ARTICLE 1 - PREAMBLE

1.1 Purpose of Agreement

The parties to this Agreement recognize "*The Northern Lights College Mission Statement*" as stated in Appendix 4A.

- (a) Accordingly, the purpose of this Agreement is to promote and improve the development, promotion, and delivery of the services provided by Northern Lights College.
- (b) The terms and conditions contained in the body of this Agreement are designed to promote harmonious relations and to facilitate the peaceful and amicable settlement of disputes and misunderstandings between the parties to this Agreement.

1.2 Future Legislation

In the event that any future legislation renders null and void or materially alters any provision of this Agreement, the remaining provisions shall remain in effect for the term of the Agreement, and the parties hereto shall negotiate a mutually agreeable provision to be substituted for the provision so rendered null and void or materially altered.

1.3 Conflict with Regulations

In the event that there is a conflict between the contents of this Agreement and any regulation made by the Employer, or on behalf of the Employer, this Agreement shall take precedence over the said regulations.

1.4 Notice of Legislative Change

The College Board agrees that they would make no proposal to amend, repeal, or revise the *Colleges and Institutes Act*, or regulations made pursuant thereto, which would affect the terms and conditions of employment of employees covered by this Agreement, without first notifying the Union in writing of the nature of the proposal.

1.5 Use of Singular Terms

Wherever the singular is used in this Agreement the same shall be construed as meaning the plural if the context requires unless otherwise specifically stated.

1.6 Human Rights Code

The parties hereto subscribe to the principles of the *Human Rights Code* of British Columbia.

1.7 Employee Harassment

(Refer to Common Agreement - Article 2)

ARTICLE 2 - UNION RECOGNITION AND RIGHTS

2.1 Bargaining Unit Defined

The bargaining unit shall comprise all employees included in the College bargaining units as defined in this Agreement except those employees in positions mutually agreed to between the parties as managerial and/or confidential exclusions. The parties to this Agreement acknowledge the difficulty in establishing a service wide policy for determining managerial and/or confidential exclusions. The parties further agree that cognizance shall be given to the type of organization and to the degree to which employees, at varying levels, are involved either in the formation of college policy or in the process of employer-employee relations.

The guidelines to be considered in negotiating exclusions shall be:

- (a) position incumbents employed for the primary purpose of exercising senior management functions.
- (b) position incumbents employed in a confidential capacity in matters relating to labour relations taking into account both operational and geographical considerations.
- (c) a sufficient number of position incumbents to represent management in matters relating to labour relations taking into account both operational and geographical considerations.

Incumbents of new positions established by the Employer shall automatically be included in the bargaining unit unless specifically excluded by mutual agreement.

2.2 Bargaining Agent or Recognition

The Employer recognizes the B.C. Government and Service Employees' Union as the exclusive bargaining agent for all employees to whom the certification issued by the Labour Relations Board on October 19, 1976 applies.

2.3 Correspondence

- (a) The Employer agrees that all correspondence between the Employer and the Union related to matters covered in this Agreement shall be sent to the President of the Union or his/her designate and to the Chairperson of the bargaining unit.
- (b) The Employer agrees that a copy of any correspondence between the Employer or designate and any employee in the bargaining unit covered by this Agreement pertaining to the interpretation or application of any clause in this Agreement shall be forwarded to the President of the Union or his/her designate and to the Chairperson of the bargaining unit.
- (c) Where the terms of this Agreement call for correspondence to be forwarded by registered mail, in the event of a strike, lockout, or other work stoppage in the Canada Post Office within British Columbia, this provision shall not apply and the parties shall use a mutually agreeable alternative, such as facsimile transmission.

2.4 No Other Agreement

No employee covered by this Agreement shall be required or permitted to make a written or oral agreement with the Employer or its representatives which may conflict with the terms of this Agreement.

2.5 No Discrimination for Union Activity

The Employer and the Union agree that there shall be no discrimination, interference, restriction, or coercion exercised or practised with respect to any employee for reason of membership or activity in the Union.

2.6 Recognition and Rights of Stewards

The Employer recognizes the Union's right to select stewards to represent employees. The Employer and the Union will agree on the number of stewards, taking into account both operational and geographic considerations.

The Union agrees to provide the Employer with a list of the employees designated as stewards for each jurisdictional area. A steward, or his/her alternate, shall obtain the permission of his/her immediate supervisor before leaving his/her work to perform his/her duties as a steward. Leave for this purpose shall be with pay. Such permission shall not be unreasonably withheld. On resuming his/her normal duties, the steward shall notify his/her supervisor.

Duties of the stewards shall include:

- (a) Investigation of complaints of an urgent nature;
- (b) Investigation of grievances and assisting any employee which the steward represents in preparing and presenting a grievance in accordance with the grievance procedure;
- (c) supervision of ballot boxes and other related functions during ratification votes;
- (d) carrying out duties within the realm of assigned safety responsibilities for stewards who are members of safety committees;
- (e) attending meetings called by management.

2.7 Bulletin Boards

The Employer shall provide bulletin board facilities for the exclusive use of the Union, the sites to be determined by mutual agreement. The use of such bulletin board facilities shall be restricted to the business affairs of the Union.

2.8 Union Insignia

- (a) A union member shall have the right to wear or display the recognized insignia of the Union. The Union agrees to furnish to the Employer at least one union shop card, for each of the Employer's places of operation covered by this Agreement, to be displayed on the premises. Such card will remain the property of the Union and shall be surrendered upon demand.
- (b) The recognized insignia of the Union shall include the designation "*bcgeu*". This designation shall, at the employee's option, be placed on stenography typed by a member of the Union. This designation shall be placed below the signatory initials on typewritten correspondence.

2.9 Right to Refuse to Cross Picket Lines

All employees covered by this Agreement shall have the right to refuse to cross a picket line arising out of a dispute as defined in the *Labour Relation Code*. Any employee failing to report for duty shall be considered to be absent without pay. Failure to cross a picket line encountered in carrying out the Employer's business shall not be considered a violation of this Agreement nor shall it be grounds for disciplinary action.

2.10 Time Off for Union Business

- (a) *Without Pay* - Leave of absence without pay and without loss of seniority will be granted:
 - (1) to an elected or appointed representative of the Union to attend conventions of the Union and bodies to which the Union is affiliated;
 - (2) for elected or appointed representatives of the Union to attend to union business which requires them to leave their general work area;
 - (3) to employees called by the Union to appear as witnesses before an arbitration board.
- (b) *With Pay* - Leave of absence with basic pay and without loss of seniority will be granted:
 - (1) to four (4) members selected by the sub local of the Union, who are representatives of the Union on the negotiating committee; however, the sub-local reserves the right to use one (1) additional person for technical information or advice who shall be covered by the provisions of this section;
 - (2) Where employees are appointed by the Union as union representatives to Joint Union/Management Committees as specified in this Agreement, to attend such meetings.
- (c) The Employer recognizes that due to the geographic remoteness of some of the areas served by the College it may be difficult for the President of the Union or his/her paid union representative to meet with employees outside normal working hours. In such areas, the President of the Union or his/her designate shall submit a request in writing to the appropriate Dean and Campus Administrator to meet with employees during working hours in their normal place of work. Subject to operational requirements, the Employer shall grant permission for such a meeting, the duration of the length of the meeting to be by mutual agreement between the Dean and the union representative. Attendance at such meetings shall be considered time worked.
- (d) To facilitate the administration of this section when leave without pay is granted, the leave shall be given with basic pay and the Union shall reimburse the Employer for salary and benefit costs, including travel time incurred. Leave of absence granted under this article shall include sufficient travel time. The Union shall provide the Employer with reasonable notice prior to the commencement of leave under this article. It is understood that employees granted leave of absence pursuant to this article shall receive their current rates of pay while on leave of absence with pay. The Employer agrees that any of the above leaves of absence shall not be unreasonably withheld.

2.11 Emergency Services

The parties recognize that in the event of a strike or lockout as defined in the *Labour Relations Code* situations may arise of an emergency nature. To this end, the Employer and the Union will agree to provide services of an emergency nature.

ARTICLE 3 - UNION SECURITY

All employees hired on or after October 19, 1976 shall, as a condition of continued employment, become members of the Union, and maintain such membership, upon completion of thirty (30) days as an employee (subject only to the provisions of the *Labour Code* of British Columbia).

Responsibility for funding the request lies with the Professional Development Committee as outlined hereunder.

- (a)
 - (1) The provisions of this article are intended to assist employees in maintaining and improving skills and knowledge and to improve the quality of service offered to the citizens of the college region. It is recognized that both parties benefit from professional development, the instructor who engages in it, and the College which facilitates it.

The Union agrees that the College will not be expected to cover costs in addition to those that would normally be expended to maintain the existing services. APPENDIX 3 Short-Term Disability

1.1 Eligibility

- (a) Regular employees shall be covered by the short-term illness and injury plan upon completion of six (6) months of service with the Employer and up to age sixty-five (65). Regular part-time employees must be working in a position that requires at least half-time work on a regularly scheduled basis and must have completed the equivalent of six (6) months active service in such a position.
- (b) Regular employees with less than six (6) months of service who are unable to work because of an illness or an injury are entitled to six (6) days coverage at full pay or prorated if a regular part-time employee, on the part-time percentage of time at date of hire.
- (c) Regular employees with three (3) months but less than six (6) months of service will be entitled to fifteen (15) weeks (75 working days) of coverage, consisting of the above six (6) days, or what remains of the six (6) days entitlement, at full pay and the remainder of the fifteen (15) weeks at sixty-six and two-thirds percent (66⅔%) of pay to the Employment Insurance maximum weekly sickness benefit level.
- (d) Notwithstanding (a), (b), and (c) above where a regular employee is on claim recognized by the Workers' Compensation Board, while the employee was on the Employer's business, he/she shall be entitled to leave at his/her regular rate of pay, up to a maximum of one hundred and thirty (130) days for any one claim, in lieu of short-term plan benefits as outlined in 1.2. In such cases the compensation payable by the Workers' Compensation Board shall be remitted to the Employer.
- (e) Employees who become ill or disabled while on leave of absence without pay shall be entitled to their coverage of the short-term illness and injury plan on the date upon which they were scheduled to return to work.

1.2 Short-Term Plan Benefit

In the event an employee is unable to work because of an illness or injury he/she will be entitled to twenty-six (26) weeks of short-term disability at seventy-five percent (75%) of pre-disability income, to a maximum of one thousand two hundred dollars (\$1,200) per week. This benefit commences on the sixth (6th) consecutive calendar day of disability. Personal illness leave (Article 26.11) will be applied to the waiting period. Employees who have accumulated sick leave credit under the old sick leave plan will have their accumulated sick leave credits frozen but will supplement their seventy-five percent (75%) of pay benefit under the new plan by using twenty-five percent (25%) of a day's accumulation under the old sick leave plan for each day of absence under the new plan. Before becoming eligible for long-term disability plan benefits employees must use all sick leave accumulated under the old sick leave plan.

1.3 Recurring Disabilities

Employees who return to work after being absent because of illness or injury and within fourteen (14) working days again become unable to work because of the same illness or injury, will have their one hundred and thirty (130) day maximum benefit period reduced by all previous periods of absence because of that illness or injury which were not separated by at least fourteen (14) days of work. Subsequent absences due to illness or injury unrelated to the illness or injury that caused the previous absence will entitle the employee to a further one hundred thirty (130) days of short-term benefits.

1.4 Doctor's Certificate of Inability to Work

The Employer may require an employee who is unable to work because of an illness or injury to provide a statement from a qualified medical practitioner providing medical evidence of the employee's inability

to work when it appears that a pattern of consistent or frequent absence is developing. The Employer may request a statement from a qualified medical practitioner if the absence is for more than five (5) days. The cost of obtaining the report shall be paid by the employee and will be reimbursed by the Employer upon production of a satisfactory receipt. This payment does not apply to examination required for the continuance of benefits under any of the benefit packages referred to in this Agreement.

1.5 Integration with Other Disability Income

Short-term benefits will be reduced by all other disability income benefits to which the absent employee is entitled except disability income which was being received prior to the illness or injury resulting in the employee being absent from work and which is unrelated to the illness or injury causing the current absence and the one-quarter ($\frac{1}{4}$) day accumulation from the old sick leave plan that is being used to supplement the new plan. Other disability income benefits will include:

- (a) Any amount the absent employee receives from any group insurance, wage continuation or pension plan of the Employer.
- (b) Any amount of disability income provided by any compulsory Act or law, except Employment Insurance sickness benefits and WCB. benefits payable in accordance with Section 1.1(d).
- (c) Any periodic benefit payment from the Canada or Quebec pension plan or other social security plan of any country.

1.6 Benefits not paid during Certain Periods

Benefits will not be paid when an employee is:

- (a) receiving designated paid holiday pay;
- (b) engaged in an occupation for wage or profit;
- (c) on strike or is locked out unless the strike or lockout occurred after the illness or injury resulting in the employee being absent from work;
- (d) serving a prison sentence;
- (e) on leave of absence including maternity leave;
- (f) on suspension without pay

Benefits will not be paid when the illness or injury causing the employee to be absent from work results from:

- (a) intentionally self-inflicted injuries or illness;
- (b) active service in any naval, military or air force, after the commencement of this plan;
- (c) voluntary participation in a riot or civil commotion except while in the course of performing his/her occupation.

1.8 Employee to Inform Employer

The employee shall inform the Employer as soon as possible of his/her inability to report to work because of illness or injury. The employee shall inform the Employer of the date of return to duty, in advance of that date, in order that relief scheduled for that employee can be notified.

1.9 Entitlement

For the purpose of calculating six (6) days per calendar year, one day shall be considered to be one (1) day regardless of the regularly scheduled workday. Calculation for part-time employees and partial days will be on a prorated basis.

1.10 UIC Premium

The parties agree that the complete reduction from the Employment Insurance Commission accruing through the improved illness and injury plan will be returned to the Employer.

Any time beyond specified time may be charged against the employee's annual vacation credits; however, expenses will not be payable. For the purpose of definition, dependants are spouse, dependent children, and anyone for whom the employee claims exemption on his/her federal income tax return. The Employer shall reimburse the employee for travel expenses incurred during the transfer for him/herself and dependants, for the actual travel time, plus up to seven (7) days at the new location, where the employee is unable to move into his/her new accommodation, such expense allowances to be in accordance with current regulations.

- (b) the Employer shall pay an employee with dependants a living allowance of fifteen dollars fifty cents (\$15.50) per day up to a maximum of sixty (60) days.

- (a) Moving of household effects and chattels up to seven thousand (7,000) kg, including any item(s) which the contracted mover will accept as a part of a load which includes hobbies, boats, outboard motors, washer, deepfreeze, and refrigerators.

- (b) Comprehensive insurance to adequately protect the employee's household effects, chattels, and trailer during the move up to a maximum of twenty-five thousand dollars (\$25,000).

1.8 Incidental Expenses on Transfer

The Employer shall pay to the employee upon transfer only one of the following amounts to cover incidental expenses on transfer, and having claimed one allowance, no alternative further claim may be made:

Failure to apply within sixty (60) days will not obviate payment but will result in that payment being made that coincides with the payment that would have been made had application been made on time.

1.9 Notice to Employee Upon Transfer

It is understood and agreed that the Employer will provide the employee with reasonable notice of the transfer effective date and, where possible, at least one month's notice shall be given. Where less than one (1) month's notice is given, or the transfer date is altered either earlier or later than the transfer effective date given which directly results in duplication of rent costs to the employee, then the Employer agrees to reimburse the employee, upon production of receipts, to the duplicate rent payments at new location.

1.10 Requested Transfer by Employee

Where an employee requests a transfer from one campus or learning centre to another, all travelling and living expenses incurred in such a move are the responsibility of the employee.

Once the investigation and research has been completed, the parties will meet and develop the plan.

MEMORANDUM OF AGREEMENT #3 Long-Term Disability

1.1 Eligibility

- (a) Regular full-time employees shall be covered by the Long-Term Disability Plan upon completion of six (6) months active employment with the Employer. To be covered by the Plan, a regular part-time employee must be working in a position that requires at least half-time work on a regularly scheduled basis, and must have completed six (6) months active service in such a position.
- (b) An employee who is not actively at work because of illness or injury on the workday coincident with, or immediately preceding, the date he/she would otherwise have become eligible for coverage under the Plan will not be eligible for coverage until the date the employee returns to active employment.
- (c) Coverage in the plan is a condition of employment.

1.2 Long-Term Disability Benefit

In the event an employee, while covered under this plan, becomes totally disabled as a result of an accident or a sickness, then, after the employee has been totally disabled for six (6) months, including periods approved in Section 1.3(a) and (c), he/she shall be eligible to receive a monthly benefit as follows:

- (a) While the employee has a sick bank balance to be used on a day-for-day basis, full monthly earnings will continue until the sick bank is exhausted, and Section 1.6 will not apply.
- (b) When an employee has no sick bank, or after it is exhausted, the employee shall receive a monthly benefit equal to the sum of:
 - (1) Sixty-six and two-thirds percent (66⅔%) of the first three thousand dollars (\$3,000) of monthly earnings, and
 - (2) Fifty percent (50%) of the monthly earnings above three thousand dollars (\$3,000).
 - (3) The amount of the sum of (1) above and (2) above shall not exceed two thousand seven hundred and fifty dollars (\$2,750).

For the purposes of the above, earnings shall mean basic monthly earnings as at the date of disability as determined by the Employer. The basic monthly earnings as at the date of disability shall be the salary in effect for the last month of the short-term plan period, or equivalent six (6) month period, taking into consideration any retroactive adjustments. The date of disability for determining the commencement of the first two (2) years of disability shall be the day following the last month of the short-term plan period, or an equivalent six (6) month period.

(c) The long-term disability benefit payment will be made so long as an employee remains totally disabled in accordance with Section 1.3, and will cease on the date the employee recovers, or at the end of the month in which the employee reaches age sixty-five (65), or resigns or dies, whichever occurs first.

(d) An employee in receipt of long-term disability benefits will be considered an employee for purposes of superannuation and will continue to be covered by group life, extended health, dental, and medical plans. Employees will not be covered by any other portion of the Collective Agreement but will retain the right of access to the Screening Committee and will retain seniority rights when they return to employment within six (6) months following cessation of benefits.

1.3 Total Disability

(a) Total disability, as used in this Plan, means the complete inability because of an accident or sickness of a covered employee to perform all the duties of his/her own occupation for the first two (2) years of disability. Thereafter, employees able by reason of education, training or experience to perform the duties of a gainful occupation for which the rate of pay is not less than seventy-five percent (75%) of the current rate of pay of their regular occupation at date of disability will not be considered totally disabled and will therefore not be eligible for benefits under this Long-Term Disability Plan.

(b) Total disabilities resulting from mental or nervous disorders are covered by the Plan in the same manner as total disabilities resulting from accidents or other sicknesses, except that an employee who is totally disabled as a result of a mental or nervous disorder and who has received twenty-four (24) months of Long-Term Disability Plan benefit payments must be confined to a hospital or mental institution or where they are at home, under the direct care and supervision of a medical doctor, in order to continue to be eligible for benefit payment.

During a period of total disability an employee must be under the regular and personal care of a legally qualified doctor of medicine.

(c) (1) If an employee becomes totally disabled and during this period of total disability engages in rehabilitative employment, the regular monthly benefit from this plan will be reduced by twenty-five percent (25%) of the employee's earnings from such rehabilitative employment. In the event that income from rehabilitative employment and the benefit paid under this Plan exceeds eighty-five percent (85%) of the employee's earnings at date of disability, the benefit from this Plan will be further reduced by the excess amount.

"*Rehabilitative employment*" shall mean any occupation or employment for wage or profit or any course or training that entitles the disabled employee to an allowance, provided such rehabilitative employment has the approval of the employee's doctor and the Employer.

The rehabilitative employment of a disabled employee will continue until such time as the employee's earnings from rehabilitative employment exceed eighty-five percent (85%) of the employee's earnings at the date of disability but in no event for more than twenty-four (24) months from the date benefit payments commence.

If earnings are received by an employee during a period of total disability and if such earnings are derived from employment which has not been approved of as rehabilitative employment by his/her doctor and the Employer, then the regular monthly benefit from the Plan will be reduced by one hundred percent (100%) of such earnings.

(2) In the event that an employee has been classified as totally disabled for all occupations and engages in approved rehabilitative employment, the provisions of (i) above apply except that the rehabilitative employment may continue for twenty-four (24) months from the date rehabilitative employment commenced.

(3) In the case where rehabilitative employment has been approved while an employee is receiving a benefit under the provisions of Section 1.2(a), the provisions of Section 1.3(c)(1) shall not apply until the employee is receiving a benefit under Section 1.2(b).

1.4 Exclusions from Coverage

The Long-Term Disability Plan does not cover total disabilities resulting from:

- (a) war, insurrection, rebellion, or service in the armed forces of any country after the commencement of this plan;
- (b) voluntary participation in a riot or civil commotion except while an employee is in the course of performing the duties of his/her regular occupation;
- (c) intentionally self-inflicted injuries or illness;
- (d) pregnancy, childbirth, miscarriage or abortion except severe complications following termination of pregnancy; (intention is no coverage for normal pregnancy);
- (e) a disability known to the Employer and which was specifically taken into account by the Employer at time of hiring.

1.5 Pre-Existing Conditions

An employee shall not be entitled to long-term disability benefits from this Plan if his/her total disability resulted from an accident, sickness or mental or nervous disorder with respect to which medical treatment, services or supplies were received in the ninety (90) day period prior to the date of hire unless he/she has completed twelve (12) consecutive months of service after the date of hire during which time he/she has not been absent from work due to the aforementioned accident, sickness or mental or nervous disorder with respect to which medical treatment, services or supplies were received. This clause does not apply to present employees who have been continuously employed since April 15, 1978.

1.6 Integration With Other Disability Income

In the event a totally disabled employee is entitled to any other income as a result of the same accident, sickness, mental or nervous disorder that caused him/her to be eligible to receive benefits from this

Plan, the benefits from this Plan will be reduced by one hundred percent (100%) of such other disability income.

Other disability income shall include, but not necessarily be limited to:

- (a) any amount payable under the *Workers Compensation Act* or Law or any other legislation of similar purpose, and
- (b) any amount the disabled employee receives from any group insurance, wage continuation or pension plan of the Employer that provides disability or retirement income, and
- (c) any amount of disability income provided by any compulsory Act or law, and
- (d) any periodic primary benefit payment from the Canada or Quebec Pension Plans or other similar social security plan of any country to which the disabled employee is entitled or to which he/she would be entitled if his/her application for such a benefit were approved; and
- (e) any amount of disability income provided by any group or association disability plan to which the disabled employee might belong or subscribe.

The amount by which the disability benefit from this Plan is reduced by other disability income will normally be the amount to which the disabled employee is entitled upon becoming first eligible for such other disability income. Future increases in such other disability income resulting from increases in the Canadian Consumer Price Index or similar indexing arrangements will not further reduce the benefit from this Plan.

Notwithstanding the above, in the case of ICBC Weekly indemnity payments or, in the case of personal insurance coverage, integration will apply to the extent that the combination of Plan benefits and ICBC Weekly Indemnity payments, or personal insurance disability income benefits exceeds either:

- (a) one hundred percent (100%) of basic pay; or
- (b) the applicable benefit percentage of the individual average total monthly income in the twelve (12) month period immediately preceding commencement of the disability, whichever is the greater. Where this provision is to apply the employee will be required to provide satisfactory evidence of his/her total monthly income.

This section does not apply to a war disability pension paid under an Act of the Government of Canada or other commonwealth countries.

1.7 Successive Disabilities

If, following a period of total disability with respect to which benefits are paid from this Plan, an employee returns to work on a full-time basis for a continuous period of six (6) months or more, any subsequent total disability suffered by that employee, whether related to the preceding disability or not, shall be considered a new disability and the disabled employee shall be entitled to benefit payments in accordance with the provisions of this Plan. In the event the period during which such an employee has returned to work is less than six (6) months and the employee again suffers a total disability and that is related to the preceding disability, the subsequent disability shall be deemed a continuation of the preceding disability, and the disabled employee shall be entitled to benefit payments in accordance with the provisions of this Plan as though he/she had not returned to work.

Should such an employee suffer a subsequent disability that is unrelated to the previous disability and, provided the period during which the employee returned to work is longer than one (1) month, the

subsequent disability shall be considered a new disability and the employee shall be entitled to benefit payments in accordance with the provisions of this Plan.

1.8 Cessation of Plan Coverage

An employee shall cease to be covered by this Plan at the earliest of the following dates:

- (a) on the date that is six (6) months prior to his/her sixty-fifth (65th) birthday;
- (b) on the date of commencement of paid absence prior to retirement;
- (c) on the date of termination of employment with the Employer.

Cessation of active employment as a regular employee shall be considered termination of employment except when an employee is on authorized leave of absence with or without pay.

1.9 Leave of Absence

Employees on leave of absence without pay may opt to retain coverage under the plan and shall pay the full premium, except when on approved Maternity Leave. Coverage will be permitted for a period of eighteen (18) months of absence without pay except that if the leave is for educational purposes the maximum period will be extended to two (2) years. If an employee on leave of absence without pay or with partial pay, who has elected coverage under this Plan, becomes disabled, benefits under this Plan will be based upon monthly earnings immediately prior to the current leave of absence.

1.10 Benefits Upon Plan Termination

In the event this Long-Term Disability Plan is terminated, the benefit payments shall continue to be paid in accordance with the provisions of this Plan to disabled employees who become disabled while covered by this Plan prior to its termination.

1.11 Contributions

The cost of this Plan will be borne by the Employer.

1.12 Waiver of Contributions

Employee contributions to this Plan shall be waived with respect to disabled employees during the time such an employee is in receipt of disability benefit payments from this Plan.

1.13 Claims

Long-term disability claims will be adjudicated and paid by a Plan carrier to be appointed by the Employer. In the event a covered employee disputes the decision of the claims-paying agent regarding a claim for benefits under this Plan, the employee may arrange to have his/her claim review by a claims review committee composed of three (3) medical doctors; one (1) designated by the claimant, one (1) by the Employer, and a third agreed to by the first two. Written notice of a disputed claim or an appeal under this Plan shall be sent to the Plan carrier.

Written notice of an appeal must be submitted within six (6) months from the date the Plan carrier rejected the claim.

Where an employee has disputed the decision of the Plan carrier and is awaiting the outcome of a review or an appeal, the employee will be considered to be on leave of absence without pay during the portion of the waiting period when he/she is not receiving pay or benefit allowance. During the waiting period an employee will continue to be covered by group life, extended health, dental and medical plans.

1.14 Physical Examination

The Employer, at its own expense, shall have the right and be given the opportunity to have a medical doctor appointed by the Employer examine, as often as it may reasonably require, any employee whose injury, sickness, mental or nervous disorder is the basis of claim upon this Plan.

1.15 Canadian Currency

All monies payable to or from this plan shall be payable in Canada in Canadian currency.

1.16 Administration

The Employer will be the administrator of the plan as that function relates to provision of the plan, registration of employees, and related administrative duties.

1.17 Implementation by Regulation

The provisions of this Plan shall be considered part of the Collective Agreement between the parties.
