APPENDIX “A” - REMOTENESS ALLOWANCE

1.01 Remoteness allowances shall be paid to employees subject to the eligibility criteria and conditions laid down in this article.

1.02 Eligibility Claim

A notarized eligibility claim, in a standard format to be determined by the Employer in accordance with the provisions of this article for the payment of dependent's or single rate of allowances, shall be submitted to the Employer when first requesting the allowance, and renewed not less frequently than annually thereafter, normally prior to the fiscal year or where any change in dependents claimed arises.

1.03 Single or Dependent's Allowance

Subject to Section .05, the single allowance will be paid to employees that have established a residence and maintain a home in a location designated as a remote location and who are eligible for the payment of a remoteness allowance. Claims for dependent's allowance will be subject to Sections .04 and .05 and to the following criteria and conditions.

The employee shall be supporting one (1) or more dependents where a dependent includes:

- (a) marital partner living with and dependent on the employee for main and continuing support;
- (b) an unmarried child under eighteen (18) years of age;
- (c) an unmarried child over eighteen (18) years but under twenty-one (21) years if in full-time attendance at school or university or similar education institution;
- (d) an unmarried child of any age if physically incapable or mentally disturbed, provided such a child is dependent on the employee for support.

1.04 There is a presumption of marriage evidenced by co-habitation. If a marriage contract is not in existence, a common-law arrangement between the marital partners must have been in existence for at least one (1) year prior to the application for dependent's rate.

1.05 Where both marital partners are employees of the **MBLL** or the Government of Manitoba in any department, board, agency or commission to which this Agreement or the Government Employees' Master Agreement or the Civil Service Regulations covering remoteness allowances apply, but subject to Section .06 that follows, the dependent rate shall be paid to one (1) partner only and the other partner will not receive either the dependent or single rate of remoteness allowance.

1.06 Where both marital partners are employees of the **MBLL** or the Government of Manitoba in any department, board, agency, or commission to which this Agreement or the Government Employees' Master Agreement or the Civil Service Regulations covering remoteness allowances apply, the dependent rate will be paid to the permanent employee, if the other partner is temporary or departmental, or the first employee to be hired on a permanent basis, otherwise to the first employee hired. Where specially requested by both employees in writing, the dependent's rate may be divided and equal amounts (to the nearest cent) paid to each employee.

1.07 Locations and Residence

The remoteness allowance applicable to the location at which the employee has established the employee's residence and maintains a family home is normally that which prevails; since the residence would be within normal daily travel distance to the employee's headquarters. Where there is doubt as to whether the employee's residence is established in relation to the employee's headquarters, the location for remoteness allowance shall be determined by the Employer. Where there is no community in relation to which the employee has residence, for which an allowance can be established, the nearest community to the designated employee's workplace shall be considered to be the location for the allowance.

1.08 Employees Hired on a Part-time Basis

Remoteness allowances are to be prorated for part-time employees.

1.09 Limitations

The remoteness allowances for the various communities, for single or dependents as indicated, represent a maximum biweekly allowance relative to paid employment. They are payable during paid holidays and vacations taken during continued employment, during authorized paid sickness leave, during continued employment, and as limited in Section .08 above for hourly-rated employees. They are not payable during periods of absence without pay. They are not included as part of regular earnings.

1.10 Rates

The biweekly remoteness allowances relative to each location at single and dependent rates are attached. Communities in an eligible area for which no allowance has been established may be added to the list in accordance with the government formula.

1.11 Geographic Eligibility

No location will be included for remoteness allowance that is two hundred and fifty (250) kilometers or less from the centre of the metropolitan area of the City of Winnipeg or the City of Brandon, unless that location is a distance of sixty-five (65) kilometers or more by the most direct road to a provincial trunk highway or paved provincial road, and the aggregate distance to the highway or paved road and then to Winnipeg or Brandon totals two hundred (200) or more kilometers. No location having road access and situated south of the fifty-third (53rd) parallel of latitude will be included unless the criterion concerning off-highway access was met.

<i>Biweekly Remoteness Allowances</i>

Article AX - Workers’ Compensation

- AX.01 When an employee is unable to work and is in receipt of Workers’ Compensation allowances as a result of an injury incurred in the course of the employee’s duties, the employee may elect to be paid an additional amount which, when combined with the compensation allowance, shall ensure the maintenance of net salary. Such additional amount shall be chargeable to the employee’s sick leave credits accrued at the time the employee commenced receipt of Workers’ Compensation allowances and such additional payments shall be payable until the employee’s accrued sick leave credits have been exhausted. Net salary shall be as determined by the WCB.
- AX.02 Notwithstanding AX.01, an employee’s pay may only be “topped up” by ten percent (10%) of net salary.
- AX.03 If, at any time, it is decided by the WCB that the additional amount in AX.01 or AX.02 must be offset against benefits otherwise payable by the WCB, then such additional amount shall not be payable.

Article BX - Vacation

BX.01 Employees shall earn vacation leave credits on the following basis:

- (a) An employee who has completed nine (9) or more years continuous service at the conclusion of the vacation year shall receive vacation leave (hours) at the rate of ten percent (10%) of regular hours paid in the concluding vacation year, to a maximum of two hundred (200) hours. The vacation leave is to be taken in the next year.
- (b) An employee who has completed nineteen (19) or more years continuous service at the conclusion of the vacation year shall receive vacation leave (hours) at the rate of twelve percent (12%) of regular hours paid in the concluding vacation year, to a maximum of two hundred and forty (240) hours. The vacation leave is to be taken in the next vacation year.

Article CX - Sick Leave

It is noted that the five (5) employees listed in this Appendix who currently still accrue sick leave will continue to do so up to and including March 31, 2016. Their sick hours accumulated under the previous sick leave program will then be grandfathered in a separate bank and they will draw down on that bank until such time as it becomes depleted. Relevant language already exists in Article 32: Discretionary Leave Time. Effective April 1, 2016, they will receive discretionary leave time (DLT) as per the Collective Agreement.

These five (5) employees will not be eligible to receive the twenty-four (24) hours of DLT upon ratification (because they will continue to accrue sick leave until the end of this fiscal year).

CX.01 An employee who has been absent because of sickness for a period of more than three (3) consecutive working days shall furnish, when requested by the Employer at any time during or after this period of sickness, a medical certificate or sworn statutory declaration certifying the employee is or was unable to be present at work because of the illness. Where an employee fails to produce a medical certificate or statutory declaration acceptable to the Employer, the employee shall not be entitled to be paid for the period of absence.

CX.02 An employee who has been absent because of sickness for a period of three (3) working days or less may be required to furnish, when requested by the Employer, either a medical certificate or a sworn statutory declaration as required under **CX.01**. Failure to produce a certificate or statutory declaration acceptable to the Employer will result in a loss of pay for the period of absence.

- CX.03** Where an employee becomes ill during the period of the employee's scheduled annual vacation, the Employer may grant sick leave and credit the employee with alternate days vacation equivalent to the number of days approved sick leave providing the illness is over three (3) days and may require hospitalization. The employee will be responsible to provide proof of the illness and/or hospitalization satisfactory to the Employer.

Article DX - LTD Income Plan

- DX.01** The parties agree to the continuation of the Employer-paid LTD Income Plan for Appendix "X" employees. Contents of the Plan shall be the same as that of the Employees' Master Agreement and altered identically when changes are made.
- DX.02** Notwithstanding, Article 27.01, seniority for Appendix "X" employees shall include any sick leave without pay necessary to satisfy the elimination period of the LTD Income Plan.

Article EX - Severance Pay

- EX.01** Employees with nine (9) or more years of continuous employment whose services are terminated as a result of retirement in accordance with the provisions of the *Civil Service Superannuation Act*, or death, shall be paid, or to the employee's estate in the event of death, severance pay in the amount of one (1) week's pay for each complete year of continuous employment or portion thereof, but the total amount of severance pay shall not exceed fifteen (15) weeks' pay. (Example: 10 years, 8 complete months of continuous service equals 10 ⁸/₁₂ years of continuous service for purposes of calculation.)
- EX.02** Where an employee in the employee's ninth (9th) year of continuous service fails to complete nine (9) years' continuous service as a result of retirement in accordance with the provisions on the *Civil Service Superannuation Act* or death, the employee shall be paid, or to the employee's estate in the event of death, severance pay on the basis of nine (9) weeks' complete months service completed in the employee's ninth (9th) year divided by twelve (12) months.
- EX.03** Employees with three (3) or more years of continuous employment whose services are terminated as a result of permanent layoff shall be paid severance pay in the amount of one (1) week's pay for each complete year of continuous employment or portion thereof, but the total amount of severance pay shall not exceed twenty-two (22) weeks' pay.
- EX.04** The rate of pay referred to in this article shall be determined on the basis of the last regular biweekly rate of pay, excluding allowances, which was in effect for the employee at the time of retirement, permanent layoff, or death. The rate of pay shall be determined on the basis of the applicable workweek.

EX.05 In the case of employees eligible for severance pay who are on standby or temporary layoff at the time of retirement, permanent layoff or death, the weekly hours shall be the normal weekly hours of work in effect for the classification of the employees at the time of the retirement, permanent layoff, or death.

Family Related Leave

FX.01 An employee shall be entitled to up to fifty-six (56) hours leave with pay in each fiscal year to be granted on the recommendation of the Department Managers as follows and charged against the employee's sick leave credits:

- (a) the leave shall be for the purpose of attending to family responsibilities which are immediate and unavoidable and which necessitate the employee's absence from work;
- (b) the family responsibilities of the employee could not reasonably be accommodated by some other person or in some other way or at some other time;
- (c) the amount of leave is intended to cover the period until appropriate alternative arrangements can be made.

FX.02 An employee's sick leave accumulation will not be reduced to less than one hundred and twelve (112) hours at anytime as a result of the application of this provision.

RE: MEALS AND MISCELLANEOUS EXPENSES

MEALS ELIGIBILITY FOR CLAIMS

1.01 Breakfast/Lunch/Dinner Expense Claims

An employee may only claim for the cost of meals when they are outside the metropolitan or urban area within which they work and:

- (a) The employee has been traveling for more than one (1) hour on the Corporation's business before the recognized start of the employee's work day, or
- (b) The employee is away from the employee's normal place of work disrupting the employee's normal mid-day or mid-shift meal arrangements, or
- (c) The employee has been traveling on Corporation business and is not expected to arrive back to the employee's residence before 7:30 p.m.

In those situations **outlined** above, the employee must provide a receipt so as to claim the cost of the purchased meals up to the maximum amounts outlined in this Collective Agreement.

The inability of the employee to return to the employee's home or residence does not constitute grounds for claim for the cost of a purchased meal.

Any extension of working hours at the normal place of work is covered under Article 3 - Meal Allowances during Overtime Work. No other meal claims except as provided in this article shall be paid.

1.02 Commercial Gaming

The Employer agrees to continue the current practice of providing a meal allowance to those currently receiving same within Commercial Gaming, **including Lottery Sales**.

However, in continuing this past practice, those individuals receiving this allowance **will** be required to provide receipts so as to claim the cost of purchased meals up to the maximum amounts outlined in this Collective Agreement.

Future employees working in these departments will be covered by article 1.01 above.

MEAL EXPENSES - TRAVEL WITHIN THE PROVINCE

- 2.01 An employee who is eligible may claim the actual cost of purchased meals up to the following maximum amounts:

Individual Meals

	<i>Breakfast</i>	<i>Lunch</i>	<i>Supper</i>	<i>Per Diem</i>
(a) in areas covered by remoteness allowance				
April 1, 2007	\$7.35	\$9.35	\$16.90	\$33.60
April 1, 2012	7.85	9.85	17.40	35.10
April 1, 2013	8.35	10.35	17.90	36.60

	<i>Breakfast</i>	<i>Lunch</i>	<i>Supper</i>	<i>Per Diem</i>
(b) in all other areas				
April 1, 2007	\$6.85	\$8.85	\$15.70	\$31.40
April 1, 2012	7.35	9.35	16.20	32.90
April 1, 2013	7.85	9.85	16.70	34.40

- 2.02 Where a single price or flat rate is charged for meals by the supplier and no other reasonable alternative in the location is available (which may occur in some remote or isolated communities), actual meal expenses exceeding the above maximum may be claimed if supported by a receipt.
- 2.03 **Employees will not be eligible for a meal allowance (per diem) in circumstances where a meal is provided and no cost is therefore incurred by the employee. Employees may opt out of the provided meal and submit a receipt so as to claim the cost of the purchased meal up to the maximum amounts outlined in this Collective Agreement.**

MEAL ALLOWANCES DURING OVERTIME WORK

- 3.01 Extension of Working Day

Where an employee's working day has been extended beyond the standard working day or shift at the normal place of work by EITHER

- (a) at least two (2) hours, exclusive of a dinner or supper break, a meal allowance shall be paid at \$4.80 per day effective April 1, 2007, and \$5.30 effective April 1, 2012 and \$5.80 effective April 1, 2013.

- (b) at least three and a half (3½) hours, exclusive of a dinner or supper break, and allowance equivalent to that payable for “Lunch” in the appropriate area as shown in Article 2 - Meal Expenses - Travel within the Province shall be paid.

3.02 An employee in travel status is not entitled to either of the above allowances.

3.03 Special Emergencies

Where special circumstances arise, i.e. flood control, fire duties, etc. and an employee is required to work extended hours in connection with that emergency, with the authority of senior management, the employee may claim the cost of purchased meals appropriate to the period worked, as provided under Article 2 - Meal Expenses - Travel within the Province.

INCIDENTALS ALLOWANCE

4.01 An employee who is in travel status may claim incidentals allowance for each night of:

- (a) commercial accommodation of \$4.60;
- (b) non commercial accommodation of \$3.20.

4.02 The incidentals allowance covers reimbursement for all incidentals expenses except as provided in Article 6 - Miscellaneous Expenses during Travel.

INCREASES TO RATES

5.01 The rates in Article 2 Meal Expenses - Travel with the Province, Article 3 - Meal Allowances during Overtime Work, and Article 4 - Incidentals Allowance will be determined by the Manitoba Government Master Agreement, **with retroactivity, provided eligible employees bring any affected claims forward with appropriate documentation.**

MISCELLANEOUS EXPENSES DURING TRAVEL

6.01 Gratuities

No gratuities may be claimed. Allowance is made for these in either the individual meal allowances, the per diem allowances, or as part of the claim for meals during travel outside the province.

6.02 Laundry

- (a) Laundry charges must be supported by receipts and may only be claimed where the employee is traveling on Corporation business and overnight away from home accommodation is involved for a period in excess of four (4) consecutive nights.
- (b) No claim may be made where special reimbursement arrangements have been made, such as a weekly or month allowance for living costs.

6.03 Parking

- (a) An employee may claim parking expenses as follows:
 - (i) short-term parking, when the employee is away from the workplace; and
 - (ii) overnight parking where it is not provided with accommodation.
- (b) Parking at an airport or other transportation terminal will only be allowed where the parking cost and the transportation costs to and from the terminal are less than the normal allowable transportation costs, i.e. limousine, taxi or bus, as available.

6.04 Telephone

- (a) Charges for telephone calls necessary for business purposes may only be claimed when they are supported by a listing of the person telephoned in the city or town involved.
- (b) An employee is entitled to claim the cost of long distance telephone calls up to a maximum of \$4.78 for each period of three (3) consecutive nights away from the employee's residence on Corporation business and overnight accommodation is involved.

TRAVEL STATUS - RETURN HOME OVER A WEEKEND

- 7.01 Provided that work schedules permit, an employee in travel status may return home over a weekend and shall be reimbursed travel expenses in an amount not exceeding the cost of maintaining the employee in travel status over the weekend.
- 7.02 If travel is by Corporation vehicle this cost should be evaluated at the per kilometer rate applicable for personal distance traveled for that class of vehicle.

ACCOMMODATIONS

- 8.01 Employees traveling on Corporation business are entitled to standard hotel room accommodation with a bath when available.

8.02 The type, standard and cost of accommodation, and the period for which such costs may be allowed shall, in the opinion of senior management, be reasonable considering all relevant circumstances.

DEFINITIONS

9.01 "Travel status" means absence of the employee from the employee's headquarters area on Corporation business involving travel and accommodation with the approval of senior management.

RE: DUAL RATE STATUS

Where an employee is acting outside of this Collective Agreement, it is understood that their duties and responsibilities are not subject to this Collective Agreement.

The Employer will make efforts to ensure that scheduled hours in the dual role will be equalized over a reasonable period. It is understood that this is subject to both operational considerations and the skill and ability to perform the available work and employees must identify to the Employer where they have concerns over the scheduling so that these may be addressed.

At any point, if the employee and the Employer agree or if the employee is not meeting the Employer’s expectations as a dual rate, the employee will have their dual rate status discontinued.

It is agreed that where an employee has agreed to act as a dual rate, the Employer will ensure that this person is identifiable as a dual rate to the employees in the bargaining unit.

In selecting vacation, it is understood that dual rates should select independently of their primary position as this role forms part of the system of ensuring that there is adequate coverage. This system will have regard to their seniority in the primary role.

A dual, when requested to move to a dual position while at work, shall remain in the dual position for the balance of his or her shift. The exception is when the dual employee is providing break coverage.

A Dual Rate Supervisor will have their rate adjusted to the second step of the appropriate wage scale following two thousand and eighty (2,080) hours worked or thirty-six (36) months assigned to a dual position.

RE: WEEKLY HOURS OF WORK OPTION

Management is prepared to allow individuals within this bargaining unit the option of continuing to work a forty (40) hour workweek or begin working a thirty-six and three-quarters (36.75) hour workweek, with the following terms and conditions:

- This selection will occur on a one-time only basis for full-time and part-time employees in this bargaining unit. ITS employees will be offered the option effective the first day of the pay period in which April 1, 2016 falls. All other employees will be offered the option effective the first day of the pay period in which April 1, 2017 falls;
- To confirm, as per Article 6.01, employees will be paid their current hourly rate for all hours worked in their classification, based on the workweek they select (i.e. employees who select the 36.75 hour workweek will be paid for 36.75 hours and employees who select a 40 hour workweek will be paid for 40 hours);
- Employees' benefits coverage amount will be reflective of the hours of work they select;
- Operational requirements, as determined by Management, must be met in order for employees within a classification to be eligible to select an adjusted workweek;
- Overtime will be considered for only those hours worked that exceed both the employee's regularly scheduled shift hours and eight (8) hours per day and/or eighty (80) hours biweekly, as is the case today per Article 29.02. This provision is not intended to result in 36.75-hour employees' working more than their selected hours of work;
- Employees already in this bargaining unit who are successful for another position within this bargaining unit will maintain their existing hours of work, unless otherwise determined by Management due to operational requirements;
- New employees (from outside the organization or from another bargaining unit) will have a one-time only ability to select a 36.75 hour workweek or maintain a 40 hour workweek. Again, operational requirements, as determined by Management, must first be considered;
- Employees who are temporarily assigned to another position within the bargaining unit (i.e. temporary assignments, dual, secondment, etc.) will maintain their existing hours of work, unless otherwise determined by Management due to operational requirements.

The following language in the Collective Agreement should be considered or may be impacted by the hours of work option:

- Article 1 - Definitions
- Article 23 - Vacation
- Article 27 - Seniority
- Article 28 - Hours of Work

- Article 29 - Overtime
- Article 30 - Overtime and Compensatory Leave
- Article 32 - Discretionary Leave Time
- Article 41 - Prorating Factor
- Article 42 - Casual Employees
- Appendix "X"
- LOU #3 re. Dual Rate Status
- Any other language that currently reflects/refers specifically to a 40-hour workweek.

This provision for modifying hours of work will be reviewed by the parties no later than August 31, 2019.

RE: GREEN CIRCLING

Where it has been determined that the rate of pay of an employee is higher than the rate of pay for the reclassified position, that employee will be treated as follows:

- (a) All employees on the date that the new rate of pay is implemented will continue to be paid their current rate of pay and will continue to receive increment increases and negotiated general wage increases while remaining in their current classification.**
- (b) Upon reaching their anniversary date, eligible employees will be placed on the increment step on the new wage scale nearest their current rate of pay that represents an increase in hourly wages. This process shall also apply to employees currently covered by a “Red Circling” agreement.**
- (c) Where the new rates of pay have been established, the new rate of pay will be introduced for new incumbents.**
- (d) Green Circling will only be applicable to existing employees in circumstances relevant to integration (i.e. common positions) and where the introduction of the new job evaluation tool results in a position that is unchanged being evaluated at a lower rate/band.**

RE: WAGE INTEGRATION - INDIVIDUAL IMPACTS

It is agreed between the parties that individuals represented by CUPE in the ITS group who would be negatively impacted by their initial positioning in the new 5 step ITS wage scale (i.e. that they would be less than 3.5% away from the new next step on their next merit increment date) shall be subject to the following wage adjustments, effective May 1, 2016:

1. Assuming satisfactory work performance (as is the case now), those individuals will be provided with a 3.5% increase on their existing hourly rate of pay on their next merit increment date (i.e. to the next step in what will be the former scale). This will result in these individuals remaining off-scale in the new 5 step scale; and
2. Assuming satisfactory work performance (as is the case now), those individuals will then receive a 5.2% increase on their hourly rate of pay on each subsequent merit increment date until such time as they reach the top of the new 5 step scale. The final increment will be less than 5.2% in order to reach the top of the scale (i.e. they will not exceed the top of scale). This will result in these individuals' remaining off-scale in the new 5 step scale, until they reach the top of the scale.

The above provisions shall apply to the following individuals:

- James MacKay
- Yuri Korchynski
- Mathieu Graham
- Christopher Amigo
- Ahmed Ul Haque
- Terrance Buchannon
- Christopher Taylor
- Matthew Tibold
- Reghan Langston
- Daniel Kozier

This mechanism for adjusting wages will also apply to other employees included in the CUPE bargaining unit outside of ITS who are impacted in the same way through this job evaluation process/compensation integration.
