THE CORPORATION OF THE CITY OF BRAMPTON
Hereinafter referred to as “the Corporation”

And

**THE CANADIAN UNION OF PUBLIC EMPLOYEES
AND ITS LOCAL 831 (Professional and Technical Unit)**
Hereinafter referred to as “the Union”

ARTICLE 1 – GENERAL PURPOSE

- 1.01 The Corporation and the Union recognize that a Human Rights Policy is in place. The parties agree to comply with the terms and conditions of the Ontario Human Rights Code.**
- 1.02 The parties agree that there shall be no harassment, discrimination, interference, restraint or coercion against any employee for reasons of age, sex, race, colour, religious affiliation, sexual orientation, national origin, ancestry, ethnic origin, citizenship, creed, marital status, family status, disability, handicap or membership in or connection with the Union and that membership in the Union will not be discouraged.**
- 1.03 The Union agrees that there will be no intimidation, interference, restraint, or coercion exercised or practiced upon employees of the Corporation, or by any of its members or representatives, and that there will be no solicitation for membership or other Union activity at the place which an employee works during his working hours, except as is provided for under this agreement.**
- 1.04 It is the desire of both parties to this Agreement to maintain the existing harmonious relations and conditions of employment between the Corporation and the Union, to promote co-operation and understanding between the Corporation and its staff, to recognize the mutual value of joint discussions and negotiations in all matters pertaining to working conditions, hours of work and scale of wages, and to promote the morale, well-being and security of all employees within the bargaining unit.**

Therefore, it is now thought desirable that methods of bargaining and all matters pertaining to the working condition of the employees be drawn up in this Agreement.

Now therefore, this Agreement witnesseth that the parties hereto, in consideration of the mutual covenants hereinafter contained, agree each with the other as follows:

ARTICLE 2 – RECOGNITION

- 2.01 a) The Corporation recognizes the Union as the exclusive collective bargaining agent of the professional and technical employees of the Corporation, as referred to in the wage classifications contained in Schedule “1A”, save and except persons regularly employed for not more than twenty-four (24) hours per week, temporary employees, students on a co-operative training program from any educational institute, students employed during the school vacation periods (April 15th through to September 15th) and the winter and spring school breaks.
- b) This language is not intended to expand or contract the bargaining rights of the Union and does not preclude the addition of classifications to Schedule 1A.

ARTICLE 3 – DEFINITIONS

- 3.01 The term "employee", as used in this agreement, shall refer only to those employees covered by Article 2 - Recognition and Schedule "1A".
- 3.02 a) The term "temporary employee" shall be defined as an employee hired:
- i) to replace a regular employee who is on vacation, an approved leave of absence, a compensable or non-compensable sickness, accident, **is temporarily transferred to another position with the Corporation for a period of up to two (2) years; or**
 - ii) for a definite term or task to perform any extra work required by the Corporation, provided said term or task does not exceed six (6) months or longer with the agreement of the Union.
- b) **The Union may approve Longer Term Temporary employees, for specific terms or tasks, on a case-by-case basis. Such approval will not be unreasonably withheld.**
- 3.03 An employee hired as a temporary employee shall be advised at the time of his hiring of his temporary status and the estimated duration of his employment. The Corporation shall advise the Union of the hiring of temporary employees, the estimated duration of such employment and the actual termination date. Where an employee is hired for a definite term or task, the Union shall be advised of the tasks to be performed.
- 3.04 i) In this Agreement, the use of a masculine pronoun shall be construed as if the feminine pronoun had been used where the context so required.
- ii) Temporary employees shall be paid the hiring rate for the applicable classification as per Salary Schedule "1A" for their term of employment with the Corporation.

ARTICLE 4 - RESERVATION OF MANAGEMENT RIGHTS

- 4.01 The Union recognizes and acknowledges that the management of the operations and the direction of the working forces are fixed exclusively in the Corporation and without limiting the generality of the foregoing, the Union acknowledges that it is the exclusive function of the Corporation to:
- a) maintain order, discipline and efficiency and in connection therewith to make, alter and enforce, from time to time, reasonable rules and regulations, policies and practices to be observed by its employees; discipline or discharge employees for just cause provided that a claim by an employee who has acquired seniority that he has been unjustly disciplined or discharged may be the subject matter of a grievance and dealt with as hereinafter provided;
 - b) select, hire, direct, transfer, assign to shifts, promote, demote, classify, lay off, recall or retire employees in accordance with the terms of the Collective Agreement.
- 4.02 The Corporation may discharge a probationary employee at any time. The discharge of a probationary employee shall not be the subject matter of a grievance or arbitration pursuant to this Agreement.
- 4.03 The foregoing enumeration of management's rights shall not be deemed to exclude other functions not specifically set forth, the Corporation, therefore, retaining all rights not otherwise specifically and expressly covered in this Agreement.
- 4.04 The Corporation agrees that it will not exercise its functions in a manner inconsistent with the express provisions of this Agreement.

ARTICLE 5 - STRIKES AND LOCKOUTS

- 5.01 The Corporation agrees that it will not cause or direct any lock out of its employees during the term of this Agreement.**
- 5.02 The Union agrees that there will be no strike, picketing, slowdown or stoppage of work, either complete or partial, that will interfere with service during the term of this Agreement.**

ARTICLE 6 - UNION SECURITY / CHECK OFF

- 6.01 The Corporation shall deduct from the first pay in each month from the wages of employees in the bargaining unit as designated in Article 2 - Recognition, dues in accordance with the Constitution and By-Laws of the Canadian Union of Public Employees. The Union shall advise the Corporation, in writing, of the amount of said dues.
- 6.02 Following adequate notice, in writing by the Union, the Corporation agrees to deduct assessments levied by the Union from its members, from the same pay as dues are deducted.**
- 6.03 All sums deducted, together with a record of those from whom deductions have been made, and the amount shall be forwarded to the Treasurer of Local Union #831, not later than ten (10) days following such deduction.
- 6.04 The Union shall indemnify and save the Corporation harmless with respect to all amounts deducted and remitted under this Article.

ARTICLE 7 - UNION REPRESENTATION

- 7.01 The Corporation acknowledges the right of the Union to appoint or otherwise select five (5) Stewards, one (1) Chief Shop Steward, and one (1) Vice President. There may only be one (1) Steward from a department or section. To be eligible to be a Steward, an employee must have at least completed his probationary period. The number of Stewards may be altered by agreement between the parties.
- 7.02 It shall be the Steward's duty to represent eligible employees in presenting grievances under Article 8 - Grievance Procedure.
- 7.03 The Union acknowledges that the Steward has regular duties to perform on behalf of the Corporation, therefore, except as otherwise provided in this Agreement, the Steward shall conduct his activities, if at all possible, outside regular working hours. In a situation that requires a Steward's attention during working hours, he shall not leave his regular duties without first obtaining permission to do so from the appropriate immediate supervisor. It is understood that the taking of such time away from regular duties shall be kept to a minimum and that permission will not, therefore, be unreasonably withheld. Stewards shall return to their regular duties as expeditiously as possible. The Corporation reserves the right to limit such time if the time requested is unreasonable.
- 7.04 The Corporation acknowledges the right of the Union to appoint or otherwise select up to three (3) employees, plus the President of Local #831, to form the Negotiating Committee. It shall be the Negotiating Committee's function to meet with the Corporation to negotiate the renewal of this Agreement.

ARTICLE 7 - UNION REPRESENTATION (continued)

- 7.05 The Union shall notify the Corporation, in writing, of the names of the Stewards, Chief Steward, Vice President and Negotiating Committee members. The Corporation shall not be required to recognize any of the above until such notification from the Union has been received.
- 7.06 a) Union Representatives shall receive their regular, straight time rate of pay for all hours spent during their normally scheduled hours of work in representing eligible employees in presenting grievances under Steps 1-3 in Article 8 - Grievance Procedure. Union Representatives shall not receive pay for any other Union activities subject to 7.06(b).
- b) The Negotiating Committee shall receive their regular straight time rate of pay for all hours spent during their normally scheduled hours of work meeting with representatives of the Corporation to negotiate a renewal of this Agreement up to and including **mediation**.
- 7.07 The Union Representatives shall have the right at any time to have the assistance of a National Representative of the Union in all matters covered by this Agreement.
- 7.08 The Union and the Corporation share a mutual interest in having a safe and healthy workplace. The parties agree to recognize a joint health and safety committee comprised of equal representation from both Union and Management.
- 7.09** The Union agrees that there shall be no solicitation of members or other Union activities on the premises of the Corporation or during working hours except as permitted by this Agreement. It is further understood that no meeting by the Union or its members will be held on the premises of the Corporation at any time without the prior approval of the Corporation.
- 7.10** Supervisory and management personnel shall not work on jobs normally performed by bargaining unit personnel to such an extent that it will cause the lay-off of persons within the bargaining unit.
- 7.11 Union Bulletin Boards**
The Corporation will provide bulletin boards for exclusive use of CUPE Local #831 in each of the following work areas:
- **City Hall – 1 on each floor**

Each party shall designate one of its appointees to act as a co-chairperson who, as such, will be the contact person for his nominee. Each party will advise the Corporation's Human Resources Division of the names of its appointees and co-chairpersons, which shall be communicated to all employees and senior management.

Except in an emergency situation, the Committee will not meet more often than once every three (3) months. The co-chairpersons shall exchange agendas at least one week before regular meetings.

While it is understood that the Committee will determine its own procedures, it is agreed and understood that agenda items or any other matters will not include matters which could be processed as an employee or policy grievance under the provisions of the Collective Agreement. Nor will the committee have any authority to attempt to amend the Collective Agreement in any manner.

ARTICLE 8 - GRIEVANCE PROCEDURE

- 8.01 A grievance shall be defined as a complaint regarding the interpretation, application, administration or alleged violation of the terms of this Agreement, or in the case of an employee who has acquired seniority under this Agreement, a complaint that he has been discharged without just cause.
- 8.02 It is understood that an employee has no grievance until he has first given his immediate supervisor or his designate an opportunity to adjust his complaint. In order to be considered a grievance, such discussion must take place within ten (10) working days after the circumstances giving rise to the complaint first occurred or originated. The immediate supervisor or his designate shall communicate his reply to the complaint within four (4) working days.

If such complaint is not settled to the satisfaction of the employee concerned, the complainant may file a written grievance in the following manner and sequence:

Step 1

The employee shall, with the assistance of a Steward if he desires, submit a signed, dated, written statement of such grievance (on a form supplied by the Union), to his Director or designate within five (5) working days after he has received the reply of the immediate supervisor or designate. The nature of the grievance, the article(s) of the Agreement that has been allegedly misapplied or misinterpreted, and the relief or remedy sought shall be clearly set out in the grievance. The Director or designate shall deliver his decision, in writing, within five (5) working days following the day on which the grievance was presented to him.

Step 2

Failing settlement in Step 1, within four (4) working days following receipt of the reply in Step 1, the employee, with the assistance of a Steward and the Chief Shop Steward or his designate may present the grievance to the employee's Department Head. The Department Head will discuss the grievance with the employee and the Steward. The Department Head or his designate shall give his decision, in writing, to the Steward within five (5) working days from the date of the meeting.

ARTICLE 8 - GRIEVANCE PROCEDURE (continued)

8.02 cont'd

Step 3

Failing settlement in Step 2, the Chairperson of the Union's Grievance committee may, within four (4) working days following receipt of the reply in Step 2, arrange for a meeting to review the matter in dispute. The meeting shall be attended by the City Manager or his designate, and other management representatives when deemed appropriate by the Corporation, the Grievor, a Chief Shop Steward, the Union President or his designate and the Chairperson of the Union's Grievance Committee. In the event of a dispute of facts the Union will have the right to bring in the steward that filed the grievance. Such meeting will be held within five (5) working days of the request by the Chairperson of the Grievance Committee. It is understood that a National Representative of the Union may be present at this meeting should his presence be requested by either party. The City Manager or his designate shall issue his written reply to the grievor and the Chairperson of the Union's Grievance committee within five (5) working days of the meeting.

- 8.03 It is the intention of the parties that this Article shall provide a peaceful method of adjusting grievances; therefore, it is agreed that there shall be no suspension or interruption of normal operations as a result of any grievance.

It is expressly understood that an employee who has a complaint or a grievance shall follow the procedures as outlined in this Article and pending the investigation and determination of the validity of such claim shall continue to perform the duties assigned to him by management (unless he has been suspended or discharged), providing such duties do not jeopardize the life, health or safety of the employee.

8.04 Policy Grievance

- a) The Union may file a "Policy Grievance" at Step 3 of the grievance procedure. A "Policy Grievance" may not be used to bypass the regular grievance procedure. A policy grievance is defined as one which alleges a misinterpretation or violation of a provision of this Agreement and which, because of the nature or scope of the subject matter, could not otherwise be instituted as an individual employee grievance commencing at Step 1. Such policy grievance shall be filed, in writing, within ten (10) working days of the initial incident giving rise to the complaint. The grievance must be signed by the President and Vice President of the Local Union or their designates.

ARTICLE 8 - GRIEVANCE PROCEDURE (continued)

8.04 cont'd

- b) The Corporation shall have the right to lodge a grievance with the Union concerning the meaning, application or interpretation of any provision of this Agreement commencing at Step 3 of the grievance procedure. The grievance shall be filed, in writing, with the Union by the City Manager or his designate within ten (10) working days of the initial incident giving rise to the complaint. A meeting shall be held between representatives of the Corporation and the Union within seven (7) working days of filing of the grievance. The grievance shall be answered, in writing, by the Union within ten (10) working days from the date of such meeting.
- 8.05
- a) An employee, who has completed his probationary period claiming that he has been suspended from employment without just cause shall file a signed, dated, written statement of such grievance setting out the nature of the grievance and the specific remedy sought at Step 2 of the Grievance Procedure provided such grievance is lodged with the Department Head or his designate within four (4) working days of the suspension.
 - b) An employee, who has completed his probationary period claiming that he has been discharged from employment without just cause shall file a signed, dated, written statement of such grievance setting out the nature of the grievance and the specific remedy sought at Step 3 of the Grievance Procedure provided such grievance is lodged with the City Manager or his designate within four (4) working days of the discharge.
- 8.06
- The parties expressly agree that this Article does not apply in the case of the discharge for any reason whatsoever of a probationary employee as defined in Article 10 - Seniority, paragraph 10.03.
- 8.07
- a) Saturdays, Sundays and holidays will not be counted in calculating time limits under this article.
 - b) Any complaint or grievance which is not commenced or processed through the next stage of the Grievance Procedure within the time specified, shall be deemed to have been settled. However, time limits specified in the Grievance Procedure may be extended by mutual agreement, in writing, between the Corporation and the Union. If no written answer has been given to the grievance within the time limits specified, the employee shall be entitled to submit the grievance to the next stage including arbitration.

ARTICLE 8 - GRIEVANCE PROCEDURE (continued)

- 8.08 Any step of the Grievance Procedure may be waived by mutual agreement in writing between the Corporation and the Union.
- 8.09 Decisions arrived at between the Corporation and the Union on the disposition of any specific employee, Union or Corporation grievance shall be final and binding upon the Corporation, the Union and the employee or employees concerned.
- 8.10 If final settlement of the grievance is not reached at Step 3 or 8.04 then the grievance may be referred, in writing by either party, to arbitration as provided in Article 9 - Arbitration, at any time within ten (10) working days after the final decision is given in Step 3 or 8.04. If no such written request for arbitration is received within the time limits then the grievance shall be deemed to have been settled.
- 8.11 A grievance arising out of a job posting for a position in another department shall be submitted to the Human Resources Division to be directed to the appropriate supervisor for disposition at Step 1.
- 8.12 With mutual agreement the Corporation and the Union may utilize the services of a Grievance Mediator, satisfactory to the parties, to resolve outstanding grievances. The cost of the mediator's services will be shared on a fifty percent (50%) basis.

ARTICLE 9 – ARBITRATION

- 9.01 Both parties to this Agreement agree that a properly constituted grievance, as defined in Article 8 - Grievance Procedure, paragraphs 8.01 and 8.04, which has been properly carried through all the requisite steps of the grievance procedure outlined in Article 8, and which has not been settled, may be referred to a Board of Arbitration at the written request of either of the parties hereto.
- 9.02 The Board of Arbitration shall be composed of one (1) person appointed by the Corporation, one (1) person appointed by the Union and the third (3rd) person to act as Chairperson chosen by the other two members of the board.

ARTICLE 9 – ARBITRATION (continued)

- 9.03 Either party may notify the other party in writing of its desire to submit the difference or allegation to arbitration, and the notice shall contain the name of the first party's appointee to a Board of Arbitration.

The recipient of the notice shall, within ten (10) working days, inform the other party of the name of its appointee to the Board of Arbitration. The two appointees shall, within a reasonable time period of the appointment of the second appointee, appoint a third person who shall be Chairperson.

- 9.04 Should the appointees fail to agree on a Chairperson, the Ministry of Labour of the Province of Ontario shall be asked to nominate a person to act as Chairperson in accordance with the provisions of the Ontario Labour Relations Act.
- 9.05 No person may be appointed as an arbitrator who has been involved in any attempt to negotiate or settle the grievance.
- 9.06 The decision of the Board of Arbitration, including any decision as to whether the matter is arbitrable, shall be final and binding upon the parties and upon any employee affected by it. In the absence of a unanimous decision, the majority decision shall be accepted as the decision of the Board. In the event there is no majority decision, the decision of the Chairperson will be final.
- 9.07 The Board of Arbitration shall not have jurisdiction to amend, alter, modify or add to any of the provisions of this Agreement, nor to substitute any new provision in lieu thereof, nor to give any decision inconsistent with the terms and provisions of this Agreement.**
- 9.08 The Board of Arbitration shall have no jurisdiction to hear a discharge grievance put forth by or on behalf of a probationary employee.
- 9.09 Each of the parties hereto will bear the fee and expenses of the nominee appointed by it and the parties will equally share the fee and expenses of the Chairperson of the Board of Arbitration.
- 9.10 Time limits fixed in this Article may be extended by mutual agreement in writing between the Corporation and the Union.

ARTICLE 9 – ARBITRATION (continued)

9.11 Where both parties agree a single Arbitrator with the same limitations and powers as a Board of Arbitrators may be substituted for a Board of Arbitration. In such case, the parties shall endeavour to agree on the selection of an Arbitrator. In the event the parties are unable to agree, a Board of Arbitration shall be constituted in accordance with paragraphs 9.02, 9.03 and 9.04.

ARTICLE 10 – SENIORITY

10.01 Seniority for each regular employee is based upon the length of continuous, full-time employment with the Corporation since the last date of hire.

10.02 a) The Corporation agrees to supply the Union with a seniority list twice yearly. The list will show the employees' current classification, department and seniority date. Such lists will be sent to the Union Stewards as well as the executive and posted on all job posting bulletin boards by January 15 and July 15 of each year.

b) For the purpose of the preparation of the initial seniority list, the last date of hire of each employee shall be used in the seniority calculation.

10.03 a) An employee shall be considered a probationary employee until he has worked for the Corporation for a period of six (6) calendar months from his last date of hire, or longer if mutually agreed upon by the parties and during this period he shall have no seniority rights. It is expressly understood by both parties that during the probationary period, an employee shall be considered as being employed on a trial basis and may be discharged at any time at the sole discretion of the Corporation. The discharge of a probationary employee shall not be the subject of a grievance and/or arbitration pursuant to this Agreement.

b) On successful completion of the probationary period, an employee shall be placed on regular staff, his name shall be placed on the seniority list and his seniority shall date back to his last date of hire. Employees acquiring seniority on the same date shall be added to the seniority list in order of the date and time of receipt of their employment application. In the event that the date and time are identical seniority shall be based on alpha order according to the last name.

ARTICLE 10 – SENIORITY (continued)

10.04 An employee's seniority shall be forfeited and his employment shall be deemed to be terminated and there shall be no obligation to rehire under the following conditions:

- a) He voluntarily resigns or quits. An employee shall be deemed to have resigned when:
 - i) he gives written notice of his desire to leave the Corporation's employment;
 - ii) he is absent for more than two (2) days without having applied for and obtained leave of absence for a definite period from the Corporation, or in case of provable accident or sickness, unless the Corporation is properly notified of such condition by the employee or his agent within the third day of such absence unless in either of the aforementioned situations, an explanation is given that is satisfactory to the Corporation;
 - iii) he fails to report for work at the expiration of a leave of absence or fails to provide an explanation satisfactory to the Corporation, or he uses a leave of absence for a purpose other than that for which it was granted; or
- b) he retires or is retired; or
- c) he is discharged for just cause and not reinstated through the grievance procedure; or
- d) he is laid off for a period of twelve (12) months; or
- e) he fails to respond to a recall to work in accordance with paragraph 10.07(b).

ARTICLE 10 – SENIORITY (continued)

10.05 No employee shall be transferred out of the bargaining unit without his consent. In the event an employee is permanently transferred to a supervisory position outside the bargaining unit and is then transferred, at the Corporation's sole discretion, back to the bargaining unit, the employee shall:

- i) retain seniority previously acquired and shall have added thereto the time spent while serving outside the bargaining unit provided that the employee is transferred back to the bargaining unit within twenty four (24) months of the transfer to the position outside the bargaining unit.
- ii) In the event the employee has held a position outside the bargaining unit for a period greater than twenty-four (24) months, he shall only retain seniority previously acquired within the bargaining unit.

10.06 In determining which employees are to be laid off and recalled from lay off, the Corporation shall consider:

- i) skill, ability, qualifications, efficiency and experience.
- ii) seniority (**on a bargaining unit wide basis**)

Where the factors in (i) are relatively equal, factor (ii) shall govern.

- 10.07
- a) New employees shall not be hired until those laid off have been given an opportunity of recall, provided they have the skill, ability and qualifications to perform the work available.
 - b) When recalling an employee after lay-off, the Corporation shall notify the employee by telephone, if possible, and in any event send a registered letter or telegram to the last address of the employee known to the Corporation. The employee shall be allowed ten (10) working days to report for work, however, he must advise the Corporation, within two (2) working days of the receipt of notification of return to work, of his intention to return to work if he wishes the Corporation to hold the job open for him for the full ten (10) working day period. If the employee is recalled and advises the Corporation that he is not immediately available for work, other qualified employees may be recalled but shall be temporarily employed until the employee reports within the ten (10) working day period.
 - c) It shall be the employee's responsibility to keep the Corporation notified of his address or telephone number so that he can be reached at all times.

ARTICLE 10 – SENIORITY (continued)

10.08 The Union shall be advised of all promotions, demotions, lay-offs and discharges in writing.

ARTICLE 11 - JOB POSTINGS

- 11.01 a) The term "vacancy", as used in this Agreement, shall be defined as an opening in one of the job classifications as set out in Schedule "1A" or a new position appropriate for this collective agreement.
- b) When a vacancy, **or Longer Term Temporary Assignment / Secondment** which comes within the scope of this agreement, occurs, and is one which the Corporation wishes to fill, notice of such vacancy shall be posted **internally** for a period of five (5) working days and qualified employees shall have the opportunity to apply for any such vacancies. The notice shall include the nature of the position, the knowledge and education required for the position, the qualifications, ability and skills required as well as the salary rate. In order to be eligible for the posted vacancy, an employee must apply within the five (5) working day period.
- c) Temporary vacancies shall not be posted.
- 11.02 In selecting a candidate to fill such posted vacancies the Corporation shall consider:
- i) skills, ability, qualifications, efficiency and experience;
- ii) seniority (**on a bargaining unit wide basis**)

Where the factors in (i) are considered to be relatively equal, then factor (ii) shall be the determining factor.

11.03 The Corporation may fill any vacancy on a temporary basis pending the selection of a candidate to fill the position.

11.04 The Corporation may establish and administer tests for the purpose of assisting the Corporation in determining an employee's qualifications. Tests shall not be used in an arbitrary manner and may be subject to the grievance procedure.

ARTICLE 12 - DISCIPLINE AND RECORDS

- 12.01 A copy of any written disciplinary action which is placed in the employee's file of reference will be given to the employee and the Union.
- 12.02 An employee who has completed his probationary period and is required to attend a meeting with his supervisor or other management person for the purpose of receiving a
 - warning

- 12.03 Employees shall be disciplined in private.
- 12.04 A copy of any written disciplinary action which is placed in the employee's file of reference will be given to the employee and the Union. Copies of any written disciplinary action which have been placed in an employee's file of reference shall be removed from the file when the employee has completed two (2) years with a clear disciplinary record.
- 12.05 It shall be the right of each employee to review the contents of his employee file of reference, which is housed in Human Resources on request, in the presence of an appropriate official of the Corporation. This file will contain all matters pertaining to the employee's employment and is the official employee file of reference.

20.01 Illness/Disability Plan

Weekly illness/disability benefits will be provided via two separate benefits plans. The first plan to provide coverage in the event of a legitimate claim for illness/disability will be a "Short Term Disability Plan" described below. The second plan, as described below also, will provide Long Term Disability (L.T.D.) benefits for legitimate claims - such L.T.D. benefits, when approved by the insurance carrier, will provide an extension of monthly benefits if an illness/disability continues on past the limitation of the Short Term Disability Plan.

An employee may request Union representation when discussing his short-term disability or long-term disability claim(s) with Human Resources staff. Upon request, an employee may review the contents of his medical file in the presence of an appropriate Human Resources staff member.

a) Short Term Disability Plan

- i) A short term disability plan will be provided to eligible full time, regular employees who will not be required to pay any monthly premium costs.
- ii) A new employee shall commence coverage under the plan on the first day of the fourth (4th) month after date of commencement of employment.
- iii) Benefits will be paid as follows:
Absences of one (1) or two (2) working days in duration for an illness or injury will be regarded as "incidental absence" and will not require medical certification on Corporation medical forms. A qualified employee will receive full pay for incidental absences. However, an employee's attendance (and punctuality) is essential to the efficient operation of his department. If an employee's attendance record indicates an unsatisfactory number of these one (1) or two (2) working day absences, the Corporation will require medical verification on its medical forms and will follow-up appropriately as required.

Absence for illness/injury which extend beyond two (2) working days will require medical verification on appropriate forms to be provided by the employee from his doctor.

These medical verification forms are to be obtained from the Human Resources office and must be returned there before weekly/daily benefits are authorized for payment. **The Corporation will reimburse the employee for the first doctor's certificate in a calendar year.**

ARTICLE 20 – INSURANCE (continued)

- 4th absence in a 12 calendar month period - employee will not be paid for 1st day of absence.
- 5th and subsequent absences in a 12 calendar month period - employee will not be paid for the first two days of absence.

Benefits under this section for other than the whole week shall be paid on a basis of 1/5 of the weekly benefit for each working day the employee is disabled.

- iv) Short Term Illness/Disability benefits are not payable:
- i) during any period of paid holidays, vacation with pay, leave of absence, suspensions;
 - ii) for any disability covered under the Workplace Safety and Insurance Act or similar legislation; or

Subject to 18.07, if an employee becomes injured or sick while on vacation, his vacation will be stopped at that point and a claim for weekly benefits will be allowed provided medical verification is provided on the appropriate forms. At the completion of the disability period the employee may request his immediate supervisor to re-schedule the unused vacation period at a mutually acceptable future time period.

ARTICLE 3 - FACTORS OF JOB DESCRIPTION AND RATING

- 3.1 The job description and job information questionnaire serve to record the basis from which the job is rated and, to compare and judge changes in job content which results, from time to time, from new or changed circumstances or requirements of the job.
- 3.2 The job description, job information questionnaire and the contents therein are for the purposes of rating a job and assigning the job into the proper wage grade for application of the Wage Rate Schedule.
- 3.3 A job description reflects the major duties and responsibilities required for proper evaluation and shall not be construed as a detailed description of all the work requirements inherent to the job.

3.4 The rating of jobs on the basis of job content involves certain basic determinations being made with respect to the skill, effort, responsibility, and working conditions involved in each job. In order to reduce possible errors of personal judgement into practical but reasonable working limits, such determinations and considerations are subdivided and refined into an analysis and rating of each job to assess the relative worth on the basis of specific factors which are to be determined by the Joint Job Evaluation Committee and which will be listed in the rating manual.

1. Education
2. Experience
3. Judgement
4. Consequence of Error
5. Physical Skill and Effort
6. Direction of Others
7. Contacts
8. Working Conditions
9. Safety of Others

3.5 Job ratings serve to:

- a) group jobs having relatively equivalent point values into the same grade,
- b) provide the basis from which to gauge equitable wage rate relationships between the jobs,
- c) form the foundation from which to measure changes in job content,
- d) enable the assignment of jobs into their proper wage grade in the Wage Rate Schedule.

3.6 In making the determinations necessary for the rating of a job from the job's content, certain basic characteristics are considered to be inherent in the performance of all jobs and are not considered in the evaluation of any job in this programme. These characteristics are honesty, integrity, normal discretion, reasonable care and attention, ordinary tact and common courtesy.

- 3.7 In the application of the Rating Manual the following general rules shall apply:
- a) It is the content of the job that is being analyzed, not the individual doing the job.
 - b) Jobs are to be evaluated without regard to existing wage rates.
 - c) Jobs are to be placed in the appropriate level in each factor by considering the specific requirements of each job, the factor definition, the description of each factor level.
 - d) Workload is not a consideration when evaluating a job.
 - e) No interpolation of factor degrees is to be made in the use of this programme.
 - f) The job description and rating of each job shall be relative to, consistent with, and conform to the job descriptions and ratings of all jobs in the bargaining unit.

ARTICLE 4 - MAINTAINING THE JOB DESCRIPTIONS AND RATINGS

- 4.1 It is important that the Corporation maintain accurate job descriptions and job ratings on an ongoing basis. Failure to do so will serve to damage the integrity of the Programme. The Corporation shall maintain accurate job descriptions of all jobs within the Union and as new jobs are created and as responsibilities of existing jobs change, with copies forwarded to the Union.
- 4.2 Provisions for maintaining the job descriptions and job ratings and making the necessary adjustments that occur from time to time, as a result of a new or changed conditions, are as follows:
- a) The agreed upon job ratings for the respective job descriptions which are in effect from the effective date the Job Evaluation Programme is implemented, and any that may subsequently be agreed upon in accordance with this manual, shall continue in effect unless:
 - i) The job content is changed by the Corporation
 - ii) The job is deemed redundant by the Corporation

b) NEW JOB:

Whenever the Corporation decides to establish a new job, the following procedures shall apply:

- i) The Human Resources Division shall prepare a draft job description based on the Job Information Questionnaire, completed by the supervisor, for the new job. This detail shall be submitted to the Committee for evaluation.
- ii) In the event the Joint Committee cannot agree on the rating, a Corporation-set temporary wage rate for the new job shall be made effective until such time as agreement is achieved. The establishment of such temporary wage rate shall not serve to prejudice the Joint Committee in their continued attempts to reach agreement on the appropriate rating for the new job.
- iii) If the agreed upon rating results in a higher wage rate for the new job, retroactive pay shall be paid back to the time the position was filled at the established temporary rate.

c) CHANGED JOB CONTENT - APPEAL PROCESS

Whenever the Corporation changes a job, the Supervisor and employee shall submit a new and/or revised Job Information Questionnaire. Human Resources shall prepare a new draft job description for the job and shall submit this information to the Job Evaluation Committee for evaluation.

When an agreed upon change or accumulation of changes in the content of a job as indicated by a newly prepared job information questionnaire results in a change upwards or downwards in the wage grade of a job:

- i) The existing job description and rating of the job shall be replaced by a new job description (as approved by the incumbent and supervisor) and job rating taking into account the changes in job content and the new job description and job rating shall be deemed to have been established.
- ii) The new job shall be reassigned to the appropriate wage grade and the reassignment shall become effective from the date that the employee and supervisor sign the Job Information Questionnaire.

- d) If a change in job content results in a lower evaluation and wage grade for a job, the incumbent of such job whose existing wage rate is thus higher than the established wage rate of the changed job shall be identified as being "Red-Circled". "Red-Circled" shall be administered in accordance with the provisions to be set out in the Collective Agreement governing such matters.
- e) If a change in job content results in a higher evaluation and wage grade for a job, the incumbent of such job whose existing wage grade is thus below the established wage rate of the changed job shall be identified as being "Green-Circled".
- f) The Corporation shall notify the Union in writing within thirty (30) calendar days of any change in the identification details of a job, i.e. department, job title, wage grade.
- g) If the Corporation decides a job classification is dormant or redundant, the Union shall be notified, in writing, within thirty (30) calendar days of such decision. If a job classification is declared redundant, the decision to remove the job classification from the Collective Agreement shall be made during the subsequent negotiation period.
- h) In the event an out-of-schedule rate for a job classification is introduced by the Corporation the Union shall be notified and it shall continue in effect until the Corporation decides that the conditions which gave rise to it no longer exists. After 90 calendar days notice, the wage rate for the job classification shall be the evaluated rate. All employees to whom this clause is applicable shall be notified accordingly.

ARTICLE 5 - DESCRIBING AND RATING A JOB

5.1 The procedure for describing a job shall be as follows:

- a) The Human Resources Division shall prepare a job description in accordance with the requirements of this manual from the information provided in the questionnaire supplied to and completed by each incumbent. Where information is not available, the Human Resources Division will determine the means by which such information shall be obtained.
- b) Copies of the draft job description will be forwarded to the incumbent(s) and supervisor for their review and comment. The incumbent and/or supervisor shall indicate concurrence, or suggest changes then return the draft job description and any changes to the Human Resources Division.

- c) The substance of any comments on the draft job description shall be considered, investigated and analyzed and if such comments warrant, a revised job description shall be prepared.
- d) The supervisor and incumbent will be given the opportunity of reviewing and commenting, as is necessary, on the revised draft job description. When agreement is reached this job description and the Job Information Questionnaire will be used to evaluate the job by the Joint Committee.
- e) If there is still disagreement by either the incumbent(s) or the supervisor concerning the responsibilities/duties of the job as described in the draft job description, the Joint Committee may interview the incumbent and supervisor. If agreement is still not achieved, the respective Department Head shall make final determination for the disposition of the disagreement, after duly considering the recommendations of the Committee.
- f) Once final determination has been made, the draft job description shall be signed by the incumbent and supervisor and shall be recognized by the parties as the official job description.

5.2 The procedure for rating a job shall be as follows:

- a) The Joint Committee shall attempt to reach agreement on the rating of the job based on the procedures outlined on page 64. If agreement is so reached, the rating of the job shall be confirmed in writing and signed by the Union's and Corporation's representatives on the Joint Committee and shall be recognized by the parties as the official rating for the job.
- b) If the incumbent(s) and/or department head(s) of the job disagree with the job rating, an appeal may be lodged by the incumbent(s) and/or department head(s) with the Joint Committee within twenty-five (25) working days of the receipt of the job rating. Appeal forms and procedures will be provided to the incumbent(s) and/or department head(s) by the Human Resources Division. The appeal shall state, in writing, the reason or reasons why the incumbent(s) and/or department head(s) disagree(s) with the rating of the job. Appeal forms, approved by the Joint Committee will be provided to the incumbents and/or department head(s) by the Human Resources Division. Upon completion of the appeal forms, the incumbent(s) and/or department head(s) shall return the appeal form to Human Resources for submission to the Joint Committee. Human Resources shall forward the appeal to the Committee for review and the affected employee(s) or department head(s) shall be notified of such appeal in writing.

- c) The Joint Committee shall consider the appeal and inform the incumbent(s) and/or department head(s) of their decision on the appeal. Such appeal decision shall be made in writing on the official appeal decision form. Such decision shall be considered final and binding upon the parties and the employee(s) affected.
- 5.3 In the event the Committee is unable to agree upon the rating for a job, the following procedure shall apply:
- a) The Corporation shall apply a temporary rating for the job
 - b) The Corporation shall provide the Union with a copy of the job description and such temporary rating.
 - c) The Union within thirty (30) calendar days following receipt of the copy of the job description and such temporary rating, may lodge a grievance with the Corporation at the 3rd step of the Grievance Procedure in the Collective Agreement. Such grievance shall state the Union's particular reasons for disagreeing with the temporary rating of the job and state, what, in the Union's opinion, is the correct rating and rating level, the particular reason for such rating and the numerical point values of any disputed factors.

If incidental S.T.D. exceeds two (2) days, the schedule of hours under the compressed workweek will cease until the employee returns to work. The employee will resume the schedule at the same point where the employee left off, in the following cycle (i.e. retaining any accumulated compressed workweek hours).
- 5) Unscheduled days off of up to and including two (2) days; Bereavement Leave of up to and including five (5) days; and, WSIB (1st day), during the two or three week cycle will not impact on the cycle.
- 6) **Paid** holidays will be treated as a regular seven (7) or eight (8) hour day, depending on the employee's regular daily hours of work. Employees must make up any additional time during the cycle in order to receive a flexible day off when a statutory holiday(s) falls within that cycle. If a statutory holiday falls on a flexible day off, the employee and his/her supervisor will mutually agree to reschedule the day off as soon as practicable after the holiday, subject to operational requirements.
- 7) During scheduled vacation days, employees revert back to regular hours and will resume their flexible hours at the same point in the following cycle where they left off. For vacation of two (2) days or less, employees may make up the time during the two or three week cycle to maintain the flexible day off.
- 8) Employees will also revert back to regular hours during other scheduled time off work such as personal leaves of absence, training and WSIB greater than two (2) days in one cycle.

Dear Mr. M^cLoughlin:

**LETTER OF UNDERSTANDING
Vacation Accrual Period and Entitlement Period**

This letter clarifies the accrual of vacation entitlement and the entitlement period.

Vacation Accrual (Earned) Period: Vacation is earned between July 1st (previous year) and June 30th of the vacation year.

Vacation Entitlement Period: Based on full years of service as of December 31st of the vacation year.

Vacation Scheduling Period: January 1st to December 31st of the vacation year.

Example: To calculate 2005 vacation entitlement

Seniority Date: Assume September 30, 1995 (therefore, entitlement is twenty days (20) based on 10 years of service)

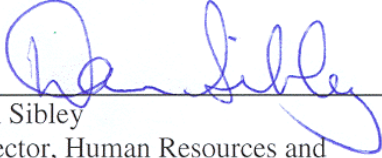

Accrual Period: July 1st, 2004 to June 30th, 2005

Scheduling Period: January 1st, 2005 to December 31st, 2005

Full 2005 entitlement assumes the employee works to June 30th, 2005. If an employee resigns or retires prior to June 30, 2005, the vacation will be pro-rated for the period between June 30th, 2004 and the resignation/retirement date.

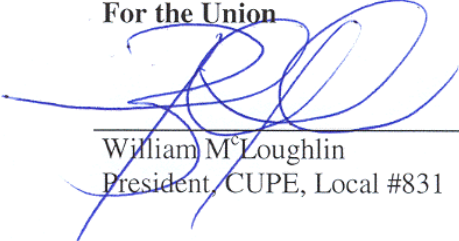

If the employee resigns or retires after June 30, 2005, they will receive a pro-rated amount for 2006 entitlement based on accrual between July 1st, 2005 and the resignation/retirement date.
