ARTICLE 9

RECOGNITION

9.01 The Employer recognizes the Alliance as the exclusive bargaining agent for all employees of the Employer described in the certificate issued by the Public Service Staff Relations Board on June 10, 1999 covering employees of the Technical Services Group (currently classified in accordance with the Drafting and Illustration (DD), the Engineering and Scientific Support (EG), the General Technical (GT), the Photography (PY), the Primary Products Inspection (PI), or the Technical Inspection (TI) classification standards).

ARTICLE 10

INFORMATION

10.01 The Employer agrees to supply the Alliance each quarter with the name, geographic location and classification of each new employee.

10.02 The Employer agrees to supply each employee with a copy of this Agreement and will endeavour to do so within one (1) month after receipt from the printer.

ARTICLE 11

CHECK-OFF

11.01 Subject to the provisions of this Article, the Employer will, as a condition of employment, deduct an amount equal to the monthly membership dues from the monthly pay of all employees. Where an employee does not have sufficient earnings in respect of any month to permit deductions made under this Article, the Employer shall not be obligated to make such deduction from subsequent salary.

11.02 The Alliance shall inform the Employer in writing of the authorized monthly deduction to be checked off for each employee.

11.03 For the purpose of applying clause 11.01, deductions from pay for each employee in respect of each calendar month will start with the first (1st) full calendar month of employment to the extent that earnings are available.

11.04 An employee who satisfies the Employer to the extent that he or she declares in an affidavit that he or she is a member of a religious organization whose doctrine prevents him or her as a matter of conscience from making financial contributions to an employee organization and that he or she will make contributions to a charitable organization registered pursuant to the *Income Tax Act*, equal to dues, shall not be subject to this Article, provided that the affidavit submitted by the employee is countersigned by an official representative of the religious organization involved.

11.05 No employee organization, as defined in Section 2 of the *Public Service Staff Relations Act*, other than the Alliance, shall be permitted to have membership dues and/or other monies deducted by the Employer from the pay of employees.

11.06 The amounts deducted in accordance with clause 11.01 shall be remitted to the Comptroller of the Alliance by cheque within a reasonable period of time after deductions are made and shall be accompanied by particulars identifying each employee and the deductions made on the employee's behalf.

11.07 The Employer agrees to continue the past practice of making deductions for other purposes on the basis of the production of appropriate documentation.

11.08 The Alliance agrees to indemnify and save the Employer harmless against any claim or liability arising out of the application of this Article, except for any claim or liability arising out of an error committed by the Employer limited to the amount actually involved in the error.

ARTICLE 12

USE OF EMPLOYER FACILITIES

**

12.01 Reasonable space on bulletin boards in convenient locations, including electronic bulletin boards where available, will be made available to the Alliance for the posting of official Alliance notices. The Alliance shall endeavour to avoid requests for posting of notices which the Employer, acting reasonably, could consider adverse to its interests or to the interests of any of its representatives. Posting of notices or other materials shall require the prior approval of the Employer, except notices related to the business affairs of the Alliance, including the names of Alliance representatives, and social and recreational events. Such approval shall not be unreasonably withheld.

12.02 The Employer will also continue its present practice of making available to the Alliance specific locations on its premises, and where it is practical to do so on vessels, for the placement of reasonable quantities of literature of the Alliance.

12.03 A duly accredited representative of the Alliance may be permitted access to the Employer's premises, which includes vessels, to assist in the resolution of a complaint or grievance and to attend meetings called by management. Permission to enter the premises shall, in each case, be obtained from the Employer. In the case of access to vessels, the Alliance representative upon boarding any vessel must report to the Master, state his or her business and request permission to conduct such business. It is agreed that these visits will not interfere with the sailing and normal operation of the vessels.

12.04 The Alliance shall provide the Employer a list of such Alliance representatives and shall advise promptly of any change made to the list.

ARTICLE 13

EMPLOYEE REPRESENTATIVES

13.01 The Employer acknowledges the right of the Alliance to appoint or otherwise select employees as representatives.

Where the parties are unable to agree in consultation, then any dispute shall be resolved by the grievance/adjudication procedure.

13.03 The Alliance shall notify the Employer in writing of the name and jurisdiction of its representatives identified pursuant to clause 13.02.

13.04

(a) A representative shall obtain the permission of his or her immediate supervisor before leaving his or her work to investigate employee complaints of an urgent nature, to meet with local management for the purpose of dealing with grievances and to attend meetings called by management. Such permission shall not be unreasonably withheld. Where practicable, the representative shall report back to his or her supervisor before resuming his or her normal duties.

(b) Where practicable, when management requests the presence of an Alliance representative at a meeting, such request will be communicated to the employee's supervisor.

(c) An employee shall not suffer any loss of pay when permitted to leave his or her work under paragraph (a).

13.05 The Alliance shall have the opportunity to have an employee representative introduced to new employees as part of the Employer's formal orientation programs, where they exist.

15.01 If employees are prevented from performing their duties because of a strike or lock-out on the

premises of another Employer, the employees shall report the matter to the Employer, and the Employer will make reasonable efforts to ensure that such employees are employed elsewhere, so that they shall receive their regular pay and benefits to which they would normally be entitled.

ARTICLE 16

17.02 When an employee is required to attend a meeting, the purpose of which is to conduct a disciplinary hearing concerning him or her or to render a disciplinary decision concerning him or her, the employee is entitled to have, at his or her request, a representative of the Alliance attend the meeting. Where practicable, the employee shall receive a minimum of one (1) day's notice of such a meeting.

17.03 The Employer shall notify the local representative of the Alliance as soon as possible that such suspension or termination has occurred.

17.04 The Employer agrees not to introduce as evidence in a hearing relating to disciplinary action any document from the file of an employee the content of which the employee was not aware of at the time of filing or within a reasonable period thereafter.

17.05 Any document or written statement related to disciplinary action, which may have been placed on the personnel file of an employee, shall be destroyed after two (2) years have elapsed since the disciplinary action was taken, provided that no further disciplinary action has been recorded during this period.

ARTICLE 18

GRIEVANCE PROCEDURE

18.01 In cases of alleged misinterpretation or misapplication arising out of agreements concluded by the National Joint Council (NJC) of the Public Service on items which may be included in a collective agreement and which the parties to this Agreement have endorsed, the grievance procedure will be in

accordance with Section 14 of the NJC By-Laws.

18.02 Subject to and as provided in Section 91 of the *Public Service Staff Relations Act*, an employee who feels that he or she has been treated unjustly or considers himself or herself aggrieved by any action or lack of action by the Employer in matters other than those arising from the classification process is entitled to present a grievance in the manner prescribed in clause 18.05 except that:

(a) where there is another administrative procedure provided by or under any Act of Parliament to deal with the employee's specific complaint, such procedure must be followed,

and

(b) where the grievance relates to the interpretation or application of this Agreement or an arbitral award, the employee is not entitled to present the grievance unless he or she has the approval of and is represented by the Alliance.

18.03 Except as otherwise provided in this Agreement, a grievance shall be processed by recourse to the following levels:

(a) level 1 - first (1st) level of management;

(b) levels 2 and 3 - intermediate level(s) where such level or levels are established in departments or agencies;

Whenever there are four (4) levels in the grievance procedure, the grievor may elect to waive either Level 2 or 3.

18.04 The Employer shall designate a representative at each level in the grievance procedure and shall inform each employee to whom the procedure applies of the name or title of the person so designated together with the name or title and address of the immediate supervisor or local officer-in-charge to whom a grievance is to be presented. This information shall be communicated to employees by means of notices posted by the Employer in places where such notices are most likely to come to the attention of the employees to whom the grievance procedure applies, or otherwise as determined by agreement between the Employer and the Alliance.

18.05 An employee who wishes to present a grievance at a prescribed level in the grievance procedure shall transmit this grievance to his or her immediate supervisor or local officer-in-charge who shall forthwith:

(a) forward the grievance to the representative of the Employer authorized to deal with grievances at the appropriate level,

and

(b) provide the employee with a receipt stating the date on which the grievance was received by him or her.

18.06 Where it is necessary to present a grievance by mail, the grievance shall be deemed to have been presented on the day on which it is postmarked and it shall be deemed to have been received by the Employer on the date it is delivered to the appropriate office of the department or agency concerned. Similarly the Employer shall be deemed to have delivered a reply at any level on the date on which the letter containing the reply is postmarked, but the time limit within which the grievor may present his or her grievance at the next higher level shall be calculated from the date on which the Employer's reply was delivered to the address shown on the grievance form.

18.07 A grievance of an employee shall not be deemed to be invalid by reason only that it is not in accordance with the form supplied by the Employer.

18.08 An employee may be assisted and/or represented by the Alliance when presenting a grievance at any level.

18.09 The Alliance shall have the right to consult with the Employer with respect to a grievance at each level of the grievance procedure. Where consultation is with the deputy head, the deputy head shall render the decision.

18.10 An employee may present a grievance to the First Level of the procedure in the manner prescribed in clause 18.05 not later than the twenty-fifth (25th) day after the date on which he or she is notified orally or in writing or on which he or she first becomes aware of the action or circumstances giving rise to the grievance.

18.11 The Employer shall normally reply to an employee's grievance, at any level in the grievance procedure, except the final level, within ten (10) days after the date the grievance is presented at that level. Where such decision or settlement is not satisfactory to the employee, he or she may submit a grievance at the next higher level in the grievance procedure within ten (10) days after that decision or settlement has been conveyed to him or her in writing.

18.12 If the Employer does not reply within fifteen (15) days from the date that a grievance is presented at any level, except the final level, the employee may, within the next ten (10) days, submit the grievance at the next higher level of the grievance procedure.

18.13 The Employer shall normally reply to an employee's grievance at the final level of the grievance procedure within thirty (30) days after the grievance is presented at that level.

18.14 Where an employee has been represented by the Alliance in the presentation of his or her grievance, the Employer will provide the appropriate representative of the Alliance with a copy of the Employer's decision at each level of the grievance procedure at the same time that the Employer's

decision is conveyed to the employee.

18.15 The decision given by the Employer at the Final Level in the grievance procedure shall be final and binding upon the employee unless the grievance is a class of grievance that may be referred to adjudication.

18.16 In determining the time within which any action is to be taken as prescribed in this procedure, Saturdays, Sundays and designated paid holidays shall be excluded.

18.17 The time limits stipulated in this procedure may be extended by mutual agreement between the Employer and the employee and, where appropriate, the Alliance representative.

18.18 Where it appears that the nature of the grievance is such that a decision cannot be given below a particular level of authority, any or all the levels, except the final level may be eliminated by agreement of the Employer and the employee, and, where applicable, the Alliance.

18.19 Where the Employer demotes or terminates an employee for cause pursuant to paragraph 11(2)(f) or (g) of the *Financial Administration Act*, the grievance procedure set forth in this Agreement shall apply except that the grievance shall be presented at the final level only.

18.20 An employee may abandon a grievance by written notice to his or her immediate supervisor or officer-in-charge.

18.21 An employee who fails to present a grievance to the next higher level within the prescribed time limits shall be deemed to have abandoned the grievance, unless the employee was unable to comply with the prescribed time limits due to circumstances beyond his or her control.

18.22 No person who is employed in a managerial or confidential capacity shall seek by intimidation, by threat of dismissal or by any other kind of threat to cause an employee to abandon his or her grievance or refrain from exercising his or her right to present a grievance as provided in this Agreement.

18.23 Where an employee has presented a grievance up to and including the Final Level in the grievance procedure with respect to:

(a) the interpretation or application in respect of him or her of a provision of this Agreement or a related arbitral award,

or

(b) disciplinary action resulting in suspension or a financial penalty,

or

(c) termination of employment or demotion pursuant to paragraph 11(2)(f) or (g) of the *Financial*

Administration Act,

and the employee's grievance has not been dealt with to his or her satisfaction, he or she may refer the grievance to adjudication in accordance with the provisions of the *Public Service Staff Relations Act* and Regulations.

18.24 Where a grievance that may be presented by an employee to adjudication is a grievance relating to the interpretation or application in respect of him or her of a provision of this Agreement or an arbitral award, the employee is not entitled to refer the grievance to adjudication unless the Alliance signifies in the prescribed manner:

(a) its approval of the reference of the grievance to adjudication,

and

(b) its willingness to represent the employee in the adjudication proceedings.

Expedited Adjudication

18.25 The parties agree that any adjudicable grievance may be referred to the following expedited adjudication process:

(a) At the request of either party, a grievance that has been referred to adjudication may be dealt with through Expedited Adjudication with the consent of both parties.

(b) When the parties agree that a particular grievance will proceed through Expedited Adjudication, the Alliance will submit to the PSSRB the consent form signed by the grievor or the bargaining agent.

(c) The parties may proceed with or without an Agreed Statement of Facts. When the parties arrive at an Agreed Statement of Facts it will be submitted to the PSSRB or to the Adjudicator at the hearing.

(d) No witnesses will testify.

(e) The Adjudicator will be appointed by the PSSRB from among its members who have had at least three (3) years experience as a member of the Board.

(f) Each Expedited Adjudication session will take place in Ottawa, unless the parties and the PSSRB agree otherwise. The cases will be scheduled jointly by the parties and the PSSRB, and will appear on the PSSRB schedule.

(g) The Adjudicator will make an oral determination at the hearing, which will be recorded and initialed by the representatives of the parties. This will be confirmed in a written determination to be issued by the Adjudicator within five (5) days of the hearing. The parties may, at the request of the Adjudicator, vary the above conditions in a particular case.

(h) The Adjudicator's determination will be final and binding on all the parties, but will not constitute a precedent. The parties agree not to refer the determination to the Federal Court.

ARTICLE 19

NO DISCRIMINATION

**

19.01 There shall be no discrimination, interference, restriction, coercion, harassment, intimidation, or any disciplinary action exercised or practiced with respect to an employee by reason of age, race, creed, colour, national or ethnic origin, religious affiliation, sex, sexual orientation, family status, mental or physical disability, membership or activity in the Alliance, marital status or a conviction for which a pardon has been granted.

19.02

(a) Any level in the grievance procedure shall be waived if a person hearing the grievance is the subject of the complaint.

(b) If by reason of paragraph (a) a level in the grievance procedure is waived, no other level shall be waived except by mutual agreement.

19.03 By mutual agreement, the parties may use a mediator in an attempt to settle a grievance dealing with discrimination. The selection of the mediator will be by mutual agreement.

**

19.04 Upon request by the complainant(s) and/or respondent(s), an official copy of the investigation report shall be provided to them by the Employer, subject to any restriction pursuant to the *Access to Information Act* and the *Privacy Act*.

ARTICLE 20

SEXUAL HARASSMENT

20.01 The Alliance and the Employer recognize the right of employees to work in an environment free from sexual harassment and agree that sexual harassment will not be tolerated in the work place.

20.02

(a) Any level in the grievance procedure shall be waived if a person hearing the grievance is the subject of the complaint.

(b) If by reason of paragraph (a) a level in the grievance procedure is waived, no other level shall be

20.04 Upon request by the complainant(s) and/or respondent(s), an official copy of the investigation report shall be provided to them by the Employer, subject to any restriction pursuant to the *Access to Information Act* and the *Privacy Act*.

ARTICLE 21

JOINT CONSULTATION

21.01 The parties acknowledge the mutual benefits to be derived from joint consultation and are prepared to enter into discussion aimed at the development and introduction of appropriate machinery for the purpose of providing joint consultation on matters of common interest.

21.02 Within five (5) days of notification of consultation served by either party, the Alliance shall notify the Employer in writing of the representatives authorized to act on behalf of the Alliance for consultation purposes.

21.03 Upon request of either party, the parties to this agreement shall consult meaningfully at the appropriate level about contemplated changes in conditions of employment or working conditions not governed by this agreement.

21.04 Without prejudice to the position the Employer or the Alliance may wish to take in future about the desirability of having the subjects dealt with by the provisions of collective agreements, the subjects that may be determined as appropriate for joint consultation will be by agreement of the parties.

ARTICLE 22

HEALTH AND SAFETY

22.01 The Employer shall make reasonable provisions for the occupational safety and health of employees. The Employer will welcome suggestions on the subject from the Alliance, and the parties undertake to consult with a view to adopting and expeditiously carrying out reasonable procedures and techniques designed or intended to prevent or reduce the risk of employment injury.

ARTICLE 23

JOB SECURITY

23.01 Subject to the willingness and capacity of individual employees to accept relocation and

retraining, the Employer will make every reasonable effort to ensure that any reduction in the work force will be accomplished through attrition.

ARTICLE 24

TECHNOLOGICAL CHANGE

24.01 The parties have agreed that in cases where as a result of technological change the services of an employee are no longer required beyond a specified date because of lack of work or the discontinuance of a function, Appendix "T" on Work Force Adjustment will apply. In all other cases the following clauses will apply.

24.02 In this Article "Technological Change" means:

(a) the introduction by the Employer of equipment or material of a different nature than that previously utilized;

and

(b) a change in the Employer's operation directly related to the introduction of that equipment or material.

24.03 Both parties recognize the overall advantages of technological change and will, therefore, encourage and promote technological change in the Employer's operations. Where technological change is to be implemented, the Employer will seek ways and means of minimizing adverse effects on employees which might result from such changes.

24.04 The Employer agrees to provide as much advance notice as is practicable but, except in cases of emergency, not less than one hundred and eighty (180) days written notice to the Alliance of the introduction or implementation of technological change when it will result in significant changes in the employment status or working conditions of the employees.

24.05 The written notice provided for in clause 24.04 will provide the following information:

(a) the nature and degree of the technological change;

(b) the date or dates on which the Employer proposes to effect the technological change;

(c) the location or locations involved;

(d) the approximate number and type of employees likely to be affected by the technological change;

(e) the effect that the technological change is likely to have on the terms and conditions of employment of the employees affected.

24.06 As soon as reasonably practicable after notice is given under clause 24.04, the Employer shall consult meaningfully with the Alliance concerning the rationale for the change and the topics referred to in paragraph 24.05 on each group of employees, including training.

24.07 When, as a result of technological change, the Employer determines that an employee requires new skills or knowledge in order to perform the duties of the employee's substantive position, the Employer will make every reasonable effort to provide the necessary training during the employee's working hours without loss of pay and at no cost to the employee.

PART III - WORKING CONDITIONS

ARTICLE 25

HOURS OF WORK

Alternate Provision

This article does not apply to employees in the PI bargaining unit (see provisions of Appendix "M").

25.01 An employee's scheduled hours of work shall not be construed as guaranteeing the employee minimum or maximum hours of work.

25.02 The Employer agrees that, before a schedule of working hours is changed, the changes will be discussed with the appropriate steward of the Alliance if the change will affect a majority of the employees governed by the schedule.

25.03 Provided sufficient advance notice is given and with the approval of the Employer, employees may exchange shifts if there is no increase in cost to the Employer.

25.04

(a) Except as provided for in clause 25.09, the normal work week shall be thirty-seven and one-half (37 1/2) hours exclusive of lunch periods, comprising five (5) days of seven and one-half (7 1/2) hours each, Monday to Friday. The work day shall be scheduled to fall within a nine (9)-hour period between the hours of 6:00 a.m. and 6:00 p.m., unless otherwise agreed in consultation between the Alliance and the Employer at the appropriate level.

(b) The scheduled weekly and daily hours of work stipulated in 25.04(a) may be varied by the Employer, following consultation with the Alliance, to allow for summer and winter hours, provided the annual total is not changed.

25.05 Subject to operational requirements as determined by the Employer from time to time, an

employee shall have the right to select and request flexible hours between 6:00 a.m. and 6:00 p.m. and such request shall not be unreasonably denied.

25.06 Notwithstanding the provisions of this article, upon request of an employee and the concurrence of the Employer, an employee may complete his or her weekly hours of employment in a period other than five (5) full days provided that over a period of twenty-eight (28) calendar days the employee works an average of thirty-seven and one-half (37 1/2) hours per week. As part of the provisions of this clause, attendance reporting shall be mutually agreed between the employee and the Employer. In every twenty-eight (28) day period such an employee shall be granted days of rest on such days as are not scheduled as a normal workday for the employee.

25.07 Two (2) rest periods of fifteen (15) minutes each shall be scheduled during each normal day for non-operating employees. The Employer agrees, where operational requirements permit, to continue the present practice of providing rest periods for operating employees.

25.08 If an employee is given less than seven (7) days' advance notice of a change in his or her shift schedule, the employee will receive a premium rate of time and one-half (1 1/2) for work performed on the first shift changed. Subsequent shifts worked on the new schedule shall be paid for at straight time. Such employee shall retain his or her previously scheduled days of rest next following the change or if worked, such days of rest shall be compensated in accordance with the overtime provisions of this collective agreement.

25.09 For employees who work on a rotating or irregular basis:

(a) Normal hours of work shall be scheduled so that employees work:

(i) an average of thirty-seven and one-half (37 1/2) hours per week and an average of five (5) days per week,

and

(ii) seven and one-half (7 1/2) hours per day.

(b) The Employer shall make every reasonable effort to schedule a meal break of one-half (1/2) hour during each full shift which shall not constitute part of the work period. Such meal break shall be scheduled as close as possible to the mid-point of the shift, unless an alternate arrangement is agreed to at the appropriate level between the Employer and the employee. If an employee is not given a meal break scheduled in advance, all time from the commencement to the termination of the employee's full shift shall be deemed time worked.

(c) When an employee's scheduled shift does not commence and end on the same day, such shift shall be deemed for all purposes to have been entirely worked:

(i) on the day it commenced where half (1/2) or more of the hours worked fall on that day,

or

(ii) on the day it terminates where more than half (1/2) of the hours worked fall on that day.

Accordingly, the first (1st) day of rest will be deemed to start immediately after midnight of the calendar day on which the employee worked or is deemed to have worked his or her last scheduled shift; and the second (2nd) day of rest will start immediately after midnight of the employee's first (1st) day of rest, or immediately after midnight of an intervening designated paid holiday if days of rest are separated thereby.

(d) Every reasonable effort shall be made by the Employer:

(i) not to schedule the commencement of a shift within eight (8) hours of the completion of the employee's previous shift;

(ii) to avoid excessive fluctuations in hours of work;

(iii) to consider the wishes of the majority of employees concerned in the arrangement of shifts within a shift schedule;

(iv) to arrange shifts over a period of time not exceeding fifty-six (56) days and to post schedules at least fourteen (14) days in advance of the starting date of the new schedule;

(v) to grant an employee a minimum of two (2) consecutive days of rest.

(e) In order to continue the present scheduling practices for upper air technicians, the provision of sub-paragraph 25.09(a)(ii) and (d)(i) will not apply.

(f) Subject to paragraphs 25.09(a) through 25.09(e), scheduling practices will continue in specialized areas as follows:

(i) ice observers aboard ice-breakers shall work fifty-six (56) hours per week,

(ii) upper air technicians shall work not less than five (5) hours per shift.

(g) Notwithstanding the provisions of this article, it may be operationally advantageous to implement work schedules for employees that differ from those specified in this clause. Any special arrangement may be at the request of either party and must be mutually agreed between the Employer and the majority of employees affected.

Terms and Conditions Governing the Administration of Variable Hours of Work

25.10 The terms and conditions governing the administration of variable hours of work implemented pursuant to paragraphs 25.04(b), 25.06, and 25.09(g) are specified in clauses 25.10 to 25.13. This

Agreement is modified by these provisions to the extent specified herein.

25.11 Notwithstanding anything to the contrary contained in this Agreement, the implementation of any variation in hours shall not result in any additional overtime work or additional payment by reason only of such variation, nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this Agreement.

25.12

(a) The scheduled hours of work of any day, may exceed or be less than seven and one-half (7 1/2) hours; starting and finishing times, meal breaks and rest periods shall be determined according to operational requirements as determined by the Employer and the daily hours of work shall be consecutive.

(i) The maximum life of a schedule for shift workers shall be six (6) months.

(ii) The maximum life of a schedule for Day workers shall be twenty-eight (28) days, except when the normal weekly and daily hours of work are varied by the Employer to allow for summer and winter hours in accordance with clause 25.04(b), in which case the life of a schedule shall be one (1) year.

(c) Whenever an employee changes his or her variable hours or no longer works variable hours, all appropriate adjustments will be made.

MATERNITY LEAVE WITHOUT PAY

42.01 Maternity Leave without Pay

a) An employee who becomes pregnant shall, upon request, be granted maternity leave without pay for a period beginning before, on or after the termination date of pregnancy and ending not later than seventeen (17) weeks after the termination date of pregnancy.

(b) Notwithstanding paragraph (a):

(i) where the employee has not yet proceeded on maternity leave without pay and her newborn child is hospitalized,

or

(ii) where the employee has proceeded on maternity leave without pay and then returns to work for all or part of the period during which her newborn child is hospitalized,

the period of maternity leave without pay defined in paragraph (a) may be extended beyond the date falling seventeen (17) weeks after the date of termination of pregnancy by a period equal to that portion of the period of the child's hospitalization during which the employee was not on maternity leave, to a maximum of seventeen (17) weeks.

(c) The extension described in paragraph (b) shall end not later than fifty-two (52) weeks after the termination date of pregnancy.

(d) The Employer may require an employee to submit a medical certificate certifying pregnancy.

(e) An employee who has not commenced maternity leave without pay may elect to:

(i) use earned vacation and compensatory leave credits up to and beyond the date that her pregnancy terminates;

(ii) use her sick leave credits up to and beyond the date that her pregnancy terminates, subject to the provisions set out in Article 39, Sick Leave With Pay. For purposes of this subparagraph, the terms "illness" or "injury" used in Article 39, Sick Leave With Pay, shall include medical disability related to pregnancy.

(f) An employee shall inform the Employer in writing of her plans for taking leave with and without pay to cover her absence from work due to the pregnancy at least four (4) weeks in advance of the initial date of continuous leave of absence during which termination of pregnancy is expected to occur unless there is a valid reason why the notice cannot be given.

(g) Leave granted under this clause shall be counted for the calculation of "continuous employment" for the purpose of calculating severance pay and "service" for the purpose of calculating vacation leave. Time spent on such leave shall be counted for pay increment purposes.

42.02 Maternity Allowance

(a) An employee who has been granted maternity leave without pay shall be paid a maternity allowance in accordance with the terms of the Supplemental Unemployment Benefit (SUB) Plan described in paragraph (c) to (i), provided that she:

(i) has completed six (6) months of continuous employment before the commencement of her maternity leave without pay,

(ii) provides the Employer with proof that she has applied for and is in receipt of pregnancy

benefits pursuant to Section 22 of the *Employment Insurance Act* in respect of insurable employment with the Employer,

and

(iii) has signed an agreement with the Employer stating that:

(A) she will return to work on the expiry date of her maternity leave without pay unless the return to work date is modified by the approval of another form of leave;

(B) following her return to work, as described in section (A), she will work for a period equal to the period she was in receipt of the maternity allowance;

**

(C) should she fail to return to work in accordance with section (A), or should she return to work but fail to work for the total period specified in section (B), for reasons other than death, lay-off, early termination due to lack of work or discontinuance of a function of a specified period of employment that would have been sufficient to meet the obligations specified in section (B), or having become disabled as defined in the *Public Service Superannuation Act*, she will be indebted to the Employer for an amount determined as follows:

(allowance received)	X	(remaining period to be worked following her return to work)
		[total period to be worked as specified in (B)]

however, an employee whose specified period of employment expired and who is rehired in any portion of the Public Service of Canada as specified in Part I of Schedule I of the *Public Service Staff Relations Act* within a period of ninety (90) days or less is not indebted for the amount if her new period of employment is sufficient to meet the obligations specified in section (B).

(b) For the purpose of sections (a)(iii)(B), and (C), periods of leave with pay shall count as time worked. Periods of leave without pay during the employee's return to work will not be counted as time worked but shall interrupt the period referred to in section (a)(iii)(B), without activating the recovery provisions described in section (a)(iii)(C).

(c) Maternity allowance payments made in accordance with the SUB Plan will consist of the following:

(i) where an employee is subject to a waiting period of two (2) weeks before receiving Employment Insurance pregnancy benefits, ninety-three per cent (93%) of her weekly rate

of pay for each week of the waiting period, less any other monies earned during this period,
and

(ii) for each week that the employee receives a pregnancy benefit pursuant to Section 22 of the *Employment Insurance Act*, the difference between the gross weekly amount of the Employment Insurance pregnancy benefit she is eligible to receive and ninety-three per cent (93%) of her weekly rate of pay less any other monies earned during this period which may result in a decrease in Employment Insurance benefits to which she would have been eligible if no extra monies had been earned during this period.

(d) At the employee's request, the payment referred to in subparagraph 42.02(c)(i) will be estimated and advanced to the employee. Adjustments will be made once the employee provides proof of receipt of Employment Insurance pregnancy benefits.

(e) The maternity allowance to which an employee is entitled is limited to that provided in paragraph (c) and an employee will not be reimbursed for any amount that she may be required to repay pursuant to the *Employment Insurance Act*.

(f) The weekly rate of pay referred to in paragraph (c) shall be:

(i) for a full-time employee, the employee's weekly rate of pay on the day immediately preceding the commencement of maternity leave without pay,

(ii) for an employee who has been employed on a part-time or on a combined full-time and part-time basis during the six (6) month period preceding the commencement of maternity leave, the rate obtained by multiplying the weekly rate of pay in subparagraph (i) by the fraction obtained by dividing the employee's straight time earnings by the straight time earnings the employee would have earned working full-time during such period.

(g) The weekly rate of pay referred to in paragraph (f) shall be the rate to which the employee is entitled for her substantive level to which she is appointed.

(h) Notwithstanding paragraph (g), and subject to subparagraph (f)(ii), if on the day immediately preceding the commencement of maternity leave without pay an employee has been on an acting assignment for at least four (4) months, the weekly rate shall be the rate she was being paid on that day.

(i) Where an employee becomes eligible for a pay increment or pay revision while in receipt of the maternity allowance, the allowance shall be adjusted accordingly.

(j) Maternity allowance payments made under the SUB Plan will neither reduce nor increase an employee's deferred remuneration or severance pay.

42.03 Special Maternity Allowance for Totally Disabled Employees

(a) An employee who:

(i) fails to satisfy the eligibility requirement specified in subparagraph 42.02(a)(ii) solely because a concurrent entitlement to benefits under the Disability Insurance (DI) Plan, the Long-term Disability (LTD) Insurance portion of the Public Service Management Insurance Plan (PSMIP) or the *Government Employees Compensation Act* prevents her from receiving Employment Insurance pregnancy benefits,

and

(ii) has satisfied all of the other eligibility criteria specified in paragraph 42.02(a), other than those specified in sections (A) and (B) of subparagraph 42.02(a)(iii),

shall be paid, in respect of each week of maternity allowance not received for the reason described in subparagraph (i), the difference between ninety-three per cent (93%) of her weekly rate of pay and the gross amount of her weekly disability benefit under the DI Plan, the LTD Plan or via the *Government Employees Compensation Act*.

(b) An employee shall be paid an allowance under this clause and under clause 42.02 for a combined period of no more than the number of weeks during which she would have been eligible for pregnancy benefits pursuant to Section 22 of the *Employment Insurance Act* had she not been disqualified from Employment Insurance pregnancy benefits for the reasons described in subparagraph (a)(i).

42.04 Transitional Provisions

If, on the date of signature of this Agreement, an employee is currently on maternity leave without pay or has requested a period of maternity leave but has not commenced the leave, she shall upon request be entitled to the provisions of this Article. Any application must be received before the termination date of the leave period originally requested.

ARTICLE 43

MATERNITY-RELATED REASSIGNMENT OR LEAVE

**

43.01 An employee who is pregnant or nursing may, during the period from the beginning of pregnancy to the end of the twenty-fourth (24th) week following the birth, request the Employer to modify her job functions or reassign her to another job if, by reason of the pregnancy or nursing, continuing any of her current functions may pose a risk to her health or that of the foetus or child. On being informed of the cessation, the Employer, with the written consent of the employee, shall notify the appropriate work place committee or the health and safety representative.

43.02 An employee's request under clause 43.01 must be accompanied or followed as soon as possible

by a medical certificate indicating the expected duration of the potential risk and the activities or conditions to avoid in order to eliminate the risk. Dependent upon the particular circumstances of the request, the Employer may obtain an independent medical opinion.

43.03 An employee who has made a request under clause 43.01 is entitled to continue in her current job while the Employer examines her request, but, if the risk posed by continuing any of her job functions so requires, she is entitled to be immediately assigned alternative duties until such time as the Employer:

(a) modifies her job functions or reassigns her,

or

(b) informs her in writing that it is not reasonably practicable to modify her job functions or reassign her.

43.04 Where reasonably practicable, the Employer shall modify the employee's job functions or reassign her.

43.05 Where the Employer concludes that a modification of job functions or a reassignment that would avoid the activities or conditions indicated in the medical certificate is not reasonably practicable, the Employer shall so inform the employee in writing and shall grant leave of absence without pay to the employee for the duration of the risk as indicated in the medical certificate. However, such leave shall end no later than twenty-four (24) weeks after the birth.

43.06 An employee whose job functions have been modified, who has been reassigned or who is on leave of absence shall give at least two (2) weeks notice in writing to the Employer of any change in duration of the risk or the inability as indicated in the medical certificate, unless there is a valid reason why that notice cannot be given. Such notice must be accompanied by a new medical certificate.

43.07 Notwithstanding 43.05, for an employee working in an institution where she is in direct and regular contact with offenders, if the Employer concludes that a modification of job functions or a reassignment that would avoid the activities or conditions indicated in the medical certificate is not reasonably practicable, the Employer shall so inform the employee in writing and shall grant leave of absence with pay to the employee for the duration of the risk as indicated in the medical certificate. However, such leave shall end no later than at the time the employee proceeds on Maternity Leave Without Pay or the termination date of the pregnancy, whichever comes first.

APPENDIX "C"

**MEMORANDUM OF AGREEMENT
CONCERNING FISHERY OFFICERS
IN THE GENERAL TECHNICAL GROUP,
WORKING ON OFF-SHORE SURVEILLANCE IN THE
DEPARTMENT OF FISHERIES AND OCEANS**

The Employer and the Public Service Alliance of Canada agree, for the term of this collective agreement, that Fishery Officers working on off-shore surveillance and employed with the Department of Fisheries and Oceans will work an average of nine and one-half (9 1/2) hours per day while in a Surveillance Mode.

Surveillance Mode is defined as the period between the time at which a Fishery Officer on off-shore surveillance reports to his or her surveillance duty station and the time at which the Fishery Officer leaves his or her surveillance duty station. Off-shore surveillance may be conducted by vessel or aircraft. Surveillance Mode may be terminated due to delays in departure or early return.

The normal overtime provisions of the collective agreement will apply to these Officers with the following exceptions:

(a)

(i) Employees shall receive thirty-seven and one-half (37 1/2) hours pay at the straight-time rate per week while in a Surveillance Mode. All overtime earned and all compensation earned for work on a designated holiday shall accumulate as compensatory leave. The compensatory leave earned while in a Surveillance Mode shall be liquidated immediately after their return from Surveillance Mode unless management deems this impractical due to operational requirements.

(ii) Seventy-five (75) hours of compensatory leave shall be held in a bank to ensure that if an Officer is unable to make a scheduled trip and there is no other work available, the Officer is eligible to request compensatory leave from his or her seventy-five (75)-hour bank.

(iii) At the request of an employee and with the approval of the Employer, at any time during the fiscal year, the Employer may pay the requested compensatory leave in excess of one-hundred and fifty (150) hours in cash at the straight-time rate of pay in effect on the day on which compensatory leave is granted.

(iv) At the end of each fiscal year, all unliquidated compensatory leave in excess of seventy-five (75) hours shall be paid in cash at the straight-time rate of pay in effect on the day on which compensatory leave is granted.

(b) In addition, if the vessel or aircraft does not depart as scheduled on a designated paid holiday or a day of rest, the reporting pay article of the collective agreement shall apply.

(c) For the purpose of accumulation of paid leave, severance pay and in the application of Pay Note 8 (pay increment periods) time spent by employees in Surveillance Mode shall be deemed to be seven and one-half (7 1/2) hours per day and/or thirty-seven and one-half (37 1/2) hours per week, as applicable.

(d) When an employee works on a designated paid holiday while in a Surveillance Mode, the employee shall be compensated, in addition to the seven and one-half (7 1/2) hours holiday pay the employee would have been granted had he or she not worked, at the rate of time and one-half (1 1/2) for all scheduled hours worked and double (2) time for all hours worked in excess of the scheduled hours.

Arrest Mode

For the purposes of this Memorandum, "Arrest Mode" is defined as those situations where management has authorized a Fishery Officer on off-shore surveillance to remain on board a vessel for the purposes of maintaining continuity of evidence.

In Arrest Mode, the overtime provisions of sub-clauses 28.01(a) and (b) will apply. In calculating the entitlement, all hours for that day will be a combination of hours in Surveillance Mode, nine and one-half (9.5) hours and Arrest Mode (all remaining hours).

For the purposes of calculating the rate of pay while in Arrest Mode, the regular nine and one-half (9.5)-hour day shall be deemed to have begun at 8:00 hours and would normally have ceased at 18:00 hours [with one-half (1/2) hour for lunch]. As such, where an Arrest Mode is authorized after 18:00 hours, the officer would be compensated at time and one-half (1 1/2) his or her straight-time rate at the beginning of the Arrest Mode.

Once Arrest Mode is confirmed and payment at premium rates is in effect, the premium rate will remain in effect until Arrest Mode ceases. In a continuing Arrest Mode, two (2) or more days, the Surveillance Mode provisions will not apply for those days where Arrest Mode continues beyond 12:00 hours on that day.

Officers while in a Surveillance Mode or Arrest Mode shall be excluded from the following provisions of this collective agreement:

Notwithstanding the provisions of Article 25, Hours of Work, and Article 28, Overtime, the following provisions shall apply to employees of the Sea Lamprey Control Unit of the Department of Fisheries and Oceans who are required to perform work away from their headquarters area during the "field season" and it is impractical or impossible for them to return to their headquarters area on weekends.

It is agreed that representatives of local management and duly authorized local representatives of employees may jointly devise and decide on a mutually acceptable work schedule program, which shall include a specified number of consecutive calendar days of work in the field followed by a combination of days of rest and compensatory leave earned during the period of field duty. The schedule will not contain the hours of work on each day and the starting and quitting time shall be determined according to operational requirements on a daily basis except that the normal daily hours of work shall be consecutive, with the exception of a lunch break, and not in excess of seven and one-half (7 1/2) hours and, accordingly, clause 25.08 shall not apply.

Such a work schedule shall normally not exceed a combination of twenty (20) consecutive calendar days of work and eight (8) days of days of rest and compensatory leave. Should local management decide that operational requirements require an extension of the twenty (20) calendar days of work [up to a maximum of seven (7) calendar days] in order to preclude another trip to the area, the appropriate number of additional days shall be worked and the days of rest and compensatory leave extended as required.

Overtime shall be compensated in accordance with this collective agreement and shall be taken as compensatory leave immediately following the period in the field or at the discretion of the Employer.

The Public Service Alliance of Canada agrees that it will not support any grievance related to the provisions of this Memorandum of Agreement.

HOURS OF WORK FOR EMPLOYEES IN THE PRIMARY PRODUCTS INSPECTION (PI) GROUP

25.01 An employee's scheduled hours of work shall not be construed as guaranteeing the employee minimum or maximum hours of work.

25.02 The Employer agrees that, before a schedule of working hours is changed, the changes will be discussed with the appropriate steward of the Alliance if the change will affect a majority of the employees governed by the schedule.

25.03 Provided sufficient advance notice is given and with the approval of the Employer, employees may exchange shifts if there is no increase in cost to the Employer.

25.04 Except as provided for in clause 25.05, the normal workweek shall be thirty-seven and one-half (37 1/2) hours exclusive of lunch periods, comprising five (5) days of seven and one-half (7 1/2) hours each, Monday to Friday. The workday shall be scheduled to fall within an eight (8) hour period where the lunch period is one-half (1/2) hour or within an eight and one-half (8 1/2) hour period where the lunch period is more than one half (1/2) hour and not more than one (1) hour. Such work periods shall be scheduled between the hours of 6:00 a.m. and 6:00 p.m. unless otherwise agreed in consultation with the Alliance and the Employer at the appropriate level.

25.05 For employees who work on a rotating or irregular basis:

(a) Normal hours of work shall be scheduled so that employees work:

- (i) an average of thirty-seven and one-half (37 1/2) hours per week and an average of five

(5) days per week,

and

(ii) either seven and one-half (7 1/2) hours per day,

or

(iii) an average of seven and one-half (7 1/2) hours per day where so agreed between the Employer and the majority of the employees affected,

(iv) subject to the operational requirements of the service, an employee's days of rest shall be consecutive and not less than two (2).

(b) Every reasonable effort shall be made by the Employer:

(i) not to schedule the commencement of a shift within twelve (12) hours of the completion of the employee's previous shift;

(ii) to avoid excessive fluctuations in hours of work;

(iii) to consider the wishes of the majority of employees concerned in the arrangement of shifts within a shift schedule;

(iv) to arrange shifts over a period of time not exceeding two (2) months and to post schedules at least seven (7) days in advance of the starting date of the new schedule.

25.06 Notwithstanding the provisions of this article, upon request of an employee and the concurrence of the Employer, an employee may complete his or her weekly hours of employment in a period other than five (5) full days provided that over a period of twenty-eight (28) calendar days the employee works an average of thirty-seven and one-half (37 1/2) hours per week. As part of the provisions of this clause, attendance reporting shall be mutually agreed between the employee and the Employer. In every twenty-eight-day (28) period such an employee shall be granted days of rest on such days as are not scheduled as a normal workday for the employee.

25.07 The Employer shall make every reasonable effort to schedule a meal break of at least one-half (1/2) hour during each full shift which shall not constitute part of the work period. Such meal break shall be scheduled as close as possible to the mid-point of the shift, unless an alternate arrangement is agreed to at the appropriate level between the Employer and the employee. If an employee is not given a meal break scheduled in advance, all time from the commencement to the termination of the employee's full shift shall be deemed time worked.

25.08 When an employee's scheduled shift does not commence and end on the same day, such shift shall be considered for all purposes to have been entirely worked:

(a) on the day it commenced where half or more of the hours worked fall on that day;

or

(b) on the day it terminates where more than half of the hours worked fall on that day.

Accordingly, the first (1st) day of rest will be considered to start immediately after midnight of the calendar day on which the employee worked or is considered to have worked his/her last scheduled shift; and the second (2nd) day of rest will start immediately after midnight of the employee's first (1st) day of rest, or immediately after midnight of an intervening designated paid holiday if days of rest are separated thereby.

25.09 Two (2) rest periods of fifteen (15) minutes each shall be scheduled during each normal working day.

25.10 If an employee is given less than seven (7) days' advance notice of a change in that employee's shift schedule, the employee will receive a premium rate of time and one-half (1 1/2) for work performed on the first (1st) shift changed. Subsequent shifts worked on the new schedule shall be paid for at straight time.

25.12 Notwithstanding anything to the contrary contained in this Agreement, the implementation of any variation in hours shall not result in any additional overtime work or additional payment by reason only of such variation, nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this Agreement.

(a) The scheduled hours of work of any day, may exceed or be less than seven and one-half (7 1/2) hours; starting and finishing times, meal breaks and rest periods shall be determined according to operational requirements as determined by the Employer and the daily hours of work shall be consecutive.

Re: Whistleblowing

Dear Ms. Turmel:

This letter is to follow up on discussions that took place during the course of negotiations on the subject of Whistleblowing.

Employees who make a disclosure of wrongdoing during a Parliamentary proceeding, official enquiry, to a supervisor or designated senior officer in their department, or to the Public Service Integrity Officer, whether it concerns a misuse of public funds, an illegal act, gross mismanagement or a substantial and specific danger to health or safety, shall be protected from reprisal, including but not limited to dismissal, suspension, demotion and financial penalty. In addition a disclosure may be made to the public in circumstances where the employee believes that a serious offence under an Act of Parliament or the legislature of a province, or an imminent risk of substantial and specific danger to the health or safety of persons or the environment exists and there is not sufficient time to make the disclosure to the above identified officials.

Employees who believe that a person has taken a reprisal against them, in violation of the principle stated above, shall have the right to file a grievance directly to the final level of the grievance process. Such a grievance may be referred to adjudication as provided by section 92 of the *Public Service Staff Relations Act*.

This letter shall remain in force until Bill C-11, An Act to Establish a Procedure for the Disclosure of Wrongdoings in the Public Sector, including the Protection of Persons who Disclose the Wrongdoings, or any other act to establish a procedure for the disclosure of wrongdoings in the public sector, becomes law.

General

Application

This appendix applies to all employees. Unless explicitly specified, the provisions contained in Parts I to VI do not apply to alternative delivery initiatives.

Collective agreement

With the exception of those provisions for which the Public Service Commission (PSC) is responsible, this Appendix is part of this Agreement.

Notwithstanding the Job Security Article, in the event of conflict between the present Work Force Adjustment Appendix and that article, the present Work Force Adjustment Appendix will take precedence.

Objectives

It is the policy of the Employer to maximise employment opportunities for indeterminate employees affected by work force adjustment situations, primarily through ensuring that, wherever possible, alternative employment opportunities are provided to them. This should not be construed as the continuation of a specific position or job but rather as continued employment.

To this end, every indeterminate employee whose services will no longer be required because of a work force adjustment situation and for whom the deputy head knows or can predict employment availability will receive a guarantee of a reasonable job offer within the Public Service. Those employees for whom the deputy head cannot provide the guarantee will have access to transitional employment arrangements (as per Part VI and VII).

Definitions

Accelerated lay-off (*mise en disponibilité accélérée*) - occurs when a surplus employee makes a request to the deputy head, in writing, to be laid off at an earlier date than that originally scheduled, and the deputy head concurs. Lay-off entitlements begin on the actual date of lay-off.

Affected employee (*employé-e touché*) - is an indeterminate employee who has been informed in writing that his or her services may no longer be required because of a work force adjustment situation.

Alternation (*échange de postes*) - occurs when an opting employee (not a surplus employee) who wishes to remain in the Public Service exchanges positions with a non-affected employee (the alternate)

willing to leave the Public Service with a Transition Support Measure or with an Education Allowance.

Alternative delivery initiative (*diversification de mode de prestation de service*) - is the transfer of any work, undertaking or business of the Public Service to any body or corporation that is a separate employer or that is outside the Public Service.

Appointing department (*ministère d'accueil*) - is a department or agency which has agreed to appoint or consider for appointment (either immediately or after retraining) a surplus or a laid-off person.

Deputy head (*administrateur général*) - has the same meaning as in the definition of "Deputy Head" set out in section 2 of the *Public Service Employment Act*, and also means his or her official designate.

Education Allowance (*indemnité d'études*) - is one of the options provided to an indeterminate employee affected by normal work force adjustment for whom the deputy head cannot guarantee a reasonable job offer. The Education Allowance is a cash payment, equivalent to the Transitional Support Measure (see Annex B), plus a reimbursement of tuition from a recognised learning institution, book and mandatory equipment costs, up to a maximum of \$8,000.00.

Guarantee of a reasonable job offer (*garantie d'une offre d'emploi raisonnable*) - is a guarantee of an offer of indeterminate employment within the Public Service provided by the deputy head to an indeterminate employee who is affected by work force adjustment. Deputy heads will be expected to provide a guarantee of a reasonable job offer to those affected employees for whom they know or can predict employment availability in the Public Service. Surplus employees in receipt of this guarantee will not have access to the Options available in Part VI of this appendix.

Home department (*ministère d'attache*) - is a department or agency declaring an individual employee surplus.

Laid off person (*personne mise en disponibilité*) - is a person who has been laid off pursuant to PSEA 29(1) and who still retains a reappointment priority under PSEA 29(3).

Lay-off notice (*avis de mise en disponibilité*) - is a written notice of lay-off to be given to a surplus employee at least one month before the scheduled lay-off date. This period is included in the surplus period.

Lay-off priority (*priorité de mise en disponibilité*) - a person who has been laid off is entitled to a priority for appointment without competition or appeal to a position in the Public Service for which, in the opinion of the PSC, they are qualified. This priority is accorded for one year following the lay-off date, pursuant to subsection 29(3) of the *Public Service Employment Act*, or following the termination date, pursuant to paragraph 11(2.01) of the *Financial Administration Act*.

Opting employee (*employé-e optant*) - is an indeterminate employee whose services will no longer be required because of a work force adjustment situation and who has not received a guarantee of a reasonable job offer from the deputy head and who has 120 days to consider the Options of Part 6.3 of

this appendix.

Pay (*rémunération*) - has the same meaning as "rate of pay" in this Agreement.

Priority administration system (*système d'administration des priorités*) - is a system designed by the PSC to facilitate appointments of individuals entitled to statutory and regulatory priorities.

Public Service (*fonction publique*) - means the several positions in or under any department, agency, or other portion of the Public Service of Canada specified in Schedule I, Part I of the *Public Service Staff Relations Act* (PSSRA), for which the PSC has the sole authority to appoint.

Reasonable job offer (*offre d'emploi raisonnable*) - is an offer of indeterminate employment within the Public Service, normally at an equivalent level but could include lower levels. Surplus employees must be both trainable and mobile. Where practicable, a reasonable job offer shall be within the employee's headquarters as defined in the Travel Directive. In Alternative Delivery situations, a reasonable offer is one that meets the criteria set out in Type 1 and Type 2 of Part VII of this Appendix.

Reinstatement priority (*priorité de réintégration*) - is an appointment priority accorded by the PSC, pursuant to the *Public Service Employment Regulations*, to certain individuals salary-protected under this appendix for the purpose of assisting such persons to re-attain an appointment level equivalent to that from which they were declared surplus.

Relocation (*réinstallation*) - is the authorised geographic move of a surplus employee or laid-off person from one place of duty to another place of duty, beyond what, according to local custom, is a normal commuting distance.

Relocation of work unit (*réinstallation d'une unité de travail*) - is the authorised move of a work unit of any size to a place of duty beyond what, according to local custom, is normal commuting distance from the former work location and from the employee's current residence.

Retraining (*recyclage*) - is on-the-job training or other training intended to enable affected employees, surplus employees and laid-off persons to qualify for known or anticipated vacancies within the Public Service.

Surplus employee (*employé-e excédentaire*) - is an indeterminate employee who has been formally declared surplus, in writing, by his or her deputy head.

Surplus priority (*priorité d'employé-e excédentaire*) - is an entitlement for a priority in appointment accorded by the PSC, pursuant to the *Public Service Employment Regulations*, to surplus employees to permit them to be appointed to other positions in the Public Service without competition or right of appeal.

Surplus status (*statut d'employé-e excédentaire*) - An indeterminate employee is in surplus status from the date he or she is declared surplus until the date of lay-off, until he or she is indeterminately

appointed to another position, until his or her surplus status is rescinded, or until the person resigns.

Transition Support Measure (*mesure de soutien à la transition*) - is one of the options provided to an opting employee for whom the deputy head cannot guarantee a reasonable job offer. The Transition Support Measure is a cash payment based on the employee's years of service in the Public Service, as per Annex B.

Twelve-month surplus priority period in which to secure a reasonable job offer (*Priorité d'employé-e excédentaire d'une durée de douze mois pour trouver une offre d'emploi raisonnable*) - is one of the options provided to an opting employee for whom the deputy head cannot guarantee a reasonable job offer.

Work force adjustment (*réaménagement des effectifs*) - is a situation that occurs when a deputy head decides that the services of one or more indeterminate employees will no longer be required beyond a specified date because of a lack of work, the discontinuance of a function, a relocation in which the employee does not wish to relocate or an alternative delivery initiative.

Authorities

The PSC has endorsed those portions of this appendix for which it has responsibility.

Part I

Roles and responsibilities

1.1 Departments

1.1.1 Since indeterminate employees who are affected by work force adjustment situations are not themselves responsible for such situations, it is the responsibility of departments to ensure that they are treated equitably and, whenever possible, given every reasonable opportunity to continue their careers as Public Service employees.

1.1.2 Departments shall carry out effective human resource planning to minimise the impact of work force adjustment situations on indeterminate employees, on the department, and on the Public Service.

1.1.3 Departments shall establish work force adjustment committees, where appropriate, to manage the work force adjustment situations within the department.

1.1.4 Departments shall, as the home department, cooperate with the PSC and appointing departments in joint efforts to redeploy or retrain for redeployment to appointing departments departmental surplus employees and laid-off persons.

1.1.5 Departments shall establish systems to facilitate redeployment or retraining of the department's affected employees, surplus employees, and laid-off persons.

1.1.6 When a deputy head determines that the services of an employee are no longer required beyond a specified date due to lack of work or discontinuance of a function, the deputy head shall advise the employee, in writing, that his or her services will no longer be required. A copy of this letter shall be sent forthwith to the PSC.

Such a communication shall also indicate if the employee:

(a) is being provided a guarantee of a reasonable job offer from the deputy head and that the employee will be in surplus status from that date on,

or

(b) is an opting employee and has access to the Options of Section 6.3 of this Appendix because the employee is not in receipt of a guarantee of a reasonable job offer from the deputy head.

Where applicable, the communication should also provide the information relative to the employee's possible lay-off date.

1.1.7 Deputy heads will be expected to provide a guarantee of a reasonable job offer for those employees subject to work force adjustment for whom they know or can predict employment availability in the Public Service.

1.1.8 Where a deputy head cannot provide a guarantee of a reasonable job offer, the deputy head will provide 120 days to consider the three Options outlined in Part VI of this appendix to all opting employees before a decision is required of them. If the employee fails to select an option, the employee will be deemed to have selected Option (a), Twelve-month surplus priority period in which to secure a reasonable job offer.

1.1.9 The deputy head shall make a determination to either provide a guarantee of a reasonable job offer or access to the Options set out in 6.3 of this appendix, upon request of any indeterminate affected employee who can demonstrate that his or her duties have already ceased to exist.

1.1.10 Departments shall send written notice to the PSC of the employee's surplus status, and shall send to the PSC such details, forms, resumes, and other material as the PSC may from time to time prescribe as necessary for it to discharge its function.

1.1.11 Departments shall advise and consult with the Alliance representatives as completely as possible

regarding any work force adjustment situation as soon as possible after the decision has been made and throughout the process and will make available to the Alliance the name and work location of affected employees.

1.1.12 The home department shall recommend in writing to the PSC whether the employee is suitable for appointment. Where an employee is not considered suitable for appointment, the department shall advise the employee and the Alliance of that recommendation. The department shall send to the employee a copy of the written communication to the Public Service Commission, indicating the reasons for the recommendation together with any enclosures. The department shall also advise the employee that he or she may make oral or written submissions about the matter to the Public Service Commission before the PSC makes its decision. Where the Public Service Commission does not accept the department's recommendation, the department shall provide the surplus period required under this appendix, beginning on the date the department is advised of the decision. The department shall so advise the employee.

1.1.13 The home department shall provide the PSC with a statement that it would be prepared to appoint the surplus employee to a suitable position in the department commensurate with his or her qualifications, if such a position were available.

1.1.14 Departments shall provide that employee with the official notification that he or she has become subject to a work force adjustment and shall remind them that Appendix "E" on Work Force Adjustment of this Agreement applies.

1.1.15 Deputy heads shall apply this appendix so as to keep actual involuntary lay-offs to a minimum, and lay-offs shall normally only occur where an individual has refused a reasonable job offer, or is not mobile, or cannot be retrained within two years, or is laid-off at his or her own request.

1.1.16 Departments are responsible to counsel and advise their affected employees on their opportunities of finding continuing employment in the Public Service.

1.1.17 Appointment of surplus employees to alternative positions, whether with or without retraining, shall normally be at a level equivalent to that previously held by the employee, but this does not preclude appointment to a lower level. Departments shall avoid appointment to a lower level except where all other avenues have been exhausted.

1.1.18 Home departments shall appoint as many of their own surplus employees or laid-off persons as possible, or identify alternative positions (both actual and anticipated) for which individuals can be retrained.

1.1.19 Home departments shall relocate surplus employees and laid-off individuals, if necessary.

1.1.20 Relocation of surplus employees or laid-off persons shall be undertaken when the individuals indicate that they are willing to relocate and relocation will enable their redeployment or reappointment, providing that:

(a) there are no available priority persons, or priority persons with a higher priority, qualified and interested in the position being filled;

or

(b) no available local surplus employees or laid-off persons who are interested and who could qualify with retraining.

1.1.21 The cost of travelling to interviews for possible appointments and of relocation to the new location shall be borne by the employee's home department. Such cost shall be consistent with the Travel and Relocation directives.

1.1.22 For the purposes of the Relocation directive, surplus employees and laid-off persons who relocate under this Appendix shall be deemed to be employees on employer-requested relocations. The general rule on minimum distances for relocation applies.

1.1.23 For the purposes of the Travel directive, laid-off persons travelling to interviews for possible reappointment to Public Service are deemed to be "other persons travelling on government business".

1.1.24 For the priority period, home departments shall pay the salary costs, and other authorised costs such as tuition, travel, relocation, and retraining for surplus employees and laid-off persons, as provided for in this Agreement and the various directives; all authorised costs of termination; and salary protection upon lower-level appointment, unless the appointing department is willing to absorb these costs in whole or in part.

1.1.25 Where a surplus employee is appointed by another department to a term position, the home department is responsible for the costs above for one year from the date of such appointment, after which the appointing department becomes the new home department.

1.1.26 Departments shall protect the indeterminate status and surplus priority of a surplus indeterminate employee appointed to a term position under this appendix.

1.1.27 Departments shall inform the PSC in a timely fashion of the results of all referrals made to them under this appendix, whether such referrals are for immediate appointment, for retraining designed to qualify individuals for appointment, or for anticipated vacancies.

1.1.28 Departments shall review the use of private temporary agency personnel, employees appointed for a specified period (terms) and all other non-indeterminate employees. Where practicable, departments shall not re-engage such temporary agency personnel nor renew the employment of such employees referred to above where such action would facilitate the appointment of surplus employees or laid-off persons.

1.1.29 Nothing in the foregoing shall restrict the employer's right to engage or appoint persons to meet short-term, non-recurring requirements. Surplus and laid-off persons shall be given priority even for

these short-term work opportunities.

1.1.30 Departments may lay off an employee at a date earlier than originally scheduled when the surplus employee requests them to do so in writing.

1.1.31 Departments, acting as appointing departments, shall cooperate with the PSC and other departments in accepting, to the extent possible, affected, surplus and laid-off persons, from other departments for appointment or retraining.

1.1.32 Departments shall provide surplus employees with a lay-off notice at least one month before the proposed lay-off date, if appointment efforts have been unsuccessful.

1.1.33 When a surplus employee refuses a reasonable job offer, he or she shall be subject to lay-off one month after the refusal, however not before six months after the surplus declaration date.

1.1.34 Departments are to presume that each employee wishes to be redeployed unless the employee indicates the contrary in writing.

1.1.35 Departments shall inform and counsel affected and surplus employees as early and as completely as possible and shall, in addition, assign a counsellor to each opting and surplus employee and laid-off person to work with them throughout the process. Such counselling is to include explanations and assistance concerning:

(a) the work force adjustment situation and its effect on that individual;

(b) the work force adjustment appendix;

(c) the PSC's Priority Administration System and how it works from the employee's perspective (referrals, interviews or "boards", feedback to the employee, follow-up by the PSC, how the employee can obtain job information and prepare for an interview, etc.);

(d) preparation of a curriculum vitae or resume;

(e) preparation for an interview with the PSC;

(f) the employee's rights and obligations;

(g) the employee's current situation (e.g. pay, benefits such as severance pay and superannuation, classification, language rights, years of service);

(h) alternatives that might be available to the employee (alternation, appointment, relocation, retraining, lower-level employment, term employment, retirement including possibility of waiver of penalty if entitled to an annual allowance, Transition Support Measure, Education Allowance, pay in lieu of unfulfilled surplus period, resignation, accelerated lay-off);

- (i) the likelihood that the employee will be successfully appointed;
 - (j) the meaning of a guarantee of reasonable job offer, a Twelve-month surplus priority period in which to secure a reasonable job offer, a Transition Support Measure, an Education Allowance;
 - (k) the Human Resources Centres and their services (including a recommendation that the employee register with the nearest office as soon as possible);
 - (l) preparation for interviews with prospective employers;
 - (m) repeat counselling as long as the individual is entitled to a staffing priority and has not been appointed;
- and
- (n) advising the employee that refusal of a reasonable job offer will jeopardize both chances for retraining and overall employment continuity.

1.1.36 Home departments shall ensure that, when it is required to facilitate appointment, a retraining plan is prepared and agreed to in writing by themselves, the employee and the appointing department.

1.1.37 Severance pay and other benefits flowing from other clauses in this collective agreement are separate from, and in addition to, those in this appendix.

1.1.38 Any surplus employee who resigns under this appendix shall be deemed, for the purposes of severance pay and retroactive remuneration, to be involuntarily laid off on the day as of which the deputy head accepts in writing the employee's resignation.

1.2 The Treasury Board Secretariat

1.2.1 It is the responsibility of the Treasury Board Secretariat to:

- (a) investigate and seek to resolve situations referred by the PSC or other parties,

and

- (b) consider departmental requests for retraining resources.

1.3 The Public Service Commission

1.3.1 The PSC shall establish and modify staffing policies and procedures to ensure the most effective and efficient means of maximizing the redeployment of surplus employees and the appointment of laid-off persons to positions in the Public Service.

1.3.2 The PSC shall temporarily restrict or suspend any authority delegated to deputy heads to make

appointments in specified occupational groups when such action is necessary.

1.3.3 The PSC shall actively market surplus employees and laid-off persons to all departments unless the individuals have advised the PSC in writing that they are not available for appointment.

1.3.4 The PSC shall advise the Treasury Board Secretariat when departments fail to comply in good faith with this appendix and/or to cooperate with the PSC in redeployment, retraining, or appointment activities.

1.3.5 The PSC shall determine, to the extent possible, the occupations in which there are skill shortages for which surplus employees or laid-off persons could be retrained, and advise departments accordingly.

1.3.6 The PSC shall provide surplus and laid-off individuals with counselling on their work force adjustment situation and its impact on them during their priority entitlement.

1.3.7 The PSC shall provide information directly to the Alliance on the numbers and status of their members who are in the Priority Administration System and, on a service-wide basis, through reports to the Alliance.

1.3.8 The Public Service Commission shall decide whether employees are suitable for appointment. Where a deputy head recommends that an employee is not suitable, the PSC shall, after considering such a recommendation, and representations of the employee or his or her representative, advise the deputy head, the employee, and his or her representative of its decision whether the employee is entitled to surplus and lay-off priority and the reasons for the decision. The PSC shall also inform the Alliance of its decision.

1.3.9 The PSC shall, wherever possible, ensure that reinstatement priority is given to all employees who are subject to salary protection.

1.3.10 While the responsibility for retraining lies with the home department, the PSC is responsible for making the appropriate referrals and may recommend retraining where it would facilitate appointment, and the appointing department is responsible for considering retraining the individual and for justifying a decision not to retrain.

1.3.11 The PSC shall inform, in a routine and timely manner, a surplus employee or laid-off person, his or her home department and a representative of the Alliance, when he or she has been referred to a department for consideration but will not be offered the position. The PSC shall include full details of why he or she will not be appointed to or retrained for that position.

1.4 Employees

1.4.1 Employees have the right to be represented by the Alliance in the application of this appendix.

1.4.2 Employees who are directly affected by work force adjustment situations and who receive a

guarantee of a reasonable job offer, or who opt, or are deemed to have opted, for Option (a) of Part VI of this appendix are responsible for:

- (a) actively seeking alternative employment in co-operation with their departments and the PSC, unless they have advised the department and the PSC, in writing, that they are not available for appointment;
- (b) seeking information about their entitlements and obligations;
- (c) providing timely information to the home department and to the PSC to assist them in their appointment activities (including curriculum vitae or resumes);
- (d) ensuring that they can be easily contacted by the PSC and appointing departments, and attending appointments related to referrals;
- (e) seriously considering job opportunities presented to them (referrals within the home department, referrals from the PSC, and job offers made by departments), including retraining and relocation possibilities, specified period appointments and lower-level appointments.

1.4.3 Opting employees are responsible for:

- (a) considering the Options of Part VI of this appendix;
- (b) communicating their choice of Options, in writing, to their manager no later than 120 days after being declared opting.

Part II

Official notification

2.1 Department

2.1.1 As already mentioned in section 1.1.11, departments shall advise and consult with the bargaining agent representatives as completely as possible regarding any work force adjustment situation as soon as possible after the decision has been made and throughout the process and will make available to the bargaining agent the name and work location of affected employees.

2.1.2 In any work force adjustment situation which is likely to involve ten or more indeterminate employees covered by this Appendix, the department concerned shall notify the Director, Human Resources Management Group, Human Resources Management Division, Human Resources Branch, Treasury Board Secretariat, in confidence, at the earliest possible date and under no circumstances less than 96 hours before the situation is announced. The department shall send a copy of the advice to the Director General, Recruitment Programs and Priority Administration Directorate, Resourcing and Learning Branch, Public Service Commission.

2.2 Treasury Board Secretariat

2.2.1 Upon notification by the department concerned in 2.1.2 above, and under no circumstances less than 48 hours before the situation is announced, the Director, Human Resources Management Group, Human Resources Branch, Treasury Board Secretariat shall inform, in writing and in confidence, the chief executive officer of the Alliance. This information is to include the identity and location of the work unit(s) involved; the expected date of the announcement; the anticipated timing of the situation; and the numbers of employees, by group and level, who will be affected.

Part III

Relocation of a work unit

3.1 General

3.1.1 In cases where a work unit is to be relocated, departments shall provide all employees whose positions are to be relocated with the opportunity to choose whether they wish to move with the position or be treated as if they were subject to a work force adjustment situation.

3.1.2 Following written notification, employees must indicate, within a period of six months, their intention to move. If the employee's intention is not to move with the relocated position, the Deputy head can either provide the employee with a guarantee of a reasonable job offer or access to the Options set out in section 6.3 of this appendix.

3.1.3 Employees relocating with their work units shall be treated in accordance with the provisions of 1.1.19 to 1.1.23.

3.1.4 Although departments will endeavour to respect employee location preferences, nothing precludes the department from offering the relocated position to employees in receipt of a guarantee of a reasonable job offer from their deputy heads, after having spent as much time as operations permit looking for a reasonable job offer in the employee's location preference area.

3.1.5 Employees who are not in receipt of a guarantee of a reasonable job offer shall become opting employees and have access to the Options set out in Part VI of this appendix.

Part IV

Retraining

4.1 General

4.1.1 To facilitate the redeployment of affected employees, surplus employees, and laid-off persons, departments shall make every reasonable effort to retrain such persons for:

(a) existing vacancies,

or

(b) anticipated vacancies identified by management.

4.1.2 The PSC and departments shall be responsible for identifying situations where retraining can facilitate the appointment of surplus employees and laid-off persons, and shall cooperate in such efforts.

4.1.3 Subject to the provisions of 4.1.2, the deputy head of the home department shall approve up to two years of retraining.

4.2 Surplus employees

4.2.1 A surplus employee is eligible for retraining providing:

(a) retraining is needed to facilitate the appointment of the individual to a specific vacant position or will enable the individual to qualify for anticipated vacancies in occupations or locations where there is a shortage of qualified candidates;

and

(b) there are no other available priority persons who qualify for the position.

4.2.2 The home department is responsible for ensuring that an appropriate retraining plan is prepared and is agreed to in writing by the employee and the delegated officers of the home and appointing departments.

4.2.3 Once a retraining plan has been initiated, its continuation and completion are subject to satisfactory performance by the employee.

4.2.4 While on retraining, a surplus employee continues to be employed by the home department and is entitled to be paid in accordance with his or her current appointment, unless the appointing department is willing to appoint the employee indeterminately, conditional on successful completion of retraining, in which case the retraining plan shall be included in the letter of offer.

4.2.5 When a retraining plan has been approved and the surplus employee continues to be employed by the home department, the proposed lay-off date shall be extended to the end of the retraining period, subject to 4.2.3.

4.2.6 An employee unsuccessful in retraining may be laid off at the end of the surplus period, provided that the Employer has been unsuccessful in making the employee a reasonable job offer.

4.2.7 In addition to all other rights and benefits granted pursuant to this section, an employee who is guaranteed a reasonable job offer, is also guaranteed, subject to the employee's willingness to relocate, training to prepare the surplus employee for appointment to a position pursuant to section 4.1.1, such training to continue for one year or until the date of appointment to another position, whichever comes first. Appointment to this position is subject to successful completion of the training.

4.3 Laid-off persons

4.3.1 A laid-off person shall be eligible for retraining providing:

- (a) retraining is needed to facilitate the appointment of the individual to a specific vacant position;
- (b) the individual meets the minimum requirements set out in the relevant Selection Standard for appointment to the group concerned;
- (c) there are no other available persons with a priority who qualify for the position;

and

- (d) the appointing department cannot justify a decision not to retrain the individual.

4.3.2 When an individual is offered an appointment conditional on successful completion of retraining, a retraining plan reviewed by the PSC shall be included in the letter of offer. If the individual accepts the conditional offer, he or she will be appointed on an indeterminate basis to the full level of the position after having successfully completed training and being assessed as qualified for the position. When an individual accepts an appointment to a position with a lower maximum rate of pay than the position from which he or she was laid-off, the employee will be salary protected in accordance with Part V.

Part V

Salary protection

5.1 Lower-level position

5.1.1 Surplus employees and laid-off persons appointed to a lower-level position under this appendix shall have their salary and pay equity equalization payments, if any, protected in accordance with the salary protection provisions of this collective agreement, or, in the absence of such provisions, the appropriate provisions of the *Regulations Respecting Pay on Reclassification or Conversion*.

5.1.2 Employees whose salary is protected pursuant to section 5.1.1 will continue to benefit from salary protection until such time as they are appointed or deployed into a position with a maximum rate of pay that is equal to or higher than the maximum rate of pay of the position from which they were declared surplus or laid off.

Part VI

Options for employees

6.1 General

6.1.1 Deputy heads will be expected to provide a guarantee of a reasonable job offer for those affected

employees for whom they know or can predict employment availability. A Deputy Head who cannot provide such a guarantee shall provide his or her reasons in writing, if requested by the employee. Employees in receipt of this guarantee would not have access to the choice of Options below.

6.1.2 Employees who are not in receipt of a guarantee of a reasonable job offer from their deputy head have 120 days to consider the three Options below before a decision is required of them.

6.1.3 The opting employee must choose, in writing, one of the three Options of section 6.3 of this appendix within the 120-day window. The employee cannot change Options once having made a written choice.

6.1.4 If the employee fails to select an Option, the employee will be deemed to have selected Option (a), Twelve-month surplus priority period in which to secure a reasonable job offer at the end of the 120-day window.

6.1.5 If a reasonable job offer which does not require a relocation is made at any time during the 120-day opting period and prior to the written acceptance of the Transition Support Measure or the Education Allowance Option, the employee is ineligible for the TSM, the pay in lieu of unfulfilled surplus period or the Education Allowance.

6.2 Alternation

6.2.1 All departments must participate in the alternation process.

6.2.2 An alternation occurs when an opting employee who wishes to remain in the Public Service exchanges positions with a non-affected employee (the alternate) willing to leave the Public Service under the terms of Part VI of this appendix.

6.2.3 Only an opting employee, not a surplus one, may alternate into an indeterminate position that remains in the Public Service.

6.2.4 An indeterminate employee wishing to leave the Public Service may express an interest in alternating with an opting employee. Management will decide, however, whether a proposed alternation will result in retaining the skills required to meet the ongoing needs of the position and the Public Service.

6.2.5 An alternation must permanently eliminate a function or a position.

6.2.6 The opting employee moving into the unaffected position must meet the requirements of the position, including language requirements. The alternate moving into the opting position must meet the requirements of the position, except if the alternate will not be performing the duties of the position and the alternate will be struck off strength within five days of the alternation.

6.2.7 An alternation should normally occur between employees at the same group and level. When the

two positions are not the same group and level, alternation can still occur when the positions can be considered equivalent. They are considered equivalent when the maximum rate of pay for the higher paid position is no more than six-per-cent higher than the maximum rate of pay for the lower paid position.

6.2.8 An alternation must occur on a given date, i.e. two employees directly exchange positions on the same day. There is no provision in alternation for a "domino" effect or for "future considerations".

6.3 Options

6.3.1 Only opting employees who are not in receipt of the guarantee of a reasonable job offer from the deputy head will have access to the choice of Options below:

(a)

(i) Twelve-month surplus priority period in which to secure a reasonable job offer is time-limited. Should a reasonable job offer not be made within a period of twelve months, the employee will be laid off in accordance with the *Public Service Employment Act*. Employees who choose or are deemed to have chosen this Option are surplus employees.

(ii) At the request of the employee, this twelve (12) month surplus priority period shall be extended by the unused portion of the 120-day opting period referred to in 6.1.2 which remains once the employee has selected in writing option (a).

(iii) When a surplus employee who has chosen, or who is deemed to have chosen, Option (a) offers to resign before the end of the twelve-month surplus priority period, the deputy head may authorise a lump-sum payment equal to the surplus employee's regular pay for the balance of the surplus period, up to a maximum of six months. The amount of the lump sum payment for the pay in lieu cannot exceed the maximum of that which he or she would have received had they chosen Option (b), the Transition Support Measure.

(iv) Departments will make every reasonable effort to market a surplus employee and the Employer will ask the Public Service Commission to make every reasonable effort to market a surplus employee within the employee's surplus period within his or her preferred area of mobility.

or

(b) Transition Support Measure (TSM) is a cash payment, based on the employee's years of service in the Public Service (see Annex B) made to an opting employee. Employees choosing this Option must resign but will be considered to be laid-off for purposes of severance pay.

or

(c) Education allowance is a Transitional Support Measure (see Option (b) above) plus an amount of not more than \$8000 for reimbursement of receipted expenses of an opting employee for tuition from a learning institution and costs of books and mandatory equipment. Employees choosing Option (c) could either:

(i) resign from the Public Service but be considered to be laid-off for severance pay purposes on the date of their departure;

or

(ii) delay their departure date and go on leave without pay for a maximum period of two years, while attending the learning institution. The TSM shall be paid in one or two lump-sum amounts over a maximum two-year period. During this period, employees could continue to be Public Service benefit plan members and contribute both employer and employee share to the benefits plans and the *Public Service Superannuation Plan*. At the end of the two-year leave without pay period, unless the employee has found alternate employment in the Public Service, the employee will be laid off in accordance with the *Public Service Employment Act*.

6.3.2 Management will establish the departure date of opting employees who choose Option (b) or Option (c) above.

6.3.3 The TSM, pay in lieu of unfulfilled surplus period and the Education Allowance cannot be combined with any other payment under the Work Force Adjustment Appendix.

6.3.4 In the cases of: pay in lieu of unfulfilled surplus period, Option (b) and (c)(i), the employee relinquishes any priority rights for reappointment upon acceptance of his or her resignation.

6.3.5 Employees choosing Option (c)(ii) who have not provided their department with a proof of registration from a learning institution 12 months after starting their leave without pay period will be deemed to have resigned from the Public Service, and be considered to be laid-off for purposes of severance pay.

6.3.6 All opting employees will be entitled to up to \$400.00 for financial planning advice.

6.3.7 An opting employee who has received pay in lieu of unfulfilled surplus period, a TSM or an Education Allowance and is re-appointed to that portion of the Public Service of Canada specified from time to time in Schedule I, Part I of the *Public Service Staff Relations Act* shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of such re-appointment or hiring, to the end of the original period for which the TSM or Education Allowance was paid.

6.3.8 Notwithstanding section 6.3.7, an opting employee who has received an Education Allowance will not be required to reimburse tuition expenses, costs of books and mandatory equipment, for which he or

she cannot get a refund.

6.3.9 The deputy head shall ensure that pay in lieu of unfulfilled surplus period is only authorised where the employee's work can be discontinued on the resignation date and no additional costs will be incurred in having the work done in any other way during that period.

6.3.10 If a surplus employee who has chosen, or is deemed to have chosen, Option (a) refuses a reasonable job offer at any time during the twelve-month surplus priority period, the employee is ineligible for pay in lieu of unfulfilled surplus period.

6.3.11 Approval of pay in lieu of unfulfilled surplus period is at the discretion of management, but shall not be unreasonably denied.

6.4 Retention payment

6.4.1 There are three situations in which an employee may be eligible to receive a retention payment. These are total facility closures, relocation of work units and alternative delivery initiatives.

6.4.2 All employees accepting retention payments must agree to leave the Public Service without priority rights.

6.4.3 An individual who has received a retention payment and, as applicable, is either reappointed to that portion of the Public Service of Canada specified from time to time in Schedule I, Part I of the *Public Service Staff Relations Act*, or is hired by the new employer within the six months immediately following his or her resignation, shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of such re-appointment or hiring, to the end of the original period for which the lump sum was paid.

6.4.4 The provisions of 6.4.5 shall apply in total facility closures where Public Service jobs are to cease, and:

(a) such jobs are in remote areas of the country,

or

(b) retraining and relocation costs are prohibitive,

or

(c) prospects of reasonable alternative local employment (whether within or outside the Public Service) are poor.

6.4.5 Subject to 6.4.4, the deputy head shall pay to each employee who is asked to remain until closure of the work unit and offers a resignation from the Public Service to take effect on that closure date, a

sum equivalent to six months' pay payable upon the day on which the departmental operation ceases, provided the employee has not separated prematurely.

6.4.6 The provisions of 6.4.7 shall apply in relocation of work units where Public Service work units:

(a) are being relocated,

and

(b) when the deputy head of the home department decides that, in comparison to other options, it is preferable that certain employees be encouraged to stay in their jobs until the day of workplace relocation,

and

(c) where the employee has opted not to relocate with the function.

6.4.7 Subject to 6.4.6, the deputy head shall pay to each employee who is asked to remain until the relocation of the work unit and offers a resignation from the Public Service to take effect on the relocation date, a sum equivalent to six months' pay payable upon the day on which the departmental operation relocates, provided the employee has not separated prematurely.

6.4.8 The provisions of 6.4.9 shall apply in alternative delivery initiatives:

(a) where the Public Service work units are affected by alternative delivery initiatives;

(b) when the deputy head of the home department decides that, compared to other options, it is preferable that certain employees be encouraged to stay in their jobs until the day of the transfer to the new employer;

and

(c) where the employee has not received a job offer from the new employer or has received an offer and did not accept it.

6.4.9 Subject to 6.4.8, the deputy head shall pay to each employee who is asked to remain until the transfer date and who offers a resignation from the Public Service to take effect on the transfer date, a sum equivalent to six months pay payable upon the transfer date, provided the employee has not separated prematurely.

Part VII

Special provisions regarding alternative delivery initiatives

Preamble

The administration of the provisions of this part will be guided by the following principles:

- (a) fair and reasonable treatment of employees;
 - (b) value for money and affordability;
- and
- (c) maximization of employment opportunities for employees.

The parties recognise:

- the union's need to represent employees during the transition process;
- the Employer's need for greater flexibility in organising the Public Service.

For Employees' Information Purposes Only

For information with respect to accrued benefits, refer to Section 11(10) of the *Financial Administration Act* (FAA).

7.1 Definitions

For the purposes of this part, an **alternative delivery initiative** (*diversification des modes de prestation de services*) is the transfer of any work, undertaking or business of the Public Service to any body or corporation that is a separate employer or that is outside the Public Service.

For the purposes of this part, a **reasonable job offer** (*offre d'emploi raisonnable*) is an offer of employment received from a new employer in the case of a Type 1 or Type 2 transitional employment arrangement, as determined in accordance with section 7.2.2.

For the purposes of this part, a **termination of employment** (*licenciement de l'employé-e*) is the termination of employment referred to in paragraph 11(2)(g.1) of the *Financial Administration Act* (FAA).

7.2 General

Departments will, as soon as possible after the decision is made to proceed with an ASD initiative, and if possible, not less than 180 days prior to the date of transfer, provide notice to the Alliance component (s) of its intention.

The notice to the Alliance component(s) will include:

- (a) the program being considered for ASD,

(b) the reason for the ASD

and

(c) the type of approach anticipated for the initiative (e.g. transfer to province, commercialisation).

A joint WFA-ASD committee will be created for ASD initiatives and will have equal representation from the department and the component(s). By mutual agreement the committee may include other participants. The joint WFA-ASD committee will define the rules of conduct of the committee.

In cases of ASD initiatives, the parties will establish a joint WFA-ASD committee to conduct meaningful consultation on the human resources issues related to the ASD initiative in order to provide information to the employee which will assist him or her in deciding on whether or not to accept the job offer.

1. Commercialisation

In cases of commercialisation where tendering will be part of the process, the members of the joint WFA-ASD committee shall make every reasonable effort to come to an agreement on the criteria related to human resources issues (e.g. terms and conditions of employment, pension and health care benefits, the take-up number of employees) to be used in the request for proposal (RFP) process. The committee will respect the contracting rules of the federal government.

2. Creation of a new Agency

In cases of the creation of new agencies, the members of the joint WFA/ASD committee shall make every reasonable effort to agree on common recommendations related to human resources issues (e.g. terms and conditions of employment, pension, and health care benefits) that should be available at the date of transfer.

3. Transfer to existing employers

In all other ASD initiatives where an employer-employee relationship already exists the parties will hold meaningful consultations to clarify the terms and conditions that will apply upon transfer.

In the cases of commercialisation and creation of new agencies, consultation opportunities will be given to the component(s); however, in the event that agreements are not possible, the department may still proceed with the transfer.

7.2.1 The provisions of this Part apply only in the case of alternative delivery initiatives and are in exception to other provisions of this appendix. Employees who are affected by alternative delivery initiatives and who receive job offers from the new employer shall be treated in accordance with the provisions of this part and, only where specifically indicated will other provisions of this appendix apply to them.

7.2.2 There are three types of transitional employment arrangements resulting from alternative delivery initiatives:

(a) Type 1 (Full Continuity)

Type 1 arrangements meet all of the following criteria:

- (i) legislated successor rights apply. Specific conditions for successor rights applications will be determined by the labour legislation governing the new employer;
- (i.ii) the *Public Service Terms and Conditions of Employment Regulations*, the terms of the collective agreement referred to therein and/or the applicable compensation plan will continue to apply to unrepresented and excluded employees until modified by the new employer;
- (ii) recognition of continuous employment in the Public Service, as defined in the *Public Service Terms and Conditions of Employment Regulations*, for purposes of determining the employee's entitlements under the collective agreement continued due to the application of successor rights;
- (iii) pension arrangements according to the Statement of Pension Principles set out in Annex "A", or, in cases where the test of reasonableness set out in that Statement is not met, payment of a lump-sum to employees pursuant to section 7.7.3;
- (iv) transitional employment guarantee: a two-year minimum employment guarantee with the new employer;
- (v) coverage in each of the following core benefits: health benefits, long term disability insurance (LTDI) and dental plan;
- (vi) short-term disability bridging: recognition of the employee's earned but unused sick leave credits up to maximum of the new employer's LTDI waiting period.

(b) Type 2 (Substantial Continuity)

Type 2 arrangements meet all of the following criteria:

- (i) the average new hourly salary offered by the new employer (= rate of pay + equal pay adjustments + supervisory differential) for the group moving is 85 per cent or greater of the group's current federal hourly remuneration (= pay + equal pay adjustments + supervisory differential), when the hours of work are the same;
- (ii) the average annual salary of the new employer (= rate of pay + equal pay adjustments + supervisory differential) for the group moving is 85 per cent or greater of federal annual

remuneration (= per cent or greater of federal annual remuneration (= pay + equal pay adjustments + supervisory differential), when the hours of work are different;

(iii) pension arrangements according to the Statement of Pension Principles as set out in Annex "A", or in cases where the test of reasonableness set out in that Statement is not met, payment of a lump-sum to employees pursuant to section 7.7.3;

(iv) transitional employment guarantee: employment tenure equivalent to that of the permanent work force in receiving organizations or a two-year minimum employment guarantee;

(v) coverage in each area of the following core benefits: health benefits, long-term disability insurance (LTDI) and dental plan;

(vi) short-term disability arrangement.

(c) Type 3 (Lesser Continuity)

A Type 3 arrangement is any alternative delivery initiative that does not meet the criteria applying in Type 1 and 2 transitional employment arrangements.

7.2.3 For Type 1 and Type 2 transitional employment arrangements, the offer of employment from the new employer will be deemed to constitute a reasonable job offer for purposes of this part.

7.2.4 For Type 3 transitional employment arrangements, an offer of employment from the new employer will not be deemed to constitute a reasonable job offer for purposes of this part.

7.3 Responsibilities

7.3.1 Deputy heads will be responsible for deciding, after considering the criteria set out above, which of the Types applies in the case of particular alternative delivery initiatives.

7.3.2 Employees directly affected by alternative delivery initiatives are responsible for seriously considering job offers made by new employers and advising the home department of their decision within the allowed period.

7.4 Notice of alternative delivery initiatives

7.4.1 Where alternative delivery initiatives are being undertaken, departments shall provide written notice to all employees offered employment by the new employer, giving them the opportunity to choose whether they wish to accept the offer.

7.4.2 Following written notification, employees must indicate within a period of 60 days their intention to accept the employment offer, except in the case of Type 3 arrangements, where home departments

may specify a period shorter than 60 days, but not less than 30 days.

7.5 Job offers from new employers

7.5.1 Employees subject to this appendix (see Application) and who do not accept the reasonable job offer from the new employer in the case of Type 1 or 2 transitional employment arrangements will be given four months notice of termination of employment and their employment will be terminated at the end of that period or on a mutually agreed upon date before the end of the four month notice period except where the employee was unaware of the offer or incapable of indicating an acceptance of the offer as provided for in subsection 11(2.02) of the *Financial Administration Act* (FAA).

7.5.2 The deputy head may extend the notice of termination period for operational reasons, but no such extended period may end later than the date of the transfer to the new employer.

7.5.3 Employees who do not accept a job offer from the new employer in the case of Type 3 transitional employment arrangements may be declared opting or surplus by the deputy head in accordance with the provisions of the other parts of this appendix. For greater certainty, those who are declared surplus will be subject to the provisions of section 29 of the *Public Service Employment Act* (PSEA) and section 39 of the *Public Service Employment Regulations* (PSER).

7.5.4 Employees who accept a job offer from the new employer in the case of any alternative delivery initiative will have their employment terminated on the date on which the transfer becomes effective, or on another date that may be designated by the home department for operational reasons provided that this does not create a break in continuous service between the Public Service and the new employer.

7.6 Application of other provisions of the Appendix

7.6.1 For greater certainty, the provisions of Part II, Official Notification, and section 6.4, Retention Payment, will apply in the case of an employee who refuses an offer of employment in the case of a Type 1 or 2 transitional employment arrangement. A payment under section 6.4 may not be combined with a payment under the other section.

7.7 Lump-sum payments and salary top-up allowances

7.7.1 Employees who are subject to this appendix (see Application) and who accept the offer of employment from the new employer in the case of Type 2 transitional employment arrangements will receive a sum equivalent to three months pay, payable upon the day on which the departmental work or function is transferred to the new employer. The home department will also pay these employees an 18-month salary top-up allowance equivalent to the difference between the remuneration applicable to their Public Service position and the salary applicable to their position with the new employer. This allowance will be paid as a lump-sum, payable on the day on which the departmental work or function is transferred to the new employer.

7.7.2 In the case of individuals who accept an offer of employment from the new employer in the case of

a Type 2 arrangement whose new hourly or annual salary falls below 80 per cent of their former federal hourly or annual remuneration, departments will pay an additional six months of salary top-up allowance for a total of 24-months under this section and section 7.7.1. The salary top-up allowance equivalent to the difference between the remuneration applicable to their Public Service position and the salary applicable to their position with the new employer will be paid as a lump-sum payable on the day on which the departmental work or function is transferred to the new employer.

7.7.3 Employees who accept the reasonable job offer from the successor employer in the case of a Type 1 or Type 2 transitional employment arrangement where the test of reasonableness referred to in the Statement of Pension Principles set out in Annex A is not met, that is, where the actuarial value (cost) of the new employer's pension arrangements are less than 6.5 per cent of pensionable payroll (excluding the employer's costs related to the administration of the plan) will receive a sum equivalent to three months pay, payable on the day on which the departmental work or function is transferred to the new employer.

7.7.4 Employees who accept an offer of employment from the new employer in the case of Type 3 transitional employment arrangements will receive a sum equivalent to six months pay payable on the day on which the departmental work or function is transferred to the new employer. The home department will also pay these employees a 12-month salary top-up allowance equivalent to the difference between the remuneration applicable to their Public Service position and the salary applicable to their position with the new employer. The allowance will be paid as a lump-sum, payable on the day on which the departmental work or function is transferred to the new employer. The total of the lump-sum payment and the salary top-up allowance provided under this section will not exceed an amount equivalent to one year's pay.

7.7.5 For the purposes of 7.7.1, 7.7.2 and 7.7.4, the term "remuneration" includes and is limited to salary plus equal pay adjustments, if any, and supervisory differential, if any.

7.8 Reimbursement

7.8.1 An individual who receives a lump-sum payment and salary top-up allowance pursuant to subsection 7.7.1, 7.7.2, 7.7.3 or 7.7.4 and who is reappointed to that portion of the Public Service of Canada specified from time to time in Schedule I to the *Public Service Staff Relations Act* at any point during the period covered by the total of the lump-sum payment and salary top-up allowance, if any, shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of re-appointment to the end of the original period covered by the total of the lump-sum payment and salary top-up allowance, if any.

7.8.2 An individual who receives a lump-sum payment pursuant to subsection 7.6.1 and, as applicable, is either reappointed to that portion of the Public Service of Canada specified from time to time in Schedule I to the *Public Service Staff Relations Act* or hired by the new employer at any point covered by the lump-sum payment, shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of the reappointment or hiring to the end of the

original period covered by the lump-sum payment.

7.9 Vacation leave credits and severance pay

7.9.1 Notwithstanding the provisions of this Agreement concerning vacation leave, an employee who accepts a job offer pursuant to this part may choose not to be paid for earned but unused vacation leave credits, provided that the new employer will accept these credits.

7.9.2 Notwithstanding the provisions of this Agreement concerning severance pay, an employee who accepts a reasonable job offer pursuant to this part will not be paid severance pay where successor rights apply and/or, in the case of a Type 2 transitional employment arrangement, when the new employer recognizes the employee's years of continuous employment in the Public Service for severance pay purposes and provides severance pay entitlements similar to the employee's severance pay entitlements at the time of the transfer.

7.9.3 Where:

(a) the conditions set out in 7.9.2 are not met,

(b) the severance provisions of this Agreement are extracted from this collective agreement prior to the date of transfer to another non-federal public sector employer,

(c) the employment of an employee is terminated pursuant to the terms of section 7.5.1,

or

(d) the employment of an employee who accepts a job offer from the new employer in a Type 3 transitional employment arrangement is terminated on the transfer of the function to the new employer

the employee shall be deemed, for purposes of severance pay, to be involuntarily laid off on the day on which employment in the Public Service terminates.

Annex "A" - Statement of pension principles

1. The new employer will have in place, or Her Majesty in right of Canada will require the new employer to put in place, reasonable pension arrangements for transferring employees. The test of "reasonableness" will be that the actuarial value (cost) of the new employer pension arrangements will be at least 6.5 per cent of pensionable payroll, which in the case of defined-benefit pension plans will be as determined by the Assessment Methodology developed by Towers Perrin for the Treasury Board, dated October 7, 1997. This Assessment Methodology will apply for the duration of this agreement. Where there is no reasonable pension arrangement in place on the transfer date or no written undertaking by the new employer to put such reasonable pension arrangement in place effective on the transfer date,

subject to the approval of Parliament and a written undertaking by the new employer to pay the Employer costs, *Public Service Superannuation Act* (PSSA) coverage could be provided during a transitional period of up to a year.

2. Benefits in respect of service accrued to the point of transfer are to be fully protected.

3. Her Majesty in right of Canada will seek portability arrangements between the Public Service Superannuation Plan and the pension plan of the new employer where a portability arrangement does not yet exist. Furthermore, Her Majesty in right of Canada will seek authority to permit employees the option of counting their service with the new employer for vesting and benefit thresholds under the PSSA.

LETTER CONCERNING WHISTEBLOWING

March 14, 2005

Ms. Nycole Turmel
National President
Public Service Alliance of Canada
233 Gilmour Street
Ottawa, Ontario K2P 0P1

Re: Whistleblowing

Dear Ms. Turmel:

This letter is to follow up on discussions that took place during the course of negotiations on the subject of Whistleblowing.

Employees who make a disclosure of wrongdoing during a Parliamentary proceeding, official enquiry, to a supervisor or designated senior officer in their department, or to the Public Service Integrity Officer, whether it concerns a misuse of public funds, an illegal act, gross mismanagement or a substantial and specific danger to health or safety, shall be protected from reprisal, including but not limited to dismissal, suspension, demotion and financial penalty. In addition a disclosure may be made to the public in circumstances where the employee believes that a serious offence under an Act of Parliament or the legislature of a province, or an imminent risk of substantial and specific danger to the health or safety of persons or the environment exists and there is not sufficient time to make the disclosure to the above identified officials.

Employees who believe that a person has taken a reprisal against them, in violation of the principle stated above, shall have the right to file a grievance directly to the final level of the grievance process. Such a grievance may be referred to adjudication as provided by section 92 of the *Public Service Staff Relations Act*.

This letter shall remain in force until Bill C-11, An Act to Establish a Procedure for the Disclosure of Wrongdoings in the Public Sector, including the Protection of Persons who Disclose the Wrongdoings, or any other act to establish a procedure for the disclosure of wrongdoings in the public sector, becomes law.

Sincerely,

Original signed by

Reg Alcock
