The Employer agrees prior to the introduction of any new policy or procedure related to terms and conditions of employment the Union will be advised by providing a copy of such policy to a Union Steward or through the Labour Management Committee.
 - (e) The Employer will maintain the present number of full-time jobs. If any vacancy occurs from this date, on a full-time position, the Employer will replace with a full-time employee.

5.02 (a) All Employees who are in the employ of the Employer at the signing date of this Agreement and all new Employees who enter the employ of the Employer after the Agreement has been signed, shall as a condition of employment, be subject to a one-time union dues administrative assessment for newly hired employees and regular monthly dues to be deducted from their wages and remitted to the Union. The Employer shall advise the Union monthly as to the names of the persons listed for interview and the time and place on the premises of the Employer designated for each such interview, the duration of which shall not exceed fifteen (15) minutes.

ARTICLE 6 - NO STRIKES OR LOCK-OUTS

- 6.01 In view of the orderly procedure established by this Agreement for the settling of disputes and the handling of grievances, the Union agrees that during the lifetime of this Agreement there will be no strikes, picketing, slowdown or stoppage of work, either complete or partial and the Employer agrees that there will be no lock-out.

ARTICLE 7 - UNION COMMITTEE & STEWARDS

- 7.01 (a) The Employer recognizes that the Union has the right to appoint or to otherwise select a negotiating committee consisting of three (3) Union Representatives from the full-time and two (2) representatives from the

(b) An employee who is a member of the negotiating committee shall be paid his regular rate for all regularly scheduled hours lost due to attending the negotiations meetings with the Management, up to the time application is made for Conciliation Services, and the services of the Conciliation Officer are used.

7.02 (a) The Employer recognizes the right of the Union to appoint or otherwise select from among full-time employees who have completed their probationary period and who are covered by this Agreement, four (4) Stewards, one (1) of whom shall be the Chief Steward, whose responsibility it shall be to assist employees in preparing and presenting grievances in accordance with the Grievance Procedure.

(b) The Union agrees to notify the Employer of the names of the Stewards and members of the negotiating committee immediately when such an appointment or replacement is made.

7.03 The Union acknowledges that the members of the Union Administrative Committee must continue to perform their regular duties, and that so far as possible all activities of the committee will be carried on outside the regular working hours of the members thereof, unless otherwise mutually arranged.

The Employer shall pay representatives and Committee members their respective wages for all time lost from regularly scheduled hours investigating and/or processing grievances, up to but not including the arbitration stage, negotiation of the Collective Agreement and renewals thereof, up to and including conciliation, and while attending meetings with the Employer. Employees on the evening and night shift shall receive paid time off for the actual day of the negotiating meeting.

With prior agreement of the Administrator or designate, the Union Representative who has been assigned in writing by SEIU Local 1 Canada to the bargaining unit may have access to their members for servicing duties. Such agreement shall not be unreasonably withheld. Notwithstanding the above, it is understood and agreed that the activities of the Union Representative shall not disrupt the normal operations of the Home. The Employer may designate an area of the building where such access will take place.

7.04 Labour Management Committee

Where there are matters of mutual concern and interest that would be beneficial if discussed at a Labour-Management Committee meeting during the term of this Agreement, the following will apply.

An equal number of representatives of each party as mutually agreed shall meet

at a time and place mutually satisfactory. A request for such meeting will be made in writing at least one (1) week prior to the date proposed and accompanied by an agenda of matters proposed to be discussed, which shall not include matters that are properly the subject of a grievance or matters that are properly the subject of negotiations for the amendment or renewal of this Agreement. Suitable subjects for discussion will include orientation, aggressive residents, workload issues **and Professional Practice issues**.

A representative attending such a meeting shall be paid for wages lost from regularly scheduled hours. A Union staff member may attend as a representative of the Union. Meeting will be held quarterly unless otherwise agreed.

It is understood that where full and part time agreements are separate, there shall be one (1) committee only.

7.05 CMI/RAI MDS 2.0 Language

Recognizing the mutual objective of quality care, the Employer agrees to meet through the Labour Management Committee with the Union as soon as practicable after the receipt of the annual CMI/RAI MDS 2.0 (as amended) results. The Employer agrees to provide the Union Representatives with staffing levels, and staffing mix information; the impact of related payroll costs on staffing levels and a written notice of the CMI/RAI MDS 2.0 (as amended) results for the facility.

The purpose of this meeting is to discuss the impact of the CMI/RAI MDS 2.0 (as amended) changes on the staffing levels in the facility, and quality care, and provide the Union with an opportunity to make representation in that regard.

The parties shall meet as necessary to discuss other changes or workload issues.

- (c) Prior to any disabled employee returning to work from a disability including WSIB to any modified/light/alternate work program, the Employer will notify and meet with a member of the Union Committee to consult on the back to work program. Nothing in this language obligates the Employer to establish a modified/light/alternate work program, except as required by law.
- (d) The parties agree that the requirement to consult in the Return to Work language does not in any way mean that the Union's consent is required for the back to work program for the work force.

ARTICLE 8 – GRIEVANCE PROCEDURE

8.01 Complaints and Grievances

- (a) A grievance under this Agreement shall be defined as any difference or dispute between the Employer and any employee relating to the interpretation, application or administration of this Agreement, including any questions as to whether the matter is arbitrable and an allegation that this Agreement has been violated.
- (b) All complaints and grievances shall be taken up in the following manner.

Step Number 1

An employee having a question or complaint shall refer it to his immediate supervisor within eight (8) working days of the actual occurrence leading to the question or complaint. The supervisor shall reply to the employee, giving the answer to the complaint or question within four (4) working days from date of submission.

Step Number 2

If further action is then to be taken, then within five (5) working days after the decision is given in Step Number 1, the employee, who may request the assistance of his or her steward, shall submit the grievance in writing to the Administrator. A meeting will then be held between the Administrator or his designated representative and the employee. It is understood that at such a meeting the Administrator or his designated representative may have such counsel and assistance as he may desire, and that the employee may have his steward and that the SEIU Union Representative or an International Representative of the Union may also be present at the request of either the employee or the Employer. The decision of the Administrator or his designated

representative shall be given in writing within five (5) working days following the meeting.

Step Number 3

Should the Administrator fail to render his decision as required in Step Number 2, or failing settlement of any grievance under the foregoing procedure arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, the grievance may be referred to Arbitration by either the Employer or the Union. If no written request for Arbitration is received within five (5) working days after the decision under Step Number 2 is given, or within ten (10) working days following the meeting under Step Number 2 of the grievance procedure, the grievance shall be deemed to have been abandoned and the same grievance shall not be the subject matter of a further grievance.

- 8.02 Any of the time allowances above may be extended by mutual agreement of the parties.
- 8.03 In determining the time within which any action is to be taken or completed under the terms of this Agreement, such time limits shall be exclusive of Saturdays, Sundays and paid holidays.
- 8.04 An employee subject to disciplinary action which is to be recorded in the employee's personnel file, shall have the right to the presence of a Union Steward. The Union Stewards undertake to be reasonably available in person or by telephone for such meeting. In extraordinary circumstances when a Union Steward is entirely unavailable the employee shall have the right to the presence of a Union committee member or a member representative of the employee's choice who is working on the current shift.
- 8.05 Discharge Grievance
- (a) In the event of an employee who has completed his probationary period being discharged from employment, and the employee feeling that an injustice has been done, the case may be taken up .as a grievance.
- (b) All such cases shall be taken up within eight (8) working days and disposed of within eleven (11) working days (or such longer period as maybe mutually agreed upon) of the date of the employee is notified of his discharge, except where a case is taken to Arbitration. Such a claim by an employee who has completed his probationary period shall be treated as a grievance if a written statement of such grievance is lodged with the Administrator within eight (8) working days after the employee is notified of his discharge or within eight (8) working days after the employee ceases to work for the Employer, whichever is the earlier. All steps of the grievance procedure to Step Number 2 may be omitted in such cases.

- (c) Such special grievances may be settled by confirming the Employer's action in dismissing the employee, or by reinstating the employee with full compensation for time lost, or by any other arrangement which is just and equitable in the opinion of the conferring parties or by the Board of Arbitration, as the case may be.

8.06 Employer's Grievances

The Employer may institute a grievance consisting of an allegation of a general misinterpretation or violation of this Agreement (by the Union or any employee covered by this Agreement), by forwarding a written statement of said grievance to the SEIU Union Representative, providing it is presented within ten (10) working days after the circumstances giving rise to the grievance have originated or occurred; the SEIU Union Representative shall give his decision in writing within five (5) working days after receiving the written grievance. Failing settlement the parties will meet within ten (10) working days in an attempt to resolve the issue. Failing settlement, the grievance may be referred to Arbitration by the Employer in accordance with Article 8.10.

8.07 Union Policy Grievance

The Union may institute a grievance consisting of an allegation of a general misinterpretation or a violation by the Employer of this Agreement in writing at Step Number 2 of the grievance procedure, providing that it is presented within ten (10) working days after the circumstances giving rise to the grievance have originated or occurred.

However, it is expressly understood that the provisions of this clause may not be used to institute a grievance directly affecting an employee or employees which such employee or employees could themselves initiate as an individual or group grievance and the regular grievance procedure shall not be thereby bypassed.

8.08 Group Grievance

Where a number of employees have similar grievances and each employee would be entitled to grieve separately, they may present a group grievance identifying each employee who is grieving to the Department Head or his/her designate within seven (7) working days after the circumstances giving rise to the grievance had occurred, or ought reasonably to have come to the attention of the employees. The grievance shall then be treated as being initiated Step Number 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

8.09 Grievance Process

- (a) Either party, with the agreement of the other party, may submit a grievance to Grievance Mediation at any time within ten (10) working days after the Employer's decision has been rendered at the step prior to arbitration. Where the matter is so referred, the mediation process shall take place before the matter is referred to Arbitrator.
- (b) Grievance Mediation shall be scheduled within twenty (20) working days of the grievance being submitted to mediation, or longer period as agreed by the parties.
- (c) No matter may be submitted to Grievance Mediation which has not been properly carried through the grievance procedure, provided that the parties may extend the time limits fixed in the grievance procedure.
- (d) The parties shall agree on a mediator.
- (e) Proceedings before the Mediator shall be informal. Accordingly, the rules of evidence will not apply, no record of the proceedings shall be made and legal counsel shall not be used by either party, unless otherwise mutually agreed.
- (f) If possible, an agreed statement of facts will be provided to the Mediator, and if possible, in advance of the Grievance Mediation Conference.
- (g) The Mediator will have the authority to meet separately with either party.
- (h) If no settlement is reached within five (5) working days following Grievance Mediation, the parties are free to submit the matter to Arbitration in accordance with the provisions of the collective agreement. In the event that a grievance which has been mediated subsequently proceeds to arbitration, no person serving as the Mediator may serve as an Arbitrator, unless otherwise mutually agreed. Nothing said or done by the mediator may be referred to Arbitration.
- (i) The Union and Employer will share the cost of the Mediator, if any.

8.10 Arbitration Process

- (a) When either party requests that a grievance be submitted to Arbitration, the request shall be in writing addressed to the other party to this Agreement and shall contain the name of the first party's nominee to the Board of Arbitration. The recipient of the notice shall, within ten (10) working days thereafter designate its nominee to the Board of Arbitration. The two (2) so nominated shall endeavour, within ten (10) working days after the

appointment of the second of them, to agree upon a third person to act as Chair of the Board of Arbitration. If the nominees are unable to agree upon a third person as Chair within ten (10) working days after the appointment of the second one of them, then either party may request the Ministry of Labour for the Province of Ontario to appoint the third member as Chair of the Board of Arbitration.

The said two (2) nominees first appointed shall be at liberty prior to the expiration of ten (10) working days from the date of the appointment of the second of them, or prior to the appointment of the Chair within the said period of ten (10) working days, to discuss the grievance submitted to them with a view to mutual settlement.

- (b) No person may be appointed as an Arbitrator who has been involved in an attempt to negotiate or settle the particular grievance concerned, **unless otherwise mutually agreed.**
- (c) Each of the parties shall pay its own expenses including pay for witnesses and the expenses of its own nominee and one-half (½) of the expenses and fees of the Chair.
- (d) The Board of Arbitration shall have authority only to settle disputes under the terms of this Agreement and only to interpret and apply this Agreement to the facts of the grievance(s) involved. Only grievances arising from the interpretation, application, administration or alleged violation of this Agreement including a question as to whether a matter is arbitrable shall be arbitrable.
- (e) The Board of Arbitration shall have no power to alter, add to, subtract from, modify or amend this Agreement in order to give any decision inconsistent with it. The decision of the majority of the members of the Board of Arbitration shall be the decision of the Board, but if there is no majority the decision of the Chair shall govern.
- (f) All agreements reached under the grievance and Arbitration procedures between the Employer and its representatives and the Union and its representatives will be final and binding upon the Employer, the Union and the employee(s) involved.
- (g) Any grievance involving the interpretation or application, administration or alleged violation of this Agreement which has been disposed of hereunder, shall not be made the subject of another grievance. No costs of any Arbitration shall be awarded to or against any party.
- (h) At any stage of the grievance procedure, including Arbitration, the parties may have the assistance of the employee (or employees) concerned as a witness,

all reasonable arrangements will be made to permit the conferring parties or the Board of Arbitration to have access to any part of the Nursing Home to view any working conditions which may be relevant to the settlement of the grievance, at a reasonable time and so as not to interfere with the function of the Nursing Home.

8.11 Sole Arbitrator

In the event that one party wishes to submit a grievance to Arbitration and is content that the matter be dealt with by a Sole Arbitrator as opposed to a tripartite Board of Arbitration as hereinbefore referred to, the party submitting the grievance to arbitration shall so signify when advising the other party and shall advise as to three (3) alternative choices as to a Sole Arbitrator in addition to that party's nominee to a tripartite board. The recipient of the notice shall in reply advise as to its nominee to a tripartite board and three (3) alternative choices as to a Sole Arbitrator. If the parties can agree to a Sole Arbitrator within twenty (20) working days of the notice referring the matter to arbitration the matter shall be determined by a Sole Arbitrator and failing such agreement the regular Arbitration procedure shall apply.

ARTICLE 9 - SENIORITY

9.01 Whenever they are used in the Collective Agreement, the terms seniority and service shall be deemed to refer to length of employment subject to the following conditions.

- (a) It is understood that during an approved absence not paid by the Employer not exceeding thirty (30) continuous calendar days or any approved absence paid by the Home, both seniority and service will accrue. It is further understood that the provisions of this article shall be applied in a manner consistent with *the Ontario Human Rights Code*, as amended.
- (b) During an absence not paid by the Employer exceeding thirty (30) continuous calendar days, credit for service for purposes of salary increment, vacation, sick leave, or any other benefits under any provisions of the Collective Agreement or elsewhere, shall be suspended; the benefits concerned appropriately reduced on a pro-rata basis and the employee's anniversary date adjusted accordingly. In addition, the employee will become responsible for full payment of subsidized employee benefits in which he/she is participating for the period of the absence.
- (c) It is further understood that during such leave of absence not paid by the Employer, credit for seniority for purposes of promotion, demotion, transfer or lay-off shall be suspended and not accrue during the period of absence. Notwithstanding this provision seniority shall accrue for a period of thirty-six (36) months if an employee's absence is due to a disability resulting in

WSIB benefits. This provision shall be interpreted in a manner consistent with *the Ontario Human Rights Code*.

(d) Benefits/WSIB, Paid Leave

The Employer shall continue to pay premiums for benefits plans for employees who are on paid leave of absence or receiving WSIB benefits if the employee continues their contribution towards said benefits.

It is understood that the obligation of the Employer, to pay the aforesaid benefits while on WSIB, shall continue for up to thirty-six (36) months following the date of the injury.

(e) **Employees on Union Leave shall continue to accumulate service and seniority for up to one (1) year while on such leave.**

(f) For purposes of this provision, it is understood and agreed that absence on Weekly Indemnity, EI sick benefits and top-up, shall be considered a leave with pay.

9.02 A new employee will be considered on probation until after she has completed three hundred and seventy-five (375) hours of work. It is understood that the probation period is a period when an employee can be dismissed at the sole discretion, on a rational basis, of the Nursing Home. Once the probation period has been completed, the employee will be credited with seniority in accordance with the provisions of this Agreement.

9.03 The Employer agrees to consider the seniority of employees in making promotions, demotions and transfers. In cases of promotions, demotions or permanent transfers of employees, the skill, merit, efficiency and physical ability of the employees shall be considered. Preference will be given according to seniority, provided that the employee has the necessary skills and abilities to perform the work required. If no employee with recorded seniority applies for a posting, the Employer may fill the posting as it sees fit.

9.04 Any questions having to do with the observance or non-observance of seniority may be the subject of a grievance and dealt with under the Grievance Procedure including the arbitration provisions. The function of the Union in dealing with complaints or grievances arising out of paragraphs 9.02 or 9.03 will generally consist of ascertaining that all relevant facts and circumstances have been adequately considered by the Employer.

9.05 (a) The Employer shall supply the Union Office and the Chief Steward with a set of seniority lists by departments, in January and July of each year, showing employees' names in order of seniority, classification, the seniority and starting dates. Where an electronic copy is provided the Employer

need not supply a copy to the Chief Steward.

- (b) If there are no written complaints concerning the seniority list in the thirty (30) calendar days following its posting, the list shall be deemed to be accurate and the sole record of seniority until the next posting. Should there be a tie date of hire of two (2) or more full time employees, the tiebreaker used shall be a lottery.

9.06 Loss of Seniority

An employee shall lose all seniority and her employment shall be deemed to be terminated if she:

- (a) voluntarily resigns, retires or is discharged for just cause and is not subsequently reinstated through the grievance procedure; or
- (b) is absent from work more than thirty-six (36) months by reason of illness or other physical disability and there is no reasonable likelihood the employee will return to work within the near future; or
- (c) is absent from work without a reasonable excuse for more than three (3) consecutive days for which she is scheduled to work; or
- (d) is absent from work for more than thirty-six (36) months by reason of lay-off; or
- (e) is absent from work for more than thirty-six (36) months by reason of absence while on WSIB and there is no reasonable likelihood the employee will return to work within the near future.

Employees who are on leave of absence will not engage in gainful employment on such leave and if an employee does engage in gainful employment while on such leave, she will forfeit all seniority rights and privileges contained in this Agreement unless otherwise agreed by the Union and the Employer.

An employee who has been granted a leave of absence of any kind and who overstays her leave, unless she obtains permission or provides a satisfactory explanation, shall be considered to have terminated her employment without notice.

The Union and the Employer agree to abide by the Human Rights Code.

9.07 The Employer will notify the employee when his or her benefits will cease.

ARTICLE 10 – JOB SECURITY

10.01 Layoff and Recall

In the event of a proposed layoff of a permanent or long-term nature, the Home will provide the Union with at least eight (8) weeks notice. This notice is not in addition to required notice for individual employees.

In the event of a layoff of a permanent or long-term nature, the Home will provide affected employees with notice in accordance with the Employment Standards Act. However, the Employment Standards will be deemed to be amended to provide notice to the affected employee as follows:

- if her service is greater than 9 years - 9 weeks notice
- if her service is greater than 10 years - 10 weeks notice
- if her service is greater than 11 years - 11 weeks notice
- if her service is greater than 12 years - 12 weeks notice

10.02 Lay-Off Procedure

- (a) Where a surplus of employee(s) within a classification exists on a shift, the Employer may serve a notice of lay-off to the most junior employee(s) in the same classification on that shift. However, if the employee(s) thus served with notice have greater seniority than an employee(s) on another shift in the same classification; they may bump such most junior employee(s).
- (b) An employee who is subject to lay-off shall have the right to either:
 - (i) accept the lay-off; or
 - (ii) first bump an employee with less bargaining unit seniority within his or her bargaining unit (full-time or part-time) in a lower or identical paying classification for which they are qualified, as required by law and can perform the duties of the lower or identical paying classification without training other than orientation.
 - (iii) Chain bumping will be allowed with the understanding that an employee subject to layoff who chooses to bump, must bump the employee with less seniority who has scheduled hours equal to or less than the employee laid off, subject to paragraph (vi) below.
 - (iv) Consistent with the opportunity to chain bump, all employees who are potentially impacted will be given notice of lay off at the outset of the process.
 - (v) An identical paying classification shall include any classification where

the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is within one percent (1%) of the laid off employees straight time hourly wage rate.

- (vi) In the event that there are no employees within the laid off employee's classification in either bargaining unit with lesser seniority who have scheduled hours equal to, or less than the employee being laid off, such employee may bump a less senior employee with greater regularly scheduled hours within 10% of the laid off employee's regularly scheduled bi-weekly hours within her classification.
- (vii) When an employee subject to layoff chooses to bump and there are no employees with less seniority within his or her bargaining unit, the seniority lists will be merged and the laid off employee may bump into the other bargaining unit.

It is understood and agreed that if a part-time employee bumps a full-time employee as part of the above-noted procedure, the part-time employee is accepting the full-time position only.

- (viii) In the event that there are no employees in either bargaining unit with lesser seniority in lower or identical paying classifications as defined in this article, a laid-off employee will have the right to displace an employee with less seniority, who has scheduled hours equal to or less than the employee laid off, in a classification where the straight time hourly rate at the level of service corresponding to that of the laid off employee is within five percent (5%) of the laid off employee's straight time hourly rate provided he or she is qualified for and can perform the duties without training other than orientation.
- (ix) The decision of the employee to choose (i) or (ii) above shall be given in writing to the Administrator within three (3) days following the notification of lay-off. Employees failing to do so will be deemed to have accepted the lay-off.

10.03 Recall Rights

- (a) An employee shall have the opportunity of recall from a lay-off to an available opening, in order of seniority, provided she has the skills to perform the work.

In determining the skills of an employee to perform the work for the purposes of the paragraph above, the Employer shall not act in an arbitrary manner.

- (b) An employee recalled to work in a different classification from which she was laid off shall have the right of returning to the position she held prior to the lay-off should it become vacant within twelve (12) months of being recalled, if the qualifications for the job have not changed.
- (c) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.
- (d) It is the sole responsibility of the employee who has been laid off to notify the Employer of his intention to return to work within three (3) working days (exclusive of Saturdays, Sundays and Paid Holidays) after being notified to do so by registered mail, addressed to the last address on record with the Employer (which notification shall be deemed to have been received after the second day following the date of mailing) and return to work within ten (10) working days after being notified. The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for his proper address being on record with the Employer.
- (e) Employees on lay-off or notice of lay-off shall be given preference for temporary vacancies which are expected to exceed twenty (20) days of work. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off.
- (f) A laid off employee shall retain the rights of recall for a period of thirty-six (36) months.
- (g) The job posting procedure as set out in the collective agreement will continue to apply. Employees with seniority who are laid off will be mailed a copy of job postings to their last known address.

10.04 Benefits on Lay-Off

In the event of a lay-off, provided the employee deposits with the Home her share of insured benefits for the succeeding month (save for weekly indemnity for which laid-off employees are not eligible) the Employer shall pay its share of the insured benefits premium for a period up to three (3) months from the end of the month in which the lay-off occurs, or until the laid-off employee is employed elsewhere, whichever comes first.

- 10.05 It is understood and agreed that if a full-time employee bumps a part-time employee as part of the above-noted procedure, the full-time employee is accepting the part-time position only.

For these purposes, 1 year full-time seniority = 1800 hours part-time seniority.

- 10.06 Severance pay will be in accordance with the provisions of the Employment Standards Act.

ARTICLE 11 - JOB POSTING

- 11.01 In the event new jobs are created or vacancies occur in existing job classifications including new positions which are created for a specific term or task (unless the Employer notifies the Union in writing that it intends to postpone or not fill a vacancy), the Employer will post such new job(s) or vacancies for a period of seven (7) calendar days and shall stipulate the qualifications, classification, rate of pay, department, approximate start date (if known), and initial assignment (shift and floor), before new Employees are hired, in order to allow Employees with seniority to apply.

The Employer agrees to provide the Chief Steward with a copy of each job posting. The Employer shall, after the completion of the job posting procedure, post for at least seven (7) calendar days the name of the successful applicant. The parties agree that an administrative oversight in this regard does not void the job posting.

- 11.02 Until the vacancy is filled resulting from the job posting provisions, the Employer is free to fill the vacancy on a temporary basis as he sees fit.

- 11.03 No external applications will be considered until the internal process is exhausted.

- 11.04 All applications received will be considered within seven (7) days of the end of the posting procedure. In the event one (1) or more employees apply, the Employer shall consider the qualifications, experience, ability and seniority of the applicants. Where these factors are equal, the applicant with the greatest seniority shall fill the vacancy.

If the applicants are not qualified to perform the work required, the Employer reserves the right to immediately hire outside help.

- 11.05 The successful applicant shall be placed on trial in the new position for a period of three hundred and thirty-seven and one-half (337½) working hours. The trial period may be extended by mutual agreement, but in any case, not longer than an additional one hundred and twelve and one-half (112½) working hours. Such trial promotion or transfer shall become permanent after the trial period unless:

- (i) the employee feels that she is not suitable for the position, and wishes to return to her former position; or
- (ii) the Employer feels that the employee is not suitable for the position, and requires that she return to her former position.

It is understood and agreed that once the trial period has expired, the Employer no longer has the right to return an employee to her former position and the employee no longer has the right to return to her former position.

In the event of either (i) or (ii) above, the employee will return to her former position and salary without loss of seniority, any other employee promoted or transferred as a result of the rearrangement of positions shall also be returned to her former position and salary without loss of seniority.

The above provisions shall also apply in the event of a transfer to a position outside the bargaining unit. It is understood however, that no employee shall be transferred to a position outside the bargaining unit without her consent.

11.06 It is understood that the Employer may elect to fill the vacancy in a part-time bargaining unit by expanding the hours of work of existing part-time employees.

11.07 Upon request to the Department Head, the Employer will discuss with the unsuccessful applicant the manner in which the employee may improve her position and her work in order to be considered for any future vacancy.

11.08 (a) Where vacancies are posted for positions within the full-time bargaining unit and no applicants within the full-time unit are successful in obtaining the positions, applications submitted for such posting from part-time employees will be considered prior to consideration of persons not employed by the Home. In the event one or more part-time employees apply, the Employer shall consider the qualifications, experience, ability and seniority of the applicants. Where these factors are equal, the applicant with the greatest seniority shall fill the vacancy provided she can perform the work.

(b) When an employee transfers from the full-time bargaining unit to the part-time bargaining unit, seniority in terms of days and years accumulated in the full-time unit shall be transferred to part-time status and converted to seniority in terms of one (1) year equals 1800 hours.

An employee whose status is changed from part-time to full-time shall receive credit for her full seniority and service on the basis of one (1) year of seniority for each 1800 hours paid. Any time worked in excess of an equivalent shall be prorated at the time of transfer.

11.09 Temporary Vacancies

Any temporary vacancy with an anticipated duration of six (6) weeks or more will be posted. Employees working less than thirty-seven and one-half (37½) hours a week shall be given the first opportunity to fill temporary vacancies, subject to Article 11.08. The Employer will outline to the employee selected to fill the vacancy the anticipated conditions and duration of such vacancy.

An employee returning from leave of absence shall have the right to return to her former position. In instances where an employee returns to work prior to estimated date of return the Employer shall not be liable for payments to the resulting displaced employee(s). In the event that a part-time employee is the successful applicant, the part-time employee shall retain his/her part-time status during the temporary full-time period. Nothing herein shall prevent the Employer from temporarily filling any position or vacancy for a period of up to six (6) weeks duration as the Employer may deem appropriate.

An employee filling a temporary vacancy of six (6) weeks or longer duration shall not bid on any other temporary posting until the end of his/her temporary position, unless an opportunity arises which allows a part time employee to bid on a temporary full-time posting.

Part time employees who fill temporary full time positions shall continue to be treated for all purposes as part time employees. However, if the part time employee continues in the temporary position for more than 14 months, and is receiving money in lieu of benefits, the part time employee will be enrolled in the premium based benefits (being full time life insurance, extended health care and dental) and the money in lieu ceases. The "waiting period" for eligibility for benefits will be deemed to have been served. For any other purpose, the employee continues to be treated for all purposes as a part time employee. When the temporary position ends, the employee returns to her part time position, benefits cease, and money in lieu is reinstated.

- 11.10 Employees on staff prior to the commencement of the summer vacation period shall be given the first opportunity to fill available hours caused by vacation. An employee exercising her option shall not, as a result of such extra work, change her employment status (i.e. part-time, full-time).

11.11 Permanent Transfers

- (a) If an employee is transferred or reclassified to a higher rated job group, he shall receive the rate immediately above the rate of his prior job in the salary range of the job to which he is transferred. Job seniority for pay purposes shall date from the date the transfer becomes effective.

- (b) Assignment of an employee to a lower rated classification shall be avoided, but may occur in a reduction of staff, inability to perform his previous job due to sickness or accident, or at the wish of the employee under a permanent transfer. In which case:
 - (i) if an employee is then receiving a rate which is higher than the twelve (12) month rate of the job to which he is transferred, he shall be paid such twelve (12) month rate: or
 - (ii) if an employee is then receiving a rate which is lower than the twelve (12) month rate of the job to which he is transferred, he shall continue to receive the same rate of pay as that for his previous job and then shall spend only such length of time on this rate as is required of him to complete a total of twelve (12) months on such job including any past experience on such job. He shall then be advanced through the rates for the job group as provided in Schedule "A".
- (c) Subject to (a) and (b) above, a part-time employee, changing his/her status to that of a full-time employee, covered by this full-time Agreement, shall retain his/her corporate seniority and his/her classification seniority. Upon entering into a full-time status, he/she shall suffer no loss of basic wage rate nor loss of any benefits in which the employee may be enrolled, and then will progress in seniority and the wage rate will increase in the same manner as other full-time employees covered by the full-time Agreement.

ARTICLE 12 - NO CONTRACTING OUT

12.01 The Nursing Home shall not contract-out any work usually performed by members of the bargaining unit if, as a result of such contracting-out, a lay-off of any employees other than casual part-time employees results from such contracting-out. Contracting-out to an Employer who is organized and who will employ the employees of the bargaining unit who would otherwise be laid-off with similar terms and conditions of employment is not a breach of this Agreement.

ARTICLE 13 - WORK OF THE BARGAINING UNIT

13.01 Persons excluded from the bargaining unit shall not perform duties normally performed by employees in the bargaining unit which shall directly cause or result in the lay-off or reduction in hours of work of an employee in the bargaining unit.

13.02 In the event the Employer plans to change a vacant full-time position to a part-time position, it will advise the Union and discuss its plans with them.

13.03 Full-time/Part-time Ratio

So long as a full-time position exists there will be no splitting of that position into two or more part-time positions without the agreement of the Union, such agreement not to be unreasonably withheld.

ARTICLE 14 – PRINTING

14.01 The Employer and the Union will share equally in any cost of printing the Collective Agreement. In implementing this provision the parties shall seek the least expensive unionized alternative.

ARTICLE 15 – LEAVES OF ABSENCE

15.01 The Administrator (or designate) may grant or refuse a request for a leave of absence without pay for extenuating personal reasons, provided that he receives at least one (1) month's notice in writing, unless impossible, and that such leave may be arranged without undue inconvenience to the normal operations of the Nursing Home. Applicants when applying must indicate the date of departure and specify the date of return.

If a leave of absence is granted, the employee shall be advised in writing with a copy to the Union. Such response will be provided to the Employee within three (3) business days of receipt of the request, excluding weekends and holidays.

To qualify for leaves of absence as stipulated above the employee must have completed **nine (9)** months of employment with the Employer and it is expressly understood, no benefit except as hereinafter provided shall accrue to or be paid to any employee on leave of absence.

15.02 Pregnancy and Parental Leave

Pregnancy and parental leaves will be granted in accordance with the Employment Standards Act of Ontario unless otherwise amended.

15.03 Pregnancy Leave

(a) An employee who is pregnant shall be entitled, upon application, to pregnancy leave and parental leave immediately thereafter. Pregnancy leave shall be granted for seventeen (17) weeks as provided in the

Employment Standards Act, and may begin no earlier than seventeen (17) weeks before the expected birth date.

The employee shall give the Employer two (2)- weeks' notice, in writing, of the day upon which she intends to commence her leave of absence, unless impossible, and furnish the Employer with a certificate of a legally qualified medical practitioner stating that she is pregnant and giving the estimated day upon which delivery will occur.

- (b) The employee must have started employment with her Employer at least thirteen (13) weeks prior to the expected date of birth.
- (c) The employee shall give at least four (4) weeks notice of her intention to return to work. The employee may, with the consent of the Employer, shorten the duration of the leave of absence requested under this Article upon giving the Employer four (4) weeks notice of her intention to do so, and furnishing the Employer with a certificate of a legally qualified medical practitioner stating that she is able to resume her work.

Additional leave of absence may be taken under Article 15.11, Parental Leave.

- (d) Notwithstanding Article 15.03 (b) above, an employee must complete ten (10) months of continuous service prior to the expected date of birth to be paid a supplemental Employment Insurance Benefit.

An employee on pregnancy leave who is in receipt of Employment Insurance pregnancy leave benefits shall be paid a supplemental Employment Insurance Benefit.

That benefit will be the equivalent to the difference between seventy-five percent (75%) of her regular weekly earnings (which for part-time employees shall include any in-lieu payment, if applicable) and the sum of her weekly rates of Employment Insurance Benefits. In any week, the total amount of SUB payments and the weekly rate of E.I. benefits will not exceed seventy-five percent (75%) of the employee's regular weekly earnings.

Vested Interest - Employees do not have a right to SUB payments except for supplementation of E.I. benefits during the unemployment period as specified in the plan.

Other Income - Payments in respect to guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under this plan.

Such payment shall commence after the two (2) week employment insurance waiting period and shall continue while the employee is in receipt of such benefits for a maximum period of seventeen (17) weeks. The Employee will endeavour to provide a copy of the Employment Insurance cheque stub within two (2) weeks of receipt of the Employee's EI benefit.

The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate, on her last day worked prior to the commencement of the leave times her normal weekly hours.

The regular hourly rate shall be calculated to include all of the employee's insurable earnings as defined by the Employment Insurance System.

The SUB top-up by the Home would not take into account E.I. insurable earnings from sources other than this facility.

- 15.04 An employee who does not apply for leave of absence under Article 15.03 (a) and who is otherwise entitled to pregnancy leave, shall be entitled to and shall be granted leave of absence in accordance with Article 15.03 (a) upon providing the Employer, before the expiry of two (2) weeks after she ceased to work, with a certificate of a legally qualified medical practitioner stating that she was not able to perform the duties of her employment because of a medical condition arising from her pregnancy, and giving the estimated day upon which, in his opinion, delivery will occur or the actual date of her delivery.
- 15.05 During the period of leave, the Employer shall continue to pay the Employer's portion of hospital, medical, dental, group life, pension and other benefits included and prescribed by the Employment Standards Act unless the employee gives the Employer written notice that the employee does not intend to pay the employee contributions. If deductions for the employee's share of the premiums are required, the Employer shall deduct these amounts from the SUB payments.
- 15.06 An employee who intends to resume her employment on the expiration of the leave of absence granted to her under this Article shall so advise the Employer when she requests the leave of absence. If a full-time employee returns to work at the expiry of the normal pregnancy or parental leave, and the employee's former permanent position still exists, the employee will be returned to her former job, and former shift, if designated.

All employees who fill vacancies as a result of the above absences shall likewise be returned to their former permanent positions.

- 15.07 When the Employer has suspended or discontinued operations during the leave of absence and has not resumed operations upon the expiry thereof, the Employer shall upon resumption of operations, reinstate the employee to her employment or to alternate work in accordance with the established seniority system or practice of

the Employer in existence at the time the leave of absence began and in the absence of such a system or practice shall reinstate the employee in accordance with the provisions of Article 15.06.

An employee on parental leave who is in receipt of Employment Insurance parental leave benefits shall be paid a supplemental Employment Insurance Benefit.

That benefit will be the equivalent to the difference between seventy-five percent (75%) of her regular weekly earnings (which for part-time employees shall include any in-lieu payment, if applicable) and the sum of her weekly rates of Employment Insurance Benefits. In any week, the total amount of SUB payments and the weekly rate of E.I. benefits will not exceed seventy-five percent (75%) of the employee's regular weekly earnings.

Vested Interest-Employees do not have a right to SUB payments except for supplementation of E.I. benefits during the unemployment period as specified in the plan.

Other Income – Payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under this plan.

Such payment shall commence after the two (2) week employment insurance waiting period and shall continue while the employee is in receipt of such benefits for a maximum period of ten (10) weeks. The Employee will endeavour to provide a copy of the Employment Insurance cheque stub within two (2) weeks of receipt of the Employee's EI benefit.

The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate, on her last day worked prior to the commencement of the leave times her normal weekly hours.

The regular hourly rate shall be calculated to include all of the employee's insurable earnings as defined by the Employment Insurance System.

The SUB top-up by the Home would not take into account E.I. insurable earnings from sources other than this facility.

- (f) For the purposes of parental leave under Article 15.11 Parental Leave, the provisions under 15.02, 15.05, 15.06, 15.07, 15.08, 15.09 and 15.10 shall also apply.

- (d) Upon application by the Union in writing, the Nursing Home will give reasonable consideration to a request for leave of absence, without pay, to an employee elected or appointed to a full-time Union office. It is understood that not more than one (1) employee in the bargaining unit may be on such leave at the same time. Such leave, if granted, shall be for a period of one (1) calendar year from the date of appointment unless extended for a further specific period by agreement of the parties. ARTICLE 16 - HOURS OF WORK

- 16.01 (a) The following is intended to define the normal hours of work for full-time employees but shall not be interpreted as a guarantee of hours of work per day or per week or days of work per week. - (g) the arbitrator shall render a decision within ten (10) working days of completion of the hearing. Written reasons are not required. Oral decisions confirmed in writing may be given.

- (h) the fees and expenses of the arbitrator shall be shared equally by the Employer and the Union in cases where the benefit is self-insured and by the insurers and the Union where the benefit is insured.
- (i) this process shall commence immediately for all self insured benefits. Upon the expiry of any contracts of insurance for benefits, this process shall then apply to insured benefits. It is the responsibility of the Employer to obtain insurance which includes an agreement by the insurer to be bound by the process. If the Employer fails to obtain the agreement of an insurer, the grievance shall proceed as though it is a self-insured benefit.
- (j) the parties agree that the decision of an arbitrator hereunder shall be final and binding and shall not be appealed or judicially reviewed by either party. The purpose of waiving any appeal rights or rights of judicial review is to avoid the cost and expense associated with the exercise of these rights.
- (k) the decision of the arbitrator shall not have any value as a precedent in a subsequent case.
- (l) if in the opinion of any party a grievance raises an issue which should be decided by the form of grievance arbitration provided by the Collective Agreement for all other grievances, upon the consent of all parties or if such consent is not forthcoming, with the approval of Gerry Lee, such approval to be obtained by a conference call, the grievance shall be transferred to the ordinary grievance/arbitration process.

Any such dispute already under way, in respect of which an arbitrator has not been appointed shall proceed under this process. This process shall commence immediately for all self insured benefits. Upon the expiry of any contracts of insurance for benefits, this process shall also apply to insured benefits.

22.10 Nursing Homes and Related Industries Pension Plan

In this Article, the terms used shall have the meanings as described:

.01 "Plan" means the Nursing Homes and Related Industries Pension Plan, being a multi-employer plan.

"Applicable Wages" means the basic straight time wages for all hours worked, including:

- i) the straight time component of hours worked on a holiday;
- ii) holiday pay, for the hours not worked; and

iii) vacation pay.

All other payments, premiums, allowances etc. are excluded.

"Eligible Employee" means full-time and part-time employees in the bargaining unit who have completed three hundred and seventy-five (375) hours of service.

.02 Each Eligible Employee covered by this Collective Agreement shall contribute from each pay period an amount equal to Four Percent (4%) of applicable wages to the Plan. The Employer shall match such contributions, the amount being Four Percent (4%) of applicable wages.

Notwithstanding the foregoing, where an error has been made in deduction, the Employer shall, upon request, make full payment on any outstanding Employer contributions irrespective of whether the Employee pays the matching amount.

The parties agree that this Article in no way prejudices the position of either party as it relates to the retroactivity application if an error is discovered.

.03 The employee and Employer contributions shall be paid to the Plan within thirty (30) days after the end of the calendar month in which the pay period ends for which the contributions are attributable.

.04 The Union acknowledges and agrees that other than making its contributions to the Plan as set out in this Article, the Employer shall not be obligated to contribute towards the cost of benefits provided by the Plan, or be responsible for providing any such benefits.

The Union and Employer acknowledge and agree that under current pension legislation, and/or regulations, the Employer has no requirement to fund any deficit in the Plan, but is required to contribute only that amount as required by the Collective Agreement in force between the parties.

It is understood and agreed by the Employer and the Union that should the current pension legislation or regulations be changed so that the Employer's obligation to contribute to the Plan exceeds the amount specified in the Collective Agreement then in force, the parties will meet directly to finalize methods to relieve the Employer of this increased obligation to the extent that any such obligations exceeds that which the Employer would have if the Plan were a defined contribution plan.

.05 The Employer agrees to provide to the Administrator of the Plan, on a timely basis all information required pursuant to the Pension Benefits Act, R.S.O. 1990, CH P-8 as amended, which the Administrator may reasonably

require in order to properly record and process pension contributions and pension benefits.

The information required to be provided by the Employer may be provided in the form normally maintained by the Employer, whether on computer disc, manual records or otherwise. In the event such information is not readily available without review of other information not relevant to the Plan, the Plan shall make arrangements with the Employer for access to the required information. This may include the Employer providing such information at reasonable cost to the Plan. If the Administrator of the Plan and Employer are unable to agree on the form of such access, a mutually acceptable third party, such as a firm of accountants and auditors, shall be retained at the expense of the Plan to obtain such information from the Employer's files.

Such information shall be provided only on enrolment of an employee or with the monthly remittances.

Any additional information requests beyond that noted above may be provided, if possible, by the Employer, it being understood that any additional costs of such request shall be borne by the Plan.

For further specificity, the items required for each eligible employee are:

- (i) To be Provided Once Only at Plan Commencement
 - Date of Hire
 - Date of Birth
 - Date of first Remittance
 - Seniority List to include hours from date of hire to Employer's fund entry date (for purposes of calculations past service credit).

- (ii) To be Provided with each Remittance
 - Name
 - Social Insurance Number
 - Monthly remittance
 - Pensionable Earnings
 - Employer portion of arrears owing due to error, or late enrolment by the Employer

- (iii) To be Provided Periodically

- (iv) To be Provided Once, if they are Readily Available
Gender
Marital Status

.06 **If there is an allegation of non payment of pension contributions, the Union will file a grievance.**

.07 Where legislation or the Plan prohibits an employee from contributing to NHRIPP because of age, an amount equivalent to the deductions in Article 22.11 will be paid to the employee.

22.11 (a) Appendix "A" will continue to apply to employees on staff as at May 31, 2004, working less than 75 hours biweekly, who elected status quo

(b) Permanent Part-Time Employee Proration Formula Benefits

Accrual and payment of paid holidays and all benefits including shared cost arrangements for all employees shall be on a prorata basis of hours regularly worked in relation to seventy-five (75) hours bi-weekly.

The calculation of proration percentage shall be determined by dividing the hours paid in the previous predetermined six (6) month period by 950 and then multiplying by 100.

(The predetermined six (6) month period shall coincide with the pay period ending around June 30th and December 31st and the recalculated proration percentage where applicable shall apply in August for the pay period ending around June 30th and February for the pay period ending around December 31st.)

Hours paid in calculating proration formula will include WSIB and Weekly Indemnity.

When an employee is on:

- (a) pregnancy leave
- (b) parental leave
- (c) approved leave of absence in excess of thirty (30) continuous calendar days

proration upon return, shall be based on the percentage (%) in effect prior to commencement of the leave.

Employees who regularly work more than sixty-six (66) hours bi-weekly, shall have one hundred percent (100%) of Employer portion of insured benefits paid.

Holiday entitlement for employees who regularly work more than sixty-six (66) hours bi-weekly but less than seventy-five (75) hours bi-weekly shall be based on provisions for employees regularly working seventy-five (75) hours.

N.B. Holiday and vacation pay for employees who regularly work less than seventy-five (75) hours is as follows: Holiday Pay - based on proration formula, based on hours regularly worked - 4 hours shift = 4 hours pay. Vacation pay - percentage (%) of gross earnings.

22.12 New Hires

All newly-hired employees will be eligible to join the benefit plans and the calendar time waiting period will apply equally to all.

The prorata percentage for new hires will be based on the schedule of work for which these employees are hired. This percentage will be revised, if necessary, once the employee has worked a full predetermined six (6) month period.

The only exception to this calculation will be an employee who successfully bids or otherwise obtains a seventy-five (75) hour bi-weekly position. In this instance an employee who qualifies will immediately receive entitlement of one hundred percent (100%) of the Employer's paid share of premiums and benefits, and holiday pay.

22.13 Employees who continue to be employed past age 65 shall be eligible for the following benefits under the same cost sharing basis as active employees:

- 22.03 – reduce life insurance by 50%
- 22.04 – Extended Health
- 22.05 – Vision Care
- 22.06 – Dental
- 22.07 – Hearing
- 22.12 – Prorata Formula
- 24.01 (b) – First two weeks of the short term sick leave

In any event, once an employee reaches age 70 and she continues to be employed she shall automatically receive fifty cents per hour in lieu to part time employees. Any such employee who works past age 70 and was employed by the Employer as of the date of the last Memorandum of Settlement respecting the 2004-2007 collective agreement shall have the option of choosing either the \$0.50 in lieu provision or the preexisting in lieu provision, if any.

ARTICLE 23 – INJURY AND DISABILITY

- 23.01 Where an employee is absent due to illness or injury which is compensable by WSIA, the following shall apply:
- (a) The employee will be eligible for WSIA benefits in accordance with the WSIA.
 - (b) If a person on WSIB returns to his/her employment, for purposes of calculating vacation entitlement in the year of her return, service will accrue while on WSIB.
 - (c) An employee shall maintain regular contact with the Employer during the absence and will co-operate in the Employer's Return to Work program.
- 23.02 In the case of an absence due to a compensable accident, the employee will be paid at her regular rate of pay for all scheduled hours on the day of the accident.
- 23.03 In the case of an absence due to a compensable accident, where the anticipated length of such absence is six (6) weeks or more, the Employer will post notice of the vacancy in accordance with the job posting procedure (Article 11) of this Agreement. Where the anticipated absence is less than six (6) weeks, the Employer may fill the position at his discretion.
- 23.04 The injured employee shall have a period of thirty-six (36) months from the date of the injury within which she shall preserve the seniority which she has accrued in accordance with Article 9 and within which she shall have the right to return to work upon the recommendation of the WSIB or the attending physician, which shall indicate to the Employer that the employee has the physical capability to perform her normal job.
- 23.05 (a) If an employee who has been employed for more than one (1) year returns to work within one hundred and four (104) weeks following the commencement of a WSIB claim, and the employee's former permanent position still exists, the employee will be returned to her former job, former shift if designated, classification and rate of pay. All employees who fill vacancies as a result of the above absences shall likewise be returned to their former permanent positions.
- (b) If an employee who has been employed for more than one (1) year returns to work after one hundred and four (104) weeks following the commencement of the WSIB claim but prior to thirty-six (36) months mentioned in Article 23.04 above, she shall be returned to her former job, or to work of a comparable nature at the same salary level and without loss of seniority or benefits accrued in accordance with Article 9. (This would be effected by the returning employee, displacing the employee with the least seniority in the category to which she is returning.)

This clause shall be interpreted consistent with the Ontario Human Rights Code, and the Workplace Safety and Insurance Act.

23.06 If, on the recommendation of the WSIB or the attending physician, the employee is capable only of performing work of a different kind or of a lighter nature, the employee shall be accommodated in a manner consistent with the Ontario Human Rights Code, and the Workplace Safety and Insurance Act.

23.07 Workplace Safety and Insurance Board Challenge

In the event that the Employer challenges a WSIB claim, an Employee who is absent from work as a result of illness or injury sustained at work and who has been awaiting approval of a claim for WSIB for a period longer than one (1) complete pay period, may apply to the Employer for payment equivalent to the lesser of the benefit she would receive from WSIB if her claim was approved, or the benefit to which she would be entitled under the sick leave plan, Article 24. Payment under this Article will only be provided if the Employee provides evidence of disability satisfactory to the Employer and a written undertaking satisfactory to the Employer that any payments will be refunded to the Employer from any loss of earnings benefits that are paid under her claim and within fifteen (15) days after those payments are received by the Employee. If the claim for the WSIB is not approved, the monies paid as an advance will be applied towards the benefits to which the Employee would be entitled under the sick leave plan, Article 24. Any payment under this provision will continue for a maximum duration equal to that of the weekly indemnity plan.

ARTICLE 24 – SICK LEAVE

Note: The following provision applies to employees working more than 45 hours bi-weekly who have prorata sick benefits. The provision below identifies the benefit applicable to a 37.5 hour per week employee. The prorata formula would apply to this new provision in the same way that it currently applies to the weekly indemnity provision. If a contract remains with an in lieu of benefits provision only, the following provisions are applicable to full-time employees only.

24.01 Pay for sick leave is for the sole and only purpose of protecting employees against loss of income and will be granted to all employees on the following basis:

- (a) Absence for injury compensable under the provisions of the Workplace Safety and Insurance Act shall not be charged against sick leave credits.
- (b) Employees who have completed the probationary period shall be credited with three (3) days of sick leave and shall then accumulate sick leave credits at the rate of 7.5 hours (1 credit) for each period of 162.5 hours

paid, to a maximum of 105 hours (14 credits). Providing credits are available, employees will be eligible to claim eighty-five percent (85%) of earnings for scheduled lost time due to illness for the first two (2) calendar weeks during any one illness.

- (c) The Employee shall apply for E.I. sick leave for weeks three (3) through seventeen (17) of any personal illness or injury. The Employer will top-up these benefits to sixty-six and two thirds (66 2/3) percent of straight time wages.

The Employee will endeavour to provide a copy of the Employment Insurance cheque stub within two (2) weeks of receipt of the Employee's EI benefit. In the event the Employee does not qualify for EI Sick Leave benefits by reason of lack of adequate contributions, she shall receive sixty-six and two thirds (66 2/3) percent of her straight time wages for weeks three (3) through seventeen (17) of any personal illness or injury but shall not be eligible for benefits under (d) below.

- (d) The Employer will pay one hundred percent (100%) of the billed premium for full-time employees for a weekly indemnity plan covering personal illness or injury for weeks 18 through 35 of such illness or injury. Payment under weekly indemnity will be sixty six and two thirds (66 2/3) percent of scheduled straight-time wages lost.

- (e) Weekly Indemnity plan for new employees to be effective on completion of the probation period. For Weekly Indemnity the premium cost will prorate in accordance with the formula defined elsewhere in the collective agreement and benefits will be provided for scheduled lost time in accordance with the plan policy. Weekly Indemnity payments shall be mailed directly to the employees home or paid by direct deposit.

- (a) Weekly Indemnity participation is voluntary for all employees.
- (b) Employees will be advised of their options in writing and will make their initial choice regarding participation at time of hire, within the eligibility period.
- (c) An employee who does not enrol at time of hire or within the eligibility period who has withdrawn, may enrol at the sign up opportunities in June of each year to be effective September subject to evidence of insurability satisfactory to the carrier.
- (d) Notwithstanding (c) above;
 - (i) an employee who averages over sixty-six (66) hours paid every two weeks in any six (6) month pro-rata period shall be automatically enrolled at the commencement of the next sign

up period,

- (ii) an employee who is successful in a job posting where the scheduled hours are over sixty-six (66) every two weeks, will be automatically enrolled within one (1) month of the successful posting,
 - (iii) an employee with an increase in their prorata percentage of twenty percent (20%) or greater, above the prorata period immediately prior, may enrol at the commencement of the next sign up period, without evidence of insurability.
- (f) Where an employee's scheduled vacation is interrupted due to a serious illness requiring the employee to be an in-patient in a hospital, the period of such hospitalization shall be considered sick leave provided the employee provides a satisfactory documentation of the illness and the hospitalization. The portion of the employee's vacation which is deemed to be sick leave under the above provision will not be counted against the employee's vacation credits.

Where an employee's scheduled vacation is prevented due to a serious illness requiring the employee to be an in-patient in a hospital which commenced before the vacation started, the period of such hospitalization shall be considered sick leave provided the employee provides a satisfactory documentation of the illness and the hospitalization. The portion of the employee's vacation which is deemed to be sick leave under the above provision will not be counted against the employee's vacation credits.

- (g) The Employer may request proof of disabling accident or sickness:
- (i) For any absence in excess of two (2) days;
 - (ii) For the fourth (4th) and succeeding illness in the sick leave year.

The Employer shall exercise discretion in making such requests.

If the Employer requires a sick leave certificate in accordance with past practice or the Collective Agreement and the doctor charges the employee for such certificate outside OHIP, the Employer will pay for the certificate, as soon as reasonably practicable. In the alternative, the Employer may require an employee to attend an independent physician other than the employee's own physician to provide a sick leave certificate. In such circumstances the Employer shall pay for any medical fees charged beyond OHIP in relation thereto.

- (h) An employee who will be absent on the afternoon or night shift due to personal illness must notify the Employer at least two (2) hours prior to the commencement of the shift unless impossible. An employee who will be absent on the day shift due to personal illness must notify the Employer at least one and one-half (1-1/2) hours prior to the commencement of the shift unless impossible. Failure to give such notice may result in loss of sick leave benefits for that day of absence.
- (i) The Employer will notify the employees of their accumulation of sick leave on request.
- (j) An employee who is absent due to pregnancy related illness may be eligible for sick leave under the sick leave plan up to ten (10) weeks prior to the expected date of delivery subject to Article 15.08.
- (k) Re: Annual Medicals

The Employer agrees that no employee will be required to undergo an annual medical examination nor be required to produce a medical certificate related thereto. In the event the Ministry of Health requires verification of an annual medical examination, the matter will be forwarded to arbitration.

- (l) Subject to a maximum accrual in the collective agreement, any sick days remaining in employees' sick day banks at the end of the year shall be carried over to the following year.

24.02 Part-time to Full-time Sick Leave Transfers

Sick leave benefits accumulated at time of transfer from part-time to full-time status shall remain to the credit of the Employee, and shall be used in accordance with Article 24.01 of this Agreement.

- 24.03 If a full-time employee who has been employed for more than one (1) year returns to work after one hundred and four (104) weeks following the commencement of an illness, and the employee's former permanent position still exists, the employee will be returned to their former job, former shift if designated, classification and rate of pay. All employees who fill vacancies as a result of the above absence shall likewise be returned to their former permanent positions.

- 24.04 **Part-time employees who are post probation would accumulate sick time on the basis of 3.75 hours for every 162.5 hours worked to a maximum of 22.5 hours. Employees will not be allowed to use more than 22.5 hours sick time in any calendar year. Sick banks will carry over from year to year but shall not exceed 22.5 hours. Accumulated sick days will be paid in accordance with the sick provisions of the full-time collective agreement relating to**

accumulated days, except as limited by this provision.

ARTICLE 25 – COMPENSATION

25.01 Wages shall be paid according to Schedule "A" attached to and forming part of this Agreement.

25.02 The retroactive payment applies to wages only based on hours paid by the Employer. Employees who have left their employment will be notified by prepaid post, addressed to their last know address. Entitlement is lost if not claimed within thirty (30) days.

25.03 Temporary Transfers

When an employee is assigned temporarily to perform the duties and assume the responsibilities of a higher paying classification in the bargaining unit, she shall be paid the rate in the higher salary range immediately above her current rate for all hours worked in the assignment.

25.04 New Classification

When a new classification (which is covered by the terms of this agreement) is established by the Home, the Home shall determine the rate of pay for such new classification and notify the Local Union of the same within seven (7) days. If the Local Union challenges the rate, it shall have the right to request a meeting with the Home to endeavour to negotiate a mutually satisfactory rate. Such request will be made within ten (10) days after the receipt of notice from the Home of such new occupational classification and rate. Any change mutually agreed to resulting from such meeting shall be retroactive to the date that notice of the new rate was given by the Home. If the parties are unable to agree, the dispute concerning the new rate may be submitted to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classification.

When the Home makes a substantial change during the term of the Agreement in the job content of an existing classification which in reality causes such classification to become a new classification, the Home agrees to meet with the Union if requested to permit the Union to make representation with respect to the appropriate rate of pay.

If the matter is not resolved following the meeting with the Union the matter may be referred to arbitration as provided in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other

classifications in the bargaining unit having regard to the requirements of such classifications.

The parties further agree that any change mutually agreed to or awarded as a result of arbitration shall be retroactive only to the date that the Union raised the issue with the Home.

25.05 All hours worked and hours paid during the probationary period of 487.5 hours, shall be counted towards hours required to move from the start rate to the one year rate.

25.06 There shall be three (3) days orientation of new employees. It is understood that these employees shall not be used as a replacement of regular staff.

25.07 Compensation While Attending In-Service Sessions and Staff Meetings

In such case the employees working the afternoon or night shift will be paid during the last shift on the day before the regular pay day.

If the error results in an employee being underpaid by one (1) day's pay or more, the Employer will provide payment for the shortfall within three (3) business days from the date it is notified of the error.

If the Employer makes an overpayment of a day's pay or less for an employee, the overpayment will be deducted on the pay period following the date that the error is discovered. If the error is in excess of a normal day's pay, the Employer will be reimbursed based on a mutually satisfactory arrangement between the employee and the Employer.

ARTICLE 28 – INTERPRETATION
