SERVICE EMPLOYEES INTERNATIONAL UNION
LOCAL 1.0N
C.L.C.
(hereinafter called the "Union")

ARTICLE 1 - PURPOSE

1.01 The purpose of this Agreement is to establish an orderly collective bargaining relationship between the Employer and certain classifications of employees represented by the Union. This relationship shall not interfere with the successful operation of Baycrest Centre for Geriatric Care as a public service institution intended to provide resident service and adequate hospital and clinical services.

ARTICLE 2 - SCOPE AND RECOGNITION

See the Local Provisions Appendix L2, Page 54.

ARTICLE 3 - MANAGEMENT RIGHTS

See the Local Provisions Appendix L3, Page 54.

ARTICLE 4 - DEFINITIONS

4.01 Temporary Employees

Employees may be hired for a specified term, not to exceed six (6) months, to replace an employee on leave or to perform a special non-recurring task. This term may be extended a further six (6) months on mutual agreement of the Union, employee and Centre or by the Centre on its own up to 12 months where the leave of the person being replaced extends that far. The period of employment of such persons will not exceed the absentee's leave. The release or discharge of such persons shall not be the subject of a grievance or arbitration.

This clause would not preclude such employees from using the job posting provision under the Collective Agreement and any successful applicant who has completed

his probation period will be credited with the appropriate seniority. The Centre will outline to employees selected to **fill** such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

4.02 **Vacancy**

A vacancy shall be defined as a permanent opening (scheduled part-time) in a job classification where the number of persons required by the Centre exceeds the number classified herein. A promotion is the reclassification to a higher classification.

ARTICLE 5 - UNION SECURITY

5.01 **Union Dues**

As a condition of employment, the Centre will deduct from each employee covered by this Agreement an amount equal to the regular monthly union dues designated by the Union.

Such dues shall be deducted from the first pay of each month for full-time employees, and may be deducted from every pay for part-time employees. In the case of newly hired employees, such deductions shall commence in the month following their date of hire.

The amount of the regular monthly dues shall be those authorized by the Union and the Union shall notify the Centre of any changes therein and such notification shall be the Centre's conclusive authority to make the deductions specified.

In consideration of the deducting of Union dues by the Centre, the Union agrees to indemnify and save harmless the Centre against any claims or liabilities arising or resulting from the operation of this Article.

Dues deducted by the 15th of the month shall be remitted monthly to the Union, no later than the end of the month in which the dues were deducted.

The Centre will provide each employee with a T-4 supplementary slip showing the dues deducted in the previous year for income tax purposes where such information is available or becomes readily available through the Centre's payroll system.

5.02 **Interview Period**

- (a) It is mutually agreed that upon commencement of employment all new employees will be advised of the existence of the Union and the conditions surrounding their employment. It is also mutually agreed that a Union Representative will be given the opportunity of interviewing each new employee once upon completion of three hundred and thirty-seven and

one-half (337 ½) hours employment for the purpose of further informing such employee of the existence of the Union in the Centre and ascertaining whether the employee wishes to become a member of the Union. The Centre shall advise the Union monthly as to the names of the persons to be interviewed and shall designate the time and place for such interview, the duration of which shall not exceed fifteen (15) minutes. The interview shall take place on the Centre's premises, in a room designated by the Centre, and the employees shall report to this room for interview, during the interview period.

- (b) The parties agree that Union officials will not interview people without first obtaining prior permission from the Director of Human Resources or her appointee.

5.03 Employee Lists

Dues deducted shall be remitted to the Secretary Treasurer of the local Union on or before the 25th day, if possible, but not later than the last day of the month in which they were deducted. In remitting such dues, the Centre shall provide a list of employees from whom deductions were made and their work site (if the bargaining unit covers more than one site) and the employee's social insurance number. The list shall also include deletions and additions from the preceding month highlighting new hires, resignations, terminations, new unpaid leave of absence of greater than one (1) month and returns from leaves of absence. If the Centre agrees to provide the union with the information in an electronic format (electronic mail) wherever possible. The parties will meet to discuss the format in which the information will be set out. The Centre also agrees to provide the Union with employee addresses on an annual basis. The Union agrees to keep the Centre harmless from any claims against it by an employee which arise out of any deduction or information provided under this Article

ARTICLE 6 - NO STRIKE/LOCKOUT

- 6.01 The Union agrees that it will not cause, direct, or consent to any strike or other collective action on the part of the employees represented by the Union which will stop, curtail or interfere with work being performed by them, and that if such action should be taken by the employees the Union will instruct the said employees to return to work and perform their usual duties and to resort to the Grievance Procedure established herein for the settlement of any complaint or grievance.

ARTICLE 7 - UNION REPRESENTATION AND COMMITTEES

7.01 Grievance Committee

- (a) The Centre will recognize a Grievance Committee composed of the Chief Steward and not more than 2 employees selected by the Union who have

completed their probationary period. A general representative of the Union may be present at any meeting of the Committee. The purpose of the Committee is to deal with complaints or grievances as set out in this Collective Agreement.

- (b) The Union shall keep the Centre notified in writing of the names of the members of the Grievance Committee appointed or selected under this Article as well as the effective date of their respective appointments.
- (c) A Committee member shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending grievance meetings with the Centre up to, but not including arbitration. The number of employees on the Grievance Committee shall be determined locally.

7.02 Union Stewards

- (a) The Centre agrees to recognize Union stewards to be elected or appointed from amongst employees in the bargaining unit who have completed their probationary period for the purpose of dealing with Union business as provided under this Collective Agreement.
- (b) A Chief Steward may be appointed or elected. The Chief Steward may, in the absence of any steward, assist in the presentation of any grievance, or with any steward function.
- (c) The Union shall keep the Centre notified in writing of the names of Union stewards appointed or selected under this Article as well as the effective date of their respective appointments.
- (d) It is agreed that Union stewards have their regular duties and responsibilities to perform for the Centre and shall not leave their regular duties without first obtaining permission from their immediate supervisor. If, in the performance of his duties, a Union steward is required to enter an area within the Centre in which he is not originally employed, he shall report his presence to the supervisor in the area immediately upon entering it. Such permission shall not be unreasonably withheld. When resuming his regular duties and responsibilities, such steward shall again report to his immediate supervisor. A Union steward shall suffer no loss of earnings for time spent in performing the above duties during his regular scheduled working hours.
- (e) Nothing in this Article shall preclude full-time stewards from representing part-time employees and vice versa.
- (f) The number of stewards and the areas which they represent, are to be determined locally.

7.03 Central Bargaining Committee

In future central bargaining between Service Employees International Union and the participating hospitals, an employee serving on the Union's Central Negotiating Committee shall be paid for time lost from his normal straight time working hours at his regular rate of pay and without loss of leave credits for attending central negotiating meetings with the Hospitals' Central Negotiating Committee in direct negotiations up to the point of arbitration. In addition, an employee serving on the Union's Central negotiating Committee shall be paid for time lost from his normal straight time working hours at his regular rate of pay and without loss of leave credits for two (2) days of preparation time for such central negotiating meetings with the Hospitals' Central Negotiating Committee. Upon reference to arbitration, the Negotiating Committee members shall receive unpaid time *off* for the purpose of attending arbitration hearings.

It is understood and agreed that the maximum number of Union Central Negotiating Committee members entitled to payment under this provision shall be eight, and in no case will more than one employee from a hospital be entitled to such payment.

The Union shall advise the Centre's Central Negotiating Committee, before negotiations commence, of those employees to be paid under this provision. The Centre's Central Negotiating Committee shall advise the eight hospitals accordingly.

It is understood that this clause does not apply to a hospital that is not participating in Central Bargaining.

7.04 Local Negotiating Committee

- (a) The Centre agrees to recognize a Negotiating Committee comprising of 2 members to be elected, or appointed from amongst employees in the bargaining unit, who have completed their probationary period.
- (b) Where the Centre participates in Central bargaining, the purpose of the Negotiating Committee shall be to negotiate local issues as defined.
- (c) Where the Centre does not participate in central bargaining, the purpose of the Negotiating Committee shall be to negotiate a renewal of this Collective Agreement.
- (d) The Centre agrees that the members of the Negotiating Committee shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending such negotiating meetings with the Centre up to, but not including, arbitration.
- (e) Nothing in this provision is intended to preclude the Union negotiating committee from having the assistance of any representatives of the Union when negotiating with the Centre.

- (9) The number of employees on the Negotiating Committee shall be determined locally.

7.05 Labour-Management Committee

Where the parties mutually agree that there are matters of mutual concern and interest that would be beneficial if discussed at a Labour-Management Committee Meeting during the term of this Agreement, the following shall apply.

An equal number of representatives of each party as mutually agreed shall meet at a time and place mutually satisfactory. A request for a meeting hereunder will be made in writing prior to the date proposed and accompanied by an agenda of matters proposed to be discussed, which shall not include matters that are properly the subject of grievance or negotiations for the amendment or renewal of this agreement.

Any representative(s) attending shall be deemed to be at work for which the representative(s) shall be paid by the Hospital at his or her regular or premium rate as may be applicable.

It is understood that joint meetings with other Labour-Management Committees in the Centre may be scheduled concerning issues of mutual interest if satisfactory to all concerned.

It is agreed that the topic of the utilization of full-time and part-time staff is an appropriate topic for the Labour-Management Committee. The Committee shall have access to work schedules and job postings upon request.

Where two or more agreements exist between a Centre and SEIU the Committee may be a joint one representing employees under both agreements, unless otherwise agreed.

ARTICLE 8 - GRIEVANCE AND ARBITRATION

- 8.01 For the purpose of this Agreement, a grievance or complaint is defined as a difference arising either between a member of the bargaining unit and the Centre or between the parties hereto relating to the interpretation, application, administration or alleged violation of the Agreement.
- 8.02 The grievance shall identify the nature of the grievance, the remedy sought, and should, where possible specify the provisions of the Agreement which are alleged to have been violated.
- 8.03 At the time formal discipline is imposed or at any stage of the grievance procedure, an employee shall have the right to the presence of his/her steward. In the case of suspension or discharge, the Centre shall notify the employee of his right in advance.

Where the Centre deems it necessary to suspend or discharge an employee, the Centre shall notify the Union of such suspension or discharge in writing, within three (3) days.

8.04 It is the mutual desire of the parties hereto that complaints shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until he has first given his immediate supervisor the opportunity of adjusting his complaint. The grievor may have the assistance of a union steward if he so desires.

Such complaints shall be discussed with his immediate supervisor within five (5) days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the employee.

Failing settlement within the five (5) days, it shall then be taken up as a grievance within five (5) days following his immediate supervisor's decision in the following manner and sequence:

Step 1

The employee shall submit the grievance, in writing, and signed by him, to his immediate supervisor. The employee may be accompanied by a Union steward. The supervisor will deliver his decision in writing within five (5) days following the day on which the written grievance was presented to him. The Union and the Centre may meet to discuss the grievance at a time and place suitable to both parties. Failing settlement, then:

Step 2

Within five (5) days following the decision in the immediately preceding step, the grievance shall be submitted in writing to the Director of Human Resources or their designate.

A meeting will then be held between the Director of Human Resources or their designate, and the designated union representatives who may be accompanied by the general representative of the Union, within five (5) days of the submission of the grievance at Step 2, unless extended by mutual agreement of the parties.

The decision of the Centre shall be delivered in writing within ten (10) days following the date of such meeting.

8.05 Policy Grievance

A complaint or grievance arising directly between the Centre and the Union concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step 2 within ten (10) days following the circumstances giving rise to the grievance.

It is expressly understood, however, that the provisions of this Article may not be used with respect to a grievance directly affecting an employee which he could have instituted himself and the regular grievance procedure shall not be thereby bypassed.

Where the grievance is a Centre grievance it shall be filed with the Grievance Committee.

8.06 Group Grievance

Where a number of employees have identical grievances, and each one would be entitled to grieve separately, they may present a group grievance, in writing identifying each employee who is grieving, to the Director of Human Resources or their designate, within ten (10) days after the circumstances giving rise to the grievance have occurred. The grievance shall then be treated as being initiated at Step 2 and the applicable provisions of this Article shall then apply with respect to the handling of such grievance.

8.07 Discharge Grievance

If an employee, who has completed his probationary period, claims that he has been unjustly discharged, such claim must be submitted by the employee, who may be accompanied by a Union steward, or by the Union steward at Step 2 of the grievance procedure to the Centre within five (5) days following the date the discharge is effective.

Such grievance may be settled under the Grievance and Arbitration procedure by:

- (a) confirming the Centre's action in discharging the employee, or
- (b) reinstating the employee with up to full seniority for time lost and up to full compensation for time lost,
- (c) any other arrangement which may be deemed just and equitable.

8.08 (a) Failing settlement under the foregoing procedure any grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within ten (10) days after the decision under Step 2 is given, the grievance shall be deemed to have been abandoned.

(b) The parties agree that it is their intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding (a) above, the parties may, upon mutual agreement, engage the services of a mediator/arbitrator in an effort to resolve the grievance and may extend the time limits for the request for arbitration. The parties will share equally the fees and expenses, if any, of the mediator/arbitrator.

- 8.09 All agreements reached, under the grievance procedure, between the representatives of the Centre and representatives of the Union will be final and binding upon the Centre, the Union and the employee(s).
- 8.10 (a) When either party requests that any matter be submitted to Arbitration as provided in this Article, it shall make such request in writing addressed to the other party to this Agreement, and at the same time appoint a nominee. Within five (5) days thereafter, the other party shall appoint its nominee, provided however, that if such party fails to appoint its nominee as herein required, the Minister of Labour for the Province of Ontario shall have the power to make such appointment upon application thereto by the party invoking the arbitration procedure. The two nominees shall attempt to agree upon a chairman of the Arbitration Board. If they are unsuccessful in agreeing upon such a chairman within a period of ten (10) days of the appointment of the second nominee, they shall then request the Minister of Labour for the Province of Ontario to appoint a chairman.
- (b) Notwithstanding (a) above, the parties may, upon mutual agreement, agree to a sole arbitrator who shall proceed by way of mediation-arbitration. The party making the request shall do so in writing and at the same time, it shall propose the name of a sole arbitrator. Within five (5) calendar days thereafter, the other party shall agree in writing or propose an alternate name(s). If there is no agreement within ten (10) calendar days, the Minister of Labour shall have the power to effect such appointment upon application thereto by the party invoking the arbitration procedure. Once appointed, the sole arbitrator shall have all powers as set out in Section 50 of the Labour Relations Act including the power to impose a settlement and to limit evidence and submissions.
- 8.11 No person may be appointed to the Arbitration Board who has been involved in an attempt to negotiate or settle the grievance.
- 8.12 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 8.13 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.
- 8.14 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and where there is no majority, the decision of the Chairman, will be final and binding upon the parties hereto and the employee or employees concerned.
- 8.15 Each of the parties hereto will bear the expense of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the Chairman of the Arbitration Board.

- 8.16 Saturdays, Sundays and Holidays are not to be counted in the time limits as set out in this Article.
- 8.17 Wherever Arbitration Board is referred to in the Agreement, the parties hereto may mutually agree in writing to substitute a single arbitrator for the Arbitration Board at the time of reference to arbitration and the other provisions referring to Arbitration Board shall appropriately apply.

ARTICLE 9 - SENIORITY

See the Local Provisions Appendix L9, page 55.

9.01 Probationary Period

A new employee will be considered on probation until he has completed 337.5 hours of work within any twelve calendar (12) months. Upon completion of the probationary period he shall be credited with seniority equal to 337.5 hours of work. With the written consent of the Centre, the probationary employee, and the President of the Local Union or designate, such probationary period may be extended. Any extension agreed to will be in writing and will specify the length of the extension. The release or discharge of an employee during the probationary period shall not be the subject of a grievance or arbitration.

9.02 Definition of Seniority

Part-time employees will accumulate seniority on the basis of one **(1)** year's seniority for each 1725 hours worked in the bargaining unit as of the last date of hire, except as otherwise provided herein.

Seniority will operate on a bargaining unit wide basis.

Notwithstanding the above, employees hired prior to October 10, 1986 will be credited with the seniority they held under the Agreement expiring November 15, 1985 and will thereafter accumulate seniority in accordance with this Article.

For purposes of accumulation of seniority, transfer of seniority and service, progression on the wage grid and progression on the vacation schedule all part-time employees' service and seniority shall be converted as at October 10, 1986 on the following basis:

$$\frac{\text{Employees' hours of service} \times 1725}{1950} = \text{Converted hours of service}$$

9.03 Transfer of Service and Seniority

Effective October 10, 1986, and for employees who transfer subsequent to October 10, 1986, an employee whose status is changed from full-time to part-time shall

receive credit for his/her full service and seniority. An employee whose status is changed from part-time to full-time shall receive credit for seniority and service on the basis of one (1) year equals 1725 hours worked, and will be enrolled in the employee benefit plans subject to meeting any waiting period or other requirements of those plans.

Employees hired prior to October 10, 1986 will be credited with the service and seniority they held under the Collective Agreement expiring November 15, 1985.

9.04 **Loss of Seniority**

An employee shall lose all seniority and shall be deemed terminated if:

- (a) employee quits;
- (b) employee **is** discharged and the discharge is not reversed through the grievance and arbitration procedure;
- (c) employee is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Centre of such absence and providing a reason satisfactory to the Centre;
- (d) employee fails to return to **work** upon the expiration of a leave of absence for or utilizes a leave of absence for a purpose other than that for which it was granted;
- (e) employee has been laid off for twenty-four (24) months;
- (f) employee fails, upon being notified of a recall, to signify his intention to return within five (5) working days after he has received the notice of recall, and fails to report to work within ten (10) working days after he has received the notice of recall;

Note: The clause shall be interpreted in a manner consistent with the provisions of the Ontario Human Rights Code.

9.05 **Effect of Absence**

Part-time employees shall accrue seniority for a period of thirty (30) months and service for a period of fifteen (15) weeks if absent due to a disability resulting in WSIB benefits, on the basis of what the employee's normal regular hours of work would have been.

9.06 The Union acknowledges that in the circumstances of promotions and transfers, the Centre's considered judgement as to the efficiency and suitability of an employee for any particular task must be accepted; and the function of the Union in dealing with complaints or grievances arising out of this clause will generally consist of ascertaining that all relevant facts and circumstances have been adequately

considered by the Centre. With this understanding seniority within classification will apply to promotions, demotions, transfers and to reduction of staff, provided that with respect to demotions and staff reductions the Centre shall also take into consideration the relative efficiency, merit and ability of the employees concerned in order that an efficient staff of employees may be maintained.

9.07 Any complaint or grievance having to do with the observance or non-observance of seniority rules may, however, be submitted to arbitration if the parties cannot mutually agree upon a settlement.

See the Local Provisions Appendix L9, Page 55

ARTICLE 10 - JOB SECURITY

10.01 (a) With respect to the development of any operating or re-structuring plan which may affect the bargaining unit, the Union shall be involved in the planning process as soon as practicable and, in any event, in advance of such plans or proposals being finalized and notices of layoff being issued or other actions taken that would adversely affect the bargaining unit and through to the final phases of the process.

(b) Staff Planning Committee

In addition to that, and to any other planning committee in the Centre of a more broadly representational make-up, there shall be immediately established a Staff Planning Committee for the bargaining unit, which shall meet during the term of this agreement every three (3) months, unless otherwise mutually agreed by the parties. It shall be the function of the Staff Planning Committee to consider possible ways and means of avoiding or minimizing potential adverse effects upon employees in the bargaining unit, including:

- (i) identifying and proposing possible alternatives to any action that the Centre may propose taking;
- (ii) identifying and seeking ways to address the retraining needs of employees;
- (iii) identifying vacant positions within the Centre for which surplus members of the bargaining unit might qualify, or such positions which are currently filled but which are expected to become vacant within a twelve (12) month period.

Composition and Meetings

The Committee shall be comprised of equal number of representatives of the Centre and from the Union. The number of representatives is to be

determined locally, and shall consist of at least two (2) representatives from each party.

Meetings of the Committee shall be held during normal working hours. Representatives attending such meetings shall be deemed to be work time for which the representative(s) shall be paid by the Centre at his or her regular or premium rate as may be applicable. The Centre shall make typing and other such clerical assistance available as required.

Each party shall appoint a co-chair for the Committee. Co-chairs shall chair alternate meetings of the committee and will be jointly responsible for establishing the agenda of the Committee meetings, preparing minutes and writing such correspondence as the Committee may direct.

Disclosure

To allow the Staff Planning Committee to carry out its mandated role under this Article, the Centre will provide the Committee with pertinent financial and staffing information and with a copy of any reorganization plans which impact on the bargaining unit.

Accountability

The Committee shall submit its written recommendations to the Chief Executive Officer of the Centre and the Board of Trustees. Where there is no consensus within the Committee, the individual members of the committee shall be entitled to submit their own recommendations. Any agreement between the Centre and the Union resulting from the above review concerning the method of implementation will take precedence over the other provisions of this agreement.

It is understood that all of the above shall be completed in a timely manner.

10.02 Notice of Lay-off

(a) Notice

In the event of a proposed layoff at the Centre of a permanent or long-term nature or the elimination of a position within the bargaining unit, the Centre shall:

- (i) provide the Union with no less than five (5) months' written notice of the proposed layoff or elimination of position; and
- (ii) provide to the affected employee(s), if any, who will be laid off with no less than five (5) months' written notice of layoff, or pay in lieu thereof.

Note: Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in (i) above shall be considered notice to the Union of any subsequent layoff.

- (b) A layoff shall not include a reassignment of an employee from her or his classification or area of assignment who would otherwise be entitled to notice of layoff provided:
- (i) the reassignment of the employee is to an appropriate permanent job with the employer having regard to the employee's skills, abilities, qualification and training or training requirements;
 - (ii) the reassignment of the employee does not result in a reduction of the employee's wage rate or hours of work;
 - (iii) the job to which the employee is reassigned is located at the employees original work site or at a nearby site in terms of relative accessibility for the employee;
 - (iv) the job to which the employee is reassigned is on the same or substantially similar shift or shift rotations; and
 - (v) where more than one employee is to be reassigned in accordance with this provision, the reassigned employees shall be entitled to select from the available appropriate vacancies to which they are being reassigned in order of seniority provided no such selection causes or would cause a layoff or bumping.

The Centre bears the onus of demonstrating that the foregoing conditions have been met in the event of a dispute. The Centre shall also reasonably accommodate any reassigned employee who may experience a personal hardship arising from being reassigned in accordance with this provision.

- (c) Any vacancy to which an employee is reassigned pursuant to paragraph (b) need not be posted.

10.03 Severance and Retirement Options

- (a) (i) Where an employee resigns within thirty (30) days after receiving notice of layoff pursuant to article 10.02 (a)(ii) that his or her position will be eliminated, he or she shall be entitled to a separation allowance of two (2) weeks' salary for each year of continuous service to a maximum of twelve (12) weeks' pay, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of three thousand (\$3,000) dollars.

- (ii) Where an employee resigns later than thirty (30) days after receiving notice pursuant to article 10.02(a)(ii) that his or her position will be eliminated, he or she shall be entitled to a separation allowance of four (4) weeks' salary, and, on production of receipts from an approved educational program, within twelve (12) months of resignation, may be reimbursed for tuition fees up to a maximum of one thousand two hundred and ~~fifty~~ (\$1,250) dollars.
- (b) Prior to issuing notice of layoff pursuant to article 10.02(a)(ii) in any classification(s), the Centre will offer early-retirement allowance to a sufficient number of employees eligible for early retirement under HOOPP within the classification(s) in order of seniority, to the extent that the maximum number of employees within a classification who elect early retirement is equivalent to the number of employees within the classification(s) who would otherwise receive notice of layoff under article 10.02(a)(ii).

Within thirty (30) days from the date of notice of layoff, an employee who has received notice of layoff of a permanent or long-term nature may retire provided that the employee is eligible to retire under the terms of the Hospitals of Ontario Pension Plan. An employee who chooses this option forfeits her right to notice and will receive severance pay on the basis of two (2) weeks' pay for each year of service with the Centre to a maximum of twenty-six (26) weeks on the basis of the employees normal weekly earnings. In addition, full-time employees will receive a lump sum payment equal to \$1,000.00 for every year less than age 65, to a maximum of \$5,000.00.

Note: The Centre may offer any employee a retirement option as provided above, in order to avoid potential layoffs in the unit.

- (c) A full-time employee who has completed one year of service and
 - (i) whose lay-off is permanent, or
 - (ii) who is laid off for twenty-six (26) weeks in any fifty-two (52) week period, and who has not elected to receive a severance payment under either (a) or (b) of this Article,

shall be entitled to severance pay equal to the greater of two (2) weeks' pay, or one (1) week's pay per year of service to a maximum of twenty-six (26) weeks' pay. This entitlement shall not be in addition to any entitlement to severance pay under the Employment Standards Act, but at the same time, shall not preclude an employee from claiming any greater entitlement which that Act may at some point come to provide.

An employee may elect to defer receipt of this severance payment while his or her recall rights are still in effect. Once an employee does opt to receive the severance payment, he or she shall be deemed to have resigned, and

his or her recall rights shall be extinguished.

10.04 Regional Staff Planning Committees

The central parties agree to establish Regional Staff Planning Committees to facilitate the redeployment of laid off employees among the Participating Hospitals.

To achieve this objective the Hospital Staff Planning Committee will forward to the Regional Staff Planning Committee a list of the names and addresses of laid off employees who have expressed an interest in working at other Participating Hospitals and who have undertaken skills assessment procedures provided by any government training agency, such as HTAP, that may be in place.

In filling vacancies not filled by bargaining unit members the Hospitals are encouraged to give first consideration to laid off employees who are on the list and who are qualified to perform the work. For benefit-entitlement purposes, it is recognized that hospitals shall be free to grant to any employees hired through this process full credit for service earned with another hospital.

The size, structure composition, and activities of each Committee will be mutually determined by the parties and application will be made to any available funding source for the funding of administrative expenses.

10.05 Layoff and Recall

- (a) In the event of lay-off, the Centre shall lay off employees in the reverse order of their seniority within their classification, providing that there remain on the job employees who then have the ability to perform the work.
- (b) An employee who is subject to lay-off shall have the right to either:
 - (i) accept the lay-off; or
 - (ii) displace an employee who has lesser bargaining-unit seniority and who is the least senior employee in a lower or identical paying classification in the bargaining unit if the employee originally subject to lay-off can perform the duties of the lower or identical classification without training other than orientation. Such employee so displaced shall be laid off.

Note: An identical paying classification shall include any classification where the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is within 1% of the laid off employee's straight time hourly wage rate.

In the event that there are no employees with lesser seniority in lower or identical paying classifications as defined in this Article, a laid off employee will have the right to displace an employee with

lesser seniority, who is the least senior employee in a classification where the straight time hourly rate at the level of service corresponding to that of the laid off employee is within 15% of the laid off employee' straight time hourly rate provided he can perform the duties without training other than orientation. Such employee so displaced shall be laid off.

- (iii) The decision of the employee to choose (a) or (b) above shall be given in writing to the designated hospital representative within ten (10) working days (excluding Saturday, Sunday and Holidays) following the notification of lay-off. Employees failing to do so will be deemed to have accepted lay-off.
- (c) The Hospital agrees to post vacancies during the recall period, as per the job posting procedure, allowing employees on recall to participate in the posting procedure. Should the position not be filled via the job posting procedure an employee shall have opportunity of recall from a lay-off to an available opening, in order of seniority, provided he has the ability to perform the work.
- (d) In determining the ability of an employee to perform the work for the purposes of the paragraphs above, the Hospital shall not act in an arbitrary or unfair manner.
- (e) An employee recalled to work in a different classification from which he was laid off shall have the privilege of returning to the position he held prior to the lay-off should it become vacant within six (6) months of being recalled.
- (f) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.
- (g) It is the sole responsibility of the employee who has been laid off to notify the Centre of his intention to return to work within five (5) working days (exclusive of Saturdays, Sundays and paid holidays) after being notified to do so by registered mail, addressed to the last address on record with the Centre (which notification shall be deemed to have been received on the second day following the date of mailing) and to return to work within ten (10) working days after being notified. The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his proper address being on record with the Centre.
- (h) Employees on lay-off or notice of lay-off shall be given preference for temporary vacancies which are expected to exceed ten (10) working days. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off.

- (i) No full-time employee within the bargaining unit shall be laid off by reason of his/her duties being assigned to one or more part-time employees.
- (j) In the event that a lay-off commenced on the day immediately following a paid holiday, an employee otherwise qualified for holiday pay shall not be disentitled thereto solely because of the day on which the lay-off commenced.
- (k) A laid off employee shall retain the rights of recall for a period of twenty-four (24) months from the date of lay-off.

10.06 Benefits on Lay-Off

In the event of a lay-off of a full-time employee the Centre shall pay its share of insured benefits premium up to three (3) months from the end of the month in which the lay-off occurs or until the laid off employee is employed elsewhere, whichever occurs first.

ARTICLE 11 -JOB POSTING

11.01 Where a permanent vacancy occurs in a classification within the bargaining unit or a new position within the bargaining unit is established by the Centre, such vacancy shall be posted by the Centre for a period of seven (7) days, excluding Saturday, Sunday and holidays. Vacancies created by the filling of an initial permanent vacancy within the bargaining unit shall be posted for a period of five (5) consecutive days excluding Saturday, Sunday and holidays. All applications are to be made in writing within the posting period.

The Hospital agrees that it shall post permanent vacant positions within thirty (30) calendar days of the position becoming vacant, unless the Hospital provides the union notice under Article 10.02 (a) of its intention to eliminate the position.

11.02 The postings referred to in Article .01 shall stipulate the qualifications, classification, rate of pay, worksites, department and shift and a copy shall be provided to the Chief Steward.

1 11.03 Employees shall be selected for positions under Article .01 on the basis of their ability, experience and qualifications. Where these factors are relatively equal amongst the employees considered, seniority shall govern providing the successful applicant, if any, is qualified to perform the available work. The name of the successful applicant will be posted on the bulletin board for a period of seven (7) calendar days and unsuccessful applicants will be notified.

11.04 Where there are no successful applicants from within this bargaining unit for positions referred to in Article .01 employees in other SEIU service bargaining units at the Centre will be considered for such positions prior to considering persons not employed by the Centre. The employees eligible for consideration shall be limited

to those employees who have applied for the position in accordance with Article .01, and selection shall be made in accordance with Article .03 above.

- 11.05 Vacancies which are not expected to exceed six (6) months will not be posted and may be filled at the discretion of the Centre. In filling such vacancies, consideration shall be given to part-time employees in SEIU service bargaining units who have recorded their interest in writing prior to considering persons not employed by the Centre. In considering such part-time employees, the criteria for selection in .03 shall apply. Part-time employees selected to fill a vacancy under this Article will continue to maintain their part-time status and upon completion of the assignment the employee will return to his former position.
- 11.06 The Centre shall have the right to fill any vacancy on an interim basis until the posting procedure herein has been complied with, and arrangements have been made to assign the employee selected to fill the vacancy to the job. No grievance may be filed concerning such temporary arrangements.
- 11.07 The successful applicant will be placed in the vacancy for a trial period not exceeding forty-five (45) working days and if the employee proves satisfactory, then he shall be considered permanently assigned to the vacancy. If the employee proves unsatisfactory during that time, or if the employee feels he *is* unable to perform the duties of the vacancy to which he is posted, the employee will be returned to his former position at his former salary or rate of pay, as will any other employee in the Bargaining Unit who was promoted or transferred by reason of such placing. Newly hired employees shall be terminated and such termination shall not be subject to the grievance and arbitration procedure.
- 11.08 Successful applicants and newly hired employees will not be permitted to apply for job postings or any subsequent vacancies for a period of six (6) months, unless otherwise mutually agreed.

ARTICLE 12 - NO CONTRACTING OUT

- 12.01 The Centre shall not contract out any work usually performed by members of the bargaining unit if, as a result of such contracting out, a layoff of any employees other than casual part-time employees results from such contracting out.
- 12.02 Notwithstanding the foregoing, the Centre may contract out work usually performed by members of the bargaining unit without such contracting-out constituting a breach of this provision if the Centre provides in its commercial arrangement contracting out the work that the contractor to whom the work is contracted, and any subsequent such contractor agrees:
- (1) to employ the employees thus displaced from the Centre; and
 - (2) in doing so to stand, with respect to that work, in the place of the Centre for the purposes of the Centre's collective agreement with the Union, and to

execute an agreement with the Union to that effect.

In order to ensure compliance with this provision, the Centre agrees that it will withdraw the work from any contractor who has failed to meet the aforesaid terms of the contracting-out arrangement.

12.03 On request by the Union the Centre will undertake to review contracted services which fall within the work of the bargaining unit. The purpose of the review will be to determine the practicality of increasing the degree to which bargaining unit employees may be utilized to deliver such services in the future. The Centre further agrees that the results of their review **will** be submitted to the Staff Planning Committee for its consideration.

ARTICLE 13 -WORK OF THE BARGAINING UNIT

13.01 Work of the Bargaining Unit

Employees not covered by the terms of this Agreement will not perform duties normally assigned to those employees who are covered by this Agreement, except for the purposes of instruction, experimentation, or in emergencies when regular employees are not readily available.

Note: The purpose of this clause is the protection of the work of the bargaining unit employees and not the broadening of that work to other areas.

13.02 Employment Agencies

Prior to enlisting the services of an employment agency, the Centre will attempt to contact part-time staff who would normally perform the duties in question.

13.03 Volunteers

- (a) The use of volunteers to perform bargaining unit work shall not be expanded beyond the extent of existing Practice as of June 1, 1986.
- (b) Where the Centre plans a drive to increase the number of volunteers, the Union must be given at least thirty (30) days' notice of these plans and a special meeting of the local joint job security committee must be convened at least three (3) weeks prior to the initiation of such a drive.

13.04 Ratio of R.N.'s to R.P.N.'s

At the time of considering whether or not to alter the ratio of R.N.'s to R.P.N.'s in any department, the Centre agrees to consult with the Union in advance of any decision being made and, again in advance of any decision being made, the senior administrator of the Centre agrees to meet with and to entertain submissions from the Union with respect to the merits of maintaining the existing ratio.

In addition to the above process and apart from it where a change in the ratio is planned by the Centre and it does not arise because of employee retirement, resignation or death then it can only be carried out following a full and complete disclosure to the Union of the plan and the Centre and the reasons for it. After full and complete disclosure to the Union, the Centre and Union are to meet and discuss the plan and the reasons with a view to possibly modifying them including maintaining the existing ratio. The planned change in the ratio cannot be implemented by the Centre for a period of forty-five **(45)** days from the date of full and complete disclosure to the Union; and only implemented if there has been the consultative process required by this clause carried out in good faith by the Centre.

13.05 RPN Utilization

At the request of the Union, the Centre and the Union shall meet to discuss the issues of RPN scope of practice and skill utilization.

ARTICLE 14 - TECHNOLOGICAL CHANGE

- 14.01 Technological Change means the automation of equipment, or the mechanization or automation of operations, or the replacement of existing equipment or machinery with new equipment or machinery which results in the displacement of an employee from his/her regular job.
- 14.02 Where the Centre has decided to introduce a technological change which will significantly alter the status of an employee within the bargaining unit, the Centre undertakes to meet with the Union to consider the minimizing of adverse effects (if any) upon the employees concerned.
- 14.03 Where new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a period of training, with due consideration being given to the employee's age and previous educational background, during which they may perfect or acquire the skills necessitated by the new method of operation. The employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work whenever possible and may extend for up to six (6) months.
- 14.04 Employees with one **(1)** or more years of continuous service who are subject to layoff under conditions referred to above, will be given notice of impending change in employee status at the earliest reasonable time in keeping with the notice to the Union as set out above **and the** requirements of the applicable legislations.
- 14.05 Employees who are pregnant shall not be required to operate VDTs. At their request, the Employer shall temporarily relocate such employees to other appropriate work without loss of employment benefits, but at the wage rate of the job in which the employee is relocated. The determination of the appropriate alternative work shall be at the discretion of the Employer and such discretion shall

not be exercised in an arbitrary or discriminatory manner. If such work is not available or if the employee does not wish to accept the alternative work, the employee may be placed on unpaid leave of absence.

14.06 Each employee required to use a VDT more than four **(4)** hours per day, shall be given eye examinations at the beginning of employment or assignment to VDTs and every twelve (12) months thereafter. The eye examinations shall be paid for by the Centre where not covered by OHIP.

ARTICLE 15 - LEAVES OF ABSENCE

15.01 Bereavement Leave

An employee who notifies the Centre as soon as possible following a bereavement will be granted up to three (3) consecutive working days off, without loss of regular pay for regularly scheduled hours, in conjunction with the death of a member of his immediate family. "Immediate family" means parent, brother, sister, spouse, son, daughter, son-in-law, daughter-in-law, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparent, grandchild, guardian or step-parent. An employee shall be granted one (1) day bereavement leave without loss of regular pay from regularly scheduled hours for the death of his or her aunt or uncle. The Centre, in its discretion, may extend such leave with or without pay. Where an employee does not qualify under the above-noted conditions, the Centre may, nevertheless, grant a paid bereavement leave. For the purpose of bereavement leave, the relationships specified in the preceding clause are deemed to include a common-law spouse and a partner of the same sex.

15.02 Education Leave

- (a) If required by the Employer, an employee shall be entitled to leave of absence with pay and without loss of seniority and benefits to write examinations to upgrade his or her employment qualifications.
- (b) A leave of absence, without pay, to take further education related to the employee's work with the Centre may be granted upon written application by the employee to the administration of the Centre. It is further understood and agreed that the Employer will, whenever its operational requirements permit, endeavour to arrange the shifts of employees attending courses or seminars to permit such attendance.
- (c) Where employees are required by the Centre to take courses to upgrade or acquire new employment qualifications, the Employer shall pay the full costs associated with the courses.

15.03 Jury and Witness Duty

If a scheduled employee is required to serve as a juror in any court of law, or is

required to attend as a witness in a court proceeding in which the Crown is a party, or is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from the employee's duties at the Centre, the employee shall not lose regular pay because of such attendance provided that the employee:

- (a) notifies the Centre immediately on the employee's notification that he will be required to attend at court;
- (b) presents proof of service requiring the employee's attendance;
- (c) deposits with the Centre the full amount of compensation received excluding mileage, travelling and meal allowances and an official receipt thereof.

In addition to the foregoing, where a scheduled employee is required by subpoena to attend a court of law or coroner's inquest in connection with a case arising from the employee's duties at the Centre on his regularly scheduled day off, the Centre will attempt to reschedule the employee's regular day off, it being understood that any rescheduling shall not result in the payment of any premium pay. Where the Centre is unable to reschedule the employee and, as a result, he is required to attend on a regular day off, he shall be paid for all hours actually spent at such hearing at the rate of time and one-half (1 ½) his regular straight time hourly rate subject to (a) (b) and (c) above.

15.04 Pregnancy Leave

- (a) Pregnancy leave will be granted in accordance with the provisions of the Employment Standards Act, except where amended in this provision. The service requirement for eligibility for pregnancy leave shall be thirteen (13) weeks of continuous service.
- (b) The employee shall give written notification at least two (2) weeks in advance of the date of commencement of such leave and the expected date of return. At such time she shall also furnish the Centre with the certificate of a legally qualified medical practitioner stating the expected birth date.
- (c) The employee shall reconfirm her intention to return to work on the date originally approved in subsection (b) above by written notification received by the Centre at least two (2) weeks in advance thereof.
- (d) An employee who is on pregnancy leave as provided under this Agreement who has applied for and is in receipt of Employment Insurance pregnancy benefits pursuant to Section 22 of the Employment Insurance Act, shall be paid a supplemental benefit. That benefit will be equivalent to the difference between ninety-three percent (93%) of her regular weekly earnings and the sum of her weekly employment Insurance benefits and any other earnings. Such payment shall commence following completion of the two-week

Employment Insurance waiting period, and receipt by the Centre of the employee's Employment Insurance cheque stub as proof that she is in receipt of Employment Insurance pregnancy benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of fifteen (15) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours plus any wage increase or salary increment that she would be entitled to if she were not on pregnancy leave.

The Centre will pay the employee ninety-three percent (93%) of her normal weekly earnings during the first two (2) week period of the leave while waiting to receive Employment Insurance Benefits.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payment in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

- (e) Credits for service and seniority shall accumulate for a period of up to seventeen (17) weeks while an employee is on pregnancy leave on the basis of what the employee's normal regular hours of work would have been.
- (9) The Centre will continue to pay its share of the contributions of the pension plan in which the employee *is* participating, for a period of **up** to seventeen (17) weeks while the employee is on pregnancy leave.

The Centre will also continue to pay the percentage in lieu of benefits and will register these benefits as part of the Supplemental Unemployment Insurance Benefit Plan with the Canada Employment Insurance Commission.

- (g) Subject to any changes to the employee's status which would have occurred had she not been on pregnancy leave, the employee shall be reinstated to her former duties, **on** the same shift in the same department, and at the same rate of pay.

15.05 Parental Leave

- (a) Parental leave will be granted in accordance with the provisions of the Employment Standards Act, except where amended in this provision. The service requirements for eligibility for parental leave shall be thirteen (13) weeks of continuous service.
- (b) An employee, who qualifies for parental leave, other than an adoptive parent, shall give written notification at least two (2) weeks in advance of the date of commencement of such leave and the expected date of return.

- (c) An employee who is an adoptive parent shall advise the Centre as far in advance as possible of having qualified to adopt a child, and shall request the leave of absence, in writing, upon receipt of confirmation of the pending adoption. If, because of late receipt of confirmation of pending adoption, the employee finds it impossible to request the leave of absence in writing, the request may be made verbally, and subsequently verified in writing.
- (d) An employee shall reconfirm **his** or her intention to return to work on the date originally approved in subsection (b) above by written notification received by the Centre at least two (2) weeks in advance thereof.
- (e) An employee who is on parental leave as provided under this Agreement who has applied for and is in receipt of Employment Insurance parental benefits pursuant to Section 23 of the Employment Insurance Act, shall be paid a supplemental unemployment benefit. That benefit will be equivalent to the difference between ninety-three percent (93%) of her regular weekly earnings and the sum of her weekly Employment Insurance benefits and any other earnings. Such payment shall commence following completion of the two-week Employment Insurance waiting period, and receipt by the Centre of the employee's Employment Insurance cheque stub as proof that she is in receipt of Employment Insurance parental benefits, and shall continue while the employee is in receipt of such benefits for a maximum period of ten (10) weeks. The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate on her last day worked prior to the commencement of the leave times her normal weekly hours plus any wage increase of salary increment that she would be entitled to if she were not on parental leave.

The Centre will pay the employee ninety-three percent (93%) of her normal weekly earnings during the first two (2) week period of the leave while waiting to receive Employment Insurance Benefits.

The employee does not have any vested right except to receive payments for the covered unemployment period. The plan provides that payment in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under the plan.

- (9) Credits for service and seniority shall accumulate for a period of up to thirty-five (35) weeks after the parental leave began, if the employee also took pregnancy leave, and thirty-seven (37) weeks after the parental leave began otherwise, while an employee is on parental leave on the basis of what the employee's normal regular hours of work would have been.
- (g) The Centre will continue to pay its share of the contributions of the pension plan in which the employee is participating for a period of up to eighteen (18) weeks while the employee is on parental leave.

The Centre will also continue to pay the percentage in lieu of benefits for a period of up to ten (10) weeks. The Centre will register these benefits as part of the Supplemental Unemployment Insurance Benefit Plan with the Canada Employment Insurance Commission.

- (h) Subject to any changes to the employee's status which would have occurred had he/she not been on parental leave, the employee shall be reinstated to his or her former duties, on the same shift in the same department, and at the same rate of pay.

15.06 Full-Time Union Office

Upon application by the Union, in writing, the Centre will give reasonable consideration to a request for leave of absence, without pay to an employee elected or appointed to full-time Union office. It is understood that no more than one (1) employee in the bargaining unit may be on such leave at the same time. Such leave, if granted, shall be for a period of one (1) calendar year (in the case of the Union President, two (2) calendar years) from the date of appointment unless extended for a further specific period by agreement of the parties. Seniority and service shall accumulate during such leave to the maximum provided, if any, under the provisions of the Collective agreement. It will become the responsibility of the employee for full payment of any applicable benefits in which the employee is participating during such leave of absence.

15.07 Union Leave

- (a) The Centre shall grant leave of absence without pay to employees to attend Union conventions, seminars, education classes or other Union business provided that such leave will not interfere with the efficient operation of the Centre.
- (b) In requesting such leave of absence for an employee or employees, the Union must give at least fourteen (14) days clear notice in writing to the Centre.
- (c) The cumulative total leave of absence, the number of employees that may be absent at any time from any one area, and the number of days of absence shall be as provided elsewhere in the current local sections of the Agreement (unless altered by local negotiations).
- (d) The amount of leave granted will not exceed two weeks in any contract year. In addition to the leave of absence set out above, members of the Union Executive Board and/or Council employed by the Centre will be entitled to an additional cumulative leave of absence, without pay not to exceed ten days per contract year, subject to the conditions set forth above, for the purpose of attending Executive and/or Council meetings.

- (e) The Centre agrees when granting such leave to continue the payment of salaries to the persons for whom leave of absence has been granted. The Centre will bill the Union, and the Union will pay the Centre for the amount of salary that the employee would otherwise have lost during the period of leave of absence for Union business.
- (9) The Centre may request the payment in advance of the leave of absence being granted.

15.08 Pre-Paid Leave Plan

The Centre agrees to introduce a pre-paid leave program, funded solely by the employee subject to the following terms and conditions:

- (a) The plan is available to employees wishing to spread four (4) years' salary over a five (5) year period, in accordance with Part LXVIII of the Income Tax Act Regulations, Section 6801, to enable them to take a one (1) year leave of absence following the four (4) years of salary deferral.
- (b) The employee must make written application to the Centre at least six (6) months prior to the intended commencement date of the program (i.e. the salary deferral portion), stating the intended purpose of the leave.
- (c) The number of employees that may be absent at any one time shall be determined between the local parties. The year for purposes of the program shall be September 1 of one year to August 31 the following year or such other twelve (12) month period as may be agreed upon by the employee, the local Union and the Centre.
- (d) Where there are more applications than spaces allotted, seniority shall govern.
- (e) During the four (4) year of salary deferral, 20% of the employee's gross annual earnings will be deducted and held for the employee and will not be accessible to the employee until the year of the leave or upon withdrawal from the plan.
- (9) The manner in which the deferred salary is held shall be at the discretion of the Centre.
- (g) All deferred salary, plus accrued interest, if any, shall be paid to the employee at the commencement of the leave or in accordance with such other payment schedule as may be agreed upon between the Centre and the employee.
- (h) All during the four (4) year of salary deferral benefits shall be kept whole. During the year of the leave, seniority shall accumulate. Service for the purpose of vacation and salary progression and other benefits will be

retained but will not accumulate during the period of the leave. The employee shall become responsible for the full payment of premiums for any health and welfare benefits in which the employee is participating. Contributions to the Centres of Ontario Pension Plan will be in accordance with the Plan. The employee will not be eligible to participate in the disability income plan during the year of the leave.

Re: Implementation of Safety Engineered Needles within the Centre

The Centre is committed to converting to using only Safety Engineered Needles and other medical sharps devices in order to minimize real or potential exposure to blood borne pathogens. The conversion will commence during the term of this agreement.

The parties recognize that there will be a phase in period for Centre wide conversion as a result of depletion of current stock of non-safety engineered needles within the Centre and contract terms with current vendors. Any new needle or medical sharps device introduced to the Centre will be tested and reviewed by the Product Standardization Committee to ensure compliance within the terms of reference. It is agreed between the parties that if there is not a clinically suitable or comparable Safety Engineered Needle replacement, the Centre will not be required to replace the non-safety engineered needle.

The parties agree that any issues regarding the above will be discussed at the Joint Occupational Health & Safety Committee during the term of this Agreement. The SEIU representative on that committee is expected to provide an update at the Labour Management Committee.
