ARTICLE 1 - PURPOSE

- 1.01 The purpose of this Agreement is to establish an orderly collective bargaining relationship between the Employer and the employees concerned and to provide mechanisms for the prompt and equitable disposition of grievances, establish and maintain satisfactory working conditions, hours of work and wages for all employees within the bargaining unit.

ARTICLE 2 - SCOPE AND RECOGNITION

- The Employer recognizes the Union as the sole collective bargaining agent for all its employees in the nursing homes in the Province of Ontario, save and except registered nurses, physiotherapists, occupational therapists, supervisors, foremen, persons above the rank of supervisor or foreman, office staff, persons regularly employed for not more than twenty-two and one-half (22½) hours per week, and students employed during the school vacation period.
- 2.02 The Employer undertakes that it will not enter into any other agreement or contract with those employees for whom the Union has bargaining rights either individually or collectively which will conflict with any of the provisions of this Agreement.
- 2.03 Where the feminine pronoun is used in this Agreement, it shall mean and include the masculine pronoun where the context so applies.
- 2.04 Where the singular is used, it may also be deemed to mean the plural, within the appropriate context.
- 2.05 Any reference to doctor will include, where appropriate, nurse practitioner.
- 2.06 The Union and Employer agree to abide by the *Human Rights Code*.

ARTICLE 3 - MANAGEMENT RIGHTS

- 3.01 The Union acknowledges that all management rights and prerogatives are vested exclusively with the Employer and, without limiting the generality of the foregoing, it is the exclusive function of the Employer:
- (a) to determine and establish standards and procedures for the care, welfare, safety, and comfort of the residents in the nursing home;
 - (b) to maintain order, discipline, and efficiency, and in connection therewith to establish and enforce reasonable rules and regulations. Such rules will be made available to all employees and to the Local Union. The Employer agrees prior to the introduction of any new policy or procedure related to

terms and conditions of employment the Union will be advised by providing a copy of such policy to a Union Steward or through the Labour Management Committee.

- (c) to hire, transfer, layoff, recall, promote, demote, classify, assign duties, discharge, suspend or otherwise discipline employees who have completed their probationary period for just cause, provided that a claim of discriminatory transfer, promotion, demotion of classification or a claim that an employee who has completed her probationary period, has been discharged or disciplined without just cause, may be the subject of a grievance and dealt with as hereinafter provided. The discharge of a probationary employee shall be solely at the discretion of the Employer on a rational basis;
- (d) to have the right to plan, direct and control the work of the employees and the operations of the nursing home. This includes the right to introduce new and improved methods, facilities, equipment, and to control the amount of supervision necessary, combining or splitting up of departments, work schedules, and the increase or reduction of personnel in any particular area or on the whole.

ARTICLE 4 - DEFINITIONS

- 4.01 Permanent part-time employees are hereby defined to be those persons that regularly work on the average more than forty-five (45) hours bi-weekly but less than seventy-five (75) hours bi-weekly who have completed the probationary period described in Article 9.02. Article 22.12 describes how this Agreement shall affect those persons.
- 4.02 Permanent part-time employees shall be known as probationary employees until they have worked fifty (50) days.
- 4.03 The seniority of a permanent part-time employee, who has completed the probationary period requirement, shall date fifty (50) working days prior to the date on which the employees completed her probationary period.
- 4.04 The terms "regular pay" and "straight pay" when used in this Agreement, shall mean the amounts indicated in the wage classification contained in Schedule "A".

ARTICLE 5 - UNION SECURITY

- 5.01 Each of the parties hereto agrees that there will be no discrimination, interference, restraint or coercion exercised or practised upon any employees because of membership in the Union.

- 5.02 (a) All employees who are in the employ of the Employer at the signing date of this Agreement and all new employees who enter the employ of the Employer after the Agreement has been signed, shall as a condition of employment, be subject to regular monthly dues to be deducted from their wages and also be subject to a one time union dues administrative assessment for newly hired employees and remitted to the Union. It is understood that dues shall be deducted from all employees beginning in their first (1st) month of hire.

The Employer shall, when remitting such dues, name the employees, note any employees currently on leave, and provide employees numbers from whose pay deductions have been made.

- (c) The Employer will supply the Union with the name, current address, classification and other relevant information of the employees with the first (1st) dues deduction.

If the nursing home agrees to provide the Union with information in an electronic format, the parties will meet to discuss the format in which the information will be set out. The parties will endeavour to communicate on this issue so that implementation is not impeded.

The nursing home agrees to provide the Union with employee's address on the first (1st) dues deduction and on an annual basis.

- 5.03 (a) Deductions shall be made from the first (1st) pay of each month and forwarded to the Union Office on or before the last of the same month in which the deductions are made, where practicable.

- (b) Union dues are not deducted from SUB plan payments and the Employer has no responsibility for Union dues while an employee is off on Pregnancy and/or Parental Leave.

- 5.04 (a) The Union and its members shall hold the Employer harmless with respect to any liability in which the Employer might incur as a result of deductions and remittances.

- (b) The Employer will provide each employee with a T4 slip showing the annual Union dues paid by that employee for the year previous.

- 5.05 It is mutually agreed that arrangements will be made for a Union Steward to interview each new employee who is not a member of the Union once during the first thirty (30) days of an employment for the purpose of informing such employee of the existence of the Union in the nursing home, and of ascertaining whether the employee wishes to become a member of the Union. The Employer shall advise the Union monthly as to the names of the persons listed for interview and the time

and place on the premises of the Employer designated for each such interview, the duration of which shall not exceed fifteen (15) minutes.

5.06 Employment of Disabled Employees

The Union and the Employer acknowledge their obligations to accommodate certain individuals under the *Human Rights Code of Ontario* and agrees that this collective agreement will be interpreted in such a way as to permit those obligations to be discharged.

ARTICLE 6 - NO STRIKES OR LOCK-OUTS

6.01 The Union agrees that there shall be no strikes and the Employer agrees that there shall be no lockouts. The meaning of the words "strike" and "lockout" shall be as defined in the Ontario *Labour Relations Act*, as amended.

ARTICLE 7 - UNION REPRESENTATION AND COMMITTEES

- 7.01 (a) It is mutually agreed that, where negotiations are conducted on a joint basis between any or all of the nursing homes, the Union will elect or otherwise select a negotiating committee consisting of one (1) representative from each nursing home.
- (b) If negotiations are carried on individually for any or all of the nursing homes, it is agreed that the Union will elect or otherwise select a negotiating committee consisting of three (3) employees, one (1) of which shall be the Chief Steward.
- (c) All members of the committee shall be regular employees of the Employer who have completed their probationary period.
- (d) The nursing home members of the Committee will be paid by the Employer for time used during normally scheduled working hours in negotiation of this Agreement or its successor including all conciliation proceedings but excluding any Arbitration proceedings.
- 7.02 The Employer will recognize a Union Administrative Committee for both the full-time and part-time bargaining units, which shall consist of a Chief Steward and four (4) stewards, at least one (1) of which shall be a member of the part-time bargaining unit. Not more than two (2) committee members shall meet with Management at one (1) time. The Employer shall be advised of the names of members of this committee and shall be notified of any changes from time to time.

All members of the committee referred to above shall be regular employees of the Employer who have completed their probationary period.

- 7.03 The Union acknowledges that the members of the Union Administrative Committee must continue to perform their regular duties, and that so far as possible all activities of the committee will be carried on outside the regular working hours of the members thereof, unless otherwise mutually arranged.

The Employer shall pay representatives and Committee members their respective wages for all time lost from regularly scheduled hours investigating and/or processing grievances, up to but not including the arbitration stage, negotiation of the Agreement and renewals thereof, up to and including conciliation, and while attending meetings with the Employer. Employees on the evening and night shift shall receive paid time off for the actual day of the negotiating meeting.

7.04 Labour Management Committee

Where there are matters of mutual concern and interest that would be beneficial if discussed at a Labour-Management Committee meeting during the term of this Agreement, the following will apply.

An equal number of representatives of each party as mutually agreed shall meet at a time and place mutually satisfactory. A request for such meeting will be made in writing at least one (1) week prior to the date proposed and accompanied by an agenda of matters proposed to be discussed, which shall not include matters that are properly the subject of a grievance or matters that are properly the subject of negotiations for the amendment or renewal of this Agreement. Suitable subjects for discussion will include orientation, aggressive residents and workload issues.

A representative attending such a meeting shall be paid for wages lost from regularly scheduled hours. A Union staff member may attend as a representative of the Union. Meetings will be held quarterly unless otherwise agreed.

It is understood that where full and part-time agreements are separate, there shall be one (1) committee only.

7.05 CMI/RAI MDS

Recognizing the mutual objective of quality care, the Employer agrees to meet through the Labour Management Committee with the Union as soon as practicable after the receipt of the annual CMI/RAI MDS 2.0 (as amended) results. The Employer agrees to provide the Union Representative with staffing levels, and staffing mix information; the impact of related payroll costs on staffing levels and a written notice of the CMI/RAI MDS 2.0 (as amended) results for the facility.

The purpose of this meeting is to discuss the impact of the CMI/RAI MDS 2.0 (as amended) changes on the staffing levels in the facility, and quality care, and provide the Union with an opportunity to make representation in that regard.

The parties shall meet as necessary to discuss other changes or workload issues.

The parties may invite additional participants to attend the meeting to support constructive review and discussion.

ARTICLE 8 – GRIEVANCE AND ARBITRATION PROCEDURE

8.01 Complaints and Grievances

- (a) A grievance under this Agreement shall be defined as any difference or dispute between the Employer and any employee relating to the interpretation, application or administration of this Agreement, including any questions as to whether the matter is arbitrable and an allegation that this Agreement has been violated.
- (b) All complaints and grievances shall be taken up in the following manner:

Step Number 1

An employee having a question or complaint shall refer it to his immediate supervisor within eight (8) working days of the actual occurrence leading to the question or complaint. The Supervisor shall reply to the employee, giving the answer to the complaint or question within two (2) working days from date of submission.

Step Number 2

If further action is then to be taken, then within five (5) working days after the decision is given in Step Number 1, the employee, who may request the assistance of his or her steward, shall submit the grievance in writing to the Director of Administration. A meeting will then be held between the Director of Administration or his designated representative and the employee. It is understood that at such a meeting the Director of Administration or his designated representative may have such counsel and assistance as he may desire, and that the employee may have his steward and that the SEIU Union Representative or an International Representative of the Union may also be present at the request of either the employee or the Employer. The decision of the Director of Administration or his designated representative shall be given in writing within five (5) working days following the meeting.

Step Number 3

Should the Director of Administration fail to render his decision as required in Step Number 2, or failing settlement of any grievance under the foregoing procedure arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, the grievance may be referred to Arbitration by either the Employer or the Union. If no written request for Arbitration is received within five (5) working days after the decision under Step Number 2 is given, or within ten (10) working days following the meeting under Step Number 2 of the grievance procedure, the grievance shall be deemed to have been abandoned and the same grievance shall not be the subject matter of a further grievance.

8.02 Any of the time allowances above may be extended by mutual agreement of the parties.

8.03 In determining the time within which any action is to be taken or completed under the terms of this Agreement, such time limits shall be exclusive of Saturdays, Sundays and paid holidays.

8.04 An employee subject to disciplinary action which is to be recorded in the employee's personnel file shall have the right to the presence of a Union Steward. The Union Stewards undertake to be reasonably available in person or by telephone for such meeting. In extraordinary circumstances when a Union Steward is entirely unavailable the employee shall have the right to the presence of a Union committee member or a member representative of the employee's choice who is working on the current shift.

8.05 Discharge Grievance

In the event of an employee who has completed his probationary period being discharged from employment, and the employee feeling that an injustice has been done, the case may be taken up as a grievance.

All such cases shall be taken up within four (4) days and disposed of within seven (7) days (or such longer period as may be mutually agreed upon) of the date the employee is notified of his discharge, except where a case is taken to arbitration. A claim by an employee, who has attained seniority, that he has been unjustly discharged from his employment shall be treated as a grievance if a written statement of such grievance is lodged with the Director of Administration within four (4) days after the employee is notified of his discharge or within four (4) days after the employee is notified of his discharge or within four (4) days after the employee ceases to work for the Employer, whichever is the earlier. All steps of the grievance procedure prior to Step Number 2 may be omitted in such cases.

Such special grievances may be settled by confirming the Employer's action in dismissing the employee, or by re-instating the employee with full compensation for time lost, or by any other arrangement which is just and equitable in the opinion of the conferring parties or the Board of Arbitration, as the case may be.

8.06 Em Grievances

The Employer may institute a grievance consisting of an allegation of a general misinterpretation or violation of this Agreement (by the Union or any employee covered by this Agreement), in writing, at Step Number 2 of the grievance procedure, by forwarding a written statement of said grievance to the SEIU Union Representative, providing it is presented within ten (10) working days after the circumstances giving rise to the grievance have originated or occurred; the SEIU Union representative shall give his decision in writing within five (5) working days after receiving the written grievance and failing settlement, the grievance may be referred to arbitration by the Employer in accordance with Step Number 3 of the grievance procedure.

8.07 Union Policy Grievance

The Union may institute a grievance consisting of an allegation of a general misinterpretation or a violation by the Employer of this Agreement in writing at Step Number 2 of the grievance procedure, providing that it is presented within ten (10) working days after the circumstances giving rise to the grievance have originated or occurred. However, it is expressly understood that the provisions of this clause may not be used to institute a grievance directly affecting an employee or employees which such employee or employees could themselves initiate and the regular grievance procedure shall not be thereby bypassed.

8.08 Group Grievance

Where a number of employees have similar grievances and each employee would be entitled to grieve separately, they may present a group grievance identifying each employee who is grieving to the Department Head or his/her designate within seven (7) days after the circumstances giving rise to the grievance had occurred, or ought reasonably to have come to the attention of the employees. The grievance shall then be treated as being initiated at Step Number 2 and the applicable provisions of this article shall then apply with respect to the processing of such grievance.

8.09 Grievance Process

- (a) Either party, with the agreement of the other party, may submit a grievance to Grievance Mediation at any time within ten (10) days after the Employer's decision has been rendered at the step prior to arbitration.

Where the matter is so referred, the mediation process shall take place before the matter is referred to Arbitrator.

- (b) Grievance Mediation will commence within twenty-one (21) days of the grievance being submitted to mediation, or longer period as agreed by the parties.
- (c) No matter may be submitted to Grievance Mediation which has not been properly carried through the grievance procedure, provided that the parties may extend the time limits fixed in the grievance procedure.
- (d) The parties shall agree on a mediator.
- (e) Proceedings before the Mediator shall be informal. Accordingly, the rules of evidence will not apply, no record of the proceedings shall be made and legal counsel shall not be used by either party.
- (f) If possible, an agreed statement of facts will be provided to the Mediator, and if possible, in advance of the Grievance Mediation Conference.
- (g) The Mediator will have the authority to meet separately with either party.
- (h) If no settlement is reached within five (5) days following Grievance Mediation, the parties are free to submit the matter to Arbitration in accordance with the provisions of the collective agreement. In the event that a grievance which has been mediated subsequently proceeds to arbitration, no person serving as the Mediator may serve as an Arbitrator. Nothing said or done by the mediator may be referred to Arbitration.
- (i) The Union and Employer will share the cost of the Mediator, if any.

8.10 Arbitration Process

- a) When either party requests that a grievance be submitted to Arbitration, the request shall be in writing addressed to the other party to this Agreement and shall contain the name of the first party's nominee to the Board of Arbitration. The recipient of the notice shall, within ten (10) days thereafter designate its nominee to the Board of Arbitration. The two (2) so nominated shall endeavour, within ten (10) days after the appointment of the second of them, to agree upon a third person to act as Chair of the Board of Arbitration. If the nominees are unable to agree upon a third person as Chair within ten (10) days after the appointment of the second one of them, then either party may request the Ministry of Labour for the Province of Ontario to appoint the third member as Chair of the Board of Arbitration.

The said two (2) nominees first appointed shall be at liberty prior to the expiration of ten (10) days from the date of the appointment of the second of them, or prior to the appointment of the Chair within the said period of ten (10) days, to discuss the grievance submitted to them with a view to mutual settlement.

- b) No person may be appointed as an Arbitrator who has been involved in an attempt to negotiate or settle the particular grievance concerned.
- c) Each of the parties shall pay its own expenses including pay for witnesses and the expenses of its own nominee and one-half (1/2) of the expenses and fees of the Chair.
- d) The Board of Arbitration shall have authority only to settle disputes under the terms of this Agreement and only to interpret and apply this Agreement to the facts of the grievance(s) involved. Only grievances arising from the interpretation, application, administration or alleged violation of this Agreement including a question as to whether a matter is arbitrable shall be arbitrable.
- e) The Board of Arbitration shall have no power to alter, add to, subtract from, modify or amend this Agreement in order to give any decision inconsistent with it. The decision of the majority of the members of the Board of Arbitration shall be the decision of the Board, but if there is no majority the decision of the Chair shall govern.
- f) All agreements reached under the grievance and Arbitration procedures between the Employer and its representatives and the Union and its representatives will be final and binding upon the Employer, the Union and the employee(s) involved.
- g) Any grievance involving the interpretation or application, administration or alleged violation of this Agreement which has been disposed of hereunder, shall not be made the subject of another grievance. No costs of any Arbitration shall be awarded to or against any party.
- h) At any stage of the grievance procedure, including Arbitration, the parties may have the assistance of the employee (or employees) concerned as a witness, all reasonable arrangements will be made to permit the conferring parties or the Board of Arbitration to have access to any part of the Nursing Home to view any working conditions which may be relevant to the settlement of the grievance, at a reasonable time and so as not to interfere with the function of the Nursing Home.

8.11 Sole Arbitrator

In the event that one party wishes to submit a grievance to Arbitration and is content that the matter be dealt with by a Sole Arbitrator as opposed to a tripartite Board of Arbitration as hereinbefore referred to, the party submitting the grievance to arbitration shall so signify when advising the other party and shall advise as to three (3) alternative choices as to a Sole Arbitrator in addition to that party's nominee to a tripartite board. The recipient of the notice shall in reply advise as to its nominee to a tripartite board and three (3) alternative choices as to a Sole Arbitrator. If the parties can agree to a Sole Arbitrator within twenty (20) days of the notice referring the matter to Arbitration the matter shall be determined by a Sole Arbitrator and failing such agreement the regular Arbitration procedure shall apply.

ARTICLE 9 - SENIORITY

9.01 Effect of Absence

Whenever they are used in the Collective Agreement, the terms seniority and service shall be deemed to refer to length of employment subject to the following conditions:

- (a) It is understood that during an approved absence not paid by the Employer not exceeding thirty (30) continuous days or any approved absence paid by the Home, both seniority and service will accrue. It is further understood that the provisions of this article shall be applied in a manner consistent with the Ontario Human Rights Code, as amended.
- (b) During an absence not paid by the Employer exceeding thirty (30) continuous calendar days, credit for service for purposes of salary increment, vacation, sick leave, or any other benefits under any provisions of the Agreement or elsewhere, shall be suspended; the benefits concerned appropriately reduced on a pro-rata basis and the employee's anniversary date adjusted accordingly. In addition, the employee will become responsible for full payment of subsidized employee benefits in which she is participating for the period of the absence.
- (c) It is further understood that during such leave of absence not paid by the Employer, credit for seniority for purposes of promotion, demotion, transfer or layoff shall be suspended and not accrue during the period of absence. Notwithstanding this provision seniority shall accrue for a period of thirty-six (36) months if an employee's absence is due to a disability resulting in WSIB benefits.

(d) Benefits - WSIB or Paid Leave

The Employer shall continue to pay premiums for benefit plans for employees who are on paid leave of absence or receiving WSIB benefits if the employee continues their contribution towards said benefits.

It is understood that the obligation of the Employer, to pay the aforesaid benefits while on WSIB, shall continue for up to thirty-six (36) months following the date of the injury.

- (e) For purposes of this provision, it is understood and agreed that absence on Weekly Indemnity, EI sick benefits and top up, shall be considered a leave with pay.

9.02 A newly-employed employee must successfully complete a probationary period of fifty (50) days worked. It is agreed that the dismissal or layoff of a probationary employee shall not be made the subject of a grievance.

The seniority of a employee who has completed the probationary period shall date fifty (50) working days prior to the date on which the employee completed her probationary period.

9.03 In cases of promotions, demotions or permanent transfer of employees, the qualifications, experience, ability and seniority of the employees shall be considered.

9.04 Any question having to do with the observance or non-observance of seniority may be the subject of a grievance and dealt with under the grievance procedure including the Arbitration provisions.

9.05 Seniority Lists

(a) The Employer shall supply the Union Office and the Chief Steward with a set of seniority lists by departments in January and July of each year, showing employees' names in order of seniority, classification, and their seniority starting dates. Where an electronic copy is provided the employer need not supply a copy to the Chief Steward.

(b) Should there be a tie of date of employment of two (2) or more full-time employees, the tiebreaker used shall be a lottery.

(c) When compiling a seniority list in January and July of each year, the Employer shall calculate the hours for persons working less than full-time for the past six (6) month period. The average hours paid for permanent part-time employees during that six (6) month period shall be the hours used for

calculating purposes under Article 22.12 - Permanent Part-Time Employee Proration Formula Benefits.

9.06 Loss of Seniority

An employee shall lose all seniority and her employment shall be deemed to be terminated if she:

- (a) voluntarily resigns, retires or is discharged for just cause; or
- (b) is absent from work more than thirty-six (36) months by reason of illness or other physical disability and there is no reasonable likelihood the Employee will return to work within the near future; or
- (c) is absent from work without a reasonable excuse for more than three (3) consecutive days for which she is scheduled to work; or
- (d) is absent from work for more than thirty-six (36) months by reason of layoff; or
- (e) is absent from work for more than thirty-six (36) months by reason of absence while on **WSIB** and there is no reasonable likelihood the employee will return to work within the near future.

Employees who are on leave of absence will not engage in gainful work on such leave and if an employee does engage in gainful work while on such leave, she will forfeit all seniority rights and privileges contained in this Agreement unless otherwise agreed by the Union and the Employer.

An employee who has been granted a leave of absence of any kind and who overstays her leave, unless she obtains permission or provides a satisfactory explanation, shall be considered to have ceased her relationship with her Employer without notice.

The Union and the Employer agree to abide by the Human Rights Code.

9.07 The Employer will notify the employee when her benefits will cease.

9.08 Nursing Home Transfers

The Employer agrees that employees may be permitted to transfer from one (1) nursing home to another nursing home in the chain in the Province of Ontario for their own personal convenience and at their own expense, subject to the following conditions.

- (a) Employees wishing to transfer must notify, in writing, the Administrator of the nursing home to which they would like to transfer, within thirty (30) days of ceasing her relationship with the former nursinghome. Such notice shall include the employee's qualifications, present position, scheduling preferences (if any), and when they would be available to commence work.
- (b) An applicant, who is permitted to transfer from one (1) nursing home to another as a result of this transfer procedure, will retain any seniority that they had previously accrued and the applicable wage rate shall be paid according to the position to which the employee transferred. However, an employee so transferring will only be able to exercise nursing home seniority for purposes of transfers, promotions, layoffs and reductions in staff.
- (c) In the event an employee is employed (not transferred) into this nursing home and has recent/related experience at another nursing home, in the same chain clause (b) above shall apply as it relates to seniority and wage rate.

ARTICLE 10 – JOB SECURITY

10.01 Layoff and Recall

In the event of a proposed layoff of a permanent or long-term nature, the Employer will provide the Union with at least eight (8) weeks' notice. This notice is not in addition to required notice for individual employees.

- (vii) When a employee subject to layoff chooses to bump and there are no employees with less seniority within her bargaining unit, the seniority lists will be merged and the laid-off employee may bump into the other bargaining unit.

- 10.05 It is understood and agreed that if a full-time employee bumps a part-time employee as part of the above-noted procedure, the full-time employee is accepting the part-time position only.

For these purposes, one (1) year full-time seniority = one thousand eight hundred (1,800) hours part-time seniority.

- 10.06 Severance pay will be in accordance with the provisions of the *Employment Standards Act*.

ARTICLE 11 - JOB POSTING

- 11.01 In the event new jobs are created or vacancies occur in existing job classifications including new positions created for a specific term or task (unless the Employer notifies the Union in writing that it intends to postpone or not fill a vacancy), the Employer will post such new jobs or vacancies for a period of ten (10) calendar days, and shall stipulate the qualifications, classification, rate and department concerned before new employees are hired, in order to allow employees with seniority to apply.

The Employer agrees to provide the Chief Steward with a copy of each job posting and the name of the successful applicant. The parties agree that an administrative oversight in this regard does not void the job posting.

- 11.02 Until the vacancy is filled resulting from the job posting provisions, the Employer is free to fill the vacancy on a temporary basis as she sees fit.
- 11.03 No external applications will be considered until the internal process is exhausted.

If no applications are received by 10:00 a.m. of the tenth (10th) day following the posting date, the Employer may start proceedings to secure permanent applications for the vacancy from outside labour sources.

11.04 All applications received will be considered within seven (7) days of the end of the posting procedure. In the event one (1) or more employees apply, the Employer shall consider the qualifications, experience, ability and seniority of the applicants. Where these factors are equal, the applicant with the greatest seniority shall fill the vacancy.

If the applicants are not qualified to perform the work required, the Employer reserves the right to immediately hire outside help.

11.05 The successful applicant shall be placed on trial in the new position for a period of three hundred and thirty-seven and one-half (337½) working hours. The trial period may be extended by mutual agreement, but in any case, no longer than an additional one hundred and twelve and one-half (112½) working hours. Such trial promotion or transfer shall become permanent after the trial period unless:

- (i) the employee feels that she is not suitable for the position, and wishes to return to her former position; or
- (ii) the Employer feels that the employee is not suitable for the position, and requires that she return to her former position.

It is understood and agreed that once the trial period has expired, the Employer no longer has the right to return an employee to her former position and the employee no longer has the right to return to her former position.

In the event of either (i) or (ii) above, the employee will return to her former position and salary without loss of seniority, any other employee promoted or transferred as a result of the rearrangement of positions shall also be returned to her former position and salary without loss of seniority.

The above provisions shall also apply in the event of a transfer to a position outside the bargaining unit. It is understood however, that no employee shall be transferred to a position outside the bargaining unit without her consent.

11.06 It is understood that the Employer may elect to fill the vacancy in a part-time bargaining unit by expanding the hours of work of existing part-time employees.

11.07 Upon request to the Department Head, the Employer will discuss with the unsuccessful applicant the manner in which the employee may improve her position and her work in order to be considered for any future vacancy.

- 11.08 (a) Where vacancies are posted for positions within the full-time bargaining unit and no applicants within the full-time unit are successful in obtaining the positions, applications submitted for such posting from part-time employees will be considered prior to consideration of persons not employed by the Employer. In the event one (1) or more part-time employees apply, the Employer shall consider the qualifications, experience, ability and seniority of the applicants. Where these factors are equal, the applicant with the greatest seniority shall fill the vacancy provided she can perform the work.
- (b) Where vacancies are posted for positions within the part-time bargaining unit and no applicants within the part-time unit are successful in obtaining the positions, applications submitted for such posting from the full-time employees will be considered prior to consideration of persons not employed by the Employer. In the event one (1) or more full-time employees apply, the Employer shall consider the qualifications, experience, ability and seniority of the applicants. Where these factors are equal the applicant with the greatest seniority shall fill the vacancy provided she can perform the work.
- (c) When an employee transfers from the full-time bargaining unit to the part-time bargaining unit, seniority in terms of days and years accumulated in the full-time unit shall be transferred to part-time status and converted to seniority in terms of one (1) year equals one thousand eight hundred (1,800) hours.

* For employees at Norcliffe (Anson Place) hired on or before January 6, 1999, one (1) year equals one thousand five hundred (1,500) hours.

An employee whose status is changed from part-time to full-time shall receive credit for her full seniority and service on the basis of one (1) year of seniority for each one thousand eight hundred (1,800) hours paid. Any time worked in excess of an equivalent shall be prorated at the time of transfer.

* For employees at Norcliffe (Anson Place) hired on or before January 6, 1999, one (1) year equals one thousand five hundred (1,500) hours.

11.09 Temporary Vacancies

Any temporary vacancy with an anticipated duration of six (6) weeks or more will be posted. Employees working less than thirty-seven and one-half (37%) hours a week shall be given the first (1st) opportunity to fill temporary vacancies, subject to Article 11.08. The Employer will outline to the employee selected to fill the vacancy the anticipated conditions and duration of such vacancy.

An employee returning from leave of absence shall have the right to return to her former position. In instances where an employee returns to work prior to estimated date of return the Employer shall not be liable for payments to the resulting

displaced employee(s). In the event that a part-time employee is the successful applicant, the part-time employee shall retain her part-time status during the temporary full-time period. Nothing herein shall prevent the Employer from temporarily filling any position or vacancy for a period of up to six (6) weeks duration as the Employer may deem appropriate.

An employee filling a temporary vacancy of six (6) weeks or longer duration shall not bid on any other temporary posting until the end of her temporary position, unless an opportunity arises which allows a part-time employee to bid on a temporary full-time posting.

Part-time employees who fill temporary full-time positions shall continue to be treated for all purposes as part-time employees. However, if the part-time employee continues in the temporary position for more than fourteen (14) months, and is receiving money in lieu of benefits, the part-time employee will be enrolled in the premium based benefits (being full-time life insurance, extended health care and dental) and the money in lieu ceases. For any other purpose, the employee continues to be treated for all purposes as a part-time employee. When the temporary position ends, the employee returns to her part-time position, benefits cease, and money in lieu is reinstated.

11.10 Employees on staff prior to the commencement of the summer vacation period shall be given the first (1st) opportunity to fill available hours caused by vacation. An employee exercising her option shall not, as a result of such extra work, change her employment status (i.e. part-time, full-time).

11.11 Permanent Transfers

- (a) If an employee is transferred or reclassified to a higher rated job group, she shall receive the rate immediately above the rate of her prior job in the salary range of the job to which she is transferred. Seniority for pay purposes shall date from the date the transfer becomes effective.
- (b) If an employee is transferred to a lower job group due to a reduction in staff, inability to perform her work as required, at the employee's request, or any other reason as determined by the Employer acting within the scope of Article 3, the employee will receive the corresponding rate for the job group to which she was transferred. Seniority for pay purposes shall include seniority on the job she is being transferred from.
- (c) Subject to (a) and (b) above, a part-time employee, changing her status to that of a full-time employee, covered by this full-time Agreement, shall retain her corporate seniority and her classification seniority. Upon entering into a full-time status, she shall suffer no loss of basic wage rate nor loss of any benefits in which the employee may be enrolled, and then will progress in

seniority and the wage rate will increase in the same manner as other full-time employees covered by the full-time Agreement.

ARTICLE 12 - NO CONTRACTING OUT

12.01 The Nursing Home shall not contract-out any work usually performed by members of the bargaining unit if, as a result of such contracting-out, a layoff of any employees other than casual part-time employees results from such contracting-out. Contracting-out to an Employer who is organized and who will employ the employees of the bargaining unit who would otherwise be laid-off with similar terms and conditions of employment is not a breach of this Agreement.

ARTICLE 13 - WORK OF THE BARGAINING UNIT

13.01 Persons excluded from the bargaining unit shall not perform duties normally performed by employees in the bargaining unit which shall directly cause or result in the layoff or reduction in hours of work of an employee in the bargaining unit.

13.02 In the event the Employer plans to change a vacant full-time position to a part-time position, it will advise the Union and discuss its plans with them.

13.03 Full-time/Part-time Ratio

So long as a full-time position exists there will be no splitting of that position into two (2) or more part-time positions without the agreement of the Union, such agreement not to be unreasonably withheld.

ARTICLE 14 - PRINTING

14.01 The Employer and the Union will share equally in any cost of printing the Agreement.

ARTICLE 15 - LEAVES OF ABSENCE

15.01 The Administrator may grant or refuse a request for a leave of absence without pay for extenuating personal reasons, provided that she receives at least one (1) month's notice in writing, unless impossible, and that such leave may be arranged without undue inconvenience to the normal operations of the nursing home. Applicants when applying must indicate the date of departure and specify the date of return.

If a leave of absence is granted, the employee shall be advised in writing with a copy to the Union.

Additional leave of absence may be taken under Article 15.11, Parental Leave.

- (d) Notwithstanding Article 15.03 (b) above, an employee must complete ten (10) months of continuous service prior to the expected date of birth to be paid supplemental unemployment benefits ("SUB).

That benefit will be the equivalent to the difference between seventy-five percent (75%) of her regular weekly earnings (which for part-time employees

shall include any in-lieu payment, if applicable) and the sum of her weekly rates of employment insurance benefits. In any week, the total amount of SUB payments and the weekly rate of employment insurance benefits will not exceed seventy-five percent (75%) of the employee's regular weekly earnings.

Vested Interest - Employees do not have a right to SUB payments except for supplementation of employment insurance benefits during the unemployment period as specified in the plan.

- 15.05 During the period of leave, the Employer shall continue to pay the Employer's portion of hospital, medical, dental, group life, pension and other benefits included and prescribed by the *Employment Standards Act* unless the employee gives the Employer written notice that the employee does not intend to pay the employee contributions. If deductions for the employee's share of the premiums are required, the Employer shall deduct these amounts from any SUB payments.
- 15.06 An employee who intends to resume her employment on the expiration of the leave of absence granted to her under this Article 15 shall so advise the Employer when

she requests the leave of absence. If a full-time employee returns to work at the expiry of the normal pregnancy or parental leave, and the employee's former permanent position still exists, the employee will be returned to her former position, and former shift, if designated.

All employees who fill vacancies as a result of the above absences shall likewise be returned to their former permanent positions.

- 15.07 When the Employer has suspended or discontinued operations during the leave of absence and has not resumed operations upon the expiry thereof, the Employer shall upon resumption of operations, reinstate the employee to her employment or to alternate work in accordance with the established seniority system or practice of the Employer in existence at the time the leave of absence began and in the absence of such a system or practice shall reinstate the employee in accordance with the provisions of Article 15.06.

Other Income - Payments in respect of guaranteed annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under this plan.

Such payment shall commence after the two (2) week employment insurance waiting period and shall continue while the employee is in receipt of such benefits for a maximum period of ten (10) weeks.

The employee's regular weekly earnings shall be determined by multiplying her regular hourly rate, on her last day worked prior to the commencement of the leave times her normal weekly hours.

The regular hourly rate shall be calculated to include all of the employee's insurable earnings as defined by the employment insurance system.

The SUB top-up by the Employer would not take into account employment insurance insurable earnings from sources other than this facility.

22.11 The Nursing Homes and Related Industries Pension Plan

In this Article, the terms used shall have the meanings as described:

- (a) "Plan" means the Nursing Homes and Related Industries Pension Plan, being a multi-employer plan.

"Applicable Wages" means the basic straight time wages for all hours worked, including:

- (i) the straight time component of hours worked on a holiday;
- (ii) holiday pay, for the hours not worked; and
- (iii) vacation pay.

All other payments, premiums, allowances etc. are excluded.

- (b) Each Eligible employee covered by this Agreement shall contribute from each pay period an amount equal to four percent **(4%)** of applicable wages to the Plan. The Employer shall match such contributions, the amount being four percent **(4%)** of applicable wages.

Notwithstanding the foregoing, where an error has been made in deduction, the Employer shall, upon request, make full payment on any outstanding Employer contributions irrespective of whether the employee pays the matching amount.

The parties agree that this Article 22 in no way prejudices the position of either party as it relates to the retroactivity application if an error is discovered.

- (c) The employee and Employer contributions shall be paid to the Plan within thirty (30) days after the end of the calendar month in which the pay period ends for which the contributions are attributable.
- (d) The Union acknowledges and agrees that other than making its contributions to the Plan as set out in this article, the Employer shall not be obligated to contribute towards the cost of benefits provided by the Plan, or be responsible for providing any such benefits.

The Union and Employer acknowledge and agree that under current pension legislation, and/or regulations, the Employer has no requirement to fund any deficit in the Plan, but is required to contribute only that amount as required by the Agreement in force between the parties.

It is understood and agreed by the Employer and the Union that should the current pension legislation or regulations be changed so that the Employer's obligation to contribute to the Plan exceeds the amount specified in the Agreement then in force, the parties will meet directly to finalize methods to relieve the Employer of this increased obligation to the extent that any such obligations exceeds that which the Employer would have if the Plan were a defined contribution plan.

- (e) The Employer agrees to provide to the Administrator of the Plan, on a timely basis all information required pursuant to the *Pension Benefits Act*, R.S.O. 1990, CH P-8 as amended, which the Administrator may reasonably require in order to properly record and process pension contributions and pension benefits.

The information required to be provided by the Employer may be provided in the form normally maintained by the Employer, whether on computer disc, manual records or otherwise. In the event such information is not

readily available without review of other information not relevant to the Plan, the Plan shall make arrangements with the Employer for access to the required information. This may include the Employer providing such information at reasonable cost to the Plan. If the Administrator of the Plan and Employer are unable to agree on the form of such access, a mutually acceptable third (3rd) party, such as a firm of accountants and auditors, shall be retained at the expense of the Plan to obtain such information from the Employer's files.

Such information shall be provided only on enrolment of an employee or with the monthly remittances.

Any additional information requests beyond that noted above may be provided, if possible, by the Employer, it being understood that any additional costs of such request shall be borne by the Plan.

For further specificity, the items required for each eligible employee are:

- (i) To be Provided Once Only at Plan Commencement

Any such employee who works past age 70 and was employed by the Employer as of the date of the last Memorandum of Settlement respecting the 2004-2007 collective agreement shall have the option of choosing either the forty cents (\$0.40) in lieu provision or the preexisting in lieu provision, if any.

22.13 Permanent Part-Time Employee Proration Formula Benefits

- (a) Accrual and payment of paid holidays and all benefits including shared cost arrangements for all employees shall be on a pro-rata basis of hours regularly worked in relation to seventy-five (75) hours bi-weekly.

The calculation of proration percentage shall be determined by dividing the hours paid in the previous predetermined six (6) month period by 950 and then multiplying by one hundred (100).

(The predetermined six (6) month period shall coincide with the pay period ending around June 30th and December 31st and the recalculated proration percentage where applicable shall apply in August for the pay period ending around June 30th and February for the pay period ending around December 31st.)

Hours paid in calculating proration formula will include WSIB and Weekly Indemnity.

When an employee is on:

- (a) pregnancy leave
- (b) parental leave
- (c) approved leave of absence in excess of thirty (30) continuous calendar days

Proration upon return, shall be based on the percentage(%) in effect prior to commencement of the leave.

Employees who regularly work more than sixty-six (66) hours bi-weekly, shall have one hundred percent (100%) of Employer portion of insured benefits paid.

Holiday and vacation entitlement for employees who regularly work more than sixty-six (66) hours bi-weekly but less than seventy-five (75) hours bi-weekly shall be based on provisions for employees regularly working seventy-five (75) hours.

NOTE: Holiday and vacation pay for employees who regularly work less than seventy-five (75) hours is as follows: Holiday Pay - based on proration formula, based on hours regularly worked - four (4) hours shift = four (4) hours pay. Vacation pay - percentage (%) of gross earnings.

22.14 New Hires

All newly-hired employees will be eligible to join the benefit plans and the calendar time waiting period will apply equally to all.

The pro-rata percentage for newly-hired employees will be based on the schedule of work for which these employees are employed. This percentage will be revised, if necessary, once the employee has worked a full predetermined six (6) month period.

The only exception to this calculation will be an employee who successfully bids or otherwise obtains a seventy-five (75) hour bi-weekly position. In this instance an employee who qualifies will immediately receive entitlement of one hundred percent (100%) of the Employer's paid share of premiums and benefits, and holiday pay.

ARTICLE 23 - INJURY AND DISABILITY

23.01 Where an employee is absent due to illness or injury which is compensable by WSIB, the following shall apply:

Where the anticipated absence is less than six (6) weeks, the Employer may fill the position at her discretion.
- 23.04 The injured employee shall have a period of thirty-six (36) months from the date of the injury within which she shall preserve the seniority which she has accrued in accordance with Article 9 and within which she shall have the right to return to work upon the recommendation of the **WSIB** or the attending physician, which shall indicate to the Employer that the employee has the physical capability to perform her normal job.
- 23.05 (a) If an employee returns to work within one (1) year following the commencement of a **WSIB** claim, and the employee's former permanent position still exists, the employee will be returned to her former job, former shift if designated, classification and rate of pay. All employees who fill vacancies as a result of the above absences shall likewise be returned to their former permanent positions.
- (b) If an employee who has been an employee for more than one (1) year returns to work after the commencement of the **WSIB** claim but prior to thirty-six (36) months mentioned in Article 23.04 above, she shall be returned to her former job, or to work of a comparable nature at the same salary level and without loss of seniority or benefits accrued in accordance with Article 9. (This would be effected by the returning employee displacing the employee with the least seniority in the category to which she is returning.)

This clause shall be interpreted consistent with the *Ontario Human Rights Code*, and the *Workplace Safety and Insurance Act*.

- 23.06 If, on the recommendation of the **WSIB** or the attending physician, the employee is capable only of performing work of a different kind or of a lighter nature, and such work is available within the nursing home in a classification that is covered by this

Agreement, then the returning employee may exercise her seniority if she has the qualifications and can perform the duties without training other than orientation, by bumping into the position at the applicable salary level, displacing the Employee with the least seniority in the classification. This clause shall be interpreted consistent with the *Ontario Human Rights Code*, and the *Workplace Safety and Insurance Act*.

ARTICLE 24 - SICK LEAVE

NOTE: The following provision applies to employees working more than forty-five (45) hours biweekly who have pro-rata benefits. The provision below identifies the benefit applicable to a thirty seven and one-half (37.5) hours per week Employee. The pro-rata formula would apply to this new provision in the same way that it currently applies to the weekly indemnity provision.

24.01 Pay for sick leave is for the sole and only purpose of protecting employees against loss of income and will be granted to all employees on the following basis:

- (a) Absence for injury compensable under the provisions of the *Workplace Safety and Insurance Act* shall not be charged against sick leave credits.

The Employer will top-up these benefits to sixty six and two-thirds percent ($66\frac{2}{3}\%$) of straight time wages. In the event the employee does not qualify for employment insurance sick leave benefits by reason of lack of adequate contributions, she shall receive sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of her straight time wages for weeks three (3) through seventeen (17) of any personal illness or injury but shall not be eligible for benefits under (d) below. The Employer must file the Record of Employment within five (5) days following interruption of earnings. Any related disputes will be dealt with pursuant to Article 22.10.
- (d) The Employer will pay one hundred percent (100%) of the billed premium for full-time employees for a weekly indemnity plan covering personal illness or injury for weeks eighteen (**18**) through thirty five (35) of such

- (g) Where an employee's scheduled vacation is interrupted due to a serious illness requiring the employee to be an in-patient in a hospital, the period of such hospitalization shall be considered sick leave provided the employee provides a satisfactory documentation of the illness and the hospitalization. The portion of the employee's vacation which is deemed to be sick leave under the above provision will not be counted against the employee's vacation credits.

It is understood that the Employer may, at its discretion, reschedule vacation for an employee whose vacation would be interrupted by a serious illness, occurring immediately prior to the scheduled vacation.

- (h) The Employer may request proof of disabling accident or sickness:
 - (i) For any absence in excess of two (2) days;

In the alternative, the Employer may require an employee to attend an independent physician other than the employee's own physician to provide a sick leave certificate. In such circumstances the Employer shall pay for any medical fees charged beyond OHIP in relation thereto.

- 24.03 In the event the Employer requires an employee to undergo a medical examination, the employee will be given reasonable paid time off to see the physician or to undergo the examination in the Employer, whichever the employee prefers. Where the employee chooses to use her own physician and, in the opinion of the employer, the physician's report is inadequate and a further consultation is

required, then the second (2nd) visit will be on the employee's time or during working hours without pay.

24.04 If an employee returns to work within fifty-two (52) weeks following the commencement of an illness, and the employee's former permanent position still exists, the employee will be returned to their former position, former shift if designated, classification and rate of pay. All employees who fill vacancies as a result of the above absence shall likewise be returned to their former permanent positions.

In the alternative, the Employer may require an employee to attend an independent physician other than the employee's own physician to provide a sick leave certificate. In such circumstances the Employer shall pay for any medical fees charged beyond OHIP in relation thereto.

Payment under this Article 24 will only be provided if the employee provides evidence of disability satisfactory to the Employer and a written undertaking satisfactory to the Employer that any payments will be refunded to the Employer following final determination of the claim by the WSIB. If the claim for the WSIB is not approved, the monies paid as an advance will be applied towards the benefits to which the employee would be entitled under the sick leave plan, Article 24 of this Agreement. Any payment under this provision will continue for a maximum duration equal to that of the weekly indemnity plan.

Any change mutually agreed to resulting from such meeting shall be retroactive to the date that notice of the new rate was given by the Employer. If the parties are unable to agree, the dispute concerning the new rate may be submitted to arbitration within fifteen (15) days of such meeting in accordance with the Grievance and Arbitration Procedure under Article 8 of this Agreement. The decision of the arbitrator shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classification.

When the Employer makes a substantial change during the term of the Agreement in the job content of an existing classification which in reality causes such classification to become a new classification, the Employer agrees to meet with the Union if requested to permit the Union to make representation with respect to the appropriate rate of pay.

If the matter is not resolved following the meeting with the Union the matter may be referred to arbitration within fifteen (15) days of such meeting in accordance with the Grievance and Arbitration Procedure under Article 8 of this Agreement.
