COLLECTIVE AGREEMENT

between

THE DURHAM DISTRICT SCHOOL BOARD

(hereinafter referred to as "the Board")

PARTY OF THE FIRST PART

and

THE CANADIAN UNION OF PUBLIC EMPLOYEES

AND ITS LOCAL NO. 218

(hereinafter referred to as "the Union")

PARTY OF THE SECOND PART

ARTICLE 1 - PURPOSE

The general purpose of this agreement is to establish and maintain collective bargaining relations between the Board and its employees; to provide a mechanism for the prompt and equitable disposition of grievances; and to establish and maintain mutually satisfactory working conditions, hours and wages for all employees who are subject to the provisions of this Agreement.

ARTICLE 2 - RECOGNITION

The Board, or anyone authorized to act on its behalf, approves and recognizes the Canadian Union of Public Employees as the sole and exclusive collective bargaining agent for all employees of the Board engaged in caretaking and maintenance and those employees of the Board required to be engaged as stores employees, cafeteria staff and security monitors; save and except supervisors, those above the rank of supervisors, school teachers, office staff, students employed for the school vacation period, and those employees covered by subsisting Collective Agreements.

The Collective Agreement specifically covers only those employees in classifications as set out in Schedule "A" or in classifications which may be created in accordance with this agreement.

ARTICLE 3 - RESERVATION OF MANAGEMENT RIGHTS

The Union acknowledges that it is the exclusive function of the Board, among others, and subject to the provisions of this agreement, to:

- (a) maintain order, discipline and efficiency;
- (b) hire, retire, discharge, direct, transfer, classify, promote, demote or discipline employees, provided that a claim of discriminatory classification, promotion, demotion or transfer, or a claim that an employee has been discharged or disciplined without just cause (subject to a lesser standard for probationary employees pursuant to article 13.05), may be subject to a grievance and dealt with as hereinafter provided; and
- (c) administer and manage all the affairs of the Board.

ARTICLE 4 - NO DISCRIMINATION

The Board and the Union agree that there will be no discrimination, interference, restriction or coercion exercised or practised with respect to any employee by reason of race, colour, political or religious affiliation, or by reason of membership or non-membership in the Union.

ARTICLE 5 - UNION SECURITY

It is agreed by the parties hereto that all employees eligible to be in the Union and who have completed one (1) month employment will be required to pay to the Union an amount equal to the current monthly union dues, whether a member or not, as long as the Union is the recognized bargaining agent.

ARTICLE 6 - CHECK-OFF OF UNION DUES

- 6.01 The Board agrees to deduct from the wages of each employee, as defined in Article 5 above, a sum equal to the current monthly union dues, and remit monies so deducted to the Treasurer of the Union not later than the last day of the month accompanied by a list of all employees from whose wages the deductions were made. The Union agrees to keep the Board informed as to the name and address of the official so designated by the Union. The Union also agrees to provide the Board with thirty (30) calendar days notice of any change in the amount of the dues to be deducted.
- 6.02 The Board will notify the Treasurer of the names and addresses of new dues-paying employees. The Board agrees to list the annual amount of Union dues paid on all T-4 slips when issued.

ARTICLE 7 - BOARD/UNION RELATIONS**7.01 Correspondence**

All correspondence between the parties hereto arising out of this Agreement or incidental thereto shall pass to and from the Superintendent of Education/Employee Relations and the President of the Local Union and the Unit Chairperson. Copies shall normally be sent to the Unit Chairperson, the Superintendent of Education/Facilities Services, the Manager of Employee Relations/Labour & Legal and the Recording Secretary of the Local Union.

7.02 Labour/Management Committee

(a) At the request of either the Union or the Board, up to five (5) representatives of each of the parties will meet during the term of the collective agreement to discuss issues related to the workplace which are not the subject of a grievance and which are not being dealt with in collective bargaining. The frequency of the meetings will be determined by the parties, but will not be less than once every two (2) months.

(b) A recording secretary shall be appointed by the committee. The recording secretary shall keep minutes of each meeting, and these shall be submitted to committee members within ten (10) days of each meeting. The minutes shall be accepted at the next meeting.

(c) The President of Local 218 is entitled to attend all meetings of the Labour/Management Committee, as well as other meetings between the Board and any committee of the Union.

7.03 The Board agrees to notify the Union within a reasonable time of changes to part-time positions that result in increases or decreases in an employee's number of regularly assigned hours.

7.04 Copying of Collective Agreement

The Board shall provide to CUPE Local 218, at Union expense, a copy of the Collective Agreement for each employee in the bargaining unit, including a copy for each new permanent employee, which will be given to the employee at time of hire.

ARTICLE 8 - COMPLAINT AND GRIEVANCE PROCEDURE

8.01 Complaints and grievances in matters pertaining to the interpretation or application of this agreement shall be discussed and adjusted by the Board's designated representative(s) and the Union Committee.

8.02 If an employee has any complaint or grievance to take up with the Board, such

complaint or grievance shall be heard in the following manner as set out in Section 8.03.

ARTICLE 8 - COMPLAINT AND GRIEVANCE PROCEDURE (Cont.)

8.03 (a) Informal Step

Prior to filing a personal grievance, on a matter that is other than disciplinary, as hereinafter provided, an employee shall normally attempt, by informal discussion with his/her immediate supervisor, to resolve any matter which could be the subject of a grievance. In this discussion, the employee may be accompanied by a Union Steward, and the immediate supervisor may be assisted by the appropriate unit Manager. This discussion must take place not later than five (5) working days following the date of the incident giving rise to the potential grievance. The Employer's response must be made not later than three (3) working days following the discussion.

Any matter not settled at this stage may become the subject of a grievance and be dealt with as follows.

(b) Step 1

The grievance of the employee shall be stated in writing on a standard form supplied in triplicate by the Union which shall be completed as indicated on the form and signed by the employee and the steward. The form will then be presented to the Superintendent of Education/Facilities Services, or designate, who will state and return a written decision within seven (7) days to the Unit Chairperson and the President of CUPE Local 218.

(c) Step 2

If the decision of the Superintendent of Education/Facilities Services, or designate, is not satisfactory to the employee concerned, the grievance may be advanced to the Superintendent of Education/Employee Relations, or designate (copy to the Superintendent of Education/Facilities Services), and the Superintendent or designate shall arrange a Step 2 meeting. The Superintendent or designate shall notify the Union within four (4) working days of proposed date(s) for the meeting, which shall be scheduled on a mutually agreeable date.

It is understood and agreed by the parties hereto that the following people will attend Step 2 grievance meetings on behalf of the Union;

- CUPE National Representative (if requested to be there);
- Local 218 President;
- Chairperson of the Committee or designate;
- Committee Member/Steward;
- the grievor if he or she so wishes and is able.

It is also understood that Board representation at Step 2 meetings will not exceed five (5) persons.

- (d) The Superintendent of Education/Employee Relations, or designate, shall give a decision in writing to the Local President, copy to the Chairperson, within seven (7) days after the close of the meeting. If the Board's decision at this stage is unsatisfactory to the Union Committee, then the grievance may be referred to arbitration as hereinafter provided.

ARTICLE 8 - COMPLAINT AND GRIEVANCE PROCEDURE (Cont.)

- 8.03 (e) It is mutually agreed that no grievance shall be considered, the alleged circumstances of which originated or occurred ten (10) days prior to its original presentation, except in the case of grievances regarding wages which shall have a time limit of thirty (30) days from date of receipted acknowledgement of earned wages.

- (f) The Board agrees to recompense stewards at their current hourly base rate for a reasonable amount of time spent in dealing with grievances. This is to apply to time spent in dealing with complaints or grievances during the employee's regular working hours and further includes time spent on grievances after they have reached the arbitration stage.

If, in the opinion of the supervisor, an unreasonable amount of time is being spent in dealing with a grievance, payment may be withheld.

- (g) Any of the times mentioned in the grievance or arbitration proceedings may be extended by mutual agreement.
- (h) It is agreed by the parties that any grievance not processed from one step to the other or to arbitration within ten (10) days of the prior answer shall be deemed to have been dropped by the party instituting the grievance.

8.04 Where a dispute arises involving a question of general application or general interpretation of the terms of the collective agreement, a policy grievance may be filed by the Union commencing with Section 8.03 (b).

8.05 Where a resolution to a grievance is reached by the parties, the resolution shall not in itself become the basis for any subsequent grievance.

ARTICLE 9 - ARBITRATION

9.01 Arbitration

Should the grievance be unresolved following receipt of the answer at Step 2, or should such answer not be given within the required time, either the Bargaining Unit or the Board may submit the grievance to arbitration. The referral to arbitration must be in writing and received by the other party no later than fourteen (14) calendar days after the expiry of the Step 2 time limit.

When either party requests that a grievance be submitted to a single arbitrator, the written referral to arbitration shall include the names of three arbitrators. Within seven (7) calendar days following receipt of the referral, the other party

shall respond in writing, agreeing to one of the named arbitrators, or with a list of three alternative suggestions. If the responding party does not agree to one of the three, the parties may exchange further names until agreement is reached, or at any time after the initial exchange of lists, if agreement is not reached, either party may refer the matter to the Minister of Labour for appointment of an arbitrator whose name has not appeared in the exchanges between the parties under this provision.

ARTICLE 9 - ARBITRATION (Cont.)

- 9.02 (a) In any particular grievance, either party may indicate its preference for a Board of Arbitration, rather than a single arbitrator. In that event, the referral to arbitration [see 8.03 (d)] shall contain the name of the party's nominee to the Board of Arbitration. Within ten (10) days of such notification, the responding party shall advise the other party of its nominee to the Board of Arbitration.
- (b) The two nominees shall, within fifteen (15) days of the appointment of the second of them or at some time mutually agreed upon, appoint a third person who shall be the Chairperson. The Chair may be a person from the agreed list [see 9.01], although that is not required. If the nominees are unable to agree upon a Chairperson, the appointment will be made by the Minister of Labour for Ontario upon the request of either party.
- (c) The provisions of Article 10 and 11.03 related to a single arbitrator shall similarly apply to a Board of Arbitration.
- (d) Each party shall bear the full cost of its own nominee, including all fees and expenses.
- 9.03 It is agreed by the parties hereto that any difference of opinion relating to the interpretation, application, or administration of this agreement, which cannot be settled after exhausting the grievance procedure, will be settled by arbitration as defined herein, and in accordance with the Ontario Labour Relations Act.

ARTICLE 10 - LIMITATIONS UPON ARBITRATOR

- 10.01 An arbitrator shall not be authorized to alter, modify, amend or add to any part of this agreement.
- 10.02 No person shall be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance, unless requested to do so with the agreement of both parties.
- 10.03 Each party shall be responsible for an equal share of the fee and expenses of the Arbitrator.
- 10.04 At any stage of the grievance or arbitration procedures, the parties may have the assistance of the employees concerned as witnesses, and all reasonable arrangements will be made to permit the conferring parties, or the Arbitrator, to

have access to any part of the Board's premises to view any working conditions which may be relevant to the settlement of the grievance.

ARTICLE 11 - DISCIPLINE/DISCHARGE CASES

11.01 When an employee is called to a meeting with the Superintendent of Education/Facilities Services or designate for the purpose of imposing discipline, the Union will be informed of such meeting before it is held and may have a representative present. Where possible, the Union shall be notified through the Union steward for the area, and that steward will be the representative present at the meeting.

11.02 An employee claiming to have been discharged without just cause may lodge a grievance if a written statement of such grievance is lodged with the Board's Grievance Committee, or its appointees, within two (2) working days of discharge. Such grievance shall be lodged commencing with Section 8.03 (c).

An additional two (2) working days [four (4) days in total] shall be granted where an employee has been unable to get in touch with the steward.

11.03 Such special grievance may be settled by confirming the Board's action in dismissing the employee, or by reinstating the employee with full compensation for time lost, or by any other arrangement which is just and equitable in the opinion of the conferring parties or an arbitrator if the matter is submitted to arbitration.

11.04 The discharged employee shall be given an opportunity to meet privately with a Union steward at a time and place designated by the immediate supervisor before the employee is required to leave the premises.

ARTICLE 12 - BOARD GRIEVANCES

It is understood that the Board may bring forward at any meeting with the Union Committee any complaint or grievance. Such Board grievance shall be regarded as being filed at Step 2, with the grieving and responding roles appropriately reversed. If such complaint or grievance is not settled to the mutual satisfaction of the conferring parties, it may be referred to arbitration as provided above.

ARTICLE 13 - SENIORITY

The following measurements and calculations for seniority will apply where seniority is specifically referred to in the collective agreement. Seniority as a measurement shall not be applied in respect to vacation entitlements or Retirement Gratuity entitlements.

- 13.01 Newly-hired employees shall be on probation for a period of six (6) months. All employees, who have completed their probationary period, shall have their names placed on the seniority list based on the employee's actual last date of hire in the bargaining unit or the date as calculated in the following paragraph.

Where an employee who has previously worked as a temporary fill-in is hired for a position in the regular complement of staff, up to three (3) months of such fill-in work, counting only those periods in excess of four (4) weeks duration worked during the immediately preceding twelve (12) months, shall be credited towards the six (6) months normal probationary period. In these instances, the employee's seniority shall be calculated to include the credit for fill-in work, up to three (3) months.

- 13.02 Seniority shall continue to accrue during leaves of absence as follows:
- (a) Long-Term Disability - for a maximum of one (1) year.
 - (b) Pregnancy Leave - for a maximum of seventeen (17) weeks or in accordance with the Employment Standards Act as may be amended from time to time.
 - (c) Parental Leave - for a maximum of eighteen (18) weeks or in accordance with the Employment Standards Act as may be amended from time to time.
 - (d) Extended Leave - where a parental leave has been extended or a pregnancy leave followed by a parental leave has been extended, for a combined maximum period of one (1) year.
 - (e) Any other approved leave of absence - up to a maximum of three (3) months.

Both full-time and part-time employment shall be included in calculations of any one individual's seniority. If the individual's name is included in a part-time listing, any previous continuous full-time employment shall be equated to equivalent part-time employment. Conversely, part-time employment shall be equated to full-time equivalent employment for those whose names are included on a full-time listing.

- 13.03 Seniority lists will be made available to each workplace by January 31 each year. The lists will indicate seniority as of December 31 in each of the following classifications: Custodians, Maintenance, Cafeteria, Cleaners, Security Monitors and Stores. These lists will include the name of each employee, their occupation, and their seniority as determined under Section 13.01.
- 13.04 An application from a person who is employed on a temporary basis in bargaining unit position (such as for summer help or snow-shovelling, etc.) shall be the first to be considered in the event a full-time job becomes vacant, other than jobs which are required to be posted under Article 31.

ARTICLE 13 - SENIORITY - (Cont.)

- 13.05 All employees, including probationary employees, have recourse to the grievance procedure if disciplined or discharged. However, the standard for discharging a probationary employee will be a lesser standard than for those employees who have successfully completed the probationary period. Probationary employees may be discharged for unsuitability and/or unsatisfactory performance.
- 13.06 Temporary employees may be hired by the Board for a period of up to six (6) months for relief work or during peak periods, or for a period of up to twelve (12) months to replace an employee absent on a Pregnancy Leave and/or Parental Leave and Extended Leave, and during these periods they will not be subject to the terms of this agreement except as to the wage rate and the check-off provision as provided for in Section 6.01. It is understood, however, that employees on lay-off, and in all cases having the required qualifications and experience for the job, will be recalled before any new temporary employees are hired under this section. The periods noted above may be extended by mutual agreement. The Union shall be advised of temporary appointments under this section.

It is also understood that no regular employees will be laid off as long as temporary employees are employed by the Board in the same occupational classification.

- 13.07 **Seniority on Transfer for Accommodation Purposes**
The parties hereto agree that an employee transferring from one C.U.P.E., bargaining unit to another under "Duty to Accommodate" shall carry with her or him full credit for seniority and service earned while in the former C.U.P.E. bargaining unit(s). The Board will consult with the Local President and the bargaining unit committee regarding permanent placements within that bargaining unit under "Duty to Accommodate".

ARTICLE 14 - LOSS OF SENIORITY

14.01 Seniority rights (and an employee's employment) shall be terminated if the employee:

(a) leaves the employ of the Board (subject to the paragraphs as set out below);

if An employee who resigns verbally may rescind his or her resignation only if the employee rescinds in writing to his or her immediate supervisor within 48 hours or reports in person to the Facilities Services office prior to the commencement of his or her next scheduled working day, whichever first occurs.

Where an employee resigns in writing, he or she may rescind the resignation only by delivering a request for rescission, in writing, to his or her immediate supervisor within a maximum of three (3) working days following the date the resignation was delivered.

- (b) is discharged and such discharge is not reversed through the grievance procedure;**
- (c) is laid off continuously for a period of more than eighteen (18) months;**
- (d) fails to return to work from lay-off within seven (7) calendar days after being notified by registered mail or private courier to do so;**
- (e) is absent for more than three (3) working days without notifying the supervisor or without securing a prior leave of absence. In regard to part-time personnel, a "working day" will be defined as a day on which the employee is regularly scheduled to work.**

ARTICLE 15 - LAY-OFF AND RECALL

15.01 Employees shall be laid off in order of seniority (with the junior employee to be laid off first) in accordance with their occupational classification provided that it

does not prevent the Board from maintaining a working force of employees who have the ability to perform the requirements of the job.

However, where an employee is about to be laid off from a classification and such employee holds more seniority than the most junior employee in another classification and is capable of doing the most junior employee's work, the employee originally displaced shall take the most junior employee's job and the most junior employee shall be laid off.

- 15.02 When recalling employees who have been laid off, the recall will be made in reverse order of seniority, provided an employee who is in line to be recalled can do the work available.
- 15.03 Unless legislation requires a greater period of notice, the Employer shall notify employees who are to be laid off fourteen (14) calendar days prior to the effective date of lay-off.

ARTICLE 15 - LAY-OFF AND RECALL (Cont.)

15.04 Reduction in Number of Classrooms

Where a Chief Custodian is reduced one or more categories through a decrease in the number of classrooms, including portables, the Chief Custodian may bump a junior employee in that category.

15.05 Redeployment Committee

In all situations involving lay-offs of members of the bargaining unit, the Board will discuss the circumstances related to the lay-off with the Union at a meeting of the Labour/Management Committee. In such circumstances, the consultation at the Labour/Management Committee shall take place not less than thirty (30) calendar days in advance of the proposed effective date of the lay-off.

When the Labour/Management Committee convenes to discuss lay-offs, its composition may be augmented to a maximum of up to seven (7) representatives for each of the Employer and Union teams. The meeting shall be held during normal working hours and the time spent attending such meeting(s) will be considered work time for which all participants shall be entitled to regular pay. When reviewing the lay-offs, the Labour/Management Committee shall conduct itself in its normal fashion with regard to chairing the meetings, preparation of agendas, minutes, etc. The Committee will have at its disposal such staffing, work organization and financial information as is relevant to the proposed lay-off.

As part of its review, the Committee may identify, propose and discuss possible alternatives to lay-offs which might include, but are not necessarily limited to, the contracting in of work and potential re-organizations. The Committee may also identify and discuss existing vacant positions and/or positions which are expected to become vacant within the ensuing twelve (12) months, as well as opportunities for worker retraining where positions may be available and retraining is cost effective.

It is also understood that, in its role of reviewing lay-offs, the Committee through its representatives may exercise a discretion to waive job postings in appropriate circumstances.

Persons who are normally employed on a less than twelve (12) month basis are not to be regarded as laid off, for the purposes of this paragraph (15.04), during the period of the year when they are not required to be at work.

ARTICLE 16 - SENIORITY APPLIED TO PROMOTIONS AND TRANSFERS

- 16.01 A promotion shall mean a transfer to a higher paid job. In the event a permanent employee moves to a different classification on a permanent basis, the employee shall retain all previous occupational seniority in the former group for a period of thirty (30) days, after which the entire seniority shall be transferred to the new group.
- 16.02 In the case of a voluntary transfer, the rate of pay will be increased or decreased according to the prevailing contract rate of the position to which the employee is transferred.
- 16.03 When an employee relieves another employee in a position of higher rating and continues in such position for a period of one (1) week or more, the employee shall receive the higher rate for the full period worked in such position, with the exception of relief in a supervisory position, for which the wage rate to be paid shall be governed by 18.03. On return to the former occupation, the employee shall be paid the rate for that occupation. This paragraph will not apply where there is only one employee in a school during the vacation period.

ARTICLE 17 - NORMAL RETIREMENT AGE

All employees will normally retire on the 30th day of June following their 65th birthday, or at the employee's option, at the end of the month in which the 65th birthday occurs, provided the employee so notifies the Board in writing three (3) months in advance of the 65th birthday. Employees shall be permitted to retire early with actuarial reduction if called for, at an age below sixty-five (65), as the Ontario Municipal Employees' Retirement System may stipulate.

ARTICLE 18 - TRANSFER TO SUPERVISORY POSITIONS

- 18.01 The selection or appointment of employees for supervisory positions or for any position not subject to this agreement is not governed by this agreement, but if an employee is, or has been transferred, and later is transferred back to a position which is governed by this collective agreement, then the seniority which shall be credited to the employee shall be the amount held at time of transfer to the excluded position plus a maximum of one year.
- 18.02 Employees who have always been excluded from the bargaining unit and at some time are transferred to a position within the bargaining unit shall be given seniority dating only from the date of transfer to the bargaining unit.
- 18.03 When an employee relieves a supervisor and continues in such position for a period of one (1) week or more, the employee shall receive a premium of 3.75% of Custodial twelve (12) month rate per hour for all hours worked in such position for the period of fill-in.

ARTICLE 19 - UNION COMMITTEE

- 19.01 The Board acknowledges the right of the Union to elect or otherwise appoint a body to be composed of fourteen (14) employees who shall be known as stewards. The Board will recognize and bargain with a regularly elected Committee of five (5) selected from the fourteen (14) stewards to be known as the Negotiating and Grievance Committee. This committee will deal with any matters properly arising from time to time under the terms of and during the continuation of this Agreement. Any steward may act as an alternate in the absence of one of the five (5) Negotiating and Grievance Committee members. One of the five (5) Negotiating and Grievance Committee members will be the representative present at any formal grievance meetings.
- 19.02 Each of the fourteen (14) stewards will represent a defined area of the Board's operation. The area in which each steward will operate shall be communicated to the Board in writing by the Union.
- 19.03 The Union recognizes and agrees that the stewards, as set out in Section 19.01 have regular duties to perform in connection with their employment, and therefore, the business of administering this agreement will be attended to with the least possible interference with their regular duties.
- 19.04 A steward will obtain permission from the immediate supervisor before leaving regular duties and, if requested, give a reasonable explanation as to the length of time spent in the performance of the regular union duties. Such permission shall not be unreasonably withheld.
- 19.05 It is agreed that stewards shall be recompensed at their current hourly base rate for time spent in negotiations during working hours up to and including the Conciliation Officer stage.
- 19.06 The Union agrees to supply the Board with the names of the members of each committee and to keep such lists up to date at all times.

- 19.07 It is mutually agreed that employees shall not be eligible to serve as stewards or as members of any committee established under this agreement until they have had six (6) months' service with the Board.

ARTICLE 20 - LEAVES OF ABSENCE

- 20.01 Leave of absence, without pay and without loss of seniority, will be granted to a Union member employee to attend business meetings and conventions of the Union, provided that five (5) days' notice in writing of the desire to obtain such leave of absence shall be given to the Superintendent of Education/Facilities Services, and provided also that the leave of absence shall be limited to four (4) persons at any one time for not more than ten (10) consecutive days each.

Employees on leave of absence without pay for Union business will receive their regular pay and benefits for such period of absence and the employer shall bill and be reimbursed by the Treasurer of the Local for all wages and benefits received during such absence.

Sick leave credit will be applied on July 1 of each year for employees actively at work on that date, or on the first working day in the year on which the employee is actively at work and is not on a work trial

through the Disability Management Program. Employees hired after July 1st or leaving the employ of the Board before June 30 shall be credited with a proportion thereof. A full-time employee working less than twelve months per year shall be entitled to a sick leave credit on a pro-rata basis proportional to full months worked in a year (i. e. 10 month employee = $10/12$ of 22 = 18 days sick leave credit).

- (d) An employee on work trial through the Disability Management Program shall not be credited with sick leave entitlement until the employee is actively at work performing his or her regular, full-time hours of work and duties.

27.04 Where an employee has received sick benefits from the Board related to a non-occupational illness or injury, and subsequently receives a judgement or award from a third party for loss of wages relating to the same absence, the employee shall be required to pay to the Board the lesser of the amount of such award or the sick leave payments received and the Board will reinstate the appropriate number of sick leave credits to the employee.

ARTICLE 28 - SICK PAY ALLOWANCE - PART-TIME PERSONNEL

28.01 Sick Leave for Regular Part-Time Employees

For absences due to personal illness, an employee shall be allowed as follows:

The pro rata share shall reflect the regular part-time employee's full months of regularly scheduled employment during the year, and his or her regularly scheduled daily hours of work, both proportional to that of a full-time twelve month employee. This means a regular part-time employee scheduled to work ten full months of the year will received a pro rata proportion of 18 part-time days sick leave. Sick leave credit will be applied on July 1st of each year for employees actively at work on that date, or on the first working day in the year on which the employee is actively at work and is not on a work trial

through the Disability Management Program. Employees hired after July 1st or leaving the employ of the Board before June 30th shall be credited with a proportion thereof.

- (c) For clarification, a "day" shall mean the number of hours per week regularly scheduled for the employee, divided by five (5), e. g. a twelve month employee regularly scheduled for twenty hours a week shall be credited with 22 - 4 hour days.
- (d) Whenever an employee claims sick leave, such employee may be required by the Board to provide a doctor's certificate, and for absences of three (3) days or more, an employee shall provide a doctor's note.
- (e) An employee on work trial through the Disability Management Program shall be credited with sick leave entitlement when the employee is actively at work performing his or her regular hours of work and duties.

28.02 A statement of an employee's accumulated sick leave shall be issued to each employee annually.

28.03 In the event an employee is sick at a time when the employee is scheduled to work eight (8) hours, the employee may draw the number of days sick pay allowance to make up eight (8) hours pay for each day of illness.

ARTICLE 29 - BEREAVEMENT

29.01 An employee shall be allowed up to a maximum of three (3) successive working days for leave of absence with pay when a death occurs in such employee's immediate family for the purposes of making the arrangements for or attending the funeral or a formal memorial service. "Immediate family" shall mean: father, mother, sister, brother, spouse, son, daughter, mother-in-law, father-in-law, grandparent, grandparent-in-law, son-in-law, daughter-in-law, sister-in-law and brother-in-law, grandchild and any other person normally in residence with the employee as part of the family unit.

Additional days travelling time without pay may be granted if required.

A further two (2) days may be granted for compassionate reasons in the event of the death of a spouse, child or parent of an employee.

ARTICLE 30 - RETIREMENT GRATUITY

30.01 A regular full-time employee with a minimum of ten (10) years continuous employment or its equivalent with the Board, retiring at her or his normal or earlier retirement date shall be granted a gratuity based on the employee's sick leave reserve, years of service, and salary at retirement according to the following schedule:

<u>Years of Service</u>	<u>Maximum Gratuity</u>
10	20% of the unexpended portion of sick leave reserve at the salary rate on retirement date

plus 2% for each additional year of service up to a maximum of 50% for twenty-five (25) years or over. This gratuity will be paid in one sum at the time of retirement or in April of the year following retirement provided that, if the

employee wishes the gratuity on retirement, the Board must be so advised in writing before December 31 of the preceding year.

- 30.02 In the event of the death of an employee, either before or after retirement but before receiving the benefits of the retirement gratuity as provided under Section 30.01, such benefits will be paid to the employee's estate.
- 30.03 Any gratuity payable under this plan shall not exceed an amount equal to the retiring employee's salary or other remuneration for the six (6) month period last worked. The amount in any event shall not exceed that permitted by the Education Act.
- 30.04 A retiring employee, as referred to in Section 30.01 above, is interpreted as being one who ceases to be employed by the Board on account of age or ill health, and is not resigning to take another position or being dismissed for cause.
- 30.05 It is understood that retirement gratuity is not a severance payment, and is not payable in any instance except where an eligible employee dies, or retires having applied for, and with the intention of, taking a pension.

ARTICLE 31 - JOB POSTING PROCEDURE AND PROMOTIONS

- 31.01 The Board agrees to post notice of vacancies occurring in the Maintenance Department and in the positions of Cleaner which are in excess of four (4) hours, Chief Custodian, Shipper/Receiver, Truck Driver, Inventory Control Clerk, and Cafeteria staff. Such vacancies shall be posted region-wide subject to the following conditions:
 - (a) The original vacancy together with the two succeeding vacancies only will be posted for a period of ten (10) working days, and will normally be so posted within ten (10) working days of a known permanent vacancy.
 - (b) Copies of all postings shall be sent to the Secretary of the Union.
 - (c) If a successful applicant is found unsuitable within six (6) months from the date of filling the vacancy, he/she will move to whatever vacant position is available but may not move back automatically to his or her previous

position. If the successful applicant elects to leave the new position or is found to be unsuitable within a two week period of having been placed in the new position, he/she shall return to the position vacated and the applicant who would have been selected next from those interviewed for the vacancy will be offered the position.

- (d) Vacancies will not be posted during the months of July and August, but the Board shall be free to arrange to have any necessary work done during that period with whatever means are at the Board's disposal.
- (e) Postings shall contain the following information: classification title, qualifications required including job knowledge, education, shift, hours of work, and applicable wage or wage range.
- (f) Permanent full-time employees shall be given preference for full-time vacancies. Permanent part-time employees shall be given preference for part-time vacancies.

31.02 Applicants for posted vacancies will be considered on the basis of ability, qualifications, merit and experience with the Durham District School Board and its predecessors, and where two or more applicants are capable of performing the job and are deemed to be equal as to the above factors, seniority shall be the determining factor.

Normally, within ten (10) working days of the close of the posting date, all applicants and the Union will be notified as to the name of the successful applicant.

31.03 If no applications are received by 10:00 a.m. on the fifth (5th) working day following the date of posting, the Board may start proceedings to secure applications from outside labour sources. This in no way shall limit the Board from hiring temporary employees to fill the vacancy while the posting is being processed.

ARTICLE 31 - JOB POSTING PROCEDURE AND PROMOTIONS (Cont.)

31.04 The Board reserves the right to hire outside help provided that in its opinion the internal applicants are not capable of performing the work required. If, in the opinion of the Union, the Board has not considered all of the relevant factors, the matter may be subject to the grievance procedure.

31.05 It is agreed that successful applicants of the job-bidding procedure will not be permitted to re-apply for a period of one (1) year except by written permission of the Board.

31.06 Night Shift Incumbent Preference

Night shift or afternoon shift personnel who want a day shift job shall register their request with the Custodial Services Manager indicating their interest in permanent and/or temporary day shift jobs. When a permanent day shift job is vacant, the Custodial Services Manager shall poll the list of registrants in order of seniority and give preference to registrants before new hires are made to fill the vacancy.

When a temporary job opens for a week or more, and is to be filled, the Custodial Services Manager shall poll the list of registrants in order of seniority in the municipality where the vacancy exists. When an opening is refused, the name of the registrant shall be removed from the list. The employee may re-register after three (3) months.

Be it further understood that employees within the particular school, where temporary vacancies occur, will receive preference before any transfers or hirings are considered.

31.07 Temporary Summer Chief Custodial Vacancies

When a vacancy arises because the Board decides to fill in for a Chief Custodian for a period exceeding two (2) calendar weeks during the summer months, the Board shall permit an employee in the custodial classification to transfer to fill the vacancy in preference to using a temporary employee as a replacement. Prior to each summer period, employees shall be invited to state their desire to be so considered and the Board will consult with such employees as required when a vacancy occurs. It is understood that employees within the particular school will receive preference before any transfers or hirings are considered.

31.08 A vacancy created by the absence of an ill or disabled employee will be posted or in any event, treated as a permanent vacancy at the point in time when the absent employee first receives benefits under the Long Term Disability Plan, Workers' Compensation Disability Pension, or is receiving Workers' Compensation benefits for a period of one and one-half (1½) years, or earlier by mutual agreement between the Union and the Board.

Should the employee recover and be capable of performing the job in the classification previously held, the employee shall be entitled to fill any suitable vacancy in that classification available at the time. If a suitable vacancy is not available, the employee shall be entitled to displace the most junior employee in that classification within the geographic area, provided the employee has greater seniority.

Employees absent due to Long Term Disability shall continue to accumulate

seniority for a maximum of one (1) year while on Long Term Disability.

ARTICLE 31 - JOB POSTING PROCEDURE AND PROMOTIONS (Cont.)

31.09 If an employee is absent from work through illness or injury and the parties agree that such absence will, in all probability, be in excess of six (6) months, the vacancy created by such employee's absence shall be filled in accordance with Section 31.06 of the Collective Agreement or by hiring an employee to fill the regular complement of staff.

Upon return of the absent employee, employees affected will revert to their original positions subject to Article 15.

The foregoing is not intended to operate under or be affected by Section 31.08.

ARTICLE 32 - HOURS OF WORK AND OVERTIME

32.01 This section is not to be construed as a guarantee of hours of work per day or per week.

32.02 The normal hours of work for full-time employees in the bargaining unit shall be eight (8) hours per day and forty (40) hours per week, Monday to Friday inclusive.

32.03 All hours worked in excess of eight (8) hour per day or forty (40) hour per week shall be paid at the rate of time and one-half the employee's regular straight time rate of pay. Time absent by an employee due to illness, during regularly scheduled hours, or on a recognized paid holiday under Article 22, shall be counted as time worked for the purpose of calculating hours worked under this clause.

32.04 Any hours worked for which extra compensation is paid, such as school checks, week-end firing, or emergency call-backs shall not be considered as overtime hours worked.

32.05 When an employee is required to perform work after regular working hours for outside organizations using the facilities of the school, the employee shall be paid at the rate of time and one-half the employee's normal rate of pay, converted to an hourly rate, Monday to Saturday inclusive, and double time on Sunday. However, it is clearly understood that where regularly scheduled Saturday or Sunday programs sponsored by the Durham District School Board, or by the Recreational Commission, which extend to at least a ten-week period are required, the Board may require regular employees to work at the premium rate stipulated by this clause or may have part-time employees work at straight time rates so long as such work does not reduce the normal working hours of regular employees.

32.06 Work performed on Sunday, except as noted under Section 32.05, shall be paid for at the rate of double the employee's regular hourly rate of pay.

ARTICLE 32 - HOURS OF WORK AND OVERTIME (Cont.)

- 32.07** The hours of work for part-time employees shall be set in accordance with the requirements of the Board, with overtime applying for any work performed over eight (8) hours per day or forty (40) hours per week. Time absent by an employee due to illness, during his regularly scheduled hours, or on a recognized paid holiday under Article 22, shall be counted as time worked for the purpose of calculating hours worked under this clause.

It is further understood that during the March break, summer break, and Christmas break, part-time employees shall be allowed to work their allotted hours in eight (8) hour shifts if the employee so desires.

- 32.08** Overtime shall be distributed as equitably as possible among those employees performing the work within the school or within a maintenance classification. In the event of absenteeism where fill-in is required, overtime will be offered to existing staff if no floater/casual help is available. Where such overtime is required, the overtime will be first offered to the employees within the Supervisor's area of jurisdiction.

For the purpose only of determining an employee's entitlement to overtime, overtime which has been scheduled and refused shall be considered as overtime worked by that same employee.

- 32.09** During school holidays, namely the Christmas break, March break and summer vacation, the hours shall be 7:00 a.m. to 4:15 p.m. with a half-hour lunch on Monday to Thursday, and 7:00 a.m. to 12:00 noon with no break for lunch on Fridays. Hours on an individual day may be adjusted to meet specific needs, but, in any event, the starting or finishing times will not be changed by more than two (2) hours. In the case of a statutory holiday falling in the Monday to Thursday period, it shall be counted as eight (8) hours and the balance of the work week must still equal thirty-two (32) hours.

- 32.10** (a) The hours of work for custodians and chief custodians in the secondary schools shall normally be within the following ranges:

Day shift

- shall commence not before 6:30 a.m. and not after 8:00 a.m.
- shall end not before 3:00 p.m. and not after 4:30 p.m.

Afternoon shift

- shall commence not before 3:00 p.m. and not after 4:00 p.m.
- shall end not before 11:30 p.m. and not after 12:30 a.m.

ARTICLE 32 - HOURS OF WORK AND OVERTIME (Cont.)

- 32.10 (b) The hours of work for custodians and chief custodians in the elementary schools shall normally be within the following ranges:

Day shift

- shall commence not before 6:30 a.m. and not after 8:00 a.m.
- shall end not before 3:00 p.m. and not after 4:30 p.m.

Afternoon shift

Custodians who regularly work on the second (afternoon) shift in a two (2) custodian (or more) elementary school shall be scheduled:

Monday through Thursday - 3:30 p.m. to 11:30 p.m.

Friday - 1:00 p.m. to 9:00 p.m.

- (c) It is understood that the Board may alter particular Friday shifts to accommodate the community use of schools.

- 32.11 Custodians scheduled to work overtime for school or community functions and reporting for such overtime will be guaranteed pay for the time so scheduled up to a maximum of two and one-half (2½) hours at straight time rates.

- 32.12 In the event of staff shortage on the day shift in an elementary school, if the Board decides to re-assign an employee to that shift, the re-assignment will be offered first to afternoon staff assigned to that school. If a shortage still exists, the senior employee at the designated high school shall be offered the opportunity to fill the shortage unless that would create an operational problem at the secondary school. If no employee accepts the assignment, the least senior employee from the designated secondary school must fill the shortage.

ARTICLE 33 - GENERAL PROVISIONS

33.01 **Vehicle Allowance**

Effective January 1, 1999, employees required to use their own vehicles on Board business shall be paid at the Board kilometre rate or \$.31 per kilometre, whichever is greater.

For painters who are required to use their vehicles to report to work at locations more than six (6) miles from their base work locations, the Board kilometre rate or \$.31 per kilometre, whichever is greater.

Where the Board requires maintenance employees to carry tool boxes or heavy tools or equipment in their cars, the Board kilometre rate plus \$.05 per kilometre, or \$.36 per kilometre, whichever is greater, shall be paid.

The Board agrees that periodic increases, to the above rates, shall be paid at a

rate established from time to time by the resolution of the Board and will automatically apply to the bargaining unit.

ARTICLE 33 - GENERAL PROVISIONS (Cont.)

When a custodian is required to do security checks on a week-end or paid holiday in order to maintain a proper heat level in the school, the rate of pay shall be at the rate of \$17.00 per check.

33.03 New Classifications

(Custodial) Job Evaluation Program, as per Schedule B, B-1 and Appendix A.

33.04 Credit Union

The employer agrees to deduct authorized credit union contributions from each pay and to remit such to one of the two (2) recognized credit unions within one (1) week of the date of the deduction.

33.05 Contracting Out

In order to provide job security for the members of the Bargaining Unit, the Board agrees that no employee with seniority will be laid off as the result of work or services presently performed being contracted out, or disappearing because of mechanization or technological changes.

33.06 Part-Time Employment

Part-time employment is defined as being less than forty (40) hours of work per week. For employee benefit purposes, it is defined in accordance with the employee benefit booklet.

33.07 Transfers from one School to Another

An employee wishing to transfer from one school to another, shall write to the Superintendent of Education/Facilities Services or his designate, setting out her or his desire to be transferred to a particular school or location. Such transfers will be considered on the basis of the date the request was received rather than by virtue of seniority. It is understood that all employees requests for transfers will be considered prior to the Board deciding to hire any new employees. Employees who are transferred in accordance with this provision will not be permitted to request another transfer for a period of one (1) year, except by written permission of the Board.

33.08 Class A Driver's Licence

Where an employee is required, as a condition of employment, to hold a Class A Driver's Licence, the Employer will reimburse the employee for fees charged by a physician for the completion of any forms required for renewal of the licence. Reimbursement is subject to presentation of a receipt.

ARTICLE 34 - SHIFT PREMIUM

- 34.01 Effective May 13, 1991, the shift premium for work performed on the afternoon shift and/or night shift shall be 54¢ per hour. The above is not to be added to the employee's rate when calculating overtime.
- 34.02 An employee will be paid the shift premium if the employee's regular shift commences at 4:00 p.m. or later or if the majority of the hours of the employee's shift are worked after 4:00 p.m. An employee will be paid the shift premium if the employee's regular shift commences at midnight or later or if the majority of the hours of the employee's shift are worked after midnight.

ARTICLE 35 - INTERPRETATION

It is understood that this shall not apply where the employee is called in early to report for a regularly scheduled shift or where the employee stays on from the end of the normal shift to work overtime directly following on from the shift.

39.02 Direct Deposit

- a) The Board shall pay all employees covered by this Collective Agreement by means of a direct deposit electronic transfer system. It is understood that the Board incurs no additional liability to employees by implementing a direct deposit electronic transfer payroll system and that its obligation to employees on its payroll is satisfied when its payroll cheque is deposited with the banking institution which is responsible for the administration of the direct deposit system.
- b) Newly-hired employees will provide the Board with the bank, trust company or credit union information necessary for deposits to be made into their accounts by no later than the date their employment commences. A failure to provide the information on or before that date may result in a withholding of pay. Employees will advise the Board of any changes in their bank, trust company or credit union arrangements at least fifteen school days prior to a pay day for the changes to be made for that pay day. Where there is insufficient information provided to allow a direct deposit to be made, the employee's pay will be held by the Board without interest. Failing agreement by March 31, 2002, this Agreement and all its terms will continue in force until a new Agreement is executed or until a legal strike deadline is reached, whichever shall first occur.

ARTICLE 41 - SECURITY MONITOR POSITIONS

- 41.01 The provisions of this collective agreement apply to the security monitor classification, except where otherwise noted below or dealt with elsewhere in this agreement.

Hours of Work

Full-time security monitors shall be assigned to work eight (8) hours per day, five days per week, on a day, evening or night shift.

- 41.02 The nature of the work, and the work station for security monitors require continuous presence in the work station during the entire eight (8) hour shift. The employer will provide the amenities in the work station, such as washroom, cooking facilities, etc., which will permit the employees to enjoy the normal lunch, coffee, and washroom breaks. It is understood that each eight (8) hour shift encompasses one (1) one-half hour paid lunch period.
- 41.03 A security monitor who works on a scheduled paid holiday (as per 22.01) shall be paid at the rate of double time for actual hours worked on the holiday, in addition to holiday pay. - 41.06 As part of their respective legal obligations in relation to the "duty to accommodate", the parties agree that employees requiring modified duties will be given a preference in filling security monitor vacancies, subject to qualifications, ability and experience. As a result, modified duties employees in this job classification will not be subject to bumping from other classifications in the case of lay-off, unless they are the most junior employee(s) in the system and would otherwise have been subject to lay-off.

ARTICLE 42 - SUPPLEMENTATION OF WORKPLACE SAFETY AND INSURANCE AWARD

- 42.01 If an employee is prevented from performing regular work with the Board on account of an occupational accident that is recognized by the Workplace & Insurance Board as compensable within the meaning of the Workplace Safety & Insurance Act, the Durham District School Board will supplement the award made by the Workplace Safety & Insurance Board for the loss of wages to the employee by such an amount that the award of the Workplace Safety & Insurance Board for loss of wages together with the supplementation of the Durham District School Board will equal one hundred percent (100%) of the employee's regular wage, after normal income tax deductions considering the tax free status of Workplace Safety & Insurance income. The portion paid by the Board will be chargeable to the employee's accumulated sick credits.
- 42.02 The Board agrees to provide an employee with a copy of the Form 7 at the time it is submitted to WSIB.

- 43.03 The Board shall maintain and apply a workplace harassment procedure in accordance with its obligations pursuant to the Ontario Human Rights Code.
- 43.04 The Board agrees to involve the union in the Disability Management Program.

LETTER OF UNDERSTANDING #3

Re: Contracting Out of Custodial Services -

Board decision to contract out two additional schools in 1978.

The Board believes it properly carried out its responsibilities to the public, and within the spirit and intent of Article 33.05 when the decision was made.

The Board recognizes the critical nature of its decision as viewed by the Union.

Accordingly, and as an essential element in concluding negotiations for the Collective Agreement, the Board agrees that during the effective term of the Collective Agreement, as set out in Article 40 of the Collective Agreement, the Board will not contract out any additional schools.

LETTER OF UNDERSTANDING #4

Re: Sick Leave

On a trial basis, effective upon ratification and for the term of this collective agreement only, an employee who is out of sick leave and who is not eligible to receive his or her annual sick leave credit on July 1 solely because he or she is on a work trial through the Disability Management Program on that date, and who is not eligible to apply for WSIB or LTD benefits, but is actively at work as required for the work trial, shall be entitled to use his or her outstanding vacation entitlement to cover incidental absence arising from a medical condition other than that for which the employee is on the work trial, and that would otherwise result in unpaid time off. Where the employee has no outstanding vacation entitlement, he or she may borrow up to a maximum of five (5) individual sick days against his or her future annual entitlement.

Once the employee is entitled to sick leave credit, the days borrowed, to a maximum of five (5) days, shall be treated as a deduction from the employee's next annual entitlement. It is understood and agreed that this provision does not apply to top up missed time due to the medical condition that gave rise to the work trial, or for employees who have already been given and used their full annual sick leave entitlement.

Similar situations arising for employees whose WSIB or LTD applications are awaiting approval, or who are appealing a denial of LTD or WSIB benefits, shall be brought to the attention of the Labour/Management Committee.

LETTER OF INTENT

Re: Workfare

This is with regard to the Provincial Government's proposed Ontario Works Programme, and in particular the Community Participation component which is commonly referred to as "workfare".

This is to confirm that the Durham Board of Education will not be participating in the workfare proposal, should it result in workfare placements participating in duties that are currently performed by members of this bargaining unit or that have been performed by members of this bargaining unit during a two-year period immediately preceding any proposed workfare placement, or in the displacement or reduction of hours of any current employee in the bargaining unit or of any bargaining unit position.
