Any settlement proposed by the Employer at levels one and two and any replies must accompany the grievance when it is presented at the third level to the person designated as the final level. The person designated as the final level shall reply to the grievance in writing to the employee within fifteen (15) working days from the date the grievance was presented at the third level. Should the employee not receive a reply or satisfactory settlement of the employee's grievance within fifteen (15) working days from the date on which the employee presented the employee's grievance at the final level, the employee may refer the employee's grievance to Adjudication as provided in Article 13 hereof, within fifteen (15) working days of the date on which the employee should have received a reply from the person designated as the final level.

12.04 In determining the time in which any step under the foregoing proceedings is to be taken, Saturdays, Sundays and recognized holidays shall be excluded. 12.05 Both parties may mutually agree in writing to extend the time limits specified herein.

12.06 Any matter giving rise to a dispute directly between the Union and the Employer shall be processed at Step Three of the grievance procedure within twenty (20) working days of the occurrence thereof. 13.02 Where a grievance that may be presented by the employee to adjudication is a grievance relating to the interpretation or application in respect of the employee of a provision of a Collective Agreement or an Arbitral Award, the employee is not entitled to refer the grievance to adjudication unless the Bargaining Agent for the Bargaining Unit to which the Collective Agreement or Arbitral Award applies signifies in a prescribed manner:

(a) its approval of the reference of the grievance to adjudication; and

(b) its willingness to represent the employee in the adjudication proceedings.

13.03 In any case including cases arising out of any form of discipline or the loss of any remuneration, benefit, or privilege, the Adjudicator or Board of Adjudication shall have full power to direct payment of compensation, vary the penalty, or direct reinstatement of a benefit or privilege, or to affirm the taking away of such benefit or privilege as he may determine appropriate to finally settle the issue between the Parties, and may give retroactive effect to its decision.

13.04 An adjudicator or Board of Adjudication shall not have the power to alter or change any of the provisions of this Agreement or to substitute any new provision for any existing provision nor to give any decision inconsistent with the terms hereof.

ARTICLE 14 - DISCIPLINE

14.01 An employee may be disciplined by oral or written reprimand, suspension with pay, suspension without pay, or discharge.

14.02 (a) No employee who has successfully completed his probationary period shall be disciplined except for just cause.

(b) Pending investigation of an incident, an employee may be relieved of duties and required to leave the premises of the establishment in which the employee works during which time the employee shall continue to be paid. Unless the investigation results in disciplinary action, no record of the incident will be placed in the employee's personnel file.

14.03 Where an employee is disciplined by suspension or discharge, the Employer shall, within ten (10) working days from the date of such discipline, provide the employee with written reasons for such disciplinary action including any relevant dates.

14.04 Failure of the Employer to provide such written reasons within the time period required by Article 14.03 shall result in immediate reinstatement of the employee.

14.05 Where an employee alleges that the employee has been suspended or discharged in violation of Article 14.02, the employee may within twenty (20) days of the date of the employee's suspension or discharge invoke the grievance procedure including adjudication as set out in this agreement and for the purpose of a grievance alleging violation of Article 14.02, the employee shall lodge the employee's grievance at the final level of the grievance procedure.

14.06 The employee shall, when grieving a disciplinary action, state the Article or Articles of this Agreement which the employee alleges have been contravened by the Employer. The consideration of the grievance, including adjudication, shall be limited to such Article or Articles which the employee has so alleged to have been contravened.

14.07 Where it is determined that an employee has been disciplined by suspension without pay or by discharge in violation of Article 14.02 then the employee shall be immediately reinstated in the employee's former position without loss of seniority or any other benefit which would have accrued to the employee if the employee had not been suspended or discharged. One of the benefits which the employee shall not lose is the employee's regular pay during the period of suspension or discharge, which shall be paid to the employee at the end of the next complete pay period following the employee's reinstatement.

14.08 A suspension without pay or discharge shall be effective on the date that the employee is given oral notice or on the date specified in notice in writing given by personal service or by registered mail or by certified mail, but in the case of written notice shall be no later than the date notice is received by the employee.

14.09 For the purposes of this Article 14, there shall be only one official personnel file, the location of which the employee shall be advised. Upon a reasonable request made during normal working hours, an employee shall be given, in the presence of a representative of the employer and if requested, while accompanied by a representative of the Union, an opportunity to read all documents relating to the assessment of his or her conduct or work performance that are held in the employee's official personnel file. If requested at such time an employee will be provided with a photocopy of such documents.

14.10 A record of disciplinary action shall be removed from the official file of an employee upon the expiration of a period of eighteen (18) months following the effective date of the disciplinary action, provided no other instance of disciplinary action in respect of the employee has been recorded during this eighteen (18) month period.

14.11 Where the Employer pre-arranges a meeting with an employee for the purpose of discussing impending disciplinary action as per 14.01 hereof, the employee shall be advised in advance in order that the employee may, at the employee's option and within reasonable time limits, arrange to have a Union representative attend the meeting.

14.12 The Employer agrees not to introduce as evidence in a hearing relating to disciplinary action any document from the file of an employee, the existence of which the employee was not aware two (2) calendar weeks prior to the time of said hearing.

14.13 An oral reprimand shall not be recorded on an employee's records and the Employer is not to provide an employee with written reasons for such disciplinary action.

14.14 The Employee will be provided with a copy of all documents entered in his file. No document entered without his knowledge may be used against that employee.

ARTICLE 15 - SENIORITY

15.01 When an employee has completed his probationary period, his seniority shall date back to his commencement date within the Bargaining Unit.

15.02 Where an employee is promoted or transferred out of the Bargaining Unit and is later returned, he shall return to the employee's former or a higher classification and shall not suffer any loss of seniority as a result of the temporary promotion or transfer.

15.03 An employee who ceases to be on the payroll of the Employer shall lose his seniority unless:

- (a) he is on approved leave of absence;
- (b) he is absent from work while drawing Workers' Compensation Benefits;
- (c) he has been discharged or suspended without pay and reinstated; or
- (d) he is laid off for a period not in excess of twelve (12) months.

15.04 An employee who:

- (a) is on approved leave of absence without pay which exceeds one-half (1/2) the number of working days in any month;
- (b) is suspended without pay;
- (c) participates in a strike or other work stoppage;
- (d) as a seasonal employee is on inactive status; or
- (e) is laid off,

shall not accumulate seniority during such period.

15.05 The Employer shall prepare seniority lists of employees in the Bargaining Unit by Department or Corporation and shall make these lists available to the Union during January of each year. The list(s) shall include the classification, continuous service date, employee status, days of accumulated seniority for each employee and Region or District of employment.

ARTICLE 16 - COMPETITIONS AND APPOINTMENTS

16.01 Where the Employer decides to fill a vacant position, the position shall be filled in accordance with the *Civil Service Act* and Regulations where applicable.

16.02 Where there is a competition to fill a vacancy or anticipated vacancy in the Bargaining Unit, the Employer shall post notices of such competition in the buildings out of which the employees who may be eligible to enter the competition work. The Employer may also post notices of such competition electronically. Such notice shall be posted until the competition closing date, or for ten (10) working days, whichever is greater.

16.03 The notice referred to in Article 16.02 shall contain the following information:

- (a) description of the position;
- (b) location of the position;
- (c) required qualifications; and
- (d) the wage rate or range.

16.04 Where the Employer decides to fill a vacant position in Departments/Agencies not covered by the *Civil Service Act*, such position shall be filled on the basis of skills, qualifications and ability as between competing applicants. Where an employee who is not governed by the provisions of the *Civil Service Act* wishes to appeal the filling of a vacant position, such matter shall be made subject to the grievance procedure and referable to adjudication for resolution.

ARTICLE 17 - LAYOFF AND RECALL:

17.01 A layoff for the purpose of this Agreement shall be defined as a termination of employment because of lack of work or because of the discontinuance of a function.

17.02 In the event of a layoff, the Union and Employer shall meet and discuss the appropriate manner of effecting this layoff, including what displacements, if any, will occur and what recall rights the affected employee(s) may have.

17.03 Where layoffs occur in the Bargaining Unit, employees shall have the rights and protections provided under the *Civil Service Act* and Regulations.

17.04 The parties recognize that pursuant to section 63(2) of the *Public Service Labour Relations Act* that when conflict occurs between the provisions of this article and the *Civil Service Act*, the *Civil Service Act* shall prevail.

17.05 In the event of a layoff and where qualifications, skills and ability are equal, layoff shall be in reverse order of seniority within the classification series within the head office branch, district or region of the Department or Agency where the lack of work or discontinuance of a function has occurred.

17.06 Prior to laying off a full-time, part-time or seasonal employee, the Employer shall first release a casual person, casual employee or term employee provided the employee identified for layoff has the qualifications, skills and ability to satisfactorily perform the work of the individual to be released.

17.07 Subject to Section 63(2) of the *Public Service Labour Relations Act*, employees shall be recalled in the reverse order they were laid off. Recall shall be subject to the employee having the qualifications, skills and ability to perform the duties of the position. Employees laid off shall be given preference to job opportunities, prior to hiring of new persons, in other classifications if they are qualified, have the skills and ability to perform the work available.

17.08 For employees not covered by the provisions of the *Civil Service Act*:

(a) Where the Employer intends to layoff an employee in the Bargaining Unit, the Employer shall provide the employee with at least two (2) months notice in advance of such layoff.

(b) Such laid off employees shall be recalled to fill any positions for which they are qualified before new employees are hired to fill any positions in the Bargaining Unit. This provision is in effect for a period not to exceed twelve (12) months from time of layoff.

(c) In addition to the protections and rights under 17.07 (a) and (b) above, reverse seniority shall apply to layoffs. For the purposes of layoff and bumping rights, seniority shall be computed on the basis of length of service within the Bargaining Unit and in the case of equal seniority within the department, corporation or agency. Bumping rights shall be limited to bumping within the employee's Department Corporation or Agency and within the same classification series. That is, employees with less seniority shall be laid off before employees with greater seniority in that classification or a higher classification by department, corporation or agency provided the employee with greater seniority is willing to move to the lower classification and is qualified to do the job.

(d) Notwithstanding 17.07 (c) hereof, where layoffs occur in the Bargaining Unit, casual, temporary, and probationary employees who have not yet completed their initial probation period shall be laid off first, in that order.

17.09 Seasonal Inactive Status and Recall

In the event of seasonal civil servants being placed on inactive status, reverse seniority shall apply: that is employees with less seniority in a classification or a lower classification shall be placed on inactive status before employees with greater seniority in that classification or a higher classification provided the employee with the greater seniority is willing to move to the lower classified job, except that no one may claim on the basis of seniority work in an occupation for which he is not qualified or does not have the required ability.

In no case will an employee classified as a seasonal civil servant exercise seniority rights until seniority rights of regular employees have been exhausted.

In the event of recall, employees shall be recalled in order of seniority provided they are qualified and have the required ability.

When the Employer intends to place a seasonal civil servant on inactive status the employee shall be given not less than ten (10) working days written notice. This clause does not apply to seasonal civil servants recalled for short duration of less than ten (10) days for purposes of training.

23.06 Vacations shall not be cumulative from year to year provided that vacation entitlement may be carried over to a subsequent year at the sole discretion of the Employer. **SCHEDULE B
POINTS GUIDE**

The following table is intended for use as a guideline in determining the amount of financial assistance received by the employee. The application may be awarded 1, 2 or 3 points under each of the three columns. The points awarded under each column are added to the total number of points for the application. The maximum financial assistance received by the employee is determined by applying the appropriate percentage for the table to the total cost of the proposed training. For example if an application was awarded 2 under each of columns 1, 2 and 3 respectively, this would be a total of 6 points. Applying the percentage guide the employee would be eligible to receive a maximum of 60% of salary and all other expenses to which the department and/or Board of Management may wish to apply the formula. A copy of the completed points guide must be attached to each application for Educational Leave.

Where the application under consideration is for developmental purposes as a result of a career plan for the employee, the criteria in the Points Guide may be interpreted to refer to the proposed job or duties rather than the employee's present job.

Relationship Between Job Duties and Proposed Training	Main Beneficiary of Proposed Training	Need for Proposed Training
1. Useful but not related	Mostly employee	Employee needs to directly attain minimum education standards of present job
2. Generally related to duties of employee	Equally between employee and organization	Employee needs to keep up with new knowledge and techniques
3. Very specifically related to major portion of employee's duties	Mostly organization	New or potential duties or responsibilities require this training for efficient operation of program

SCHEDULE C

EDUCATIONAL LEAVE PROVISIONS

Any resemblance between this Addendum and the Non-Bargaining Personnel Policies is purely coincidental.

.01 An employee must have completed the probationary period before being considered for educational leave.

.02 (1) An employee on education leave may be granted financial assistance which may include all or a portion of the following costs: Employee salary, tuition, travel expenses, meals and lodging, books, registration or examination fees, and any other related legitimate expenses.

(2) An employee who is granted Long Term or Special Educational Leave, must sign a non-interest bearing promissory note for the amount of financial assistance received excluding the costs of salary of a replacement employee, and a Return Service Agreement.

(3) The period of Return Service specified in a Return Service Agreement is to be for a minimum period of 12 months, or equal to the length of the education leave granted if greater.

(4) Where an employee does not complete the Return Service Agreement, the promissory note is credited with an amount that bears the same ratio to the cost of the training as the completed service bears to the total Return Service Agreement. The remaining balance of the promissory note will be processed for collection unless waived.

(5) An employee who does not satisfactorily complete the course or training ceases to be entitled to financial assistance but must fulfill any financial and return service commitments on a prorata basis. This requirement may be waived where the failure to satisfactorily complete the course or training was due to a cause beyond the employee's control.

.03 (1) An employee on educational leave is eligible to accumulate sick and vacation leave credits. No carry over of vacation leave credits is permitted where educational leave is granted for a period of 12 months or more.

(2) A merit increase cannot be granted to an employee on long term or special educational leave but may be granted effective the first day of the month in which the employee returns to work.

.04 (1) In determining the amount of financial assistance to be paid by the Employer, the percentage figure derived from the attached points guide may be applied to all or any part of the items included in the total financial assistance requested. The points guide must be used to calculate the proportion of salary to be reimbursed while on long term or special education leave.

(2) Where an employee on educational leave received other financial assistance from the Province which need not be repaid, the benefits under this Educational Leave Policy may be reduced accordingly.

.05 (1) Short Term Educational Leave may be granted for the purpose of taking professional; technical or skills training where the employee will be absent from work for a period of 30 working days or less.

(2) Expenses for transportation, board and lodging cannot exceed the maximum allowance permitted in the Travel Directive.

.06 (1) An employee may be granted a Tuition Refund upon successful completion of courses that do not require the employee to be absent from work, or require only brief absences.

(2) where an employee is eligible for a Tuition Refund, the employee may also be granted:

- (a) Leave of absence with pay for the purpose of writing examinations;
- (b) Payment of expenses of writing the examinations;
- (c) Payment of travelling expenses in accordance with the Travel Regulations.

.07 (1) an employee may be granted Long Term Educational Leave for the purpose of taking professional, technical or skills training where the employee will be absent from work for a period in excess of 30 working days.

(2) subject to .04 an employee may be granted financial assistance to help cover the cost of the following expenses:

- (b) Travel expenses to and from the place of training once during the period of educational leave, in accordance with the Travel Regulations.
- (c) Books.
- (d) Other agreed expenses directly related to the proposed course or training.

.08 (1) An employee may be granted special Educational Leave when selected by Government to attend École Nationale D'administration, École National D'administration Publique, National Defence college or a similar institution.

(2) Subject to .04 an employee may be granted financial assistance to help cover the following expenses;

- (a) Tuition, where the claim is supported by a receipt.

LETTER OF AGREEMENT

BETWEEN

BOARD OF MANAGEMENT

AND

NEW BRUNSWICK UNION OF PUBLIC AND PRIVATE EMPLOYEES

ENGINEERING AND FIELD GROUP

Re: Implementation of the Joint Job Evaluation Study Results

Whereas the parties have completed a joint job evaluation study using the Hay Guide Chart-Profile Method of classification examining the internal relativities of the jobs covered by this collective agreement, and

Whereas the parties have previously agreed that the results of the joint job evaluation study will form the basis of negotiations of this collective agreement, and

Whereas the parties have agreed upon and accepted the results of the joint job evaluation study,

The parties agree that the results of the joint job evaluation study shall be implemented starting December 1, 2012, according to the following:

1. Pay treatment on implementation

- (a) The results of the joint job evaluation study will be implemented in two phases. The first phase will be effective December 1, 2012. The second phase will be effective December 1, 2013.
- (b) In the first phase, effective December 1, 2012, eligible employees are limited to no more than one pay group movement.
- (c) In the second phase, effective December 1, 2013, employees deemed eligible for additional pay group movement, beyond that already applied in the first phase, will be eligible for any remaining group movement for full implementation of the study results.
- (d) Movement from one pay group to another during the first or second phases, for the purposes of implementation, does not constitute a promotion. On December 1, employees will be placed on the step with a value closest to, but not less than, the employee's rate of pay in effect on the preceding November 30.
- (e) When placing employees on a step in the new pay group during the first and second phases, the placement shall occur prior to any general economic increases to the grid that may occur on December 1.
- (f) Notwithstanding Article 21.07 (d), if, as a result of implementation of the study results, an employee occupies a job that has been deemed to be in a lower pay group than that held by the employee on November 30, 2012, that employee will be placed on the step in the new pay group with the value closest to, but not less than, the employee's rate of pay in effect November 30, 2012. If the employee's rate of pay in effect November 30, 2012, exceeds the discretionary maximum rate of pay for the new pay group, then

the employee will be deemed “red-circled” until such time as the maximum rate of the new pay group reaches the employee’s red-circled rate of pay.

- (g) The implementation of the study results will not affect the anniversary date of an employee.

2. Classification structure on implementation

- (a) Between the date of signing of this collective agreement and November 30, 2012, employees classified within a flexible series of Engineering Technician I to III or Engineering Technician I to IV may continue to progress through the flexible series.
- (b) With the exception of movement within a flexible series described in (a) above, between the date of signing of this collective agreement and November 30, 2012, employees are not eligible for reclassifications.
- (c) Implementation of the Hay Guide Chart-Profile Method of classification shall take effect December 1, 2012.
- (d) Classification specifications in effect November 30, 2012, shall be deleted and replaced with the new generic classification specifications of Engineering and Field Levels 1 through 8.
- (e) Effective December 1, 2012, employees may submit requests for reclassification under the new classification structure. Any change in classification resulting from requests submitted between December 1, 2012, and November 30, 2013, will be considered part of the implementation of the study and will be implemented according to the phased-in approach described above (i.e. does not constitute a promotion, and no more than one pay group move between December 1, 2012, and November 30, 2013). The effective date of the change in classification will be the beginning of the pay period the completed job documentation is date-stamped received by the Human Resources Branch of the employing department. Under no circumstances will the effective date be prior to December 1, 2012.

3. Classification Maintenance

- (a) Classification decisions shall be based on the application of the Hay Guide Chart-Profile Method of classification.
- (b) The parties agree to establish a Joint Maintenance Committee and a Joint Steering Committee for classification.
- (c) The Joint Maintenance Committee shall consist of not more than three (3) representatives from each party.
- (d) The Joint Steering Committee shall consist of not more than one (1) representative from each party.
- (e) Each party shall be responsible for the expenses of its members.
- (f) Prior to December 1, 2012, the Joint Maintenance Committee shall meet and develop terms of reference for approval by the Joint Steering Committee. By mutual agreement, the Joint Maintenance Committee may call upon additional resources to address specific issues in the development of the terms of reference.

- (g) The Joint Maintenance Committee shall have the authority to consider and decide on employee classification requests following approval of the terms of reference by the Joint Steering Committee, but not before December 1, 2012.
- (h) The Joint Maintenance Committee shall meet as required. A decision of the Joint Maintenance Committee shall be final and binding.
- (i) In the event that the Joint Maintenance Committee is unable to reach consensus on any matter referred to the Committee, the matter shall be referred to the Joint Steering Committee.
- (j) The Joint Steering Committee shall consider any matter referred to it by the Joint Maintenance Committee, and provide a decision that is final and binding.
- (k) Effective December 1, 2012, the following language will replace the current collective agreement articles 21.02, 21.03 and 21.04:

Article 21 – Payment of Wages and Allowances

21.02 The Union recognizes the Employer's exclusive right to assign duties and classify the positions of employees.

21.03 If a new classification comes into being during the life of this Agreement, or there is a significant change in the level of duties, responsibilities, or qualification requirements of an existing classification, the pay shall be determined in relation to the points allocated to the classification in the evaluation process as agreed between the Employer and the Union. The Employer may set an interim wage rate for such classification.

21.04 (a) Where an employee feels that the employee has been incorrectly classified, the employee may submit the matter for review to the Joint Maintenance Committee for determination. A decision of the Joint Maintenance Committee shall be final and binding.

21.04 (b) In the event that the Joint Maintenance Committee is unable to reach consensus on any matter referred to the Committee, the matter shall be referred to the Joint Steering Committee.

21.04 (c) The Joint Steering Committee shall consider any matter referred to it by the Joint Maintenance Committee and provide a decision that is final and binding.

Re: Employees Whose Pay Rate is Red-Circled as a Direct Result of the Joint Job Evaluation Implementation

Notwithstanding Article 21.07 (d), the Employer agrees to provide each employee whose pay rate is red-circled as a direct result of the Joint Job Evaluation Implementation with a lump-sum payment equal to the general economic increase and a lump sum payment equal to the 2.5% wage adjustment for the discontinuance of the retirement allowance. The calculation for lump-sum payments shall be based on the affected employee's red-circled rate of pay. Lump-sum payments will be made December 1, 2014 (.5%), June 1, 2015 (.5%), December 1, 2015 (.5%), June 1, 2016 (.5%), December 1, 2016 (.5%), June 1, 2017 (.5%), December 1, 2017 (.5%), June 1, 2018 (.5%), December 1, 2018 (.5%), June 1, 2019 (.5%), December 1, 2019 (.25%) and February 29, 2020 (2.5%).

When the rate of pay for the applicable job rate catches up to an affected employee's red-circled rate of pay prior to the expiration of this agreement, the affected employee will be placed "on step" and will no longer be eligible for lump sum payments. In all cases, these lump sum payments will be discontinued no later than February 29, 2020.

This letter of agreement will terminate on the date of signing of a new collective agreement at which time, each employee whose pay rate is red-circled will be placed on step at the applicable job rate.

MEMORANDUM OF AGREEMENT

between

NEW BRUNSWICK BOARD OF MANAGEMENT (the “Employer”)

and

THE NEW BRUNSWICK UNION OF PUBLIC AND PRIVATE EMPLOYEES, GROUP: ENGINEERING AND FIELD (the “Union”)

Further to An Act to Amend the Public Service Labour Relations Act, S.N.B. 2010, c. 20 (the “Act”), which received Royal Assent on April 16, 2010, the Parties enter into this Memorandum of Agreement pursuant to Section 10 of the Act, and set forth the following provisions, which are binding on the Employer, the Union, and the employees in the bargaining units for which the Union has been certified:

PART I – Definitions

“Collective Agreement” means the collective agreement presently in effect between the Parties with respect to the Engineering and Field bargaining unit.

“Previously Excluded Casual Employee” means a person who is doing the work of classifications represented by the Union pursuant to Certification Order Number 013 PS 2c, who is employed:

- (a) on a temporary basis to respond to a temporary increase in workload;
- (b) on a temporary basis to replace an absent employee; or
- (c) on a recurring seasonal basis who has not been so employed for a continuous period of six months; and

who, immediately prior to June 17, 2010, would have been excluded from the definition of “employee” under Section 1 of the Public Service Labour Relations Act, R.S.N.B. 1973, c. P-25, because of being employed on a casual or temporary basis and had not been so employed for a continuous period of six months.

PART II – Amendments to Collective Agreement

This Part of the Memorandum of Agreement amends the collective agreement, and these amendments will apply to all workers represented by the Union.

Article 1 – Definitions

Article 1.04

The definition of “Employee” is hereby amended by deleting “(b) a person employed on a casual or temporary basis unless so employed for a continuous period of six months or more.” The definition of “Employee” shall therefore be:

1.04 “Employee” shall mean a person employed by the Employer to carry out the functions normally performed by employees appointed to any of the Classifications assigned to this Unit, other than a person not ordinarily required to work more than one third (1/3) the number of hours stipulated as the normal workweek.

Article 1.05

The definition of “Casual or Temporary Basis” is hereby deleted, and replaced with the following definition of “Casual Employee:”

1.05 “Casual Employee” means an Employee who is employed:

- (d) on a temporary basis to respond to a temporary increase in workload;
- (e) on a temporary basis to replace an absent employee; or
- (f) on a recurring seasonal basis who has not been so employed for a continuous period of six months.

PART III – Terms and Conditions of Previously Excluded Casual Employees

Only the following terms and conditions shall apply to Previously Excluded Casual Employees.

Status of Employment

In accordance with section 63.1(2) of the Public Service Labour Relations Act, a collective agreement shall not provide, directly or indirectly, for the alteration or elimination of an existing term or condition of employment or the establishment of a new term or condition of employment if the alteration, elimination or establishment, as the case may be, has the effect of giving a casual employee permanent employee status.

As per the above, it is understood that Previously Excluded Casual Employees do not hold permanent employment within the Public Service.

Seniority

Seniority for Previously Excluded Casual Employees shall be the number of hours of service in casual employment, excluding overtime, in Part I of the Public Service from June 17, 2010. Service will only include hours actually worked by the Previously Excluded Casual Employee.

Effective the date of signing of this Memorandum of Agreement, a Previously Excluded Casual Employee shall lose his/her seniority if there is a break in casual employment of more than twelve (12) months.

The Employer shall prepare a list of Previously Excluded Casual Employees and shall make this list available to the Union by February 1st of each year.

Seasonal Recall

Subject to the availability of work, a Previously Excluded Casual Employee is eligible for recall to seasonal casual work for which he or she was previously employed. Recall shall be based on seniority and satisfactory work performance. Where the Employer determines that more than one Previously Excluded Casual Employee has performed such work satisfactorily, the employee with greater seniority shall be given preference for seasonal recall.

Union Dues

The Employer shall deduct union dues from all Previously Excluded Casual Employees commencing thirty (30) days from date of signing of this Memorandum of Agreement, or within such reasonable period of time as can be accommodated within the payroll system.

Rate of Pay

A Previously Excluded Casual Employee shall be paid at the highest of the following rates:

- (a) eighty percent (80%) of the minimum rate payable under the Collective Agreement for the classification in which the Previously Excluded Casual Employee is working, or
- (b) the rate paid to the Previously Excluded Casual Employee immediately prior to the commencement of this agreement.

The rate of pay for a Previously Excluded Casual Employee may be higher than eighty percent (80%) of the minimum rate prescribed for the applicable classification if, in the opinion of the Employer, such higher rate is deemed necessary.

Vacation

In addition to the applicable rate of pay,

(a) Previously Excluded Casual Employees who have less than eight years of continuous employment with the employer shall be paid four percent (4%) of their straight time hourly rate of pay for all hours worked in lieu of vacation.

(b) Previously Excluded Casual Employees who have eight or more years of continuous employment with the employer shall be paid six percent (6%) of their straight time hourly rate of pay for all hours worked in lieu of vacation.

Holidays

The seven (7) public holidays are New Year's Day, Good Friday, Canada Day, New Brunswick Day, Labour Day, Remembrance Day and Christmas Day, and includes any day substituted for one of those days under the *Employment Standards Act*.

A Previously Excluded Casual Employee shall receive pay for public holidays in accordance with the *Employment Standards Act*.

Grievances

A Previously Excluded Casual Employee shall have the right to present a grievance with respect to the interpretation, application, or administration of any term or condition of employment accorded him or her under this Memorandum of Agreement.
