- 7.2 The Parties agree to abide by the principles of Academic Freedom as expressed in this Article. Furthermore, the Parties recognize that universities are communities in which the right to criticize all aspects of society is valued and respected.

- 7.3 Academic Freedom is the right to examine, pursue, develop, and transmit knowledge and ideas through research, teaching, study, discussion, documentation, production, creation or writing. Academic Freedom specifically provides protection of:
- a) the pursuit of research, creative and scholarly activities, and publishing or making public the results thereof;
  - b) the ability to teach and discuss;
  - c) the creation or performance of works of art;
  - d) freedom in service to the University, discipline, or community through the application of professional or academic skills; and

- 7.5 Academic Freedom does not confer legal immunity in respect of opinions that may be expressed or activities that may be undertaken, nor does it diminish the obligations of members to meet their duties and responsibilities to the University.
- 7.6 The Parties agree to uphold and protect the principles of Academic Freedom as specified herein and take necessary steps to protect Members from harassment, threats, or abuse intended to limit or inhibit the exercise of Academic Freedom.
- 7.7 The exercise of Academic Freedom as per this Article shall not be grounds for disciplinary proceedings.

## **Article 8 - Conflict of Interest and Conflict of Commitment**

### **Conflict of Interest**

- 8.1 In this Article, *relationship* means any relationship of the Member to persons of his or her immediate family, whether related by blood, adoption, marriage, or common-law relationship, and any relationship of an intimate and/or financial nature during the preceding five years, any student-supervisor relationship, or any other past or present relationship that may give rise to a reasonable apprehension of bias.
- 8.2 An actual or apparent conflict of interest arises where a Member is in a situation where his/her financial or other personal interest, whether direct or indirect, or that of any person with whom the Member has or has had a relationship, conflicts or appears to conflict with the Member's responsibility to the University, or with the Member's participation in any recommendation or decision within the University.
- 8.3 A Member has a responsibility to ensure that conflict situations, wherever and whenever they arise, are identified and disclosed in writing to the Dean, Chief Librarian, or in the case of Veterinarians, Director.
- 8.4 The existence of an actual or apparent conflict of interest does not necessarily preclude involvement in the matter which has given rise to the actual or apparent conflict; however, the Member shall disclose, in writing, such conflict; to the Dean, Chief Librarian, or in the case of Veterinarians, Director, as soon as possible after becoming aware of it.
- 8.5 Following receipt of a notice of conflict, the Dean, Chief Librarian or in the case of Veterinarians, Director, shall determine in a timely fashion whether a conflict, actual or apparent, exists and, if so, decide whether the Member may continue involvement in the matter giving rise to the conflict.
- 8.6 Where a conflict of interest has been asserted by a third party, the Dean, Chief Librarian, or in the case of Veterinarians, Director, shall immediately inform the Member concerned of the assertion, in writing, and give the Member an opportunity to respond before making a decision in the matter. Following this, the decision shall be communicated immediately, in writing, giving reasons to the Member and, where appropriate, to any third parties.

- 8.7 No Member shall knowingly participate in any decision, including academic decisions, that directly and preferentially benefits himself/herself or any individual with whom the Member stands to derive a financial benefit, or affects or benefits a person with whom the Member has or has had a relationship, as defined in 8.1.
- 8.8 Notwithstanding the conflict obligations as set out in this Article, an individual will not be denied an appointment solely on the grounds of family relationship.

### **Conflict of Commitment**

- 8.9 With the acceptance of a full-time appointment at the University, a Member makes a professional commitment to the University. Members are expected to direct the primacy of their professional commitment to the University. Recognizing that external professional activities can bring benefits to, and enhance the reputation of, the University, and the capacity of Members, the University agrees that Members may engage in part-time professional activities, provided that such activities are not undertaken in conflict with this Agreement and do not conflict or interfere with the Member's responsibilities to the University as defined in this Agreement.
- 8.10 Members must refrain from any external activity which interferes with a Member's responsibilities to the University. A Member will not use his/her University position to promote and/or advance his/her private interests.
- 8.11 If a Member plans to undertake an external activity that may interfere with some of the aspects of the Member's University responsibilities, the Member must disclose and seek, in writing, prior approval from the Dean, Chief Librarian, or in the case of Veterinarians, Director. The disclosure shall be in writing and shall include:
- a) a full description of the nature of the work or activity;
  - b) an estimate of the time required to perform the work or the time period during which the work will be performed;
  - c) the extent, if any, of the use of University facilities, supplies, support staff or students;

- d) any other external activities that have already been approved in that year or that are continuing from an earlier year; and
  - e) the impact the activity will have on Teaching, Scholarship, and Service responsibilities.
- 8.12 The request for approval will be considered as soon as possible and a decision will be rendered in writing within ten (10) days. If approval is denied, or offered only on conditions, the Member shall be provided with reasons in writing for the decision.
- 8.13 Whenever the significant external activities of a Member change materially, the Member is obligated to inform the Dean, Chief Librarian, or in the case of Veterinarians, Director, in writing. Members should disclose expected changes at least thirty (30) days before the activity is to commence and prior to the Member making a firm commitment to undertake the activities.
- 8.14 All information or reports disclosed in accordance with this Article will be confidential.

## **Article 9 - Employment in External Remunerative Activities**

- 9.1 Probationary and Tenured Faculty Members are permitted to earn additional income from external activities, providing that all such activities are arranged so as not to conflict or interfere with their overriding commitment and primary professional loyalty to the University.
- 9.2 A Probationary or Tenured Faculty Member will be alert to the possible effects of his/her outside activities on their obligations to the University and is responsible for consulting with his/her Dean before becoming involved in any outside activity that could lead to a conflict or the appearance of a conflict in accordance with Article 8: Conflict of Interest and Conflict of Commitment.
- 9.3 Probationary and Tenured Faculty Members may engage for up to twenty-five (25) days per year in appropriate external remunerative activities such as consulting, private contract work, entrepreneurship, or teaching at another institution, provided that timing of these activities does not conflict with their assigned academic responsibilities.

- 9.4 The scheduling of external remunerative activities will be arranged with the Dean and, where a major commitment of time is anticipated, recorded in a written agreement. If this is an ongoing commitment, the agreement and arrangements will be reviewed annually.
- 9.5 In all cases, the Faculty Member will undertake to ensure that the external remunerative activities will not conflict with his/her primary commitments to Teaching, Scholarship and Service.
- 9.6 In special cases, external remunerative activities in excess of twenty-five (25) days per year may be requested and considered by the Dean. If there is an ongoing need for more than twenty-five (25) days, a part-time appointment or leave without pay will normally be appropriate.
- 9.7 By April 1 of each year, the Dean shall remind Probationary and Tenured Faculty Members of the requirement to complete a standard university form as per 9.8 below.
- 9.8 Before May 1 of each year, each Probationary and Tenured Faculty Member will inform his/her Chair whether or not he/she has been engaged in external remunerative activities by completing a standard University form. For Faculty Members who have engaged in external remunerative activities, such form will indicate the nature and time devoted to these activities conducted within the previous calendar year.
- 9.9 The Faculty Member agrees that there will be no unapproved use of University facilities and/or resources associated with external remunerative activities. Such activities shall not use institutional facilities except for the library and/or a private office unless written approval of the Dean has been obtained. The Faculty Member agrees to pay for any University resources used in his/her external remunerative activities, such as computer time, laboratory equipment and supplies, telephone calls, secretarial services, reproduction services and outside mail services.
- 9.10 The Faculty Member agrees not to use the name "University of Guelph" or to identify him/herself as representative of the University of Guelph in such activities, without written permission of the Provost or designate.

- 9.11 The provisions of this Article shall apply *mutatis mutandis* to Librarians.

## **Article 10 - Copies of the Agreement**

- 10.1 The University and the Association will jointly prepare the master copy of the draft form of the Agreement needed for ratification, including those Appendices which the University and the Association agree should be distributed.
- 10.2 Subsequent to ratification, the University and the Association shall cooperate in preparing four (4) original signed copies of the Agreement. The process shall not delay the implementation or signing of the Agreement.
- 10.3 Within sixty (60) days of the preparation of the four (4) original signed copies of the Agreement by the Parties, the University shall provide the Association with one copy of the Agreement for each Member at no cost to the Member or the Association. Any Member hired subsequent to initial distribution shall receive a copy of the Agreement at no cost to the Member or the Association.
- 10.4 The University shall provide the Association with one hundred and twenty-five (125) additional copies of the Agreement at no cost to the Association.
- 10.5 Within eighty (80) days of the preparation of the four original signed copies of the Agreement by the Parties, the University shall make the Agreement accessible in electronic form on the web.

## **Article 11 - Dues Check-Off**

- 11.1 The University shall deduct, from the first pay of each month of every Member of the Bargaining Unit, such fees, monthly dues or assessments as may be authorized from time to time, in writing, by the Association.

- 11.2 The Association shall advise the University in writing of any proposed change in the level of these dues at least one full month in advance of the month in which the proposed change would be effective. The Association shall limit the number of changes to no more than three (3) per calendar year.
- 11.3 The University shall remit the amounts deducted pursuant to Article 11.1 to the Association on or before the second pay of the month in which deductions have been made. When the amounts are remitted, the University shall inform the Association of the names, ranks and department numbers of members from whose salaries deductions have been made, the amount so deducted from the Member's salary, and year-to-date total.
- 11.4 The Association agrees to indemnify and save the University harmless from any claims or any liability arising out of deductions of money for dues made in accordance with the Association's instructions.

## **Article 12 - Joint Committee**

- 12.1 A Joint Committee shall be established within one month of the ratification of this Agreement by the Parties.
- 12.2 The Joint Committee shall be composed of four (4) representatives of the Association (named by the Association) and four (4) representatives of the University (named by the University). At least two (2) representatives of the University and two (2) members of the Association must be present at any meeting of the Joint Committee.
- 12.3 The Joint Committee shall review matters of concern arising from the application of this Agreement, excluding any dispute which is at that time being resolved under the Grievance and Arbitration procedures set out in Article 40. The Joint Committee shall attempt to foster effective communications and working relationships between the Parties and shall attempt to maintain a spirit of mutual co-operation and respect. In light of this objective, this Article does not preclude the occurrence of informal meetings between representatives of the Association and the University to attempt to resolve differences that may arise from time to time.

- 12.4 The Joint Committee shall meet once a month from September to June inclusive, and at other times as it decides. Regular meetings may be waived by agreement of both Parties. In addition, the Joint Committee shall convene a meeting within fifteen (15) days following receipt of written notice from either the Association or the University. Each member of the Joint Committee shall receive notice no less than five (5) days before the scheduled date of any meeting, and shall receive the agenda of each meeting at least two (2) days in advance of the meeting.
- 12.5 The Joint Committee shall not have the power to add to, or to modify, the terms of this Agreement.

### **Article 13 - Correspondence and Information**

- 13.1 Except where otherwise specified in this Agreement, correspondence between the Association and the University arising out of this Agreement, or incidental thereto, shall pass between the Provost and the President of the Association, or their designates. Such correspondence may either be delivered directly in paper or electronic form, or forwarded through the University's internal mail service.
- 13.2 The University shall provide the Association with the following information in a mutually agreed-upon paper or electronic format:
- a) by the end of the calendar year, an annual list containing the name, category of appointment, rank, year of appointment to current rank, birth date, University address, gender, salary, Department, highest degree obtained, and year of highest degree;

## **Article 15 - Maintenance of the Scholarly and Professional Environment**

### **Faculty**

- 15.1 The University acknowledges that a critical mass of full-time tenure-stream Faculty Members, engaged in Teaching, Scholarship and Service, is essential to enable the University to achieve its academic mission. The Parties agree that work performed by Contractually Limited Faculty, while of value to the institution, does not satisfy this need.
- 15.2 While portions of the work of Faculty Members may be carried out by others, the complete scope of responsibilities as outlined in Article 18: Faculty Member Rights and Responsibilities shall only be assigned to Faculty Members. This clause does not apply to Faculty on the Board of Governors, Assistant and Associate Deans, Deans, Assistant Vice-Presidents, Associate Vice-Presidents, Vice- Presidents, and the President.

### **Librarians**

- 15.3 The University agrees that the work performed by Librarians is essential to the success of the Library in meeting its academic mission. Librarian Members play a critical role in the development and delivery of Library information services; assessing, selecting, and ensuring the preservation of information resources; management of staff and financial resources; planning technological infrastructure; fostering consortia and partnership initiatives; and strategic planning and goal setting within the Library and affiliated Units.
- 15.4 While portions of the work of Librarian Members may be carried out by others, the complete scope of responsibilities (Professional Practice, Scholarship and Service) as outlined in Article 25: Rights and Responsibilities of Librarians shall only be assigned to Librarian Members. This clause does not apply to the Chief Librarian and Associate Chief Librarians.

## **Veterinarians**

- 15.5 The University agrees that the work performed by Veterinarian Members is of central importance to the success of the AHL and VTH. Veterinarian Members provide a range of clinical and professional services to the AHL, the VTH, the University, and external clients. Veterinarian Members make important contributions to the professional, scholarly and pedagogical environment of the University and the discipline of veterinary medicine.

## **Article 16 - General Liability Insurance**

- 16.1 The University shall provide insurance coverage in respect of the liability of Members acting within the course of their employment, to the extent provided by the Canadian Universities Reciprocal Exchange (CURIE) policies now in force.
- 16.2 A copy of the policies of insurance, as amended or substituted from time to time, shall be provided to the Association.
- 16.3 Members who determine that the insurance coverage provided by the University is not adequate to meet their individual needs may purchase additional insurance at their own expense.
- 16.4 Responsibility for the management of any claim covered by the University's insurance policies rests solely with the insurer.
- 16.5 Timely notice will be given to the University of any action or claim of which a Member has knowledge, or of any occurrence or situation which a Member ought reasonably to know might give rise to any action or claim.
- 16.6 Members will be informed by the University in a timely manner of a circumstance, investigation, inquiry or complaint which will lead to legal action against the Member.
- 16.7 A Member who is a defendant in a civil action for damages because of

acts done in the attempted performance in good faith of the Member's employment responsibilities shall be indemnified for any damages awarded against the Member and for the necessary and reasonable costs incurred in the defence of such action except where recklessness or willful neglect is established on the part of the Member.

- 16.8 This Article and any insurance obtained pursuant to it does not apply to legal action initiated by a Member nor to any civil or criminal proceedings that might be initiated by the University against a Member.
- 16.9 A Member who is charged with a criminal offence because of acts done in an attempted performance in good faith of the Member's employment responsibilities, and finally acquitted, or if the charge is dismissed, he/she shall be indemnified for the necessary and reasonable costs incurred in the defense of such charges.

## **Article 17 - Working Conditions**

- 17.1 The University acknowledges a continuing responsibility to maintain an environment in which the academic and professional functions of Members may be effectively carried out.

### **Security**

- 17.2 The University shall consider and respond in a timely manner to personal security concerns that a Member or the Association brings to the University's attention.
- 17.3 The Joint Committee shall discuss measures to deal with issues surrounding personal security brought to it by either Party.

### **Facilities**

- 17.4 The University undertakes to provide a reasonable level of facilities and support services consistent with a Member's responsibilities, which include, but are not limited to: suitable office space and furnishings; a telephone; mail, and access to photocopying services and basic office supplies.

- 17.5 The University shall not be responsible for telephone charges other than those associated with assigned responsibilities.
- 17.6 Any reassignment or alteration of work space shall be discussed with the Member directly affected as soon as the need for reassignment or alteration has been determined.

## **Article 18 - Faculty Member Rights and Responsibilities**

### **General**

#### **Duties**

- 18.1 The duties of Members shall be an appropriate combination of Teaching, Scholarship and Service.
- 18.2 A Faculty Member shall have Academic Responsibilities in each of the three areas as described in 18.5 to 18.9 of this Article, unless there is a written agreement between the Dean and the Faculty Member to the contrary. Any such agreement shall be consistent with the provisions of this Collective Agreement.
- 18.3 In fulfilling their Academic Responsibilities, Faculty Members are expected to adhere to regulations of Senate.
- 18.4 When a significant change in circumstances has occurred, the assigned responsibilities and/or DOE may be altered, on a short-term basis, at the request of either the Faculty Member or his/her Chair. In cases of disagreement between the Faculty Member and his/her Chair, the Dean or designate will decide, communicating his/her decision to the Faculty Member in writing. Such alterations to a Member's responsibilities and/or DOE shall continue on a short-term basis, not to exceed one (1) year.
- 18.5 A Faculty Member's responsibilities in the area of Teaching include some or all of the following:
- a) making available to students knowledge of the current state of the discipline;

- b) participation in the design of the courses and programs of the University;
- c) performance of assigned teaching responsibilities;
- d) assessment of the academic work of students;
- e) being available to students for consultations and academic advising;
- f) being available as a supervisor and/or academic advisor to students who are engaged in research and in the preparation and defense of theses or project reports; and
- g) if applicable, supervision of teaching assistants.

18.6 A Faculty Member's Responsibilities in the Area of Scholarship include some or all of the following:

- a) the creation of new knowledge, understandings, or concepts;
- b) creative application of existing knowledge;
- c) the organization and synthesis of existing knowledge;
- d) creative expression.

18.7 These responsibilities require adherence to the ethical standards of the Member's academic discipline(s) and the recognized ethical standards of the national granting councils.

18.8 Each Member shall be entitled to, and expected to, engage in, and have time available for, research, creative and scholarly activities. Subject to Article 52: Intellectual Property, it is the right of the Member to make the results of such work accessible to the scholarly and general public through publication, conference presentations, lectures, public concerts or performances, and other appropriate means.

18.9 A Faculty Member's Responsibilities in the Area of Service:

- a) Members have the right and responsibility to undertake a fair and reasonable share of administrative responsibilities, including participation in the work of the University through membership on appropriate bodies; for example, Department, College and Senate committees. Where participation in such bodies is by election or appointment, a Member shall be elected or appointed only with his/her consent. The Dean shall make every effort to ensure that Service commitments are equitably shared.
- b) Members have the right to participate in the work of learned societies, relevant community service organizations, and professional organizations. A Member's service to such societies and associations shall be considered in the assessment of their service responsibilities, and shall be treated in the same way as similar duties performed within the University.

18.10 The University shall make available transportation, at no charge, to any Member who is assigned duties at the University of Guelph-Humber.

**Distribution of Effort (DOE)**

18.11 A DOE for each Member shall be defined in his/her Letter of Appointment and as mutually negotiated in any subsequent agreements documented in the Member's Official File. The DOE defines the relative effort with respect to activities undertaken in fulfillment of his/her academic responsibilities in the areas of Teaching, Scholarship and Service.

18.12 The DOE shall be the basis for the assignment of duties. The translation of DOE percentages into Teaching and Service assignments, while it may vary from Department to Department, must be clearly delineated for the Members of each Department. DOE may only be modified through negotiation and agreement of the Dean and the Member.

- 18.13 Unless otherwise agreed to in writing by the Dean and the Faculty Member, the default DOE shall be forty percent (40%) teaching, forty percent (40%) Scholarship, and twenty percent (20%) Service.

### **Amendments to DOE**

- 18.14 The DOE of a Faculty Member who is a Chair of a Department shall be adjusted at the time of the administrative appointment to recognize the adjusted proportion of Service.
- 18.15 A discussion regarding a change to a Faculty Member's percentage effort in Teaching, Scholarship and/or Service may be requested by one or more of the Faculty Member, the Chair, and his/her Dean. Each Faculty Member may request a meeting with his/her Chair to review his/her DOE. The meeting shall take place within fifteen (15) days of receipt of the request, or at a mutually agreed upon time.
- 18.16 Any arrangements which alter a Faculty Member's agreed upon DOE must be by mutual agreement, and shall be in accordance with the Faculty Member's career development within the context of Department operational requirements, and consistent with the provisions of this Agreement. It is understood that any such alternative arrangements shall only alter the allocation of responsibilities between Teaching, Scholarship and Service and shall not alter the percentage workload of a Faculty Member. Requests for Reduced Workload are made in accordance with the provisions of Article 54: Reduced Workload Appointment.
- 18.17 Following the meeting in 18.15, the Chair shall provide the written request for amendment to the Dean. The Dean, in consultation with the Chair, will decide whether to approve the request for amendment to the Faculty Member's DOE. Within fifteen (15) days of receipt of the request, the Dean will notify the Faculty Member in writing of the decision and in the event of a negative decision will include reasons. Within ten (10) days of receipt of the decision from the Dean, a Faculty Member may appeal the decision of the Dean to the Provost. The Provost shall notify the Faculty Member and Dean in writing, with reasons, of

his/her decision.

- 18.18 A change to a Member's DOE will only be made with the consent of the Member.

**Workload:**

- 18.19 In recommending/determining a Member's teaching workload, the Chair and Dean shall use a fair, equitable, and transparent method. A Faculty Member's teaching assignments may vary from year to year in recognition of the needs of the University and when possible to reflect the interest and teaching strengths of the Faculty Member. These variations will be taken into account by the Dean when approving teaching assignments. The Dean will ensure that the teaching assignments of Faculty Members are as fair and equitable as is reasonably possible, both within the academic unit and across the College.
- 18.20 The Dean, or designate, on the recommendation of the Chair, shall confirm the Member's assigned teaching, including Distance Education courses, in writing at least twelve (12) months in advance of the commencement of the assigned teaching. Any change in a Member's assigned teaching, made less than twelve (12) months in advance of the commencement of assigned teaching, shall take place only when a significant change in circumstances has occurred, and in consultation with the Member.
- 18.21 The University recognizes that the development of a Distance Education course is inherently more complex than a classroom based course. No Member shall be assigned the development of a Distance Education course without his/her consent. When development of a distance education course is part of the assigned workload of a Member, a written statement of the equivalency will be provided, in advance, and the credit given shall be, at least, equivalent to the credit value of the course.
- 18.21.1 In assigning the teaching of a Distance Education course, the Dean shall take into consideration this complexity and the potentially greater level of

preparation required for a Distance Education course when assigning the Member's overall teaching workload. The Dean will also take into consideration the amount of technical support required. In all instances, a written statement of the equivalency of the Distance Education course to a classroom based course will be provided in advance by the Dean. Teaching of a Distance Education course shall be considered equivalent to teaching of a classroom based course of the same credit weighting.

18.21.2 The Dean will ensure that the appropriate technical support and training are provided.

18.21.3 The weighting of a Distance Education Course for the purposes of Promotion and Tenure and Performance Assessment considerations shall be the same as a classroom based course.

18.22 Unless indicated in the Letter of Appointment or through mutual agreement of the Faculty Member and the Dean, no Member shall be assigned teaching responsibilities at the Regional Campuses and/or Guelph-Humber.

18.23 Assigned Service shall take into account a Faculty Member's total service commitments (Department, College, University and External). A Member serving on an external agency or with extraordinary scholarly or contractual commitments may request an adjustment to his/her DOE.

18.24 When the University requests, and the Member consents, to perform significant administrative duties or services, there shall be an adjustment in the Member's DOE commensurate with the additional administrative responsibilities.

18.25 The Dean is responsible for ensuring that every Department has a fair and transparent process for equitable assignment of teaching assistants.

## **Procedures for Assigning Workload**

- 18.26 Newly-appointed Members shall have at least 0.5 credit teaching release, at least once, in the first three (3) years of appointment.
- 18.27 Assigned classes for a Member shall be scheduled to permit twelve (12) hours to pass between the completion of teaching one day, and the commencement of same on the next day, unless the Member agrees otherwise. No Member shall be assigned, on any day, a class schedule which requires more than three (3) consecutive hours of classroom contact, excluding labs. Exceptions for special circumstances e.g. six week courses, may be made with the agreement of the Member.

## **Research and Development Semester**

- 18.28 A Faculty Member holding a Full-time Tenured, Probationary or Contractually Limited appointment of one or more years and who has assigned teaching responsibilities for two semesters in an Academic Year, will devote a third semester to research and scholarly activities.
- 18.29 By mutual agreement, and subject to 18.30, the Faculty Member and the Dean may choose to reschedule the timing of a Research and Development Semester so that teaching occurs in three (3) semesters.
- 18.30 A Faculty Member may not be assigned teaching responsibilities for more than four (4) consecutive semesters or have more than two (2) consecutive semesters entirely as Research and Development Semesters.
- 18.31 In the case of a Faculty Member who plans to be absent during the Research and Development Semester, it will be the joint responsibility of the Chair and the Faculty Member to ensure that arrangements have been made for the conduct of all normal responsibilities, including the supervision of any student or students for whom the Faculty Member is responsible. If the arrangements cannot be made to the satisfaction of the Chair and Faculty Member, the matter will be referred to the Dean for

resolution.

- 18.32 The Dean, upon recommendation of the Chair, will approve the scheduling of the Faculty Member's Research and Development Semester.
- 18.33 Approved Leaves of Absence (e.g. Parental Leave, Study/Research Leave) will not result in any change to the normal scheduling of the Faculty Member's responsibilities. The normal pattern of the Faculty Member's Research and Development semesters will continue in the Faculty Member's absence.

## **Article 19 - Faculty Appointments**

### **Definitions**

- 19.1 All Faculty Members shall have an Appointment corresponding to one of the following types:
- 19.1.1 Probationary Appointment is an appointment at the rank of Assistant Professor leading to consideration for the simultaneous granting of Tenure and Promotion to the rank of Associate Professor, or an Appointment at the rank of Associate Professor leading to consideration for the granting of Tenure.
- 19.1.2 Contractually Limited Appointment is an appointment for a specified period not to exceed five (5) years. See article 19.5 below. Notwithstanding, an appointee in such a position is eligible for consideration of promotion in rank, but is not eligible for consideration for the granting of Tenure. Non-renewal of a Contractually Limited Appointment does not constitute dismissal under the provisions of Article 39: Discipline.
- 19.1.3 Tenured Appointment is an appointment with rank and DOE involving Academic Responsibilities according to

the provisions of Article 18: Faculty Member Rights and Responsibilities. Tenure may be conferred:

- a) following successful completion of a probationary period according to Article 21: Tenure, Promotion and Review of Faculty; or

19.1.4 Tenured Faculty Members cannot be dismissed except, and only for, cause and in accordance with the provisions of Article 39: Discipline.

## **Ranks**

19.2 Faculty Members shall be appointed at one of the following ranks:

- a) Assistant Professor; or
- b) Associate Professor; or
- c) Professor

19.3 A Probationary Appointment of an Assistant Professor without completion of his/her terminal degree will be for a maximum of two (2) years, at which point the Appointment will be terminated unless all of the requirements for the terminal degree have been completed. In exceptional circumstances, the Provost may extend this period.

19.4 A Probationary Appointment shall be for a maximum period of six (6) consecutive years, unless approved otherwise by the Provost, and is subject to the relevant provisions of Article 21: Tenure, Promotion and Review of Faculty.

## **Contractually Limited Positions**

19.5 For Contractually Limited Appointments, at the end of five (5) years, the University will decide to terminate the position or

convert the position to Probationary. The Dean, on recommendation of the Chair, may recommend to the Provost that the current incumbent be appointed to the Probationary Appointment, without a search. The Provost's decision to appoint without a search will be final. If the decision is to deny the incumbent's Appointment to Probationary, the provisions of this Article will apply.

## **Search Committee**

- 19.6 The University will decide when there is an open position and will determine whether a search will be conducted external and/or internal to the University. Through consultation with Department Members, the Dean will determine the qualifications and specific duties required to fill a vacancy. For Appointments spanning more than one Department, input on qualifications and duties may be sought more broadly and Search Committees will be constituted to reflect the scope of the position.
- 19.7 Subject to Article 19.5 all vacancies covered by the terms of this Agreement will, at a minimum, be posted on the University's Faculty Recruitment website.
- 19.8 In conducting an external search, the University shall advertise the position in the *CAUT Bulletin* and/or associated websites and other publications determined as appropriate by the University.
- 19.9 The information to be provided in the advertisement shall include, but not be limited to:
  - a) the type of Appointment, as defined in this Article;
  - b) the qualifications, education, and skills required;
  - c) where applicable, rank;
  - d) any applicable equity provisions; and
  - e) the University of Guelph's employment equity statement.
- 19.10 If the Search Committee believes that an internal candidate is suitable, the chair of the Search Committee may recommend to the Dean and the Provost that the candidate be appointed without an external search.

- 19.11 The Search Committee will be an *ad hoc* committee whose final membership must be approved by the Provost.
- 19.12 The Search Committee shall normally consist of: the Chair; three (3) Members from, and elected by, the Department; and up to two (2) persons appointed by the Chair. At least two (2) of the three (3) elected Members must hold tenure.
- 19.13 For joint appointments, the Search Committee shall normally consist of: the Chair of the major Department; three (3) Members from, and elected by, the major Department; and up to two (2) persons appointed by the Chair. At least two (2) of the three (3) elected Members must hold tenure.
- 19.14 To ensure the Search Committee is reflective of the diversity of the University, the composition of the Search Committee will include one or more representative members from the designated groups.
- 19.15 The University will ensure that all members of the Search Committee have received orientation/training prior to the interview process commencing. No member shall be required to participate in this training more than once during the term of this Agreement.
- 19.16 The University will provide all candidates who are interviewed with the contact information for the Association.
- 19.17 In accordance with the University's equity goals, the Parties acknowledge, recognize, and endorse the principle of employment equity and agree to cooperate in the identification and removal of artificial and/or systemic barriers.
- 19.18 Consistent with principles of employment equity, the Parties agree that:
- a) the primary criterion for appointment to positions in the University is academic and professional excellence; and

- b) no candidate shall be recommended who does not meet the criteria for the appointment in question.

19.19 Members who serve on Search Committees shall maintain confidentiality regarding the Committee's deliberations, documents, consultations and proceedings.

19.20 Pursuant to Article 8: *Conflict of Interest and Conflict of Commitment*, should any member of the Search Committee, including the Committee's chair, have a conflict of interest, he/she shall declare it and withdraw from consideration of, and voting on, all relevant cases.

### **Candidate Assessment Procedures**

19.21 Qualified Members, as determined by the Search Committee, who apply shall be placed on the short list and be interviewed for the position.

19.22 After reviewing the complete file of each candidate and seeking input from all Committee members, the Search Committee shall provide the Dean with a recommended short list of candidates to be interviewed.

19.23 The Dean shall decide which of these candidates, if any, will be interviewed by the Search Committee.

19.24 The Dean shall facilitate the seeking of input from members of the Department.

19.25 After interviewing the short-listed candidates, the chair of the Search Committee shall make written recommendation(s) to the Dean. The recommendation(s) shall include a ranked order of the acceptable candidates. This recommendation(s) shall clearly state the reasons for the recommendation(s). If a member of the Search Committee requests a secret ballot vote on the recommendation(s), such vote shall occur.

19.26 While the Dean and Provost are not constrained by the ranking of the candidates, any appointment must be made from this list. The Dean and Provost have the option of continuing the search.

### **Letters of Appointment**

19.27 All offers of Appointment shall be issued by the Dean (following approval by the Provost), and will include, but not be limited to, the following:

- g) Campus, Department and/or unit in which the Appointment is made, including the position to whom the candidate will report;
- h) if applicable, date of final consideration for the granting of tenure;
- i) if applicable, the description of any special duties or conditions that may apply; these must be consistent with the Agreement;
- j) a copy of guidelines respecting Tenure and Promotion expectations as per this Agreement; and
- k) contact information about the Association.

19.28 The University shall provide a copy of the signed-back Letter of Appointment, including any attachments, to the Association.

### **Joint Appointments**

19.29 A Joint Appointment is an Appointment in two or more Departments, one of which shall be designated as the major Department for the Appointment.

19.30 The allocation of responsibilities among the respective units shall be set out in the Letter of Appointment.

19.31 The major Department shall be responsible for managing the joint assessment of performance and where applicable, the Tenure and Promotion considerations, with input from the other Department.

19.32 A Joint Appointment of an existing Member may be reviewed, or a new joint appointment, established, by the Dean concerned, with the agreement of the Member.

## **Article 20 - Appointments of Chairs/Directors of Schools**

### **Chairs/Directors of Schools**

20.1 For the purpose of this Article, Chair shall mean Chair of Department or Director of School. This Article does not apply to the VTH, AHL or the Library.

20.2 A Chair shall be a tenured Member. Accountable to the Dean, the Chair is responsible for the orderly, effective, efficient and collegial operation of his/her Department. The Chair has overall responsibility that Department practices and processes are formulated, promulgated and followed, and that College and University policies and procedures are followed.

20.3 The Chair, through mentoring and facilitation, supports individual members of his/her Department in the fulfillment of his/her assigned responsibilities.

- 20.4 The Chair, through consultation with members of the Department formulates recommendations concerning policy, or the matters of interest to the Department, and such recommendations shall be directed to the Dean.
- 20.5 The other responsibilities of the Chair are those assigned to the Chair in this Agreement and in the Letter of Appointment.

### **Terms of Appointment of a Chair**

- 20.6 The term of Appointment of a Chair shall normally be five (5) years. At the end of five (5) years, the term may be renewed once in accordance with this Article.
- 20.7 A Member who is a Chair shall receive an annual stipend at the time of the appointment to the position of Chair in accordance with Article 53: Compensation. At the conclusion of his/her appointment as Chair, the Member shall no longer be eligible for the Chair's stipend.
- 20.8 The DOE of a Member who is appointed as Chair shall, after discussion with the Dean, be adjusted to reflect the percentage allocation to Service.
- 20.9 In the event a Chair is going to be absent from campus for a period of less than one (1) month, the Chair may recommend, and the Dean, at his/her discretion, may appoint, an Acting Chair.
- 20.10 In the event a Chair is going to be absent from campus for a period of one (1) month or longer, the Dean will appoint an Acting Chair who will be provided an administrative stipend for the period of the Acting appointment, on a pro-rata basis as per Article 53: Compensation.

### **Renewal for a Second Five (5) Year Term**

- 20.11 An incumbent Chair may indicate, in writing, to the Dean, an interest in being considered for renewal for a second term as Chair at least six (6) months prior to the anticipated end of

his/her term as Chair.

20.12 The Dean will seek input from Department members and facilitate input from members of the University community with respect to the renewal consideration. The Dean shall then decide whether to recommend the reappointment of the Member to the position of Chair.

20.13 The Dean will make his/her recommendation to the Provost. If the Provost decides the incumbent Chair will not be renewed, a Search Committee will be struck.

### **Search Committee**

20.14 At the time of a search for a Chair, the Dean, in consultation with the Provost, shall convene a Search Committee.

20.15 The composition of the Search Committee shall be:

- a) two (2) Members designated by the Dean from outside the Department, one (1) of whom must be a Department Chair;
- b) two (2) non-Members affiliated with the Department, designated by the Dean;
- c) three (3) Members elected by the Department. At least two (2) of the three elected Members must hold tenure; and
- d) the Dean, who will act as chair.

20.16 The Dean, in consultation with the Search Committee, may recommend to the Provost that an internal search be conducted.

20.17 If conducting an external search, the University shall advertise the position in the *CAUT Bulletin* or associated website, *University Affairs*, and other publications as determined by the University.

### **Assessment Procedures**

20.18 After reviewing the complete file of each candidate and seeking

input from all Committee members, the Search Committee shall compile a recommended short list of candidates to be interviewed. The Dean and Provost shall decide which candidates, if any, will be interviewed by the Search Committee.

20.19 The evaluation and ranking of the candidates by the Search Committee will be confidential.

20.20 The Dean will seek input from Department members and will facilitate input from members of the University community.

20.21 After interviewing the candidates, the Dean, on the advice of the Search Committee, shall provide to the Provost a ranked list of candidates determined to be appointable. While the Dean and Provost are not constrained by the ranking of the candidates, any appointment must be made from this list. The Dean and Provost have the option of continuing the search.

### **Transition Leave**

20.22 Upon completion of five (5) years or more in the position of Chair, the Member is eligible for two semesters of Transition Leave. However, the Chair is entitled to request Transition Leave with salary for up to one (1) of these semesters during a term of Appointment. If a Leave of more than one (1) semester is required during a term of Appointment, the incumbent will be expected to resign from his/her administrative appointment. A period of Transition Leave, at the end of the term of the appointment, is not considered to be part of the term of the appointment.

20.23 Transition Leave is intended to provide a Chair with sufficient time to re-establish or enhance his/her research and/or teaching skills to prepare him/her for return to the professoriate. So long as recognized scholarly objectives are being sought, both study and research activities, whether singly or in some combination, should be regarded as eligible to satisfy the purposes of the Transition Leave.

20.24 Transition Leave will be paid leave.

- 20.25 The two semesters of Transition Leave shall be continuous unless combined with a Research and Development Semester in accordance with Article 18: Faculty Member Rights and Responsibilities. Transition Leave shall normally commence on either September 1 or January 1, immediately following the completion of the term of Chair, except by mutual agreement of the Member and the Dean.
- 20.26 A period of Transition Leave can be combined with a Research and Development Semester in accordance with Article 18: Faculty Member Rights and Responsibilities, during which time no teaching is assigned, as long as the total period does not exceed twelve (12) months, except by mutual agreement of the Member and the University.
- 20.27 Credited service toward eligibility for Study/Research Leave will be accumulated at the rate of one semester of credited service for each year served as Chair.
- 20.28 An appointment to Chair of less than five (5) years or a part-time appointment as Chair will accrue entitlement to Transition Leave on a pro rata basis.
- 20.29 A written request for Transition Leave will be made to the Dean and will include:
- a) a statement of goals;
  - b) an activity plan;
  - c) an indication of when and where the Leave is expected to be taken;
  - d) where applicable, the results of the previous Leave; and
  - e) in the case where the Transition Leave occurs during the term of Appointment, a plan of how duties and responsibilities will be carried out.
- 20.30 Normally, requests are submitted to the Dean at least nine (9)

months prior to the intended starting date. A decision, in writing, to approve or deny the Leave will be communicated to the applicant at least six (6) months prior to the intended starting date.

## **Article 21 - Tenure, Promotion and Review of Faculty Members**

- 21.1 This Article applies to Tenure, Promotion and Review decisions of Faculty Members who hold Tenured or Probationary Appointments and to Promotion and Renewal decisions for Contractually Limited Faculty Members.
- 21.2 The *University of Guelph Act, 1964* empowers the Board of Governors to promote and confer Tenure on Faculty Members on the recommendation of the President. The University will promote Faculty Members and grant Tenure to Faculty Members only in accord with the provisions of this Article.
- 21.3 The Dean will meet with each Member, within the Faculty Member's first semester of appointment and will discuss the approved criteria with respect to the granting of Tenure and Promotion to Associate Professor. The Dean will notify the Member, on an annual basis, that both he/she and the Chair are available for Mentoring.
- 21.4 Faculty have the right to know explicitly the criteria which are used for Tenure, Promotion, and Review purposes as well as reasons for the decisions. The process must be fair and equitable.
- 21.5 The conferring of Tenure and Promotion to Associate Professor is a very important step in the relationship between the University and a Faculty Member, and it should be decided upon only after careful consideration and attention to due process. The granting of Tenure and Promotion to Associate Professor recognizes academic competence and maturity, and significant scholarly achievement demonstrated by contributions to the academic functions of the University and to the Member's discipline within and outside the University. The conferring of Tenure and Promotion to Associate Professor obliges the

University to support the career of the Member and it obliges the Member to continue to perform in a manner deserving of that support.

- 21.6 Promotion to Professor recognizes long-term, established and outstanding Scholarship. It is granted in recognition of academic competence, maturity and normally an established international reputation for achievement and expertise in the Member's field.
- 21.7 Contractually Limited Faculty Members are eligible for consideration for promotion in rank as per the provisions of this Article. Contractually Limited Members are not eligible for consideration of Tenure and therefore granting of Promotion for Contractually Limited Members does not confer Tenure.
- 21.8 Consideration for the conferring of Tenure and Promotion to Associate Professor or Promotion to Professor will be given to the individual Member's life-time contribution in the areas as defined in Article 18: Faculty Member Rights and Responsibilities.
- 21.9 Each candidate for Tenure and Promotion to Associate Professor or Promotion to Professor is expected to establish a record of performance in each of Teaching, Scholarship and Service.
- 21.10 The DOE accorded to Teaching, Scholarship and Service by a Tenure and Promotion Committee shall be subject to any arrangements described in the Letter of Appointment and any arrangements made under any of the provisions of this Agreement.
- 21.11 While a candidate must have achieved a satisfactory record of performance in Service, the meritorious performance of these duties shall not compensate for an insufficiently strong performance in Teaching or Scholarship. However, an unsatisfactory record of performance in Service contributions may be an important factor in the denial of Tenure and/or Promotion.

## **Probationary Period**

- 21.12 The maximum duration of a Probationary Appointment is six (6) consecutive years of full-time employment, exclusive of extensions granted for other reasons, such as Maternity/Parental Leave, and not counting periods of unpaid leave, from the date of the Probationary Appointment.
- 21.13 The maximum length of the Probationary period for part-time appointments shall be seven (7) years for appointments with a workload of 75-99% of a full-time appointment and eight (8) years for appointments with a workload of 50-74% of a full-time appointment.

## **Guidelines and Documentation Templates For Assessment Purposes**

- 21.14 The exact nature of information considered relevant in the consideration of Members for Tenure and Promotion, or for Review of Members, is to be decided upon by the Members of the Department and articulated in a Guidelines document. The criteria must be consistent with the Articles of the Collective Agreement and shall be those in effect prior to the period being reviewed. The criteria for Review, Tenure and Promotion, including any amendments to the same, will be subject to approval, by secret ballot, by no fewer than two-thirds (2/3's) of the Members of the Department, and also by the College Committee and the Provost.
- 21.15 All Members are to be informed in writing by the Department Chair of any amendments to these criteria. All Members, at the time of initial appointment, are to be given a copy of the approved Departmental criteria which will be used for Promotion, Tenure, and Review purposes.
- 21.16 The Dean, in consultation with the Provost, will develop standard documentation templates. Each Dean will consult with the College Tenure and Promotion Committee in the development of these templates:
- a) A template in which each Faculty Member in that College will document his/her relevant life-time scholarly contributions,

activities, and accomplishments. The file will include, among other things, the Faculty Member's Curriculum Vitae; information about Teaching, Scholarship, and Service; and publication reprints.

- b) A Department Committee Assessment/Progress Report, which will form the basis of the Department Committee's report to the College Committee on its overall assessment of the Faculty Member's performance.

### **External Assessors**

21.17 Written opinions of the Member's research and other scholarly activities by experts in the Member's field are required to support a recommendation for the granting of Tenure and Promotion to Associate Professor and for Promotion to Professor. External assessments are very important as part of the deliberations process but are not determinative. The Provost, in consultation with the Deans, and through consultation with the College Tenure and Promotion Committee, will devise the process by which external assessment will be sought for the conferring of Tenure and Promotion to Associate Professor and the granting of Promotion to Professor within the College. However, the following principles will apply:

- a) normally, External Assessors will be persons who have an 'arm's length' relationship to the Member and who are not members of this University;
- b) the normal number of external assessments to be obtained will be three (3);
- c) the Department Chair and the Member will agree as to which individuals are acceptable Assessors and will forward this list to the Dean. If agreement cannot be reached, the Department Committee will decide on the acceptable Assessors;
- d) the Dean will be responsible for communicating with assessors as per c). The information sent to the Assessor will be accompanied by a standardized University of Guelph

cover letter, developed and approved by the Provost, from the Dean of the Faculty Member's College;

- e) all assessments will be in writing;
- f) the following information will be provided to the External Assessors;
  - 1) applicable Guidelines/Criteria for Tenure and Promotion;
  - 2) the Faculty Member's Curriculum Vitae;
  - 3) a copy of the Member's DOE;
  - 4) a selection of reprints of the Faculty Member's published work, chosen by the Faculty Member; and
  - 5) any other evidence of Scholarship as determined by the Faculty Member.

### **Department Tenure and Promotion Committee**

21.18 The role of the Department Tenure and Promotion Committee shall be to:

- a) assess the Faculty Member's performance and/or progress toward the conferral of Tenure and Promotion to Associate Professor and Promotion to Professor;
- b) submit an Assessment/Progress Report, including any relevant recommendation, to the Chair of the College Tenure and Promotion Committee to be considered as input to the Review, Tenure and Promotion considerations of the College Tenure and Promotion Committee.

21.19 The composition of each Department Tenure and Promotion Committee shall be:

- a) The Chair of the Department, who will act as chair of the committee and who will be provided a second vote to break a tie;
- b) Four tenured Faculty Members in the Department, elected for a two year term by the Faculty Members in the Department;
- c) One full-time Tenured Faculty Member from within the College. The College Member shall be elected for a two-year term by the Faculty Members in the College, and will be a non-voting member.

21.20 It is the Faculty Member's responsibility to provide to his/her Chair his/her completed file by August 15th to be considered by the Tenure and Promotion Committees.

21.21 The Chair shall ensure that documentation pertaining to the Faculty Member's DOE, and teaching/course evaluations are properly included in the Member's file prior to the commencement of the deliberations process.

21.22 The Chair shall ensure that members of the Committee are provided with the relevant Tenure and Promotion Guidelines document.

### **College Tenure and Promotion Committee**

21.23 The role of the College Tenure and Promotion Committee shall be to:

- a) receive for approval the Guidelines for Tenure and Promotion;
- b) assess the Faculty Member's performance and/or progress toward the conferral of Tenure and Promotion to Associate Professor and Promotion to Professor at the College level;
- c) consider the Departmental assessment and recommendation;

- d) ensure the Departmental assessment is not inconsistent with the Guidelines and standards of performance established by the Department;
- e) consider external assessments for the granting of Tenure and Promotion to Associate Professor and Promotion to Professor;
- f) submit positive recommendations for the conferral of Tenure and Promotion to Associate Professor and Promotion to Professor to the President for decision;
- g) submit all recommendations to the Provost;
- h) issue a letter to the Faculty Member communicating the College Committee's assessment and recommendation according to the provisions in 21.39.

21.24 The composition of each College Tenure and Promotion Committee shall be:

- a) the Dean of the College, who will act as chair of the Committee and who will vote a second time to break a tie;
- b) a tenured Faculty Member from each Department, elected for a two year term by the Faculty Members of the Department, and who is not also a member of the Department Tenure and Promotion Committee; and
- c) one full-time Tenured Faculty Member from within the College who is also serving on the Department Tenure and Promotion Committee.

21.25 The Chair of the Department Committee will be responsible to ensure transfer of the complete file considered at the Department Committee to the College Committee. The Dean may request that a Chair appear before the College Committee as part of the deliberation process.

21.26 The complete file shall include all of the same information considered by the Department Committee plus the

Assessment/Progress Report from the Department Committee. The Assessment/Progress Report from the Department Committee, signed by all members of the Committee who were present for the relevant deliberations, conveys the overall assessment of the Faculty Member's performance in relation to expectations set out in the approved Tenure and Promotion Guidelines document.

21.27 It is the responsibility of the Dean to ensure that external assessment letters are included in the Faculty Member's file prior to the commencement of the deliberations process.

### **Committee Mode of Operations**

21.28 The Faculty Member's performance will be evaluated solely on the basis of:

- a) the material contained in the Official or Annex file, and therefore accessible to the Faculty Member prior to the meeting of the Department Committee; and
- b) the judgment of the members of the Committee(s) bearing on matters of which they have direct knowledge.

21.29 The decisions of the Department and College Committees will be reached by majority vote. The vote shall be by secret ballot. A member may withdraw prior to consideration and decision on a particular case. However, no member present for the consideration of a case who is eligible to vote will abstain from voting. Recusals will be recorded explicitly, with their effective date, and may not be rescinded.

21.30 Where a Chair of a Department wishes to be considered for Promotion, the procedure shall be followed as for any other Faculty Member except that for the purpose of consideration of the Promotion, the Department Committee will choose one of its own Members in the Department to act as chair of the Committee while the matter is dealt with.

**Performance Review, Tenure and Promotion Consideration for Probationary Faculty and Promotion Consideration for Contractually Limited Faculty**

- 21.31 Each year, Probationary Faculty Members at any rank, and multi-year Contractually Limited Faculty Members will submit a completed assessment file to the Chair according to the timelines indicated in this Article. The performance of all Probationary Faculty Members and multi-year Contractually Limited Faculty Members will be considered by the Department and College Tenure and Promotion Committees; feedback in the form of a written Assessment/Progress Report will be provided by the Dean to the Faculty Member.
- 21.32 The Chair shall, prior to the commencement of the Department Committee deliberations, meet with each Probationary Faculty Member to review his/her assessment file. The Dean shall, upon written request by the Faculty Member and within ten (10) days of receipt of such written request, meet with the Faculty Member to review his/her Assessment File.
- 21.33 Failure to submit the completed assessment file to the Chair by the timelines indicated in this Article, without prior written approval from the Dean and Provost, will result in an “Unsatisfactory” performance assessment, and, in the final year of candidacy for Tenure and Promotion to Associate Professor, will result in the termination of the Faculty Member’s Probationary Appointment.
- 21.34 In the final probationary review, consideration for the granting of Tenure and Promotion to the rank of Associate Professor will occur and the decision will be to either grant Tenure and confer Promotion to Associate Professor or to not grant Tenure and terminate the Faculty Member’s appointment.
- 21.35 Further to Article 21.34, a Faculty Member may apply for the early granting of Tenure and conferring of Promotion to Associate Professor in either the third, fourth or fifth year of appointment. Such application shall be made in writing by the Faculty Member to the Dean through the Department Chair by

August 15<sup>th</sup> and must be accompanied by the Faculty Member's completed Assessment File.

### **Promotion to Professor**

21.36 Consideration for Promotion to the rank of Professor will occur only on request of the Member. Such request must be made by the Member, in writing, to the Chair no later than August 15<sup>th</sup> of the year in which the review is to occur and must be accompanied by the Faculty Member's completed Assessment File.

### **Deliberations Process and Communication of Decision**

21.37 The Department Committee will assess each Faculty Member's performance and make a recommendation to the Chair of the College Committee with respect to the granting of Tenure and Promotion to Associate Professor and conferring of Promotion to Professor. The Department Committee will complete an Assessment/Progress Report for each Faculty Member who has been considered. The Assessment/Progress Report will be signed by all members of the Committee who were present for the relevant deliberations. The completed and signed Assessment/Progress Report and relevant recommendation will be sent to the Chair of the College Tenure and Promotion Committee.

21.38 The Department Committee may, in the course of its deliberations, conclude that application for Tenure is appropriate and that external letters of assessment should be sought, even in cases where a probationary Member has not applied for Tenure. In such cases, the Chair, on behalf of the Department Committee, shall write to the Member to inform him/her of the Committee's opinion.

21.39 Within fifteen (15) days following completion of Tenure and Promotion considerations at the College Tenure and Promotion Committee, the Dean will provide, to each Faculty Member being considered, a letter (signed by all members of the College

Committee who were present for the relevant deliberations) indicating the following:

- a) for Probationary Faculty Members: An assessment of progress toward Tenure and Promotion to Associate Professor and Promotion to Professor in each of the areas of responsibility;
- b) for all Faculty Members who were considered for Tenure and Promotion to Associate Professor and Promotion to Professor: the recommendation of the College Tenure and Promotion Committee along with the reasons for the recommendation.

21.40 For Faculty Members considered for Tenure and Promotion to Associate Professor and Promotion to Professor, the letter from the Dean will include one of the following recommendations:

- a) that Tenure be granted and Promotion to Associate Professor be conferred;
- b) that the Probationary Appointment be continued; or
- c) that Tenure not be granted and the Appointment be terminated.

In the final year of candidacy for Tenure and Promotion to Associate Professor, the Committee is limited to the decisions outlined in a) and c) above.

21.41 The College Tenure and Promotion Committee, at the same time, will forward to the Provost all recommendations, along with full files and copies of all correspondence related to the recommendations.

21.42 The granting of Tenure will be effective immediately following approval by the President. Promotion will be made the subject of formal notice to the Faculty Member concerned by the Dean immediately following approval by the President. The new rank will become effective the following July 1.

## **Appeals**

- 21.43 Within fifteen (15) days of the date of issuance of the letter from the Dean, the Faculty Member may appeal a negative recommendation of the College Tenure and Promotion Committee to the Chair of the University Tenure and Promotion Appeals Committee.
- 21.44 The appellant Faculty Member may request to see his/her Official File/Annex – and the signed Assessment/Progress Report from the Department Committee. Letters from external referees will be provided upon request; however, they shall be provided by the Dean without attribution and with any personally-identifying information removed.

### **University Tenure and Promotion Appeals Committee**

- 21.45 The University Tenure and Promotion Appeals Committee will serve as an advisory body to the Provost, who will act as committee chair. All Members of the Appeals Committee must have Tenure and must have either held the rank of Associate Professor for a minimum of five (5) years or hold the rank of Professor. Membership of the Committee shall consist of one representative and one alternate representative from each College of the University elected for a two-year term by the Members of that College. Membership shall be staggered so that one half of the body of representatives and one half of the body of alternate representatives is elected each year.
- 21.46 No Member may serve more than three (3) consecutive two-year terms. A Member may be eligible for re-election to the University Tenure and Promotion Appeals Committee after an absence of one term.
- 21.47 A Member who is currently serving on a Department or College Tenure and Promotion Committee is ineligible to serve on the University Appeals Committee.
- 21.48 The complete file shall include all of the same information considered by the College Committee.

- 21.49 The Faculty Member may choose to appear before the Appeals Committee, if he/she requests in writing. Whether or not he/she wishes to appear, he/she may submit a written statement and attach materials (which may be new) in support of the appeal of the decision not to grant Tenure and Promotion to Associate Professor and terminate the appointment. The Member may choose to be accompanied by a representative of the Association.
- 21.50 The Committee may request the Faculty Member, the Chair, the Dean, or any other member of the Department or College Tenure and Promotion Committees to appear before it.
- 21.51 The University Tenure and Promotion Appeals Committee shall consider all appeals and recommendations from the College Tenure and Promotion Committees and will make its recommendation to the President.
- 21.52 The Provost may, where he/she considers it appropriate, extend the Faculty Member's probationary period to permit reconsideration of the case by the Department and College Committees.

### **Decision of the President**

- 21.53 Following the hearing of all appeals, the University Tenure and Promotion Appeals Committee shall forward its recommendations to the President. The President shall inform the Faculty Member in writing of the decision of the University.

### **Performance Review**

- 21.54 In addition to the annual assessment of performance of all Probationary Faculty Members, the performance of all Contractually Limited Faculty Members shall be reviewed on an annual basis. All other Tenured Faculty Members will be considered biennially by the Department and College Tenure and Promotion Committees for the purpose of performance assessment and feedback. Such consideration will occur in even-numbered years.

- 21.55 Each Faculty Member must submit his/her completed Assessment File to the Chair by August 15<sup>th</sup>. The Chair will provide a written reminder to each Faculty Member of the deadlines for submission of documentation.
- 21.56 Failure to submit the completed Assessment File to the Chair by August 15<sup>th</sup>, without prior approval from the Dean and Provost, will result in an “Unsatisfactory” performance assessment.
- 21.57 Notwithstanding the scheduling provisions outlined in 21.54, subsequent to any assessment that is less than “Good” of a tenured Faculty Member, that Member will be subject to an annual review of performance by the Department and College Tenure and Promotion Committees.
- 21.58 The Department Committee will assess each Faculty Member’s performance and will complete an Assessment/Progress Report for each Faculty Member who has been considered. The Assessment/Progress Report will be signed by all Members of the Committee who were present for the relevant deliberations. The completed and signed Assessment/Progress Report will be sent to the Chair of the College Tenure and Promotion Committee.
- 21.59 Following consideration by the College Committee, the Dean will provide in writing (and signed by all members of the College Committee who were present for the relevant deliberations) the assessment of the Faculty Member’s performance.

### **Appeals of Performance Review**

- 21.60 Within fifteen (15) days of the date of issuance of the letter from the Dean, the Faculty Member who has received a performance rating of less than “Good” may appeal to the Chair of the University Tenure and Promotion Appeals Committee.
- 21.61 The appellant Faculty Member may request to see his/her Official File/Annex and the signed Assessment/Progress Report from the Department Committee.

21.62 The University Tenure and Promotion Appeals Committee may request the Faculty Member, the Chair, the Dean and any other Member of the Department and/or College Committees to appear before it as part of the appeal process.

21.63 The Faculty Member who has received a performance assessment of less than “Good” may choose to appear before the University Tenure and Promotion Appeals Committee if he/she requests in writing. Whether or not he/she wishes to appear, he/she may submit a written statement.

21.64 The Faculty Member is entitled to be accompanied to the meeting of the University Tenure and Promotion Appeals Committee by a representative of the Association.

21.65 The Chair of the University Tenure and Promotion Appeals Committee will provide the decision in writing to the Faculty Member within fifteen (15) days of the date of the meeting when the Faculty Member’s appeal was heard.

## **Grievance**

21.66 Any grievance of this decision shall be commenced at Arbitration, according to the provisions of Article 40: Grievance and Arbitration.

## **Article 22 - Study/Research Leave for Faculty**

22.1 Study/Research Leave with salary is an essential means of enabling Faculty Members to maintain and enhance their quality as scholars. Such Leave enables the University to maintain and enhance excellence through the Faculty Member's subsequent contributions to its teaching and research programs. To satisfy the purpose of this Leave, it is necessary that scholarly objectives are being sought and that both study and research activities, whether singly or in some combination, are consistent with these objectives.

22.2 Full-time Faculty Members are eligible to apply for Study/Research Leave to commence after six (6) years of

continuous faculty service (or its equivalent) since appointment at the University. Only tenured Faculty Members may take a Study/Research Leave.

- 22.3 A Tenured Faculty Member holding a Reduced Workload Appointment or Part-time Appointment, in accordance with the provisions of Article 54: Reduced Workload , is eligible to apply for Study/Research Leave, to commence after six (6) years of active employment with the University. The procedures and conditions which apply are those outlined throughout the remainder of this Article adjusted to accommodate the reduced workload/part-time appointment.
- 22.4 Prior eligible service for leave with salary as a Faculty Member at another university or acceptable institution may be counted in determining eligibility to apply for Study/Research Leave with salary. Credit will be calculated on the basis of one year for every two (2) years of full-time academic service at another institution, to a maximum of three (3) years. This equivalent amount of leave to be credited will be specified by the Dean in the Letter of Appointment as per Article 19: Faculty Appointments.
- 22.5 Following return from each Study/Research Leave, tenured Faculty Members are entitled to apply for one semester of Study/Research Leave after three (3) years of active employment, or for two (2) semesters after six (6) years of active employment.
- 22.6 Faculty Members who have held an academic administrative appointment since a previous Study/Research Leave are eligible to apply for Study/Research Leave when the sum of years of active employment both prior and subsequent to the term of administrative appointment (and excluding any period of academic administrative leave after the term of appointment) is equal to six (6) years.
- 22.7 A Faculty Member who has served in an academic administrative position may claim one semester of credit for each year of service toward Study/Research Leave.

- 22.8 A minimum of one year must have elapsed between a Transition Leave and a Study/Research Leave, unless otherwise approved by the Dean and the Provost.

### **Application for Leave**

- 22.9 Application for Study/Research Leave must be in writing to the Department Tenure and Promotion Committee through the Chair of the Department. Such application will be submitted at least one year prior to the intended start date of the Study/Research Leave.

- 22.10 The written application for Leave will include:

- a) a statement of goals;
- b) a plan of scholarly activity;
- c) an indication of when and where the Leave is expected to be taken;
- d) an up-to-date Curriculum Vitae; and
- e) a plan of how contractual research responsibilities (including OMAFRA) will be handled during the period of leave.

### **Decision Procedures**

- 22.11 The Department Committee will consider all written applications for Study/Research Leave as soon as is practicable following their receipt.
- 22.12 The Department Committee will assess applications on the basis of their merit and their consonance with the statement of goals of the Study/Research Leave. A Faculty Member's record of using previous Study/Research Leave for scholarly purposes and the report from the previous Leave will be components in the assessment of the application.

- 22.13 The Department Committee, through the Chair, will make its recommendations to the Dean within twenty (20) days of receipt of the application.
- 22.14 The Dean will inform the Faculty Member and the Department Chair in writing of his/her decision to approve or deny the Leave within twenty (20) days of receipt of the Departmental recommendation. Reasons for denial, or for the need to delay the commencement of such a Leave, where this situation applies, will also be given in the Dean's letter.
- 22.15 Under exceptional conditions determined by Department needs and priorities, and with the approval of the Dean, an approved Study/Research Leave may be delayed. Such delay, however, cannot be for a period exceeding two (2) years. The date to be used in establishing eligibility for a subsequent period of Study/Research Leave will be the date of return that would have occurred had the Leave not been delayed.
- 22.16 Under exceptional circumstances and with the approval of the Dean, the start date of a Faculty Member's approved Study/Research Leave may be delayed, by the Member, for up to two (2) years. Any entitlement towards the next Leave accrued during such a delay is not jeopardized.
- 22.17 A Faculty Member whose application for Study/Research Leave has not received approval from the Dean may appeal to the Provost. Appeals are restricted to consideration of the academic merits of the case, and may not relate to a requirement to delay the Leave. An appeal cannot introduce new material that has not been seen by the Department Committee and the Dean.

### **Duration of Leave**

- 22.18 Faculty Members who qualify under this Article may apply for a period of Leave of one or two semesters duration with salary and benefits. A Study/Research Leave will include the annual vacation entitlement appropriate to the length of the Leave.

- 22.19 On the completion of a period of Study/Research Leave, the Faculty Member will assume the responsibilities which would normally have been scheduled for that particular semester.

### **Conditions of Study/Research Leave**

- 22.20 The scheduling of a Study/Research Leave is to be granted independently of any other Leave entitlement. Where University Service commitments will be affected by the granting of a Research/Study Leave, the Chair and Dean, in consultation with the Faculty Member, will be responsible for making any necessary administrative arrangements to enable the Leave.
- 22.21 Within sixty (60) days of the conclusion of the Leave, the Faculty Member will provide a written report describing what has been accomplished, in relation to the plan submitted. The report will be provided to the Chair and made available to the Department Committee and Dean.
- 22.22 It is expected that a Faculty Member will return to the University of Guelph for at least one year following a period of Study/Research Leave.

### **Article 23 - Overload Teaching**

- 23.1 When the University determines a need for more courses or sections than can be mounted by available Faculty Members within the limits of normal teaching commitments, the Chair will initially provide an opportunity to qualified Probationary and Tenured Faculty Members to teach such offerings on an overload basis. Such arrangements shall be subject to the approval of the Dean.
- 23.2 A Faculty Member who, subject to approval, in writing, by the Dean, teaches more than his/her normal workload, shall be paid an overload stipend.
- 23.3 Compensation for Overload Teaching shall be consistent with the rates as per Article 53: Compensation.

- 23.4 The time spent on Overload Teaching will be considered as part of Article 9: Employment in External Remunerative Activities in relation to a Faculty Member's responsibilities, at the rate of fifteen (15) days for a one-semester course.
- 23.5 Faculty Members on Reduced Workload Appointments or with approved release time from teaching are not eligible for Overload Teaching.

### **Program Redundancy**

- 24.3 When the University approves a reorganization which involves the closure, reduction, amalgamation, or transfer of an academic program or programs which may lead to the transfer of one or more Members, a Redeployment Advisory Committee will be struck by the Provost to provide advice on measures needed to effect the reorganization, including (where applicable) redeployment, buyout or retirement.

### **Redeployment Advisory Committee**

- 24.4 The Redeployment Advisory Committee will be comprised of the Dean and one Tenured Faculty Member from each Department

within the College, jointly named by the Association and the University.

- 24.5 The Redeployment Advisory Committee will prepare a plan which includes a list of those Members who are or may be affected. This plan will be submitted to the Provost within thirty (30) days of the Committee being struck.

### **Redeployment Process**

- 24.6 The Provost will convene a meeting with the President of the Association to provide notification that a program redundancy will be effected and will provide the names of the impacted Faculty Members. The Provost will provide this notification in writing to the President of the Association at this meeting.
- 24.7 Following this meeting and within ten (10) days, the Dean will meet individually with each of the affected Faculty Member(s) to inform him/her of the impending reorganization and discuss options available for individual Members. The Dean will discuss with the affected Faculty Member his/her individual career goals and perceived fit with other academic units. The Dean will then make a written recommendation to the Provost with respect to the most likely academic Department for the transfer of the Faculty Member. The Provost shall inform the Faculty Member in writing of the decision with respect to transfer and the reasons for the decision. The Faculty Member may be accompanied by another Member or representative of the Association at this and subsequent meetings.
- 24.8 Within thirty (30) days, the Faculty Member must accept the transfer or request, in writing, that a buyout or retirement option be initiated.
- 24.9 A Faculty Member shall be offered a minimum buyout or retirement option that provides for one month's salary for each year of service with a minimum buyout of six (6) months up to a maximum of twenty-four (24) months.

## **Article 28 - Continuing Appointment, Promotion and Review of Librarian Members**

28.1 This Article applies to Continuing Appointment, Promotion and Review, decisions of Librarian Members who hold Continuing or Probationary appointments, and to Renewal decisions for Contractually Limited Librarian Members.

28.2 Promotion and the conferring of a Continuing Appointment are very important steps in the relationship between the University and a Librarian Member and they should be decided upon only after careful consideration and attention to due process. The University will promote Librarian Members and grant Continuing Appointment to Librarian Members only in accord with the provisions of this Article.

28.3 The Chief Librarian will meet with each Librarian Member, within the Member's first semester of appointment and will discuss the approved criteria with respect to the granting of Continuing Appointment. The Chief Librarian will, on an annual basis, notify the Member that both he/she and the Associate Chief Librarians are available for Mentoring.

28.4 Librarian Members have the right to know explicitly the criteria

which are used for Continuing Appointment and Promotion, and Review purposes, as well as reasons for the decisions. The process must be fair and equitable.

- 28.5 Promotion to Associate Librarian and the granting of Continuing Appointment to a Librarian Member recognizes professional and academic competence and maturity, as exemplified by his/her contribution to the academic functions of the University and by related activity within and outside of the University. The conferral of Continuing Appointment obliges the University to support the career of the Librarian Member and it obliges the Librarian Member to continue to perform in a manner deserving of that support.
- 28.6 Promotion to Librarian recognizes long-term, established and outstanding performance in Professional Practice, Scholarship and Service. It is granted in recognition of academic competence, maturity and an established and widely acknowledged reputation for achievement and expertise in the Librarian Member's field.
- 28.7 Consideration for the conferring of Continuing Appointment and Promotion to Associate Librarian will be given to the Librarian Member's life-time contribution in the areas as defined in Article 25: Rights and Responsibilities of Librarians.
- 28.8 Each candidate for Promotion and/or the granting of Continuing Appointment is expected to establish a record of performance in each of Professional Practice, Scholarship and Service.
  - 28.8.1 The DOE accorded to Professional Practice, Scholarship and Service by a Continuing Appointment and Promotion Committee shall be subject to any arrangements described in the Letter of Appointment and any arrangements made under any of the provisions of this Agreement.

### **Probationary Period**

- 28.9 The maximum duration of a Probationary Appointment is six (6)

consecutive years of full-time employment, exclusive of extensions granted for other reasons, such as Maternity/Parental Leave, and not counting periods of unpaid leave, from the date of the Probationary Appointment.

- 28.10 The maximum length of the Probationary Period for part-time appointments shall be seven (7) years for appointments with a workload of 75-99% of a full-time appointment and eight (8) years for appointments with a workload of 50-74% of a full-time appointment.

### **Guidelines and Documentation Templates for Assessment Purposes**

- 28.11 The exact nature of information considered relevant in the consideration of Members for Continuing Appointment and Promotion, or for Review of Members, is to be decided upon by the Librarian Members and articulated in a Guidelines Document. The criteria must be consistent with the Articles of the Collective Agreement and shall be those in effect prior to the period being reviewed. The criteria for Review, Continuing Appointment and Promotion, including any amendments to the same will be subject to approval, by secret ballot, by no fewer than two-thirds (2/3's) of the Librarian Members, and also by the Library Continuing Appointment and Promotion Committee and the Provost.

28.11.1 All Members are to be informed in writing by the Chief Librarian of any amendments to these criteria. All Members, at the time of initial appointment, are to be given a copy of the approved Guidelines Document stipulating the criteria for Promotion, Continuing Appointment and Review purposes.

28.11.2 The Chief Librarian, in consultation with the Provost, will develop standard documentation templates. The Chief Librarian will consult with the Continuing Appointment and Promotion Committee in the development of these templates:

- a) a template in which each Librarian Member will document his/her life-time professional, scholarly and service contributions, activities, and accomplishments. The file will include, among other things, the Librarian Member's curriculum vitae, the Librarian's report, and a review of the Librarian's performance in the area of Professional Practice written by the person to whom the Librarian Member reports (his/her Manager);
- b) a template for Continuing Appointment and Promotion Committee (CAP) Assessment/Progress Report, on which the CAP Committee will report to the Library Continuing Appointment and Promotion Committee (Library Committee) its overall assessment of the Librarian Member's performance.

## **External Assessment and References**

28.12 Written opinions from external assessors of the Member's Professional Practice, Scholarship, and Service activities are required to support a recommendation for promotion to Librarian. External assessments are very important as part of the deliberations process but are not determinative.

28.13 The Provost in consultation with the Chief Librarian, and through consultation with the CAP Committee will devise the process by which references and external assessment will be sought for the conferring of Continuing Appointment and the granting of Promotion within the Library. However, the following principles will apply:

- a) as identified by the Member or the Chair of the CAP Committee, letters of references may be obtained to support a Librarian Member's achievements significant to the application and/or recommendation for Continuing Appointment;
- b) for promotion to Librarian, external assessors will normally be persons with an 'arm's length'

relationship to the Member and who are not members of this University;

- c) the normal number of external assessments to be obtained for promotion to Librarian will be three (3);
- d) the chair of the Continuing Appointment and Promotion Committee and the Member will agree as to what individuals are acceptable assessors and will forward this list to the Chief Librarian. If agreement cannot be reached, the CAP Committee will decide on the acceptable assessors;
- e) the Chief Librarian will be responsible for communicating with external assessors and references as per d). The information sent to the external assessor will be accompanied by a standardized University of Guelph cover letter, developed and approved by the Provost, from the Chief Librarian;
- f) all references and external assessments will be in writing; and
- g) the following information will be provided to the External Assessors:
  - 1) Applicable Guidelines/Criteria for Continuing Appointment and Promotion;
  - 2) The Librarian Member's Curriculum Vitae;
  - 3) A copy of the Librarian Member's DOE;
  - 4) Any other evidence of Professional Practice, Scholarship, or Service as determined by the Librarian Member.

## **Continuing Appointment and Promotion Committee (CAP)**

28.14 The role of the CAP Committee shall be to:

- a) assess the Librarian Member's performance and/or progress toward the conferral of Continuing Appointment and Promotion to Associate Librarian, and Promotion to Librarian.
- b) submit an Assessment/Progress Report, including any relevant recommendation, to the Chair of the Library Committee to be considered as input to the review, conferral of Continuing Appointment and Promotion considerations of the Library Committee.

28.15 The composition of the CAP Committee shall be:

- a) four (4) Librarian Members holding Continuing Appointment elected for a two (2) year term by all Librarian Members;
- b) the chair of the CAP Committee shall be elected by the members of the CAP Committee annually. The Chair will be provided with a second vote to break a tie.

28.16 It is the joint responsibility of the Librarian Member and his/her Manager to submit the completed file to the chair of the CAP Committee, or designate, by August 15th.

28.17 The chair of the CAP Committee shall ensure that documentation pertaining to the Librarian Member's DOE, and the submitted file are properly included in the Librarian Member's file prior to the commencement of the deliberations process.

28.18 The chair of the CAP Committee shall ensure members of the Committee are provided with the relevant Continuing Appointment and Promotion Guidelines document.

## **Library Continuing Appointment and Promotion Committee (Library Committee)**

28.19 The role of the Library Committee shall be to:

- a) receive for approval the Guidelines for Continuing Appointment and Promotion;
- b) assess the Librarian Member's performance and/or progress toward the conferral of Continuing Appointment and Promotion to Associate Librarian, and Promotion to Librarian;
- c) consider the CAP Committee assessment and recommendation;
- d) ensure the CAP Committee assessment is not inconsistent with the Guidelines and standards of performance established by the Library;
- e) consider external assessments for Promotion to Librarian and, if applicable, letters of reference for applications for Continuing Appointment;
- f) submit positive recommendations for the conferral of Continuing Appointment and Promotion to Associate Librarian and Promotion to Librarian to the President for decision;
- g) submit all recommendations to the Provost;
- h) issue a letter to the Librarian Member communicating the Library Committee's assessment and recommendation according to the provisions in 28.40

28.20 The composition of the Library Committee shall be:

- a) the Chief Librarian, who will act as chair of the Library Committee and who will vote a second time to break a tie;

- b) two (2) Librarian Members with Continuing Appointment, elected for a two (2) year term by all Librarian Members; and
- c) one Associate Chief Librarian.

28.21 The chair of the CAP Committee will be responsible to ensure transfer of the complete file considered at the CAP Committee to the Library Committee. The Chief Librarian may request that the Chair of the CAP Committee and/or a Manager appear before the Library Committee as a part of the deliberations process.

28.22 The complete file shall include all of the same information considered by the CAP Committee plus the Assessment/Progress Report and relevant recommendation from the CAP Committee. The Assessment/Progress Report and recommendation from the CAP Committee, signed by all members of the Committee who were present for the relevant deliberations, conveys the overall assessment of the Librarian Member's performance in relation to the expectations set out in the approved Continuing Appointment and Promotion Guidelines document.

28.23 It is the responsibility of the Chief Librarian, or designate, to ensure that external assessments and letters of reference are included in the Librarian Member's file prior to the commencement of the Library Committee's deliberations process.

### **Committee Mode of Operations and Election to Committee**

28.24 The Librarian Member's performance will be evaluated solely on the basis of:

- a) the material contained in the Official or Annex file, and therefore accessible to the Librarian Member; and
- b) the judgment of the members of the Committee(s) bearing on matters of which they have direct knowledge.

28.25 The decisions of the CAP and Library Committees will be

reached by majority vote. The vote shall be by secret ballot. A Member may withdraw prior to consideration and decision on a particular case. A Member shall withdraw prior to consideration of his/her case. However, no Member present for the consideration of a case who is eligible to vote will abstain from voting. Recusals will be recorded explicitly, with their effective date, and may not be rescinded.

28.26 Where the Chair of the CAP Committee wishes to be considered for promotion, the procedure shall be followed as for any other Librarian Member except that for the purpose of consideration of the Promotion, the CAP Committee will choose one of its own members to act as Chair of the Committee while the matter is dealt with.

28.27 All Librarian Members holding Continuing Appointment are eligible for election to the CAP Committee, the Library Committee, and the Library Appeals Committee with the exception of:

- a) any Member currently elected to either the CAP Committee, Library Committee, or, the Library Appeals Committee;
- b) those who have served three (3) consecutive two-year terms.

28.28 All elections for the CAP Committee, Library Committee and the Library Appeals Committee will be conducted by the Nominating Committee with administrative support from the Chief Librarian's office. The Nominating Committee shall be comprised of one elected Librarian Member and the Chief Librarian, or designate. One Librarian Member is elected in November to the Nominating Committee for a two-year term by the Librarian Members.

28.29 The Nominating Committee requests nominations from Librarians at least two weeks prior to the commencement of an election. The CAP Committee election shall be held during January and the Librarians will be informed of the results of the

election prior to elections for the Library Committee and the Library Appeals Committee. The outgoing Nominating Committee conducts the elections for the successor Committee.

- 28.30 Voting will be by secret ballot, submitted in double envelopes, the outer signed by the voter, to the Nominating Committee by the deadline specified by said Committee. In the case of a tie, the Chief Librarian will have the casting vote. The Nominating Committee will inform the Librarian Members, the Chief Librarian, and the Association of the results.
- 28.31 The length of term following an election of a Member to the CAP Committee, the Library Committee, or the Library Appeals Committee shall be for a period of two (2) years. Membership shall be staggered so that one half of the body of representatives is elected each year.
- 28.32 If an elected Member is unable to serve, then the Member will be replaced by the unelected Librarian Member with the largest number of votes. Should there have been no unelected candidates in the annual election, a special election will be held to fill the vacant position.

### **Performance Review, Continuing Appointment and Promotion Consideration for Probationary Librarians**

- 28.33 Each year, all probationary and multi-year Contractually Limited Librarian Members will submit a completed assessment file to the chair of the CAP Committee by August 15th. The performance of all Probationary Librarians will be considered by the CAP Committee and feedback in the form of a written Assessment/Progress Report will be provided by the Chief Librarian to the Member and copied to his/her Manager.
- 28.34 The Manager shall, prior to the submission of the assessment file to the Chair of the CAP Committee, meet with each probationary Librarian Member to review his/her file and performance review. The Chief Librarian shall, upon written request by the Member and within ten (10) days of receipt of such written request, meet with the Member to review his/her assessment file.

28.35 Failure to submit the completed assessment file to the chair of the CAP Committee by August 15th, without prior written approval from the Chief Librarian and Provost, will result in an Unsatisfactory performance assessment and, in the final year of candidacy for Continuing Appointment and Promotion to Associate Librarian, will result in the termination of the Librarian Member's Probationary Appointment.

28.36 In the final probationary review, consideration for the granting of Continuing Appointment and conferring of Promotion to the rank of Associate Librarian will occur and the decision will be to either grant Continuing Appointment and confer Promotion to Associate Librarian or to not grant Continuing Appointment and terminate the Librarian Member's Appointment.

28.37 Further to Article 28.36, the Librarian Member may apply for the early granting of Continuing Appointment and conferring of Promotion to Associate Librarian in either the third, fourth or fifth year of appointment. Such application shall be made, in writing, by the Member to the Chief Librarian through the chair of the CAP Committee by August 15<sup>th</sup> and must be accompanied by the Member's completed assessment file.

### **Promotion to Librarian**

28.38 Consideration for promotion to the rank of Librarian will occur only upon request of the Librarian Member. Such request must be made by the Member, in writing, to the chair of the CAP Committee by August 15th of the year in which the review is to occur and must be accompanied by the Member's completed assessment file.

### **Deliberations Process and Communication of Decision**

28.39 The CAP Committee will assess each Librarian Member's performance and make a recommendation to the chair of the Library Committee with respect to the granting of Continuing Appointment and Promotion to Associate Librarian, and, the conferring of Promotion to Librarian. The CAP Committee will

complete an Assessment/Progress Report for each Librarian Member who has been considered. The Assessment/Progress Report and relevant recommendation will be signed by all members of the Committee who were present for the relevant deliberations. The completed and signed Assessment/Progress Report and relevant recommendation will be sent to the chair of the Library Committee.

28.40 The CAP Committee may, in the course of its deliberations, conclude that application for Continuing Appointment is appropriate even in cases where a Probationary Member has not applied for Continuing Appointment. In such cases, the chair, on behalf of the CAP Committee, shall write to the Member to inform him/her of the Committee's opinion.

28.41 Within fifteen (15) days following completion of performance assessment, Continuing Appointment and Promotion considerations at the Library Committee, the Chief Librarian will provide to each Librarian Member being considered a letter (signed by all members of the Library Committee who were present for the relevant deliberations) indicating the following:

- a) for probationary Members: An assessment of progress toward Continuing Appointment and Promotion in each of the three areas of responsibility;
- b) for all Members who were considered for Continuing Appointment and Promotion to Associate Librarian or Promotion to Librarian: the recommendation of the Library Committee along with the reasons for the recommendation.

28.42 For Librarian Members considered for Continuing Appointment and Promotion, the letter will include one of the following recommendations:

- a) that Continuing Appointment be granted and Promotion to Associate Librarian be conferred;
- b) that the Probationary Appointment be continued; or

- c) that Continuing Appointment not be granted and the Appointment be terminated.

In the final year of candidacy for Continuing Appointment, the Committee is limited to the decisions outlined in a) and c) above.

28.43 The Library Committee, at the same time, will forward to the Provost all recommendations, along with full files and copies of all correspondence related to those recommendations.

28.44 The granting of Continuing Appointment will be effective immediately following approval by the President. Promotion will be made the subject of formal notice to the Librarian Member concerned by the Chief Librarian immediately following approval by the President. The new rank will become effective the following July 1.

## **Appeals**

28.45 Within fifteen (15) days of the date of issuance of the letter from the Chief Librarian, the Librarian Member may appeal a negative recommendation of the Library Committee to the chair of the Library Continuing Appointment and Promotion Appeals Committee.

28.46 The appellant Librarian Member may request to see his/her Official File/Annex – and the signed Assessment/Progress Report from the CAP and Library Committee(s). Letters from external referees will be provided upon request; however, they shall be provided by the Chief Librarian without attribution and with any personally-identifying information removed.

## **Library Continuing Appointment and Promotion Appeals Committee** (Library Appeals Committee)

28.47 The Library Appeals Committee will serve as an advisory body to the Provost, who will act as committee chair. The Library Appeals Committee shall consider all appeals and recommendations from the Library Continuing Appointment and

Promotion Committee and will make its recommendation to the President.

28.48 The membership of the Library Appeals Committee shall be:

- a) The Provost, who will act as chair of the committee;
- b) Two (2) Librarian Members holding Continuing Appointment elected for a two (2) year term by Librarian Members.

28.50 The Librarian Member may choose to appear before the Library Appeals Committee, if he/she requests in writing. Whether or not he/she wishes to appear, he/she may submit a written statement and attach materials, which may be new, in support of the appeal of the decision not to grant Continuing Appointment, and to terminate the appointment as per Article 28.42 c). The Member may choose to be accompanied by a representative of the Association.

28.51 The Library Appeals Committee may request the Librarian Member, his/her Manager, the chair of the CAP Committee, the Chief Librarian or any other member of the CAP or Library Committees to appear before it.

28.52 The Provost may, where he/she considers it appropriate, extend the Librarian Member's probationary period to permit reconsideration of the case by the CAP Committee and Library Committee.

### **Decision of the President**

28.53 Following the hearing of all appeals, the Library Appeals Committee shall forward its recommendations to the President. The President shall inform the Librarian Member in writing of the decision of the University.

## **Performance Review**

- 28.54 In addition to the annual assessment of performance of all probationary Librarian Members, the performance of all contractually limited Members shall be conducted on an annual basis. All Members holding Continuing Appointment will be considered biennially by the CAP Committee and Library Committee for the purpose of performance assessment and feedback. Such consideration will occur in even-numbered years.
- 28.55 Each Librarian Member must submit his/her completed assessment file to the chair of the CAP Committee by August 15<sup>th</sup>. The chair of the CAP Committee will provide a written reminder to each Librarian of the deadlines for submission of documentation.
- 28.56 Failure to submit the completed assessment file by August 15th, without prior approval from the Chief Librarian and Provost, will result in an unsatisfactory performance assessment.
- 28.56.1 Notwithstanding the scheduling provisions outlined in 28.54, subsequent to any less than good assessment of a Librarian Member with Continuing Appointment in any category, that Member will be subject to an annual review of performance by the CAP Committee and Library Committee.
- 28.57 The CAP Committee will assess each Librarian Member's performance and will complete an Assessment/Progress Report for each Member who has been considered. The Assessment/Progress Report will be signed by all members of the Committee who were present for the relevant deliberations. The completed and signed Assessment/Progress Report will be sent to the chair of the Library Committee.
- 28.58 Following consideration by the Library Committee, the Chief Librarian will provide in writing (and signed by all members of

the Library Committee who were present for the relevant deliberations) the assessment of the Librarian Member's performance to the Member and also copy it to his/her Manager.

### **Appeals of Performance Review**

- 28.59 Within fifteen (15) days of the date of issuance of the letter from the Chief Librarian, the Librarian Member who has received a performance rating of less than good may appeal to the chair of the Library Appeals Committee.
- 28.60 The appellant Librarian Member may request to see his/her Official File/Annex and the signed Assessment/Progress Report from the CAP Committee and Library Committee.
- 28.61 The Library Appeals Committee may request the Librarian Member, the Manager, the Chief Librarian and any other member of the CAP or Library Committees to appear before it as part of the appeal process.
- 28.62 The Librarian Member who has received a performance assessment of less than good may choose to appear before the Library Appeals Committee if he/she requests in writing. Whether or not he/she wishes to appear, he/she may submit a written statement.
- 28.63 The Librarian Member is entitled to be accompanied to the meeting of the Library Appeals Committee by a representative of the Association.
- 28.64 The chair of the Library Appeals Committee will provide the decision in writing to the Librarian Member within fifteen (15) days of the date of the meeting when the Member's appeal was heard.

### **Grievance**

- 28.65 Any grievance of this decision shall be commenced at Arbitration, according to the provisions of the Article 40: Grievance and Arbitration.

## **Article 29 - Study/Research Leave and Development Leave for Librarians**

### **Study/Research Leave**

- 29.1 Study/Research Leave is regarded as an essential means of enabling Librarian Members to maintain and enhance their quality as scholars and professionals. Such leave enables the University to maintain and enhance excellence through the individual Member's subsequent contributions to its learning, teaching, and research/scholarship programs. To satisfy the purpose of this Leave, it is necessary that scholarly or professional objectives are being sought and that both research and study activities, whether singly or in combination, are consistent with these objectives.
- a) Full-time Librarian Members are eligible to apply for Study/Research Leave to commence after six (6) years of continuous service (or its equivalent) since Appointment at the University of Guelph. Only Members holding a Continuing Appointment may go on a Study/Research Leave.
  - b) A Librarian Member with a Continuing Appointment holding a Reduced Workload Appointment or Part-time Appointment, in accordance with the provisions of Article 54, is eligible to apply for Study/Research Leave, to commence after six (6) years of active employment with the University. The procedures and conditions which apply are those outlined throughout the remainder of this Article, adjusted to accommodate the Reduced Workload/Part-time Appointment.
  - c) Prior eligible service for leave with salary as a Librarian at another university or acceptable institution may be counted in determining eligibility to apply for Study/Research Leave. Credit will be calculated on the basis of one year for every two years of full-time academic service at another institution, to a maximum of three years. This equivalent amount of leave to be credited, will be specified by the

Chief Librarian in the Letter of Appointment per Article 26:  
Appointment of Librarian Members.

- 29.2 Following return from each Study/Research Leave, Librarians with Continuing Appointment are entitled to apply for four (4) months Study/Research Leave after three (3) years of active employment, or for eight (8) months after six (6) years of active employment.
- 29.3 Librarian Members who have held an Academic Administrative Appointment since a previous Study/Research Leave are eligible to apply for Study/Research Leave when the sum of years of active employment both prior and subsequent to the term of Administrative Appointment (and excluding any period of Transition Leave after the term of Appointment) is equal to six (6) years.
- 29.3.1 A Librarian Member who has served in an Academic Administrative Appointment may claim one semester of credit for each year of service towards Study/Research Leave.
- 29.3.2 A minimum of one year must have elapsed between a Transition Leave and a Study/Research Leave, unless otherwise approved by the Chief Librarian and the Provost.

**Application for Study/Research Leave**

- 29.4 Application for Study/Research Leave must be submitted in writing by the Librarian Member to the CAP Committee, after consultation with the person to whom he/she reports. Such application will be submitted at least one year prior to the intended start date of the Study/Research Leave.
- 29.5 The written application for leave will include:
- a) a statement of goals;
  - b) a plan of scholarly activity;

- c) an indication of when and where the leave is expected to be taken;
- d) an up-to-date Curriculum Vitae.

### **Study/Research Leave Decision Procedures**

- 29.6 The CAP Committee will consider all written applications for Study/Research Leave as soon as practicable following their receipt.
- 29.7 The CAP Committee will assess applications on the basis of their merit and their consonance with the stated goals of the Study/Research Leave. A Librarian Member's record of using previous Study/Research Leave for scholarly purposes and the report from the previous Leave (where applicable) will be a component in the assessment of the application.
- 29.8 The CAP Committee, through the chair, will make its recommendations to the Chief Librarian within twenty (20) days of receipt of the application.
- 29.9 The Chief Librarian will inform the Librarian Member and the person to whom he/she reports, in writing of his/her decision to approve or deny the leave within twenty (20) days of the receipt of the CAP recommendation. Reasons for denial, or for the need to delay the commencement of such a leave, where this situation applies, will also be given in the Chief Librarian's letter.
- 29.10 Under exceptional conditions determined by Library needs and priorities, and with the approval of the Chief Librarian, an approved Study/Research Leave may be delayed. Such delay, however, cannot be for a period exceeding two (2) years. The date to be used in establishing eligibility for a subsequent period of Study/Research Leave will be the date of return that would have occurred had the Leave not been delayed.
- 29.11 Under exceptional circumstances and with the approval of the Chief Librarian, the start date of a Librarian's approved Study/Research Leave may be delayed for up to two (2) years.

Any entitlement towards the next Leave accrued during such a delay is not jeopardized.

- 29.12 A Librarian Member whose application for Study/Research Leave has not received approval from the Chief Librarian may appeal to the Provost. Appeals are restricted to consideration of the academic or professional merits of the case, and may not relate to a requirement to delay the Leave. An appeal cannot introduce new material that has not been seen by the CAP Committee and Chief Librarian.

### **Duration of Study/Research Leave**

- 29.13 Librarian Members who qualify under this Article may apply for a period of leave of four (4) or eight (8) months duration. A Study/Research Leave will include the annual vacation entitlement appropriate to the length of the Leave.
- 29.14 Upon completion of a period of Study/Research Leave, the Librarian Member will assume his/her regular academic and professional responsibilities.

### **Conditions of Study/Research Leave**

- 29.15 The scheduling of a Study/Research Leave is to be granted independently of any other Leave entitlement. Where University Service commitments will be affected by the granting of Study/Research Leave, the manager and Chief Librarian, in consultation with the Librarian Member, will be responsible for making any necessary administrative arrangements to enable the Leave.
- 29.16 Within sixty (60) days of the conclusion of the Leave period, the Librarian Member will provide a written report describing what has been accomplished, in relation to the plan submitted. The report will be provided to the person to whom the Member reports and be made available to the CAP Committee and Chief Librarian.

- 29.17 It is expected that the Librarian Member will return to the University of Guelph for at least one year following a period of Study/Research Leave.

### **Development Leave**

- 29.18 Any Librarian Member (with or without a Continuing Appointment) who expects to be taking on significantly different duties may apply for a Development Leave of one (1) to four (4) months for the purpose of acquiring knowledge and/or skills to enable him/her to perform the new duties better. Where appropriate, the Development Leave may extend an approved Study/Research Leave to a maximum of twelve (12) months.
- 29.19 An application for Leave must be made to the Chief Librarian in writing, six (6) months prior to the expected start date of the Leave, and the Leave must be taken within six (6) months of commencing new duties.
- 29.20 The Chief Librarian shall write to the Librarian Member within twenty (20) days of application with his/her decision. The application will be assessed on its merits and consonance with the stated goals of the Leave. The decision of the Chief Librarian may be appealed to the Provost. The Provost shall notify the Member and the Chief Librarian of his/her decision in writing, with reasons.

### **Consultative Leave**

- 35.3 Continuing Appointment Veterinarian Members are eligible after six (6) years of continuous and satisfactory service and with the approval of the Director to make application for a Consultative Leave. This Leave is possible based on the merit of the Member's application and the availability of funding. Such Leave will be paid (for a maximum of one semester). Application for Consultative Leave must be submitted in writing by the Member to the Director at least twelve (12) months prior to the intended start date of the Leave. The written application will include:

- 36.3 PPL does not accrue from one year to another.
- 36.4 Each request shall indicate the reason for the request, providing as much notice as practicable.

## **Article 37 - Redeployment of Veterinarian Members Due to Reorganization**

- 37.1 When the University approves a significant reorganization which may affect one or more Veterinarian Members in the AHL or VTH, a Redeployment Advisory Committee will be struck by the Provost and the Vice-President (Research) to provide advice on measures needed to effect the reorganization, including redeployment or termination with severance.

### **Redeployment Advisory Committee**

- 37.2 The Redeployment Advisory Committee will be comprised of the Director of VTH, the Director of AHL, and two Veterinarian Members with a Continuing Appointment, from AHL and/or VTH, named by the Association.
- 37.3 The Redeployment Advisory Committee will prepare a plan which includes a list of those Veterinarian Members who are, or may be, affected. This plan will be submitted to the Provost and the Vice-President (Research) within thirty (30) days of the Committee being struck.
- 37.4 Recommendations about affected Veterinarian Members shall be considered on a case by case basis by the Redeployment Advisory Committee. Whenever practicable, Members holding contractually limited appointments shall be reassigned or terminated ahead of Members holding Probationary or Continuing Appointments. In the case where more than one Member performs the same job, the person with the shortest amount of continuous employment within the Bargaining Unit (Bargaining Unit seniority) shall be the first to be redeployed.

### **Redeployment Process**

- 37.5 The Provost and the Vice-President (Research) will convene a meeting with the President of the Association to provide notification that a reorganization will be effected and will provide the names of the impacted Veterinarian Members. The Provost and the Vice-President (Research) will provide this notification in writing to the President of the Association at this meeting.

37.6 Following this meeting and within ten (10) days, the appropriate Director will meet individually with each of the affected Veterinarian Member(s) to inform them of the impending reorganization and discuss options available for individual Members. The Director will discuss with the affected Member(s) his/her individual career goals and perceived fit with other units/Departments, if applicable. If applicable, the Director will then make a written recommendation to the Provost and Vice-President (Research) with respect to the most likely unit/Department for the redeployment of the Member. The Director shall inform the Member in writing of the decision with respect to redeployment, if applicable, and the reasons for the decision.

37.6.1 The Veterinarian Member may be accompanied by another Member or representative of the Association at this and subsequent meetings.

37.7 If there is a position identified to which a Veterinarian Member can be redeployed in 37.6 above, within thirty (30) days the Member must accept the redeployment or request, in writing, that termination with severance be initiated.

37.8 All existing entitlements, including, but not limited to rank, salary, benefits, leaves and seniority shall be transferred with the Veterinarian Member(s) in the event of redeployment.

37.9 A Veterinarian Member may not be transferred from the University of Guelph main campus without his/her consent.

37.10 If a position cannot be identified for redeployment in 37.6, then the termination with severance option (below) will be initiated.

### **Termination with Severance**

37.11 The University shall give to each Veterinarian Member holding a Probationary or Continuing Appointment who is affected by a reorganization leading to termination with severance:

- a) Notice: six (6) months' notice, or six (6) months' actual salary in lieu of notice, or a combination of notice and actual salary equivalent to six (6) months'; and
- b) Severance: one (1) month's salary for each year of continuous employment with a minimum of six (6) months, up to a maximum of twenty-four (24) months.

### **Article 38 - Academic Fraud and Misconduct**

38.1 Academic fraud or misconduct does not involve an honest error, conflicting data, differences in the interpretation or assessment of data or of experimental design or practice, unless there has been an intent to mislead. Any finding of academic fraud or misconduct shall require clear, cogent and convincing proof of actual dishonest purpose and intent, or reckless disregard for the likelihood to mislead.

38.2 Academic fraud or misconduct in research/scholarship includes:

- a) fabrication and falsification of research findings or scholarly materials;
- b) plagiarism;
- c) failure to recognize by due acknowledgement the substantive contributions of others, including students, or the use of unpublished materials of others without permission, or the use of archival materials in violation of the rules of the archival source;
- d) failure to obtain the permission of the author before making significant use in any publication of new information, concepts or data obtained through access to manuscripts or grant applications during the peer review process;
- e) submission for publication of an article originally published elsewhere except where it is clearly indicated in the published work that the publication is intended to be a re-publication;

- f) falsification or misrepresentation of credentials or other intentionally misleading practices in proposing, conducting or reporting research/scholarship;
- g) intentional unauthorized diversion of research/scholarship funds of the University, federal or provincial granting councils or other sponsors of research;
- h) material failure to comply with relevant federal or provincial statutes or regulations, or policies promulgated by the Senate or Board of Governors which are not inconsistent with this Agreement for the protection of researchers, human subjects, or for the health and safety of the public or the welfare of laboratory animals;
- i) material failure to meet other relevant legal requirements that relate to the conduct or reporting of research and scholarly activity;
- j) failure to reveal material conflict of interest to sponsors or to those who commission work, or when asked to undertake reviews of research grant applications or manuscripts for publication, or to test products for sale or distribution to the public;
- k) failure to reveal to the University any material financial interest in a company that contracts with the University to undertake research, particularly research involving the company's products or those of its direct competitors, or to provide research-related materials or services. Material financial interest includes ownership, substantial stock-holding, a directorship, significant honoraria or consulting fees, but does not include routine stock holding in a publicly-traded company.

## **Procedures**

38.3 Any discipline imposed on a Member for misconduct in research and scholarly activity shall be subject to Article 39: Discipline.

## **Article 39 - Discipline**

- 39.1 A Member may be disciplined only for just cause and in accord with the provisions of this Article. Disciplinary action shall be reasonable and consistent with the principle of progressive discipline, commensurate with the seriousness of the misconduct.

### **Disciplinary Measures**

- 39.2 Disciplinary measures taken by the University against a Member are:
- a) written warning or reprimand;
  - b) suspension with pay;
  - c) suspension without pay; or
  - d) dismissal for cause.
- 39.3 A written warning or reprimand shall contain a clear statement of the reasons for taking the action and shall be clearly identified as a disciplinary measure.
- 39.4 A suspension with pay is the act of the University relieving, for cause, some or all of a Member's duties and/or entitlements without the Member's consent.
- 39.5 Dismissal means the termination of Appointment without the Member's consent before retirement/resignation or the end of the contract.
- 39.5.1 Non-renewal of a Contractually Limited Appointment does not, in and of itself, constitute dismissal and provides no right to another appointment. Not granting of a Continuing Appointment or Tenure to a Member does not constitute dismissal.
- 39.5.2 Grounds for dismissal of a Member shall be:
- a) gross misconduct, which may be found to arise from a single incident but which also may include repeated serious misconduct;

- b) persistent failure to discharge Responsibilities through incompetence or neglect of duties; or
- c) abandonment of duties.

### **Disciplinary Process Distinct from Academic Assessments**

- 39.6 The fact that a disciplinary measure is contemplated or has been imposed cannot be considered in Tenure/Continuing Appointment and Promotion and Annual Performance Assessment; however, the facts that resulted in, or may result in, the imposition of discipline may be considered, if relevant to an academic assessment.

### **Investigation**

- 39.7 The University may investigate any allegation which, if proven, would warrant taking disciplinary proceedings against a Member. Subject to 39.12, as soon as practicable after an allegation has been made, the University shall inform the Member of the nature of the allegation that has been made. If a complaint in writing has been received by the University, the Member and the Association will, at this time, be given a copy of it. If appropriate, the complaint may be redacted to retain confidentiality.
- 39.8 Where the University will be investigating any allegation about a Member which, if proven, would warrant disciplinary proceedings against the Member, subject to 39.12.1 below, the Member will be notified by the Dean, Chief Librarian or in the case of Veterinarians, Director, as promptly as is practicable of the reasons for, and the nature of, an investigative action being undertaken.
- 39.9 The investigation is not a disciplinary matter. During an investigation the University may remove a Member with pay, if the circumstances warrant it. Such investigation will occur as expeditiously as possible. The mere fact of an investigation is not grounds for grievance although a Member may grieve whether the basis for, or conduct of, the investigation conforms to this Article. Any breach of the investigatory process does not

result in the discipline being void. Rather, it is an issue to be considered by an arbitrator in terms of fashioning a remedy in the circumstances.

39.10 Notwithstanding 39.22, if a Member poses a real and present danger to the safety of any member of the University community or to University property, the University may decide to remove the Member from the workplace during this time and the Member will continue to receive full salary and benefits.

39.11 A Member shall have the right to receive assistance and representation from the Association.

39.12 Subject to Article 39.12.1 below and as soon as is practicable, but no later than ten (10) days after commencing an investigation, the University shall advise the Member and the Association in writing of the nature, substance, and scope of the investigation, including advising the Member of his/her right to seek assistance from the Association, and inviting the Member to respond to the allegation(s) by meeting or submission of materials, or both.

39.12.1 The University may withhold information, decide not to notify the Member or delay notifying the Member if there are grounds to believe there is a risk of significant harm to another person or to the University property or that the investigation may otherwise be jeopardized.

39.12.2 If the decision is made to withhold information under the terms of 39.12.1 above, the University shall notify the President of the Association immediately.

39.13 Members and the University shall maintain the confidentiality of the investigative process and its findings until the imposition of discipline, if any, unless the University has grounds to believe that such confidentiality may put a person at risk of significant harm. In such a case, the University shall immediately inform the Association of its decision not to maintain confidentiality and the grounds for the decision.

- 39.13.1 All persons contacted by the University during the investigation shall be informed of the confidentiality requirement under Article 39.13 above.
- 39.14 The University shall notify the Member of the tentative results of the investigation within ten (10) days of the results being known.
- 39.15 Notification under Article 39.14 above shall either advise the Member that discipline will not be imposed or shall invite the Member to attend a meeting, before the investigation is closed and before any discipline is imposed, to allow a Member to make submissions concerning the tentative results of the investigation or any proposed discipline.
- 39.16 The Member may respond in person or through an Association representative. Should the Member fail to respond to the invitation within ten (10) days or fail to attend a meeting on the matter, without reasonable excuse, the University may proceed under the terms of this Article.
- 39.17 Once the investigation is concluded, the University will determine either that discipline will not be imposed, in which case the Member shall be so advised, or that the disciplinary process should continue.

### **Disciplinary Process**

- 39.18 Where the University believes disciplinary action is warranted, the Member shall be notified in writing of a meeting, stating the time and place and that the Member has the right to have an Association representative at the meeting. This meeting shall take place within fifteen (15) days of the written notification of the meeting.
- 39.19 At the meeting, the University shall provide the Member with details of the disciplinary measures to be imposed and the reasons therefore.

- 39.20 Any Grievance related to a suspension or dismissal shall commence at the Formal Stage in accordance with Article 40: Grievance and Arbitration.
- 39.21 Where disciplinary action has been taken, the University shall only notify those officials with a demonstrable need to know.
- 39.22 A Member who is suspended shall receive full salary and benefits until any Grievance contesting such disciplinary action has been finally resolved through Arbitration or until the time for filing a Grievance has lapsed.
- 39.23 At an Arbitration or Grievance relating to discipline, the onus is on the University to prove that discipline was for just cause.

### **Sunset Provision**

- 39.24 Any record of discipline shall be removed from a Member's Official File twenty-four (24) months after the date on which the discipline was imposed, unless the Member has been given further warnings or reprimands and does not successfully grieve the matter.

### **Restrictions on Discipline**

- 39.25 Notwithstanding 39.7, if a University rule, regulation or policy has been violated by a Member, the University rule, regulation or policy must have been promulgated by the appropriate authority and not be in violation of this Agreement in order for a Member to be disciplined specifically for the violation of such a rule, regulation, or policy.
- 39.26 No investigation under this Article shall be initiated by the University more than forty-five (45) days after it knew, or ought reasonably to have known, about the facts that could be the basis for discipline.
- 39.27 If disciplinary procedures are in progress while a Member is being considered for renewal, Continuing Appointment, Tenure, Promotion, or Study/Research Leave, upon request of the Member or University, the consideration may be deferred until

the disciplinary process has been concluded. In cases of renewal, Tenure or Continuing Appointment the Member's appointment shall be extended by the length of the deferral to allow for completion of the renewal or Tenure process.

39.28 Only the President or his/her designate may suspend or dismiss a Member.

## **Article 40 - Grievance and Arbitration**

### **General**

- 40.1 The Parties agree to attempt to resolve disputes arising from this Agreement amicably and promptly.
- 40.2 In order to ensure that Grievances of Members are remedied in a reasonable, just and equitable manner, the University and the Association mutually agree that the procedure for submitting and dealing with Grievances shall be as indicated in the remainder of this Article.
- 40.3 The University agrees that at any stage of the informal resolution and/or grievance procedure, Members have the right to be accompanied by an Association designate.
- 40.4 No Grievance may proceed to the formal Grievance Procedure unless it has been assumed by the Association.
- 40.5 The time limits in the Grievance procedure may be extended only by mutual written consent of both the Provost, or designate, and the President of the Association, or designate. Similarly, no step in the grievance procedure may be waived without mutual written consent of both Parties to this Agreement. Consent to the extension of these time limits will not be unreasonably withheld.

### **Definitions**

- 40.6 An *Individual Grievance* is a difference arising out of the interpretation, application, administration or alleged violation of

this Agreement initiated by one (1) Member and initially presented to the Dean, Chief Librarian, or in the case of Veterinarians, Director, or designate in accordance with Article 40.9.

40.7 A *Group Grievance* is a difference arising out of the interpretation, application, administration or alleged violation of this Agreement initiated by two (2) or more Members where the same issue is in dispute. A Group Grievance shall be initially presented to the Dean, Chief Librarian or in the case of Veterinarians, Director, in accordance with Article 40.9. If the Members are from different Colleges, a Group Grievance shall be initially presented to the Provost (or designate) and be processed at the Formal Stage as set out in this Article.

40.7.1 In the case of a Group Grievance, it shall be raised within thirty (30) days after the group could reasonably be expected to have become aware of the relevant circumstances.

40.8 A *Policy Grievance* is a difference arising between the University and the Association as to the interpretation, general application or alleged violation of a specified provision or provisions of this Agreement.

40.8.1 Such Policy Grievances shall be submitted in writing, signed by the President of the Association, or designate, or the Provost, or designate, as the case may be, and submitted to the Manager, Faculty Relations or designate or Executive Officer of the Association or designate, as the case may be, within thirty (30) days after the occurrence of the matter that is the subject of the Grievance.

40.8.2 The responding party shall provide a written response within twenty (20) days following receipt of the Grievance.

40.8.3 If the Policy Grievance is not resolved, the initiating Party may notify the other Party, in writing, within

twenty (20) days that it intends to proceed to Arbitration pursuant to this Article.

### **Informal Resolution**

- 40.9 The University and the Association mutually agree that it is the desire of the Parties that differences in the interpretation, application, administration and alleged violations of this Agreement shall be dealt with as quickly as reasonably possible. If a Member has a complaint/dispute which may give rise to a Grievance, he/she and/or an Association designate shall first discuss the matter, at a meeting arranged for this purpose, with the Dean, Chief Librarian or in the case of Veterinarians, Director, or designate, within twenty (20) days after the Member would reasonably be expected to have become aware of the circumstances giving rise to the complaint/dispute.
- 40.10 The Dean, Chief Librarian, or in the case of Veterinarians, Director, or designate, shall be allowed ten (10) days to seek information and advice and to communicate a proposed resolution. A copy of the agreed-upon resolution, signed by the Member, the Dean, Chief Librarian or in the case of Veterinarians, Director, and the Association, will be forwarded to the Member, Executive Officer of the Association, or designate, and to the Manager, Faculty Relations, or designate.
- 40.11 Failing informal resolution of the Grievance and within ten (10) days following receipt of notification of the proposed resolution under the informal process, the Association has the right to present the written Formal Grievance to the Provost, or designate, pursuant to this Article.
- 40.12 No minor technical irregularity or error shall prevent the substance of a Grievance from being heard and determined on its merits.
- 40.13 An Individual, Group or Policy Grievance shall include the following:
- a) the date of presentation;

- b) the nature of the grievance;
- c) where applicable, the names of the grievor(s);
- d) the remedy sought;
- e) the article, section or sections of this Agreement allegedly violated or the alleged occurrence said to have caused such Grievance;
- f) applicable signature(s).

### **Formal Grievance Procedure**

40.12 Following receipt of a Formal Grievance, the Provost, or designate shall convene a meeting within ten (10) days with the Member and/or the Association designate. With reasonable notice to the other Party prior to the meeting, either Party may have others attend who have information relevant to the specific Grievance. The Provost (or designate) shall reply in writing within fifteen (15) days of that meeting.

40.13 Where no answer is given within the time limit specified, the grieving Party shall be entitled to submit the Grievance to the next step of the Grievance Procedure. Should the grieving Party fail to act within the time limits set out at any of the stages or steps of the Grievance and Arbitration procedure, and has not within that period requested and been granted an extension of time limits, (extension shall not be unreasonably withheld), the Grievance shall be considered to have been abandoned.

40.14 In the case of a Member who has been suspended or discharged, denied Tenure/Continuing Appointment or whose probationary appointment has not been renewed, the Association has the right to submit a formal Grievance in writing, signed by the Member and the Association, directly to the Provost or designate. H.19 or other applicable legislation); or
- f) place of residence (see 42.7); or
- g) membership or participation in the Association.

42.6 Article 42.5 does not apply to any action or decision based on a *bona fide* occupational requirement or qualification.

42.8 The University shall ensure, in accordance with the *Ontario Human Rights Code*, that there shall be no systemic discrimination against Members through policies that may lead to adverse, job related, consequences.

42.9 This Article shall not infringe upon the implementation of special measures designed to assist disadvantaged persons or groups to achieve equal opportunity, including any action that has as its objective the increased representation of the four designated groups identified by the Federal Contractors Program for employment equity, namely,

aboriginal people, visible minorities, persons with disabilities and women.

42.10 The University, the Association, and all members of the University community share responsibility for ensuring that the work and learning environment is free from discrimination and harassment. - a) there is a written Contract to the contrary, between the Member(s) and the University, or between the Member(s) and the University and a third party which assigns the ownership rights of the copyright material to the University or the third party;
- b) the University provides "Extraordinary Support". In such cases, the Member will agree to share his/her portion of the ownership rights and/or revenues deriving from the copyright material with the University in percentages established by means of a Contract between the Member and the University. The University shall recover those costs by taking not more than 50% of the net revenues in each year until such time as the University has recovered its Extraordinary Support. Thereafter, the University shall receive not more than 40% of net revenues in each year. All agreements between a Member or Members and the University pursuant to this paragraph shall be in writing and shall be copied to the Association.

52.4.4 No Contract or written agreement between the University and a Member shall contain a clause waiving moral rights.

- 52.4.6 In the event that the University or assignee relinquishes its rights in any work, all intellectual property rights shall revert back to the first owner. In the event that the first owner is deceased, the rights shall revert to the estate of the first owner.
- 52.4.7 The University agrees that all rights in the copyright to lectures and other works (per 52.4.2) prepared by and/or delivered by a Member in association with his/her teaching assignments(s) shall vest in the Member.
- 52.4.8 No Member shall claim any copyright in any assessment, grading, report or correspondence produced pursuant to her/his normal administrative duties within the University. Moreover, no Member shall claim copyright in any work provided to the Member to assist him/her in carrying out his/her duties and modified by the Member, such as a laboratory manual or claim copyright in any work produced and designed to assist in the day-to-day administration, operation and/or management of the University's affairs.

teaching and/or scholarly, research or creative activities of the University, subject to copyright requirements of academic journals and other vehicles of scholarly publication. This license shall not apply to a Member's personal documents, including unpublished lecture notes, course notes, lab notes or any work-in-progress. The Member may withdraw the right to use because of dating or other *bona fide* scholarly reasons provided that the Member has provided the University with reasonable notice of the change being sought and has been unsuccessful in effecting such change.

## 52.5 Patents and Trademarks

52.5.1 The discovery of patentable inventions and the creation of associated or individual trademarks is not a basic purpose of university research, nor is it a condition for support of such research. The University agrees that the Member shall have no obligation to seek patent or trademark protection for the results of scientific work or to modify research to enhance patentability. When a Member has an invention, process or product which he/she believes has a reasonable prospect of being protected and intends to take steps to do so, he/she is obliged to disclose this, in writing, to the University. The University further agrees that the Member has the unqualified right to publish his or her inventions, processes or products. This article applies to any result of intellectual or artistic activity, created by a Member or Members that can be owned by a person excluding know how, data and works to which copyright alone attaches.

52.5.2 All inventions, processes and products belong to the Member or Members who create the work even if it is produced during the course of employment and with the use of the University's facilities and resources, except in those cases where:

- a) there is a written Contract to the contrary, between the Member(s) and the University with respect to the OMAFRA Agreement, which assigns the ownership rights of the patentable or trademarked material to the University or

another party;

b) the University provides “Extraordinary Support”. In such cases, the Member will agree to share his/her portion of the ownership rights and/or revenue deriving from the patentable or trademarked material with the University in percentages established by means of a Contract between the Member and the University. The University shall recover those costs by taking not more than 50% of the net revenues in each year until such time as the University has recovered its Extraordinary Support. Thereafter, the University shall receive not more than 40% of net revenues in each year.

52.5.3 A Member shall give notice to the University in writing of any patent or trademark application made by him/her within three (3) months of the date of such application and shall assert at that time whether it refers to an invention, process, improvement, design or development made with the Ordinary or made with the Extraordinary Support of the University. If the University fails to challenge in writing the assertion of the Member within three (3) months of the receipt of notification of the application, the University shall be deemed to have accepted as accurate the assertions set out in the Member's notice. Failure by the Member to give notice of a patent or trademark application within the prescribed three month time period shall maintain the University's rights until such notification. The burden of establishing the amount of extraordinary expenses incurred by the University shall lie with the University.

52.5.4 A Member may, at his/her sole discretion, make his/her own arrangements for an application for patent, or trademark and for the commercial exploitation of any invention, improvement, design or development so patented or trademarked, at his/her sole expense.

52.5.5 A Member may, at his/her sole discretion, enter into a written agreement with the University to use the services of the Business Development Office. The University and Member will come to an agreement on the cost sharing plan for patent or trademark and potential commercial exploitation.

- 52.5.5.1 Members have the right to invoke the Dispute Resolution Process where the Member believes that the University has failed to bring appropriate skill and effort to bear on the exploitation over a period of time.
- 52.5.6 All proceeds resulting from patents / trademarks associated with inventions, processes, improvements, designs or developments which have been funded by an external organization shall be divided between the Member and the external funding agency according to written agreement between the Member and the external funding agency. University recovery of overhead costs from the external funding agency shall be separate from, and shall not include, any such division of proceeds.
- 52.5.7 The Member shall grant to the University a non-exclusive, royalty-free, irrevocable and non-transferable licence to use solely for the University's internal use any patented / trademarked invention, process, improvement, design or development when such was made, discovered or developed using University facilities, support personnel, support services, equipment or materials. Such right shall not include the right to exploit commercially any such invention, process, improvement, design or development, or to licence anyone to do so except as allowed in this Article.
- 52.5.8 Any revenue that the University may receive under the terms of this Article shall be dedicated to research and other forms of scholarly activity and the Association shall receive notice of same.
- 52.5.8.1 In the event that an invention, process, improvement, design, or development is the creation of more than one Member, the provisions of this article apply on a pro rata basis to all the creators of the work unless a written agreement or Contract states otherwise.

52.5.9 In the event that the University or assignee relinquishes his or her rights in any work, all intellectual property rights shall revert back to the first owner. In the event that the first owner is deceased, the rights shall revert to the estate of the first owner.

## 52.6 Written Agreements or Contracts

52.7 Subject to 52.5.2, the University shall not enter into any agreement with

a third party (including an agreement to administer funds) which alters or abridges, or has the effect of altering or abridging, the intellectual property rights of a Member, unless the member agrees in writing.

52.8 Any Member entering into a collaboration with another Member, with other, non-Member employees of the University, or with a person or persons external to the University will, prior to the commencement of the collaboration, inform all collaborators that, where there is no written agreement to the contrary, the provisions of this Article will apply.

52.9 The name "University of Guelph" and abbreviations thereof, and the logos of the University of Guelph and their component parts, are trademarks and service marks of the University and are owned by the University. Members will take all reasonable and practicable steps to ensure that the name of the University and such other trade-marks and service marks are not used in connection with Intellectual Property without the prior written agreement of the University. No statement made by a Member with respect to Intellectual Property may, in any way, imply approval, promotion or use of such Intellectual Property by the University without the prior written agreement of the University. Notwithstanding the foregoing, nothing shall prevent a Member from stating his/her employment, rank and title in connection with Intellectual Property.

52.10 This Article does not affect the ownership, revenue or other rights and obligations of the University, the Association and Members with respect to Intellectual Property which is the subject of any Contract dated, or any disclosure to the University made, prior to March 31, 2009.

#### **52.11 Dispute Resolution**

July 1, 2009: \$1600

July 1, 2010: \$1650

53.34 Eligible expenses are described in the University policy on Professional Development Reimbursement, and must be claimed in accordance with that Policy.

### **Post-Retirement Benefits**

53.35 Members who are employed on or after July 1, 2008 are eligible for post retirement benefits if they have at least ten (10) years of pensionable service with the University.

### **Phased Retirement for Tenured or Continuing Appointment Members**

53.36 With the elimination of mandatory retirement and the desire to provide for position planning, the University has options that will create the opportunity to determine dates for voluntary retirements or resignations. This applies to Tenured Faculty, Librarians and Veterinarians with a Continuing Appointment,

53.37 Definitions:

- a) Normal Retirement: Under University pension plans, the normal retirement date is age 65 (eligible for unreduced pension). An individual Member may choose to retire on either the first of the month following the month in which the individual turns 65 or the end of the semester in which the Member turns 65;
- b) Early Retirement: Members may be able to retire up to ten (10) years prior to the Normal Retirement age, normally with a “penalty”. The University’s pension plans have a provision for an unreduced (no penalty) early retirement pension if the Member has accumulated a sum of eighty-five (85) points (sum of age plus years of pensionable service.);
- c) Postponed Retirement: is a retirement date effective after a Member’s normal retirement date. Members postponing retirement will be expected to carry out the normal range of duties and responsibilities until they retire;
- d) Phased Retirement: Members may be able to commit to a period of Reduced Workload in accordance with Article 54: Reduced Workload, after which period of time they would retire or resign.

### **Phased Retirement Option:**

53.38 This is available to Members who hold full-time Tenured or Continuing Appointments (regardless of funding) who are between the ages of 55 and 67 (at the beginning of the period of Reduced Workload) and have completed ten (10) years or more of pensionable service at the University as at July 1, 2007.

53.39 Under this option, a lump-sum payment is available equal to 75% of the nominal final salary at retirement plus a “phase-out” period (toward retirement) over a maximum of two (2) years. The retiring allowance would be payable at the end of the phase-in period.

53.40 During the phase-out period, the maximum workload in any year is 50% of a full-time appointment and the total workload over a

two (2) year period may not exceed 75% of a full-time appointment in total (minimum workload in any one year is 25% of a normal full time appointment). The actual salary during the phase-in period will be pro-rated on the basis of the percentage workload appointment in each year.

- 53.41 During the phase-out period it is expected that the Member would perform a range of duties as outlined in his/her DOE, agreed to prior to the approval of a phased retirement, with the department Chair/Director and Dean or Chief Librarian.
- 53.42 There are no special provisions in the pension plans associated with this option and pension or termination benefits (from the pension plans) will be determined in accordance with the current plan provisions. The commitment to retire at the end of the phase-out period is irrevocable.
- 53.43 Benefits, normally available, for the phase-out period will be provided based on the nominal (100% workload) salary, except for Long Term Disability. Member's cost sharing contributions, where applicable, will be based on the Member's actual salary using normal cost-sharing rates. The University will fund the difference in contributions.
- 53.44 Long Term Disability and Life Insurance are not applicable after the Normal Retirement Date (age 65).

### **Approvals:**

- 53.45 Acceptance for the voluntary resignation/early retirement or phased retirement requests under the options outlined above is conditional upon ensuring operational and academic priorities can be achieved. The application by the Member requires signed support from the Department Chair/Director as applicable, and signature approval by the Dean or Chief Librarian, with final approval by the Provost.
- 53.46 A decision to approve or not to approve will not be subject to Grievance. Reasons for the denial will be provided to the Member in writing.

## **Article 54 - Reduced Workload**

### **Reduced Workload**

- 54.1 This Article applies to Full-Time Members with the exception of those holding Contractually Limited Appointments.
- 54.2 A Reduced Workload Appointment is one in which the appointment of a Full-Time Member is reduced from the Member's normal workload to less than full-time, on a regular basis.
  - 54.2.1 Normally, Members will be expected to retain their agreed-upon DOE. The criteria for Promotion and Tenure or Continuing Appointment shall be the same as for Members not on Reduced Workload Appointments.
- 54.3 A Member seeking a Reduced Workload Appointment shall apply to the Dean, Chief Librarian, or, in the case of Veterinarians, Director, for Reduced Workload. The Dean, Chief Librarian or in the case of Veterinarians, Director shall consider the application, taking into account the circumstances of the applicant, the academic and service responsibilities and, if applicable, any other factors relevant to the application.
- 54.4 Reduced Workload appointments require agreement of the Member and the University. The University shall not unreasonably deny a request for a Reduced Workload Appointment.
- 54.5 Members will apply in writing, normally at least six (6) months before any Reduced Workload Appointment may take effect. Applications made less than six (6) months before the proposed change will be considered only in cases of unforeseen circumstances/events.
- 54.6 The letter of application for a Reduced Workload Appointment shall include:

- a) the proposed date of commencement and the proposed term for the requested period of Reduced Workload;
- b) the percentage of the Member's normal workload which the Member is requesting to carry during the period;
- c) terms or conditions that the Member wishes to have associated with the Reduced Workload, including terms or conditions respecting activities which would be reduced more than others or respecting the distribution of workload obligations within the period of Reduced Workload; and
- d) any other documentation the Member deems relevant to the application, including any supporting statements from the Member.

- 54.7 If the Member and the Dean, Chief Librarian, or, in the case of Veterinarians, Director, or designate, agree on the provisions of the proposed Reduced Workload Appointment, those provisions shall be confirmed in writing and signed by the Dean, Chief Librarian, or in the case of Veterinarians, Director, or designate and the Member. These provisions will include the period of Reduced Workload, the proportion of Reduced Workload to full-time responsibilities/ duties during the period of Reduced Workload, extensions to probationary period, provisions for performance evaluation during and after the period of Reduced Workload, rate of accrual for Study/Research Leave, or Consultative Leave for Veterinarians, and benefits coverage.
- 54.8 An initial period of Reduced Workload shall run for part of, or all of, an academic year or for consecutive academic years up to three (3) years. An initial period may be followed by additional periods of Reduced Workload. Application for such additional period(s) of Reduced Workload must be made in writing at least six (6) months in advance and shall be subject to the same review process followed in the initial application.
- 54.9 This proposed Reduced Workload Appointment shall be forwarded to the Provost, for final review and approval on behalf of the University. Within twenty (20) days of receipt of the

proposal for a Reduced/Workload Appointment, a decision will be made. Any decision by the Provost not to approve the proposal shall be accompanied by written reasons.

- 54.10 In the case of Probationary Members, if a 50% reduction has occurred for two (2) years or longer, the maximum length of the probationary period for Tenure shall be extended by one year (from six (6) to seven (7) years).
- 54.11 The level of salary shall be pro-rated to reflect the proportion of the Reduced Workload to full-time responsibility.
- 54.12 Vacation and Sick leave entitlement shall be as per Articles 46 & 47, except that the level of salary shall be pro-rated as per 54.11.
- 54.13 The amounts of any salary increase shall occur on a pro rata basis as in Article 54.11. Any percentage increases in salary shall be applied to the Member's pro-rated salary.
- 54.14 Eligibility for, and participation in, all group insurance plans, legislated plans and pension plans shall continue as is, or as amended from time to time, but coverage shall be on a pro rata basis, where appropriate, as in 54.11, except as specified in Article 54.15.

### **Pension and Benefits**

- 54.15 Subject to Canada Revenue Agency, for those Members who are age 55 and over, and with ten (10) or more years of full-time service when beginning a period of Reduced Workload of not less than 50%, contributions by the University and Member to group insurance plans and pension and benefits received as a result, shall be on the basis of the deemed continuance of the full-time salary, except in the cases of short and long-term disability.
- 54.16 If a Member reaches age 55 during the period of Reduced Workload, benefits shall continue on a pro rata basis as in 54.14 for the balance of the Reduced Workload.

### **Miscellaneous**

54.17 A Member with a Reduced Workload Appointment may request that he/she resume a normal workload prior to the end of the agreed Reduced Workload Appointment. Such requests shall be made in writing to the Dean, Chief Librarian, or in the case of Veterinarians, Director, or designate, normally at least six (6) months prior to the date on which the resumption is intended to be effective. If approved, any such resumption of normal workload shall normally be effective on July 1 or January 1.

54.18 Members who are on a Reduced Workload Appointment will be considered eligible to apply for Study/Research Leave or Consultative Leave for Veterinarians after six (6) years of service. Salary paid while on leave will be on a pro rata basis as per 54.11.

54.19 Members on Reduced Workload shall be eligible for consideration for reappointment, promotion and, where applicable, Tenure or Continuing Appointment.

## **Article 55 - Financial Exigency**

55.1 The University and the Association agree that the first duty of the University is to ensure that its academic priorities remain paramount. No Member shall be terminated or otherwise penalized with respect to terms and conditions of employment or rights and privileges relating to employment for reasons of Financial Exigency except in accordance with this Article.

### **Definition**

55.2 A state of Financial Exigency is an extraordinary situation which occurs when substantial and recurring financial deficits threaten the survival of the University as a whole, or substantial financial losses have been projected by generally accepted accounting principles to persist for more than two (2) years and threaten the continued functioning of the University.

55.3 This Article is invoked only in the event of a declaration of

Financial Exigency in which the layoff of Members is proposed as part of the resolution to the situation.

- 55.4 The closure, cessation, merger or elimination, in full or in part, of an academic program, based on academic reasons, is not Financial Exigency.

### **Declaring a Financial Exigency**

- 55.5 When the financial situation of the University is severe enough that a *bona fide* state of Financial Exigency requiring layoffs exists, the President shall give written notice to the Board of Governors and the Association. As of the date of such notice, no new Members or Academic Administrators may be appointed.
- 55.6 Within ten (10) days of the notice specified in 55.5, the Parties will establish a Financial Commission described in 55.7 below.

### **Financial Commission**

- 55.7 The Financial Commission shall be comprised of five (5) members, two (2) chosen by the University, two (2) chosen by the Association and a Chair chosen by both the University and the Association. If the Parties cannot agree on the Chair, the Chief Justice of Ontario shall be asked to select the Chair.
- 55.8 The Financial Commission shall meet to consider the Financial Exigency as specified in the President's formal notice and to determine whether a Financial Exigency exists.
- 55.9 The onus of proof shall be on the University to establish to the satisfaction of the Financial Commission that a state of Financial Exigency exists within the meaning of this Article.
- 55.10 The Financial Commission shall establish their own procedures and shall inquire into and answer each of the following questions:
- a) whether the University's financial position constitutes a *bona fide* budgetary crisis such that deficits projected by generally accepted accounting principles are expected to continue for

more than two (2) years; and constitute a problem sufficiently grave that the University's continuing functioning is endangered;

- b) whether, in view of the primacy of academic goals at the University, the reduction of Members and/or the reduction in salaries and benefits of Members is a reasonable type of cost-saving and whether all means of achieving cost-saving in all other areas of the University's expenditures have been explored and utilized;
- c) whether all reasonable means of improving the University's revenue position have been explored and taken into account;
- d) whether every effort has been made to secure further assistance from the Provincial Government;
- e) whether enrolment projections are consistent with the proposed academic staff complement;
- f) whether all reasonable means have been taken to reduce costs, such as Members' voluntary early retirement, voluntary resignation or voluntary Reduced Workload;
- g) any other matters that it considers relevant to the proposed Financial Exigency.

55.11 The Financial Commission shall have access to any University documents, data and records it considers relevant to its inquiries. The University shall cooperate with the Financial Commission in its deliberations and shall provide all documentation necessary to establish to the satisfaction of the Financial Commission whether a state of Financial Exigency exists within the meaning of this Article. The University shall provide a copy of such documentation to the Association at the same time it is provided to the Commission.

55.12 The Financial Commission shall conduct its inquiries, answering each of (a) to (f), as well as any other specific questions that arise under (g) above. Both the Association and the University shall

make submissions to the Commission within (60) sixty days of the appointment of the Commission and the Commission shall report to the Parties within thirty (30) days after that. Such report shall be by receipted hand delivery.

55.13 If the Financial Commission finds that a state of Financial Exigency exists, its report shall specify the amount of reduction required, if any, in the budgetary allocation to salary and benefits for Members.

55.14 The Board of Governors, through the President, has the responsibility for implementing actions arising out of the report of the Financial Commission.

55.15 It shall be open to both Parties, notwithstanding any provisions to the contrary in this Agreement, to renegotiate provisions of this Agreement bearing directly on salaries and benefits or reach other mutually acceptable emergency methods of reducing expenditures that could avert layoffs or decrease the number of layoffs.

55.16 When Financial Exigency has been confirmed, and no satisfactory provision can be made by the University for the continued employment of all Members, the President shall prepare a report which shall identify those Departments/Schools in which there are to be lay-offs. The plan shall be structured so that the University may continue to operate as far as possible in accordance with its mission and may propose across-the-board cuts, vertical cuts (involving Department/School closures), or some combination of across-the-board and vertical cuts.

55.17 The President shall present the report to the University Senate with a copy to the Association. Senate shall discuss the report, using its own procedures, and return it to the President within thirty (30) days, with comments and recommendations for revision. The President shall consider Senate's comments and recommendations as well as the comments and recommendations received, within the same thirty (30) day time frame, from the Association.

55.18 Subject to the areas of priority as identified in the President's Report (per 55.15 and 55.16), the following lay-off order shall apply:

- a) all contractually-limited appointments;
- b) Members holding probationary appointments;
- c) all other Members, in accordance with 55.19.a) below.

55.19 Subject to the areas of priority as identified in the President's Report (per 55.15 and 55.16), the selection of persons to be laid off shall be on the basis of:

- a) quality of performance as determined in accordance with Article 21: Tenure, Promotion and Review of Faculty; Article 28: Continuing Appointment, Promotion and Review of Librarian Members; and Article 34: Performance Review for Veterinarian Members.
- b) where two persons are considered substantially equal in the application of the factors listed in a), then the decision shall be made on the basis of length of full time employment as a Member.

55.20 The following will apply to Members who are selected for lay-off:

- a) the University shall either provide to the Member at least twelve (12) months working notice, in writing, or the Member's regular salary and benefits in lieu thereof, and
- b) the University shall pay the Member severance pay at the rate of one (1) month's Regular Salary for each Academic Year of service, subject to a maximum of twenty-four (24) months and a minimum of six (6) months

55.21 Any layoffs under this Article shall occur only to the extent necessary to alleviate the Financial Exigency.

## **Article 56 - No Strike or Lockout**

### **No Strike or Lockout**

- 56.1 There shall be no Strikes or Lockouts during the term of this Agreement. Strike and Lockout bear the meanings used in the *Ontario Labour Relations Act, 1995.S.O. 1995,c.1, Sched.A.*

### **Essential Services**

- 56.2 The Parties agree that proper care of animals will be maintained by Members of the Association in the event of a legal Strike or Lockout. For purposes of this Article, animals include animals in research, teaching, testing, wildlife and client-owned animals.
- 56.3 Within thirty (30) days of the signing of this Agreement, the University will identify a number of positions which it deems sufficient to provide for continuous proper care of animals and the maintenance of diagnostic services in the event of a legal Strike or Lockout. The Joint Committee will meet to finalize the list through the execution of a Memorandum of Agreement, and such Agreement shall be effective until such time as a new Collective Agreement is signed.
- 56.4 All persons so designated will be paid as per the Collective Agreement in effect immediately prior to the strike or Lockout.
- 56.5 Only essential care duties will be assigned to designated Members.

### **Member Status**

- 56.7 No Member shall be subject to disciplinary action solely for refusing to carry out the duties of an employee of the University who is on legal strike, or of one who is prevented from performing duties by a Lockout.
- 56.8 The University shall not refuse to re-employ a Member solely as a consequence of exercising his/her right to strike as a result of a legal Strike declared by the Association, or as a consequence of a Lockout imposed by the University. There is no obligation on the University to extend a contract or re-employ if the term of a contract ended during a period of Strike or Lockout.

**Letter of Understanding #1**
