FROM: United Association Local Union **694**
TO: Mechanical Contractors Association of NB Inc.
RE: Enabling of Appendix A, Article B

During the most recent negotiations for the renewal of the Collective Agreement covering Commercial work in the Local **694** jurisdiction we discussed ways to increase market share in the area of multiple unit residential complexes. The definition will not be extended to cover institutional dwellings such as nursing homes and senior citizens complexes.

Contractors wishing to use this expanded definition when tendering a project are required to notify the Business Manager at least **48** hours in advance of the tender closing.
