Temporary employees shall become permanent employees after a period of three (3) consecutive years of employment in the same position, except for temporary employees replacing permanent employees on leave for a period of more than three (3) years or temporary employees hired for a specific project exceeding three (3) years. The three (3) year period applies retroactively to the date of appointment.

- v) The number of temporary part-time employees shall not exceed the number of permanent part-time employees. Exceptionally and/or based on operational requirements, the Employer may hire additional temporary part-time employees. The objective of the student employment program is to provide an enriching learning experience for students. The Museum will hire, train and develop a pool of qualified candidates for future Museum staffing needs. The goal is to provide students with employment opportunities which will:

- (a) enrich their academic programs and enable them to apply their academic backgrounds in an actual work environment;**
- (b) provide them with an opportunity to gain work experience, develop their employability skills, as well as develop the insight necessary to evaluate future employment options within the Museum or the general workforce;**

(c) help them to fund their education and encourage them to complete their studies.

Students are not to be regarded as lower-cost alternatives to regular employees. Instead, managers must ensure that, as they employ students to get work done, they also improve students' potential for future gainful employment by developing their employability skills. The creation of student positions must not have the effect of reducing the number of indeterminate full-time or part-time employees, nor must they have the effect of reducing the number of scheduled hours for indeterminate full-time or part-time employees.

To be eligible for an assignment under the Student Employment Program, the candidates must meet the following criteria:

(i) Be registered as a full-time student in an accredited secondary or post-secondary institution;

A student shall:

(a) be paid in accordance with the Federal Student Work Experience Program (FSWEP). The rate of pay and annual increases shall take effect consistent with the rates of pay and projected increase in rates of pay contained in the Treasury Board FSWEP policy. Should the Treasury Board FSWEP rates be increased over the life of this Agreement, the increased rates shall apply.

(b) Not be paid for the designated holidays but shall, instead be paid a premium of four decimal sixty-five percent (4.65%) for all regular hours worked;

- 41.02 Dive is the total of any period or periods of time during any eight (8) hour period in which an employee carries out required underwater work with the aid of a self-contained air supply (SCUBA).

An extra risk/stress compensation factor for water depth and/or water temperature is applied to the above dive allowance calculation based on the following table. The highest factor experienced during a given diving period will be applied to that specific diving period or to the minimum allowance if the total dive time is less than two (2) hours.

Extra Risk/Stress condition	Risk/Stress Factor
Water Depths from 0 to 10 metres (1-2 atm.) or Water Temperatures above 5C°	1
Water Depths from 10.1 to 20 metres (2-3 atm.) or Water Temperatures from 2.1 to 5C°	2
Water Depths from 20.1 to 30 metres (3-4 atm.) or Water Temperatures From -2 to 2C°	3
Water Depths greater than 30 metres (>4 atm.)	4

- A risk/stress factor of 1 represents normal or near-normal (i.e. reasonably comfortable) diving conditions and will not affect the basic allowance rate.
- A risk/stress factor of 2 represents difficult diving conditions and will multiply the basic rate for a given dive period by two (2).
- A risk/stress factor of 3 represents critical diving conditions and will multiply the basic rate for a given dive period by three (3).
- A risk/stress factor of 4 represents extreme diving conditions and will multiply the basic rate for a given dive period by four (4).

- f) When an appointment needs to be extended beyond the initial duration of a competition, the Alliance should be consulted.
- g) An appointment for a period of less than three (3) months duration can be excluded from the requirements of this article, and may be further extended beyond the three (3) months with agreement from the Alliance.
- ~~h) In consultation with the Alliance, the Employer may, on occasion, advertise inside and outside the Museum simultaneously. CMN Job Classification and Evaluation Plan

1. The parties agree that the Employer will update the Job Evaluation Plan that is in effect upon signing of this Agreement. The Job Evaluation Plan consists of the Classification Standard, the point breaks/bands outlined in Appendix B of the Collective Agreement, the Job Evaluation Questionnaire (JEQ), and Benchmark positions. The Employer agrees to engage a consultant with demonstrated expertise in classification and job evaluation functions to recommend updates to the Job Evaluation Plan.
2. The Employer shall make every reasonable effort to engage said consultant within six (6) months of ratification of the parties' Collective Agreement. The parties agree that the six (6) month timeline under this clause may be mutually extended in light of changes to be implemented under the 2018 Pay Equity Act.
3. The parties agree that until the Job Evaluation Plan is updated as per this Letter of Understanding, only the current Job Classification and Evaluation Plan designed jointly by the Museum and PSAC will be used to classify jobs for PSAC members.
4. At the completion of the review and update of the Job Evaluation Plan, the Employer will evaluate all positions within the bargaining unit based on the revised Job Evaluation Plan. The evaluation shall take no more than eighteen (18) months.

result of the Employer's evaluation of positions consistent with #4 above shall be on the next April 1 following the completion of the evaluation. This shall also be the date of implementation of any changes to the Job Evaluation Plan.

Greeter Position

This letter of understand will confirm the discussion between the parties regarding the creation of the Greeter position during the renewal of the Collective Agreement.

The Employer had a temporary Butterflies exhibit within the Museum that ran from December 2017 to April 2018 and from October 2018 to 31 March 2020. This temporary exhibit had a separate admission price and included Interpretation within the exhibit and these temporary functions (ticket sales and interpretation) were performed by ME-02 level positions.

The Museum will be opening a new permanent Butterflies exhibit starting 1 April 2020. This permanent offering does not include a separate admission price nor does it include Interpretation within the Museum space. Accordingly, the permanent exhibit will not be staffed with ME-02 positions.

However, in order to support the experience of our Visitors, the Museum will be creating and staffing Greeter positions (position number MN-1920) to perform the following functions relating to the Butterfly exhibit: greet visitors; control the flow of visitors and their access within the Museum; and provide them with basic information. They will not be handle cash, perform sales transactions, process memberships or provide interpretation. Consequently, there will be no reduction in indeterminate ME-02 positions as a result of the Employer's creation of the ME-01 position for the purposes of the Butterflies exhibit.

The Employer further confirmed that it has no plans to eliminate the ticket sales at the theatre ticket counter.

Should the above change during the life of the Collective Agreement, the Employer shall meaningfully consult with the Union on the matter and the impact on staffing levels.

Any disagreement with respect to the interpretation of this Letter of Understanding shall be dealt with via Article 33 of the parties' collective agreement.
