Permanent employees who have been laid off at the end of the school year, will have their benefits paid for by the Board until August 31. As of September 1, these employees will have access to a basic benefit plan for a six (6) month period immediately following the lay off, provided the employee pays 100% of the premium costs.

If it becomes necessary to lay off Permanent Contract Employees, such layoff will be in the reverse order of seniority in the school panel affected, providing it does not prevent the Board from maintaining a working force of employees who are qualified, able and willing to do the work which is available.

The Executive Officer of Human Resources will provide the President of the Association with prior notice of any change in work schedule.

It is agreed and understood that reductions in the number of scheduled days in a work week, or hours in a work day, does not constitute a lay off.

The employee shall notify the Board of the intention to return to work within ten (10) days of the date that the letter was registered and shall return to work within fifteen (15) days of the date that the letter was registered. It is understood that this process will not prevent the Board from meeting its operating requirements by filling the job temporarily with a Bargaining Unit employee or another employee who is recalled from layoff.

ARTICLE 12 - LAYOFF AND RECALL (Continued)

12.08

Subject to the Board being able to manage the operations and meet the needs of the system, new employees shall not be hired when there are either Permanent Contract employees on layoff or Term Specific Educational Assistants on the surplus list who are qualified, ready, willing, and able to fill the position._

Such employees understand that, upon receipt of severance pay outlined above, their employment with the Halton District School Board has been terminated and that the Halton District School Board has no further obligations.

12.10

Recall lists will be maintained for employees affected by the layoff and such employees shall be recalled in reverse order of layoff. This is, the last employee to be laid off will be the first employee to be recalled, provided they are qualified and willing to perform the job required.
