Once the engagement of the regular professional terminates, it shall be renewed for the following school year, subject to the other provisions of this agreement.

Notwithstanding the preceding paragraphs, the contract of engagement of the professional who, at the time of his or her engagement, is on a leave of absence without salary from another school board, shall begin on July 1 and shall terminate without notice on June 30 of the school year in progress. However, the Board shall recognize for the professional who is no longer on a leave of absence without salary and who remains in its employ all his or her complete years of continuous service as a professional for the purposes of acquiring tenure and any other benefit under the agreement as well as the periods of employment as an employee of the Board for the purposes of computing seniority.

#### **5-3.02**

However, the regular professional shall undergo a probation period of up to twelve (12) months as of the date of his or her entry into service with the Board. During that period, the Board may decide to terminate the employment of the professional upon written notice sent no later than fourteen (14) days before the end of his or her employment with the Board. The notice must contain the reason(s) for the decision to terminate the employment.

In the case of the professional who has held a supernumerary position with the Board for a minimum of one (1) year immediately preceding his or her appointment to a position of regular professional, the probation period shall be reduced to six (6) months.

Any absence on the part of the professional shall interrupt the probation period and shall prolong it for a period equal to the duration of the absence.

For the purpose of applying this clause, the Board shall provide the professional with a written evaluation of his or her performance prior to the termination of the first six (6) months of his or her probation period. Failing such an evaluation, any decision to terminate the employment of the professional after the first six (6) months of employment must be preceded by at least two (2) evaluations given to the professional a minimum of forty-five (45) days apart.

Notwithstanding the preceding paragraphs, the probation period of the regular professional may be less than that prescribed if the professional receives a positive evaluation and the termination of his or her probation period is recommended to the Board by his or her immediate superior.

No grievance may be lodged against the Board with respect to this clause, except for the procedure provided to that effect.

**5-3.03**

Notwithstanding the provisions of clause 5-3.02, the regular professional who is engaged within the framework of the mechanism for priority of employment and security of employment shall not be subject to the probation period.

**5-3.04**

The engagement of a substitute or supernumerary professional shall be for a specific period.

**5-3.05**

The engagement of every professional shall be made by written contract before the entry into service on the form found in Appendix A. A copy of the contract in full shall be forwarded to the Union, the union delegate and the professional within ten (10) days after it is signed.

**5-3.06**

Within ten (10) days of the signing of the contract prescribed in clause 5-3.05 or of the date of entry into service if the latter is prior to the date on which the contract is signed, the Board shall inform in writing the professional, the union delegate and the Union of the following points and, subsequently, of any change which occurs in the points listed below:

- a) the employment group to which he or she belongs and, where applicable, the sector of activities of his or her employment group;
- b) his or her department;
- c) the nonexhaustive list of his or her duties;
- d) his or her place of work;
- e) the identification of his or her immediate superior;
- f) his or her placement;
- g) an indication of whether he or she performs his or her duties during the day, evening or day and evening.

In the case of a substitute or supernumerary professional, the Board shall inform the professional in writing of the approximate number of hours, days, weeks or months included in the term of his or her engagement.

**5-3.07**

If available at the time of engagement, the Board shall provide a copy of this agreement in the language of the choice of the professional to whom it offers a position.

**5-3.08**

A professional must, upon his or her engagement, produce an attestation of his or her training (qualifications) and experience and any other document required by the Board at the time of his or her engagement. Failure to produce the attestations within thirty (30) days of the signing of his or her contract of engagement may constitute cause for the cancellation of his or her engagement within thirty (30) days of the time limit, unless he or she is unable to do so due to circumstances beyond his or her control, the burden of proof lies with the professional.

The professional shall be obliged to declare to the Board, at the time of hiring, his or her status with another school board with respect to employment security and to declare to the Board any severance pay which he or she has received under an employment security plan applicable in the education sector.

The Board may cancel the said engagement at any time in the case of fraud. The burden of proof lies with the Board.

#### **5-3.09**

The professional who has completed a period of one (1) year of service within a continuous period of eighteen (18) months with the Board as a substitute or supernumerary professional engaged in accordance with clause 5-1.03 or 5-1.04 shall benefit from a priority of employment if the same supernumerary position is renewed by the Board or if the Board decides to again replace the absent professional during the same school year or during the school year immediately following the end of his or her engagement.

The priority of employment prescribed in this clause shall be exercised subject to the Board's right to engage a beneficiary under the James Bay and Northern Quebec Agreement as a priority or to use a professional on availability under clause 5-6.29.

#### **5-3.10**

The professional shall benefit from clause 5-3.09, unless he or she received a negative evaluation prior to the expiry of his or her first year of employment in the same position as a substitute or supernumerary professional with the Board or, where applicable, is not recommended for the position by the Education Committee of the locality of Nunavik concerned.

### **5-4.00 ASSIGNMENTS**

#### **Section 1 Assignment, reassignment and transfer**

#### **5-4.01**

The Board shall decide on assignment and reassignment. To this end, it shall take into account, among others, the needs of the school system, of its school organization, the type of students, the characteristics of the positions to be filled, the qualifications, competency and preferences of the professionals in its employ and, if necessary, seniority. Where applicable, the recommendation of the Education Committee of the locality of Nunavik concerned is essential.

Moreover, the assignment which results from a transfer must respect the rules prescribed hereinafter.

#### **5-4.02**

The professional in the employ of the Board on the date of the coming into force of this agreement shall maintain his or her assignment, subject to the provisions of this article.

#### **5-4.03**

The Board may reassign a professional after having consulted him or her. The professional concerned shall be advised in writing at least one (1) week in advance.

#### **5-4.04**

A professional may request a reassignment or transfer for a valid reason. The Board shall give its response in writing.

**5-4.05**

**5-4.06**

The Board may transfer a professional after having consulted him or her. The professional concerned shall be advised in writing at least thirty (30) days in advance. The notice shall indicate his or her placement and salary in the new employment group as well as the locality where he or she will be required to perform his or her duties.

**5-4.07**

Nothing in the preceding clauses can have the effect of authorizing a professional not to comply with the Board's decision.

However, a professional may refuse a transfer if the maximum of the salary scale of the employment group to which he or she would be transferred is less than that of his or her current salary scale or if his or her salary on July 1 would be less than the salary he or she would receive on that same July 1 if he or she were not transferred.

**5-4.08**

The Board cannot loan the services of a professional to another employer without first having obtained the consent of the professional concerned.

**5-4.09**

A professional may refuse his or her reassignment if he or she does not meet the minimum required qualifications described in the Classification Plan for the sector of activities concerned or if he or she does not meet the language requirements of the position.

A professional may refuse his or her transfer if he or she does not meet the minimum required qualifications described in the Classification Plan for the employment group concerned or if he or she does not meet the language requirements of the position.

**5-4.10**

The transferred professional shall be remunerated in conformity with the provisions to that effect in article 6-6.00.

**5-4.11**

If the Board intends to introduce changes of an organizational nature which could result in reassignments or transfers, the group of professionals affected shall be consulted beforehand. The consultation shall deal with the content of the new positions as well as the reassignments and transfers involved in accordance with this agreement.

**5-4.12**

A professional reassigned or transferred under this article shall be entitled to the moving expenses paid by the Board described in Appendix B, under the conditions stipulated therein, if the reassignment or transfer requires his or her moving according to that appendix.

If the reassignment or transfer involves a distance of more than fifty (50) kilometres from his or her principal place of work and of more than fifty (50) kilometres from his or her domicile by the shortest passable public road, the Board must obtain the consent of the professional concerned.

The professional who benefits from moving expenses under this clause shall be entitled from the Board to:

- a) a maximum of three (3) working days without **loss** of salary for the sale of his or her residence which constitutes his or her domicile;
- b) a maximum of three (3) working days without **loss** of salary to look for lodging; the three (3)-day maximum shall not include the duration of the return trip;

#### **5-4.13**

The Board shall inform the professional in writing of any change which occurs to one of the following subjects:

#### **5-4.15**

The professional shall be reinstated in his or her position at the request of the Board or at his or her own request no later than fifteen (15) days after having received or made the request in writing.

#### **5-4.16**

Subject to clauses 5-4.14 and 5-4.15, a professional who is temporarily assigned to a senior staff position shall continue to pay his or her union dues and to benefit from the provisions of this agreement, with the exception of benefits related to overtime.

#### **5-4.17**

Except in the case of a replacement of a senior staff member who is temporarily absent, a temporary assignment to a senior staff position cannot exceed twenty-four (24) months, unless there is an agreement with the Union.

**5-5.00 NONREENGAGEMENT, RESIGNATION AND BREACH OF CONTRACT****Section 1 Nonreengagement****5-5.01**

**5-5.02**

The grievance contesting the nonreengagement of a regular professional must be submitted directly to arbitration by the Union or the professional according to the procedure prescribed in this agreement no later than July 31 following the date of termination of employment: the grievance must be given hearing priority.

**5-5.03**

A professional who has not acquired his or her tenure under subparagraph a) of clause 5-6.02 may be nonreengaged by the Board under clause 5-5.01 if his or her nonreengagement allows the assignment or relocation of a professional on availability in the Board or referred by the Regional Placement Bureau. The professional also assigned or relocated must meet the requirements of the position.

The professional thus nonreengaged shall not be subject to the other provisions of article 5-6.00. However, he or she may be entitled to priority of employment under the conditions stipulated therein.

**Section 2 Resignation****5-5.04**

The professional shall be bound by his or her contract of engagement under article 5-3.00 and may only be released from his or her engagement before its termination as prescribed under this agreement.

**5-5.05**

The regular professional who wishes to resign must notify the Board in writing at least sixty (60) days before the date of his or her departure.

**5-5.06**

A regular professional may resign without giving the notice prescribed in clause 5-5.05, but he or she must give a written notice to the Board, as soon as possible, for one of the following reasons:

- c) a professional in training who does not successfully complete the training program or who ceases to be enrolled in the training program.

#### 5-5.08

Any breach of contract shall have the effect of permitting the Board to terminate the engagement of a professional at any time.

#### 5-5.09

The termination of engagement for any one of the reasons provided in clause 5-5.07 shall not constitute a disciplinary measure defined in article 5-9.00.

- a) the Board shall determine the specific language requirements of a position;
- b) the professional on leave with or without salary shall be deemed as belonging to the employment group and sector of activities, where applicable, in which he or she was classified at the beginning of his or her leave;
- c) the professional who carries out the duties dealing with more than one employment group shall be deemed classified in the employment group in which he or she carries out duties during the major portion of his or her time;
- d) when the Board offers the professional a position, it must inform him or her by letter sent by certified or registered mail, fax or delivered by hand or by a bailiff. The date on the post office receipt for the above mentioned letter or whatever takes its place shall constitute prima facie proof for calculating the time limits;
- e) the Board shall forward to the Union before June 30 the list of professionals nonreengaged or placed on availability.

**Section 2** Tenure**5-6.02**

For the purpose of this article:

- a) The tenured professional is a full-time regular professional who has completed at least two (2) full years of continuous service with the Board as a full-time regular professional or as a full-time regular employee in another position at the Board since the date on which he or she last entered the service of the Board.

However, for the full-time regular professional whose regular workweek includes a number of hours equal to or greater than seventy-five percent (75%) but less than one hundred percent (100%) of the regular workweek, continuous service with the Board as a regular professional in a position in which the regular workweek included a number of hours equal to or greater than seventy-five percent (75%) of the regular workweek shall be calculated for the purpose of acquiring tenure.

- b) The leave for union activities, the parental leave, the disability leave covered by the salary insurance plan, the disability leave due to a work accident or an occupational disease, the leave for educational purposes as well as any other leave for which this agreement provides the payment of salary shall constitute service for the purpose of acquiring tenure.
- c) The nonreengagement because of surplus followed by a reengagement by the Board during the following school year shall proportionally delay the acquisition of tenure during the period of interruption of his or her service.
- d) Insofar as there is no break in his or her employment ties, the acquisition of tenure for a professional shall be delayed proportionally in the case of an interruption of his or her service for reasons other than those provided in subparagraph b) of this clause.

**Section 3** Reduction of personnel**5-6.03**

For the purposes of applying this section of article 5-6.00, the professionals who are beneficiaries under the James Bay and Northern Québec Agreement shall be deemed to have more seniority than the professionals who are not beneficiaries under the James Bay and Northern Québec Agreement.

**5-6.04**

In the case where the Board intends to reduce its regular professional personnel, it shall consult the Labour Relations Committee no later than May 15 preceding the reduction of personnel.

**5-6.05**

The Board may reduce the number of regular professionals in its employ due to a decrease in student population, a substantial change in the services to be rendered or the disappearance or termination of a budget affecting professional activities or the termination of a special project according to the priorities established by the Board in keeping with its staffing plan submitted to the Labour Relations Committee for consultation within the time limit prescribed in clause 5-6.04. The consultation of the Labour Relations Committee shall not be subject to the provisions of the regular procedure prescribed in article 4-1.00. However, at least one (1) meeting of the Labour Relations Committee must take place in the context of this clause no later than May 15.

The staffing plan of the Board shall include, in particular, the following elements:

- a) the given name and surname of a regular professional, indicating whether he or she is on a full-time or part-time basis;
- b) the employment group to which the professional belongs and, where applicable, the sector of activities of his or her employment group;

- c) the department to which the professional belongs;
- d) the number of regular professionals affected by the reduction in personnel in each employment group or, where applicable, in each sector of activities for each locality;
- e) for information purposes, the reason(s) which it intends to invoke for the reduction of personnel;
- f) the list of professionals on availability at the time of the preparation of the staffing plan.

#### 5-6.06

When the Board must reduce its professional personnel within an employment group, it shall proceed by locality and taking into account, whenever necessary, the language requirements of the positions in the order indicated, within the employment group or, where applicable, within a sector of activities of the employment group:

- a) by terminating the employment of part-time regular professionals according to the inverse order of seniority;
- b) by nonreengaging full-time regular professionals who have not acquired their tenure according to the inverse order of seniority;
- c) by reassigning the professional to a vacant position in the same employment group in his or her locality or by transferring him or her to a vacant position in another employment group in the same locality if he or she meets the requirements of the position. Where applicable, the recommendation of the Education Committee of the locality of Nunavik concerned is required;
- d) in the case of the professional who is not a beneficiary under the James Bay and Northern Québec Agreement and who is assigned to one of the localities of Nunavik described in subparagraph c) of clause 10-1.01, by reassigning the professional to a vacant position in the same employment group or by transferring him or her to another employment group for which he or she meets the requirements in one of the other localities of Nunavik or the Montreal-area offices. Where applicable, the recommendation of the Education Committee of the locality of Nunavik concerned is required;
- e) by placing on availability full-time regular professionals who have acquired their tenure according to the inverse order of seniority and who have not been reassigned in accordance with the preceding subparagraphs c) and d).

The professional who accepts the reassignment or transfer prescribed in the preceding subparagraph d) shall benefit from a right to recall to the same position if it again becomes available or another position which could become available in the same locality within twelve (12) months of his or her reassignment or transfer. The right of recall shall be subject to the professional meeting the requirements of the position to be filled and, where applicable, the recommendation of the Education Committee of the locality of Nunavik concerned.

For the purpose of applying this clause, when two (2) or more professionals have equal seniority, the professional who has the least years of experience shall be considered as having the least seniority.

The professional who refuses the reassignment or transfer pursuant to the preceding subparagraph c) and the nontenured professional who refuses the reassignment or transfer pursuant to the application of subparagraph d) of this clause is deemed to have resigned as of the date of his or her refusal of the reassignment or transfer and shall not benefit from any of the provisions of this chapter, including severance pay.

The tenured professional who refuses the reassignment or transfer pursuant to the application of subparagraph d) of this clause is deemed to have resigned as of the date of his or her refusal of the reassignment or transfer and shall not benefit from any of the provisions of this chapter. In this case, however, the professional shall receive the severance pay prescribed in clause 5-7.02.

**Section 4 Rights and obligations of the professional within the framework of priority of employment**

**A I 5-6.07**

The nontenured professional who has one (1) year but less than two (2) years of continuous service as a full-time regular professional with the Board at the time when he or she is informed of his or her nonreengagement shall benefit from the following:

- a) he or she must be informed by certified or registered mail, fax or notice delivered by hand or by a bailiff of his or her nonreengagement due to surplus before June 1;
- b) the Board must forward his or her name to the Regional Placement Bureau without delay as well as pertinent information which concerns him or her;
- c) his or her name shall remain entered on the lists of the Regional Placement Bureau for a period not exceeding two (2) years from the end of his or her engagement and, during that period, he or she shall benefit from priority of employment.
- d) if he or she is offered a full-time position by a school board, he or she must accept it within ten (10) days of the written offer. The fact that a board attempts without success on two (2) occasions to contact the professional by certified mail, registered letter, fax or bailiff to offer him or her a position shall constitute a failure to accept.

For the professional residing in one of the localities of Nunavik, a notice delivered by hand shall meet the requirement of a notice delivered by registered mail.

- e) As of the date of refusal or failure to accept within the time allotted the position offered or failure to appear for an interview to which a school board convenes the professional by certified mail, registered letter, fax or bailiff, the name of the professional shall be automatically removed from the lists of the Regional Placement Bureau; the removal of the professional's name shall entail the cancellation of all the rights which he or she may have under this agreement.

For the professional residing in one of the localities of Nunavik, a notice delivered by hand shall meet the requirement of a notice delivered by registered mail.

**Section 5 Rights and obligations of the professional within the framework of security of employment**

**A I 5-6.08**

The placement on availability of a tenured professional shall be carried out in the following manner:

- a) He or she shall be informed of his or her placement on availability, which shall begin on July 1 of a school year, by certified mail, registered letter, fax or notice delivered by hand or by bailiff before the preceding June 1.
- b) The Board must forward to the Regional Placement Bureau without delay his or her name as well as pertinent information concerning him or her.

**5-6.09**

Subject to the other provisions of this article, as of the beginning of his or her placement on availability, the professional on availability who is offered a full-time position must accept it within ten (10) days after he or she receives the written offer.

**5-6.10**

If the full-time position offered to the professional includes at least the same number of hours as the position he or she held at the time of his or her placement on availability, he or she must accept it. In this case, his or her salary shall be adjusted in relation to the new number of hours of his or her regular workweek.

If the full-time position offered to the professional has fewer hours than the position he or she held at the time of his or her placement on availability, he or she must accept it. In this case, his or her salary as well as the progression of salary shall be adjusted as if the professional's new position included the same number of hours as the position he or she held before his or her placement on availability.

The Board or another employer in the education sector which engages such a professional may use him or her for duties compatible with his or her qualifications and experience for the difference in the number of hours between his or her new position and the position he or she held before his or her placement on availability.

#### **5-6.11**

Refusal or failure to accept the offer of engagement within the time allotted shall constitute the resignation of the professional on availability and shall cause him or her to lose all the rights and privileges accorded to him or her by this agreement and shall automatically entail the removal of the professional's name from the lists of the Regional Placement Bureau. Moreover, in these cases, he or she shall not be entitled to any severance pay.

However, the professional shall benefit from a right of return for a period of twelve (12) months as of his or her resignation if a regular position becomes vacant, subject to the application of clauses 5-2.02 and 5-2.03.

#### **5-6.12**

Except for the period from July 1 to August 15, the fact that a board or another employer in the education sector attempts without success on two (2) occasions to contact him or her by registered letter or fax in order to offer him or her a position shall constitute a failure to accept.

For the professional residing in one of the localities of Nunavik, a notice delivered by hand shall meet the requirement of a notice delivered by registered mail.

#### **5-6.13**

Except for the period from July 1 to August 15, the professional on availability must appear for an interview with a school board or another employer in the education sector when the Regional Placement Bureau so requests by registered letter or fax. In this case, he or she shall be entitled to the reimbursement of his or her travel and accommodation expenses, if need be, according to the norms in effect in his or her board.

For the professional residing in one of the localities of Nunavik, a notice delivered by hand shall meet the requirement of a notice delivered by registered mail.

To this end, the professional shall obtain the authorization to be absent without loss of salary upon presentation of the notice of meeting to the Board.

#### **5-6.14**

Except for the period from July 1 to August 15, every professional on availability must provide, upon request, any information concerning his or her security of employment not found in his or her file.

#### **5-6.15**

The professional who is at fault under clause 5-6.12 or 5-6.13 shall be considered as having resigned from the Board. Moreover, in these cases, he or she shall not be entitled to any severance pay.

#### **5-6.16**

If the professional accepts a full-time position offered in the context of this section, he or she shall then be considered as having resigned from the Board as of his or her engagement by another employer in the education sector. Moreover, in this case, he or she shall not be entitled to any severance pay.

**5-6.17**

The professional on availability who has been relocated to another employer in the education sector under clause 5-6.10 shall be entitled to return to the Board to a vacant position in the employment group in which he or she held a position at the time of his or her placement on availability if he or she meets the requirements of the position to be filled until December 31 following the date on which his or her placement on availability began.

**5-6.18**

The Board or another employer in the education sector which engages a professional on availability in the context of this section shall recognize for him or her:

- b) the days accumulated in his or her bank of nonredeemable sick-leave days;
- c) his or her tenure;
- d) his or her years of continuous service for the purpose of calculating the vacation period;
- e) his or her step, if he or she remains in the same employment group;
- f) the date on which he or she would have been entitled to an advancement in step.

**5-6.19**

The professional on availability who was relocated to another employer in the education sector under clause 5-6.10 shall be assigned to a position in the employment group in which he or she was classified if he or she meets the requirements of the position to be filled or in another employment group for which he or she has the minimum required qualifications mentioned in the Classification Plan.

In this case, the committee shall decide to which territory served by one of the regional offices the professional shall be relocated.
  - d) For the purpose of such a move the professional shall benefit from the provisions of clauses 10-3.01 to 10-3.03 and, where applicable, of clause 10-3.05 and Appendix B.
  - e) Clauses 5-6.09 to 5-6.19 and clause 5-6.29 shall apply to the professional thus relocated whose employment ties with the Board are maintained.

- all disbursements, contributions and rebates pertaining to retirees be recorded separately and any additional contribution which may be payable by the professionals under the extension to retirees be clearly identified as such.

<sup>1</sup>

(FAMR): Fire, Accident and Miscellaneous Risk

**5-10.19**

The insurer selected for all plans, including the general group insurance plans (FAMR) prescribed in paragraph C) of clause 5-10.16, must have its head office in Québec and must be a single insurer or a group of insurers acting as a single insurer. For the purpose of selecting the insurer, the Insurance Committee of the Centrale or the Centrale in the case of the general group insurance plans (FAMR), may request bids or proceed according to any other method that it determines.

**5-10.20**

The Insurance Committee of the Centrale must carry out a comparative analysis of all bids received, if applicable, and after making its choice, provide the Fédération and the Ministère with a report on the analysis and a statement giving reasons for its choice.

**5-10.21**

Each plan shall have only one premium calculation method, whether it be a predetermined amount or an invariable percentage of salary.

**5-10.22**

Any change in premiums resulting from a modification to the plan may take effect only on January 1 following a written notice to the Board sent at least sixty (60) days in advance.

**5-10.23**

The benefit of exemption from a plan must be the same for all plans as regards its starting date and it must be total. Moreover, it cannot begin prior to the first full pay period following the fifty-second (52<sup>nd</sup>) consecutive week of total disability.

**5-10.24**

There can be no more than one update campaign per three (3) years for all plans; the campaign shall be carried out by the insurer directly with the participants in a manner to be determined and the modifications shall come into force on January 1 following a written notice sent to the Board at least sixty (60) days in advance.

**5-10.25**

Dividends or rebates to be paid, as a result of favourable experience with the plans, shall constitute funds entrusted to the management of the Insurance Committee of the Centrale. Fees, salaries, expenses or disbursements incurred for the implementation and application of the plans shall constitute liens on these funds.

The balance of funds shall be used by the committee to meet the increases in the rates of premiums, to improve existing plans, or to be repaid directly to the participants by the insurer according to the formula determined by the committee or to grant a waiver of premiums. In this latter case, the waiver must be for at least four (4) months and it must either take effect as of January 1 or end on December 31. The waiver must be preceded by a notice of at least sixty (60) days to the Board.

For the purpose of this clause, the basic plan must be handled separately from the complementary plans.

**5-10.26**

The Insurance Committee of the Centrale shall provide the Ministère and the Fédération with a copy of the schedule of conditions, the group policy and a detailed statement of the operations carried out under the policy as well as a statement of the payments received as dividends or rebates and how they were used.

The committee shall also provide, at a reasonable cost, any and all additional useful and relevant statements or statistics requested by the Fédération or the Ministère concerning the basic health insurance plan.

## Section 5 Intervention of the Board

### 5-10.27

- A) The Board shall facilitate the implementation and application of the personal group insurance plans, in particular by:
- a) informing new professionals;
  - b) registering new professionals;
  - c) forwarding to the insurer the application forms and the pertinent information required by the insurer to maintain the participant's file up-to-date;
  - d) forwarding the deducted premiums to the insurer;
  - e) providing professionals with the forms required for participation in the plan, benefits or other forms supplied by the insurer;
  - f) conveying information normally required of the employer by the insurer for settling certain compensations;
  - g) forwarding to the insurer the names of professionals who have indicated to the Board that they intend to retire.
- B) In the case of the general group insurance plans (FAMR) prescribed in paragraph C) of clause 5-10.16, the Board shall remit the premiums deducted to the insurer only.

### 5-10.28

The Ministère, the Fédération and the Centrale agree to set up a committee to assess the administrative problems raised by the application of insurance plans. Moreover, any modification concerning the administration of the plans must be the subject of an agreement by the committee before it comes into effect. If the modification obliges the Board to hire supernumerary personnel or requires overtime, the costs shall be assumed by the Union.

## Section 6 Standard life insurance plans

### 5-10.29

The full-time professional shall benefit, without contribution on his or her part, from an amount of life insurance equal to six thousand four hundred dollars (\$6400).

The amount shall be three thousand two hundred dollars (\$3200) for the professional referred to in subparagraph b) of clause 5-10.01.

## Section 7 Salary insurance plan

### 5-10.30

- A) Subject to the provisions of this article and of article 5-12.00, a professional shall, for every period of disability during which he or she is absent from work, be entitled to:
- a) up to the lesser of the number of sick-leave days accumulated to his or her credit or of five (5) working days: the payment of a benefit equal to the salary he or she would have received had he or she been at work:

- b) upon termination of the payment of the benefit prescribed in the preceding subparagraph a), if applicable, but in no event before the expiry of a waiting period of five (5) working days from the beginning of the period of disability and for a period of up to fifty-two (52) weeks from the beginning of the period of disability: the payment of a benefit equal to eighty-five percent (85%) of his or her salary;
- c) upon the expiry of the above-mentioned period of fifty-two (52) weeks and for a further period of up to fifty-two (52) weeks: the payment of a benefit equal to sixty-six and two-thirds percent (66 2/3%) of his or her salary.

**B) Gradual return to work**

During a disability period, on the written recommendation of the attending physician, the Board and the regular professional who has been absent for at least twelve (12)<sup>1</sup> weeks may agree to a return to work on a gradual basis. The period of disability already begun shall continue during the period of gradual return to work but the period during which some or all of the benefits are payable shall not exceed one hundred and four (104) weeks. In this case:

- a) the medical certificate must stipulate that the period of gradual return to work must be immediately followed by the professional's return to work on a full-time basis;
- b) the Board and the professional accompanied by his or her union delegate or representative, if he or she so desires, shall establish the period during which the professional will return to work on a gradual basis, which shall not exceed twelve (12) weeks, and shall determine the time during which the professional must work;
- c) while at work, the professional must be able to perform all of his or her duties according to the proportion agreed to.

During the period of gradual return to work, the professional shall be entitled to his or her salary for the proportion of time worked and to the benefit payable to him or her for the proportion of time not worked. These proportions shall be calculated on the basis of the number of hours worked in relation to the regular workweek prescribed in article 8-1.00.

Upon the termination of the period initially set for the gradual return, if the professional is unable to return to work on a full-time basis, the Board and the professional may agree on another period of gradual return while respecting the other conditions prescribed in paragraph B).

**A I 5-10.31**

In order to foster the employee's return to work, upon the written recommendation of the attending physician, the Board and the professional may agree on an assignment of tasks consistent with his or her qualifications and experience within the category of professional staff. To this end, the professional may be accompanied by his or her union delegate.

The tasks thus assigned by the Board to the professional shall be tasks that he or she is able to perform in view of his or her abilities.

Within the period during which the temporary tasks are assigned to him or her, the professional shall receive his or her usual salary.

These temporary tasks cannot be assigned for a duration exceeding twelve (12) weeks and in no event can they result in a new period of disability.

<sup>1</sup> The Board and the absent regular professional may, in exceptional cases, agree to a gradual return to work prior to the twelve (12)-week period.

**5-10.32**

Under clause 5-10.30, the professional's salary for the purpose of calculating the benefit shall be the salary rate he or she would receive if he or she were in service, subject to article 6-10.00, including, where applicable, premiums for regional disparities. For the professionals who are eligible and whose workweek includes fewer hours than that prescribed in article 8-1.00, the amount of the benefit shall be calculated in proportion to the time worked in relation to the regular workweek.

**5-10.33**

As long as benefits remain payable, including the waiting period, if any, the disabled professional shall continue to participate in the Government and Public Employees Retirement Plan (RREGOP), the Teachers Pension Plan (TPP), the Pension Plan of Certain Teachers (PPCT) or the Civil Service Superannuation Plan (CSSP) and to avail himself or herself of the insurance plans. However, he or she must pay the required contributions, except that, upon termination of the payment of the benefit prescribed in subparagraph a) of paragraph A) of clause 5-10.30, he or she shall benefit from a waiver of his or her contributions to his or her pension plan (RREGOP, TPP, PPCT or CSSP) without losing any rights. Provisions relating to the waiver of contributions shall form an integral part of the pension plan provisions and the resulting cost shall be shared in the same manner as that of any other benefit.

The Board may not cancel or fail to renew the contract of the professional for the sole reason of his or her physical or mental impairment as long as the latter can receive salary insurance or work accident benefits as a result of the application of clause 5-10.30 or article 5-12.00 and then of clause 5-10.43. However, the fact that a professional does not avail himself or herself of clause 5-10.43 cannot prevent the Board from cancelling or not renewing the contract of the said professional.

**5-10.34**

- A) The benefits paid under clause 5-10.30 are reduced by the initial amount of all disability benefits paid to a professional under a provincial or federal law, except those paid under the **Employment Insurance Act** (R.S.C. 1996, c. 23), regardless of subsequent increases in basic benefits arising from indexation.
- B) When a disability benefit is paid by the Société de l'assurance automobile du Québec (SAAQ), the professional's gross taxable income shall be established as follows: the Board shall deduct the equivalent of all amounts required by law from the basic salary insurance benefit; the net benefit thus obtained shall be reduced by the amount of benefit received from the SAAQ and the difference is brought to the professional's gross taxable income from which the Board shall deduct all the amounts, contributions and dues required by law and the collective agreement.
- C) The Board shall deduct one tenth (1/10) of a day from the bank of sick-leave days per day used under subparagraph a) of paragraph A) of clause 5-10.30 in the case of the professional who receives benefits from the SAAQ.
- D) As of the sixty-first (61<sup>st</sup>) day from the beginning of a disability, the professional who is presumed to be entitled to a disability benefit under a provincial or federal law, with the exception of the **Employment Insurance Act** (R.S.C. 1996, c. 23), must, upon written request by the Board, accompanied by the appropriate forms, request such a benefit and comply with all the obligations ensuing from such a request. However, the reduction of the benefit prescribed in clause 5-10.30 is made only from the moment when the professional is recognized as eligible and effectively begins to receive the benefit prescribed under the law. In the case where a benefit prescribed under a law is granted retroactively to the first day of the disability, the professional shall undertake to reimburse the Board, as the case may be, for the portion of the benefit prescribed under clause 5-10.30 as a result of the application of the first paragraph of this clause.

- E) Every professional who receives a disability benefit paid under a provincial or federal law, with the exception of the *Employment Insurance Act* (R.S.C. 1996, c. 23), must, in order to be entitled to his or her salary insurance benefits under clause 5-10.30, notify the Board of the amount of the weekly disability benefit paid to him or her. Furthermore, he or she must give his or her written authorization to the Board so that the latter may obtain all the necessary information from the organizations, in particular the SAAQ or the RRQ, which administer a disability benefit plan under which he or she receives benefits.

**5-10.35**

The payment of the benefit shall terminate at the latest on the date the professional begins his or her retirement.

**5-10.36**

No benefit shall be paid during a strike or lockout except for a period of disability that began before and for which the professional has provided the Board with a medical certificate. If the disability began during a strike or lockout and still exists at the end of the strike or lockout, the period of disability prescribed in clause 5-10.30 shall begin on the date of the professional's return to work.

**5-10.37**

Benefits payable as sick-leave days or under the salary insurance plan shall be made directly by the Board, subject, however, to the professional providing the supporting documents as required in clause 5-10.38.

**5-10.38**

At any time, the authority designated by the Board may require that the professional who is absent because of disability provide a medical certificate attesting to the nature and duration of the disability. However, the cost of such a certificate shall be borne by the Board if the professional is absent for less than four (4) days. The authority designated by the Board may also require the professional concerned to submit to an examination in connection with any absence. The cost of the examination as well as the professional's transportation costs when the examination requires him or her to travel more than forty-five (45) kilometres from his or her place of work shall be borne by the Board.

Upon the professional's return to work, the authority designated by the Board may require him or her to submit to a medical examination in order to establish whether he or she is sufficiently recovered to resume his or her work. The cost of the examination as well as the professional's transportation costs when the examination requires him or her to travel more than forty-five (45) kilometres from his or her place of work shall be borne by the Board. If the professional's physician and the Board's physician disagree, the Board and the Union shall choose a third (3<sup>rd</sup>) physician within thirty (30) days of the date on which the disagreement is made known. Failing an agreement within the time limit, the Board's physician and the professional's physician shall agree, within a reasonable time limit, on the choice of a third (3<sup>rd</sup>) physician whose decision cannot be appealed.

The Board and its designated authority must treat the medical certificates and medical examination results in a confidential manner.

**5-10.39**

When payment of benefits is refused by reason of presumed nonexistence or termination of any disability, the professional may appeal the decision according to the procedure for settling grievances.

**Section 8 Sick-leave days****5-10.40**

- A) Where applicable, on July 1 of every year, the Board shall credit each regular professional whose regular workweek includes the number of hours prescribed in article 8-1.00 and who is covered by this article with seven (7) sick-leave days. The seven (7) days thus granted shall be noncumulative but, when not used during the year, shall be redeemable on June 30 of each year under subparagraph a) of paragraph A) of clause 5-10.30 or another provision of the collective agreement, at the rate of one two hundred and sixtieth decimal nine (1/260.9) of the salary applicable on that date per day not used, the proportion of one two hundred and sixtieth decimal nine (1/260.9) of the salary applying to the fraction of a day not used.

However, the professional on a leave of absence without salary, a leave of absence with salary for educational purposes, a preretirement leave or the benefits prescribed in subparagraph c) of paragraph A) of clause 5-10.30 shall be credited for a fraction of the seven (7) days of sick leave equal to the fraction of time he or she is in service.

However, if the professional continues to receive the benefits prescribed in subparagraph b) of paragraph A) of clause 5-10.30 on the first day of the work year, he or she shall, where applicable, be credited for a fraction of the seven (7) days of sick leave insofar as he or she resumes his or her service with the Board.

- B) Moreover, in the case of a first year of service of a professional who is not relocated in the context of security of employment, the Board shall add a credit of six (6) nonredeemable sick-leave days.

A professional who was engaged in the course of a year and who was granted fewer than six (6) nonredeemable sick-leave days shall be entitled, on the first day of the following work year, if he or she remains in the service of the same board, to the difference between (6) days and the number of nonredeemable sick-leave days granted to him or her on the effective date of his or her engagement.

- C) The professional who has thirteen (13) or fewer days of sick leave accumulated to his or her credit on June 1 may, by a written notice to the Board prior to that date, choose not to redeem on June 30 the balance of the seven (7) days granted under paragraph A) of this clause and not used under the collective agreement. The professional, having made such a choice, shall add, on June 30, the balance of these seven (7) days, which are now nonredeemable, to the sick-leave days already accumulated.

However, the professional may add to his or her vacation period the balance or part of the balance on June 30 of the seven (7) days granted under paragraph A) with the consent of the immediate superior.

**5-10.41**

If a professional becomes covered by this article in the course of a school year or if he or she leaves his or her position during the year, the number of days credited for the year in question shall be reduced in proportion to the number of complete months of service, it being specified that "complete month of service" means a month of service during which the professional is in service for half or more of the working days contained in that month.

Nevertheless, if a professional has used, in accordance with the collective agreement, some or all of the sick-leave days that the Board credited to him or her on July 1 of one year, no claim will be made for the days thus used.

**5-10.42**

In the case of a regular professional whose regular workweek includes fewer hours than that prescribed in article 8-1.00, the number of days credited shall be calculated in proportion to the number of hours worked in relation to the number of hours prescribed in article 8-1.00.

**5-10.43**

- A) The professional who receives, on the date of the coming into force of this agreement, benefits under the salary insurance plan in effect prior to the date of the coming into force of this agreement, shall continue to be governed by these provisions for the duration of the disability period already begun, it being understood that the salary rate used to calculate his or her benefits shall be the rate applicable to him or her under this agreement.
- B) The effective date of the beginning of a period of disability shall not be modified by the coming into force of a new plan.
- C) The disabled professional who is not entitled to any benefit on the date of the coming into force of the agreement shall be covered by the new plan as of his or her return to work when he or she begins a new period of disability.
- D) Notwithstanding the foregoing, the professional who is disabled on the date of the coming into force of the agreement may benefit from the provisions concerning gradual return in paragraph B) of clause 5-10.30.

**Section 9 Former banks of sick-leave days****5-10.44**

The sick-leave days to a professional's credit prior to the signing of this agreement shall remain to his or her credit and the days used shall be deducted from the total accumulated. The sick-leave days shall be used in the following order:

- a) the redeemable days credited at the time of the signing of this agreement and, subsequently, those credited under clause 5-10.40;
- b) after having used up the days mentioned in subparagraph a), the other redeemable days to the professional's credit;
- c) after having used up the days mentioned in subparagraphs a) and b), the nonredeemable days to the professional's credit.

**5-11.00 HEALTH AND SAFETY****A I 5-11.01**

The Board and the Union shall collaborate through the Labour Relations Committee or a specific occupational health and safety committee to maintain working conditions which respect the health, safety and bodily security of professionals.

**A I 5-11.02**

Should a specific occupational health and safety committee be set up, all staff categories in the employ of the Board may take part in it by right. The constitution and operating rules of this committee as well as the terms and conditions for the participation of representatives of each party shall be subject to a written agreement.

**A I 5-11.03**

The Union may expressly designate one of its representatives on the Labour Relations Committee or, where applicable, on the specific committee prescribed in clause 5-11.01 as being in charge of health and safety issues; this representative may take temporarily leave from work, without loss of salary and without reimbursement, after informing his or her immediate supervisor, for the meeting prescribed in the 3<sup>rd</sup> paragraph of clause 5-11.07 or to accompany an inspector of the Commission de la santé et de la sécurité du travail during an inspection visit to the Board with respect to an issue regarding a professional's health, safety or bodily security.

**5-11.04**

The professional must:

- a) take the necessary measures to protect his or her health, safety or physical well-being;
- b) see that he or she does not endanger the health, safety or physical well-being of other persons who are on the work premises or near the work premises;
- c) undergo health examinations required for the application of the Act and the regulations applicable to the Board.

**5-11.05**

Insofar as it is provided for by the Act and the regulations which are applicable to it, the Board must take the measures necessary to protect the health and ensure the safety and well-being of professionals; it must, in particular:

- a) see that the buildings under its jurisdiction are equipped and laid out in such a way as to protect the professionals;
- b) ensure that the organization of the work and the methods and techniques used to carry out the work are safe and do not endanger the health of professionals;
- c) provide suitable lighting, ventilation and heating;
- d) provide safety material and ensure that it is kept in good condition;
- e) allow a professional while in the employ of the Board to undergo medical examinations required for the application of the Act and the regulations applying to the Board.

**5-11.06**

Placing individual or group safety means and equipment at the disposal of professionals in order to meet their specific needs, when it becomes necessary under the Act and regulations applicable to the Board, must not reduce in any way the efforts required by the Board, the Union and the professionals to eliminate at the source dangers to their health, safety and physical well-being.

**5-11.07**

When a professional exercises the right of refusal prescribed in the Act Respecting Occupational Health And Safety (R.S.Q., c. S-2.1), he or she must notify his or her immediate superior or an authorized representative of the Board immediately.

As soon as he or she is notified, the immediate superior or, where applicable, the authorized representative of the Board shall convene the union representative mentioned in clause 5-11.03, if he or she is available or, in the case of an emergency, the union delegate; the purpose of the summons shall be to assess the situation and the corrective measures that the immediate superior or the authorized representative of the Board intends to apply.

For the purpose of the meeting following the summons, the union representative mentioned in clause 5-11.03 or, where applicable, the union delegate may temporarily interrupt his or her work without loss of salary or reimbursement.

**5-11.08**

The right of a professional mentioned in clause 5-11.07 shall be exercised subject to the relevant provisions of the Act and the regulations concerning occupational health and safety applicable to the Board and subject to the terms specified therein, where applicable.

**5-11.09**

The Board cannot impose a nonreengagement or a disciplinary or discriminatory measure due to the fact that the professional exercised in good faith the right prescribed in clause 5-11.07.

**5-11.10**

Nothing in the agreement shall prevent the union representative referred to in clause 5-11.03 or, where applicable, the union delegate from being accompanied by a union adviser to the meeting prescribed in clause 5-11.07; however, the Board or its representatives must be informed of the presence of the adviser before the meeting is held.

**5-12.00 WORK ACCIDENTS AND OCCUPATIONAL DISEASES****5-12.01**

This article applies to the professional who suffers a work accident or incurs an occupational disease covered by the *Act respecting industrial accidents and occupational diseases* (R.S.Q., c. A-3.001).

**5-12.02**

The provisions of this article corresponding to specific provisions of the *Act respecting industrial accidents and occupational diseases* (R.S.Q., c. A-3.001) apply insofar as the provisions of the Act are applicable to the Board.

**Definitions****5-12.03**

- b) consolidation: the healing or stabilization of an employment injury following which no improvement of the state of health of the injured professional is foreseeable;
- c) suitable employment: an appropriate position that allows a professional who has suffered an employment injury to use his or her remaining ability to work and his or her qualifications, that he or she has a reasonable chance of obtaining, and the working conditions of which do not endanger the health, safety or physical well-being of the professional, considering his or her injury;
- d) equivalent employment: a position of a similar nature to that held by the professional when he or she suffered the employment injury, from the standpoint of the qualifications required, wages, fringe benefits, duration and working conditions;

- f) employment injury: an injury or a disease arising out of or in the course of a work accident, or an occupational disease, including recurrence, relapse or aggravation.

An injury or a disease which is solely due to gross and voluntary negligence on the part of the professional who suffers or contracts the injury or disease shall not be an employment injury unless it results in the professional's death or it permanently and severely affects his or her physical or mental well-being;

- g) occupational disease: a disease arising out of or in the course of his or her work and characteristic of that work or directly related to the risks peculiar to that work;

- h) health professional: a professional in the field of health within the meaning of the *Health insurance Act* (R.S.Q., c. A-29).

Miscellaneous provisions

#### **5-12.04**

The professional must inform the Board of the details concerning the work accident or employment injury before leaving the establishment where he or she works, if he or she is able to do so, if not, as soon as possible. Moreover, he or she shall provide a medical certificate to the Board in conformity with the Act, if the employment injury which he or she suffers renders him or her unable to perform his or her duties after the day on which it manifested itself.

#### **5-12.05**

The Board shall inform the Union of every work accident or occupational disease which a professional has suffered or contracted as soon as it is brought to its attention.

#### **5-12.06**

The professional may be accompanied by the union delegate to any meeting with the Board concerning an employment injury which he or she suffered; in this case, the union delegate may temporarily interrupt his or her work, without loss of salary or reimbursement, after having obtained the authorization of his or her immediate superior; the authorization cannot be refused without a valid reason.

#### **5-12.07**

The Board must immediately administer first aid to a professional who has suffered an employment injury and, if need be, provide transportation to a health establishment, to a health professional or to the professional's residence as required by his or her condition.

The cost of transportation of the professional shall be assumed by the Board, where applicable, insofar as it is not assumed by another organization.

The professional shall have the choice of the health establishment where possible. If the professional is unable to express his or her choice, he or she must accept the health establishment chosen by the Board but may later change for a health establishment of his or her choice.

The professional shall be entitled to receive care from the health professional of his or her choice, where possible, in his or her place of assignment.

#### **5-12.08**

The Board may require that a professional who has suffered an employment injury undergo an examination by a health professional that it designates in accordance with the Act.

Group plans

#### **5-12.09**

The professional who suffers an employment injury entitling him or her to an income replacement indemnity shall remain covered by the life insurance plan prescribed in clause 5-10.29 and by the health insurance plan prescribed in clause 5-10.09.

The professional shall benefit, without losing any rights, from the waiver of his or her contributions to the pension plan (TPP, CSSP, RREGOP or PPCT). The provisions concerning the waiver of the contributions shall form an integral part of the provisions of the pension plans and the resulting costs shall be shared as is the case with any other benefit.

The waiver shall no longer apply when the employment injury has consolidated or the professional is assigned temporarily as provided for in clause 5-12.15.

**5-12.10**

In the case where the date of consolidation of the employment injury is prior to the 104<sup>th</sup> week following the date of the beginning of the continuous period of absence due to an employment injury, the salary insurance plan prescribed in clause 5-10.30 shall apply, subject to the second paragraph of this clause, if the professional is still disabled within the meaning of clause 5-10.03 and, in this case, the date of the beginning of the absence shall be considered as the date of the beginning of the disability for the purpose of applying the salary insurance plan, particularly clauses 5-10.30 and 5-10.44.

On the other hand, for the professional who would receive from the Commission de la santé et de la sécurité du travail an income replacement indemnity which is less than the benefit which he or she would have received as a result of the application of clause 5-10.30, the salary insurance plan prescribed in this clause shall apply to make up the difference if the professional is still disabled within the meaning of clause 5-10.03 and, in this case, the date of the beginning of such an absence shall be considered as the date of the beginning of the disability for the purpose of applying the salary insurance plan, particularly clauses 5-10.30 and 5-10.44.

**5-12.11**

The bank of sick-leave days of a professional shall not be reduced for the days for which the Commission de la santé et de la sécurité du travail has paid an income replacement indemnity until the date of consolidation of the employment injury as well as for the absences prescribed in clause 5-12.21. Moreover, the professional's bank of sick-leave days shall not be reduced for the part of the day during which the professional could no longer perform his or her duties due to an employment injury.

Salary

**5-12.12**

For as long as a professional is entitled to the income replacement indemnity but no later than the date of consolidation of the employment injury he or she has suffered, he or she shall be entitled to his or her salary as if he or she were at work subject to the following provisions. His or her gross taxable salary shall be determined in the following manner: the Board shall deduct the equivalent of all amounts required by law and the agreement, where applicable; the net salary thus obtained shall be reduced by the income replacement indemnity and the difference shall be brought to a gross taxable salary on the basis of which the Board shall deduct all amounts, contributions and benefits required by law and the agreement.

For the purpose of this clause, the salary to which the professional is entitled shall include, where applicable, premiums for regional disparities.

**5-12.13**

Subject to clause 5-12.12, the Commission de la santé et de la sécurité du travail shall reimburse the Board the amount corresponding to the income replacement indemnity paid by the Commission de la santé et de la sécurité du travail.

The professional must sign the forms required for the reimbursement. Such a waiver shall be valid only for the period during which the Board has agreed to pay the benefits.

Right to return to work

**5-12.14**

A professional who is informed by his or her physician of the date of consolidation of the employment injury he or she has suffered and of the fact that he or she will retain a certain degree of functional disability, or that he or she will retain no disability, shall pass on the information to the Board without delay.

**5-12.15**

The Board may temporarily assign work to a professional while awaiting the professional to again become able to resume his or her position or a suitable or equivalent position even if his or her employment injury has not consolidated, the foregoing as provided for in the Act.

**5-12.16**

Once his or her employment injury has consolidated, the professional shall resume his or her position or another position to which he or she is reassigned or transferred by the Board in accordance with the other provisions of this agreement. If the position has been abolished, the professional shall be entitled to the benefits he or she would have had had he or she been at work.

**5-12.17**

A professional who, although unable to resume his or her duties because of an employment injury but who may be able to use his or her remaining ability and his or her qualifications to work, shall be entitled to hold, under clause 5-12.18, an equivalent position or a suitable available position that the Board intends to fill, provided that he or she is able to do so.

**5-12.18**

The exercise of the right mentioned in clause 5-12.17 shall be subject to the terms and conditions which follow:

- a) If it involves a professional position or another position:
  - the professional shall submit his or her application in writing;
  - the professional has the required qualifications and meets the other requirements determined by the Board;
  - the applicable collective agreement so permits.
- b) The right of the professional can be exercised only during the two (2) years immediately following the beginning of his or her absence or in the year following the date of consolidation according to the later date.

**5-12.19**

The professional who obtains a position referred to in clause 5-12.17 shall benefit from an adaptation period of thirty (30) working days; at the end of that period, the professional cannot keep the position if the Board deems he or she is unable to perform his or her duties adequately. In such a case, the professional shall be considered as not having exercised the right prescribed in clause 5-12.17.

**5-12.20**

Notwithstanding any provision to the contrary, the professional who obtains a position referred to in clause 5-12.17 shall receive the salary related to his or her new position.

**5-12.21**

Once the professional who has suffered an employment injury returns to work, the Board shall pay him or her his or her salary within the meaning of the Act **respecting industrial accidents and occupational diseases** (R.S.Q., c. A-3.001), including the premiums for regional disparities to which he or she is entitled, where applicable, for each day or part of day during which he or she must be absent from work to receive treatment or undergo medical examinations related to the employment injury or to carry out an activity of his or her personal rehabilitation program.

**5-13.00 PARENTAL RIGHTS****Section 1** General provisions**5-13.01**

The maternity leave allowances prescribed in section 2 and the leave for adoption allowances prescribed in section 4 shall be paid solely as a supplement to the parental insurance benefits or Employment Insurance benefits, as the case may be, or as payment during a period of absence for which the Québec Parental Insurance Plan (QPIP) and the Employment Insurance Plan do not apply.

However the maternity leave and adoption leave allowances shall only be paid during the weeks when the professional:

- receives benefits, or would receive them if he or she applied for such benefits, from the QPIP;
- receives benefits from the Employment Insurance Plan.

In the case where the employee shares the adoption or parental benefits provided by the QPIP with the other spouse, the allowance shall be paid only if the employee in fact receives a benefit from this plan during the maternity leave prescribed in clause 5-13.05 or the leave for adoption prescribed in paragraph A) of clause 5-13.24.

**5-13.02**

When the parents are both of the female sex, the allowances and benefits granted to the father are then granted to the other mother who did not give birth to the child.

**5-13.03**

- A) The Board shall not reimburse the professional for the amounts that might be required of him or her by the Minister of Employment and Social Solidarity as a result of the application of the *Act respecting parental insurance* (R.S.Q., c. A-29.01 1).

Moreover the Board shall not reimburse the professional for the amounts that Human Resources and Social Development Canada (HRSDC) could require him or her to pay under the *Employment Insurance Act* (S.C. 1996, c. 23), when the professional's salary exceeds the maximum insurable by one and a quarter (1 1/4) times.

- B) Moreover, the basic weekly salary<sup>1</sup>, deferred basic weekly salary and severance allowances shall not be increased or decreased by the amounts received under the QPIP or the Employment Insurance Plan.

**5-13.04**

Unless there is a specific provision to the contrary, this article cannot result in granting a professional a benefit, monetary or not, which he or she would not have had had he or she remained at work.

**Section 2** Maternity leave**5-13.05**

- A) For the pregnant professional, the duration of the maternity leave:
- shall be twenty-one (21) weeks if she is eligible for QPIP benefits;

<sup>1</sup> "Basic weekly salary" means the regular salary of the professional including the regular salary supplement for a regularly increased workweek as well as the premiums for responsibility to the exclusion of the others without any additional remuneration even for overtime.

- shall be twenty (20) weeks if she is eligible for benefits under the Employment Insurance Plan:
- shall be twenty (20) weeks if she is not eligible for benefits under the QPIP, or for benefits under the Employment Insurance Plan.

The weeks of the maternity leave must be consecutive, subject to paragraphs A) and B) of clause 5-13.09

- B) The professional who becomes pregnant while she is on a leave without salary or a part-time leave without salary prescribed in this article shall also be entitled to a maternity leave, as defined in paragraph A), and to the allowances prescribed clauses 5-13.10, 5-13.11 and 5-13.13, as the case may be.
- C) Should a professional's spouse who is on maternity leave die, the remainder of the maternity leave and the rights and benefits attached thereto shall be transferred to the professional.
- D) A professional is also entitled to a maternity leave, as defined in paragraph A), in the case where pregnancy is terminated after the beginning of the twentieth (20<sup>th</sup>) week preceding the due date.

#### 5-13.06 Distribution of the maternity leave

The distribution of the maternity leave, before and after the birth, shall be decided by the professional and shall include the day of the birth. However, for the professional who is eligible for benefits under the QPIP, this leave shall be simultaneous to the period of benefit payments allowed under the *Act respecting parental insurance (R.S.Q., c. A-29.011)* and must begin no later than the week following the beginning of these benefit payments.

#### 5-13.07 Prior notice

To obtain a maternity leave, a professional must give written notice to the Board at least two (2) weeks before the date of departure. Such a notice must be accompanied by a medical certificate or a written report signed by a midwife attesting to the pregnancy and the due date.

The time limit for giving prior notice may be less if a medical certificate attests that a professional must leave her job sooner than expected. In the case of an unforeseen event, a professional shall be exempted from the formality of the notice provided that she give the Board a medical certificate stating that she had to leave her job immediately.

#### 5-13.08 Extension of the maternity leave

If the birth occurs after the due date, the professional shall be entitled to extend her maternity leave for the length of time the birth is overdue, except if she still has at least two (2) weeks of maternity leave remaining after the birth.

The professional may extend her maternity leave if her child's health so requires or if the professional's health so requires. The duration of such extension shall be that stated on the medical certificate which shall be provided by the employee.

During the extensions, the professional shall be considered as being on leave without salary, and shall not receive any allowance or benefit from the Board. During these periods, the professional shall be covered by clauses 5-13.15 and 5-13.16 during the first six (6) weeks and by clause 5-13.32 thereafter.

#### 5-13.09 Interrupting and dividing the maternity leave

- A) Interrupting the maternity leave

A professional who has sufficiently recovered from delivery but whose child must remain in the health establishment may interrupt her maternity leave by returning to work. The leave shall be completed when the child is brought home.

Furthermore, a professional who has sufficiently recovered from delivery but whose child is hospitalized after having left the health establishment, may interrupt her maternity leave, upon agreement with the Board, by returning to work during this period of hospitalization.

B) Dividing the maternity leave

Upon request by the professional, the maternity leave can be divided into weeks and interrupted for a maximum number of weeks which varies in each of the following cases:

- a) if her child is hospitalized: the maximum number of weeks during which a maternity leave can be interrupted is equal to the number of weeks of the hospitalization;
- b) if the professional must be absent due to an accident or illness unrelated to the pregnancy: the maximum number of weeks of the interruption shall be equal to the number of complete weeks of the duration of the situation, though it shall not exceed fifteen (15) weeks;
- c) if the professional must be absent due to a situation covered by section 79.8 of the **Act respecting Labour Standards** (R.S.Q., c. N-1.1): the maximum number of weeks shall be equal to the number of complete weeks of the duration of the situation, though it shall not exceed six (6) weeks.

During such an interruption, the employee shall be considered as being on leave without salary and shall receive no allowance or benefit from the Board. The employee shall be entitled to the benefits prescribed in clause 5-13.32.

C) Resuming the interrupted or divided maternity leave

When the employee resumes the maternity leave which was interrupted or divided under paragraphs A) and B), the Board shall pay the employee the allowance to which she would then have been entitled if she had not availed herself of such interruption or such division, for the residual number of weeks to be covered under clauses 5-13.10, 5-13.11 or 5-13.13, as the case may be.

### 5-13.10 Cases eligible for the Québec Parental Insurance Plan

The professional who has accumulated twenty (20) weeks of service<sup>1</sup> and who is eligible for benefits under the QPIP, is also entitled to receive, during the twenty-one (21) weeks of her maternity leave, an allowance equal to the difference between ninety-three percent (93%)<sup>2</sup> of her basic weekly salary and the amount of the QPIP maternity or parental benefits she receives, or would receive if she applied for them.

This allowance is calculated on the basis of the QPIP benefits that a professional is entitled to receive without taking into account the amounts deducted from such benefits because of the reimbursement of benefits, interest, penalties and other recoverable amounts under the **Act respecting parental insurance** (R.S.Q., c. A-29.011).

However, when the professional is working for more than one employer, the allowance is equal to the difference between ninety-three percent (93%) of the basic weekly salary paid by the Board and the amount of QPIP benefits corresponding to the proportion of basic weekly salary paid by the Board in relation to the total basic weekly salaries paid by all the employers. To this end, the professional shall provide each of her employers with a statement of the weekly salaries paid by each of them as well as the amount of the benefits payable under the **Act respecting parental insurance** (R.S.Q., c. A-29.011).

<sup>1</sup> The absent professional shall accumulate service if her absence is authorized, particularly due to disability, and includes benefits or remuneration.

<sup>2</sup> Ninety-three percent (93%): the percentage was set to take into account the fact that the professional in this situation is exonerated from contributing to the pension and Québec Parental Insurance plans, which contributions are, on an average, equivalent to seven percent (7%) of her salary.

**5-13.11 Cases not eligible for the Québec Parental Insurance Plan but eligible for the Employment Insurance Plan**

A professional who has accumulated twenty (20) weeks of service<sup>1</sup> and who receives benefits under the Employment Insurance Plan, though without being eligible for QPIP benefits, shall be entitled, during her maternity leave, to receive:

- a) for each week of the waiting period stipulated in the Employment Insurance Plan, an allowance equal to ninety-three percent (93%)<sup>2</sup> of her basic weekly salary;
- b) thereafter, for each week she is receiving Employment insurance benefits, an additional allowance equal to the difference between ninety-three percent (93%) of her basic weekly salary and the maternity or parental Employment Insurance benefit that she is receiving, until the end of the twentieth (20<sup>th</sup>) week of the maternity leave.

The additional allowance shall be calculated on the basis of the Employment Insurance benefits that a professional is entitled to receive without taking into account the amounts deducted from the benefits because of the reimbursement of benefits, interest, penalties and other amounts recoverable under the Employment Insurance Plan.

However, in the case of the professional who works for more than one employer, she shall receive an additional allowance which shall be equal to the difference between ninety-three percent (93%) of the basic weekly salary paid by the Board and the percentage of Employment Insurance benefit corresponding to the proportion of basic weekly salary it pays her in relation to the total basic weekly salaries paid by all the employers. To this end, the professional shall provide each of her employers with a statement of the weekly salaries paid by each of them and the amount of the benefit rate paid to her by HRSDC.

Moreover, if HRSDC reduces the number of weeks of Employment Insurance benefits to which the professional would otherwise have been entitled if she had not availed herself of the Employment Insurance benefits before her maternity leave, the professional shall continue to receive, for a period equivalent to the weeks deducted by HRSDC, the additional allowance prescribed in subparagraph b) as if she had, during that period, availed herself of the Employment Insurance benefits.

**5-13.12**

The Board may not offset, by the allowance that it pays to the professional on maternity leave, the reduction in the QPIP benefits or Employment Insurance benefits attributable to the salary earned from another employer.

Notwithstanding the provisions of the preceding paragraph, the Board shall pay the compensation if the professional proves that the salary earned from another employer constitutes usual salary by means of a letter to this effect from the employer who pays the usual salary. If the professional proves that only a portion of the salary is usual, the compensation shall be limited to that portion.

The employer who pays the usual salary as determined in the preceding paragraph must, at the professional's request, provide such a letter.

The total amounts received by the professional during her maternity leave in QPIP or Employment Insurance benefits, allowances and salary may not however exceed ninety-three percent (93%) of the basic weekly salary paid by the Board or, where applicable, by her employers.

<sup>1</sup>

The absent professional shall accumulate service if her absence is authorized, particularly for disability, and includes benefits or remuneration.

<sup>2</sup>

Ninety-three percent (93%): the percentage was set to take into account the fact that the professional in this situation is exonerated from contributing to the pension and employment insurance plans, which contributions are, on an average, equivalent to seven percent (7%) of her salary.

**5-13.13** Cases not eligible for the Québec Parental Insurance Plan and the Employment Insurance Plan

The professional who is not eligible for benefits under the QPIP, the Employment Insurance Plan and any other parental rights plan in effect in another Province or Territory shall also be excluded from receiving any allowance prescribed in clauses 5-13.10 and 5-13.11.

However, the professional whose workweek includes:

- a) the number of hours prescribed in article 8-1.00 and who has accumulated twenty (20) weeks of service shall be entitled to an allowance equal to ninety-three percent (93%) of her basic weekly salary for twelve (12) weeks;
- b) fewer hours than that prescribed in article 8-1.00 and who has accumulated twenty (20) weeks of service shall be entitled to an allowance equal to ninety-five percent (95%) of her basic weekly salary for twelve (12) weeks.

If this professional is exonerated from contributing to the pension plan and the QPIP, the percentage of the allowance shall be set at ninety-three percent (93%) of her basic weekly salary.

**5-13.14** In the cases prescribed in clauses **5-13.10**, **5-13.11** and **5-13.13**

- A) No allowance may be paid during the vacation period for which a professional is paid.
- B) Unless the applicable salary payment system is on a weekly basis, the allowance shall be paid by the Board at two (2)-week intervals. In the case of the professional who is eligible for benefits under the QPIP or the Employment Insurance Plan, the first installment need only be paid fifteen (15) days after the Board receives proof that she is receiving benefits from one or the other of these plans. For the purposes of this paragraph, a statement of benefits, a stub or information provided by the Ministère de l'Emploi et de la Solidarité sociale or HRSDC to the Board by means of an official statement shall be considered as admissible proof.
- C) Service shall be calculated with all the employers in the public and parapublic sectors (civil service, education, health and social services), health and social services agencies, bodies whose employees are subject to salary scales or standards which by law are determined in accordance with the conditions set by the government, the Office franco-québécois pour la jeunesse, the Société de gestion du réseau informatique des commissions scolaires and any other body listed in Schedule C of the *Act respecting the process of negotiation of the collective agreements in the public and parapublic sectors* (R.S.Q., c. R-8.2).

Moreover, the requirement of twenty (20) weeks service under clauses 5-13.10, 5-13.11 or 5-13.13 shall be deemed to have been met, where applicable, when the professional has met this requirement with any one of the employers mentioned in the preceding paragraph.

- D) The basic weekly salary of the professional whose workweek includes fewer hours than that prescribed in article 8-1.00 shall be the average basic weekly salary that she received during the last twenty (20) weeks preceding her maternity leave.

If, during that period, the professional received benefits based on a certain percentage of her regular salary, it shall be understood that, for calculation purposes, her basic weekly salary during her maternity leave shall be the basic salary on the basis of which the benefits were established.

However, any period during which the professional on special leave prescribed in clause 5-13.20 does not receive any benefits from the Commission de la santé et de la sécurité du travail (CSST) shall be excluded for the purpose of calculating her basic average weekly salary.

If the twenty (20)-week period preceding the maternity leave of the professional whose workweek has fewer hours than that prescribed in article 8-1.00 includes the date of the increase of the salary rates and scales, the basic weekly salary shall be calculated on the basis of the salary rate in force on that date. If, on the other hand, the maternity leave includes that date, the basic weekly salary changes as of that date according to the adjustment formula of the applicable salary scale.

The provisions of this paragraph shall constitute one of the express stipulations prescribed by clause 5-13.04.

- E) In the case where the non-tenured regular professional is not reengaged because of surplus, the maternity leave benefits to which she is entitled under the collective agreement and paid by the Board shall terminate as of the date of the non-reengagement.

Subsequently, in the case where the professional is reengaged under the priority of employment prescribed in clause 5-6.07, the maternity leave benefits shall be reestablished as of the date of the reengagement.

In this case, the weeks during which the professional received maternity leave benefits and the weeks included in the period during which she was nonreengaged shall be deducted from the twenty (20) weeks or the twelve (12) weeks to which the professional is entitled under clause 5-13.10, 5-13.11 or 5-13.13, as the case may be, and the maternity leave benefits shall be reestablished for the number of weeks left to cover under clause 5-13.10, 5-13.11 or 5-13.13, as the case may be.

#### **5-13.15**

During the maternity leave and during the first six (6) weeks of the extensions prescribed in clause 5-13.08, the professional, insofar as she is normally entitled to it, shall benefit from the following:

- life insurance plan;
- health insurance plan by paying her share;
- accumulation of vacation or payment made in lieu thereof;
- accumulation of sick-leave days;
- accumulation of seniority;
- accumulation of experience;
- accumulation of continuous service for the purpose of security of employment;
- right to apply for a position that is posted and to obtain it in accordance with the provisions of the collective agreement as if she were at work.

#### **5-13.16**

The professional may defer a maximum of four (4) weeks' annual vacation if it falls within her maternity leave and if she notifies the Board in writing of the date of the deferral no later than two (2) weeks before the termination of the said maternity leave.

#### **5-13.17**

The maternity leave may last for less than the duration prescribed in clause 5-13.05. If the professional returns to work within two (2) weeks of the birth, she must, at the Board's request, produce a medical certificate confirming that she is sufficiently recovered to resume work.

#### **5-13.18**

During the fourth (4<sup>th</sup>) week preceding the termination of the maternity leave, the Board must send the professional a notice indicating the anticipated termination date of the leave.

The professional to whom the Board has sent such a notice must report to work upon the termination of the maternity leave, unless the leave is extended as provided for in clause 5-13.31.

The professional who does not comply with the preceding paragraph shall be considered as being on a leave of absence without salary for a maximum period of four (4) weeks. At the end of that period, the professional who has not reported back to work shall be considered as having resigned.

#### **5-13.19**

When she returns from her maternity leave, the professional shall return to her position or, as the case may be, a position obtained at her request during the leave, in accordance with the provisions of the collective agreement. If the position has been abolished, the professional shall be entitled to the benefits she would have had had she been at work at that time.

### Section 3 Special leaves regarding pregnancy and breastfeeding

#### 5-13.20 Temporary assignment and special leave

The professional may request to be temporarily assigned to another position, whether vacant or temporarily vacant, in the same employment group or, if she agrees and subject to the provisions of the agreement, another employment group, in the following cases:

- a) she is pregnant and her working conditions expose her or her unborn child to infectious diseases or to physical dangers;
- b) her working conditions involve dangers for her child whom she is breastfeeding;
- c) she works regularly at a cathode-ray tube terminal.

The professional must present a medical certificate to this effect as soon as possible.

- B) When the Board receives a request for a preventive withdrawal, it shall immediately inform the Union giving the name of the professional and the reasons supporting the request for preventive withdrawal.
- C) The professional also assigned to another position shall retain the rights and privileges of her regular position.
- D) If the assignment is not carried out immediately, the professional shall be entitled to a special leave to begin immediately. Unless a temporary assignment arises afterward to cancel the special leave, the special leave shall terminate, for the pregnant professional, on the date of the birth and, for the professional who is breastfeeding, at the end of the period during which the child is breastfed. However, in the case of the professional who is eligible for benefits payable under the *Act respecting parental insurance (R.S.Q., c. A-29.011)* and whose special leave began on or after January 1, 2006, the special leave shall be terminated as of the fourth (4<sup>th</sup>) week before the due date.
- E) During the special leave prescribed in this clause, the professional shall be governed, with regard to her allowance, by the provisions of the *Act respecting occupational health and safety (R.S.Q., c. S-2.1)* concerning the preventive withdrawal of the employee who is pregnant or who is breastfeeding.

However, following a written request to this effect, the Board shall pay the professional an advance on the benefit to be received on the basis of the anticipated benefits. If the CSST pays the anticipated payment, the reimbursement shall be deducted from that amount. If not, the reimbursement shall be made in accordance with clause 6-11.09.

However, if the professional exercises her right to apply for a review of the CSST decision or to contest it before the Commission des lésions professionnelles, the reimbursement cannot be paid until the administrative review decision of the CSST has been rendered or, where applicable, the decision of the Commission des lésions professionnelles has been rendered.

- F) In addition to the preceding provisions, at the professional's request, the Board must study the possibility of temporarily changing the duties, without loss of rights, of the professional assigned to a cathode-ray tube terminal so as to reduce her working time at the terminal to a maximum of two (2) hours per half-day and assign her to other duties which she is reasonably capable of performing for the remainder of her working time.

#### Other special leaves

#### 5-13.21

The professional shall also be entitled to a special leave in the following circumstances:

- a) when a complication in the pregnancy or a risk of miscarriage requires a work stoppage for a period prescribed by a medical certificate; the leave cannot be extended beyond the beginning of the fourth (4<sup>th</sup>) week preceding the due date;

- b) upon presentation of a medical certificate prescribing the duration, when a natural or legally induced miscarriage occurs before the beginning of the twentieth (20<sup>th</sup>) week preceding the due date;
- c) for visits with a health care professional related to the pregnancy and attested to by a medical certificate or a written report signed by a midwife. As regards the visits, the professional shall benefit from a special leave without loss of salary for a maximum of four (4) days which may be taken in half-days.

#### 5-13.22

During the special leaves granted under this section, a professional shall be entitled to the benefits prescribed in clauses 5-13.15 and 5-13.16, insofar as she is normally entitled to them, and in clause 5-13.19. The professional covered by clause 5-13.21 may also avail herself of the benefits of the sick-leave plan or the salary insurance plan. In the case of subparagraph c) of clause 5-13.21, the professional must first have used the four (4) days prescribed therein.

#### Section 4 Other parental leaves

##### Paternity leave

#### 5-13.23

##### A) Paternity leave with salary

The professional shall be entitled to a paid leave for a maximum period of five (5) working days for the birth of his child. The professional shall also be entitled to the leave if the pregnancy is terminated as of the beginning of the twentieth (20<sup>th</sup>) week preceding the due date. The leave may be discontinuous but must be taken between the beginning of the delivery and the fifteenth (15<sup>th</sup>) day following the mother's or child's return to the family residence.

One of the five (5) days may be used for the child's baptism or registration.

For the duration of this leave, the professional shall be entitled to the benefits prescribed in clauses 5-13.15 and 5-13.16, insofar as he is normally entitled to them, and in clause 5-13.19.

The female professional whose spouse gives birth to a child is also entitled to this leave if she is designated as one of the child's mothers.

##### B) Paternity leave without salary

On the occasion of the birth of his child, the professional is also entitled to a paternity leave without salary of a maximum duration of five (5) weeks which, subject to paragraphs D) and E), must be consecutive. The duration of this extension is that which is stated in the medical certificate.

During this extension, the professional shall be considered as being on leave without salary and shall receive no allowance or benefits from the Board. The professional shall receive the benefits prescribed in clause 5-13.32 during this period.

## D) Interruption of the paternity leave

When his child is hospitalized, the professional may interrupt his paternity leave, upon agreement with the Board, by returning to work for the duration of this hospitalization.

## E) Dividing the paternity leave

Upon request by the professional, the paternity leave may be divided into weeks and interrupted for a maximum number of weeks which varies for each of the following cases:

- a) if his child is hospitalized: the maximum number of weeks during which the paternity leave may be interrupted is equal to the number of weeks of the hospitalization;
- b) in the case of absence of the professional due to an accident or illness: the maximum number of weeks of interruption of the paternity leave shall correspond to the number of complete weeks of the duration of the situation, though without exceeding fifteen (15) weeks;
- c) in the case of absence of the professional due to a situation covered by section 79.8 of the Act respecting Labour Standards (R.S.Q., c. N-1.1): the maximum number of weeks of interruption of the paternity leave shall correspond to the number of complete weeks of the duration of the situation, though without exceeding six (6) weeks.

During such an interruption, the professional shall be considered as being on leave without salary and shall receive no allowance or benefits from the Board. The professional shall receive the benefits prescribed in clause 5-13.32.

Leaves for adoption and leaves of absence without salary with a view to adopt

Leave for adoption

#### 5-13.24

- A) The professional who legally adopts a child other than the child of his or her spouse shall be entitled to a leave of absence for adoption for a maximum period of ten (10) weeks which, subject to paragraphs C) and D) of this clause, must be consecutive. The leave shall be granted following a written request submitted at least two (2) weeks in advance.

For the professional who is eligible for benefits under the QPIP, the leave is simultaneous with the period of benefit payments granted under the Act respecting parental insurance (R.S.Q., c. A-29.011), and must begin no later than the week following the start of the parental insurance benefit payments.

For the professional who is not eligible for benefits under the QPIP, the leave must be taken following the child's placement order or its equivalent in the case of international adoption, in accordance with the adoption system, or at another date agreed to with the Board.

- B) Extension of the leave for adoption

The professional who, before the date of expiry of his or her leave for adoption, provides the Board with a notice along with a medical certificate attesting that the health of his or her child requires it, is entitled to an extension of his or her leave for adoption. The duration of this extension shall be that which is stated on the medical certificate.

During this extension, the professional shall be considered as being on leave without salary and shall receive no allowance or benefits from the Board. The professional shall receive the benefits prescribed in clause 5-13.32 during this period.

- C) Interruption of the leave for adoption

When his or her child is hospitalized, the professional may interrupt his or her leave for adoption, upon agreement with the Board, by returning to work during the period of this hospitalization

## D) Dividing the leave for adoption

Upon request by the employee, the leave for adoption may be divided into weeks and interrupted for a maximum number of weeks which varies for each of the following cases:

- a) if his or her child is hospitalized: the maximum number of weeks during which the leave for adoption may be interrupted is equal to the number of weeks of the hospitalization;
- b) in the case of absence of the professional due to an accident or illness: the maximum number of weeks of the interruption of the leave for adoption is that which corresponds to the number of complete weeks of the duration of the situation, though without exceeding fifteen (15) weeks;
- c) in the case of absence of the professional due to situation covered by section 79.8 of the Act respecting *Labour Standards* (R.S.Q., c. N-1.1): the maximum number of weeks of the interruption of the leave for adoption is that which corresponds to the number of complete weeks of the duration of the situation, though without exceeding six (6) weeks.

During such an interruption, the professional shall be considered as being on leave without salary and shall receive no allowance or benefits from the Board. The employee shall receive the benefits prescribed in clause 5-13.32.

## E) When the professional resumes the leave for adoption which has been interrupted or divided under paragraphs C) and D), the Board shall pay the professional the allowance to which he or she would have been entitled if he or she had not availed himself or herself of such interruption or such division, for the residual number of weeks covered under paragraph A).

## F) For the duration of this leave, the professional shall receive the benefits prescribed in clauses 5-13.15 and 5-13.16, insofar as he or she is normally entitled to them, and in clause 5-13.19.

G) During the fourth (4<sup>th</sup>) week preceding the expiry of the ten (10)-week leave for adoption, the Board must send the professional a notice indicating the anticipated expiry date of the leave.

The professional to whom the Board has sent such a notice must report to work upon the expiry of the leave for adoption, unless the leave is extended as prescribed in clause 5-13.31.

The professional who does not comply with the preceding paragraph shall be considered as being on a leave of absence without salary for a maximum period of four (4) weeks. At the end of that period, the professional who has not reported back to work shall be considered as having resigned.

**5-13.25 Cases eligible for the Québec Parental Insurance Plan or the Employment Insurance Plan**

## A) During the ten (10) weeks of the leave for adoption prescribed in paragraph A) of clause 5-13.24, the professional shall receive an allowance equal to the difference between his or her basic weekly salary and the amount of the benefits he or she:

- receives or would receive, if he or she applied for them, under the QPIP;
- receives under the Employment Insurance Plan.

## B) This allowance shall be calculated on the basis of the QPIP or Employment Insurance benefits that a professional is entitled to receive without taking into account the amounts deducted from such benefits because of the reimbursement of benefits, interest, penalties and other recoverable amounts under the Act respecting parental insurance (R.S.Q., c. A-29.011) or the Employment Insurance Plan.

However, when the professional is working for more than one employer, the allowance shall be equal to the difference between the basic weekly salary paid by the Board and the amount of the QPIP or Employment Insurance benefits corresponding to the proportion of basic weekly salary paid by the Board in relation to the total basic weekly salaries paid by all the employers. To this end, the professional shall provide each of his or her employers with a statement of the weekly salaries paid by each of them as well as the amount of the benefits payable as a result of the application of the Act *respecting parental insurance* (R.S.Q., c. A-29.011) or the Employment Insurance Plan.

- C) The Board cannot offset, by the allowance that it pays to the professional on leave for adoption, the reduction in the QPIP or Employment Insurance benefits attributable to the salary earned from another employer.

Notwithstanding the provisions of the preceding paragraph, the Board shall provide this compensation if the professional proves that the salary earned from another employer is a customary salary, by means of a letter to this effect from the employer who pays it. If the professional proves that only a portion of the salary paid by this other employer is customary, the compensation shall be limited to that portion.

The employer which pays the customary salary prescribed in the preceding paragraph must, at the professional's request, produce such a letter.

The total amounts received by the professional during his or her leave for adoption in QPIP or Employment Insurance benefits, allowances and salary may not however exceed the basic weekly salary paid by the Board or, where applicable, by his or her employers.

**5-13.26** For the cases prescribed in paragraphs A) of clauses **5-13.24** and **5-13.25**

- A) No allowance may be paid during the vacation period for which a professional is paid.
- B) Unless the applicable salary payment system is on a weekly basis, the allowance shall be paid by the Board at two (2)-week intervals. In the case of the professional who is eligible for benefits under the QPIP or the Employment Insurance Plan, the first installment need only be paid fifteen (15) days after the Board receives proof that he or she is receiving benefits from one or the other of these plans. For the purposes of this paragraph, a statement of benefits, a stub or information provided by the Ministère de l'Emploi et de la Solidarité sociale or HRSDC to the Board by means of an official statement shall be considered as proof.
- C) The basic weekly salary of the professional whose workweek includes fewer hours than that prescribed in article 8-1.00 shall be the average basic weekly salary that he or she received during the last twenty (20) weeks preceding his or her leave for adoption.

If, during that period, the professional received benefits based on a certain percentage of his or her regular salary, it shall be understood that, for calculation purposes with respect to his or her basic weekly salary during his or her leave for adoption, the reference shall be the basic weekly salary on the basis of which the benefits were established.

If the twenty (20)-week period preceding the leave for adoption of the professional whose workweek has fewer hours than that prescribed in article 8-1.00 includes the date of the increase of the salary rates and scales, the basic weekly salary shall be calculated on the basis of the salary rate in force on that date. If, on the other hand, the leave for adoption includes that date, the basic weekly salary shall change as of that date according to the adjustment formula for the applicable salary scale.

The provisions of this paragraph shall constitute one of the express stipulations prescribed by clause 5-13.04.

**5-13.27** Cases not eligible for the Québec Parental Insurance Plan and the Employment Insurance Plan

The professional who is not eligible for adoption benefits under the QPIP and for parental benefits under the Employment Insurance Plan, and who adopts a child other than the child of his or her spouse, shall receive, during the leave for adoption prescribed in paragraph A) of clause 5-13.24, an allowance equal to his or her basic weekly salary.

**5-13.28 Leave for adoption of the spouse's child**

The professional who legally adopts his or her spouse's child shall be entitled to a leave for a maximum period of five (5) working days, of which only the first two (2) days shall be remunerated.

The leave may be discontinued, and it may not be taken more than fifteen (15) days following the child's arrival in the family residence.

During this leave of absence, the professional shall receive the benefits prescribed in clauses 5-13.15 and 5-13.16, insofar as he or she is normally entitled to them, and in clause 5-13.19

**Leaves of absence without salary with a view to adopt****5-13.29**

A professional shall be entitled to a leave of absence without salary of a maximum duration of ten (10) weeks to adopt a child, other than the spouse's child, beginning on the date on which the professional assumes full legal responsibility for the child except in the case of a child of his or her spouse. This leave shall be granted following a written request submitted at least two (2) weeks in advance.

The professional who travels outside Québec with a view to adopt, other than the spouse's child, shall be granted, for that purpose and upon written request sent to the Board two (2) weeks in advance if possible, a leave of absence without salary for the time necessary for the travel. If, full legal responsibility for the child so results, the maximum duration of the leave of absence without salary shall be ten (10) weeks in accordance with the preceding paragraph.

However this leave with a view to adopt shall end no later than the week following the beginning of the benefit payments he or she:

- receives or would receive, if he or she applied for them, under the QPIP;
- receives under the Employment Insurance Plan.

The provisions of paragraph A) of clause 5-13.24 shall apply.

During the leave without salary, the professional shall receive the benefits prescribed in clause 5-13.32.

**5-13.30**

If no adoption results following the leave with a view to adopt for which the professional received an allowance under clause 5-13.25 or 5-13.27, the professional shall be deemed to have been on leave without salary under clause 5-13.29 and he or she shall reimburse the allowance in accordance with the provisions of clause 6-11.09.

**Leave of absence without salary and part-time leave of absence without salary****5-13.31**

  - b) the paternity leave prescribed in paragraph A) of clause 5-13.23;
  - c) the leave for adoption prescribed in paragraph A) of clause 5-13.24.

The professional whose workweek includes the number of hours prescribed in article 8-1.00 and who does not avail himself or herself of the leave of absence without salary shall be entitled to a part-time leave of absence without salary established over a maximum period of two (2) years.

The leave of absence without salary shall be granted following a written request submitted at least two (2) weeks in advance. In the case of a part-time leave of absence without salary, this request must be submitted at least thirty (30) days in advance. Any such request must specify the date of return and the allocation of the leave.

For the duration of the leave, the professional shall be authorized, following a written request submitted to the Board at least thirty (30) days in advance, to avail himself or herself of one of the following changes:

- from a leave without salary to a part-time leave without salary or the inverse, as the case may be;
- from a part-time leave without salary to a different part-time leave without salary.

The professional and the Board shall agree on the date on which the change shall take effect.

The professional whose workweek includes fewer hours than the regular workweek prescribed in article 8-1.00 shall also be entitled to the part-time leave without salary. However, the other provisions of the agreement concerning the determination of the number of working hours shall remain in effect.

In the case of a professional whose regular workweek includes the number of hours prescribed in article 8-1.00 and who takes a part-time leave of absence without salary, in the event of a disagreement on the part of the Board with respect to the number of days per week, the professional is entitled to a maximum of two and a half (2.5) days per week or equivalent, for up to two (2) years. The terms and conditions for taking this leave shall be agreed upon by the Board and the professional. In the event of a disagreement regarding the distribution of the days, the Board shall implement the distribution. If the professional is not satisfied with the distribution implemented by the Board, he or she may renounce the leave.

In the case of the professional whose regular workweek includes fewer hours than the regular workweek prescribed in article 8-1.00 and who takes a part-time leave of absence without salary, the Board and the professional shall agree on the allocation of the leave. In the event of a disagreement, the Board shall implement the allocation. If the professional is not satisfied with the allocation implemented by the Board, he or she may renounce the leave.

The professional who does not avail himself or herself of the leave without salary or the part-time leave without salary may, for the portion of the leave which his or her spouse has not taken, benefit, at his or her choice, from a leave without salary or part-time leave without salary by following the formalities prescribed.

If the professional's spouse is not an employee of the public or parapublic sector, the professional may avail himself or herself of a leave prescribed above at the time he or she chooses within two (2) years of the birth or adoption without however exceeding the two (2)-year time limit following the birth or adoption.

During a part-time leave of absence without salary, the professional shall retain the possibility, if he or she is entitled to it, of using the sick-leave days prescribed in article 5-10.00.

- B) The professional who does not avail himself or herself of the leave of absence prescribed in paragraph A) may, following the adoption or birth of his or her child, take a leave of absence without salary for a maximum period of fifty-two (52) continuous weeks which begins at the time the professional chooses and ends no later than seventy (70) weeks after the birth or, in the case of an adoption, seventy (70) weeks after he or she assumes full legal responsibility for the child.

**5-13.32**

During a leave of absence without salary, the professional shall accumulate his or her seniority, shall retain his or her experience and shall continue to participate in the applicable basic health insurance plan provided that he or she pay his or her share of the premiums for the first fifty-two (52) weeks of the leave and the total amount of the required premiums for the subsequent weeks. Moreover, he or she may also continue to participate in the other insurance plans which are applicable to him or her if he or she so requests at the beginning of the said leave and pays the total amount of the premiums.

During the part-time leave without salary, the professional shall accumulate his or her seniority on the same basis as prior to the leave and for the proportion of hours worked, he or she shall be governed by the provisions applicable to the professional whose workweek includes fewer hours than the regular workweek prescribed in article 8-1.00.

Notwithstanding the preceding paragraphs, the professional shall accumulate his or her experience, for the purposes of determining his or her salary, up to the first fifty-two (52) weeks of a leave without salary or part-time leave without salary.

**5-13.33**

The professional may take his or her deferred annual vacation period immediately prior to his or her leave without salary or part-time leave without salary provided that there be no discontinuity with his paternity leave, her maternity leave or his or her leave for adoption, as the case may be.

**5-13.34**

The professional to whom the Board has sent a four (4)-week notice indicating the termination date of the leave of absence without salary must submit a notice of his or her return at least two (2) weeks before the termination of the said leave, failing which, he or she shall be considered as having resigned.

The professional who wishes to terminate his or her leave of absence without salary before the anticipated date must submit a written notice to this effect at least twenty-one (21) days prior to his or her return. In the case of a leave without salary exceeding fifty-two (52) weeks, the notice shall be submitted at least thirty (30) days in advance.

**5-13.35**

On returning to the Board from a leave without salary or a part-time leave without salary, the professional shall be reinstated in his or her position. **5-13.36 Leaves for parental responsibilities**

- A) A leave without salary or a part-time leave without salary for a maximum of one (1) year shall be granted to a professional whose minor child experiences socioemotional problems or whose minor child is handicapped or ill and who requires her or his care. The Board and the professional shall agree on when the leave may be taken. Failing agreement, the Board shall determine the terms and conditions of the leave. If the professional is not satisfied with the terms and conditions determined by the Board, he or she may renounce such a leave.
- B) Subject to the other provisions of the agreement, the professional may be absent from work for a maximum of six (6) days per school year, in cases where his or her presence is required, to fulfill obligations relating to the health, safety or education of his or her child or spouses child.

The days thus used shall be deducted from the professional's annual bank of sick-leave days and, failing which, the absences shall not be remunerated. The leave may also be taken in half-days.

**Section 5** Miscellaneous provisions**5-13.37** Premium for regional disparities

The professional who is entitled to a premium for regional disparities under this agreement shall receive the premium during her maternity leave prescribed in section 2.

Notwithstanding the foregoing, the total amount received by the professional in Employment Insurance benefits, allowances and premiums cannot exceed ninety-five percent (95%) of the amount that constitutes her basic weekly salary and the premium for regional disparities.

**5-13.39**

If it is established before an arbitrator that a regular professional who has not completed the probation period prescribed in clause 5-3.02 benefited from a maternity leave or a leave without salary or part-time leave without salary to extend a maternity leave and that the Board nonreengaged her, the latter must prove that it terminated her employment for reasons other than her having benefited from the maternity leave or the leave without salary or part-time leave without salary.

**5-13.40** Employment Insurance Benefit Plan

The Government agrees to ensure that as of the coming into force of this collective agreement the professional shall receive during her maternity leave the allowances or parts of allowances payable by the Board under section 2 regardless of the amendments to the conditions for eligibility to Employment Insurance that may arise following the coming into force, though subject to the fact that all of these shall be in accordance with the Employment Insurance Plan.

Moreover, the parties shall meet to discuss issues that may be problematic in one or the other of the following cases:

- i) should HRSDC have additional requirements at the time of the final and written authorization allowing the plan to be registered as Employment Insurance benefits;
- ii) should HRSDC subsequently amend its requirements during the course of the collective agreement.

It is understood that such discussions shall not constitute a reopening of the collective agreement.

**5-13.41**

Should any amendments be brought to the QPIP, to the *Employment Insurance Act* (S.C. 1996, c. 23) or to the *Act respecting Labour Standards* (R.S.Q., c. N-1.1) with respect to parental rights, it is agreed that the parties shall meet to discuss the possible impact of these amendments on the current parental rights plan.

**5-13.42**

A2 6-2.00 PROVISIONS CONCERNING REMUNERATION

6-2.01 Increase in salary rates and scales

The salary rates and scales applicable to professional shall be increased by 2% on April 1 of each of the years 2006, 2007, 2008 and 2009, as a result of the application of Appendix 1 of the *Act respecting conditions of employment in the public sector* (S.Q., 2005, c. 43). These salaries and scales are provided in article 6-1.00. Moreover the rates and scales of Appendix M include the amendments brought to the agreement respecting pay equity.

6-2.02 Overscale professionals

- A) The professional whose salary rate, on the day preceding the date on which the salary rates and scales are increased, is higher than the maximum step of the salary scale in effect for his or her employment group shall receive, on the date on which the salary rates and scales are increased, a minimum rate of increase equal to half of the percentage increase applicable on April 1 of the period concerned in relation to the preceding March 31, to the step situated at the maximum step of the scale of the preceding March 31 corresponding to his or her employment group.
- B) If the application of the minimum rate of increase determined in paragraph A) of this clause has the effect of placing, on April 1, a professional who was overscale on March 31 at a salary which is lower than the maximum step of the salary scale corresponding to his or her employment group, the minimum rate of increase shall be brought to the percentage necessary to allow the professional to reach the level of that step.
- C) The difference between, on the one hand, the percentage increase of the maximum step of the salary scale corresponding to the professional's employment group and, on the other hand, the minimum rate of increase determined under paragraphs A) and B) of this clause shall be paid to him or her as a lump sum calculated on the basis of his or her salary rate on March 31.

- D) The lump sum shall be spread and paid over each pay period in proportion to the regular hours paid for the pay period.
- E) For the overscale professional in one of the employment groups concerned in Appendix M regarding pay equity, paragraphs 6 and 7 of section I of this Appendix shall apply.

#### **6-2.03 Professional coordination premium**

- A) The professional who, at the specific request of the Board, assumes responsibility to coordinate and supervise a team of at least four (4) professionals shall receive a premium equal to five percent (5%) of his or her salary rate.

The responsibility shall include, in particular, the distribution of the work and control over the quality of the work of the professionals on his or her team.

- B) This premium shall be calculated on the basis of the salary rate applicable to this professional and shall be paid to him or her for the period during which he or she assumes this responsibility.

#### **6-3.00 RECOGNITION OF EXPERIENCE UPON ENGAGEMENT**

##### **6-3.01**

The professional who has one or more years of experience deemed directly relevant to the performance of his or her function shall be placed in the step corresponding to his or her years of experience, taking into account the time spent in a step established in article 6-10.00.

Moreover, the professional may not accumulate more than one (1) year of experience during a twelve (12)-month period.

##### **6-3.02**

For the purpose of this article only, the employment group of guidance counsellor or counsellor in academic training and that of psychologist or counsellor in reeducation shall have the following recognized as one year of directly pertinent experience: each year of experience as a guidance counsellor or counsellor in academic training or as a psychologist or counsellor in reeducation; each year of teaching in a recognized institution; each year spent in a senior staff position of a pedagogical nature.

When a given employment group requires specific pedagogical experience at the time of posting or during selection, the years of teaching complying with such a requirement shall be automatically recognized as directly pertinent experience for placement purposes.

##### **6-3.03**

For the purpose of this article, one year of experience shall consist of twelve (12) months of work on a full-time basis or the equivalent, including the annual vacation periods, except for the years of experience in teaching for which each year (or the equivalent) of teaching, regardless of the level, shall be equivalent to twelve (12) months of work.

If the division of the number of months of work by twelve (12) results in a remainder equal to or greater than nine (9) months, the remainder shall correspond to one (1) year of experience.

If the division results in a remainder equal to or greater than four (4) months but less than nine (9) months, the remainder shall correspond to one half year of experience for the professional in steps 1 to 8.

##### **6-3.04**

The professional in service on the date of the coming into force of this agreement or the professional who will subsequently be engaged, who does not meet the minimum academic qualifications prescribed in the Classification Plan, shall be deemed to meet the qualifications for the purpose of applying this agreement, with the exception of article 6-4.00.

**6-4.00** RECOGNITION OF SCHOOLING**6-4.01**

One (1) year of university studies (or its equivalent, thirty (30) credits) at the bachelor's level successfully completed in a discipline deemed directly relevant to the performance of the duties of the professional shall be equivalent to one (1) year of pertinent experience.

In order to benefit from the provisions of this clause, a professional must already have a bachelor's degree according to the system currently in effect in the universities of Québec or, if the degree was obtained in a Québec university, according to the system in effect at that university when the degree was obtained.

**6-4.02**

Moreover, one (1) year of university studies (or its equivalent, thirty (30) credits) at the master's or doctoral level according to the system currently in effect in the universities of Québec or, if the studies were pursued in a Québec university, according to the system in effect at that university at that time, successfully completed in a discipline deemed directly relevant to the performance of the duties of the professional shall be equivalent to one (1) year of pertinent experience.

However, in the case of a master's degree of forty-five (45) credits or more but less than sixty (60) credits according to the system currently in effect in the universities of Québec or, if the studies were pursued in a Québec university, according to the system in effect at that university at that time, successfully completed in a discipline deemed directly relevant to the performance of the duties of the professional shall be equivalent to one and a half (1 1/2) years of pertinent experience.

A maximum of three (3) years of schooling may be counted for the purposes of experience under this clause.

**6-4.03**

Only the number of years normally required by the university awarding the diploma to complete the studies on a full-time basis shall be counted.

**6-4.04**

The application of the provisions of this article cannot result in a step that is lower than the one assigned to the regular professional under the provisions in effect prior to the signing of this agreement.

**6-5.00** PLACEMENT OF THE PROFESSIONAL UPON ENGAGEMENT**6-5.01**

The step in which a professional is placed shall be determined by the Board on the date of his or her engagement by taking into account his or her qualifications and experience, subject to the provisions of articles 6-3.00 and 6-4.00.

**6-5.02**

The professional without experience deemed directly relevant to the performance of his or her duties shall be placed at the first step, subject to the provisions of article 6-4.00.

**6-5.03**

Notwithstanding clause 6-5.01, no experience may be recognized for placement purposes for the period between January 1, 1983 and December 31, 1983.

**6-6.00 PLACEMENT OF THE PROFESSIONAL IN THE EVENT OF A TRANSFER****6-6.01**

The transferred professional shall be placed in his or her new salary scale as if he or she were newly engaged according to the rules provided in article 6-5.00.

However, if a transfer occurs after January 1 of one year and results in a decrease in salary, the professional shall maintain the salary applicable on January 1 until the following December 31.

**6-7.00 PLACEMENT ON THE DATE OF THE COMING INTO FORCE OF THIS AGREEMENT****6-7.01**

The professional in the employ of the Board on the date of the signing of this agreement shall be placed at the same step in the new salary scale prescribed in this agreement.

**6-8.00 CLASSIFICATION****6-8.01**

The professional shall remain classified in the employment group in which he or she was on the date of the coming into force of this agreement.

**6-8.02**

The professional who is engaged after the date of the coming into force of this agreement shall be classified in one of the employment groups prescribed in the Classification Plan, taking into account the duties which the Board assigns to him or her.

The professional may contest by grievance the employment group to which the Board has assigned him or her. The arbitrator to whom such a grievance has been referred shall be responsible for deciding in which employment group the professional must be classified, taking into account the function assigned to him or her.

**6-8.03**

Notwithstanding clause 6-8.01, the professional whose duties have been changed may lodge a grievance if he or she believes that such a change involves a transfer to another employment group with a higher salary scale. Such a grievance is comparable to a continuous grievance and shall have no retroactive effect prior to the date on which the grievance was filed.

The arbitrator to whom such a grievance is referred shall have the power to rule on the classification and on the monetary compensation to be paid.

If the arbitrator decides that the duties normally assigned to the professional belong to an employment group other than the one in which the Board classified the professional, the Board may:

- a) reclassify the professional in the employment group decided by the arbitrator,  
or
- b) maintain the professional in the employment group which he or she has contested and change the description of the position to comply with the employment group.

**6-8.04**

The Board may assign to a professional the duties of two (2) employment groups. In this case, the professional shall be classified in the employment group to which he or she is assigned for more than half of his or her time.

If the time is equally divided between the two (2) employment groups, the professional shall be classified in the employment group with the higher salary scale.

**6-9.00 ADDITION OF NEW EMPLOYMENT GROUPS TO THE CLASSIFICATION PLAN DURING THIS AGREEMENT**

**6-9.01**

Subject to the other clauses of this article, the Classification Plan may only be changed following an agreement between the parties at the provincial level for the duration of this agreement.

**6-9.02**

The management group at the provincial level may add an employment group to the Classification Plan but it must first consult the union group at the provincial level.

**6-9.03**

The parties at the provincial level shall agree to discuss, within thirty (30) days of the request of one of the parties, the salary scales of the employment groups which will be added to the Classification Plan during this agreement.

**6-9.04**

Should the parties at the provincial level fail to agree on the salary scales at the end of the thirty (30) days prescribed in the preceding clause, one of the parties may, within forty-five (45) days of the disagreement, submit it directly to arbitration as prescribed in article 9-2.00. The arbitrator to whom the disagreement is referred shall determine the salary scales on the basis of those prescribed in this agreement or in the public sector for employment groups of a similar nature. The disagreement shall be given priority when preparing the arbitration roll.

**6-10.00 ADVANCEMENT IN STEP**

**6-10.01**

The normal duration in one step shall be one year, but it shall be only six (6) months in the case of the first eight (8) steps.

**6-10.02**

The advancement in step shall be granted on July 1 or January 1, provided that the professional has completed, in this capacity, a continuous period of at least nine (9) full months in the case of an annual advancement or of at least four (4) full months in the case of a semiannual advancement since his or her last advancement in step or since his or her entry into service as a professional.

For the purpose of applying this clause, any period during which the professional receives his or her salary, any period during which he or she is on leave for educational purposes, any period during which he or she is on a parental leave prescribed in clauses 5-13.05, 5-13.08, 5-13.20 and 5-13.24 A), as well as absences for disability for which the total duration does not exceed three (3) months per school year shall be considered as a work period.

**6-10.03**

In addition to these requirements, the advancement in step cannot be refused except in the case of unsatisfactory performance. In this case, the Board shall give the professional its reasons for the refusal in writing.

Following such a refusal, a grievance may be lodged against the Board.

**6-10.04**

The Board may grant an accelerated advancement of one (1) step on the date of the regular advancement in step to a professional for exceptional performance during the period of reference preceding the date of advancement in step.

No grievance may be lodged against the Board as a result of the application of this clause.

**6-10.05**

On the date of his or her regular advancement in step, the professional shall benefit, where applicable, from an additional advancement in step under article 6-4.00 of this agreement.

However, in applying the provisions of the second paragraph of clause 6-4.02, the professional who, in the case of an annual advancement in step, is entitled to have a half (1/2) year of experience recognized as a result of the fact that he or she has successfully completed his or her master's degree on the date of his or her regular advancement in step, shall be granted an advancement in step on July 1 or January 1 immediately following the date of his or her regular advancement in step. This paragraph shall have the effect of modifying the date of the professional's regular advancement in step.

**6-11.00 PAYMENT OF SALARY****6-11.01**

The total salary of a professional shall be paid by cheque sent to his or her place of work, under individual cover, every second Thursday.

The Board and the professional may also agree on a method of payment such as credit transfer or direct deposit.

**6-11.02**

Should a Thursday not be a working day, the payments shall be remitted to the professional on the last working day preceding the Thursday.

**6-11.03**

The amounts payable to a professional during his or her vacation shall be remitted before his or her departure on vacation as long as the professional also requests at least two (2) weeks prior to his or her departure.

**6-11.04**

The professional who leaves the service of the Board before the end of the school year for whatever reason shall receive, upon his or her departure, the amounts which are owing to him or her and the accumulated days of vacation due; for calculation purposes, each day thus paid shall be equal to one two hundred and sixtieth decimal nine (1/260.9) of the salary prescribed in article 6-1.00 for his or her classification and placement.

**6-11.05**

The cheque stub must contain the following information:

- a) surname and given name of the professional;
- b) date and pay period;
- c) salary for regular working hours;
- d) overtime;
- e) details of deductions;
- f) **net pay**;
- g) cumulative total of each of the preceding elements if the pay system of the Board permits.

**6-11.06**

The Board shall give the professional, within fifteen (15) days of his or her departure, a signed statement indicating the amounts of salary owing, provided that the professional has given the Board prior notice of his or her departure.

The Board shall give or send the professional his or her paycheque in the pay period following his or her departure. The fringe benefits redeemable under this agreement shall be paid to the professional no later than forty-five (45) days after his or her departure.

**6-11.07**

Upon prior request, the Board shall, within fifteen (15) days of his or her departure, give the professional a written attestation of the duration of service with the Board.

**6-11.08**

If the Board overpays a professional, the latter shall be consulted before any decision is made regarding the method of reimbursement. Failing agreement, the Board shall determine the terms of reimbursement according to which the professional should not be required to reimburse more than ten percent (10%) of his or her gross salary per pay period. However, the maximum per pay period may be exceeded so as to ensure that the total amount owed will be reimbursed over a twelve (12)-month period as of the first payment. The same terms and conditions shall also apply to benefits or indemnities overpaid to a professional by the Board under the agreement.

However, in the event of the definitive departure of the professional, the Board shall be entitled to recover the total amount concerned from the amounts due to the professional.

**6-11.09**

A professional who leaves the employment of the Board shall retain, after his or her departure, the right to contest by means of a grievance, according to the procedure prescribed in Chapter 9-0.00, the application by the Board of clauses 6-11.04 and 6-11.06.

## CHAPTER 7-0.00

## FRINGE BENEFITS RELATED TO WORKING CONDITIONS

**7-1.00 SENIORITY****7-1.01**

The professional in the employ of the Board on the date of signing of this collective agreement shall retain the seniority already acquired on that date.

**A I 7-1.02**

Seniority shall be the period of employment, in years, months and days, at the Board, either as a professional or in another capacity.

**7-1.03**

A professional shall lose his or her seniority for the following reasons:

- a) resignation;
- b) dismissal;
- c) nonreengagement or failure to be recalled to a position during a period exceeding twenty-four (24) months.

The professional shall maintain accumulated seniority when he or she is nonreengaged or not recalled for a period not exceeding twenty-four (24) months.

**7-1.04**

Before October 31 of each year, the Board shall establish the seniority of professionals covered by this agreement, as accumulated on the preceding June 30, and shall forward a list to the union delegate and to the Union. It shall post the list or shall forward it to the professional within the same time limits.

**7-1.05**

The Union or the professional can contest by grievance a professional's seniority only within a time limit of thirty (30) days of the posting of the seniority list or receipt of the list by the professional.

**7-1.06**

The alienation, total or partial concession, division, amalgamation or change in the legal structure of the Board shall not affect the seniority of a professional in the employ of a board or boards affected by the alienation, total or partial concession, division, amalgamation or change in the legal structure; the seniority of the professional shall be the same as that he or she would have had had the change not occurred.

**7-1.07**

The seniority of a professional whose workweek includes fewer hours than that prescribed in article 8-1.00 shall be calculated in proportion to the number of regular hours prescribed in his or her schedule in relation to that of the regular workweek prescribed in article 8-1.00.

**7-1.08**

Notwithstanding the provisions of clause 7-1.03, a professional who so requests the Board within one hundred and eighty (180) days of her engagement shall have the seniority accumulated as a teacher prior to her obligation to resign because of marriage or maternity or prior to her dismissal by the Board for the same reasons under a regulation or written policy of the Board to this effect.

Within thirty (30) days of the request, the Board shall inform the professional and the Union of the seniority it recognizes for her under the preceding paragraph; the Union can only contest the seniority within thirty (30) days of the receipt of the notice.

#### **7-2.00 LEAVE FOR EDUCATION-RELATED ACTIVITIES**

##### **7-2.01**

A professional who is invited to give a lecture on an educational subject or to take part in study sessions (seminars, committees, conferences, pedagogical information days) may take a leave of absence if he or she receives prior approval from the Board.

The leave of absence shall be with pay, unless the professional is remunerated for his or her participation by another organization in which case the professional shall remit to the Board the salary received for his or her participation up to his or her regular pay for the period of the leave.

##### **7-2.02**

If he or she receives the prior written authorization of the Board, the professional who wishes to practise his or her profession in an academic or governmental body (Québec, Canadian or foreign) or as provided for under the James Bay and Northern Québec Agreement may benefit from a leave without salary under article 7-3.00 for a maximum period of two (2) years.

#### **7-3.00 LEAVES OF ABSENCE WITHOUT SALARY**

##### **7-3.01**

The Board may grant a professional a leave without salary for reasons it deems valid. The duration of the leave shall be agreed to by the professional and the Board.

The Board may also grant a professional who has acquired his or her tenure under article 5-6.00 a part-time leave of absence without salary for a specific period for reasons it deems valid. The provisions of this article shall apply, with the necessary changes, to the professional who benefits from such a leave.

If the Board decides to replace a professional on a part-time leave of absence without salary, it shall offer the hours to another professional already in its employ, provided that the other professional is in the same employment group or, where applicable, the same sector of activities and that the Education Committee of the locality of Nunavik concerned recommends the assignment. In keeping with the needs to be filled, the hours thus offered must be compatible with the working hours of the professional who carries out the replacement, must not exceed the number of hours prescribed in article 8-1.00, and may not constitute continuous service for the purpose of acquiring tenure within the meaning of clause 5-6.02.

##### **7-3.02**

Notwithstanding the first paragraph of clause 7-3.01, the regular professional shall be entitled, after having completed at least seven (7) years of continuous service, to a leave without salary for the total number of hours of his or her regular work week for one school year or for any other additional period of twelve (12) months agreed to by the professional and the Board. The professional concerned must give the Board a written notice of at least sixty (60) days before the beginning of the school year or the twelve (12)-month period during which he or she intends to benefit from such a leave.

Moreover, notwithstanding the first paragraph of clause 7-3.01, the Board shall grant a leave of absence without salary for a period not exceeding twelve (12) months to the professional whose spouse's place of work changes temporarily or permanently thus obliging him or her to change localities. The professional concerned must give the Board a written notice of at least sixty (60) days before the beginning of the school year during which he or she intends to benefit from such a leave.

**A I 7-3.03**

The Board shall grant the professional a leave of absence without salary for a period that may last up to the end of the school year, when the request for the leave of absence states the projected date of his or her departure and if:

- a) the death of his or her spouse or his or her dependent child occurred within thirty (30) days preceding the request;  
or
- b) his or her spouse or his or her dependent child is suffering from a serious illness which must be established as such by a medical certificate;  
or
- c) the request for a leave of absence is for reasons of divorce or legal separation. The professional must provide, at the Board's request, any required supporting documents of a legal nature.

**7-3.04**

If the professional has used up the salary insurance or work accident benefits prescribed in clause 5-10.30 or in article 5-12.00 and then, in clause 5-10.44, the professional on disability leave shall be granted a leave of absence without salary for the remainder of the school year in progress.

**7-3.05**

The professional who is on a leave without salary shall maintain, during his or her absence, his or her tenure and the years of experience recognized upon his or her departure.

**7-3.06**

Moreover, the professional on a leave without salary shall be entitled:

- a) to apply for positions for which he or she is eligible;
- b) to participate in the group insurance plan prescribed in this agreement, provided that he or she pay in advance the total premiums due including the Board's share.

**7-3.07**

If the professional resigns during or at the end of the leave without salary, he or she shall reimburse any amount paid by the Board for and in the name of the professional.

**7-3.08**

As of his or her appointment, every arbitrator shall take an oath or shall pledge on his or her honour before the chief arbitrator, for the life of this agreement, to render his or her decisions in conformity with the law, the provisions of the collective agreement and according to equity and good conscience. Subsequently, the arbitrator shall receive, at the beginning of each arbitration, the same oaths or pledges on their honour from the two (2) assessors appointed to assist him or her and to carry out their duties in conformity with the law, the provisions of the agreement, equity and good conscience.

**9-2.06**

After recording the notice of arbitration mentioned in clause 9-2.02, the records office shall immediately acknowledge receipt of the notice to the Union. A copy of the acknowledgement, the notice of grievance and the notice of arbitration shall be sent without delay to the Board, the Fédération, the Ministère, the FPPE and the Centrale.

**9-2.07**

The chief arbitrator, in his or her absence, the chief records clerk, under the authority of the chief arbitrator, shall:

- a) prepare the monthly arbitration roll in the presence of representatives of the parties at the provincial level;
- b) appoint an arbitrator from the list mentioned in clause 9-2.03;
- c) set the time, date and place of the first arbitration session;
- d) refer all grievances to an arbitrator or an arbitrator assisted by assessors under clause 9-2.03.

The records office shall notify the arbitrators, the assessors, the parties concerned, the Fédération, the Ministère, the FPPE and the Centrale.

**9-2.08**

If need be, the Centrale shall inform the records office of the name of a union assessor of its choice and the Fédération and the Ministère shall inform it of the name of a management assessor of their choice within thirty (30) clear days of entering the case on the arbitration roll.

**9-2.09**

Subsequently, the arbitrator shall set the time, date and place of the subsequent sessions, where applicable, and shall so inform the records office; the records office shall notify the assessors, the parties concerned, the Fédération, the Ministère, the FPPE and the Centrale. The arbitrator shall also set the time, date and place of the deliberation sessions and shall so inform the assessors.

**9-2.10**

An arbitrator or an assessor shall be replaced according to the procedure established for the original appointment.

**9-2.11**

If an assessor has not been designated in conformity with the original appointment procedure or if the position of assessor is vacant and is not filled before the date set for the hearing, the arbitrator shall appoint him or her, ex officio, on the day of the hearing.

**9-2.12**

The arbitrator shall proceed with diligence in the investigation of the grievance according to the procedure and evidence that he or she may deem appropriate.

**9-2.13**

At any time before the first deliberation session or within fifteen (15) days after the end of the hearing, if it involves a grievance heard by a single arbitrator, the Fédération, the Ministère and the Centrale may individually or collectively intervene and make any representation that they deem appropriate or pertinent to the arbitrator.

However, if one of the aforementioned parties wishes to intervene, it must so inform the other parties of its intention and of the subject of the intervention.

**9-2.14**

The arbitration sessions shall be public. The arbitrator may, however, on his or her own initiative or at the request of one of the parties, order the session to be held in camera.

**9-2.16**

Except in the case of written arguments where the Board and the Union may agree to exceed the time limit, the arbitrator must render his or her decision within forty-five (45) days of the end of the hearing. However, the decision shall not be null for the sole reason that it was rendered after the expiry of the time limit.

The chief arbitrator may not assign another grievance to an arbitrator who has not rendered a decision within the time limit allotted as long as the decision has not been rendered.

The arbitration decision shall be final, executory and shall bind the parties.

If the decision grants a time limit in which to fulfill an obligation, the time limit shall begin as of the date on which the decision was sent by the records office, unless the arbitrator decides otherwise in the terms of the decision.

#### **9-2.19**

An arbitrator may not, by his or her decision regarding a grievance, modify, subtract from, or add to this agreement.

#### **9-2.20**

The arbitrator, eventually called upon to decide whether or not a grievance is well-founded, shall have the authority to uphold it or to reject it, in whole or in part, and to determine the compensation that he or she deems equitable for the **loss** suffered by the professional because of the Board's error in interpreting or applying the collective agreement.

The arbitrator to whom a grievance has been referred to contest the dismissal of a professional may annul the decision of the Board if the procedure has not been followed or if the reasons for the dismissal are not well-founded or do not constitute sufficient grounds, order that the professional concerned be reinstated in his or her duties and determine, if need be, the amount of the compensation to which he or she is entitled. The arbitrator may also change the decision for one which he or she feels is fair and reasonable, taking into account all the circumstances surrounding the event.

The arbitrator to whom a grievance has been referred to contest the nonreengagement of a regular professional may annul the decision of the Board if the procedure prescribed has not been followed or if the reasons for the nonreengagement are not well-founded or do not constitute sufficient grounds, order that the professional concerned be reinstated in his or her duties and determine, if need be, the compensation to which he or she is entitled.

The first paragraph of this clause shall apply to the grievance for nonreengagement because of surplus of a regular professional if the procedure prescribed in section 1 of article 5-5.00 has been followed in its entirety and if the sole reason invoked by the Board in support of the nonreengagement is the surplus of personnel. In these cases, the jurisdiction of the arbitrator shall include the power to order that the professional be reinstated in his or her duties.

The arbitrator to whom a grievance has been referred to contest a disciplinary measure may take the social and moral values of the Inuit community into consideration.

#### **9-2.21**

The chief arbitrator shall choose the chief records clerk.

### **A1 9-2.22**

If a grievance is partially accepted, the arbitrator shall determine the cost shares that each party must pay.

B) Paragraph A) shall only apply to any grievance submitted as of as of February 1, 2006. Any grievance submitted prior to that date shall continue to be covered by clause 9-2.22 of the 2000-2003 collective agreement.

C) The Board and the Union may agree in writing that grievances shall be submitted to the arbitration mediation procedure prescribed in Appendix L. In this case the expenses and fees of the arbitrator shall be borne and shared according to the following proportion: fifty percent (50%) by the Board and fifty percent (50%) by the Union.

Failing a written agreement according to the above paragraph, grievances shall be submitted to the procedure described in article 9-2.00.

- D) The expenses of the records office and the salaries of its staff shall be borne by the Ministère.
- E) The arbitration hearings and deliberations shall be held on premises provided free of rental cost.

#### **9-2.23**

The assessors shall be remunerated and reimbursed for their expenses by the party they represent.

#### **9-2.24**

If one party requests the services of an official stenographer, the expenses and fees shall be the responsibility of the party which requested them.

If the official stenographic notes are transcribed, a copy shall be forwarded free of charge by the stenographer to the arbitrator and to the assessors, if any, before the beginning of the deliberations.

#### **9-2.25**

The arbitrator shall convey or otherwise serve any order or document issued by him or her or by the parties involved. At the request of a party, the arbitrator may assign a witness under section 100.6 of the Labour Code (R.S.Q., c. C-27).

### **9-3.00 GENERAL PROVISIONS**

#### **9-3.01**

The time limits prescribed in this chapter in which to lodge a grievance and to submit it to arbitration shall be compulsory, unless there is a written agreement for an extension between the Board and the Union.

The date on the post office receipt for documents sent by registered mail or the date on the post office receipt for documents received by registered mail, courier, fax or delivered by hand shall constitute prima facie proof for calculating the time limits prescribed in articles 9-1.00 and 9-2.00.

#### **9-3.02**

A technical error in the formulation of a grievance shall have no effect on the validity of the grievance. Similarly, an error of form in the written response to a grievance cannot be invoked against the Board.

#### **9-3.03**

The Board and the Union may agree in writing to waive the time limits prescribed in article 9-1.00 when a grievance has already been discussed by the parties.

### **9-4.00 DISAGREEMENTS**

#### **9-4.01**

The Board and the Union agree to meet from time to time at the request of either party to find solutions to disagreements.

In this respect, either one of the parties may request a meeting, which meeting must take place within fifteen (15) days of the receipt of the request.

**9-4.02**

The solutions adopted by the local parties cannot at any time have the effect of subtracting from or modifying a provision of this agreement. The solutions adopted cannot add one or more provisions to this agreement.

**9-4.03**

The Management Committee and the Centrale agree to meet from time to time to discuss any question dealing with the working conditions of professionals of the Board in order to find appropriate solutions. However, any solution thus accepted shall apply only with the written consent of the Board and the Union.

In this respect, either one of the parties at the provincial level may request a meeting within fifteen (15) days of the receipt of the request.

**9-4.04**

The provisions of this article must not be interpreted as constituting a dispute as defined in the Labour Code (R.S.Q., c. C-27).

However, for the purpose of this chapter, the income earned from a job by the professional's spouse shall not nullify the latter's status as dependent. The fact that a child attends a secondary school declared to be of public interest situated elsewhere than in the professional's place of residence shall not nullify his or her status as dependent if no public secondary school is accessible where the professional lives.

Moreover, the fact that a child attends preschool or elementary school, recognized of public interest, in a locality other than the professional's place of residence shall not remove his or her status of dependent when no school recognized of public interest, preschool or elementary, as the case may be, is accessible in the child's language of instruction (French or English) in the locality where the professional lives.

A child aged twenty-five (25) years or less shall also be considered as having the status of dependent, providing he or she meets the three (3) following conditions':

- 3) the professional has provided the supporting documents attesting to the fact that the child is a full-time student attending a postsecondary education program i.e. proof of registration at the start of the session and proof of attendance at the end of the session;

This recognition allows the employee to maintain his or her level of premiums with dependent as provided in clause 10-2.01 and the child to benefit from the provisions of article 10-4.00 with the understanding that transportation costs, allowed to the dependent child and arising from other programs, shall be deducted from the benefits related to outings for this dependent child'.

In addition, the child aged twenty-five (25) years or less who is no longer considered dependent for the purposes of this clause and who attends, on a full-time basis, a postsecondary school recognized as public interest can once again be given the status of dependent providing he or she meets the conditions 1) and 3) provided above'.

## APPENDIX D LEAVE WITH DEFERRED SALARY

**Article 1** The tenured professional who so requests may benefit from a leave with deferred salary for a duration of six (6) months or of twelve (12) months. The leave shall be taken during the last year of the contract.

The granting of such a leave shall be the exclusive responsibility of the Board; however, in the case of refusal, if the professional also requests, the Board shall provide him or her with the reasons for its refusal. The professional may not, however, contest the reasons of the Board.

**Article 2** The leave shall be subject to the provisions of this appendix and must terminate upon the expiry of the contract.

**Article 3** The purpose of the leave is not to provide for the payment of benefits at the time of retirement nor the deferral of income tax. Moreover, during the year of the leave, the professional cannot receive any remuneration from the Board or from another person or company with which the Board has ties other than the amount corresponding to the percentage of his or her salary for the duration of the contract.

**Article 4** The Board and the professional may agree in writing on a contract for a duration of two (2), three (3), four (4) or five (5) years.

**Article 5** If, for a reason stipulated in the contract or agreed between the Board and the professional, the leave is postponed, it must start no later than six (6) years from the date on which the salary began to be deferred.

**Article 6** The leave with deferred salary for a duration of twelve (12) months must coincide with a school year and that of a duration of six (6) months must coincide with a period beginning on July 1 and ending December 31 or a period beginning on January 1 and ending June 30. However, the Board and the professional may stipulate in the contract a leave of a duration of six (6) or twelve (12) continuous months taken at a time other than that prescribed in this paragraph. The duration of the leave with deferred salary must be at least six (6) consecutive months and cannot be interrupted under any circumstances.

**Article 7** For the duration of the contract, except during the period of the leave, the professional's workload shall remain the same as that required before the beginning of the contract.

**Article 8** Upon his or her return, the professional shall be reinstated in the position he or she held at the time of his or her departure on a leave or another position to which he or she is reassigned or transferred, the foregoing subject to the other provisions of this agreement.

The professional must be reinstated in his or her position after the leave for a duration equal to the leave but he or she need not be reinstated immediately after the leave.

**Article 9** The contract concluded between the professional and the Board shall remain in force for the duration stipulated therein and shall remain subject to the arbitration procedure prescribed in Chapter 9-0.00, notwithstanding the expiry of this agreement.

**Article 10** The contract must comply with the form provided hereinafter, which shall be part of this appendix.

**Article 11** Should the provisions be incompatible with the other provisions of the agreement, the provisions of this appendix shall prevail.

  - sick-leave days under paragraph A) of clause 5-10.40, redeemed, where applicable, according to the percentage of the salary to which he or she is entitled under section III herein;
  - accumulation of seniority;

For each year of the contract during which the professional is at work, vacation shall be remunerated at the percentage of salary prescribed in section III.

For the twelve (12)-month leave, the year of the leave shall include the annual vacation to which the professional is entitled and, for the six (6)-month leave, the period of leave shall include half the annual vacation to which the professional is entitled.

the Board shall reimburse the professional, for the term of the contract, an amount equal to the difference between the salary to which he or she would have been entitled under the applicable agreement had he or she not signed the contract and the salary received under this contract without interest.

#### **VI** Dismissal of the professional

In the event of the dismissal of the professional or the cancellation of the professional's engagement following a breach of contract, this contract shall expire on the effective date of the dismissal or cancellation of engagement. The conditions prescribed in section V shall then apply.

#### **VII** Leave without salary

In this case, this contract shall be extended accordingly. However, the leave with deferred salary cannot extend beyond a maximum six (6) year-period following the date on which the amounts began to be deferred.

#### **X** Death of the professional

In the event of the professional's death during the term of this contract, the contract shall expire on the date of the professional's death and the conditions prescribed in section V shall then apply.

## XI Disability

## A) Disability develops during the leave with deferred salary:

The leave with deferred salary cannot be interrupted. For the purposes of applying the provisions of clause 5-10.30, disability shall be considered as beginning on the date the professional returns to work and not during the leave.

However, the professional shall be entitled, during his or her leave, to the salary based on the percentage determined in the contract.

Should the professional still be disabled at the end of the leave, he or she shall be entitled to the salary insurance benefit under clause 5-10.30, based on his or her regular salary.

## B) Disability develops before the leave is taken and still exists at the time the leave is supposed to take place:

In this case, the professional concerned shall choose:

1° to continue to participate in the contract and defer the leave until such time as he or she is no longer disabled. The professional shall then receive his or her salary insurance benefit, under clause 5-10.30, based on the salary determined in the contract.

In the event that the disability still exists during the last year of the contract, the contract may then be interrupted as of the beginning of the last year until the end of the disability. During the interruption, the professional shall be entitled to the salary insurance benefit, under clause 5-10.30, based on his or her regular salary.

However, the leave with deferred salary cannot extend beyond a maximum six (6)-year period following the date on which the amounts began to be deferred;

2° to terminate the contract. The conditions prescribed in section V shall then apply. The salary insurance benefit, under clause 5-10.30, shall be based on his or her regular salary.

## C) Disability lasts for more than two (2) years:

The leave with deferred salary cannot be interrupted for the maternity leave or the leave for adoption.

## B) The leave takes place before and terminates before the leave.

The contract shall be interrupted for the duration of the maternity leave or the leave for adoption and shall be extended accordingly following its termination. During the interruption, the provisions of the collective agreement concerning maternity leaves or leaves for adoption shall apply.

## C) The leave takes place before the leave with deferred salary and is still taking place at the beginning of the leave.

In this case, the professional shall choose:

a) to defer the leave with deferred salary to another school year or to another time agreed to with the Board. However, the leave with deferred salary cannot extend beyond a maximum six (6)-year period following the date on which the amounts began to be deferred;

## AI APPENDIX J

**EMPLOYMENT AND CONDITIONS OF EMPLOYMENT OF  
PROFESSIONALS OF THE KATIVIK SCHOOL BOARD**

As part of its participation in the work involved in the implementation of self government in Nunavik, the Kativik School Board undertakes to promote and support the transfer of all the professionals in its employ into the new institution as well as the full maintenance of their conditions of employment.

## AI APPENDIX K

**LETTER OF AGREEMENT CONCERNING THE PROVINCIAL  
GRIEVANCE AND ARBITRATION COMMITTEE**

The parties undertake to meet, where applicable, to discuss the final recommendations of the Provincial Grievance and Arbitration Committee and their possible impact on professionals of the Kativik School Board.

**AI APPENDIX L ARBITRATION OF GRIEVANCES**

In order to improve the effectiveness of the arbitration system, to reduce costs and to enable the local parties to assume greater responsibility for grievance arbitration files, the parties agree, while complying with the current arbitration procedures prescribed in the agreement, to implement two (2) new methods for settling grievances, namely: prearbitration mediation and accelerated arbitration of a "small claims" nature.

**I- PREARBITRATION MEDIATION**

The Board and the Union may agree to seek prearbitration mediation in dealing with certain grievances. To do so, the parties shall forward a joint notice to the records office, specifying, where applicable, the name of the mediator chosen from the list provided in clause 9-2.03.

Only an employee of the Board and an employee or an elected member of the Union may represent the parties.

The mediator shall attempt to help the parties reach a settlement. If a settlement is reached, the mediator shall take note thereof, draft it and file a copy at the records office. The settlement shall bind the parties.

The records office shall file two (2) certified copies at the office of the Minister of Labour.

The procedure shall apply for every group of grievances agreed to by the Board and the Union.

In the event that a number of grievances included in the prearbitration mediation process are unresolved, those remaining shall be dealt with according to the arbitration procedure prescribed in this agreement.

The mediator cannot act as an arbitrator in any grievance not settled in the prearbitration mediation process, unless otherwise agreed, in writing, by the parties prior to mediation.

The fees and expenses of the arbitrator mandated to act as a mediator shall be borne in equal shares by the parties.

**II- ACCELERATED ARBITRATION PROCEDURE OF A "SMALL CLAIMS" NATURE****1- Admissible grievances**

Any grievance may be referred to this arbitration procedure provided that the Board and Union explicitly agree to do so. In this case, a notice signed jointly by the authorized representatives of the parties, attesting such agreement, shall be forwarded to the records office.

In the event of failure on the part of the Board and the Union to sign a joint notice of their intent to refer a grievance to the accelerated arbitration procedure, the Board or the Union may indicate separately such intent by forwarding a separate written notice to this effect to the records office along with a certified copy to the other party.

In this latter case, the written notice of the Union and that of the Board must both be received by the records office at least seven (7) days prior to entering the grievance in question on the arbitration roll.

**2- Arbitrator**

The arbitrator shall be appointed by the records office; he or she shall conduct an investigation, interrogate the parties and witnesses previously identified to the other party and may attempt to reconcile the parties either at their request or with their consent.

**3- Representation**

Only an employee of the Board and an employee or an elected member of the Union, or an employee of the FPPE, may represent the respective parties; a party may, however, after having informed the other, call upon an advisor.

#### 4- Duration of hearing

In general, a hearing lasts approximately one (1) hour.

#### 5- Award

The arbitration award must contain a brief description of the dispute and a summary of the reasons supporting its conclusion (approximately two pages). The decision may not be cited or used by anyone as regards the arbitration of any other grievance, unless the grievance is related to an identical dispute between the same Board and the same Union and deals with the same facts and clauses.

The arbitrator shall render his or her decision and shall forward a copy to the parties within a maximum time limit of five (5)-working days after the hearing. He or she shall also file the signed original copy at the records office.

- 6- The provisions of articles 9-1.00 and 9-2.00 shall apply by adapting them to the accelerated arbitration procedure prescribed in this appendix, except for clauses 9-2.04, 9-2.08, 9-2.11, 9-2.12, 9-2.13, 9-2.15, the 1<sup>st</sup> paragraph of clause 9-2.16, the 3<sup>rd</sup> paragraph of clause 9-2.17, the 1<sup>st</sup> paragraph of clause 9-2.18, paragraphs B) and C) of clause 9-2.22 and clauses 9-2.23 and 9-2.24.

### III- OTHER MEASURES CONTRIBUTING TO REDUCING THE COSTS OF THE ARBITRATION SYSTEM AND TO IMPROVING ITS EFFECTIVENESS

- A) In order to reduce the amounts earmarked for the expenses and honoraria of arbitrators and to resolve a greater number of grievances, the parties agree to:

- encourage the use of the prearbitration mediation procedure and the accelerated arbitration procedure of a "small claims" nature;
- keep an updated list of joint requests as regards prearbitration mediation and accelerated arbitration of a "small claims" nature;
- submit the list on a regular basis to the chief arbitrator or chief records clerk to enable him or her to set the date of the first meeting.

- B) Holding of hearings under article 9-2.00:

- the lawyers assigned to every grievance file shall inform the arbitrator and each other of the nature of the preliminary methods they intend to raise one (1) week prior to the hearing;
- every hearing shall be scheduled for 9:30, the lawyers, assessors, where applicable, and the arbitrator must however use the first half-hour for a private preparatory session.

The purpose of the preparatory session is to:

- improve the arbitration process, to better use the availability time invested therein and to accelerate the holding of hearings;
- allow the parties to declare, if not already done, the means they intend to use to plead the case other than those mentioned in the preliminary remarks;
- outline the dispute and identify the issues to be discussed in the course of the hearing;
- ensure the exchange of documentary evidence between the parties;
- plan the presentation of evidence to be produced in the course of the hearing;
- study the admissibility of certain facts;
- analyse any other question which could simplify or accelerate the hearings.
