ARTICLE 9 ARBITRATION

9:01 Written Notice

Should the parties fail to settle the grievance through the procedures outlined in Article 8, the grievance may be referred to arbitration on written notice from either party within thirty (30) calendar days following receipt of the Step Three decision.

When either party requests that a grievance be submitted to the Arbitration Board, the request shall be made to the other party to the Agreement, indicating the name of its nominee on an Arbitration Board. Within five (5) days thereafter, the other party shall answer indicating the name and address of its appointee to the Arbitration Board. The Arbitrator shall establish procedures for the arbitration process which are consistent with normal practice and with natural justice.

A grievance or arbitration shall not be deemed invalid by reason of a defect in form, a technical irregularity, or an error of procedure if it results in a denial of natural justice and in such case the arbitrator or arbitration board shall have the remedial authority to rectify any such error or to expand the time limits contained in Articles 8 and 9.

9:08 Fees

The fees and charges of the Arbitrator shall be shared equally by the parties hereto.

9:09 Witnesses

At any stage of the Grievance or Arbitration procedure, the parties shall have the assistance of any employee(s) concerned as witnesses and any other witnesses. All reasonable arrangements will be made to permit the conferring parties or the arbitrator(s) to have access to the Employer's premises to view any working conditions which may be relevant to the settlement of the grievance.

9:10 Expedited Arbitration

Subject to agreement by both parties, expedited arbitration may be used in place of the normal arbitration processes. The decisions of the Arbitrator in expedited arbitration will be binding on the parties and will have precedential value for future grievances unless both parties agree otherwise. The format and procedures for expedited arbitration will be subject to the agreement of both parties at the time.

9:11 Powers of Single Arbitrator

For clarity it is understood between the parties that a single Arbitrator shall have the same powers, authority and jurisdiction as an Arbitration Board.

An employee shall have the right to request and have a steward present at any discussion with supervisory personnel which the employee believes might be the basis of disciplinary action. Subject to 11.04, seniority is defined as length of service with the Employer in a bargaining unit position, or for employees who **were** on the seniority list as of **July 1, 1996** seniority is defined as length of service with the Employer. Seniority shall be one of the factors used in determining promotion, transfer, demotion, layoff, permanent reduction of the workforce, and recall, as set out in other provisions of this agreement. Seniority shall operate on a bargaining unit wide basis.

Note: The main and aquatic seniority lists shall be dove-tailed.

11:02 Seniority Lists

The City shall prepare a seniority list which shall show the employee's **seniority as defined in 11.01**. Up to date seniority lists shall be sent to the Union and posted on all bulletin boards in January and July of each year.

Where CUPE Local 1289 is certified by the Labour Relations Board as bargaining agent for an employee or employees or a position is included in the bargaining unit by the Labour Relations Board, the employees shall be placed on a seniority list and assigned a seniority date **as directed** by the Labour Relations Board.

Where two or more employees commence work on the same day the seniority numbers shall be based on the last three digits of the employee's Social Insurance Number, with the lower seniority numbers assigned in ascending order from the employee having the lowest number in

the last three (3) digits of his S.I.N. In cases of dispute the City shall provide the Union with the last three digits of the employees social insurance number.

Where an employee has accepted a temporary position with the City, including the Regional Fire Service or Regional Water, but outside the bargaining unit, through the job competition process (Article 12), he or she will maintain their seniority up to and including a thirteen (13) month period, and the employee shall be required to continue to pay Union Dues during such period. At the conclusion of the thirteen (13) month period the employee will revert to his original position, or lose his or her seniority as per Article 11.04.

If the employee does not challenge the position of his/her name on the seniority list within thirty (30) calendar days from the date of posting of the most current seniority list then he/she shall be deemed to have proper seniority until the list is next posted. For employees on any form of approved leave when the list is posted the thirty (30) day period shall commence upon his/her return to work.

An employee who is absent on approved time off during his/her scheduled work week because of layoff, sickness, bereavement, holidays, vacation, or other approved leave of absence including time spent on Worker's Compensation, such approved time off shall be counted for the purpose of determining seniority credits.

During the probationary period the employee shall be placed on the seniority list on a conditional basis and shall be recalled as if he/she had seniority.
3. For the purposes of this article casual and part time employees shall be considered to be on probation for 60 days of actual work or shifts in such a position

11:04 Loss of Seniority

An employee shall not lose seniority rights if he/she is absent from work because of, sickness, disability, accident, lay-off or leave of absence approved by the Employer. An employee shall only lose his/her seniority in the event:

- (2) He/she resigns in writing and does not withdraw within five (5) working days.
- (3) He/she fails to return to work within seven (7) calendar days following a lay-off and after being notified by Registered or Certified Mail to do so, unless through sickness or other just cause. An employee recalled for casual work or employment of less than three (3) months shall not lose his/her recall rights for refusal to return to work. If the senior qualified employee recalled notifies the Employer that he/she will return to work but not immediately as requested by the Employer, the Employer may recall qualified employees in order of seniority for the period until the senior employee reports for work as stated above. The junior employee will then be laid off upon the return to work of the senior employee who has been recalled. It shall be the responsibility of the employee to keep the Employer informed of his/her current address.
- (4) He/she is discharged because he/she was absent from work without notifying the appropriate official for five (5) days unless notice was not reasonably possible.

Where an employee has accepted a temporary position with the same Employer but outside the bargaining unit, through the job competition process (Article 12), he or she will maintain their seniority up to and including a thirteen (13) month period, and the employee shall be required to continue to pay Union Dues during such period. At the conclusion of the thirteen (13) month period the employee will revert to his original position, or lose his or her seniority as per Article 11.04. Should the employee be unable to perform the duties of the temporary assignment he/she will be transferred back to the bargaining unit and revert to his/her original position.

11:06 Interchanges or Changes

Employees who are qualified may be interchanged or transferred within a Department or from one Department to any other at any time and from time to time when circumstances warrant, provided that seniority in service shall not be surrendered or affected by such interchange or transfer, and further provided that no permanent or regular employee shall be laid off, discharged **or have their rate of pay reduced** by reason of such interchange or transfer.

ARTICLE 12 VACANCIES AND NEW JOBS

12:01 Job Postings

The City shall determine the number and type of jobs necessary for its requirements and when a vacancy exists.

Subject to 12.10, when a vacancy occurs or a new position is created which comes within the scope of this agreement, the City shall notify the Union in writing and post notice of the position in the City's offices, locker rooms, shops and on all bulletin boards for a minimum of 1 week, so that all members of the Bargaining Unit will have the opportunity to know of the vacancy or new position. The position shall be posted within one (1) week of the vacancy having been identified.

Notwithstanding the foregoing in the case of a non-scope position below the level of Manager, the Employer will post advisory notices on normal Bulletin Boards in order to advise employees of the City's intention to fill these positions. The provisions of 12:02 shall not apply to advisory notices for non-scope positions.

12:02 Information in Postings

Such notice shall contain the following information: nature of positions, qualifications, required knowledge and education, skills, shift, wage, salary rate or range. Such qualifications may not be established in an arbitrary or discriminatory manner. All job postings shall state "This position is open to male and female applicants" and, for advisory purposes only, indicate the previous incumbent where one exists. Postings for temporary positions shall indicate the anticipated length of time that the position will be used.

12:03 Outside Advertising

With respect to vacancies or new positions in the Bargaining Unit, no outside advertisement, unless mutually agreed to by the parties, shall be placed until all applications from members of the Bargaining Unit, submitted in writing in the time limit specified, have been considered. Any employee, who is unsuccessful for a job posting that is going to be advertised outside, shall be required to initiate his grievance at Step 2 (Article 8:05:03) of the grievance procedures. The filing of the grievance should be made within five (5) working days of the date the employee was notified that he was unsuccessful.

Positions outside the bargaining unit below the level of Manager will not be filled until all

applications from members of the Bargaining Unit, submitted in writing in the time specified, have been processed.

12:04 Role of Seniority in Promotions and Transfers

Both parties recognize:

- (1) The principle of promotion within the service of the Employer.
- (2) That job opportunity shall increase in proportion to length of service.

Therefore, in making staff changes, transfers or promotions, appointment shall be made of the applicant with the greatest seniority, and having sufficient qualifications in accordance with Clause 12:02. Appointments from within the Bargaining Unit shall be made within thirty (30) calendar days of the posting.

The Employer shall supply the Union with a list of the names of all applicants upon request.

Applicants who have been interviewed may withdraw their application at any time prior to acceptance of appointment.

12:05 Trial Period

The successful applicant shall be placed on trial for a period of sixty (60) full days of actual work. Conditional on satisfactory service, the employee shall be confirmed in the position after the period of sixty (60) full days of actual work. In the event the successful applicant proves unsatisfactory in the position during the trial period, or if the employee is unable to perform the duties of the new job classification, he shall be returned to his former position, wage and salary rate or to an equal position with the consent of the employee, without loss of seniority. Any other employee(s) promoted or transferred because of rearrangement of positions shall also be returned to his/her former position, wage or salary rate, or to an equal position with the consent of the employee, without loss of seniority.

Employees who have been deemed unsatisfactory during the trial period shall return to their previous position unless they have been deemed unsatisfactory in that position. In such case, the employee shall have the right to bump any position in which they have not been deemed unsatisfactory, or revert to layoff.

12:06 Promotions Requiring Higher Qualifications

Consideration for promotion will be given to the senior applicant who does not possess the required qualifications but who is in the process of becoming qualified, with the expectation that he will become qualified within a further three (3) months. The employee, if promoted, will be on a trial basis until he has qualified within the time limit specified.

12:07 Notification to Employee and Union

Within seven (7) calendar days of the date of appointment to a new position within the scope of this Agreement, the name of the successful applicant shall be posted on all bulletin boards. The Union shall be notified of all appointments, hirings, layoffs, transfers, recalls and terminations of employment that fall within the scope of this Agreement. The Union shall be notified of the filling of other positions as per City Policy.

12:08 Older Workers / Persons with Disabilities

An employee unable, through injury, illness or advancing years, to perform his/her normal duties **shall** be provided with alternate employment, if such is available **and if the employee is qualified and able to carry out the duties of the position.** Such an employee shall not displace an employee with more seniority.

12:09 Training Courses

Within each relevant department/work area the Employer shall post information on any specific training courses and experimental programs directly related to the qualifications of a specific classification within that area and for which employees in that department/work area may be selected. The posting shall contain the following information: type of course (subjects and material to be covered), time, duration and location of course, basic minimum qualifications required of applicants. This posting shall be posted for a period of one (1) week on appropriate bulletin boards to afford all interested employees an opportunity to apply for such training. It is understood that the City retains sole discretion over what training courses may be offered.

For Employer required and approved training, time associated with training will be considered as time worked or time off depending on the normal work schedule of the employee and the employee's normal basic pay for the period will not be increased or decreased as a result of training.

Where an employee is required by the Employer to attend a training assignment through one or more of his/her scheduled days off and no substitute days off are scheduled within the training assignment the City shall grant the employee days off in lieu on the completion of the training assignment or those days off will be credited to the employee's time bank to be used later on a day for a day basis at the employee's request.

Should an employee be permitted to attend an Employer approved training assignment at his/her request these provisions regarding days off shall not apply. Allocation of additional positions shall be among interested employees on the basis of seniority.

12.10 Temporary Vacancies

- (b) Where operational requirements permit, the senior employee within the division who is sufficiently qualified and able shall be appointed to fill temporary vacancies of greater than two (2) weeks and less than eight (8) weeks duration. Where operational requirements do not permit the reassignment of employees the position will be offered to any qualified persons on layoff in order of seniority before a new employee is utilized.
- (c) Except as stipulated in (b) above, the selection of employees to fill temporary vacancies that are not expected to exceed eight (8) weeks in duration shall be at the discretion of the City.
- (d) Temporary vacancies that are expected to exceed (8) eight weeks in duration shall be posted for a period of five (5) working days. The selection of employees to fill such vacancies will be made in accord with Article 12:04.

 - (ii) Notwithstanding 12.10 e) (i), in the period from May 15 to September 30 an employee who is recalled to fill a temporary position shall not be permitted to bump into another occupied temporary position with a remaining duration of less than ten (10) working days unless the employee exercising the bumping rights has previously occupied the position within the last twenty-four (24) months.
- (f) Employees who fill a temporary vacancy may not bid on any other temporary vacancy unless the duration indicated in the initial posting is exceeded. Employees shall not be restricted from proceeding on annual leave or any other form of approved leave once the duration indicated in the initial posting has been completed.
- (g) In the event that the employee's regular position no longer exists at the end of the temporary assignment or vacancy the employee shall be entitled to exercise his/her bumping rights in accordance with Article 13.

- (k) When an employee vacates a temporary position which will extend for more than 8 weeks from the date that he/she vacates the position, the City will re-post the temporary position under the procedure outlined in article 12.01.

12:11 Eligibility For Jobs and Promotions While on Approved Leave

12:11.01 Employees on any kind of approved leave shall be eligible to apply for and to be appointed and/or promoted to jobs while on approved leave.

12:11.02 If the successful applicant on appointment is unable to assume his/her duties because of approved leave, then the next applicant who otherwise would have been appointed, shall be appointed to fill the position until such time as the successful applicant returns to assume the position. In this event, and notwithstanding any other provision of this Agreement, the temporary appointee shall return to his/her former position or in the event his/her position no longer exists, to a position consistent with his/her seniority and qualifications.

12:11.03 Where it is determined by the Employer that a test and/or interview is necessary to determine the qualifications of an applicant who has been on approved leave as provided above, the test and/or interview shall be conducted within three (3) days of his/her return to work and, if he/she qualifies using the criteria as established in this Article (Article 12), he/she shall assume his/her position within five (5) days of his/her return to work.

A layoff shall be defined as any reduction in the workforce or any reduction of the regularly scheduled number of hours worked by any full-time employee.

13:02 Role of Seniority in Layoffs

Both parties recognize that job security should increase in proportion to length of service. Therefore, in the event of a staff reduction affected employees shall be laid off in reverse order of their Bargaining Unit Seniority and in accordance with the following procedure:

13:02.01 Staff Reduction

In the case of a reduction of staff in a Department or Division, it will be accomplished by serving notice of layoff to the junior employee in the classification, department and work area, who may

then exercise his/her displacement rights in accordance with Article 13.02.02.
