With this understanding, Steward(s) shall not suffer a loss of regular straight time pay and be paid for any time used in handling grievances, except that in the case where more than one steward is involved in the handling of a grievance, the Company's responsibility to compensate for time used in the handling of the grievance shall be limited to the time of one Steward.

If the Company becomes aware of circumstances that will result in a disciplinary response while an employee is absent from work, the discipline will be given out within the seven (7) day limit as spelled out herein, unless the employee remains unavailable and, if such is the case, then the discipline will be given out on the first day the employee is actively at work.

- 6.14 Any employee, with twenty-four (24) hours' notice and on his/her own time, shall be allowed to inspect his/her own personnel file. Summary of Pension Plan

PENSION PLAN:

The Teamsters Local Union 847 Pension Plan was established for the sole purpose of providing pension benefits to eligible Plan Members. The Pension Plan operates independently of the Company(s) and the union except that the union is the plan sponsor.

RESPONSIBILITY:

THE UNION: As the Plan sponsor, the Union is responsible to negotiate the contribution rates under the Collective Agreement and to select the Insurance Carrier. From time to time the Union will survey the Insurance Carriers in the marketplace to ensure that the rates are very competitive and to secure the best deal possible for the Pension Plan Members at NO COST to the Plan Members.

THE COMPANY: The Company is only responsible for remitting the contribution rates and providing the pertinent information required to administer the Pension Plan as specified under Article 17.01.

PENSION PLAN MEMBER: The Pension Plan member must complete Pension Plan enrolment form. The Pension Plan Member must report promptly any change of address, marital status and/or beneficiary. Furthermore, the Pension Plan Member must use due diligence and take advantage of information available to him through the Insurance Carrier, or others of his choice, to enable him to make the best decisions for himself in choosing from the available investment vehicles in order to maximize his retirement income. Should the Member wish to participate in the voluntary Group RRSP Plan, member must complete the Group RRSP enrolment form.

Note: The Union utilizes the services of an Insurance carrier to provide the custodial services and investment funds that each individual member selects according to their investment profile and time horizon.

Money Purchase or Defined contribution Plan:

Under this arrangement contributions as specified herein are directed to individual Members' Accounts. Each member will have an individual account set up with the Insurance carrier. It is similar to an RRSP except that an annuity (monthly pension) or Life Income Fund (LIF) must be purchased to provide for a monthly pension income at retirement. Members' Accounts are administered as follows:

- a) As received, contributions are allocated to each Member's Account.
- b) Contributions are deposited into the Member's account and invested by (a) professional investment manager(s) as selected by each member.
- c) Interest is credited to the accumulated balance in each Member's Account. The interest rate credited is based on investment returns earned by the investment manager that have been selected by the member.

Eligibility:

As outlined above.

Investments:

The Fund investments include guaranteed investment certificates (GIC), money market securities, bonds and equities funds. Each member will have the opportunity to consult with the Insurance carrier's licensed Financial Consultant and select the investment fund(s) that best suit their investment risk profile and time horizon. Members will have the opportunity to change investment fund(s) as required by notifying the Insurance carrier.

Vesting:

A member is entitled to the value of his Member's Account immediately upon becoming a Member of the Plan. The Member's Account is locked-in and must be used to provide a monthly pension. No benefits are paid until a member terminates employment, retires or dies.

Retirement:

Under this Plan the "Normal Retirement Age" is 65; however, early retirement is available from age 55. Upon retirement a monthly pension benefit (annuity) or LIF is purchased using the full value of Member's Account at the time of retirement.

Termination:

When a locked-in Member leaves the Plan prior to retirement, the Member has the option to purchase a deferred pension (or if at least age 55 an immediate pension) using the full value of his/her Member's Account; or to transfer the full value of his/her Member's Account to a locked-in RRSP, another registered Pension Plan (or a Life Income Fund, if applicable).

If a Member is not locked-in when he/she leaves the Plan, the Member will receive a lump sum payment equal to his/her Member's Account.

Pre-Retirement/death:

In the event of death, the member's Spouse or, if no Spouse, the member's beneficiary will be entitled to the full value of the Member's Account. The type of benefit varies if the entitlement is payable to a Spouse. It is also dependent on the member's age at the date of death.

This is a brief summary only. The above does not create or confer any contractual or other rights. A member's pension rights are governed by the Rules and Regulations of the Pension Plan.

A benefit plan summary (booklet) will be provided by the insurance carrier.
