accordance with Article 12 and (e) below.

(e) Unassigned ongoing hours shall be deemed sufficient to constitute a regular position where fifteen (15) or more such hours can be scheduled within the following parameters:

(1) up to five (5) consecutive days of work; and
(2) definable ten (10) hour period;
(3) geographic location.

(f) Regular employees may refuse hours only if the hours are in excess of their maximum weekly range of hours, subject to Article 15.4(d) or outside their (10) hour period referred to in Article 15.4(a)(2).

(g) The Employer shall make every reasonable effort to minimize or eliminate the number of splits (and minimize the duration of such splits) in an employee's daily schedule, exclusive of meal periods, subject to time specific service requirements and travel time.

(h) The Employer may contact regular employees outside of their period of availability only for scheduling purposes.

(i) Regular employees contacted outside their period of availability for reasons other than those described in (h) above shall be paid at straight-time rates for the duration of the call, with a minimum of fifteen (15) minutes per call.

(j) Assigned schedules shall include adequate time to complete any client reports requested by the Employer.
(k) Employees will not be required to access the Employer’s voice mail scheduling system more than once per day.

(l) Casual Employees - Hours shall be assigned to casual employees pursuant to Article 29 based on seniority, subject to the employee's availability, ability to meet specific client needs, skill and ability required for the specific assignment and geographic location.

15.5 Reassignment

Either the client or the employee shall have the right to have a particular assignment removed, subject to an investigation by the Employer. Such request shall not be unreasonably denied. In these circumstances, the employee shall receive hours pursuant to Article 15.4(a), including hours reassigned from junior regular employees, as soon as possible.

15.6 Minimum Hours

(a) Every reasonable effort will be made to ensure that no regular employee is assigned to work less than four (4) hours in a given day with the exception of emergency situations.

(b) An employee reporting to work but unable to commence or continue her/his duties for reasons beyond the control of the Employer, shall be required to immediately report the situation to her Supervisor. Where possible, the employee shall be reassigned to an alternate worksite. Where no alternate work is available, the employee shall receive payment for the assignment to a maximum of four (4) hours straight-time pay or, where the Employer is reimbursed for greater than four (4) hours payment, for the number of hours reimbursed to the Employer.

(c) Assignments cancelled with less than twenty-four (24) hours’ notice shall not result in loss of pay to the employee, provided the Employer is reimbursed for the service.

15.7 Travel Time

(a) Travel time between clients shall be scheduled by the Employer, and is included in the employee's paid hours of work. Travel time between clients shall not be included in the meal periods. Where the employee is not required by the Employer to utilize her private vehicle for travel between clients, the travel time scheduled and paid by the Employer shall assume travel by automobile.

(b) Employees shall be reimbursed for the cost of any taxi or ferry transportation authorized by the Employer.

15.8 Emergency Contact

(a) The Employer shall implement a system whereby employees can be contacted in the event of an emergency.

(b) The Employer to provide employees on duty outside the regular office hours with access to an agency staff person or designate in the event of an urgent situation.

(c) The Employer will offer to provide a staff person to assist an employee who encounters a deceased client.
15.9 Leaves of Absence

(a) When leave of absence with pay is granted the employee shall be paid based on the average number of hours worked in the twelve (12) pay periods preceding the leave of absence.

(b) Employees who are absent from employment on an approved leave of absence shall, upon return to work, be assigned hours pursuant to Article 15.4 in the same weekly range of hours, period of availability and days of work they were in prior to their leave of absence.

15.10 Meal Periods

(a) Unless the Employer and the employee otherwise agree an unpaid meal period shall be scheduled as close as possible to the middle of each shift of five (5) hours or more and shall be taken away from the work area. The length of the meal period shall not be less than thirty (30) minutes, or up to sixty (60) minutes by mutual agreement.

(b) Employees required by the Employer to work during their scheduled meal period will have their meal period rescheduled to an alternative time during that shift. Every effort shall be made to ensure that the rescheduled meal period does not commence within two (2) hours of the end of the shift. Employees whose meal period is not rescheduled will be paid for the meal period at the applicable overtime rate.

(c) An employee who has been designated by the Employer to be available for work during his/her meal period will receive pay for the meal period at straight-time rates.

15.11 Unusual Job Requirements of Short Duration

The nature of health care is such that at times it may be necessary for an employee to perform work not normally required in his/her job for the safety, health or comfort of a client or resident. It is understood that an employee shall not be expected to perform a task for which he/she is not adequately trained.

15.12 Minimum Number of Days Scheduled Off From Work

Employees shall be scheduled off from work, exclusive of annual vacations, a minimum of one hundred and fifteen (115) days per year [that is, an average of two (2) days per week plus a minimum of eleven (11) paid holidays]. If, at the end of fifty-two (52) weeks dating from an employee’s first scheduled shift in January, an employee has not had a minimum of one hundred and fifteen (115) days off, he/she shall be paid extra at the applicable overtime rate for each day by which his/her total number of days off falls short of one hundred and fifteen (115) days except for days for which he/she was paid overtime in accordance with Articles 16 or 17.3.

15.13 Scheduling Limitations

Unless otherwise specified in this Article, the following shall always apply:

If an employee is required by the Employer to report first to a different location before reporting to his/her scheduled worksite, travel time from that location to the actual worksite shall be included in the scheduled workday. If at the end of work at his/her scheduled worksite the employee is required to report back to a different location first before booking off work, travel time from the worksite to that different location shall be included in the scheduled work day.
15.14 Live-in and Overnight Shifts

(a) Compensation

Live-in shifts shall be paid at a minimum of ten (10) hours or more if purchased by the purchaser of the service, at the employee's regular rate of pay. All hours paid shall be used in the determination of benefit entitlement and seniority. Employees shall receive two (2) consecutive days off after five (5) consecutive days worked in one (1) week.

Overnight shifts shall be paid at a minimum of eight (8) hours or more if purchased by the purchaser of the service, at the employee's regular rate of pay. All hours paid shall be used in the determination of benefit entitlement and seniority. Employees shall receive two (2) consecutive days off after five (5) consecutive days worked in one (1) week.

Upon request, the hours purchased by the purchaser of live-in shifts and overnight shifts will be provided to the Union for all clients.

Live-in employees shall be entitled to a break, without loss of pay, of three (3) consecutive hours between 9:00 a.m. and 9:00 p.m. unless mutually agreed otherwise.

Employees will not be scheduled to do live-in or overnight shifts unless the employee has indicated in writing to the Employer they will accept such shifts.

Employers whose current practice provides for a superior entitlement shall continue the practice.

(b) Standards

(1) General - The Employer shall, as a minimum standard for live-in and overnight shifts, ensure the Continuing Care Guidelines with respect to working conditions are complied with.

(2) Living Accommodation - Reasonable living accommodation (regarding safety and sanitation) shall be provided within basic standards, i.e., running water, indoor plumbing, heat and light.

(3) Telephone Access - Employees shall be entitled to reasonable use of the client's telephone for local calls during the evening to speak with family members (i.e., spouse, children, dependents, parents). Employees may not receive personal calls on the client's telephone nor give out the client's telephone number. In the case of urgent personal calls to the employee, messages will be taken by the Employer and passed on to the employee as soon as possible. In the event of an emergency, the employee shall use the client's telephone to contact the appropriate authorities or the contact person designated by the Employer.

(4) Health and Safety - Health and safety factors must be considered in the selection of sleeping accommodations. The employee must be provided with appropriate, clean and private sleeping spaces.

(5) Safety of Employee and Client - The Employer is responsible for providing a safe working environment for employees. Where possible, an initial safety inspection should be done of the environment (including equipment) prior to placement of the employee.

(b) The Employer and the Union recognize that the nature of the work carried out by employees in some classifications is such that it may not be possible for the employee to obtain prior authorization for the necessary overtime work. In order to facilitate a fair and reasonable administration of this clause, the Employer will draw up a policy defining the circumstances under which employees working in specific positions may undertake overtime work without prior authorization. A copy of the policy will be provided to the Union.

16.3 Overtime on Day Off

Employees required to work on a scheduled day off shall receive the overtime rate as provided but shall not have the day off rescheduled.

16.4 Overtime on Paid Holiday

If an employee works overtime on a paid holiday which calls for a premium rate of pay as provided at Article 17, the employee shall be paid overtime at the rate of time and one-half times (1½x) the premium statutory holiday rate for all hours worked beyond the normal daily full shift hours.

16.5 Overtime Pay

Overtime pay shall be paid to the employee on the next paycheque after the expiration of the pay period in which the overtime was earned except as provided in Article 16.6 below.

16.6 Compensating Time Off

At the time an employee is required or requested to work overtime, the employee may opt for compensating time off at the applicable overtime rate in lieu of overtime pay. If an employee opts for compensating time off in lieu of overtime pay, the time shall be taken at a time mutually agreed to by the employee and the Employer and shall be taken within twenty-four (24) calendar weeks of the occurrence of the overtime. The Employer will make a reasonable effort to allow time off when requested by the employee. If such time off is not taken by the end of the twenty-four (24) week period, overtime at the applicable overtime rate shall be paid on the employee's next regular paycheque.
16.7 Overtime Meal Allowance
An employee who works two and one-half (2½) hours of overtime immediately before or following his/her scheduled hours of work shall receive a meal allowance of seven dollars ($7.00). One-half (½) hour with pay shall be allowed the employee in order that he/she may take a meal break either at or adjacent to his/her place of work.
(a) This clause shall not apply to part-time employees until the requirements of Article 16.9 have been met.
(b) In the case of an employee called out on overtime to work on a rest day, this clause will apply only to hours worked outside his/her regular shift times or period of availability for a normal work day.

16.8 Right to Refuse Overtime

(b) A part-time employee working less than the normal days per week of a full-time employee, and who is requested to work other than his/her regularly scheduled work days, shall be paid at the rate of straight time for the days so worked up to and including the normal work days in the work week of a full-time employee.

If eight (8) clear hours of time off are not provided, overtime rates shall apply to all hours worked on the next regular shift.

16.11 Call-Back
Employees called back to work on their regular time off shall receive a minimum of two (2) hours overtime pay at the applicable overtime rate, or shall be paid at the applicable overtime rate for the time worked, whichever is greater.

These employees shall receive a transportation allowance based on the cost of taking a taxi from their home to the Employer's place of business and return or, if the employee normally drives his/her automobile to work the allowance in Article 27.12 from the employee's home to the Employer's place of business and return. A casual employee shall be entitled to register for work in any job classification in a single department for which the employee meets the requirements of the job based on the factors in Article 12.9. No casual employee shall be registered in more than one (1) department except where the Employer and the Union otherwise agree in good faith.

Note: The Parties concur that the application of departments in some Employers may not be practical. Employers will establish departments in good faith based on operational needs and not to circumvent the spirit of this clause.

(b) Where it appears that the regular employee whose position is being filled by a casual employee will not return to his/her position within sixty (60) days, that position shall be posted and filled pursuant to the provisions of Article 12.1(a).

(c) A casual employee who is appointed to fill a position under (b) above may only become a regular employee by successfully bidding into a permanent vacancy pursuant to Article 12. Upon completion of an assignment a casual employee shall revert to the casual list.

(d) The manner in which casual employees shall be called to work shall be as follows:

(1) The Employer shall maintain both (a) a master casual seniority list which shall include all casual employees employed by the Employer listed in descending order of their seniority; and (b) a classification registry for each job classification in which casual employees may be used. Each classification registry shall list
those casual employees who have been qualified to work in that job classification in descending order of hours worked.

(2) (i) The Employer shall call by telephone only those casual employees who are registered in the classification registry applicable to the work required to be done at a number provided by the employee. Only one (1) call need be made to any one (1) casual employee provided that the telephone shall be permitted to ring a minimum of eight (8) times.

(ii) By mutual written agreement between the Employer and the Union designate, an employee may be contacted by alternate means of communication. Where the Employer and the Union designate execute such an agreement, the agreement will also address the amount of time the employee will have in which to respond to call.

(3) All such calls shall be recorded in a log maintained for the purpose which shall show the name of the employee called, the time of vacancy, the time that the call was made, the job required to be done, whether the employee accepts or declines the invitation to work or fails to answer the telephone, and the signature (or name if computerized) of the person who made the call. In the event of a dispute, the Union shall have reasonable access to the log and shall be entitled to make copies.

(4) If the casual employee who is being called fails to answer or declines the invitation to work, the Employer shall then call the next most senior employee registered in that job classification and so on until a casual employee is found who is ready, willing and able to work.

29.3 Call-in Procedure - Community Health Workers

(a) Letter of Appointment

All casual employees shall receive a letter of appointment immediately upon recruitment clearly confirming their employment status and their classification. This letter shall also confirm the casual employee’s days and times of availability for work of a casual nature.

(b) General Availability

The commitment to general availability specified by the casual employee shall be subject to revisions. Such revisions will occur once per year or, if mutually agreed between the Employer and the employee, on a more frequent basis. Should a casual employee wish to increase her general availability she may do so at any time. The Employer will issue a revised letter of appointment to reflect approved changes to an employee’s general availability. The Employer shall not unreasonably deny a request for change of availability.

(c) Short Term Availability

Notwithstanding the above, casual employees shall provide monthly availability schedules in writing to the Employer no less than fourteen (14) days prior to the start of the month, indicating the days and times when they are not available. The Employer shall not be obliged to call casual employees for those days and times on which they have indicated unavailability. Casual employees may revoke, in writing, their stated unavailability for the month, to be effective commencing three (3) days after notification is received by the Employer.
If the employee's monthly availability over a three-month period (excluding June, July, August and spring break or Christmas break) is inconsistent with the availability specified in the employee's letter of appointment, the Employer and the Union shall meet to discuss the bona fides of the inconsistencies.

(The following paragraph shall be effective September 1, 2001 for casual employees on staff as of the date of ratification)

During June, July, and August, a casual employee's monthly availability shall not be inconsistent with her letter of appointment, apart from approved periods of unavailability. Approved periods of unavailability shall not exceed five (5) weeks during this three-month period. Approved periods of unavailability shall be granted on the basis of seniority. A casual employee's availability during either spring break or Christmas break shall also not be inconsistent with the availability specified in the employee’s letter of appointment. Requests for periods of unavailability will be considered by the Employer after regular employees' vacation periods are finalized. As such, approval of regular employees’ vacation periods shall take priority over approval of casual employees’ periods of unavailability.

(d) Non Availability for Work

Casual employees may refuse assignments on days or shifts which they have stated they are available three (3) times in any six (6) month period. On the fourth refusal, the casual employee may be removed from the casual list unless the employee can demonstrate that the refusals were for valid reasons.

(e) Casual employees shall be called in to work in the order of their seniority, subject to ability to meet specific client needs, skills, experience and geographic location, and provided that they are registered to work in a job classification applicable to the work required to be done. A casual employee shall be entitled to register for work in any job classification for which the employee meets the requirements of the job based on the factors in Article 12.9.

(f) A casual employee may only become a regular employee by successfully bidding into a regular position pursuant to Article 12. Upon completion of an assignment a casual employee shall revert to the casual list.

(g) The manner in which casual employees shall be called to work shall be as follows:

(i) The Employer shall call by telephone only those casual employees who are registered in the classification applicable to the work required to be done at a number provided by the employee. The Employer shall call employees in order as provided under Article 29.3(e) above. Only one call need be made to any one casual employee provided that the telephone shall be permitted to ring a minimum of eight (8) times.

(ii) Notwithstanding (i) above, the Employer may require casual employees to contact the Employer's voice mail system once per day in accordance with Article 15.4(k). Where the Employer leaves a message for a casual employee on the voice mail system regarding an assignment, the Employer may not make further calls under Article 29.3(e) unless the employee declines the assignment or does not provide the Employer with a response before the designated time for response on the next day.
(iii) By mutual written agreement between the Employer and the Union designate, an employee may be contacted by alternate means of communication. Where the Employer and Union designate execute such an agreement, the agreement will also address the amount of time the employee will have in which to respond to call.

(2) Upon request, the Employer shall provide the Union with the schedule worked by casual employees specifying daily hours, the specific client service times and type of assignment (i.e., CHW1 or CHWII).

(3) If the casual employee who is being called fails to answer or declines the invitation to work, the Employer shall then call the next employee registered in that job classification in accordance with Article 29.3(e) above and so on until a casual employee is found who is ready, willing and able to work.

29.4 Seniority List

(a) The master casual employee seniority list and each classification registry shall be revised and updated every three (3) months as of the last date of the payroll period immediately prior to January 1, April 1, July 1 and October 1 (the "adjustment" dates) in each year. The seniority of each casual employee thus determined shall be entered in the classification registry in descending order of the most hours worked to the least. Casual employees hired after an adjustment date shall be added to such classification registry or registries as are applicable in the order that they are hired.

(b) For purposes of a call-in to do casual work, anytime accumulated in a current period shall not be reconciled until the next following adjustment date.

(c) Within two (2) weeks of each adjustment date the Employer shall send to the Union designate a revised copy:

(1) of the master casual seniority list; and
(2) of each classification registry maintained by the Employer.

(d) Sections (a), (b), and (c) above shall not apply to casual Community Health Workers.

(e) Upon return to work, casual employees will be credited with seniority hours for the period of time during which the employee was in receipt of wage-loss benefits from the WCB under Sections 29 or 30 of the Workers’ Compensation Act. The number of hours credited shall be based on the employee’s average weekly straight-time hours paid over the one-half (½) payroll year preceding the employee’s leave of absence due to compensable illness or injury. Where the employee has been employed for less than one-half (½) payroll year, straight-time paid hours shall be based on the employee’s average weekly straight-time hours paid since date of hire.

29.5 Regular Part-time Employees

(a) Regular part-time employees may register for casual work under this clause except that Article 29.1(a), (b), (c) and (d) shall not apply. Where the regular schedule of a part-time employee registered under this section conflicts with a casual assignment, the part-time employee shall be deemed to be unable to work except that where the assignment is longer than four (4) days, the employee shall be relieved of his/her regular schedule at the option of the employer. All time worked shall be credited to the employee for the purpose of seniority and benefit accumulation.

(2) Where a casual employee subsequently elects to withdraw from the benefit plans or fails to maintain the required payments, the Employer shall terminate the benefits. Thereafter the employee shall only be entitled to re-enroll if the employee so elects between December 1 and December 15 in any year to be effective the January 1 next following.

(b) Effective April 1, 2003, where a job posting is filled by a casual employee under Article 29.2(b) and the casual employee occupies the position for six (6) months or more, he/she will be entitled to reimbursement for monthly benefit premiums paid by the employee for medical, dental and extended health pursuant to paragraph (a) above for the period subsequent to the first thirty-one (31) days in the position.

In any event, after the casual employee has filled the position for a period of six (6) months, the casual employee shall be enrolled in the benefit plans listed below at the sole cost of the Employer:

- Article 25.1 - BC Medical Plan
- Article 25.2 - Dental Plan
- Article 25.3 - Extended Health Plan

Coverage under this section shall cease when either:

(i) the regular incumbent returns to the position, or
(ii) the casual employee is no longer working in the posted position.

ARTICLE 30 - GENERAL CONDITIONS

30.1 Copies of Agreements

(a) The Unions and the Employers desire every employee to be familiar with the provisions of this Agreement, and his/her rights and obligations under it. Sufficient copies of the Agreement will be printed for distribution to employees. HEABC and the Association will share equally the cost of printing and distribution.

(b) The Agreements shall be printed in a Union print shop and shall bear a recognized Union label.

(c) The Employer will provide copies of the printed Agreement within ninety (90) days of the signing of this Agreement. Ninety (90) days may be waived in extenuating circumstances.

30.2 Volunteers

Volunteers will be supernumerary to positions in the bargaining unit. The use of volunteers will not result in a reduction of hours or the layoff of employees in the bargaining unit. Volunteers will not be used to fill or replace existing positions within the bargaining unit.

The Union recognizes and agrees that clients may participate in the day to day operations of the Employer for therapeutic value.
30.3 Meals
Employees who are required to prepare meals and eat the meals, or who are required to eat the meals, at the worksite with clients or residents shall have the same meal provided at no cost to the employee.

30.4 Job Sharing
The Employer shall not enter into any Job Sharing arrangements with employees without the written agreement of the Union.

30.5 Personal Duties
Employees will not be required to perform duties of a personal nature for supervisory personnel which are not related to the work of the Employer.

30.6 Special Employment Programs
Where participants in a special employment program for youth or other individuals will perform work of the bargaining unit, the Employer must have the written agreement of the Union. Such agreement will not be unreasonably withheld.

30.7 Article Headings
In this Agreement titles shall be descriptive only and shall not form part of the interpretation of the Agreement by the Parties or an Arbitration Board.

30.8 Criminal Record Check
Where the Employer requires an employee to undergo a criminal record check as a condition of continued employment, the Employer shall reimburse the employee for the full cost of the criminal record check.

ARTICLE 31 - NEW AND CHANGED POSITIONS

*Note: This Article will remain in effect until the implementation of the Maintenance Agreement and Classification Manual. See Appendix 7 – Maintenance Agreement and Classification Manual.

31.1 Job Descriptions
(a) Except where an Employer has already presented the Union with job descriptions in accordance with the provisions of a previous Collective Agreement, the Employer shall draw up job descriptions for all jobs in the Bargaining Unit and present them in writing to the Union designate within ninety (90) days of ratification of this Collective Agreement.

(b) The job descriptions presented to the Union shall become the recognized job descriptions unless written notice of objection is given by the Union within sixty (60) days.

(c) Where the Union objects, it shall provide specific details of its objections which shall be generally limited to whether:
(1) the procedure whereby the job shall be established has been followed;
(2) the job description accurately describes the type of duties, level of responsibilities and required qualifications of the job;
(3) the job is properly remunerated in relation to the existing wage schedule; and
(4) any qualifications established for the job are relevant and reasonable.

(d) If the classification and/or wage rate established by the Employer for the new position is revised as a result of negotiation or arbitration, then the revised classification and wage rate shall be effective from the date the position was established.

31.2 New and Changed Positions

When a new or substantially altered job category covered by this Agreement is introduced, the wage rate and job description shall be given to the Union. Unless notice of objection by the Union is given to the Employer within sixty (60) calendar days after such notice, the wage rate and job description shall be considered to have been agreed. Where the Union objects, it shall provide reasons for the objection in writing subject to the provisions of Article 31.1.

If the classification and/or wage rate established by the Employer for the new position is revised as a result of negotiation or arbitration, then the revised classification and wage rate shall be effective from the date the position was established.

ARTICLE 32 - TERM OF AGREEMENT

32.1 Duration

(a) This Agreement shall be binding and shall remain in effect until midnight March 31, 2004.

(b) The provisions of this Agreement, except as otherwise specified, shall come into force and effect one (1) week following the date of ratification.

32.2 Change in Agreement

Any change deemed necessary in this Agreement may be made in mutual agreement at anytime during the life of this Agreement.

32.3 Notice to Bargain

(a) This Agreement may be opened for collective bargaining by either Party giving written notice to the other Party on or after December 1, 2003 but in any event not later than midnight, December 31, 2003.

(b) Where no notice is given by either Party prior to December 31, 2003, both Parties shall be deemed to have given notice under this Article on December 31, 2003.

32.4 Agreement to Continue in Force

(a) Both Parties shall adhere fully to the terms of this Agreement during the period of bona fide collective bargaining.

(b) It is agreed that the operation of Subsection 2 and 3 of Section 50 of the Labour Relations Code is excluded from this Agreement.
32.5 Retroactivity

Employees who have severed employment prior to the date of ratification of this Collective Agreement shall be paid retroactivity. The Employer shall notify all employees once, in writing, at their last known address, that such retroactivity is payable upon written application. Wage Schedules
Effective April 1, 2002 and April 1, 2003

Wage schedules for April 1, 2002 and April 1, 2003 are not available due to the Parties needing to discuss the application of the general wage increases and the 3% comparability fund (see Memorandum of Agreement #1 – Comparability and Standardization of Wage and Benefit Levels).
APPENDIX 3

Region

From Vince Ready's June 16, 1993 Recommendations

A potential placement for any employee shall be deemed to be in their region in the following circumstances:

1. The road distance between the employee's current workplace and the potential placement facility is:
   a) Group 1 - Within 50 kilometres where the employee's current job is located in all of Greater Vancouver and all of the Fraser Valley up to and including Hope, but excluding University Hospital (Shaughnessy Site) which is included in Group 2 below, and all of Greater Victoria and all of the Saanich Peninsula.
   b) Group 2 - Within 75 kilometres where the employee's current job is located in all other areas except for the above.

2. If there is no placement within the distances in (1) above, and the potential placement is no further from the employee's residence than the distance that the employee commutes to their present job.

3. In the case of a second placement for an employee who has reverted to the original Employer at the employee's request, the maximum distances set out above shall be increased by twenty percent (20%).

4. Notwithstanding the above:
   a) Where there are options, i.e. more than one position available at the same time, the HLAA shall attempt to place employees with a view to their individual circumstances. For example, if there are two placement options, one is near the limit of the region on one side of the employee's current Employer, and the employee's residence and the other placement option is on the other side of the current Employer, the HLAA would attempt to place the employee with the Employer nearest to the employee's residence.
   b) Where placement cannot be made within three months of the time that an employee was designated for placement, the problem shall be referred to the HLAA, which shall have the authority (after ensuring that all other reasonable options have been exhausted and that no placement opportunities are reasonably foreseeable in the immediate future) to modify the definition of "region" with respect to that employee in order to increase potential placement opportunities.
The administrative process for the application of the Employment Security Agreement language on Dispute Resolution is as follows:

1. The Parties to this process are HEABC and the Community Subsector Association of Bargaining Agents.

2. If a difference arises between the Parties relating to the interpretation, application, operation or alleged violation of the ESLA which involves a policy issue or may have implications for other Parties to this Agreement, including whether a matter is arbitrable, the Parties directly affected by the difference shall meet to attempt to resolve the dispute at stage 3 of the grievance procedure.

3. If the dispute remains unresolved, any Party may submit the difference to Vince Ready as an expedited arbitrator within thirty (30) days of the stage 3 meeting.
   a) The Party submitting the difference to arbitration shall notify the other Parties to the Agreement through the use of an Expedited Arbitration Form which shall include:
      i) the name of the Union, facility, and individual(s) involved;
      ii) the date of the alleged incident;
      iii) outline of the issue;
      iv) the remedy sought;
      v) the degree of urgency;
      vi) the procedure requested and rationale;
      vii) the name, address and phone number of the contact person.
   b) The arbitrator shall arrange an arbitration hearing within twenty-eight (28) days of the referral.
   c) The arbitrator will determine the procedure to be followed in a pre-hearing conference with all the Parties. To the extent possible, the arbitrator will use the process principles expressed in the Dispute Resolution Process - Employment Security Agreement, revised as necessary, to accommodate the dispute and ensure an expeditious resolution. In the pre-hearing conference, the arbitrator will have jurisdiction to determine whether the dispute involves policy issues or may have implications for other Parties to this Agreement, or whether the dispute should be handled in ESLA with the provisions of the expedited arbitration process.

The Parties agree that employees may file grievances related to the ESLA. Should such grievances remain unresolved through the grievance procedure, they shall be dealt with through the following expedited process. Referrals to this process will be made within thirty (30) days of the stage 3 meeting.

1. The Parties agree that Colin Taylor, Heather Laing, Don Munroe and Judi Korbin are the expedited arbitrators for issues rising from the ESLA.

2. Either Party shall refer issues to the arbitrator utilizing an Expedited Arbitration Form. The form will include the name of the Union, facility and individual(s) involved, the date of the alleged
incident, outline of the issue, the remedy sought, the name, address and phone number of the contact person.

3. The arbitrator shall arrange an arbitration hearing with twenty-eight (28) days of the referral.

4. The Parties will utilize their own current staff to present the arbitration.

5. Each presentation will be short and concise and not exceed two (2) hours in length per Party.

6. The Parties agree to limited use of authorities during their presentation.

7. Prior to rendering a decision, the arbitrator may assist the Parties in mediating a resolution to the grievance. If this occurs, the cost will become in accordance with section 103 of the Labour Relations Code.

8. Where a mediation fails or is not appropriate, a decision will be rendered on an agreed to form and faxed to the Parties within five (5) working days of the hearing.

9. All mediated resolutions or decisions of the arbitrators are limited in application to that particular dispute and are without prejudice. These decisions shall have no precedential value and shall not be referred to by either Party in any subsequent proceeding.

10. If the arbitrator or the Parties conclude at the hearing that the issues involved are of a complexity or significance not previously apparent, the dispute shall be referred back to the Parties for disposition in ESLA with the Policy Dispute Resolution Process.

11. It is understood that it is not the intention of either Party to appeal the decision of an expedited arbitration proceeding. The expedited arbitrator shall have the powers and authority of an arbitration board established under the Labour Relations Code.
APPENDIX 5

Group RRSP

1. All regular employees, upon completion of the probationary period, shall have a one-time option of enrolling in the plan. Participation in the plan is voluntary. The employee must exercise the option within ninety (90) days of the plan coming into effect or upon completion of the probationary period.

2. Employee contributions to the Plan will be on one (1) of the following bases:
   - one percent (1%) of regular earnings; or
   - two percent (2%) of regular earnings; or
   - three percent (3%) of regular earnings.

3. The Employer will match the contributions made by each employee.

4. Employees may increase or decrease their contribution levels, as noted in 2 above on January 1st of each year by providing at least thirty (30) days’ notice to the Employer.

5. Employer and employee contributions will be locked in on the employee's behalf.

6. Employers which currently have a retirement scheme in place, and which implement this Group RRSP pursuant to Article 24, shall terminate the retirement scheme and contributions shall be converted to the Group RRSP.

   In the event any of the Employers are required to implement an alternative retirement scheme such as the Municipal or Public Service Pension Plan, the Group RRSP will be terminated for employees of that Employer.

7. Regular employees who have completed their probationary period, and who enroll in this Group RRSP in accordance with Article 24, must exercise their option within three (3) months of becoming entitled to participate in the Plan.

8. Employers will ensure that all new employees are informed of the options available to them pursuant to this Appendix.
APPENDIX 6

Long-Term Disability Insurance Plan

The HEABC and the Association agree that the long-term disability insurance plan shall be governed by the terms and conditions set forth below. For all employees, the terms of this Plan are effective April 1, 2000. Employees with a date of disability or injury that occurred prior to April 1, 2000 shall continue to be covered by the terms of any plan that was in place at that date of disability or injury.

Long-Term Disability Plan

Section 1 - Eligibility
(a) Regular full-time and regular part-time employees shall, upon completion of the probationary period, become members of the Long-Term Disability Plan as a condition of employment.

(b) Seniority and Benefits - Seniority accumulation and benefit entitlement for employees on long-term disability shall be consistent with the provisions of Article 20.5 of the Collective Agreement which reads:

*Benefits will not be earned or accrued when an unpaid leave of absence or an accumulation of unpaid leaves of absence exceeds twenty (20) work days in a calendar year. Time off pursuant to Article 2.10 shall not be taken into consideration.*

Upon return to work following recovery, an employee who was on claim for less than twenty-four (24) months shall continue in her/her former job; an employee who was on claim for more than twenty-four (24) months shall return to an equivalent position, exercising his/her seniority rights if necessary, pursuant to Article 13.5 of the Collective Agreement.

Employees on long term disability who have exhausted all sick leave credits and in addition have been granted twenty (20) working unpaid leave shall be covered by the Medical, Extended Health Care, and Dental Plans.

Premiums for medical, dental, extended health and accidental death and dismemberment insurance to be cost shared by the Employer and claimant on a 50-50 basis. Employees to be permitted to enroll in some or all of the above plans. The employee’s share of premiums for such coverage are to be paid in advance, on a monthly basis.

Group Life Insurance - Employees on long-term disability shall have their group life insurance premiums waived and coverage under the Group Term Life Insurance Plan shall be continued.

Superannuation - Employees on long-term disability who are enrolled in the Municipal Superannuation Plan or the Public Service Pension Plan pursuant to an Employer-specific Memorandum of Agreement shall be considered employees for the purpose of superannuation in accordance with the Pension (Municipal) Act or the Pension (Public Service) Act, as applicable.

Section 2 - Waiting Period and Benefits
(a) (1) In the event an employee, while enrolled in this Plan, becomes totally disabled as a result of an accident or sickness, then, after the employee has been totally disabled for five (5)
months the employee shall receive a benefit equal to seventy percent (70%) of the first $2800 of the pre-disability monthly earnings and fifty percent (50%) on the pre-disability monthly earnings above $2800 or 66-2/3% of pre-disability monthly earnings, whichever is more. The $2800 level is to be increased annually by the increase in the weighted average wage rate for employees under the Collective Agreement for the purpose of determining the benefit amount for eligible employees as at their date of disability.

It is understood that this adjustment will only be applied once for each eligible employee, i.e., at the date of the disability, to determine the benefit amount to be paid prospectively for the duration of entitlement to benefits under the LTD plan.

(2) In the event that the benefit falls below the amount set out in Section 2(A)(1) above for the job that the claimant was in at the time of commencement of receipt of benefits, LTD benefits to be adjusted prospectively to seventy percent (70%) of the first $2800 of the current monthly earnings and fifty percent (50%) on the current monthly earnings above $2800 or 66-2/3% of current monthly earnings, whichever is more based on the wage rate in effect following review by HBT every four years. (Note: the $2800 figure will be adjusted as set out in Section 2(A)(1) above).

(b) For the purposes of the above, earnings shall mean basic monthly earnings (including isolation allowances where applicable) as at the date of disability. Basic monthly earnings for regular part-time employees shall be calculated on the basis of the employee’s average monthly hours of work for the twelve-month period or such shorter period that the employee has been employed, prior to the date of disability, multiplied by his/her hourly pay rate as at the date of disability.

The long-term disability benefit payment shall be made so long as an employee remains totally disabled and shall cease on the date the employee reaches age sixty-five (65), recovers, dies, or the effective date of early retirement under this plan, whichever occurs first.

(c) Employees who still have unused sick leave credits after the waiting period when the long-term disability benefit becomes payable shall have the option of:

(1) exhausting all sick leave credits before receiving the long-term disability benefit;
(2) using sick leave credits to top off the long-term disability benefit; or
(3) banking the unused sick leave credits for future use.

(d) Employment status during the intervening period between expiration of sick leave credits and receipt of long-term disability benefits:

Employees who will be eligible for benefits under the Long-Term Disability Plan shall not have their employment terminated; following expiration of their sick leave credits they shall be placed on unpaid leave of absence until receipt of long-term disability benefits.

(e) Employees are not to be terminated for non-culpable absenteeism, while in receipt of long-term disability benefits.
Section 3 - Total Disability Defined

(a) Total Disability, as used in this Plan, means the complete inability because of an accident or sickness, of a covered employee to perform the duties of his/her own occupation for the first two (2) years of disability. Thereafter, an employee who is able by reason of education, training, or experience to perform the duties of any gainful occupation for which the rate of pay equals or exceeds seventy percent (70%) of the current rate of pay for his/her regular occupation at the date of disability shall no longer be considered totally disabled under the Plan. However, the employee may be eligible for a Residual Monthly Disability Benefit.

(1) Residual Monthly Disability Benefit

The Residual Monthly Disability Benefit is based on eighty-five (85%) of his/her rate of pay at the date of the disability less the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for his/her regular occupation) applicable to any gainful occupation that the employee is able to perform. The Residual Monthly Disability Benefit will continue until the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for his/her regular occupation) applicable to any gainful occupation that the employee is able to perform equals or exceeds eighty-five percent (85%) of the rate of pay for his/her regular occupation at the date of the disability. The benefit is calculated using the employee’s monthly LTD net of offsets benefit and the percentage difference between the eighty-five percent (85%) of the employee’s rate of pay at the date of disability and the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for his/her regular occupation) applicable to any gainful occupation he/she is able to perform.

Example:

(a) Monthly LTD net of offsets benefit = $1000 per month
(b) 85% rate of pay at date of disability = $13.60 per hour
(c) 70% of current rate of pay = $12.12 per hour
(d) Percentage difference [(b/c) - 1] = 12.2%
(e) Residential Monthly Disability Benefit (a x d) = $122

(b) (1) Total disabilities resulting from mental or nervous disorders are covered by the Plan in the same manner as total disabilities resulting from accidents or other sicknesses.

(2) During a period of total disability an employee must be under the regular and personal care of a legally qualified doctor of medicine.

(3) Commitment to Rehabilitation

In the event that an employee is medically able to participate in a rehabilitation activity or program that:

i) can be expected to facilitate his/her return to his/her own job or other gainful occupation; and

ii) is recommended by HBT and approved as a Rehabilitation Plan, then,

the entitlement to benefits under the LTD Plan will continue for the duration of the Approved Rehabilitation Plan as long as he/she continues to participate and cooperate in the Rehabilitation Plan. If the Plan involves a change in own occupation, the LTD benefit period will continue at least until the end of the first two (2) years of disability. In addition, the employee may be eligible for the Rehabilitation Benefit Incentive Provision.
The Rehabilitation Plan will be jointly determined by the employee (and, if the employee chooses, his/her Union) and HBT. In considering whether or not a rehabilitation plan is appropriate, such factors as the expected duration of disability, and the level of activity required to facilitate the earliest return to a gainful occupation will be considered along with all other relevant criteria. A rehabilitation plan may include training. Once the Rehabilitation Plan has been determined, the employee and the HBT will jointly sign the Terms of the Rehabilitation Plan which will, thereby, become the Approved Rehabilitation Plan and the employee’s entitlement to benefits under the LTD plan shall continue until the successful completion of the Approved Rehabilitation Plan, provided the eligible employee is willing to participate and cooperate in the Approved Rehabilitation Plan. In addition, the employee may be eligible for any, or all, of the Rehabilitation Benefit Incentive Provisions.

(4) **Rehabilitation Review Committee**

(i) In the event that the eligible employee does not agree:

A. with the recommended Rehabilitation Plan, or

B. that he/she is medically able to participate and cooperate in the Rehabilitation Plan as defined in the Terms of the Rehabilitation Plan, then,

- to ensure benefit entitlement under the LTD Plan, the employee must either:
- C. be able to demonstrate reasonable grounds for being unable to participate and cooperate in a rehabilitation plan; or,
- D. appeal the dispute to the Rehabilitation Review Committee for a resolution.

(ii) (During the appeal process, the employee’s benefit entitlement under the LTD Plan shall not be suspended.

The Rehabilitation Review Committee shall be composed of three (3) qualified individuals who, by education, training, and experience are recognized specialists in the rehabilitation of disabled employees. The purpose of the Rehabilitation Review Committee shall be to resolve the appeal of an eligible employee who:

A. does not agree with the recommended Rehabilitation Plan; or

B. does not agree that he/she could medically participate in the Rehabilitation Plan.

During the appeal process, the eligible employee’s entitlement to benefits under the LTD Plan shall continue until the Committee has made its decision. The decision of the Committee shall determine whether or not the eligible employee is required to participate and cooperate in the Rehabilitation Plan approved by the Committee. In the event that the eligible employee does not accept the Committee’s decision his/her entitlement to benefits under the LTD Plan shall be suspended until such time as the eligible employee is willing to participate and cooperate in the Approved Rehabilitation Plan.

   B. engage in a physical rehabilitation activity; and/or
   C. engage in a vocational retraining program

   shall be eligible for any, or all, of the Rehabilitation Benefit Incentive Provision.

(ii) The intent of the provision is to assist the employee with a return to a gainful occupation. The objective of the Rehabilitation Benefit Incentive Provision is to promote the successful completion of the Rehabilitation as follows:

A. The employee who, upon return to gainful rehabilitative employment under an Approved Rehabilitation Plan, will be entitled to receive all monthly rehabilitation earnings plus a monthly LTD benefit up to the amount set out in Section 2(A) of the Appendix, provided that the total of such income does not exceed one hundred percent (100%) of the current rate of pay for her/his regular occupation at the date of the disability;

B. Upon successful completion of the Approved Rehabilitation Plan, the employee becomes an automatic candidate for all job postings with the Employer, HLAA vacancies and shall have the ability to bump under the Collective Agreement for positions that the employee is qualified and physically capable of performing; and,

D. The eligible employee shall be entitled to participate in the Job Exploration and Development program.

"Rehabilitative employment" shall mean any occupation or employment for wage or profit or any course or training that entitles the disabled employee to an allowance, provided such rehabilitative employment has the approval of the employee’s doctor and the underwriter of the Plan.

If earnings are received by an employee during a period of total disability and if such earnings are derived from employment which has not been approved as rehabilitative employment, then the regular monthly benefit from the Plan shall be reduced by one hundred percent (100%) of such earnings.
Joint Rehabilitation Improvement Committee

During the term of the agreement, one (1) person from HEABC and one (1) person from the Healthcare Benefit Trust shall meet the two (2) representatives of the Association of Unions. The Parties will work together to improve the Rehabilitation Process.

Private or individual disability plan benefits of the disabled employee shall not reduce the benefit from this Plan.

The amount by which the disability benefit from this Plan is reduced by other disability income shall be the amount to which the disabled employee is entitled upon becoming first eligible for such other disability income. Future increases in such other disability income resulting from increases in the Canadian Consumer Price Index or similar indexing arrangements shall not further reduce the benefit from this Plan.

(2) Where a job has an increment structure based on calendar length of service the employee shall receive the increment rate that is immediately higher than his/her wage rate immediately prior to the adjustment. Further increment increases shall be based on calendar length of service in the job from the effective date of the pay rate adjustment.

9.2 The effective date of pay rate adjustments is determined as follows:

(1) Where a pay rate adjustment occurs as a result of a Classification Review initiated by an employee or the Union, the increase shall take effect on the date the Classification Review Request is received by the Employer.

(2) Where a pay rate adjustment occurs as a result of the Employer creating a new position, or revising an existing position, or negotiation or arbitration related to same, the increase shall take effect on the first day an employee occupies the position after it was established or revised.

9.3 Where the rate of pay of a job or position is adjusted downward, the employee shall continue to be paid at the employee's current rate of pay until the wage rate in the new job or position equals or exceeds it.

10. Definitions

1. Position: A group of duties and responsibilities regularly assigned to one person. It may be occupied or vacant and may be created, changed, or deleted in order to meet operational requirements.

2. Job: One or more positions performing essentially the same duties, similar scope and level of responsibility, and required qualifications covered by the same job description.

3. Other Related Duties: The phrase "Other Related Duties" shall include those additional duties related to the job and/or the operation of the organization that may be assigned to the incumbent.
Note 1:
The matter in Bold is resolved with the proviso that the number of grids agreed to will be sufficient for the Association. The Employer does not agree with the Association’s position that the default is that the Classification Referee can establish new wage rates if the Association believes that the number of grids are insufficient. In the event the Association maintains that the number of grid are insufficient, the parties reserve the right to arbitrate this issue at a later date if it is not resolved.

CLASSIFICATION MANUAL

1. Introduction
   1.1 The Classification Manual outlines the definitions, format and principles of classification to be followed in matching jobs or positions to the benchmark class specifications, hereafter called benchmarks, contained in the Maintenance Agreement, and forms part of the Maintenance Agreement.

2. Benchmarks
   2.1 Benchmarks set forth the overall scope and level of responsibility and the typical duties by which jobs or positions are distinguished and classified under the Classification System.

   2.2 Benchmarks also set forth the range or level of qualifications appropriate for a position classified to the level of the benchmark(s).

   2.3 Benchmarks do not describe jobs or positions. They are used to classify a wide diversity of jobs by identifying the scope and level of responsibilities.

3. Format of Benchmarks

3.1 Job Families
   All benchmarks are grouped together on the basis of closely related functional activities, fields of work, or occupations. Each of these groups is called a “job family”. There are seven (7) job families in the Classification System:
   1) Client Services
   2) Health Services
   3) Administrative Services
   4) Food Services
   5) Environmental Services
   6) Transportation Services
   7) Miscellaneous
CLASSIFICATION MANUAL

3.2 Benchmark Title
Each benchmark within a job family is identified by a benchmark title. For example:
(NOTE: This is for illustrative purposes only.)

Job Family: Client Services:
Benchmark Title: Community Health Worker X
Benchmark Title: Community Health Worker Y

3.3 Wage Rate
Each benchmark shall be assigned a classification grid. Each classification grid has a corresponding wage rate, which is listed in Schedule B of the Collective Agreement. For example: (NOTE: This is for illustrative purposes only.)

Benchmark Title: Community Health Worker 2
Classification Grid: X
The wage rate for the X Classification Grid, at April 1, 2000 per Schedule B is:
$XX.XX per hour

3.4 Benchmark Duties
(a) The duties listed in a benchmark are a representative sampling of the functions being performed at the scope and level of responsibility that result in a job or position being classified at the benchmark level.

(b) The listing of typical duties identified on a benchmark is not intended to be exhaustive or all-encompassing. Job duties or responsibilities that are not specifically mentioned in the relevant benchmark are deemed to be encompassed by that benchmark if that job duty or responsibility is essentially similar to the benchmark in terms of scope and level of responsibility, as described in the Scope and Level Definition.

3.5 Benchmark Qualifications
(a) The qualifications set forth in a benchmark reflect the range or level of education and/or training and the experience appropriate to the scope and level of responsibility of the benchmark.

(b) The parties agree that different qualifications may be required for jobs that are matched to the same benchmark, or for different benchmarks matched to the same classification grid in order to meet the unique work organization in the Community subsector.

(c) Membership in a professional association or group is not a required qualification for any position under the Classification System unless required by legislation or regulation.
CLASSIFICATION MANUAL

4. Principles of Classification

4.1 The purpose of benchmarks is to establish the means whereby jobs may be properly classified and distinguished under the broadbanding classification system. To that end a job should be classified on the basis of best fit according to the overall type of duties and scope and level of responsibilities which are performed to an extent material for a reasonable standard of job classification.

4.2 Integrated Jobs: Where a job encompasses work in two or more benchmarks, and where it is administratively impractical to keep track or even identify when the incumbent is working within one or the other of the classifications, the job shall be classified at the highest classification of the jobs being performed.

4.3 Special Licenses and Certificates: Where an employee is required to carry a special license such as a certified dental assistant license or practical nurse's license, he/she should be classified consistently with such license, certification, or qualification irrespective of the type of duties and level of responsibilities/skills required to be exercised.

4.4 Jobs and positions are classified only by comparison to the benchmarks and not by comparison to other jobs and positions.

4.5 Throughout the whole process of evaluating jobs, it is the job that is evaluated and not the employee.

5. Glossary of Terms

The parties agree that the Glossary of Terms is outstanding, is not the subject of the February 13, 2001 arbitration, and is yet to be discussed.

1. Layering over:

AGREED IN PRINCIPLE - The principle of layering over is agreed to. The amount involved in layering over is outstanding, pending development of the wage grid system. The parties reserve the right for the issue to be arbitrated if there is failure to reach an agreement.

MEMORANDUM OF AGREEMENT #1

Re: Comparability and Standardization

HEABC and the Association acknowledge the unique characteristics and values of the Community Subsector and the unique manner in which services are delivered in the Community Subsector. At the same time, HEABC and the Association acknowledge the existing discrepancy in wage and benefit levels provided under the Community Subsector Agreement relative to those provided under the Facilities Subsector Agreement. The Parties further recognize that within the Community Subsector there does not yet exist standardized terms of employment.

In view of the above circumstances, the Parties agree to the following terms with the aim of achieving the objectives of comparability between the compensatory provisions of the Community Subsector and Facilities Subsector Agreements and standardization of provisions under the Community Subsector Agreement.

1. On April 1 of each year, the Parties agree to a Comparability/Standardization Adjustment equivalent to three percent (3.0%) of the total straight-time wages for the bargaining unit for the preceding twelve (12) months.

   Such adjustments shall continue until the time that the compensatory provisions of the Community Subsector become comparable to the compensatory provisions of the Facilities Subsector Agreement.

2. The Parties shall meet no later than June 1 in each year to determine how the funds referred to in Section (1) above shall be applied to address wage and benefit comparability and standardization. The implementation of wage and benefit adjustments in each year shall be limited by the funds available under Section (1) above.

   A joint committee shall be established for this purpose comprised of six (6) representatives of the Association and six (6) representatives of HEABC. The members of the Committee shall be on leave of absence pursuant to Article 2.10(a).

   If mutual agreement is not reached regarding the application of the funds noted above by June 30 of each year, either Party may refer the matter to Stephen Kelleher, or an alternate mutually agreed by the Parties, for final and binding resolution.

3. The Community Subsector job evaluation and classification system and the comparability target wage rates agreed pursuant to Section (4) below shall be used for the purpose of determining and allocating any wage adjustments.

4. The Parties shall develop comparability target wage rates for all benchmark classifications within the Community Subsector taking into account the following:

   (a) The distinctions between the Community Subsector and Facilities Subsector classification systems. The comparability target wage rates shall be consistent with the final hierarchy of jobs as agreed under the Community Subsector classification development process.
(b) The pay equity target wage rates established under the Facilities Subsector Agreement. For the purposes of this Section, the Parties shall refer to the Facilities Subsector wage rates expressed as hourly, not monthly, rates; and

(c) The express agreement that the comparability target hourly wage rates established for the CHWII classification shall not exceed the hourly PC3 wage rate under the Facilities Subsector Agreement.

5. An employee paid in excess of the agreed comparability target wage rate for her classification shall have her wage rate frozen until such time as the agreed comparability target wage rate for her classification equals or exceeds the employee’s rate of pay.

Notwithstanding the foregoing paragraph, all employees shall be eligible for the general wage increases provided at April 1, 2001 and April 1, 2002 under Article 27.2 (i) and (ii) of the Collective Agreement.

6. The development of comparability target wage rates pursuant to Section (4) above shall be referred to the Joint Technical Committee formed to address the development and implementation of the Community classification system.

7. In the event that there are benefits yet to be standardized at the time the compensatory provisions of the Community Subsector become comparable to the compensatory provisions of the Facilities Subsector Agreement, such benefits shall be deleted at that time.

8. In the event of a dispute between the parties relating to the interpretation or application of this Memorandum of Agreement, Stephen Kelleher, or an alternate mutually agreed by the Parties, shall, at the request of either Party, act as a mediator/arbitrator.

MEMORANDUM OF AGREEMENT #2
Re: Job Classification Plan (JCP) - Preliminary Matching Process

INTRODUCTION
WHEREAS Memorandum of Agreement #1 from the 1998 – 2001 Health Services and Support (Community) Subsector Collective Agreement provides the parties with the ability to develop mutually agreeable procedures or processes to facilitate the development and/or implementation of this Agreement.

AND WHEREAS a preliminary matching process would facilitate the development and/or implementation of this Agreement.

AND WHEREAS funds set aside pursuant to Article 27.2(b)2 and Article 27.2(b)3 of the 1998 – 2001 Health Services and Support (Community) Subsector Collective Agreement have yet to be allocated and distributed.

THEREFORE, the parties agree, on a without prejudice basis, as follows:

PRELIMINARY MATCHING PROCESS
The purpose of the preliminary matching process is to assign all jobs coming under the Health Services and Support (Community) Subsector Collective Agreement to one or more agreed-in-principle Community benchmark(s) and to an interim benchmark classification grid level (hereinafter referred to as interim grid level). These assignments will be made on a "rough justice" basis using the following approach:

1. HEABC will identify the preliminary benchmark match(es) for all jobs coming under the scope of the Health Services and Support (Community) Subsector Collective Agreement.

2. HEABC shall assign each benchmark to an interim grid level.

3. Jobs that cannot be matched to the agreed-in-principle benchmarks will be identified as unlisted classifications.

4. HEABC shall assign each unlisted classification to an interim grid level.

5. The funds referenced in Article 27.2(b)2 of the 1998 – 2001 Health Services and Support (Community) Subsector Collective Agreement shall be allocated on the basis of an across-the-board hourly general wage increase, retroactive to April 1, 1999. This shall not exceed the total funds allocated in Article 27.2(b)2. This increase shall be reflected in the interim grids.

6. The funds referenced in Article 27.2(b)3 of the 1998 – 2001 Health Services and Support (Community) Subsector Collective Agreement shall be allocated on the following basis:
   (a) Employees who are currently compensated at an hourly wage rate that is below the interim grid level identified in #2 or #4 above shall have their hourly wage rate increased to that interim grid level, effective April 1, 2000. This shall not exceed the total funds allocated in Article 27.2(b)3. Placement of positions on the Job Classification Plan shall
be in accordance with the applicable increment structure for the job (i.e., hours of service or calendar length of service).

(b) Remaining funds from Article 27.2(b)3 shall be used to increase the interim grids, effective April 1, 2000.

7. Funds allocated from the April 1, 2001 comparability/standardization adjustment shall be used to increase the interim grids.

The preliminary benchmark matching, interim hierarchy, and unlisted interim classification grid level designations made as part of this process is on a strictly without prejudice basis. Benchmark matching in accordance with the preliminary matching process will not be used by either party in support of a claim in relation to the Job Allocation Process contained in the Implementation Agreement.

The parties also agree that the preliminary matching process will only be used to assist with the distribution of the wage inequity funds identified in Article 27.2(b)2, Article 27.2(b)3, and Item 7 above.

INTRODUCTION

WHEREAS Memorandum of Agreement #1 of the Health Services and Support (Community) Subsector Collective Agreement requires the principals to determine the implementation process for the Community Subsector Job Classification Plan.

AND WHEREAS Memorandum of Agreement #1 of the 1998 – 2001 Health Services and Support (Community) Subsector Collective Agreement provides the parties with the ability to develop mutually agreeable procedures and processes to facilitate the development and/or implementation of this Agreement.

THEREFORE, the parties agree, on a without prejudice basis, as follows:

JOB ALLOCATION PROCESS

1. Three (3) months following ratification of the tentative agreement reached in connection with the negotiation that commenced in 2001 is deemed to be the date the job allocation process is commenced (hereinafter referred to as the "commencement date").

2. HEABC shall provide to the Association, within six (6) months of the commencement date, a list of the proposed classification of jobs (i.e., job descriptions, benchmark matches, and grid levels for unlisted classifications) in the Health Services and Support (Community) Subsector Collective Agreement.

3. Within two (2) months of the list of proposed classifications being forwarded, the Association shall file, in writing, any objections to the classifications, including the reasons for the objections. All jobs not covered by a written objection shall be deemed to be appropriately classified under the Community Job Classification Plan.

4. HEABC shall review any objections to classifications contained in the list of proposed classifications within two (2) months of receiving the Association's written objections. The parties shall attempt to resolve the objections within a further two (2) months. Objections not resolved shall be referred to John Kinzie, Chris Sullivan, or another mutually agreeable Arbitrator in an expedited binding Arbitration process as outlined in this Agreement.

5. The parties agree to the following expedited arbitration process:
   (a) The location of the hearings shall be in Vancouver except where otherwise determined by the Arbitrator, or mutually agreed to by the parties.
   (b) The parties shall utilize staff representatives of the Union and the HEABC to present cases and shall not utilize outside legal counsel.
   (c) All presentations shall be short and concise and shall include a comprehensive opening statement.
(d) The parties shall make every reasonable effort to agree on the facts in advance of the hearings.

(e) Presentations shall be in narrative form and shall not exceed one half hour in length. Rebuttals shall not exceed fifteen minutes.

(f) No witnesses shall be called except at the discretion of the Arbitrator where a conflict appears on the facts.

(g) The parties shall make limited use of legal authorities.

(h) The decision of the Arbitrator shall be final and binding on both parties. All decisions are limited in application to the particular dispute and are without prejudice. Arbitration awards shall be of no precedential value and shall not thereafter be referred to by the parties in respect of any other matter.

(i) All settlements made prior to the hearing shall be without prejudice.

(j) The decision of the Arbitrator shall be in writing and shall be mailed to the parties within fourteen (14) days of the completion of each case.

(k) The parties shall share equally the fees and expenses of the Arbitrator.

6. The cost of allocating jobs onto the Job Classification Plan shall be limited by the amount of funds allocated specifically for implementation in the Memorandum of Agreement re: comparability/standardization of wage and benefit levels.

IMPLEMENTATION PROCESS

1. The classifications resulting from the job allocation process identified above shall be effective twelve (12) months from the commencement date, and all jobs shall be deemed to be appropriately classified and all job descriptions deemed agreed. Job descriptions which are in existence as of this date (i.e., twelve (12) months from the commencement date) and agreed to by the parties shall comprise the base against which all changes shall be measured.

2. No classification appeals shall be filed during the job allocation process (i.e., for the period of twelve (12) months from the commencement date).

3. New positions, changed positions, and classification disputes that arise subsequent to twelve (12) months after the commencement date shall be addressed using the Job Classification Plan.

4. Six (6) months following the commencement date, the parties shall commence discussions on the final Classification Hierarchy for benchmarks in the Health Services and Support (Community) Subsector Collective Agreement, as well as comparability target rates for each benchmark and each unlisted classification. If the parties are unable to agree on the final Classification Hierarchy or on the comparability target rates the matter may be referred, by either party, to arbitration in accordance with Item 8 of the Memorandum of Agreement re: comparability/standardization of wage and benefit levels. It is understood that the Arbitrator does not have jurisdiction to make recommendations or binding decisions with respect to the increment steps and/or the wage rates associated with the Classification Hierarchy.
5. Placement of positions on the Job Classification Plan shall be in accordance with the applicable increment structure for the job (i.e., hours of service or calendar length of service).

6. At the completion of the job allocation process and prior to its implementation, HEABC shall determine the actual wage cost of the process(es) through a reconciliation process. The Association of Unions shall be provided with a copy of the reconciliation.

7. The funds identified in Article 27.2(b)2 and Article 27.2(b)3, and funds allocated specifically for comparability adjustments and/or the implementation of the classification system in the 2001 collective bargaining settlement, shall constitute the total liability for all reclassifications flowing from the implementation process, including those flowing from the creation of new benchmarks that are part of the implementation process.

MEMORANDUM OF AGREEMENT #6
Re: Certain Existing Collective Agreement Provisions (Seniority)

1. One of the goals of health care reform has been to provide consistency of terms and conditions of employment for employees in the health sector by consolidating various collective agreements into a single collective agreement for each of the health sector bargaining units. This goal has been achieved, to a certain extent, in three of the health sector bargaining units (Facilities, Nurses and Paramedical Professionals) through a process of melding the terms and conditions from various collective agreements into three separate collective agreements.

2. The principles of melding were established by negotiation and arbitration. The melding of existing terms and conditions of employment into three Collective Agreements balanced the various interests of the Parties. Many of the previous terms and conditions of employment were not maintained as a result of the process, however, it was generally intended that total compensation for individual employees would remain at the same level or would be improved as a consequence of the melding process.

3. There are unique challenges for melding the various terms and conditions of existing Collective Agreements for employees in the Health Services and Support - Community Subsector. Consideration must be given to the distinct qualities of the Subsector and that the Subsector includes employees who are currently covered by Collective Agreements with provisions which are superior in some respects to the provisions included in the Community Subsector Collective Agreement.

4. In order to ease the transition of employees into the Community Subsector Collective Agreement, the Parties agree that existing Collective Agreement provisions covering the following terms and conditions of employment will continue to apply during the life of the Collective Agreement.

   • Seniority

Further, the Parties agree to refer the above-noted item to a joint committee comprised of six (6) representatives from the Association and six (6) representatives of HEABC. The Committee will discuss and attempt to reach agreement with respect to melding these items into the Community Subsector Collective Agreement in the same context as described in Part 2 above. The Committee will present its findings to the Parties no later than October 1, 2002. The Association members of the Committee will be on leave of absence pursuant to Article 2.10(a) of the Community Subsector Collective Agreement.

Community Subsector Bargaining Association
Paramedical Professional Subsector Bargaining Association
Nurses Subsector Bargaining Association

and

HEALTH EMPLOYERS ASSOCIATION OF B.C.

WHEREAS the Parties have had an opportunity to work jointly on labour adjustment issues through the Healthcare Labour Adjustment Agency (“HLAA”) and through that organization have developed a relationship outside of the collective agreement which has yielded solutions to complex labour relations issues;

AND WHEREAS the above mentioned solutions were largely successful because of the partnership approach taken by all of the Parties to the HLAA;

AND WHEREAS on May 8, 1996 the Industrial Inquiry Commissioner ("IIC") Vincent Ready published recommendations to resolve collective bargaining disputes, which included the following statement:

"Since the Government of British Columbia is the paymaster for health care and in view of my recommendations that the Government provide the funding to adequately permit the HLAA to carry out its recommended mandate..."

NOW THEREFORE the Parties agree as follows:

1. The Parties shall support the on-going work of the HLAA by ensuring that the Government of British Columbia fully understands and appreciates the importance of ensuring that an appropriate level of funding continues during the term of the collective agreement.

2. From 9 to 12 million dollars will be provided annually in order to maintain the integrity of the principles under which the HLAA has been funded to date.
