ARTICLE 1 - PREAMBLE

1.01 Preamble

- (a) The general purpose of this Agreement is to establish and maintain collective bargaining relations between the Hospital and the employees covered by this Agreement; to provide for ongoing means of communication between the Union and the Hospital and the prompt disposition of grievances and the final settlement of disputes and to establish and maintain mutually satisfactory wages, hours of work and other conditions of employment in accordance with the provisions of this Agreement.

It is recognized that the employees wish to work efficiently together with the Hospital to secure the best possible care and health protection for patients.

1.02 Feminine/Masculine Pronouns

Wherever the feminine pronoun is used in this Agreement, it includes the masculine pronoun and vice versa where the context so requires.

ARTICLE 2 - DEFINITIONS

2.01 (a) Temporary Employee

Employees may be hired for a specific term not to exceed six (6) months, to replace an employee who will be on approved leave of absence, absence due to *WSIB* disability, sick leave, long term disability or to perform a special non-recurring task. This term may be extended a further six (6) months on mutual agreement of the Union, employee and Hospital or by the Hospital on its own up to twelve (12) months where the leave of the person being replaced extends that far. The period of employment of such persons will not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision under the collective agreement and any successful applicant who has completed his probation period will be credited with the appropriate seniority.

The Hospital will outline to employees selected to fill such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment."

- (b) When a temporary full-time employee continues to work beyond six (6) consecutive months, such employee will be entitled to the following benefits. Extended Health Care, Dental, Semi-Private, and Group Life Insurance.

When such employee is transferred to permanent status he/she will be credited with service to the last date of hire for the purpose of determining benefit-qualifying periods.

- (c) Vacation pay for temporary full-time employees will be paid in accordance with the percentage outlined in the Employment Standards Act. When such employee transfers to permanent status, vacation entitlement from the original date of hire will be prorated accordingly (no pyramiding).

ARTICLE 3 - RELATIONSHIP

3.01 No Discrimination

The parties agree that there shall be no discrimination within the meaning of the Ontario Human Rights Code against any employee by the Union or the Hospital by reason of race, creed, colour, age, sex, marital status, nationality, ancestry or place of origin, family status, handicap, sexual orientation, political affiliation or activity, or place of residence. The Hospital and the Union further agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised or practised by either of them or their representatives or members, because of an employee's membership or non-membership in a Union or because of his activity or lack of activity in the Union.

The union shall be provided a copy of any written notice provided to an employee that he or she may be subject to termination, demotion, transfer, or other adverse impact for innocent absenteeism.

ARTICLE 4 - STRIKES & LOCKOUTS

- 4.1 The Union agrees there shall be no strikes and the Hospital agrees there shall be no lockouts so long as this Agreement continues to operate. The terms "strike" and "lockout" shall bear the meaning given them in the Ontario Labour Relations Act.

ARTICLE 5 - UNION SECURITY

5.01 T4 Slips

The Hospital will provide each employee with a T-4 supplementary slip showing the dues deducted in the previous year for income tax purposes where such information is available or becomes readily available through the Hospital's payroll system.

5.02 Notification to Union

The Hospital will provide the union with a list, monthly of all hirings, lay-offs, recalls, terminations, retirements and retirees re-employed within the bargaining unit where such information is available or becomes readily available through the Hospital's payroll system.

5.03 **Employee Interview**

A new employee will have the opportunity to meet with a representative of the Union in the employ of the Hospital for a period of up to 15 minutes during the employee's orientation period without loss of regular earnings. The purpose of the meeting will be to acquaint the employee with such representative of the Union and the collective agreement. The union will be advised of the time and place of such orientation.

Such meetings may be arranged collectively or individually for employees by the hospital as part of the orientation program.

5.04 **No Other Agreements**

No employee shall be required or permitted to make any written or verbal agreement with the Hospital or its representative(s), which conflicts with the terms of this agreement.

No individual employee or group of employees shall undertake to represent the union at meetings with the Hospital without proper authorization from the union.

ARTICLE 6 - UNION REPRESENTATION AND COMMITTEES

6.01 **Union Activity on Premises and/or Access to Premises**

The Union agrees that neither it, nor its officers, agents, representatives and members will engage in the solicitation of members, holding of meetings or any other Union activities on Hospital premises or on Hospital time without the prior approval of the Hospital, except as specifically provided for in this Agreement. Such approval will not be unreasonably denied.

6.02 **Labour-Management Committee**

Where the parties mutually agree that there are matters of mutual concern and interest that would be beneficial if discussed at a Labour-Management Committee Meeting during the term of this Agreement, the following shall apply.

An equal number of representatives of each party as mutually agreed shall meet at a time and place mutually satisfactory. A request for a meeting hereunder will be made in writing prior to the date proposed and accompanied by an agenda of matters proposed to be discussed, which shall not include matters that are properly the subject of grievance or negotiations for the amendment or renewal of this agreement.

Any representative(s) attending such meetings during their regularly scheduled hours of work shall not lose regular earnings as a result of such attendance.

It is agreed that the topic of a rehabilitation program for drug and alcohol abuse is an appropriate topic for the Labour-Management Committee.

It is also agreed that the topic of the utilization of full-time and part-time staff is an appropriate topic for the Labour-Management Committee. The committee shall have access to work schedules and job postings upon request.

It is understood that joint meetings with other Labour-Management Committees in the Hospital may be scheduled concerning issues of mutual interest if satisfactory to all concerned.

Where two or more agreements exist between a Hospital and CUPE the Committee may be a joint one representing employees under both agreements, unless otherwise agreed. {Refer to Appendix R(f)}.

6.03 **Local Bargaining Committee**

The Hospital agrees to recognize a negotiating committee comprised of hospital employee representatives of the Union for the purpose of negotiating a renewal agreement (as set out in the Local Provisions Appendix 'R'). The Hospital agrees to pay members of the negotiating committee for straight time wages lost from their regularly scheduled working hours spent in direct negotiations for a renewal agreement, up to but not including arbitration. Nothing in this provision is intended to preclude the Union negotiating committee from having the assistance of any representatives of the Canadian Union of Public Employees when negotiating with the Hospital.

When direct negotiations begin or end within ten (10) hours of a negotiating team member's scheduled shift, the Hospital will endeavour to provide a one day's leave of absence without pay, to provide a sufficient rest break if the employee so requests. Such request shall not be unreasonably denied. Such leave shall be considered leave of absence for union business, but shall not be deducted from the Union entitlement under Article 12.02.

6.04 **Central Bargaining Committee**

- (a) In central bargaining between the Canadian Union of Public Employees and the participating hospitals, an employee serving on the Union's Central Negotiating Committee shall be paid for time lost from his normal straight time working hours at his regular rate of pay and without loss of leave credits for attending central negotiating meetings with the Hospitals' Central Negotiating Committee in direct negotiations up to the point of arbitration. Upon reference to arbitration, the Negotiating Committee members shall receive unpaid time off for the purpose of attending arbitration hearings.

It is understood and agreed that the maximum number of Union Central Negotiating Committee members entitled to payment under this provision shall be eight (8), and in no case will more than one employee from a hospital be entitled to such payment.

The Union shall advise the Hospitals' Central Negotiating Committee, before negotiations commence, of those employees to be paid under this provision.

The Hospitals' Central Negotiating Committee shall advise the eight (8) Hospitals accordingly.

- (b) Vice-Presidents of the Ontario Council of Hospital Unions shall be granted leave of absence by their employers in accordance with (a) above or Article 12.02 as the case may be, in order to fulfil the duties of their position.

6.05 **Union Stewards**

The Hospital agrees to recognize Union stewards to be elected or appointed from amongst employees in the bargaining unit who have completed their probationary period for the purpose of dealing with Union business as provided under this Collective Agreement.

A Chief Steward or designate may, in the absence of any steward, assist in the presentation of any grievance, or with any steward function.

The Union shall keep the Hospital notified in writing of the names of Union stewards appointed or selected under this Article as well as the effective date of their respective appointments.

It is agreed that Union stewards have their regular duties and responsibilities to perform for the Hospital and shall not leave their regular duties without first obtaining permission from their immediate supervisor. If, in the performance of his duties, a Union steward is required to enter an area within the Hospital in which he is not originally employed, he shall report his presence to the supervisor in the area immediately upon entering it. Such permission shall not be unreasonably withheld. When resuming his regular duties and responsibilities, such steward shall again report to his immediate supervisor. A Union steward shall suffer no loss of earnings for time spent in performing the above duties during his regular scheduled working hours.

Nothing in this Article shall preclude full-time stewards from representing part-time employees and vice-versa.

The number of stewards and the areas, which they represent, are to be determined locally as set out in Local Appendix "R" (b).

6.06 **Grievance Committee**

The Hospital will recognize a Grievance Committee composed of the Chief Steward and not more than (as set out in Local Provisions Appendix 'R') employees selected by the Union who have completed their probationary period. A general representative of the Union may be present at any meeting of the Committee. The purpose of the Committee is to deal with complaints or grievances as set out in this Collective Agreement.

The Union shall keep the Hospital notified in writing of the names of the members of the Grievance Committee appointed or selected under this Article as well as the effective date of their respective appointments.

A Committee member shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending grievance meetings with the Hospital up to, but not including arbitration. The number of employees on the Grievance Committee shall be determined locally.

ARTICLE 7 - GRIEVANCE AND ARBITRATION PROCEDURE

- 7.01 For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.
- 7.02 At the time formal discipline is imposed or at any stage of the grievance procedure, an employee shall have the right upon request to the presence of his/her steward. In the case of suspension or discharge the Hospital shall notify the employee of this right in advance.
- 7.03 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he has first given his immediate supervisor the opportunity of adjusting his complaint. The grievor may have the assistance of a union steward if he or she so desires. Such complaint shall be discussed with his immediate supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee and failing settlement within nine (9) calendar days, it shall then be taken up as a grievance within nine (9) calendar days following advice of his immediate supervisor's decision in the following manner and sequence:

Step No. 1

The employee, who may be accompanied by a steward, may submit a written grievance signed by the employee to (designated by Hospital). The grievance shall identify the nature of the grievance and the remedy sought and should identify the provisions of the Agreement, which are alleged to be violated. The union and the Hospital may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. The (designate) will deliver his decision in writing within nine (9) calendar days following the day on which the grievance was presented to him. Failing settlement or response, then:

Step No. 2

Within nine (9) calendar days following the decision in Step No. 1, the grievance may be submitted in writing to the (designated by Hospital). A meeting will then be held between the (designate) and the Grievance Committee within nine (9) calendar days of the submission of the grievance at Step No. 2 unless extended by agreement of the parties. It is understood and agreed that a representative of the Canadian Union of Public employees and the grievor may be present at the meeting. It is further

understood that the (designate) may have such counsel and assistance as he may desire at such meeting. The decision of the Hospital shall be delivered in writing within nine (9) calendar days following the date of such meeting.

- 7.04 A complaint or grievance arising directly between the Hospital and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step No. 2 within fourteen (14) calendar days following the circumstances giving rise to the complaint or grievance. It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which such employee could himself institute and the regular grievance procedure shall not be thereby bypassed.
- 7.05 Where a number of employees have identical grievances and each employee would be entitled to grieve separately they may present a group grievance in writing identifying each employee who is grieving to the Department Head or his designee within fourteen (14) calendar days after the circumstances giving rise to the grievance have occurred or ought reasonably to have come to the attention of the employee(s). The grievance shall then be treated as being initiated at Step No. 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.
- 7.06 The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration. A claim by an employee who has completed his probationary period that he has been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged by the employee with the Hospital at Step No. 2 within seven (7) calendar days after the date the discharge or suspension is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:
- (a) confirming the Hospital's action in dismissing the employee; or
 - (b) reinstating the employee with or without full compensation for the time lost; or
 - (c) by any other arrangement which may be deemed just and equitable.

Wherever the Hospital deems it necessary to suspend or discharge an employee, the Hospital shall notify the Union of such suspension or discharge in writing. The Hospital agrees that it will not suspend, discharge or otherwise discipline an employee who has completed his probationary period, without just cause.

- 7.07 (a) Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within eighteen (18) calendar days after the decision under Step No. 2 is given, the grievance shall be deemed to have abandoned. Where such a written request is postmarked within sixteen (16) calendar days after the decision under Step No. 2, it will be deemed to have been received within the time limits.
- (b) The parties agree that it is their intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding (a) above, the parties

may, upon mutual agreement, engage the services of a mediator in an effort to resolve the grievance and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses, if any, of the mediator.

- 7.08 All agreements reached under the Grievance Procedure between the representatives of the Hospital and the representatives of the Union will be final and binding upon the Hospital and the Union and the employees.
- 7.09 When either party requests that any matter be submitted to arbitration as provided in the foregoing Article, it shall make such request in writing addressed to the other party of this Agreement, and at the same time name a nominee. Within seven (7) calendar days thereafter the other party shall name a nominee, provided, however, that if such party fails to name a nominee as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking Arbitration Procedure. The two nominees shall attempt to select by agreement a chairman of the Arbitration Board. If they are unable to agree upon such a chairman within a period of fourteen (14) calendar days, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.
- 7.10 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 7.11 No matter may be submitted to arbitration, which has not been properly carried through all requisite steps of the Grievance Procedure.
- 7.12 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 7.13 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and, where there is no majority the decision of the chairman will be final and binding upon the parties hereto and the employee or employees concerned.
- 7.14 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairman of the Arbitration Board.
- 7.15 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 44 (6) of The Labour Relations Act.
- 7.16 Wherever Arbitration Board is referred to in the Agreement, the parties may mutually agree in writing to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall

appropriately apply.

ARTICLE 8 - ACCESS TO FILES

8.01 Access to Personnel File

Each employee shall have reasonable access to his/her personnel file for the purpose of reviewing any evaluations or formal disciplinary notations contained therein, in the presence of the Director of Personnel or designate. An employee has the right to request copies of any evaluations in this file."

8.02 Clearing of Record

Any letter of reprimand, suspension or any other sanction will be removed from the record of an employee eighteen (18) months following the receipt of such letter, suspension or other sanction provided that such employee's record has been discipline free for one year.

ARTICLE 9 - SENIORITY

9.01 Probationary Period

A new employee will be considered on probation until he has completed forty-five (45) days of work (or 337.5 hours of work for employees whose regular hours of work are other than the standard work day), within any twelve (12) calendar months. Upon completion of the probationary period he shall be credited with seniority equal to forty-five (45) working days. With the written consent of the Hospital, the probationary employee and the President of the Local Union or designate, such probationary period may be extended. Any extensions agreed to will be in writing and will specify the length of the extension. The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration.

9.02 Definition of Seniority

Full-time employees will accumulate seniority on the basis of their continuous service in the bargaining unit from the last date of hire, except as otherwise provided herein.

Seniority will operate on a bargaining unit wide basis.

Notwithstanding the above, employees hired prior to October 10, 1986 will be credited with the seniority they held under the Agreement expiring September 28, 1985 and will thereafter accumulate seniority in accordance with this Article.

Effective January 1, 2002, notwithstanding the above, a part-time employee cannot accrue more than one year's seniority in a twelve (12) month period. The twelve (12) month period shall be determined locally.

Implementation Note: The start date of the initial twelve (12) month period shall commence no earlier than January 1, 2002 but may be substituted by a later date within the calendar year where the parties agree.

9.03 **Loss of Seniority**

An employee shall lose all seniority and service and shall be deemed to have terminated if he:

- (a) resigns;
- (b) is discharged and not reinstated through the grievance/arbitration procedure;
- (c) is retired;
- (d) is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Hospital of such absence and providing to the Hospital a satisfactory reason;
- (e) has been laid off for twenty-four (24) months;
- (f) if the employee has been laid off and fails to return to work within seven (7) calendar days after that employee has been notified by the Hospital through registered mail addressed to the last address on the records of the Hospital, subject to any special provisions regarding temporary vacancies noted under the heading of Layoff and Recall;

9.04 **Effect of Absence**

Unless otherwise provided in the Collective Agreement:

- (a) It is understood that during an approved unpaid absence not exceeding thirty (30) continuous days or any approved absence paid by the Hospital, both seniority and service will accrue.
- (b) During an unpaid absence exceeding thirty (30) continuous calendar days, credit for service for purposes of salary increment, vacation, sick leave, or any other benefits under any provisions of the Collective Agreement or elsewhere, shall be suspended for the period of the absence in excess of thirty (30) continuous calendar days, the benefits concerned appropriately reduced on a pro rata basis and the employee's anniversary date adjusted accordingly. In addition, the employee will become responsible for full payment of any subsidized employee benefits in which he/she is participating for the period of absence, except that the Hospital will continue to pay its share of the premiums up to eighteen (18) months while an employee is in receipt of WSIB benefits.

Effective September 29, 2002, the Hospital will continue to pay its share of the premiums up to thirty (30) months while an employee is in receipt of WSIB benefits. Such payment shall also continue while an employee is on sick leave (including the Employment Insurance Period) to a maximum of thirty (30) months from the time the absence commenced.

Notwithstanding this provision, service shall accrue for a period of fifteen (15) weeks if an employee's absence is due to a disability resulting in WSIB benefits.

- (c) It is further understood that during such unpaid absence, credit for seniority for purposes of promotion, demotion, transfer or lay-off shall be suspended and not accrue during the period of absence. Notwithstanding this provision seniority shall accrue for a period of eighteen (18) months if an employee's absence is due to a disability resulting in WSIB benefits*, or for a period of one (1) year if an employee's unpaid absence is due to an illness.

Effective September 29, 2002, part-time employees shall accrue seniority for a period of thirty (30) months and service for a period of fifteen (15) weeks if absent due to a disability resulting in WSIB benefits, on the basis of what the employee's normal regular hours of work would have been.

***Note:** Add the words "or L.T.D. benefits" only in agreements providing L.T.D. benefits.

**** Note:** Effective September 29, 2002, add the words "or LTD benefits including the period of the disability program covered by Employment Insurance" only in agreements providing LTD benefits.

9.05 **Job Posting - (Note: See Appendix "T")**

Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Hospital, such vacancy shall be posted for a period of seven (7) consecutive calendar days. Applications for such vacancy shall be made in writing within the seven (7) day period referred to herein.

The postings shall stipulate the qualifications, classifications, rate of pay, department and shift and a copy shall be provided to the Chief Steward.

Vacancies created by the filling of an initial permanent vacancy will be posted for a period of three (3) consecutive calendar days, excluding Saturdays, Sundays and Holidays. Applications for such vacancies shall be made in writing within the three (3) day period referred to herein.

In matters of promotion and staff transfer appointment shall be made of the senior applicant able to meet the normal requirements of the job. Successful employees need not be considered for other vacancies within a six (6) month period unless an opportunity arises which allows the employee to change his or her permanent status. The name of the successful applicant will be posted on the bulletin board for a period of seven (7) calendar days.

Where there are no successful applicants from within this bargaining unit for vacant positions referred to in this Article, employees in other CUPE bargaining units at the

Hospital will be selected in accordance with the criteria for selection above, prior to considering persons who are not members of CUPE bargaining units at the Hospital. The employees eligible for consideration shall be limited to those employees who have applied for the position in accordance with this Article, and selection shall be made in accordance with this Article. (Refer to Appendix T.9).

The successful applicant shall be allowed a trial period of up to thirty (30) days, during which the Hospital will determine if the employee can satisfactorily perform the job. Within this period the employee may voluntarily return, or be returned by the Hospital to the position formerly occupied, without loss of seniority. The vacancy resulting from the posting may be filled on a temporary basis until the trial period is completed.

A list of vacancies filled in the preceding month under this Article and the names of the successful applicants will be posted, with a copy provided to the union."

9.06 **Transfer and Seniority Outside the Bargaining Unit**

- (a) It is understood that an employee shall not be transferred by the Hospital to a position outside the bargaining unit without his consent except in the case of temporary assignments not exceeding six (6) months. Such employees on temporary assignments shall remain members of the bargaining unit.
- (b) An employee who is transferred to a position outside the bargaining unit shall not, subject to (c) below, accumulate seniority. In the event the employee is returned by the Hospital to a position in the bargaining unit within twenty-four (24) months of the transfer he or she shall be credited with the seniority held at the time of transfer and resume accumulation from the date of his or her return to the bargaining unit. An employee not returned to the bargaining unit within 24 months shall forfeit bargaining unit seniority.
- (c) In the event an employee transferred out of the bargaining unit under (b) above is returned to the bargaining unit within a period of six (6) calendar months, he shall accumulate seniority during the period of time outside the bargaining unit.

Implementation Note: Notwithstanding (b), any employee with bargaining unit seniority who is out of the bargaining unit as of the date of the award and who returns to the bargaining unit within 1 year from the date of the award (June 4, 1996) shall not forfeit their seniority (refer to Letter of Understanding #15).

9.07 **Transfer of Seniority and Service**

Effective September 19, 1985 and for employees who transfer subsequent to September 19, 1985:

For application of seniority for purposes of promotion, demotion, transfer, layoff and recall and service (including meeting any waiting period or other entitlement requirements) for purposes of vacation entitlement, HOODIP or equivalent, health and welfare benefit plans, and wage progression:

- (i) an employee whose status is changed from full-time to part-time shall receive full credit for his seniority and service;
- (ii) an employee whose status is changed from part-time to full-time shall receive credit for his seniority and service on the basis of one (1) year for each 1725 hours worked.

The above-noted employee shall be allowed a trial period of up to thirty (30) days, during which the Hospital will determine if the employee can satisfactorily perform the job. Within this period the employee may voluntarily return, or be returned without loss of seniority to his former duties on the same shift in the same department and at the appropriate rate of pay, subject to any changes, which would have occurred had he not transferred.

The above amendments will be effective for any transfer that occurs 90 days after October 31, 2001.

9.08 **Notice and Redeployment Committee**

(a) **Notice**

In the event of a proposed layoff at the Hospital of a permanent or long-term nature or the elimination of a position within the bargaining unit, the Hospital shall:

- (i) provide the Union with no less than five (5) months' written notice of the proposed layoff or elimination of position; and
- (ii) provide to the affected employee(s), if any, no less than five (5) months' written notice of layoff, or pay in lieu thereof.

Note: Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union of any subsequent layoff (refer to Letter of Understanding #14).

- (b) A layoff shall not include a reassignment of an employee from her or his classification or area of assignment who would otherwise be entitled to notice of layoff provided (refer to Letter of Understanding #14):
 - (i) the reassignment of the employee is to an appropriate permanent job with the employer having regard to the employee's skills, abilities, qualifications and training or training requirements;
 - (ii) the reassignment of the employee does not result in a reduction of the employee's wage rate or hours of work;

- (iii) the job to which the employee is reassigned is located at the employee's original work site or at a nearby site in terms of relative accessibility for the employee;
- (iv) the job to which the employee is reassigned is on the same or substantially similar shift or shift rotation; and
- (v) where more than one employee is to be reassigned in accordance with this provision, the reassigned employees shall be entitled to select from the available appropriate vacancies to which they are being reassigned in order of seniority provided no such selection causes or would cause a layoff or bumping.

The Hospital bears the onus of demonstrating that the foregoing conditions have been met in the event of a dispute. The Hospital shall also reasonably accommodate any reassigned employee who may experience a personal hardship arising from being reassigned in accordance with this provision.

- (c) Any vacancy to which an employee is reassigned pursuant to paragraph (b) need not be posted.
- (d) ***Redeployment Committee***

At each Hospital a Redeployment Committee will be established not later than two (2) weeks after the notice referred to in 9.08 and will meet thereafter as frequently as is necessary.

- (i) Committee Mandate

The mandate of the Redeployment Committee is to:

- (1) Identify and propose possible alternatives to the proposed layoff(s) or elimination of position(s), including, but not limited to, identifying work which would otherwise be bargaining unit work and is currently work contracted-out by the Hospital which could be performed by bargaining-unit employees who are or would otherwise be laid off;
- (2) Identify vacant positions in the Hospital or positions which are currently filled but which will become vacant within a twelve (12) month period and which are either:
 - (a) within the bargaining unit; or
 - (b) within another CUPE bargaining unit; or
 - (c) not covered by a collective agreement.
- (3) Identify the retraining needs of workers and facilitate such training for workers who are, or would otherwise be, laid off.

- (4) Subject to article 9.11, the Hospital will award vacant positions to employees who are, or would otherwise be laid off, in order of seniority if, with the benefit of up to six (6) months retraining, an employee has become able to meet the normal requirements of the job.
- (5) Any dispute relating to the foregoing procedures may be filed as a grievance commencing at Step 3.

(ii) Committee Composition

The Redeployment Committee shall be comprised of equal numbers of representatives of the Hospital and of the Union. The number of representatives will be determined locally. Where for the purposes of HTAP (the Ontario Hospital Training and Adjustment Panel) there is another hospital-wide staffing and redeployment committee created or in existence, Union members of the Redeployment Committee shall serve on any such hospital-wide staffing committee established with the same or similar terms of reference, and the number of Union members on such committee will be proportionate to the number of its bargaining unit members at the particular Hospital in relation to other staff groups.

Meetings of the Redeployment Committee shall be held during normal working hours. Time spent attending such meetings shall be deemed to be work time for which the representative(s) shall be paid by the Hospital at his or her regular or premium rate as may be applicable.

Each party shall appoint a co-chair for the Redeployment Committee. Co-chairs shall chair alternative meetings of the Committee and will be jointly responsible for establishing the agenda of the Committee meetings, preparing minutes and writing such correspondence as the Committee may direct.

(iii) Disclosure

The Hospital shall provide to the Redeployment Committee all pertinent staffing and financial information.

(iv) Alternatives

The Redeployment Committee, or where there is no consensus, the committee members shall propose alternatives to cutbacks in staffing to the Hospital's Chief Executive Officer and to the Board of Directors. At the time of submitting any plan concerning rationalization of services and involving the elimination of any position(s) or any layoff(s) to the District Health Council or to the Ministry of Health, the Hospital shall provide a copy, together with accompanying documentation, to the Union.

9.09 **Layoff and Recall**

An employee in receipt of notice of layoff pursuant to 9.08(a)(ii) may:

- (a) accept the layoff; or
- (c) opt to receive a separation allowance as outlined in Article 9.12; or
- (d) opt to retire, if eligible under the terms of the Hospitals of Ontario Pension Plan (HOOPP) as outlined in Article 18.03(b); or
- (d) displace another employee who has lesser bargaining unit seniority in the same or a lower or an identical-paying classification in the bargaining unit if the employee originally subject to layoff has the ability to meet the normal requirements of the job. An employee so displaced shall be deemed to have been laid off and shall be entitled to notice in accordance with Article 9.08.

An employee who chooses to exercise the right to displace another employee with lesser seniority shall advise the Hospital of his or her intention to do so and the position claimed within seven (7) days after receiving the notice of layoff.

Note: For purposes of the operation of clause (d), an identical-paying classification shall include any classification where the straight-time hourly wage rate at the level of service corresponding to that of the laid off employee is within 1% of the laid off employee's straight time hourly wage rate.

In the event that there are no employees with lesser seniority in the same or a lower or identical-paying classification, as defined in this article, a laid-off employee shall have the right to displace another employee with lesser seniority who is the least senior employee in the classification and where the straight-time hourly rate at the level of service corresponding to that of the employee is within 7% of the laid-off employee's straight-time hourly rate.

An employee who is subject to layoff other than a layoff of a permanent or long-term nature including a full time employee whose hours of work are, subject to Article 14.01, reduced, shall have the right to accept the layoff or displace another employee in accordance with (a) and (d) above.

An employee shall have opportunity of recall from a layoff to an available opening, in order of seniority, provided he or she has the ability to perform the work before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the collective agreement shall not apply until the recall process has been complete.

In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital shall not act in an arbitrary or unfair manner. An employee recalled to work in a different classification from which he or she was laid off shall have the privilege of returning to the position held prior to the layoff should it

become vacant within six (6) months of being recalled.

No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.

The Hospital shall notify the employee of recall opportunity by registered mail, addressed to the last address on record with the Hospital (which notification shall be deemed to be received on the second day following the date of mailing). The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his or her proper address being on record with the Hospital.

Employees on layoff shall be given preference for temporary vacancies, which are expected to exceed ten (10) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on layoff.

No full-time employee within the bargaining unit shall be laid off by reason of his/her duties being assigned to one or more part-time employees.

In the event of a layoff of an employee, the Hospital shall pay its share of insured benefits premiums for the duration of the five-month notice period provided for in Article 9.08.

For an employee who is actually laid-off the Hospital will, subject to an individual request, help draft a resume. The Hospital will endeavour to determine job opportunities with other Metropolitan Toronto Hospitals and such information will be posted on appropriate bulletin boards.

9.10 **Benefits on Layoff**

In the event of a lay-off of an employee, the Hospital shall pay its share of insured benefits premiums up to the end of the month in which the lay-off occurs.

The employee may, if possible under the terms and conditions of the insurance benefits programs, continue to pay the full premium cost of a benefit or benefits for up to three (3) months following the end of the month in which the lay-off occurs. Such payment can be made through the payroll office of the Hospital provided that the employee informs the Hospital of his or her intent to do so at the time of the lay-off, and arranges with the Hospital the appropriate payment schedule.

9.11 **Retraining**

(a) ***Retraining for Positions within the Hospital***

Where, with the benefit of retraining of up to six (6) months, an employee who has either accepted the layoff or who is unable to displace any other employee could be redeployed to a hospital position identified by the Redeployment

Committee in accordance with Article 9.08(d)(i):

- (i) Opportunities to fill vacant positions identified by the Hospital Redeployment Committee through retraining shall be offered to employees who apply and would qualify for the position with the available retraining in order of their seniority until the list of any such opportunities is exhausted. Opportunities to fill vacancies outside of CUPE bargaining units may be offered by the Hospital in its discretion.
- (ii) The Hospital and the Union will cooperate so that employees who have received notice of permanent layoff and been approved for retraining in order to prevent a layoff will have their work schedules adjusted in order to enable them to participate in the retraining, and scheduling and seniority requirements may by mutual agreement be waived. The Redeployment Committee will seek the assistance of the Hospital Training and Adjustment Panel (HTAP) to cover the cost of tuition, books and any travel.
- (iii) Apart from any on-the-job training offered by the Hospital, any employee subject to layoff who may require a leave of absence to undertake retraining in accordance with the foregoing shall be granted an unpaid leave of absence which shall not exceed six (6) months.
- (iv) Laid-off employees who are approved for retraining in order to qualify for a vacant position within the Hospital will continue to receive insured benefits.

(b) ***Placement***

Upon successful completion of his or her training period, the Hospital and the Union undertake to waive any restrictions, which might otherwise apply, and the employee will be placed in the job identified in 9.11(a)(i).

An employee subject to layoff who applies but later declines to accept a retraining offer or fails to complete the training will remain subject to layoff.

(c) ***Regional Redeployment Committee***

A joint committee of the participating hospitals and local unions identified in Appendix "A" shall meet prior to June 30, 1993, and will establish Regional Redeployment Committees to identify employment opportunities and to facilitate and arrange for the redeployment of laid off employees.

Each Hospital will provide such Regional Redeployment Committee with the name, address, telephone number, and years of service and seniority of all employees who have been laid off.

In filling vacancies not filled by bargaining unit members, the Hospitals will be

encouraged to give first consideration to laid-off employees who are on the list and who are qualified to perform the work. For benefit-entitlement purposes, it is recognized that Hospitals shall be free to grant to any employees hired through this process full credit for service earned with another hospital (refer to Letter of Understanding #14).

9.12 **Separation Allowances**

- (a) Where an employee resigns within 30 days after receiving notice of layoff pursuant to article 9.08(a)(ii) that his or her position will be eliminated, he or she shall be entitled to a separation allowance of two (2) weeks' salary for each year of continuous service to a maximum of twelve (12) weeks' pay, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of three thousand (\$3,000) dollars.
- (b) Where an employee resigns later than 30 days after receiving notice pursuant to Article 9.08(a)(ii) that his or her position will be eliminated, he or she shall be entitled to a separation allowance of four (4) weeks' salary, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of one thousand two hundred and fifty (\$1,250) dollars.

9.13 **Portability of Service**

An employee hired by the Hospital with recent and related experience may claim consideration for such experience at the time of hiring on a form to be supplied by the Hospital. Any such claim shall be accompanied by verification of previous related experience. The Hospital shall then evaluate such experience during the probationary period following hiring. Where in the opinion of the Hospital such experience is determined to be relevant, the employee shall be slotted in that step of the wage progression consistent with one (1) year's service for every one (1) year of related experience in the classification upon completion of the employee's probationary period. It is understood and agreed that the foregoing shall not constitute a violation of the wage schedule under the collective agreement.

9.14 **Technological Change**

The Hospital undertakes to notify the Union in advance, so far as practicable, of any technological changes which the Hospital has decided to introduce which will significantly change the status of employees within the bargaining unit.

The Hospital agrees to discuss with the Union the effect of such technological changes on the employment status of employees and to consider practical ways and means of minimizing the adverse affect, if any, upon employees concerned.

Where new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a

period of training, with due consideration being given to the employee's age and previous educational background, during which they may perfect or acquire the skills necessitated by the new method of operation. The employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work whenever possible and may extend for up to six months.

Employees with one (1) or more years of continuous service who are subject to lay-off under conditions referred to above, will be given notice of the impending change in employment status at the earliest reasonable time in keeping with the notification to the Union as above set forth and the requirements of the applicable law.

9.15 **Professional Responsibility - Scope of RPN Practice**

The Hospital and the Union shall meet to discuss the issues of RPN scope of practice and skill utilization.

9.16 **Professional Responsibility - Workloads**

The following provision will be effective September 29, 2001 and will expire on September 27, 2004.

The parties agree that patient care is enhanced if concerns relating to professional practice, patient acuity, fluctuating workloads and fluctuating staffing are resolved in a timely and effective manner.

In the event that an employee or group of employees, covered under the Regulated Health Professions Act (RHPA), are assigned a workload which is inconsistent with proper patient care, they shall express their concerns to their supervisor. The employee shall complete a "Workload Review Form" which shall be provided to the supervisor and to the Union. The Workload Review Form will be attached as an Appendix to the collective agreement.

ARTICLE 10 - CONTRACTING OUT

10.01 **Contracting Out**

The Hospital shall not contract out any work usually performed by members of the bargaining unit if, as a result of such contracting out, a layoff of any employees other than casual part-time employees results from such contracting out.

10.02 Notwithstanding the foregoing, the hospital may contract out work usually performed by members of the bargaining unit without such contracting-out constituting a breach of this provision if the hospital provides in its commercial arrangement contracting out the work that the contractor to whom the work is being contracted, and any subsequent such contractor, agrees:

- (1) to employ the employees thus displaced from the hospital; and

- (2) in doing so to stand, with respect to that work, in the place of the hospital for the purposes of the hospital's collective agreement with the Union, and to execute into an agreement with the Union to that effect.

In order to ensure compliance with this provision, the hospital agrees that it will withdraw the work from any contractor who has failed to meet the aforesaid terms of the contracting-out arrangement.

10.03 **Contracting In**

Further to Article 9.08(d)(i)(1) the parties agree that the Redeployment Committee will immediately undertake a review of any existing sub-contract work which would otherwise be bargaining unit work and which may be subject to expiry and open for renegotiation within six (6) months with a view to assessing the practicality and cost-effectiveness of having such work performed within the Hospital by members of the bargaining unit.

ARTICLE 11 - WORK OF THE BARGAINING UNIT

11.01 **Work of the Bargaining Unit**

Employees not covered by the terms of this Agreement will not perform duties normally assigned to those employees who are covered by this Agreement, except for the purposes of instruction, experimentation, or in emergencies when regular employees are not readily available.

11.02 **Volunteers**

The use of volunteers to perform bargaining unit work, as covered by this agreement shall not be expanded beyond the extent of existing practice as of June 1, 1986.

Effective October 1, 1990, the Hospital shall submit to the Union figures indicating the number of volunteers as of September 20, 1990. Thereafter, the Hospital shall submit to the Union, at three (3) month intervals, the number of volunteers for the current month and the number of hours worked.

ARTICLE 12 - LEAVES OF ABSENCE

12.01 **Personal Leave**

Written request for a personal leave of absence without pay will be considered on an individual basis by the Hospital. Such requests are to be submitted to the employee's immediate supervisor at least four (4) weeks in advance, unless not reasonably possible to give such notice, and a written reply will be given within fourteen (14) days except in cases of emergency in which case a reply will be given as soon as possible. Such leave shall not be unreasonably withheld.

12.02 (a) **Union Business**

The Hospital shall grant leave of absence without pay to employees to attend Union conventions, seminars, education classes and other Union business in connection with the administration of the collective agreement provided that such leave will not interfere with the efficient operation of the Hospital. Such leave will not be unreasonably denied.

In requesting such leave of absence for an employee or employees, the Union must give at least twenty-one (21) days clear notice in writing to the Hospital, unless not reasonably possible to give such notice.

The cumulative total leave of absence, the number of employees that may be absent at any one time from any one area, and the number of days of absence shall be negotiated locally and are set out in the Local Provisions Appendix. During such leave of absence, the employee's salary and applicable benefits shall be maintained by the Hospital on the basis of what his normal regular hours of work would have been, provided that the Union reimburses the Hospital in the amount of such salary and applicable benefits within thirty (30) days of billing.

Notwithstanding the above, time spent by the eight (8) Executive Board members of the Ontario Council of Hospital Unions to fulfill the duties of the position shall be in addition to leave for Union Business under this clause.

Part-time and casual employees will be given full credit for seniority purposes for regularly scheduled hours missed in accordance with this provision.

- (b) In addition to the above, a part-time or casual employee who is attending to union business when not regularly scheduled to work shall be deemed to be on union leave and the amount of such leave shall not be deducted from the number of days of absence identified above. Such part-time or casual employee will be credited with seniority for the number of hours or such leave to a maximum of thirty seven-seven and one-half (37.5) hours per week. The Union will advise the Hospital of the number of such hours.

12.03 (a) **Full-Time Position with the Union**

Upon application by the Union, in writing, the Hospital shall grant leave of absence, without pay, to an employee elected or appointed to full-time Union office. It is understood that no more than one (1) employee in the bargaining unit may be on such leave at the same time. Such leave shall be for a period of one (1) calendar year from the date of appointment unless extended for a further specific period by agreement of the parties.

Seniority shall accumulate for employees during such leave on the basis of what his normal regular hours of work would have been. Service shall accumulate for employees during such leave to the maximum provided, if any, under the provisions of the collective agreement. It will become the responsibility of the employee for full payment of any applicable benefits in which the employee is participating during such leave of absence.

The employee shall notify the Hospital of his intention to return to work at least four (4) weeks prior to the date of such return. The employee shall be returned to his former duties on the same shift in the same department and at the appropriate rate of pay, subject to any changes which would have occurred had

the employee not been on leave.

Notwithstanding Article 2.01, the Hospital may fill the vacancy resulting from such leave on a temporary basis.

(b) **Leave for OCHU President and Secretary-Treasurer**

Upon application in writing by the Union on behalf of the employee to the Hospital, a leave of absence without pay shall be granted to such employee(s) elected to the positions of the President of the Ontario Council of Hospital Unions or the Secretary-Treasurer of the Ontario Council of Hospital Unions for period(s) of up to two (2) years. It is understood, however, that during such leave the employee(s) shall be deemed to be an employee of the Union.

During such leave of absence seniority and service shall accrue at seven and one-half (7.5) hours per day to a maximum of thirty-seven and one-half (37.5) hours per week. In addition, during such leave of absence, the employee's salary and applicable benefits shall be maintained by the Hospital on the basis of what his normal regular hours of work would have been, provided that the Union reimburses the Hospital in the amount of such salary and applicable benefits within thirty (30) days of billing.

The employee agrees to notify the Hospital of his intention to return to work at least four (4) weeks prior to the date of such return. The employee shall be returned to his former duties on the same shift in the same department and at the appropriate rate of pay, subject to any changes which would have occurred had the employee not been on leave.

Notwithstanding Article 2.01, the Hospital may fill the vacancy resulting from such leave on a temporary basis.

12.04 **Bereavement Leave**

Any employee who notifies the Hospital as soon as possible following a bereavement will be granted bereavement leave for three (3) consecutive working days off without loss of regular pay from regularly scheduled hours in conjunction with the death of the spouse, child, parent, sister, brother, mother-in-law, father-in-law, grandparent, grandchild, brother-in-law, sister-in-law or grandparent of spouse. The Hospital, in its discretion, may extend such leave with or without pay. Where an employee does not qualify under the above-noted conditions, the Hospital may, nonetheless, grant a paid bereavement leave. For the purpose of bereavement leave, the relationships specified in the preceding clause are deemed to include a common-law spouse and a partner of the same sex.

12.05 **Jury & Witness Duty**

If an employee is required to serve as a juror in any court of law, or is required to attend as a witness in a court proceeding in which the Crown is a party, or is required by

subpoena to attend a court of law or coroner's inquest in connection with a case arising from the employee's duties at the Hospital, the employee shall not lose regular pay because of such attendance provided that the employee:

- (a) notifies the Hospital immediately on the employee's notification that he will be required to attend at court;
- (b) presents proof of service requiring the employee's attendance;
- (c) deposits with the Hospital the full amount of compensation received excluding mileage, travelling and meal allowances and an official receipt thereof.

In addition to the foregoing, where a full-time employee is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from the employee's duties at the Hospital on his regularly scheduled day off, the Hospital will attempt to reschedule the employee's regular day off. Where the employee's attendance is required during a different shift than he is scheduled to work that day, the Hospital will attempt to reschedule the shift to include the time spent at such hearing. It is understood that any rescheduling shall not result in the payment of any premium pay.

Where the Hospital is unable to reschedule the employee and, as a result, he is required to attend during other than his regularly scheduled paid hours, he shall be paid for all hours actually spent at such hearing at his straight time hourly rate subject to (a), (b) and (c) above.

12.06 **Pregnancy Leave**

- (a) Pregnancy leave will be granted in accordance with the provisions of the *Employment Standards Act*, except where amended in this provision. The service requirement for eligibility for pregnancy leave shall be thirteen (13) weeks of continuous service.
- (b) The employee shall give written notification at least two (2) weeks in advance of the date of commencement of such leave and the expected date of return. At such time she shall also furnish the Hospital with the certificate of a legally qualified medical practitioner stating the expected birth date.
- (c) The employee shall reconfirm her intention to return to work on the date originally approved in subsection (b) above by written notification received by the Hospital at least two (2) weeks in advance thereof.
- (d) Effective on confirmation by the Canada Employment Insurance Commission of the appropriateness of the Hospital's Supplementary Unemployment Benefit (SUB) Plan, an employee who is on pregnancy leave as provided under this Agreement who has applied for and is in receipt of Employment Insurance pregnancy benefits pursuant to Section 22 of the *Employment Insurance Act* shall be paid a supplemental unemployment benefit for a period not exceeding

fifteen (15) weeks. The supplement shall be equivalent to the difference between ninety-three percent (93%) of her normal weekly earnings and the sum of her weekly unemployment insurance benefits and any other earnings. Receipt by the Hospital of the employee's unemployment insurance cheque stubs shall constitute proof that she is in receipt of Employment Insurance pregnancy benefits.

The employee's normal weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours plus any wage increase or salary increment that she would be entitled to receive if she were not on pregnancy leave.

In addition to the foregoing, the Hospital will pay the employee ninety-three percent (93%) of her normal weekly earnings during the first two (2) week period of the leave while waiting to receive Employment Insurance benefits.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payment in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

- (e) Credits for service and seniority shall accumulate for a period of up to seventeen (17) weeks while an employee is on pregnancy leave.
- (f) The Hospital will continue to pay its share of the contributions of the subsidized employee benefits, including pension, in which the employee is participating for a period of up to seventeen (17) weeks while the employee is on pregnancy leave.
- (g) Subject to any changes to the employee's status which would have occurred had she not been on pregnancy leave, the employee shall be reinstated to her former duties, on the same shift in the same department, and at the same rate of pay.

12.07 **Parental Leave**

- (a) Parental leaves will be granted in accordance with the provisions of the *Employment Standards Act*, except where amended in this provision. The service requirement for eligibility for parental leave shall be thirteen (13) weeks of continuous service.
- (b) An employee, who qualifies for parental leave, other than an adoptive parent, shall give written notification of at least two (2) weeks in advance of the date of the commencement of such leave and the expected date of return.
- (c) For the purposes of this Article, parent shall be defined to include a person with

If, because of late receipt of confirmation of the pending adoption, the employee finds it impossible to request the leave of absence in writing, the request may be made verbally and subsequently verified in writing.

An employee who is an adoptive parent may extend the parental leave for such greater time as may be required by the adoption agency concerned to a maximum total of six (6) months.

That benefit shall be equivalent to the difference between ninety-three percent (93%) of the employee's normal weekly earnings and the sum of his or her weekly Employment Insurance benefits and any other earnings. Receipt by the Hospital of the employee's employment insurance cheque stub will serve as proof that the employee is in receipt of unemployment parental benefits.

The employee's normal weekly earnings shall be determined by multiplying the employee's regular hourly rate on his or her last day worked prior to the commencement of the leave times the employee's normal weekly hours, plus any wage increase or salary increment that the employee would be entitled to if he or she were not on parental leave.

In addition to the foregoing, the Hospital shall pay the employee ninety-three percent (93%) of his or her normal weekly earnings during the first two (2) week period of the leave while waiting to receive Employment Insurance benefits.

The employee does not have any vested right except to receive payments for the covered unemployment period. 12.09 **Pre-Paid Leave Plan**

Effective March 31, 1993, the Hospital agrees to introduce a pre-paid leave program, funded solely by the employee subject to the following terms and conditions:

- (f) The manner in which the deferred salary is held shall be at the discretion of the Hospital.
- (g) All deferred salary, plus accrued interest, if any, shall be paid to the employee at the commencement of the leave or in accordance with such other payment schedule as may be agreed upon between the Hospital and the employee.

The employee shall become responsible for the full payment of premiums for any health and welfare benefits in which the employee is participating. Contributions to the Hospitals of Ontario Pension Plan will be in accordance with the Plan. The employee will not be eligible to participate in the disability income plan during the year of the leave.

authorize the Hospital to make the appropriate deductions from the employee's pay. Such agreement will include:

- (i) A statement that the employee is entering the pre-paid leave program in accordance with this Article of the collective agreement.
- (ii) The period of salary deferral and the period for which the leave is requested.
- (iii) The manner in which the deferred salary is to be held.

The letter of application from the employee to the Hospital to enter the prepaid leave program will be appended to and form part of the written agreement."

ARTICLE 13 - SICK LEAVE, INJURY & DISABILITY

13.01 HOODIP

The following provision will appear in all full-time collective agreements that provide for HOODIP or equivalent, replacing any other sick leave language that existed in the hospital's expiring collective agreement. For Hospitals, which provide for an accumulating sick leave plan, the existing collective agreement provisions will continue unless the Hospital and the local union mutually agree to replace the existing plan with HOODIP or equivalent. In the event of such mutual agreement the provision below will become effective on the first of the month agreed to by the local parties and will replace any existing accumulating sick leave program or plan.

- (a) The Hospital will assume total responsibility for providing and funding a short-term sick leave plan equivalent to that described in the August, 1992 booklet (Part A) Hospitals of Ontario Disability Income Plan Brochure.

The Hospital will pay 75% of the billed premium towards coverage of eligible employees under the long-term disability portion of the Plan (HOODIP or an equivalent plan as described in the August, 1992 booklet (Part B), the employee paying the balance of the billed premium through payroll deduction. For the purpose of transfer to the short-term portion of the disability program, employees on the payroll as of the effective date of the transfer with three (3) months or more of service shall be deemed to have three (3) months of service.

For the purpose of transfer to the long-term portion of the disability program, employees on the active payroll as of the effective date of the transfer with one (1) year or more of service shall be deemed to have one (1) year of service.

- (b) Effective the first of the month following the transfer all existing sick leave plans in the affected Hospitals shall be terminated and any provisions relating to such plans shall be null and void under the respective Collective Agreements except as to those provisions relating to pay-out of unused sick leave benefits which are specifically dealt with hereinafter.

- (c) Existing sick leave credits for each employee shall be converted to a sick leave bank to the credit of the employee. The "sick leave bank" shall be utilized to:

- (i) supplement payment for lost straight time wages on sick leave days under the new program which would otherwise be at less than full wages or no wages and,
 - (ii) where a pay-out provision existed under the former sick leave plan in the Collective Agreement, pay-out on termination of employment shall be that portion of any unused sick leave days under the former conditions relating to pay-out.
 - (iii) where, as of the effective date of transfer, an employee does not have the required service to qualify for pay-out on termination, his existing sick leave credits as of that date shall nevertheless be converted to a sick leave bank in accordance with the foregoing and he shall be entitled, on termination, to that portion of any unused sick leave days providing he subsequently achieves the necessary service to qualify him for pay-out under the conditions relating to such pay-out.
 - (iv) an employee who, as of the effective date of transfer, has accumulated sick leave credits and is prevented from working for the Hospital on account of an occupational illness or accident that is recognized by the Workplace Safety & Insurance Board as compensable within the meaning of the *Workplace Safety & Insurance Act*, the Hospital, on application from the employee will supplement the award made by the Workplace Safety & Insurance Board for loss of wages to the employee by such amount that the award of the Workplace Safety & Insurance Board for loss of wages, together with the supplementation of the Hospital, will equal 100% of the employee's net earnings, to the limit of the employee's accumulated sick leave credits.
- (d) There shall be no pay deduction from an employee's regular scheduled shift when an employee has completed any portion of the shift prior to going on sick leave benefits or WSIB benefits.
 - (e) The Hospital further agrees to pay employees an amount equal to any loss of benefits under HOODIP for the first two (2) days of the fourth and subsequent period of absence in any calendar year.
 - (f) Any dispute, which may arise concerning an employee's entitlement to any benefits referred to in Article 13.01, including HOODIP and equivalents, may be subject to the grievance and arbitration under the provisions of this collective agreement.

The union agrees that it will encourage an employee to utilize the Medical Appeals Process provided under the plan, if any, to resolve disputes.

- (g) A copy of the current HOODIP plan text or, where applicable, the master policy of the current HOODIP equivalent shall be provided to the Union.

- (h) The Hospital shall pay the full cost of any medical certificate required of an employee.
- (i) The short-term sick leave plan shall be registered with the Employment Insurance Commission (EIC). The employee's share of the employer's unemployment insurance premium reduction will be retained by the Hospital towards offsetting the cost of the benefit improvements contained in this agreement.

Note: Provisions 13(c)(3) and 13(c)(4) shall apply for the short and long-term disability plan to those employees in the full-time Collective Agreements who are now on an accumulating sick leave plan. Any Medical/Dental Care provisions currently in the agreement shall be removed.

13.01 **Sick Leave**

The following provision will appear in all collective agreements where WSIB top-up now exists, and where the hospital does not now have HOODIP, or does not transfer to HOODIP under the above transfer provision, replacing any provision related to WSIB top-up that existed in the hospital's expiring collective agreement:

Where an employee is prevented from working for the Hospital on account of an occupational illness or accident that is recognized by the Workplace Safety & Insurance Board as compensable within the meaning of the *Workplace Safety & Insurance Act*, the Hospital, on application from the employee will utilize the employee's accumulated sick leave credits to supplement the award made by the Workplace Safety & Insurance Board for loss of wages to the employee by such amount that the award of the Workplace Safety & Insurance Board for loss of wages, together with the supplementation of the Hospital, will equal 100% of the employee's net earnings, to the limit of the employee's accumulated sick leave credits. Where a WSIB top-up is currently provided from general revenue, it will be provided on the same basis except that it will continue to be provided from general revenue.

13.02 **Injury Pay**

If an employee is injured on the job and his supervisor excuses him from further duty for the balance of his shift, the employee's regular rate of pay shall continue for the balance of that shift and there shall be no deduction from sick leave or other credits.

13.03 **Payroll Deduction for Union Sponsored LTD Plan**

The following provision will appear in all collective agreements that do not provide for HOODIP or equivalent, replacing any provision related to payroll deduction for union sponsored LTD plan that existed in the hospital's expiring collective agreement:

The Hospital will provide payroll deduction for the union-sponsored LTD plan where a majority of those eligible in the bargaining unit indicate a willingness to have the premium cost deducted from their wages. The Union shall be responsible for

ascertaining the wishes of its members in this regard.

13.04 **Payment Pending Determination of WSIB Claims**

An employee who is absent from work as a result of an illness or injury sustained at work and who has been awaiting approval of claim for WSIB benefits for a period longer than one complete pay period may apply to the Hospital for payment equivalent to the lesser of the benefit she would receive from WSIB benefits if her claim was approved, or the benefit to which she would be entitled under the short term sick leave plan. Payment will be provided only if the employee provides evidence of disability satisfactory to the Hospital and a written undertaking satisfactory to the Hospital that any payments will be refunded to the Hospital following final determination of the claim by the Workplace Safety & Insurance Board. If the claim for WSIB benefits is not approved, the monies paid, as an advance will be applied towards the benefits to which the employee would be entitled under the short-term sick leave plan. Re: Guidelines for Use of Part-time and Temporary Employees

The parties hereby agree to the following guidelines for the use of part-time (i.e. employees hired to work twenty-four (24) hours or less per week) and temporary employees:

- L4.01 The parties agree that during the school vacation period or during periods of short staffing the Hospital is free to increase the number of hours worked by the above mentioned employees to that worked by full-time employees (ie..seventy-five (75) or more hours in a two (2) week pay period).
- L4.02 The Hospital retains the right to hire students during the school vacation periods to fill vacancies created when regular full-time employees are on vacation. The parties agree that this is a past practice of the Hospital.
- L4.03 The parties agree that the employment of these students is of a temporary nature. This employment is likely to end when the school vacation period is over. The parties agree that this is a past practice of the Hospital.
- L4.04 The parties agree that these students could be scheduled to work seventy-five (75) or more hours in a two (2) week pay period. However, this does not represent a guarantee of daily or weekly hours and employees may be required to work less than thirty-seven and one half (37-1/2) hours per week or less than seventy-five (75) hours in a two week pay period, in which case they will be paid accordingly.
- L4.05 The transfer of these students to regular part-time status (i.e. working twenty-four (24) hours or less per week) is subject to the job posting provision of the part-time Collective Agreement.
- L4.06 Whenever a temporary vacancy that is not required to be posted is created in the full-time unit (i.e. to replace an employee who will be on approved leave of absence (including vacation) due to WSIB, disability, sick leave, long-term disability, or to perform a special non-recurring task) and also in situations where a vacancy is being held for redeployment, preference shall be given to members of the part-time bargaining unit (in the department then unit wide) over temporary employees who are not members of the part-time bargaining unit on the basis of seniority providing they are able to meet the normal requirements of the job. These employees will remain in the part-time bargaining unit while on the temporary assignment and retain all rights under the part-time collective agreement.
- L4.07 The Hospital will endeavor to share the hours (created by the vacancy in L4.06 above) on an equal basis wherever possible subject to operational requirements.
- L4.08 Subject to Article L4.06 the Hospital may hire individuals from outside the Hospital to fill temporary vacancies.

L4.09 The Hospital will provide the Union on a monthly basis the following information with regard to part-time and temporary employees:

L4.10 Where a temporary job (as defined by article 2.01 of the full-time collective agreement) has ended and instead a full-time position created, it will be posted pursuant to Article 9.05.

L4.11 In circumstances other than as outlined in Article L4.01 to L4.06 above, where part-time employees are employed in excess of 24 hours per week for four weeks in any seven week period, the position will be posted as per Article 9.05 of the full-time Collective Agreement. If the part-time employee is not then awarded the full-time position, the employee will remain in the part-time bargaining unit, subject to the terms and conditions of the part-time Collective Agreement.

L4.12 A person employed for a temporary term pursuant to Article 2.01 who is not a member of the part-time unit will be terminated at the end of the specific assignment for which he/she was hired.

L4.13 A person employed for a temporary term (to a maximum of twelve months) pursuant to Article 2.01 whose term comes to an end will not be temporarily re-employed in the same "special non-recurring task" or to replace the same absent employee without the Union's consent which will not be unreasonably withheld.

L4.14 The Hospital will provide the union, on a monthly basis, a list of part-time employees, with their hours worked for each two- week pay period in the quarter.

LETTER OF UNDERSTANDING NO. 8A

Re: Modified Work/Complicated Return To Work

A meeting of all parties will be required if the following criteria apply:

- modified duties are complex, may require alternate job placement
- accommodation will be required for longer than 2/3 weeks
- an uncomplicated return to work fails or the employee experiences difficulties

It is important that all parties make themselves available for these meetings.

The union will be provided with a listing of all employees currently off work who are being assisted in return to work and all employees currently on modified duties on a monthly basis.

The Hospital and the Union agree that employees, who have been off work due to injury, accident or illness, resulting in temporary/permanent impairment or handicap, should be returned to active employment as quickly as possible.

To accommodate the above, a Reinstatement Committee will be established comprising of no more than three (3) representatives of the Hospital and three (3) representatives of the Union.

The Hospital will notify the Union of the names of all members off work due to work-related injury (whether or not the employee is in receipt of WSIB benefits) and those on LTD by the end of each period.

An employee returning to work on modified duties must notify the Safety Department one-week in advance of his/her scheduled date of return. The employee must also provide the Hospital with information regarding his/her restrictions 48 hours prior to the meeting.

Prior to any member returning on a Modified Work Program, the Hospital will notify a member of the local union executive, and the matter will be reviewed at a meeting of the Modified Work Committee.

The Hospital will notify and meet with the Union through the Modified Work Committee during this week's period.

Accommodation

The Hospital may grant a transfer to an open job in the bargaining unit for medical reasons provided the employee has a certified illness or disability acceptable to the Hospital, which prevents the satisfactory performance of his/her regular duties. A transfer request under this part must be made in writing by the affected employee. The success of the transfer will be judged solely by the Hospital, and if successful, the employee must be capable of both a satisfactory level of performance following a familiarization period and regular attendance.

Notwithstanding the foregoing, if as a result of compensable illness or injury covered by WSIB,

an employee is unable to carry out the regular functions of his or her position, the Hospital may, subject to its operational requirements, establish a special classification and salary in an endeavour to provide the employee with an opportunity of continued employment. This provision shall not be construed as guaranteed that such special classification(s) will be made available or continued.

Mandate

The Committee's terms of reference are to review the employment possibilities of these employees and to identify positions to which they could return, or to recommend modifications to the employee's existing job for the Hospital's consideration.

Operation

During its deliberations, the Committee will consider the employee's ability to return to work and their work limitations.

In consultation with the Hospital, the Committee will identify work areas that could accommodate the employee's capabilities.

Meetings

The Committee shall meet as necessary. Time so spent for Committee functions shall be deemed time worked and employees shall be paid their regular rate.

Process

1. Candidates for the modified work program are those employees who are unable to return to their former jobs and are deemed to be fit for modified work.
2. When a suitable vacant position is identified, the committee will recommend that the employee be assigned to the position for a reasonable assessment period.
3. During this period the Hospital shall afford the employee a reasonable period of orientation and training, monitor the employee's performance and report their findings to the committee.
4. At any time during the assessment period, the employee may withdraw from the assigned modified work or from the program if he/she feels that further injury may result. The Hospital may also suggest to the committee that the employee be withdrawn if it so determined that the employee's health or well being is at risk. Any such action by the employee or the hospital must be supported by a medical evaluation.
5. The committee may recommend to the hospital that the assessment period be extended, if it is deemed to be beneficial.
6. When a vacancy occurs in the employee's classification, the employee will be assigned to the position and the posting provisions may be waived.

- 7. An employee may be assigned to a vacant position and paid at the rate of the job being performed. If the rate is lower than the rate of the job they were working when injured, they shall be paid at the higher rate and "red circled" until the rate of the rate of the job increases to their level of pay.
- 8. The employee may be assigned to replace another employee who is off work due to illness or vacation for a specified length of time. Such time may be extended upon mutual agreement between the union and the hospital.
