The Board and Union agree to support the principle of prompt rehabilitation and return to work of an employee who sustains an injury arising out of and in the course of employment (within the meaning of WSIB Act) that are eligible for WSIB benefits or injury sustained outside the workplace or for reasons of long term illness. Consequently, the following Modified Work Program will apply:

- ii. Upon a positive reply from the treating physician(s), a Modified Work Plan (MWP) will be developed by the injured worker's supervisor in consultation with the worker, Union Representatives, and other qualified personnel as necessary. The MWP will indicate the applicable restrictions and the expected length of rehabilitation. The MWP will be signed by the injured worker, his/her supervisor, and the Union Representative.
- iii. If, during the course of rehabilitation, the worker is experiencing increased discomfort, the MWP will be adjusted or discontinued so as not to harm the worker.
- iv. It is understood that a Representative of the Union will accompany the worker at any meetings.
- v. The MWP will continue until the worker returns to full duties or is no longer making progress toward returning to full duties, whichever comes first.
